

*In the opinion of Bond Counsel, under existing law, interest on the Bonds is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the alternative minimum tax imposed on individuals and corporations; it should be noted, however, that for the purpose of computing the alternative minimum tax imposed on certain corporations, such interest is taken into account in determining adjusted current earnings. Further, pursuant to the Act, the Bonds and the income therefrom are exempt from all taxation by the State of Louisiana or any political subdivision thereof. See "TAX EXEMPTION" herein and Appendix "G" attached hereto.*

## **OFFICIAL STATEMENT**

### **\$12,915,000 PUBLIC IMPROVEMENT SALES TAX REFUNDING BONDS, SERIES 2016D**

#### **CITY OF LAFAYETTE, STATE OF LOUISIANA**

### **INTRODUCTION**

This Official Statement of the City of Lafayette, State of Louisiana (herein sometimes referred to as the “Issuer” or the “City”) provides information with respect to the captioned bonds (the “Bonds”). This Official Statement contains summaries of certain provisions of the ordinance pursuant to which the Bonds will be issued (the “Bond Ordinance”) adopted on January 19, 2016, by the Governing Authority of the Issuer (hereinafter defined) and a bond purchase agreement executed by the Mayor/President on February 3, 2016.

The Bonds are being issued by the City, which is governed by the Lafayette City-Parish Council (the “Governing Authority”). The City operates under the Home Rule Charter of the Governing Authority, which operates on a November 1 to October 31 fiscal year.

Brief descriptions of the Issuer, the Bonds, the Bond Ordinance, the Act (hereinafter defined) and other proceedings described herein are contained in this Official Statement, and reference to such matters is qualified by reference to such entity or proceedings so referred to or summarized.

Additional information about the Issuer is included in Appendix “B” hereto. The Comprehensive Annual Financial Report of the Issuer for the fiscal year ended October 31, 2014 is included by reference in Appendix “C” hereto. The form of opinion of Foley & Judell, L.L.P., Bond Counsel, is included in Appendix “G” hereto.

Reference in this Official Statement to owner, holder, registered owner, Bondholder or Bondowner means the registered owner of the Bonds determined in accordance with the Bond Ordinance.

### **PURPOSE OF ISSUE**

The Bonds are being issued for the purpose of refunding the Issuer’s Public Improvement Sales Tax Bonds, Series 2007A, dated August 1, 2007 and maturing March 1 of the years 2018 through 2030, inclusive, and 2032 (the “Refunded Bonds”) and paying the costs of issuance of the Bonds.

### **PLAN OF REFUNDING**

A portion of the proceeds of the Bonds, together with additional moneys provided by the Issuer, will be deposited in a special trust fund (the “Escrow Fund”) established pursuant to the terms of a Defeasance and Escrow Deposit Agreement (the “Agreement”) dated as of February 26, 2016 (or such date as shall be appropriate), by and between the Issuer and The Bank of New York

Mellon Trust Company, N.A., in the City of Baton Rouge, Louisiana (the “Escrow Agent”). Copies of the Agreement will be available at the Municipal Securities Rulemaking Board (the “MSRB”), Washington, D.C. Upon delivery of the Bonds, the Bond proceeds and other moneys in the Escrow Fund will be applied by the Escrow Agent for the purpose of paying the principal of, premium, if any, and interest on the Refunded Bonds through their redemption on March 1, 2017.

The Escrow Fund will be established by using a portion of the proceeds of the Bonds, and other available monies, to purchase non-callable direct general obligations of the United States of America, or obligations unconditionally guaranteed in principal and interest by the United States of America, the principal of and interest on which, when added to an initial cash deposit therein, will be sufficient to pay the principal of, premium, if any, and interest on the Refunded Bonds through their redemption on March 1, 2017. Under the conditions set forth in the Agreement, replacement obligations may be substituted for the aforesaid escrow obligations.

Prior to or concurrently with the delivery of the Bonds, the Issuer will obtain an independent mathematical verification that the moneys and obligations required to be irrevocably deposited in trust in the Escrow Fund with the Escrow Agent, together with the earnings to accrue thereon, will always be sufficient for the payment of the principal of, premium, if any, and interest on the Refunded Bonds. See “VERIFICATION OF COMPUTATIONS.”

The Issuer in the Bond Ordinance pledges the net avails or proceeds of the Tax received by the City, after provision has been made for the payment therefrom of all of the reasonable and necessary costs and expenses of collecting and administering the Tax (the "Net Revenues of the Tax") as security for the Bonds. (See "SECURITY PROVISIONS AND PROTECTIVE COVENANTS" herein.) Pursuant to Section 39:1430.1 of the Louisiana Revised Statutes of 1950, as amended, the Net Revenues of the Tax so pledged and then or thereafter received by the Issuer or Paying Agent (hereinafter defined) shall be subject to the lien of such pledge. The lien of the Bondholders on the Net Revenues of the Tax is a first priority lien, and no filing is required under Chapter 9 of the Uniform Commercial Code as enacted in the State of Louisiana (the "State").

The Bonds shall bear interest from the date thereof or from the most recent Interest Payment Date to which interest has been paid or duly provided for.

## **Provisions Applicable if Book-Entry Only System is Terminated**

**General.** Purchasers of Bonds will receive principal and interest payments, and may transfer and exchange Bonds, pursuant to the following provisions only if the book-entry only system is terminated. Otherwise, payments and transfers will be made only as described under “Book-Entry Only System.”

**Place of Payment.** The Bonds will be payable at the corporate trust office of the Paying Agent in the City of Baton Rouge, Louisiana, or at the office of any successor thereto.

**Payment of Interest.** Upon discontinuation of the book-entry only system, interest on the Bonds will be payable by check mailed on or before the Interest Payment Date by the Paying Agent to the registered owner, determined as of the close of business on the 15th calendar day of the month next preceding an Interest Payment Date (the “Record Date”), whether or not such day is a Business Day (as defined in the Bond Ordinance), at the address of such registered owner as it appears on the registration books of the Paying Agent.

The person in whose name any Bond is registered at the close of business on the Record Date with respect to an Interest Payment Date (unless such Bond has been called for redemption on a redemption date which is prior to such Interest Payment Date) shall be entitled to receive the interest payable with respect to such Interest Payment Date notwithstanding the cancellation of such Bond upon any registration of transfer or exchange thereof subsequent to such Record Date and prior to such Interest Payment Date.

**Provisions for Transfer, Registration and Assignment.** The Bonds may be transferred, registered and assigned only on the registration books of the Paying Agent, and such registration shall be at the expense of the Issuer. A Bond may be assigned by the execution of an assignment form on the Bonds or by other instruments of transfer and assignment acceptable to the Paying Agent. A new Bond or Bonds of the same series will be delivered by the Paying Agent to the last assignee (the new registered owner) in exchange for such transferred and assigned Bonds after receipt of the Bonds to be transferred in proper form. Such new Bond or Bonds must be in the denomination of \$5,000 or any integral multiple thereof within a single maturity. The Issuer and the Paying Agent shall not be required (a) to issue, register the transfer of or exchange any Bond during a period beginning at the opening of business on the 15th calendar day of the month next preceding an Interest Payment Date or any date of selection of Bonds to be redeemed and ending at the close of business on the Interest Payment Date or day on which the applicable notice of redemption is given or (b) to register the transfer of or exchange any Bond so selected for redemption in whole or in part.

## **Redemption Provisions**

The Bonds maturing March 1, 2027, and thereafter, will be callable for redemption by the Issuer in full or in part at any time on or after March 1, 2026, at a price equal to the principal amount of the called bonds and accrued interest thereon to the call date.

In the event a Bond to be redeemed is of a denomination larger than \$5,000, a portion of such Bond (\$5,000 or any multiple thereof) may be redeemed. Official notice of such call of any of the Bonds for redemption will be given by means of (i) first class mail, postage prepaid, by notice deposited in the United States mails not less than thirty (30) days prior to the redemption date or (ii)

electronic transmission not later than thirty (30) days prior to the redemption date addressed to the registered owner of each bond to be redeemed at his address as shown on the registration books of the Paying Agent.

### **Bonds May Be Defeased**

Pursuant to Chapter 14 of Title 39 of the Louisiana Revised Statutes of 1950, as amended, and the Bond Ordinance, the Bonds, in whole or in part, shall be defeased and shall be deemed to be paid and shall no longer be considered to be outstanding under the Bond Ordinance, and the covenants, agreements, and obligations contained in the Bond Ordinance with respect to such Bonds shall be discharged, if one of the following shall occur:

- (1) There is deposited in an irrevocable trust with a bank which is a member of the Federal Deposit Insurance Corporation, or its successor, or with a trust company, monies in an amount sufficient to pay in full the principal of and interest and call premiums, if any, on such Bonds to their stated maturity.
- (2) There is deposited in an irrevocable trust with a bank which is a member of the Federal Deposit Insurance Corporation, or its successor, or with a trust company, noncallable direct general obligations of the United States of America or obligations unconditionally guaranteed in principal and interest by the United States of America, including certificates or other evidence of an ownership interest in such noncallable direct obligations, which may consist of specified portions of interest thereon, such as those securities commonly known as CATS, TIGRS, and STRPS, the principal of and interest on which, when added to other monies, if any, deposited therein, shall be sufficient to pay when due the principal of and interest and call premiums, if any, on such Bonds to their stated maturity.

Neither the obligations or the moneys deposited in irrevocable trust nor the principal or interest payments on any such obligations shall be withdrawn or used for any purpose other than and shall be held in trust for the payment of the principal of and premium, if any, and interest on the Bonds defeased. The owners of the Bonds which are so defeased shall have an express lien on such moneys or governmental obligations until paid out, used, and applied as set forth above.

### **BOOK-ENTRY ONLY SYSTEM**

The Bonds initially will be issued solely in book-entry only form to be held in the system maintained by DTC. So long as such book-entry only system is used, only DTC will receive or have the right to receive physical delivery of the Bonds and Beneficial Owners will not be or be considered to be, and will not have any rights as, owners or holders of the Bonds under the Bond Ordinance.

*The following information about the book-entry only system applicable to the Bonds has been supplied by DTC. The Issuer and Underwriter make no representations, warranties or guarantees with respect to its accuracy or completeness.*

1. The Depository Trust Company (“DTC”), New York, NY, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered bonds registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond will be issued for each maturity of the Bonds, in the aggregate principal amount of such maturity, and will be deposited with DTC.

2. DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

3. Purchases of the Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

4. To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee

holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

6. Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

7. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Redemption proceeds, distributions, and dividend payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Issuer or Paying Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, Paying Agent, or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Issuer or Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

9. DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Issuer or Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, the Bonds are required to be printed and delivered.

10. The Issuer may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Bonds will be printed and delivered to DTC.

11. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Issuer believes to be reliable, but the Issuer takes no responsibility for the accuracy thereof.

THE ISSUER AND THE UNDERWRITER CANNOT AND DO NOT GIVE ANY ASSURANCES THAT THE DTC PARTICIPANTS OR THE INDIRECT PARTICIPANTS WILL DISTRIBUTE TO THE BENEFICIAL OWNERS OF THE BONDS (i) PAYMENTS OF PRINCIPAL OF OR INTEREST AND PREMIUM, IF ANY, ON THE BONDS; (ii) CONFIRMATION OF BENEFICIAL OWNERSHIP INTERESTS IN BONDS; OR (iii) REDEMPTION OR OTHER NOTICES SENT TO DTC OR CEDE & CO., ITS NOMINEE, AS THE REGISTERED OWNERS OF THE BONDS, OR THAT THEY WILL DO SO ON A TIMELY

BASIS OR THAT DTC, DTC PARTICIPANTS OR INDIRECT PARTICIPANTS WILL SERVE AND ACT IN THE MANNER DESCRIBED IN THIS OFFICIAL STATEMENT. THE CURRENT “RULES” APPLICABLE TO DTC ARE ON FILE WITH THE SECURITIES AND EXCHANGE COMMISSION AND THE CURRENT “PROCEDURES” OF DTC TO BE FOLLOWED IN DEALING WITH DTC PARTICIPANTS ARE ON FILE WITH DTC.

NEITHER THE ISSUER, THE UNDERWRITER NOR THE PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO SUCH DTC PARTICIPANTS OR THE BENEFICIAL OWNERS WITH RESPECT TO (1) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT; (2) THE PAYMENT BY ANY DTC PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL AMOUNT OR INTEREST OR PREMIUM, IF ANY, ON THE BONDS; (3) THE DELIVERY BY ANY DTC PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE BOND ORDINANCE TO BE GIVEN TO BONDHOLDERS; (4) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE BONDS; OR (5) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS BONDHOLDER.

## **INFORMATION RELATING TO THE SALES AND USE TAX SECURING THE PAYMENT OF THE BONDS AND THE OUTSTANDING PARITY BONDS**

### **Results of Elections**

The Tax, which provides the security and source of payment for the Bonds as more fully set forth herein, was initially authorized by a majority of the qualified electors of the City voting in an election held on May 13, 1961. The voters approved the following proposition:

#### **PROPOSITION**

Shall the City of Lafayette, State of Louisiana, under the provisions of Sub-Part D, Part I, Chapter 6, Title 33 of the Louisiana Revised Statutes of 1950 (R.S. 33:2711, et seq.), be authorized to levy and collect a tax of one percent (1%) upon the sale at retail, the use, the lease or rental, the consumption and storage for use or consumption of tangible personal property on sales of services in said City, as defined in R.S. 47:301 through 47:317, inclusive, with the revenues derived from said sales and use tax to be dedicated and used for the purposes of opening, constructing, paving, resurfacing and improving streets, sidewalks and bridges; constructing and purchasing street lighting facilities; constructing and improving drains, drainage canals and subsurface drainage; constructing and purchasing fire department stations and equipment; constructing and purchasing police department stations and equipment; constructing and purchasing garbage disposal and health and sanitation equipment and facilities; constructing public buildings; purchasing, constructing and improving public parks and recreational facilities and acquiring the necessary equipment and furnishings therefor; purchasing equipment for civil defense; constructing, acquiring or improving any work of permanent public improvement; and purchasing and acquiring all equipment and furnishings for the public works, buildings, improvements and facilities in the City of Lafayette, Louisiana, or for any one or more of said purposes, title to which shall be in the public?

At an election held in the City on November 20, 1965, a majority of the qualified electors of the City voting in such election authorized the appropriation, dedication and use of the remaining revenues of the Tax, after provision is made for the payment of the debt service requirements on all bonds and refunding bonds which are payable from a pledge and dedication of the avails or proceeds of the Tax by approving the following proposition:

**PROPOSITION**

After providing for the principal, interest and reserve requirements in connection with the issuance and payment of the sales and use tax bonds voted at a special election held in the City of Lafayette, State of Louisiana, on September 12, 1964, then shall said City be authorized to appropriate, dedicate and use the remaining revenues derived from the one per cent (1%) sales and use tax now being levied and collected in the City for the purposes of supplementing the general fund revenues of the City and for other purposes set forth in the proposition approved at the special election held in the City on May 13, 1961, authorizing the levy of the tax; provided, however, not more than ten per cent (10%) of the annual revenues of such tax may be used for such general fund purposes?

At an election held in the City on March 22, 1977, a majority of the qualified electors of the City voting in such election authorized the re-appropriation, rededication and use of the remaining revenues of the Tax, after provision is made for the payment of debt service requirements on all bonds and refunding bonds which are payable from a pledge and dedication of the avails or proceeds of the Tax by approving the following proposition:

**PROPOSITION**

“After providing for the principal, interest and reserve requirements in connection with the issuance and payment of the sales and use tax bonds of the City of Lafayette, State of Louisiana, theretofore or thereafter sold and issued by said City with voter approval in accordance with law to refund such bonds, then shall said City be authorized to appropriate, dedicate and use the remaining revenues derived from the one percent (1%) sales and use tax now being levied and collected in the City for the purposes of supplementing the general fund revenues of the City and for other purposes set forth in the proposition approved at the special election held in the City on May 13, 1961, authorizing the levy of the tax; provided, however, not more than twenty-five percent (25%) of the annual revenues of such tax may be used for such general fund purpose?”

In an election held on July 21, 2001, a majority of the qualified electors of the City voting in such election authorized the re-appropriation, rededication and use of the remaining revenues of the Tax, after provision is made for the payment of debt service requirements on all bonds and refunding bonds which are payable from a pledge and dedication of the avails or proceeds of the Tax by approving the following proposition:

**1961 SALES TAX REDEDICATION PROPOSITION**

**SUMMARY:** AUTHORITY TO REDEDICATE THE 1% SALES AND USE TAX PREVIOUSLY AUTHORIZED BY ELECTIONS HELD ON MAY 13, 1961, NOVEMBER 20, 1965 AND MARCH 22, 1977, TO INCREASE THE MAXIMUM PERCENTAGE OF REVENUES THAT MAY BE APPROPRIATED TO THE GENERAL FUND AFTER MAKING ALL REQUIRED BOND PAYMENTS.

Shall the City of Lafayette, State of Louisiana (the “City”), having been previously authorized at elections held on May 13, 1961, November 20, 1965 and March 22, 1977, to levy a one percent (1%) sales and use tax (the “Tax”), after providing for (i) the principal, interest and reserve requirements in connection with the issuance and payment of all sales

and use tax bonds of the City heretofore or hereafter sold and issued by said City or (ii) bonds issued in accordance with law to refund such bonds secured by and payable from the avails or proceeds of said Tax, then shall said City be authorized to appropriate, dedicate and use the remaining revenues derived from the Tax for the purpose of supplementing the general fund revenues of the City and for the capital improvement purposes set forth in the propositions approving the levy of the Tax; provided, however, no more than thirty-five percent (35%) of the annual revenues of such tax may be used for such general fund purposes?

### **Description of Sales Tax**

The Governing Authority has covenanted and agreed not to discontinue or decrease or permit to be discontinued or decreased the Tax in anticipation of the collection of which the Bonds and the issues of which they form a part have been issued, nor in any way make any change which would diminish the Net Revenues of the Tax to be received by the City until all of the Bonds and the Outstanding Parity Bonds have been paid in principal and interest. The voter authorization of the Tax has no termination date.

The Tax is a tax of one percent (1%) upon the sale at retail, the use, the lease or rental, the consumption and the storage for use or consumption of tangible personal property and on sales of services in the City, all as defined in La. R.S. 47:301 to La. R.S. 47:317, inclusive, beginning July 1, 1985, except the Tax exempts food and prescription drug items. A copy of the ordinance levying the Tax described herein and securing the proposed Bonds and the Outstanding Parity Bonds is available upon request from Foley & Judell, L.L.P., Bond Counsel, 365 Canal Street, Suite 2600, New Orleans, Louisiana 70130-1338.

## Collection of the Tax

The ordinance levying the Tax requires the dealer to collect the Tax from the purchaser or consumer. Each dealer is required to file with the Director of the Sales Tax Division of the Lafayette Parish School Board (the "Director") a registration certificate in return for which the dealer is assigned a registration number and issued a certificate of authority to collect the tax. On or before the twentieth day of each month, it is the duty of each dealer to transmit to the Director a complete report of sales and use taxes collected during the preceding month and to remit to the City the amount of the tax due for sales in the preceding month.

A Joint Agreement for Collection of Sales and Use Taxes was signed by the Lafayette Parish School Board, the Lafayette Parish Police Jury, and the municipalities of Lafayette, Broussard, Carencro, Duson, Scott, and Youngsville. The agreement established a sales and use tax collection department under the School Board known as the "Sales Tax Division" which, since January 1, 1976, has collected each of the sales and use taxes levied by the aforementioned political subdivisions. The costs and expenses of administering and collecting the respective sales and use taxes are reimbursed to the Sales Tax Division pro-rata by each political subdivision.

The Bonds are further secured by monies on deposit in the Sinking Fund (hereinafter defined) and the 1961 Sales Tax Bond Reserve Fund (hereinafter defined).

The Bonds will be issued on a complete parity with the City's Outstanding Parity Bonds issued pursuant to: (i) Ordinance No. O-077-2006, adopted on June 20, 2006, authorizing the issuance of the Public Improvement Sales Tax Refunding Bonds, Series 2006B (the “2006B Bonds”); (ii) Ordinance No. O-145-2007, adopted on July 17, 2007, authorizing the issuance of the Public Improvement Sales Tax Bonds, Series 2007A (the “2007A Bonds”); (iii) Ordinance No. O-113-2009, adopted July 7, 2009, authorizing the issuance of the Taxable Public Improvement

Sales Tax Build America Bonds, Series 2009A and the Taxable Public Improvement Sales Tax Recovery Zone Economic Development Bonds, Series 2009A (the “2009A Bonds”); (iv) Ordinance No. O-255-2010, adopted November 16, 2010, as supplemented and amended by Ordinance No. O-001-2011, adopted on January 18, 2011, as further supplemented and amended by Ordinance No. O-087-2011 adopted on May 3, 2011, authorizing the issuance of the Public Improvement Sales Tax Refunding Bonds, Series ST-2011A (the “ST-2011A Bonds”); (v) Ordinance No. O-107-2011, adopted May 17, 2011, authorizing the issuance of the Public Improvement Sales Tax Bonds, Series 2011 (the “2011 Bonds”); (vi) Ordinance No. O-264-2011, adopted November 1, 2011, authorizing the issuance of the Public Improvement Sales Tax Refunding Bonds, Series ST-2011C (the “ST-2011C Bonds”); (vii) Ordinance No. O-080-2012, adopted April 17, 2012, authorizing the issuance of the Public Improvement Sales Tax Refunding Bonds, Series ST-2012A (the “ST-2012A Bonds”); and (viii) Ordinance No. O-082-2013, adopted May 7, 2013, authorizing the issuance of the Public Improvement Sales Tax Bonds, Series 2013 (the “2013 Bonds”); (ix) Ordinance No. O-143-2014 adopted on August 19, 2014, authorizing the issuance of the Public Improvement Sales Tax Refunding Bonds, Series 2014A (the “2014A Bonds”); (x) Ordinance No. O-143-2014 adopted on August 19, 2014, authorizing the issuance of the Public Improvement Sales Tax Refunding Bonds, Series 2014C (the “2014C Bonds”); and (xi) Ordinance No. O-237-2015 adopted on November 3, 2015, authorizing the issuance of the Public Improvement Sales Tax Refunding Bonds, Series 2015A (the “Series 2015A” and collectively, the “Parity Bond Ordinances”).

A complete description of the Tax, the method of collecting same, and the anticipated proceeds which will be available to the City for the payment of the Bonds and the Outstanding Parity Bonds are hereinafter described in this Official Statement under the section entitled, “INFORMATION RELATING TO THE SALES AND USE TAX SECURING THE PAYMENT OF THE BONDS AND THE OUTSTANDING PARITY BONDS.” The Bonds and the Outstanding Parity Bonds are payable solely from the avails or proceeds of the Tax received by the City, after provision has been made for the payment therefrom of all of the reasonable and necessary costs and expenses of collecting and administering the Tax and do not constitute an indebtedness or pledge of the general credit of the City within the meaning of any constitutional or statutory provision relating to the incurring of indebtedness. Each Bond will contain a recital to this effect.

In compliance with the laws of the State, the City, through its Governing Authority, by proper ordinances and/or resolutions, is obligated to cause the Tax to continue to be levied and collected until all of the Bonds and Outstanding Parity Bonds have been retired as to both principal and interest, and further the City shall not discontinue or decrease or permit to be discontinued or decreased the Tax in anticipation of the collection of which the Bonds have been issued, nor in any way make any change which would diminish the amount of the Net Revenues of the Tax to be received by the City until all of the Bonds and Outstanding Parity Bonds have been retired as to both principal and interest.

(Note: The City also levies and collects a one percent (1%) sales and use tax effective July 1, 1985, which serves as security for other outstanding sales tax bonds of the City (including the proposed Public Improvement Sales Tax Refunding Bonds, Series 2016A, the “2016A Bonds”); however, this tax does not serve as security for and is not pledged to the payment of the 2016D Bonds and its outstanding parity bonds.)

## **Obligation to Collect Tax**

In compliance with the laws of the State, the Issuer through its Governing Authority, by proper resolutions and/or ordinances, is obligated to cause the Tax to continue to be levied and collected until all of the Bonds have been retired as to both principal and interest, and further shall not discontinue or decrease or permit to be discontinued or decreased the Tax in anticipation of the collection of which the Bonds have been issued, nor in any way make any change which would diminish the amount of the Net Revenues of the Tax to be received by the Issuer until all of the Bonds have been retired as to both principal, interest, and redemption premium, if any. Nothing herein contained shall be construed to prevent the Governing Authority of the Issuer from altering, amending or repealing from time to time as may be necessary the Sales Tax Ordinance or any subsequent ordinance providing with respect to the Tax, said alterations, amendments or repeals to be conditioned upon the continued preservation of the rights of the Owners with respect to the Net Revenues of the Tax. The Sales Tax Ordinance pursuant to which the Tax is being levied, collected and allocated, and the obligations to continue to levy, collect and allocate the Tax and to apply the Net Revenues of the Tax in accordance with the provisions of the Bond Ordinance, shall be irrevocable until the Bonds and the Outstanding Parity Bonds have been paid in full as to both principal and interest, and shall not be subject to amendment in any manner which would impair the rights of the Owners from time to time of the Bonds and the Outstanding Parity Bonds or which would in any way jeopardize the prompt payment of principal thereof and interest thereon.

The Owner of any of the Bonds may, either at law or in equity, by suit, action, mandamus or other proceedings, enforce and compel performance of all duties required to be performed as a result of issuing the Bonds, and may similarly enforce the provisions of any ordinance or ordinance imposing the Tax and ordinance and proceedings authorizing the issuance of the Bonds.

## **Flow of Funds**

The Bond Ordinance (Ordinance No. O-001-2016), to be adopted on January 19, 2016, pledges and dedicates all of the Net Revenues of the Tax until the Bonds have been fully paid. The Bond Ordinance provides substantially as follows:

In order that the principal of and the interest on the Bonds will be paid in accordance with their terms and for the other objects and purposes hereinafter described, the Issuer further covenants as follows:

That, in compliance with the Sales Tax Ordinance, all of the avails or proceeds of the Tax shall continue to be deposited daily as the same may be collected in a separate and special bank account heretofore established with the Depository and designated as the "City Sales Tax Fund" (hereinafter called the "Sales Tax Fund"), and shall be maintained and administered in the following order of priority and for the purposes set out below. The Sales Tax Fund shall constitute a dedicated fund of the Issuer, from which appropriations and expenditures by the Issuer shall be made solely for the purposes designated in the propositions authorizing the levy of the Tax, including the payment of the Bonds, the Outstanding Parity Bonds and any Additional Parity Bonds.

Out of the funds on deposit in the Sales Tax Fund, the Issuer shall first pay all reasonable and necessary expenses of collection and administration of the Tax. After payment of such expenses, the remaining balance of the Tax proceeds shall be used in the following order of priority and for the following express purposes:

- (a) The maintenance of the “Sales Tax Bond Sinking Fund” (hereinafter called the “Sinking Fund”) heretofore established by the Parity Bond Ordinance and held with the Depository, sufficient in amount to pay promptly and fully the principal of and the interest on the Bonds, the Outstanding Parity Bonds and any Additional Parity Bonds hereafter issued in the manner provided by the Bond Ordinance, as they severally become due and payable, by transferring from the Sales Tax Fund to the Sinking Fund, monthly in advance, on or before the 20th day of each month of each year in addition to the amount required by the Parity Bond Ordinances, a fractional amount of the interest on the Bonds falling due on the next Interest Payment Date and a fractional amount of the principal of the Bonds falling due on the next principal payment date, whether by maturity or mandatory call, such fractions being equal to the number 1 divided by the number of months preceding such Interest Payment Date or principal payment date, as the case may be, since the last interest or principal payment date, as the case may be, so that by making equal monthly payments, the Issuer will always provide the necessary sums required to be on hand on each interest and principal payment date, together with such additional proportionate sum as may be required so that sufficient moneys will be available in the Sinking Fund to pay said principal and interest as the same respectively become due. Said Depository shall transfer from the Sinking Fund to the paying agent bank or banks for all bonds payable from the Sinking Fund, at least ten (10) days in advance of each Interest Payment Date, funds fully sufficient to pay promptly the principal and interest so falling due on such date.
- (b) The maintenance of the “Sales Tax Bond Reserve Fund” (hereinafter called the “Reserve Fund”) established by the Parity Bond Ordinance and held with the Depository, by maintaining therein an amount equal to the Reserve Fund Requirement. The money in the Reserve Fund is to be retained solely for the purpose of paying the principal of and interest on the bonds payable from the Sinking Fund as to which there would otherwise be default. In the event that Additional Parity Bonds are issued hereafter in the manner provided by the Bond Ordinance, then there shall be transferred from the proceeds of such Additional Parity Bonds or from the Sales Tax Fund into the Reserve Fund upon the issuance of such Additional Parity Bonds, such amounts as will increase the total amount on deposit in the Reserve Fund to the Reserve Fund Requirement.

If at any time it shall be necessary to use moneys in the Reserve Fund for the purpose of paying principal or interest on Bonds as to which there would otherwise be default, then the moneys so used shall be replaced from the Net Revenue of the Tax first thereafter received not hereinabove required to pay current principal and interest requirements, it being the intention thereof that there shall as nearly as possible be at all times in the Reserve Fund the amount hereinabove specified.

All moneys remaining in the Sales Tax Fund on the 20th day of each month, after making the required transfers for costs and expenses of administering and collecting the Tax and the payments into the Sinking Fund and the Reserve Fund for the current month and for any prior months during which the required payments may not have been made, shall be considered as surplus.

When requested by the Chief Financial Officer, or any successor in function of office, of the Lafayette City-Parish Consolidated Government, such surplus shall be transferred to the Issuer by the Depository to be used for any of the purposes for which the imposition of the Tax is now or may hereafter be authorized by law, including for the purpose of retiring the Outstanding Parity Bonds and the Bonds herein described in advance of their maturities, either by purchase of such bonds then outstanding at a price not greater than the then redemption price of said bonds or by retiring such bonds at the prices and in the manner hereinbefore set forth in the Bond Ordinance and the Parity Bond Ordinance. After said surplus is so transferred to the Issuer, the Depository shall have no obligation to supervise the expenditure of such funds and the Issuer may deposit the same in such funds or accounts and provide for the expenditure thereof in accordance with their existing dedications and applicable provisions of law.

### **Issuance of Additional Parity Bonds**

The Bonds shall enjoy complete parity of lien on the Net Revenues of the Tax despite the fact that any of the Bonds may be delivered at an earlier date than any other of the Bonds. The Issuer shall issue no other bonds or obligations of any kind or nature payable from or enjoying a lien on the Net Revenues of the Tax having priority over or parity with the Bonds and the Outstanding Parity Bonds, except that Additional Parity Bonds may hereafter be issued on a parity with the Bonds and the Outstanding Parity Bonds under the following conditions:

(a) The Bonds or any part thereof, including interest and redemption premiums thereon, may be refunded with the consent of the Owners thereof (except that as to Bonds which have been properly called for redemption and provisions made for the payment thereof, such consent shall not be necessary) and the bonds so issued shall enjoy complete equality of lien with the portion of the Bonds which is not refunded, if there be any, and the refunding bonds shall continue to enjoy whatever priority of lien over subsequent issues that may have been enjoyed by the Bonds refunded, provided, however, that if only a portion of Bonds outstanding is so refunded and the refunding bonds require total principal and interest payments during any Fiscal Year in excess of the principal and interest which would have been required in such Fiscal Year to pay the Bonds refunded thereby, then such Bonds may not be refunded without the consent of the Owners of the unrefunded portion of the Bonds issued hereunder.

(b) Additional Parity Bonds, including any other *pari passu* additional bonds as may at any later date be authorized at an election held by the Issuer or otherwise, may also be issued, and such Additional Parity Bonds shall be on a parity with the Bonds herein authorized and the Outstanding Parity Bonds if all of the following conditions are met:

(i) The average annual revenues derived by the Issuer from the Tax, when computed for the two (2) completed Fiscal Years immediately preceding the issuance of the Additional Parity Bonds, must have been not less than one and one-half (1-1/2) times the highest combined principal and interest requirements for any succeeding Fiscal Year period on all Outstanding Parity Bonds, including any Additional Parity Bonds theretofore issued and then outstanding, and any other bonds or other obligations whatsoever then outstanding which are payable from the Net Revenues of the Tax (but not including bonds which have been refunded or provision otherwise made for their full payment and redemption) and the Additional Parity Bonds so proposed to be issued;

- (ii) The payments to be made into the various funds as described hereinafter must be current;
- (iii) The existence of the facts required by paragraphs (a) and (b) above must be determined and certified to by an independent firm of certified public accountants who have previously audited the books of the Issuer or by such successors thereof as may have been employed for that purpose; and
- (iv) The Additional Parity Bonds must be payable as to principal on March 1st of each year in which principal falls due, beginning not later than three (3) years from the date of issuance of said Additional Parity Bonds and payable as to interest on March 1st and September 1st of each year;

## **ADDITIONAL PROVISIONS OF THE BOND ORDINANCE**

### **Supplemental Bond Ordinance to Constitute Contract**

In consideration of the purchase and acceptance of the Bonds by those who shall own the same from time to time, the provisions of the Bond Ordinance shall be a part of the contract of the Issuer with the Owners of the Bonds and shall be deemed to be and shall constitute a contract between the Issuer and the Owners from time to time of the Bonds. The provisions, covenants and agreements herein described to be performed by or on behalf of the Issuer shall be for the equal benefit, protection and security of the Owners of any and all of the Bonds, each of which Bonds, regardless of the time or times of its issue or maturity, shall be of equal rank without preference, priority or distinction over any other thereof except as expressly provided in the Bond Ordinance.

### **Tax Covenants of the City**

The Issuer agrees that, to the extent permitted by the laws of the State, it will comply with the requirements of the Internal Revenue Code of 1986 and any amendment thereto (the "Code") in order to establish, maintain and preserve the exclusion from "gross income" of interest on the Bonds under the Code. The Issuer further covenants and agrees that it will not take any action, fail to take any action, or permit any action within its control to be taken, or permit at any time or times any of the proceeds of the Bonds or any other funds of the Issuer to be used directly or indirectly in any manner, the effect of which would be to cause the Bonds to be "arbitrage bonds" or would result in the inclusion of the interest on any of the Bonds in gross income under the Code, including, without limitation, (i) the failure to comply with the limitation on investment of Bond proceeds or (ii) the failure to pay any required rebate of arbitrage earnings to the United States of America or (iii) the use of the proceeds of the Bonds in a manner which would cause the Bonds to be "private activity bonds".

The Executive Officers are hereby empowered, authorized and directed to take any and all action and to execute and deliver any instrument, document or certificate necessary to effectuate the purposes of this section.

## **Supplemental Ordinances**

*Effective Without Owner's Consent.* For any one or more of the following purposes and at any time from time to time, a supplemental ordinance may be adopted, which, upon the filing with the Paying Agent of a certified copy thereof, but without any consent of Owners, shall be fully effective in accordance with its terms:

- a. to add to the covenants and agreements of the City in the Bond Ordinances other covenants and agreements to be observed by the City which are not contrary to or inconsistent with the Bond Ordinances as theretofore in effect;
- b. to add to the limitations and restrictions in the Bond Ordinances other limitations and restrictions to be observed by the City which are not contrary to or inconsistent with the Bond Ordinances as theretofore in effect;
- c. to surrender any right, power or privilege reserved to or conferred upon the City by the terms of the Bond Ordinances, but only if the surrender of such right, power or privilege is not contrary to or inconsistent with the covenants and agreements of the City contained in the Bond Ordinances;
- d. to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision of the Bond Ordinances; or
- e. to insert such provisions clarifying matters or questions arising under the Bond Ordinances as are necessary or desirable and are not contrary to or inconsistent with the Bond Ordinances as theretofore in effect.

*Effective With Consent of Owners.* Except as described above, any modification or amendment of the Bond Ordinances or of the rights and obligations of the City and of the Owners of the Bonds under the Bond Ordinances, in any particular, may be made by a supplemental ordinance, with the written consent of the Owners of a majority of the Bond Obligation at the time such consent is given. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the redemption price thereof or in the rate of interest thereon without the consent of the Owner of such Bond, or shall reduce the percentage of Bonds the consent of the Owner of which is required to effect any such modification or amendment, or change the obligation of the City to levy and collect the Tax for the payment of the Bonds as provided in the Bond Ordinances, without consent of the Owners of all of the Bonds then outstanding, or shall change or modify any of the rights or obligations of the Paying Agent without its written assent thereto. Bonds shall be deemed to be affected by a modification or amendment of the Bond Ordinances if the same adversely affects or diminishes the rights of the Owners of the Bonds. A supplemental ordinance, upon the filing with the Paying Agent of a certified copy thereof, shall become fully effective in accordance with its terms.

## **Events of Default**

The occurrence of one or more of the following events shall be an Event of Default under the Bond Ordinance:

- (a) if default shall be made in the due and punctual payment of the principal of any Bond when and as the same shall become due and payable, whether at maturity or otherwise; or
- (b) if default shall be made in the due and punctual payment of any installment of interest on any Bond when and as such interest installment shall become due and payable; or
- (c) if default shall be made by the Issuer in the performance or observance of any other of the covenants, agreements or conditions on its part in the Bond Ordinance, any supplemental ordinance or in the Bonds contained and such default shall continue for a period of forty five (45) days after written notice thereof to the Issuer by the Owners of not less than 25% of the Bond Obligation; or
- (d) if the Issuer shall file a petition or otherwise seek relief under any federal or State bankruptcy law or similar law; then, upon the happening and continuance of any Event of Default the Owners of the Bonds shall be entitled to exercise all rights and powers for which provision is made under Louisiana law.

Upon the happening and continuance of any Event of Default, the Owners of the Bonds shall be entitled to exercise all rights and powers for which provision is made in the Act or in any provision of applicable law.

## **INVESTMENT CONSIDERATIONS**

The purchase of the Bonds involves certain investment risks which are discussed throughout this Official Statement, and each prospective investor should make an independent evaluation of all information presented in this Official Statement in order to make an informed investment decision. Particular attention should be given to the factors described below which, among others, could affect the payment of debt service on the Bonds.

### **Limited Obligations**

The Bonds shall not be or constitute general obligations or indebtedness of the City within the Constitution, but shall be payable solely from and secured by a lien upon and a pledge of the Net Revenues of the Tax. No bondholder shall ever have the right to compel the exercise of *ad valorem* taxing power of the City or taxation in any form on any real or personal property (other than the collection of the Tax) to pay the Bonds or interest thereon, nor shall any bondholder be entitled to the payment of such principal and interest from any other funds of the Issuer other than the Net Revenues of the Tax in the manner and to the extent provided in the Bond Ordinance. In addition, no recourse shall be had for the payment of the principal or interest on the Bonds or for any claim based thereon or the Bond Ordinance against any member of the Governing Authority or officer of the City or any person executing the Bonds. Therefore, the security for the punctual payment of the principal of and interest on the Bonds is dependent on the availability of Net Revenues of the Tax in an amount sufficient to meet the debt service requirements of the Bonds, Outstanding Parity Bonds and Additional Parity Bonds.

## **Future Changes in Laws**

Various State and federal laws, constitutional provisions, and regulations apply to the obligations created by the issuance of the Bonds. There is no assurance that there will not be any change in, interpretation of, or addition to the applicable laws, provisions, and regulations which would have a material effect, directly or indirectly, on the affairs of the Issuer and the imposition of charges or fees, or the collection and expenditure of Revenues.

## **Difficulties in Enforcing Remedies**

The remedies available to the owners of the Bonds upon an event of default under the Bond Ordinance are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including specifically in the United States Bankruptcy Code, 11 U.S.C. §101 et seq. (the “Bankruptcy Code”), the remedies provided in the Bond Ordinance may not be readily available or may be limited. The various legal opinions delivered concurrently with the delivery of the Bonds will be qualified as to the enforceability of the various legal instruments by limitations imposed by general principles of equity and by bankruptcy, insolvency, reorganization, moratorium, or other similar laws affecting the rights of creditors generally.

The enforceability of the rights and remedies of the owners of the Bonds, and the obligations incurred by the Issuer in issuing the Bonds, are subject to the Bankruptcy Code and applicable bankruptcy, insolvency, reorganization, moratorium, or similar laws relating to or affecting the enforcement of creditors’ rights generally, now or hereafter in effect to the extent constitutionally applicable; equity principles which may limit the specific enforcement under State law of certain remedies; the exercise by the United States of America of the powers delegated to it by the federal Constitution; and the exercise of the sovereign police powers of the State or its governmental bodies. Consistent with the contracts clauses of the State and United States Constitutions, in a bankruptcy proceeding or due to the exercise of powers by the federal or State government, bondowners could be subject to judicial discretion and the interpretation of their rights in bankruptcy or otherwise, which consequently may entail risks of delay, limitation, or modification of their rights. Under current State law, no political subdivision of the State, including the Issuer, may file for protection under Chapter 9 of the Bankruptcy Code unless such filing is approved by the Louisiana State Bond Commission and the Governor and Attorney General of the State. Further, no political subdivision of the State, after filing for bankruptcy protection, may carry out a plan of readjustment of debts approved by the bankruptcy court until such plan is approved by the Louisiana State Bond Commission and the Governor and Attorney General of the State.

The obligations of the Issuer under the Bond Ordinance may be secured on a parity with other obligations of the Issuer so that any proceeds that might be derived from the exercise of remedies would be required to be shared among the owners of the Bonds and the holders of any Additional Parity Bonds.

The pledge of the Net Revenues of the Tax by the Issuer to secure its obligations with respect to the Bonds may be ineffective as to certain revenues or under certain circumstances.

## **Financial Information**

Certain financial information relating to the Issuer is set forth herein and in the appendices hereto. There can be no assurance that the financial results achieved by the Issuer in the future (including, but not limited to, the amount of Net Revenues of the Tax collected by the Issuer) will be similar to historical results. Such future results will vary from historical results and actual variations may be material.

## **Secondary Market**

There is no guarantee that a secondary trading market will develop for the Bonds. Consequently, prospective bond purchasers should be prepared to hold their Bonds to maturity or prior redemption. Subject to applicable securities laws and prevailing market conditions, the Underwriter intends, but is not obligated, to make a market in the Bonds. As a result, Owners of the Bonds may be unable to dispose of the Bonds should they no longer desire to own the Bonds. The Underwriter cannot guarantee the liquidity of the Bonds; consequently, prospective purchasers of the Bonds should be prepared to hold such bonds until maturity.

If such secondary market exists after the issuance of the Bonds, events such as decreases in benchmark interest rate indices, downward revisions or withdrawals of ratings on the Bonds or the Issuer, and general market turmoil, among others, may adversely affect the value of the Bonds on such secondary market. The Underwriter cannot guaranty that the owner of a Bond will not experience a loss of value of such Bond prior to maturity.

## **Failure to Provide Ongoing Disclosure**

The failure of the Issuer to comply with the continuing disclosure certificate described herein may adversely affect the transferability and liquidity of the Bonds and their market price. See “CONTINUING DISCLOSURE” herein.

## **Book-Entry**

Persons who purchase Bonds through DTC Participants become creditors of the DTC Participant with respect to the Bonds. Records of the investors’ holdings are maintained only by the DTC Participant and the investor. In the event of the insolvency of the DTC Participant, the investor would be required to look to the DTC Participant’s estate and to any insurance maintained by the DTC Participant, to make good the investor’s loss. Neither the Issuer nor the Underwriter are responsible for failures to act by, or insolvencies of, the Securities Depository or any DTC Participant. See “BOOK-ENTRY ONLY SYSTEM” herein.

## **Forward-Looking Statements**

This Official Statement contains statements relating to future results that are “forward-looking statements” as defined in the Private Securities Litigation Reform Act of 1995. When used in this Official Statement, the words “estimate,” “intend,” “expect” and similar expressions identify forward-looking statements. Any forward-looking statement is subject to uncertainty and risks that could cause actual results to differ, possibly materially, from those contemplated in such forward-looking statements. Inevitably, some assumptions used to develop

forward-looking statements will not be realized or unanticipated events and circumstances may occur. Therefore, investors should be aware that there are likely to be differences between forward-looking statements and actual results; those differences could be material.

THE BONDS INVOLVE A DEGREE OF RISK. POTENTIAL INVESTORS IN THE BONDS ARE RESPONSIBLE FOR CONDUCTING AN INDEPENDENT INVESTIGATION OF MATTERS RELATING TO THE FINANCIAL ASPECTS OF THE BONDS, THE ISSUER AND THE SECURITY FOR THE BONDS TO DETERMINE IF AN INVESTMENT IN THE BONDS, AND THE RISKS ASSOCIATED THEREWITH, IS CONSISTENT WITH THEIR INVESTMENT OBJECTIVES. POTENTIAL INVESTORS SHOULD NOT RELY ON ANY PARTY TO THE TRANSACTION WITH RESPECT TO THE INVESTIGATION OF ANY SUCH MATTERS. PROSPECTIVE PURCHASERS SHOULD CONFER WITH THEIR OWN LEGAL AND FINANCIAL ADVISORS BEFORE CONSIDERING A PURCHASE OF THE BONDS.

## **TAX EXEMPTION**

### **Interest on Bonds**

The delivery of the Bonds is subject to the opinion of Foley & Judell, L.L.P., Bond Counsel, New Orleans, Louisiana, to the effect that interest on the Bonds is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; it should be noted, however, that for the purpose of computing the alternative minimum tax imposed on certain corporations, such interest is taken into account in determining adjusted current earnings. (See Appendix “G”.)

### **State Taxes**

The opinion of Bond Counsel will state that, pursuant to the Act, the Bonds and the income therefrom are exempt from all taxation by the State or any political subdivision thereof. Each prospective purchaser of the Bonds should consult his or her own tax advisor as to the status of interest on the Bonds under the tax laws of any state other than Louisiana. (See Appendix “G”.)

### **Alternative Minimum Tax Consideration**

Except as hereinafter described, interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax on individuals and corporations. Section 103 of the Code imposes a 20% alternative minimum tax on the “alternative minimum taxable income” of a corporation, if the amount of such alternative minimum tax is greater than the amount of the corporation’s regular income tax. Generally, a corporation’s alternative minimum taxable income includes 75% of the amount by which a corporation’s “adjusted current earnings” exceeds a corporation’s alternative minimum taxable income. Interest on the Bonds will be included in a corporation’s “adjusted current earnings.”

### **General**

The Code imposes a number of requirements that must be satisfied for interest on state and local obligations to be excluded from gross income for federal income tax purposes. These requirements include limitations on the use of bond proceeds and the source of repayment of bonds,

limitations on the investment of bond proceeds prior to expenditure, a requirement that excess arbitrage earned on the investment of certain bond proceeds be paid periodically to the United States, except under certain circumstances, and a requirement that information reports be filed with the Internal Revenue Service.

The opinion of Bond Counsel will assume continuing compliance with the covenants in the Bond Ordinance pertaining to those sections of the Code which affect the exclusion from gross income of interest on the Bonds for federal income tax purposes and, in addition, will rely on representations by the Issuer with respect to matters solely within the knowledge of the Issuer, which Bond Counsel has not independently verified. If the Issuer should fail to comply with the covenants in the Bond Ordinance or if the foregoing representations should be determined to be inaccurate or incomplete, interest on the Bonds could become included in gross income from the date of original delivery of the Bonds, regardless of the date on which the event causing such inclusion occurs.

Owners of the Bonds should be aware that (i) the ownership of tax-exempt obligations, such as the Bonds, may result in collateral federal income tax consequences to certain taxpayers and (ii) certain other federal, state and/or local tax consequences may also arise from the ownership and disposition of the Bonds or the receipt of interest on the Bonds. Furthermore, future laws and/or regulations enacted by federal, state or local authorities may affect certain owners of the Bonds. All prospective purchasers of the Bonds should consult their legal and tax advisors regarding the applicability of such laws and regulations and the effect that the purchase and ownership of the Bonds may have on their particular financial situation.

### **Qualified Tax-Exempt Obligations (Non Bank Deductibility)**

The Tax Reform Act of 1986 revised Section 265 of the Code so as to generally deny financial institutions 100% of the interest deductions that are allocable to tax-exempt obligations acquired after August 7, 1986. However, an exception is permitted under the Tax Reform Act of 1986 for certain qualified tax-exempt obligations which allows financial institutions to continue to treat the interest on such obligations as being subject to the 20% disallowance provision under prior law if the Issuer, together with certain subordinate entities, reasonably expects that it will not issue more than \$10,000,000 of governmental purpose bonds in a calendar year and designates such bonds as “qualified tax-exempt obligations” pursuant to the provisions of Section 265(b)(3)(B) of the Code. The Bonds are **NOT** designated as “qualified tax-exempt obligations” pursuant to Section 265(b)(3)(B) of the Code.

### **Tax Treatment of Original Issue Premium**

The Bonds maturing March 1, 2017 to March 1, 2030 are offered and sold to the public at a price in excess of their stated principal amounts. Such excess is characterized as a “bond premium” and must be amortized by an investor purchasing a Bond on a constant yield basis over the remaining term of the Bond in a manner that takes into account potential call dates and call prices. An investor cannot deduct amortized bond premium related to a tax-exempt bond for federal income tax purposes. However, as bond premium is amortized, it reduces the investor's basis in the Bond. Investors who purchase a Bond should consult their own tax advisors regarding the amortization of bond premium and its effect on the Bond's basis for purposes of computing gain or loss in connection with the sale, exchange, redemption or early retirement of the Bond.

## **Tax Treatment of Original Issue Discount**

The Bonds maturing March 1, 2031 and March 1, 2032 are offered and sold to the public at a price less than their stated principal amounts. The difference between the initial public offering prices and their stated amounts constitutes original issue discount treated as interest which is excluded from gross income for federal income tax purposes and which is exempt from all present State taxation subject to the caveats and provisions described herein. Owners of Bonds should consult their own tax advisors with respect to the determination for federal income tax purposes of original issue discount accrued with respect to such Bonds as of any date, including the date of disposition of an Bond and with respect to the state and local consequences of owning Bonds.

## **LEGAL MATTERS**

No litigation has been filed questioning the validity of the Bonds or the security thereof and a certificate to that effect will be delivered by the Issuer to the Underwriter upon the issuance of the Bonds.

The approving opinion of Foley & Judell, L.L.P, Bond Counsel is limited to the matters set forth therein, and Bond Counsel is not passing upon the accuracy or completeness of this Official Statement. Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date thereof. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result and is not binding on the Internal Revenue Service or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law and in reliance on the representations and covenants that it deems relevant to such opinion.

A manually executed original of such opinion will be delivered to the Underwriter on the date of payment for and delivery of the Bonds. The form of said legal opinion appears in Appendix "G" to this Official Statement. For additional information regarding the opinion of Bond Counsel, see the preceding section titled "TAX EXEMPTION." The compensation of Bond Counsel is contingent upon the sale and delivery of the Bonds.

Certain other legal matters will be passed upon for the Underwriter by its counsel, Adams and Reese, LLP, Baton Rouge, Louisiana.

## **VERIFICATION OF COMPUTATIONS**

The arithmetical accuracy of certain computations included in the schedules provided by Bond Counsel on behalf of the Issuer relating to (a) computation of anticipated receipts of principal and interest on the government obligations referred to under "PLAN OF REFUNDING" and the anticipated payments of principal and interest to redeem the Refunded Bonds, and (b) computation of the yields on the Bonds and the Defeasance Obligations was examined by The Bingham Arbitrage Rebate Services Incorporated. Such computations were based solely upon assumptions and information supplied by Bond Counsel on behalf of the Issuer. The Bingham Arbitrage Rebate Services Incorporated has restricted its procedures to examining the arithmetical

accuracy of certain computations and has not made any study or evaluation of the assumptions and information upon which the computations are based and, accordingly, has not expressed an opinion on the data used, the reasonableness of the assumptions, or the achievability of future events.

## **UNDERWRITING**

The Bonds are being purchased by the Underwriter at a purchase price of \$13,782,533.55 (representing the principal amount of the Bonds, plus an original issue premium of \$970,853.55, and less Underwriters' discount of \$103,320.00).

## **BOND RATINGS**

Standard & Poor's Ratings Services, a Standard & Poor's Financial Services LLC business ("S&P"), and Moody's Investors Service, Inc. ("Moody's"), expect to assign their municipal debt ratings of "AA" (Stable) and "Aa3" (Stable), respectively, to the Bonds. The ratings reflect only the views of S&P and Moody's, and are not a recommendation to buy, sell or hold the Bonds. Any desired explanation of the significance of such ratings should be obtained from S&P, at the following address: Standard & Poor's Ratings Services, Lincoln Plaza, Suite 3200, 500 N. Akard, Dallas, Texas 75201, telephone 214-871-1400 or Moody's at the following address: Plaza of the Americas, Suite 2165, 600 N. Pearl Street, Dallas, TX 75201, telephone 214-220-4350. The Issuer may have furnished to S&P or Moody's information relating to the Bonds and other matters, certain of which information and materials have not been included in this Official Statement. Generally, a rating agency bases its rating on the information and materials so furnished and on investigations, studies and assumptions by such rating agency. Ratings may be changed, suspended or withdrawn as a result of changes in, or unavailability of, information. There is no assurance that the ratings on the Bonds will not be changed or withdrawn entirely if, in the judgment of S&P and Moody's, circumstances so warrant. Such circumstances may be outside the control of the Issuer and may include, but are not limited to, general economic conditions in the United States and other political and economic developments that may affect the financial condition of the United States government and its instrumentalities, and, as a result, obligations issued by state and local governments, such as the Bonds. Any such downward revision or withdrawal of such ratings may have an adverse effect on the market price of the Bonds.

Additionally, due to the ongoing uncertainty regarding the debt of the United States of America, including, without limitation, the general economic conditions in the country and other political and economic developments that may affect the financial condition of the United States government, the United States debt limit, and the bond ratings of the United States and its instrumentalities, obligations issued by state and local governments, such as the Bonds, could be subject to a rating downgrade. Furthermore, if a significant default or other financial crisis should occur in the affairs of the United States or of any of its agencies or political subdivisions, then such event could also adversely affect the market for and ratings, liquidity, and market value of outstanding debt obligations, such as the Bonds.

## **GOVERNING AUTHORITY**

The Governing Authority consists of nine council members. The names of the members of the Governing Authority, and of the Mayor/President, appear at the beginning of this Official Statement.

Their report dated as of April 24, 2015, is included therein. The CAFR pertaining to the Issuer which is included in this Official Statement have been included in reliance upon said report; however, such Auditors have not consented to inclusion of the financial statements herein and have not performed any additional review procedures related thereto. The Auditors did not perform any procedures relating to any of the information in this Official Statement.

## **GASB 45**

Effective with the fiscal year beginning November 1, 2007, the Governing Authority implemented Government Accounting Standards Board Statement Number 45 (“GASB 45”). A summary of the impact of the Governing Authority’s post employment benefit obligations on the finances of the City is explained in Note 21-Post Retirement Health Care Benefits-of the 2014 Comprehensive Annual Financial Report of the Governing Authority. See pages 74-75 of the CAFR.

As required by GASB Statement No. 45 (“Accounting and Financial Reporting by Employers for Post employment Benefits Other Than Pensions”), the City has determined that the accrued actuarial liability for benefits associated with Other Post Employment Benefits (“OPEB”), as of November 1, 2013 (the most recent actuarial valuation date) was approximately \$24,456,505 for the primary government and \$61,703 for component units. The covered payroll (annual payroll of active employees covered by the plan) was \$107,548,094 for the primary government and \$1,501,058 for the component units, and the ratio of the unfunded actuarial accrued liability to the covered payroll was 22.7% for the primary government and 4.1% for the component units. The valuation was conducted by an independent actuary and amounts determined regarding the funded status of the plan, the accrued liability and the annual required contributions are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future, including future employment, mortality and the healthcare cost trend. More detailed information relating to OPEB, as of November 1, 2013, is contained in the Comprehensive Annual Financial Report of the Governing Authority which can be found on their website at <http://lafayettega.gov/Finance/Pages/Accounting.aspx>.

## **Budget**

Included in Appendix “D” hereto is the budget summary of the Governing Authority for the fiscal year ending October 31, 2016.

## ECONOMIC INDICATORS

### Per Capita Personal Income

A comprehensive revision of the estimates of Per Capita Personal Income by State were published in November 2015 by the Bureau of Economic Analysis of the U.S. Department of Commerce. The recent trends in revised per capita personal income for Lafayette Parish, Louisiana, and the Nation are indicated in the following table:

	<u>Per Capita Personal Income</u>				
	<u>2010</u>	<u>2011</u>	<u>2012</u>	<u>2013</u>	<u>2014</u>
Lafayette Parish	\$45,939	\$47,184	\$52,028	\$50,015	\$51,608
Louisiana	37,227	38,506	40,527	40,819	42,030
United States	40,277	42,453	44,266	44,438	46,049

Source: U.S. Department of Commerce, Bureau of Economic Analysis. November 19, 2015.

(The personal income level for the United States is derived as the sum of the county estimates; it differs from the national income and product accounts (NIPA) estimate of personal income because by definition, it omits the earnings of Federal civilian and military personnel stationed abroad and others. It can also differ from the NIPA estimate because of different data sources and revision schedules.)

## GENERAL REMARKS

### The City

The City is located in the heart of Acadiana, an eight parish area in the center of southern Louisiana, between New Orleans and Houston. The region was settled in 1763 by exiled Acadians from Nova Scotia. French and Acadian culture, handwork and traditions are very much in evidence in and around the City and both French and English languages are still spoken.

### City-Parish Government

On November 2, 1992, the voters of the Parish approved a home-rule charter that merged the governing authorities of the City and the Parish of Lafayette effective June 3, 1996. *There was no change in the corporate status of the City nor any change in the revenues providing the security for the Bonds that are the subject of this Official Statement.*

Section 4-17 of the Lafayette City-Parish Consolidated Government Home Rule Charter ( the “Charter”) provides for administrative reorganization whereby the Mayor/ President proposes and the City-Parish Consolidated Council (the “Council”) approves various organizational changes. In May 1998, the Council adopted an ordinance providing for the reorganization of certain functions and departments under the Charter.

The Governing Authority of the Lafayette City-Parish Consolidated Government is the Council, consisting of nine members elected from nine single member districts. The Charter further provides that the Mayor/President succeeds to all powers of the Mayor of the City. The names of the incumbent Mayor/President and Council members are listed on the title page to this Official Statement.

The terms of the Mayor/President and the members of the Governing Authority were sworn in on January 4, 2016, at which time a new Mayor/President and four (4) new council members were elected.

## **Industry, Commerce and Agriculture**

The City is the natural economic, commercial, agricultural, retail and cultural center of the region because of its location as the geographic center of Acadiana. The Parish's location between New Orleans and Houston and its proximity to the largest and richest oilfields in Louisiana and the Gulf of Mexico make the oil industry a factor in the City's economy. However, the City's employment has significantly diversified over the years and today mining represents 10% of employment. Also, the City's economy is largely driven by its position as a major regional trade and retail center serving the southwest region of Louisiana, which includes Lafayette Parish and surrounding areas, with an estimated population of over 878,000 people. A third significant factor in the City's economy are the educational and medical facilities located within its boundaries. There are five acute care hospitals located in the City which serve the entire region, including Lafayette General Hospital, Our Lady of Lourdes Hospital, University Hospital and Clinics, Regional Medical Center of Acadiana and Woman's Hospital. The University of Louisiana at Lafayette ("ULL"), the second largest institution of higher education in the State, is located in the City. ULL had a 2015 (Fall Semester) enrollment of approximately 19,033 full-time and part-time students.

The City recently placed second on Travel + Leisure list of the top 20 best college towns. The City was ranked first for concerts and live music. The City also ranked second for nightclubs, cocktail bars and singles scene.

In 2012, the City was named the "Tastiest Town in the South" by Southern Magazine. The City also made it on Livability's "10 Best Foodie Cities" in 2013.

With its excellent climate and soil, Lafayette Parish is a strong agricultural area in the State. The main crops are soy beans, rice, wheat and corn. Dairy and beef cattle, sheep and hogs are raised extensively throughout the Parish.

Lafayette's unique culture and quality of life draws thousands of visitors to Lafayette. It is well-known for its great food, music, and festivals, along with many historical attractions, museums and art exhibitions. The "Acadian Village" is a replica of a Cajun settlement, with homes and buildings and their furnishings, all reflecting the Cajun living conditions of yore. Vermilionville Living History Museum is a similar tourist attraction located on the beautiful grounds on the banks of Bayou Vermilion and is laid out as a historic village authentically portraying life in Acadiana between 1765 and 1890. Located near Vermilionville is the Acadian Cultural Center belonging to the Jean Lafitte National Park System offering various Cajun and Creole-related topics. Although the City is modern in most respects, there is a strong interest in preserving the flavor and customs of the past. Accordingly, recent history has shown a renewed interest in the cajun language, zydeco music, cajun cuisine and historical sites in the area.

Lafayette is also home to nationally recognized festivals. Festival International de Louisiane is an annual four day free celebration that brings talented artists from francophone countries around world. French, African, Caribbean, and Hispanic cultures participate via music, dance and craft performances. Festivals Acadiens et Créoles is a weekend festival featuring Cajun, Creole, and Zydeco musicians.

In recent years, the City has positioned itself, through its unique, publicly-owned fiber optic loop, as a technology leader with high-tech infrastructure designed to encourage economic development and improve and reduce costs of telecommunications services to its citizens. An example of this is the \$27 million, 70,000 square foot Louisiana Immersive Technologies Enterprise ("LITE") which is one of very few facilities in the world that combine high performance computing capabilities with advanced visualization.

**FORM OF LEGAL OPINION  
OF  
FOLEY & JUDELL, L.L.P.**

[FORM OF LEGAL OPINION]

Honorable Lafayette City-Parish Council  
City of Lafayette  
Lafayette, Louisiana

**\$12,915,000**  
**PUBLIC IMPROVEMENT SALES TAX REFUNDING BONDS, SERIES 2016D**  
**CITY OF LAFAYETTE, STATE OF LOUISIANA**

We have acted as bond counsel to the City of Lafayette, State of Louisiana (the "Issuer"), in connection with the issuance of the captioned bonds (the "Bonds"). The Bonds are issued in fully registered form, are dated, bear interest at the rates, and mature on the dates and in the principal amounts and are subject to redemption as set forth in the Bond Ordinance (hereinafter defined).

The Bonds have been issued by the Issuer pursuant to an ordinance adopted by its governing authority on January 19, 2016 (the "Bond Ordinance"), for the purpose of refunding the Issuer's outstanding Public Improvement Sales Tax Refunding Bonds, Series 2007A, maturing on March 1 of the years 2018 through 2030, inclusive and March 1, 2032 (the "Refunded Bonds"), and paying the costs of issuance of the Bonds, under the authority of Chapter 14-A, Title 39 of the Louisiana Revised Statutes of 1950, as amended (the "Act"), and other constitutional and statutory authority.

In accordance with the Bond Ordinance, the Issuer has entered into a Defeasance and Escrow Deposit Agreement (the "Escrow Agreement") with The Bank of New York Mellon Trust Company, N.A., in the City of Baton Rouge, Louisiana (the "Escrow Agent"), pursuant to which a portion of the proceeds of the Bonds, along with other available moneys, has been deposited in trust with the Escrow Agent for the purpose of providing moneys to pay the principal of and interest on the Refunded Bond to their redemption date of March 1, 2017. Irrevocable provision has been made in the Bond Ordinance for the call for redemption of the Refunded Bonds on said date.

We have examined the provisions of the Constitution and statutes of the State of Louisiana, a certified transcript of the proceedings of the governing authority of the Issuer relating to the issuance of the Bonds, and such other documents, proofs and matters of law as we deemed necessary to render this opinion.

As to questions of fact material to our opinion, we have relied upon the representations contained in the Bond Ordinance and in the certified proceedings and other certifications of public officials and others furnished to us, without undertaking to verify the same by independent investigation.

On the basis of the foregoing examinations, we are of the opinion, as of the date hereof and under existing law, that:

1. Said proceedings, documents and proofs show lawful authority for the issuance of the Bonds pursuant to said Constitution and statutes and the Bond Ordinance

2. The Bonds are valid and binding special and limited obligations of the Issuer and are payable, equally with the Outstanding Parity Bonds, solely from and secured by an irrevocable pledge and dedication of the avails or proceeds of the special one percent (1%) sales and use tax now being levied and collected by the Issuer, pursuant to elections held in the Issuer on May 13, 1961, November 20, 1965, March 22, 1977, and July 21, 2001 (the "Tax"), subject only to the prior payment of the reasonable and necessary costs and expenses of collecting and administering the Tax (the "Net Revenues of the Tax").

3. The Bonds have been issued on a complete parity in all respects with the (i) Public Improvement Sales Tax Bonds, Series 2006B (ii) unrefunded Public Improvement Sales Tax Bonds, Series 2007A; (iii) Taxable Public Improvement Sales Tax Build America Bonds, Series 2009A; (iv) Taxable Public Improvement Sales Tax Recovery Zone Economic Development Bonds, Series 2009A; (v) Public Improvement Sales Tax Bonds, Series 2011; (vi) Public Improvement Sales Tax Refunding Bonds, Series ST-2011A; (vii) Public Improvement Sales Tax Refunding Bonds, Series 2011C; (viii) Public Improvement Sales Tax Refunding Bonds, Series 2012A; (ix) Public Improvement Sales Tax Bonds, Series 2013; (x) Public Improvement Sales Tax Bonds, Series 2014A; (xi) Public Improvement Sales Tax Bonds, Series 2014C; and (xii) Public Improvement Sales Tax Bonds, Series 2015A (collectively, the "Outstanding Parity Bonds"), rank equally with and enjoy complete parity of lien with the Outstanding Parity Bonds on the Net Revenues of the Tax, and the lien of the owners of the Bonds and the owners of the Outstanding Parity Bonds on the Net Revenues of the Tax will be prior and superior to the lien on such revenues of any obligations hereafter issued and payable therefrom except *pari passu* additional obligations hereafter issued within the terms, limitations and restrictions contained in the Bond Ordinance and the ordinances authorizing the issuance of the Outstanding Parity Bonds.

4. The Issuer, in and by the Bond Ordinance, has lawfully covenanted and is legally obligated to cause the Tax to continue to be levied and collected and is further obligated not to discontinue or decrease or permit to be discontinued or decreased the Tax in anticipation of the collection of which the Bonds have been issued, nor in any way make any change which would diminish the amount of the Net Revenues of the Tax pledged to the payment of the Bonds and the Outstanding Parity Bonds, until all of the bonds payable therefrom shall have been paid in principal and interest.

5. Interest on the Bonds is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, for the purpose of computing the alternative minimum tax imposed on certain corporations, such interest is taken into account in determining adjusted current earnings.

6. The Escrow Agreement has been duly authorized, executed and delivered by, and constitutes a legal, valid and binding obligation of, the Issuer.

7. Pursuant to the Act, the Bonds and the income therefrom are exempt from all taxation by the State of Louisiana or any political subdivision thereof.

In rendering the opinion expressed in numbered paragraph 5 above, we have relied on representations of the Issuer with respect to questions of fact material to our opinion without undertaking to verify same by independent investigation, and have assumed continuing compliance with covenants in the Bond Ordinance pertaining to those sections of the Internal Revenue Code of 1986, as amended, which affect the exclusion from gross income of interest on the Bonds for federal income tax purposes. In the event that such representations are determined to be inaccurate or incomplete or the Issuer fails to comply with the foregoing covenants in the Bond Ordinance, interest on the Bonds could become included in gross income from the date of original delivery, regardless of the date on which the event causing such inclusion occurs.

Except as stated above, we express no opinion as to any federal, state or local tax consequences resulting from the ownership of, receipt of interest on or disposition of the Bonds.

It is to be understood that the rights of the owners of the Bonds and the enforceability of the Bonds and the Bond Ordinance may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable, and that their enforceability may also be subject to the exercise of the sovereign police powers of the State of Louisiana, or its governmental bodies, and the exercise of judicial discretion in appropriate cases.

Respectfully submitted,
