

Chicago Casino – Financial Advisor Request for Qualifications

On April 22nd, 2021, the City of Chicago released a Chicago Casino Request for Proposals (“RFP”) beginning the selection process to award the license to operate a casino in Chicago. As part of the evaluation process, the City aims to conduct a thorough financial analysis of the submitted proposals. To aid in this analysis, the City is releasing this Request for Qualifications (“RFQ”) for organizations interested in advising the City. The City requests that interested organizations respond to this RFQ answering the following items:

1. Please describe the organization’s familiarity, if any, with the gaming market, including information on any previous relevant engagements with governmental bodies and/or casino operators to provide financial advice with respect to gaming opportunities. Previous gaming experience is a pre-requisite to the engagement.
2. Please describe the capacity in which the organization would be interested in aiding the City in its financial analysis of RFP responses, including the organization’s qualifications and capabilities to serve in this capacity as well as the qualifications of the key personnel that would be assigned to this engagement.
3. Please detail the fee amount and related arrangements requested by the organization if selected to participate in this engagement.
