**LAFAYETTE, LOUISIANA**

Prepared By: Office of Finance & Management  
Lorrie R. Touns, CPA, Chief Financial Officer

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to Lafayette Consolidated Government, Louisiana for its Annual budget beginning November 1, 2017. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device.

This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

# INTRODUCTION

## INTRODUCTION

This introduction and guide is designed to assist the reader in gaining an overview of Lafayette as well as aid in the use and comprehension of Lafayette Consolidated Government's (LCG) Operating and Five-Year Capital Improvement Budget Document.

The City of Lafayette, Louisiana is the parish seat of the Parish of Lafayette. The July 2017 estimated population of the City is 132,272 and the Parish is 242,231. The region was settled in 1763 by exiled Acadians from Nova Scotia (commonly called Cajuns). The Parish was created on January 17, 1823 and covers a total of 277 square miles. The City of Lafayette was originally founded as Vermilionville in 1821 and later renamed Lafayette in 1884. The City was incorporated in 1914. The Parish is located in the heart of Acadiana, an eight parish area in the center of southern Louisiana between New Orleans and Houston. French, Creole, and Acadian culture, handwork and traditions are very much in evidence in and around the region and both French and English languages are still spoken. An estimated 14.37% of the Parish population speaks both French and English.

The governing authority of LCG is the Lafayette City-Parish Council, consisting of nine members elected from nine single member districts. The LCG chief executive is the Mayor-President. LCG's governance structure is by home rule charter which, in its current form, was voted on by the citizenry in 1992. Although the governments were consolidated in 1996, the Home Rule Charter states that "The City of Lafayette shall continue to exist as a legal entity... and shall exercise all powers granted by general state law and the state constitution for municipalities of the same population class." Tax rates vary between the various municipalities and the unincorporated areas; therefore, after consolidating administration and operations of the two governments, LCG continues to maintain separate accounts for the City of Lafayette and Parish funds.

Given the Parish's central location in the Acadiana region, Lafayette is a hub for tourism. It boasts a vibrant music scene with world acclaimed music festivals; Festival International De Louisiane in April and Festival Acadiens Et Creoles in October. In the spring and fall, free concerts through the Downtown Alive! Series are held downtown every Friday. The unique blend of Cajun and Creole cultures gives rise to many diverse culinary opportunities. Attractions such as museums, art galleries, Acadian Village, and Vermilionville are within a short drive from the City's center. In 2014, Lafayette was named the "Happiest City" in the United States by the U.S. National Bureau of Economic Research.

The business base of the Parish includes energy services, manufacturing, health care, transportation and distribution, education, information technology, finance, tourism, and other service-related industries. The population in Lafayette's trade market is almost 700,000 with over a million tourists visiting the area each year. More than twenty percent of the dollars spent in the Parish come from visitors outside the Parish borders. In April 2018, retail sales were \$486 million which is a 6% increase over the same period in 2017. The Lafayette Parish School System includes 42 schools, 22 elementary schools, 12 middle schools, and 6 high schools. Included in the system are 5 schools of choice, 6 high school academies, foreign language immersion curriculums, and gifted and talented programs. Lafayette is also home to the University of Louisiana at Lafayette (UL Lafayette), which is part of the University of Louisiana System. The University is the second largest university in Louisiana with more than 19,000 students. UL

Lafayette offers bachelors, masters, and doctoral degrees in curriculums ranging from the humanities to hard sciences. It is one of the top-ranked universities in the south.

The unemployment rate in May 2018 was 4.5%, which is a decrease from last year's rate during the same month of 5.6%. Job growth over the last twelve months is down less than 1% from May 2017 to May 2018. This is an improvement over May's 2017 twelve month change and is due in part to increased jobs in construction, education and health and service type industries. Average job growth over the last ten years remains positive.

The annual budget serves as a policy document, an operations guide, a financial plan, and a communications device for the consolidated government. It is the foundation for LCG's allocation of resources toward service delivery plans for the coming fiscal year.

### **MISSION STATEMENT**

The mission of LCG is to enhance the quality of life of our community by providing high-quality; cost-effective services that meet the needs and expectations of the public.

### **GOALS**

- To create responsible, accessible, and responsive government that has sound financial and administrative practices.
- To build a diverse economy with the ability to maintain during economic changes.
- To promote a city that is safe, environmentally conscious, and provides cultural and artistic enjoyments.
- To establish a well-maintained and future-oriented infrastructure with emphasis on convenient and efficient transportation movement.
- To establish predictable, compatible land uses through zoning and comprehensive planning.
- To develop community oriented programs such as parks and recreation and community development which provide an array of services for all citizens.

### **ACCOMPLISHMENTS**

- The FY 2019 adopted budget develops and presents a methodology for monitoring and accounting for a fiscal plan for operating LCG totaling \$637.1 million.
- A \$437.6 million five-year capital improvement program is proposed for extensive Utilities System, Communications System (LUSFiber), infrastructure, drainage, parks & recreation, and building improvements.
- Lafayette recently developed and launched a mobile application named "The Hub of Lafayette". The application is available in the Google Play Store and the Apple App Store and is compatible with Android and Apple devices. It allows users to connect to local government with on-the-go access to general information on government departments and services, job postings, event information, and on-line utility payments.
- In 2018, LCG introduced a 311 Call Center to the citizens of Lafayette City and Parish. The purpose of the LCG 311 Call Center is to create a centralized number for all nonemergency municipal services. Citizens have the ability to use this simple three-digit phone number to request a service or get information they need from the local government.

- LCG's group health insurance plan has not experienced a rate increase in six years largely due to savings realized through Blue Cross Blue Shield. Savings for FY17 exceeded \$45 million dollars.
- In July 2017, Lafayette Parish Library began construction of the West Regional Library located in the City of Scott. Construction on the library continues to progress. The anticipated opening date of the 17,665 square foot facility will be open to the public in early 2019. In addition, a new bookmobile will be placed in service in the spring of 2019 distributing materials, services, and programs to all parts of the parish.

## PLANLAFAYETTE

**PlanLafayette** is the 20-year master plan, adopted in 2014, to manage Lafayette's growth and development in order to achieve the community's long-term vision. LCG departments and external agencies have started or completed 282 of the plan's 465 action items. **PlanLafayette** also influences and supports priorities of the Administration. Efforts of the Mayor-President focus on storm water management, the redevelopment of the University Avenue Corridor, Smart City projects, the cultural economy initiative known as CREATE, Project Front Yard and the Evangeline Corridor Initiative (ECI).

Drainage - A recurring theme of **PlanLafayette** is doing more with less, leveraging existing assets, and making more efficient use of resources. In 2017, the Administration did just that through the successful rededication of a portion of an existing millage to fund \$9M in drainage projects and enhance the parish-wide drainage millage by an additional \$2.5M annually. These funds will be used to address 27 priority projects at an estimated \$9.6M cost. As the drainage plan is implemented, development standards will also be addressed with new requirements to the Unified Development Code for capacity-related modifications such as increased pond storage.

Revitalizing University Avenue – **PlanLafayette** identified University Avenue as a crucial gateway to the community and with renewed focus, can be restored to its former cultural, social and economic prosperity. Through a series of public meetings, more than 150 corridor stakeholders shared their vision for recreation, entertainment, dining options, design alternatives, housing and amenities, and identified landmarks to be preserved and highlighted. The final plan will improve pedestrian safety, transportation efficiency and mobility options, and enhance economic revitalization potential.

Innovative Approaches – Since the adoption of **PlanLafayette**, "Smart City" strategies have become synonymous with efficiency. Through forward-thinking initiatives representative of the community known for its wildcatter spirit, the Administration works to create transparency through innovative ideas to address critical issues. As a 2017 Mozilla Gigabit Community, Lafayette received \$150,000 in innovation grants to fund applications to improve education, address workforce development issues and keep citizens connected. Lafayette's long history of proven innovations and current initiatives, such as the LEARN Collaborative and Cajun Code Fest, continue to draw national and even global attention. Pushing that innovative spirit to the ultimate test, LCG earned a spot in the 2018 Mayors Challenge to develop a plan to address an urgent challenge, competing with 34 of the most innovative U.S. cities vying for a \$5M grand prize or one of four \$1M prizes.

CREATE Initiative (Culture, Recreation, Entertainment, Arts, Tourism and Economy) - Lafayette's rich heritage, creative scene and authentic "joie de vivre" create a unique and attractive place for residents, visitors and businesses looking to relocate. Studies show that the local cultural industry is the second largest economy and employer in

Lafayette Parish and with citizen input and engagement, our unique and creative local culture has the potential to take the lead as an economic driver in the parish. Lafayette Parish voters approved \$500,000 in annual funding to establish CREATE which markets our culture to further galvanize and diversify commerce associated with artistic, cultural and recreational opportunities in the area. *PlanLafayette* envisioned a culture planning process through a collaborative process with stakeholders and civic leadership, and includes dozens of action items strengthened by CREATE.

Evangeline Corridor Initiative - The I-49 Lafayette Connector, a 5.5 mile segment of limited access highway that will extend I-49 from I-10 to the Lafayette Regional Airport, is a key component of I-49 South. *PlanLafayette* underscores the opportunities provided by the Lafayette Connector project as well as the need for associated neighborhood investment. Funded in part by the federal TIGER grant, the Evangeline Corridor Initiative (ECI) collected extensive input from residents, business owners and the general public, suggesting and prioritizing potential improvements along the corridor. With this public feedback, ECI proposed catalyst projects with the potential to revitalize the area and spark investment in the area. The projects will also help to ensure the interstate investment is leveraged for the benefit of the surrounding communities while mitigating possible negative impacts to the community.

No Kill 2020 - Efforts to make Lafayette Animal Shelter and Care Center a no kill shelter by 2020 continue by ensuring adoptable animals are adopted or fostered, and reserving euthanasia only in instances of health and behavioral issues. The initiative's early successes include a fellowship with Target Zero, increased collaborations with local animal rescue organizations, substantial euthanasia rate improvements and expanded adoption hours followed by the adoption of a no kill ordinance allowing for a feline Trap, Neuter and Return (TNR) program. The ordinance also significantly lowered adoption fees for dogs and cats and allowed free adoptions for military veterans and senior citizens. The administration recognizes that a no kill shelter is not only a more humane approach, but is also more cost effective because it eliminates the costs associated with euthanizing animals.

## FINANCIAL POLICIES

### Fund/Department Structure

The fund structure for LCG is especially complex. City and Parish funds are accounted for separately due to the source of revenue and authority granted by the voters of both the City and the Parish. There are two general funds; one for the City and one for the Parish. Combined, there are over fifty general governmental funds (special revenue, debt service, and capital projects), four internal service funds, and five business type funds.

Most of the general operating expenses are budgeted in the City General Fund and allocated between the City and Parish General Funds based on the City-Parish Funding Source Allocations study prepared by MGT of America Consulting, LLC.

The allocations are performed using one of several methods of allocation depending on the nature of the services being distributed. There are 24 different allocation methods. The City-Parish Allocation Schedule Summary can be found in the Budget Overview & Highlights Section of this document along with a list of allocation methods.

The department is the highest organizational structure in LCG’s hierarchy and each department’s operating and capital expenses can be budgeted in one or more funds depending on that department’s functions or activities. A listing of departments and the types of funds that support their expenditures is shown below.

**Auditing, Accounting, and Financial Reporting**

LCG’s accounting and financial reporting systems are maintained in conformity with generally accepted accounting principles (GAAP) and standards of the Governmental Accounting Standards Board (GASB). An enterprise resource system is maintained containing all financial modules including a fixed asset module which maintains the identity of all assets, their location, historical cost, useful life, and depreciation calculations and the department responsible for the control of the asset.

An independent accounting firm audits the financial records of the government annually and issues an audit opinion on the financial statements of the governmental activities, the business type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information. The most current audit for period ending October 31, 2017 received an unmodified opinion in that all reports presented fairly and were in conformance with generally accepted accounting principles.

## **Investment Management**

The Cash Management Rules and Guidelines of LCG address the following areas:

- Scope, Prudence, and Objectives
- Delegation of Authority
- Authorized Financial Dealers and Institutions and Diversification in Authorized and Suitable Investments
- Collateralization
- Safekeeping and Custody

It is the policy of LCG to invest public funds in a manner which conforms to existing Louisiana State Statutes governing the investment of public funds and LCG's Home Rule Charter while receiving a maximum rate of return. LCG's Investment Policy has the following objectives: safety, liquidity, yield, and public trust. Authorized security purchases include:

- U.S. Treasury Bills, Notes, and Bonds with maturities not to exceed two years.
- Federal agency and instrumentality coupon debentures and discount notes with maturities not to exceed two years-limited to Federal Home Loan Bank, Federal National Mortgage Association, Federal Farm Credit Bank, and Federal Home Loan Mortgage Corporation.
- Repurchase agreements with a maturity not to exceed six months on the above securities collateralized at a minimum of 102 percent of the purchase price of the repurchase agreement.
- The purchase of any securities listed in the first two bullets in excess of two years must be pre-approved in writing by the Chief Financial Officer.

## **Fund Balance Policy**

Governmental funds report the difference between their assets and liabilities as fund balance. Under generally accepted accounting principles (GAAP), fund balance is divided into two major components; Nonspendable and Spendable. Nonspendable is that portion of fund balance that is not available for appropriation because the assets it represents are not in a spendable form, such as inventory. Spendable Fund Balance is further broken down into four categories; restricted, committed, assigned, and unassigned. It is the unassigned portion of fund balance that can be appropriated without external or internal restrictions. It is the intent of LCG administration to maintain at a minimum its unassigned fund balance for the City General Fund at 20% of the total fund's operating expenses. Under this policy, LCG administration, in its budgeting process, submits a proposed budget to the City-Parish Council that adheres strictly to the fund balance requirements. This policy has not yet been ratified by the City-Parish Council and during the budget adoption process the Council may, at their discretion, amend the budget in such a way that this policy is violated. In such cases, policy violations will be discussed in the administration's transmittal letter in the final budget document. Additionally, the City-Parish Council may be asked to provide a discussion of these decisions and, if provided, will be included in the final budget document as well.

**Debt Policy**

LCG's debt is issued primarily as a financing tool for infrastructure (such as streets, drainage, and utilities) and infrastructure improvements. A careful balance between debt financed projects and pay-as-you-go capital projects is maintained. Capital projects that may be funded by debt are evaluated within the context of LCG's long range capital plan and debt is only issued after careful consideration of current debt levels, economic conditions, the availability of alternative funding sources, and key debt and liquidity ratios. Bond covenants require that the average annual revenues for the City of Lafayette sales tax collections for the two (2) most recent fiscal years must equal or exceed 1.5 times the highest combined principal and interest requirements for any succeeding fiscal year on all City sales tax bonds outstanding. It is the administration's policy to maintain a higher City sales tax ratio of 2.0.

Louisiana Revised Statutes limit the Parish's general obligation bonded debt for other purposes to 10% of the assessed valuation of the taxable property for a single purpose with no limit on the number of purposes. The City may issue general obligation bonded debt in excess of 10% of the assessed valuation of the taxable property for any single purpose provided that the aggregate for all such purposes (determined at the time of issuance of the bonds) does not exceed 35% of the assessed valuation of the taxable property of the City.

Compliance with all bond covenants, bond ordinances, contracts, etc. are monitored. Additionally, required financial data and event information are uploaded to the Electronic Municipal Market Access (EMMA) which is the official repository for information on virtually all municipal bonds.

**Revenue Policy**

LCG endeavors to have a diversified and stable revenue system to protect against unforeseeable short-term fluctuations in any one revenue source. Revenue forecasts are based on the best information available and take into consideration historical trends, current economic factors (such as property assessments and retail sales trends), and projected activity. Revenues are budgeted conservatively but if economic downturns develop, which could result in revenue shortfalls, adjustments in budgeted expenditures are made to compensate. LCG establishes and monitors user fees and charges based on the cost of services and community benefit. Services may be subsidized as the Council deems necessary. The use of one-time revenues or those of an unpredictable nature to fund on-going expenditures is discouraged. LCG pursues alternate methods of financing such as federal and state grants and intergovernmental agreements.

**Expenditure Policy**

All department directors share in the responsibility of looking at and understanding LCG's long-term financial viability, the general spending trends of their respective departments, the projected departmental revenues, and educating themselves and their staff on the necessary short and long-term balance between revenues and expenses. Departmental budgets are submitted to the administration with these responsibilities in mind and budgets are typically zero-based or status quo with little or no increases to expenditures contemplated. As the administration evaluates budgetary requests, higher priority is given to expenditures which provide direct public services and public health and safety. The highest priority is given to the payment of bonds, notes, contracts, accounts payable, and

other monetary liabilities. An appropriate balance between these priorities and the dollars provided towards the assurance of good management and legal compliance is strived for.

### **Capital Improvements**

LCG maintains a Five-Year Capital Improvement Program (including anticipated funding sources) which is updated annually and is approved by the Council during the budget process. Capital improvement projects are defined as infrastructure, equipment purchases, or construction that results in a capitalized asset and having a useful life of more than one year.

In addition to a Five-Year Capital Improvement Program, Section 5-05 of the Home Rule Charter requires that a Capital Improvement budget must include the estimated annual cost of operating and maintaining the capital improvement to be constructed or acquired.

Proposed capital projects are reviewed by departmental directors, staff, and administration. Priority of projects is based on financial sources available and/or debt considered and overall consistency with LCG's goals and objectives.

### **Internal Controls and Fiscal Monitoring**

Financial systems will maintain internal controls to monitor revenues, expenditures, and program performance on an ongoing basis. As required by the Home Rule Charter and/or internal written policy, monthly financial reports are prepared as well as departmental meetings held to review status of revenues and expenditures and compliance to the adopted budget.

### **Distinguished Budget Presentation Awards Program**

LCG's budget will be submitted to the GFOA Distinguished Budget Presentation Awards Program for FY 2019. LCG presented its budget to the award program for fiscal years 2014 to 2018. The GFOA Distinguished Budget Award was given for those submissions. The budget should satisfy criteria as financial and programmatic policy documents, a comprehensive financial plan, an operations guide for all organizational units, and a communications device for all significant budgetary issues, trends, and resource choices.

### **Basis of Accounting**

The government-wide, proprietary, and fiduciary fund financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Nonexchange transactions in which the government gives (or receives) value without directly receiving (or giving) equal value in exchange include property taxes, grants, and entitlements. On an accrual basis, property taxes are recognized in the year for which the taxes are levied. Revenue from grants, entitlements, and donations is recognized in the fiscal year in which all eligibility requirements have been satisfied.

Governmental funds are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues are recognized when susceptible to accrual (i.e., when they

become both measurable and available). “Measurable” means the amount of the transaction can be determined and “available” means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Sales taxes are considered “measurable” when in the hands of the Sales Tax Collector and are recognized as revenue at that time. Ad valorem taxes are recognized as revenue in the year for which budgeted, that is, in the year in which such taxes are billed and collected. Revenue from grants, entitlements, and donations is recognized in the fiscal year in which all eligibility requirements have been satisfied. All other receivables collected within 60 days after year-end are considered available and recognized as revenue of the current year. Expenditures are recorded when the related fund liability is incurred except for principal and interest on general long-term debt, claims and judgments, and compensated absences which are recognized to the extent they have matured. General capital asset acquisitions are reported as expenditures in governmental funds. Proceeds of general long-term debt and acquisitions under capital leases are reported as other financing sources. Except for miscellaneous supplies warehoused at central locations and issued to operating departments as needed, purchases of various operating supplies are regarded as expenditures at the time purchased.

### **Basis of Budgeting**

The budget is reported using the current financial resources measurement focus and is consistent with GAAP. Appropriations define the cash limits that cannot be exceeded. No reference is given to when revenues are earned or expenses are incurred. For budgetary purposes, these items are only recognized when received or paid. Non-cash items such as depreciation and amortization are not budgeted.

### **Differences between Basis of Accounting and Basis of Budgeting**

Some of the differences between the basis of budgeting and the accounting basis are:

- Debt payment for principal-budgeted as an expense item, adjusted at year-end against the liability.
- Depreciation recorded for proprietary and enterprise funds on an accrual basis, eliminated for budget purposes.
- Encumbrances are recorded as a reserve of budgeted funds on the cash basis and recorded as a committed portion of fund balance on the accrual basis.
- Compensated absences are adjusted annually using the accrual method but on the cash basis for budgeting are absorbed by salaries.

### **BUDGETARY POLICIES**

In addition to the Home Rule Charter budgetary submission requirements and administrative responsibilities discussed below, LCG adheres to the Louisiana Revised Statutes Title 39 Chapter(s) 1301-1315-Louisiana Local Government Budget Act. Of specific note is R.S. 39:1305 that requires the submission of a budget where “...proposed expenditures shall not exceed the total estimated funds available for the ensuing fiscal year.” LCG uses this definition as the meaning of a balanced budget and all adopted budgets follow this statute.

The fiscal year for Lafayette Consolidated Government is November 1 through October 31. The Home Rule Charter requires that at least ninety days prior to the beginning of each fiscal year, an operating budget and a capital improvement budget be submitted to the Council. The Council then publishes a public hearing notice at least ten

days prior to the date the budget is presented to the public for a formal public hearing. The notice is required to include a general summary of the proposed budget, the times and places where copies of the budget are available for public inspection, and the location, date, and time of the public hearing.

If the Council fails to adopt a budget before the end of the current fiscal year, the budget for the current fiscal year continues in effect for a maximum of six months into the next fiscal year and is limited to fifty percent of the amount appropriated for the current fiscal year.

The Charter also requires that the operating budget presents a complete financial plan for the ensuing year and that the following be included in the operating budget document:

- A budget message prepared by the Mayor-President.
- A general budget summary with proposed budgeted amounts, actual amounts for the last completed fiscal year, and estimated amounts for the year in progress.
- Detailed estimates of all proposed expenditures showing the corresponding estimated expenditures for each item for the current fiscal year and actual amounts for the last preceding fiscal year.
- Manning or organizational tables for each of the departments, agencies, or programs.
- Detailed estimates of all anticipated revenues and other income showing the corresponding estimated revenue or income for each item for the current fiscal year and actual figures of the last preceding fiscal year.
- Statement of the indebtedness of the City-Parish Government showing debt redemption and interest requirements, debt authorized and unissued, and conditions of the sinking funds.
- A proposed complete draft of the appropriation ordinance.
- A clear general summary of the capital improvement budget.
- A list of all capital improvements and acquisitions for at least five fiscal years.
- Cost estimates, recommended method of financing, and the estimated annual cost of operating and maintaining the capital improvements.

If during the fiscal year the Mayor-President certifies that there are available for appropriation funds in excess of those estimated in the operating budget, the Mayor-President may present a supplement to the budget for the disposition of such funds and the Council, by ordinance, may make supplemental appropriations for the year up to the amount of such excess in the same manner required for adoption of the budget. If at any time during the fiscal year it appears to the Mayor-President that the funds available will be insufficient to meet the amount appropriated, the Mayor-President shall report to the Council without delay, indicating the estimated amount of the deficit, any remedial action taken, and recommendations as to any other steps to be taken. The Council shall then take such further action as it deems necessary to prevent a deficit. No appropriation for debt service may be reduced or transferred below any amount required by law.

With the exception of amounts appropriated for debt service and salaries, the Mayor-President can transfer any amount unencumbered within departments during the year. Amounts cannot be transferred to or from the salary account unless approved by Council ordinance.

Every appropriation, except an appropriation for a capital expenditure, lapses at the close of the fiscal year to the extent that it has not been expended or encumbered. An appropriation for a capital expenditure is allowed to

continue in force until the purpose for which it was made has been accomplished or abandoned; however, any capital appropriation with no disbursements or encumbrances for three years is deemed abandoned.

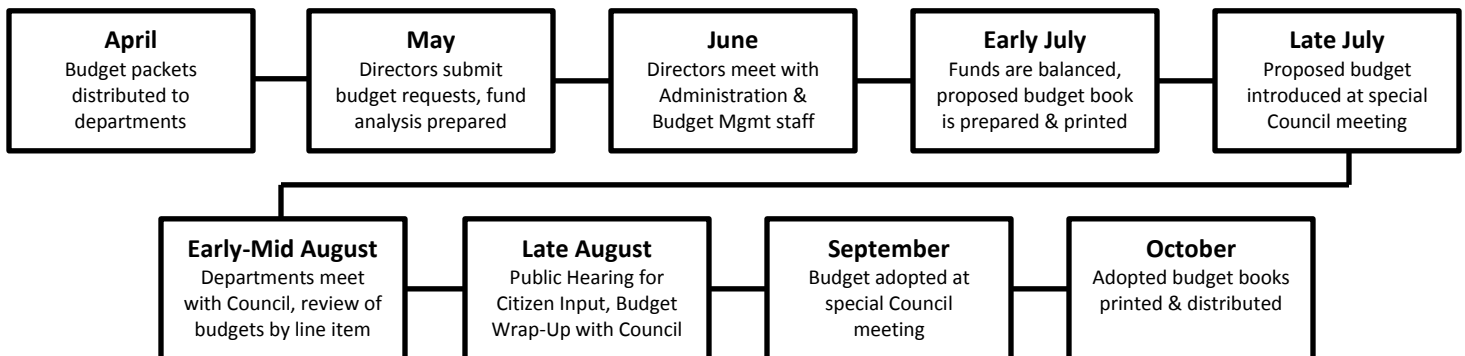

### ADMINISTRATIVE BUDGET PROCESS

The Chief Financial Officer (CFO) is responsible to recommend to the Chief Administrative Officer (CAO) a timeline and plan to facilitate the budget process for the next fiscal year. The approved budget calendar and budget instructions were delivered to department heads in April of this year. At weekly director’s meetings throughout April and May, the department heads were apprised of the results of the previous fiscal year and of anticipated challenges facing the City-Parish for the current and next fiscal year. During June, each department head and key staff members met with the CAO, CFO, and Budget Manager to present their requested budgets and to discuss their strategic goals and service delivery priorities for the divisions within their department.

The Budget Management Division and the CFO’s staff worked tirelessly during June and July to ensure that all funds were balanced and to identify over-expended funds. Together with the CAO, changes to budgetary line items were made to keep the proposed budget in line with the priorities set by the Mayor-President.

The approved budget calendar for preparation of the FY 2018-19 budget is as follows:

- April 16** ..... Budget calendars, instructions, and forms are e-mailed to department heads.
- Apr 17-May 11** .... Departments prepare budget requests and return same to Budget Management.
- June 6-June 14** .... Departmental meetings with CAO, CFO, Budget Manager, and Directors.
- June 15-June 29** .. Mayor-President, CAO, and CFO review O&M and Capital Budgets.
- July 2 - July 13**..... Budget Management balances, analyzes, and completes proposed budget. CFO meets with CAO and Mayor-President to finalize proposed budget.
- July 16** ..... Finalized Proposed Budget is submitted for printing.
- July 24** ..... Special Council meeting for the Introduction of Operating & Five-Year Capital Improvement Budget.
- July 25** ..... Five-Year Capital Improvement Budget is submitted to Planning and Zoning Commission.
- Aug 9-Aug 16** ..... Department-Council budget meetings.
- August 21**..... Public Hearing for citizen input.
- August 30**..... Public Meeting for wrap up of outstanding items.
- September 6** ..... Special Council Meeting for final adoption.
- November 1** ..... Adopted Budget goes into effect.

**SUBJECT: FY 2018-2019 Budget Message**

---

I am pleased to present to you the Proposed Operating and Capital Budget for the Fiscal Year 2018-2019. The budget is balanced as required under state and local law.

Every year we conduct a comprehensive review of the budget to address any declines in tax revenue. When needed, we have made difficult, strategic, and fiscally responsible cuts to the budget and will continue to prepare a budget based on what we believe are realistic and sustainable revenue sources.

This past fall, we asked voters to approve moving a portion of the existing public health millage to a stormwater management millage which would allow us to focus more effort and money on our drainage issues. In conjunction with that reallocation, voters were also asked to invest a portion of the existing public health millage into a strategic revenue generating initiative named CREATE. Voters overwhelmingly approved these two measures, providing funding to immediately address our most pressing deferred maintenance and a dedicated revenue source to further develop our cultural economy.

A focus on technology and transparency resulted in several new enhancements for Lafayette's citizens and visitors. Anyone can now call 311 to get information, reach any department, or to report an issue. Lafayette 311 is now the easiest way to engage government, request services, and report problems. Our Public Works Department has launched an online dashboard of drainage projects to provide current information on the work being done throughout Lafayette Parish at <http://lafayette.projects.socrata.com/projects>. We also launched a community mobile app titled "The Hub of Lafayette" to provide information 24/7. Emergency services were enhanced to allow "text to 911." And LUS Fiber continued as a national leader rolling out 10 Gig services this summer.

Lafayette continues to draw positive national and even global attention, earning a spot in the 2018 Mayors Challenge and a \$100,000 grant to develop an idea to address an urgent community issue. Lafayette's challenge idea is a long-term solution to drainage issues and the local project is competing with 34 other finalists for a \$5M grand prize or one of four \$1M prizes. Lafayette was also recognized and named a Gigabit Community by the Mozilla Foundation, receiving \$150,000 in innovation grants. Throughout the past year, Lafayette's innovative spirit was featured at Smart Cities conferences in Austin, Chicago and Kansas City.

I thank CFO Lorrie Toups and her staff for their effort and expertise while preparing this proposed budget. We will continue to pursue innovative solutions to create more efficiency and transparency in our government and will always honestly address our challenges.

Sincerely,

# CHIEF FINANCIAL OFFICER'S PROPOSED BUDGET DISCUSSION

## Internal Memorandum

**Finance & Management**  
Chief Financial Officer (0100)

**TO:** Mayor-President Robideaux

**DATE:** July 20, 2018

**THRU:** Lowell Duhon

**FROM:** Lorrie R. Toups

**SUBJECT: Proposed FY 2018-2019 Budget Message**

---

In accordance with Section 5-02 of the City-Parish Home Rule Charter and the guidelines established by your office, I am pleased to present to you the Proposed Operating and Five-Year Capital Improvement Budget for Lafayette Consolidated Government including the Utilities Department and the Communications System Department for FY 2018-19. This document reflects a balanced budget totaling \$633.2 million including inter-fund transfers and capital expenditures other than the Five-Year Capital Improvement Program. This is approximately equal to the budget adopted for FY 2017-18. In addition, the City of Lafayette Non-Utilities Five-Year Capital Improvement Program budget totals \$243.3 million and the Utilities System Five-Year Capital Improvement Program budget totals \$143.1 million. The following is an explanation of some highlights with comparisons to the FY 2017-18 current budget as well as FY 2016-17 audited financials.

### **FUND BALANCE POLICY**

Since the City General Fund is the primary operating fund for governmental activities, it is recommended that fund balance be maintained at a level that allows for flexibility and protection against temporary revenue shortfalls and unexpected one-time expenses. To that end, this administration adopted an ending fund balance policy requiring a minimum maintenance level of 20% of annual operating expenditures. In FY 2015-16 and FY 2016-17, unexpended appropriations totaled \$5.3 million and \$4.1 million, respectively. Unexpended appropriations increase the fund balance above the budgeted amount. To ensure that decisions included in this budget can be funded beyond this budget year, the same limitation was applied to the additional three projected years on the City General Fund Pro Forma included in the Budget Overview & Highlights section of this budget. This proposed budget and three year projections are in compliance with this policy as shown below.

	Proposed	Projected		
	FY 18-19	FY 19-20	FY 20-21	FY 21-22
Total Expenditures	\$104,075,537	\$104,328,287	\$105,636,678	\$106,967,620
Net Increase/(Decrease)	(3,117,299)	(640,459)	878,809	2,477,663
Ending Fund Balance	\$40,644,911	\$40,004,451	\$40,883,260	\$43,360,924
Ending Fund Balance as a Percent of Expenditures	39.05%	38.34%	38.70%	40.54%

## REVENUES

Total estimated revenues excluding inter-fund transactions, grants, and use of prior year fund balance in this proposed FY 2018-19 budget total \$554 million compared to \$544.8 million in the original adopted FY 2017-18 budget. The \$9.3 million difference is primarily due to estimated increases in Utilities System revenues of \$5.7 million, Communications System revenues of \$2.4 million, charges for services of \$1.8 million and interest revenues of \$1.7 million offset by decreases in general property taxes of \$2.5 million and sales taxes of \$1.1 million. Once again, revenues from federal and state grants that have not yet been awarded are not included in this budget; however, we will continue to pursue these grants and will present budget revisions as they are awarded.

Total	\$ 554,027	\$ 544,757	\$ 9,270	

General Property Taxes (Ad Valorem) are budgeted based on actual collections for the first seven months of the current fiscal year. The decrease of \$2.5 million is primarily due to an overstated assessed valuation for the current FY 17-18. Prior to the current year, the average annual increase in assessed valuation for the Parish and the City was 8.17% and 6.0%, respectively. This past year, the assessed valuation for the Parish and the City increased less

than one percent. The ten year history of assessed valuation for the Parish and the City are shown in the graph below.

**Parish & City Property Tax History**  
**Net Assessed Valuations**  
**(in millions)**

City and Parish sales taxes in this budget are based on actual collections for the first seven months of the current fiscal year with the trend projected for the remainder of the year. Based on this calculation, the City of Lafayette sales taxes are budgeted to decrease slightly while the Parish sales taxes are budgeted to decrease approximately 14% over the original FY 2017-18 adopted budget.

Revenues for communications sales are budgeted to increase 6% and utilities sales are budgeted to increase 2% primarily due to increase in fuel cost. The Communications System is in its tenth year of serving retail customers and revenues are projected to continue to increase as new customers are added to the system.

The increase of approximately \$1.8 million in charges for services is primarily due to a \$1.4 million increase in uninsured and workers compensation losses incurred by departments and which is recognized as a revenue by the Risk Management Fund, along with increased refuse collection charges and billings in internal service funds. These increases can be found under the tab "Schedule of Revenue by Source". There is an 11 cent increase to the A&G portion of the EQ fee proposed in this budget.

Twenty-three and one-half percent (23.5%) of the City General Fund's revenue is attributable to the transfer of in lieu of tax (ILOT) by the Utilities System Fund. The amount of ILOT included in

this budget is \$23.8 million. However, the actual ILOT transfer could be substantially reduced if the operational expenses of LUS increase greater than operating revenues or coal inventory increases beyond current needs.

There are two parts to the ILOT calculation. The first part of the calculation is the identification of taxable revenues and the second part of the calculation is often referred to as “the test”. For the test, the amount of money left over after all the operating expenses and debt service are paid is compared to the amount of calculated ILOT. Increases in debt service, operating expenses, or inventory without a corresponding increase in revenue will have a negative effect on the amount of ILOT available. For example, an increase in debt service could cause a reduction in the amount available to pay ILOT as well as a decrease in the amount available for capital improvements. Continued monitoring of this fund’s operations will be necessary to reduce the impact of ILOT fluctuation on the City General Fund.

## APPROPRIATIONS

Proposed expenditures, including inter-fund transactions and capital outlay, total \$633.2 million compared to \$633.4 million adopted for the current fiscal year. Net operating expenditures total \$382.9 million compared to \$377.7 million for the current fiscal year.

The increase in Public Works net operating cost is primarily due to the increase in drainage maintenance and operations in the new Storm Water Management Fund. The decrease in general accounts of \$2.9 million is primarily due to a decrease in accrued sick & annual leave of \$1.3 million and a decrease in internal appropriations to the City General Fund of \$931 thousand.

The increase in Elected Officials of \$1.4 million is due to an increase in reserves for new debt of \$2.3 million offset by an across the board 4% reduction in accounts for temporary employees, training of personnel, uniforms, maintenance of property supplies & equipment, supplies & materials, and contractual services.

The City General Fund is budgeting \$850 thousand to cover the 2% COLA for retired police and firefighters who were merged with the various state retirement systems. This payment started in 2008 when the state systems did not grant a full 2% COLA. Since 2008, the City General Fund has paid \$4.2 million to retired police and firefighters. The amount proposed in this budget is \$430 thousand for retired firefighters and \$420 thousand for retired police.

Both the City General Fund and the Parish General Fund provide operating subsidies to other funds. These subsidies reduce the funds available to provide general governmental services. The Courthouse Complex Fund and the Parish General Fund have provided over \$19.1 million and \$7.4 million, respectively, in operating subsidies to the Correctional Center Fund. Included in this proposed budget is another \$6.8 million expected to come from the Courthouse Complex Fund to the Correctional Center Fund for FY 17-18 and FY 18-19. The Courthouse Complex millage is sufficient to cover the operating expenses of the fund and support some of the operating expenses of the Correctional Center Fund; however, this fund is projected to have depleted its fund balance in the next two years. Capital improvements and increased operating expenses in the Courthouse Complex Fund will limit the amount of funds available to provide future operating subsidies to the Correctional Center Fund.

The following table shows the various funds receiving operating subsidies from the City General Fund, the Parish General Fund and the Courthouse Complex Fund:

\*From Courthouse Complex Fund

The largest expenses of the Parish General Fund are for the operation of the District Attorney's office and the 15th Judicial District Court (15th JDC). This proposed budget includes \$4.2 million for personnel, benefits, and operating expenses of these two offices. Expenses related

to the building and utilities of housing these offices are recorded in the Courthouse Complex Fund. The Criminal Court Fund, by written order of the District Attorney and District Court, may also be used to defray the operating costs of the 15th JDC. Revenues for this Fund come from District Court fines, contempt fines, and bond and fee forfeitures. Eighty-three (83%) of the contempt fines collected are passed through to the Parish Clerk of Court, the 15th JDC Adult Drug Court, and the 15th JDC Juvenile Drug Court. The remainder of all revenues estimated to be in this fund is divided equally between contractual services for the District Attorney and contractual services for the District Court. Any balance remaining in the fund at the end of the calendar year will be split equally between the Parish General Fund and the Criminal Court Fund. As these offices determine what amounts shall be paid from the Criminal Court Fund, not to exceed the revenues received, appropriate budget revisions may be made to move budgeted expenses from one contractual services account to the other.

Below is a history of the Criminal Court Fund revenues from fines and forfeitures.

Federal grants for the Municipal Transit System have decreased from a high in 2010 of \$2.2 million to \$1.4 million in this proposed budget. The difference will come from increases in the operating subsidy from the City General Fund. The subsidy is projected to be \$2.7 million in this proposed budget. Since 2000, the City General Fund has subsidized the Municipal Transit System by \$32.5 million through fiscal year ended October 31, 2017.

Employer contribution rates to the state-wide retirement systems continue to increase. There are many different state-wide systems included in LCG's payroll. The Municipal Employees Retirement System, the Parochial Employees Retirement System, the Firefighters Retirement System, and the Municipal Police Employees Retirement System are the four with the largest participation. This budget assumes contribution rates for these four systems at 26%, 11.5%, 26.5%, and 32.25%, respectively.

**FUND BALANCE**

In order to maintain a strong fund balance in the City General Fund and a working fund balance in the Parish General Fund, widespread reductions were made throughout most of the funds in this proposed budget. In addition to the across-the-board cuts in Parish General Fund implemented in 2016, another blanket reduction was made throughout all funds except those related to roads, bridges and drainage. The reduction of four percent was made to accounts for

temporary employees, training of personnel, uniforms, building equipment & grounds maintenance, janitorial & offices supplies and material, miscellaneous services, dues & licenses, postage & shipping, printing & binding, testing expenses, tourism and travel related expenses as well as contractual services and equipment rental. Other accounts reduced even further in the Parish General Fund include a 25% reduction to payments to the volunteer fire departments and reductions to the Emergency Operations Center. Requests for additional operating funds and capital from the Louisiana Cooperative Extension Service were not included in this proposed budget. To reduce the operating subsidy made to the War Memorial Building Fund from the Parish General Fund, reductions in the War Memorial Building Fund were made to salaries & benefits, janitorial services, and supplies and utilities.

The City General Fund is budgeted to end the year with a fund balance of \$40.6 million or 39.05% of budgeted annual expenditures and is projected to use \$3.1 million of fund balance. The ending fund balance and the use of fund balance for this proposed budget and the projected three years thereafter fall within the acceptable range according to the administration's ending fund balance policy discussed at the beginning of this memorandum.

The Parish General Fund is budgeted to use \$659 thousand of fund balance for operations and to end the year with a fund balance of \$105 thousand. Over the past five (5) years, the Parish General Fund has experienced a nineteen percent (19%) reduction in revenue and the revenues proposed in this budget are approximately the same as revenues received ten (10) years ago. Parish General Fund revenues are predominantly used to fund state mandates, which make up approximately 55% of total expenditures. New revenue sources or decreases in expenditures will be required in the next few years.

The Traffic Safety Fund is budgeted at levels equivalent to FY 16-17 due to the new program approved by the council in February 2018 with Resolution R-010-2018. As in prior years, this fund will be used to fund salaries related to traffic safety and transportation cost for the Police Department.

All revenues and existing fund balance in the City Sales Tax Capital Improvement Fund are budgeted for capital projects. As projects are completed, any unused appropriations will be returned to fund balance during the year through budget amendments adopted by the City-Parish Council. Any additions to projects included in this proposed budget will require a corresponding decrease in current or proposed projects.

## PERSONNEL

While this proposed budget reflects additions and deletions in various departments, there is no change to the total personnel count. The changes in the various departments are summarized below.

<u>Department</u>	<u>Net Change #</u>
Elected Officials Executive	-1
Police	1
Public Works	-1
Utilities	-4
Communications	5
Total	<u>0</u>

Promotions and new positions presented throughout this proposed budget were included at the request of each department director. Budget Management works with Human Resources and Civil Service to insure that no promotion or new hire is granted without the approval of Civil Service.

Salaries and related benefits do not include a general pay increase for employees except for the mandated 2% longevity for eligible firefighters. Other raises included in this budget under the promotion line items are the result of recommendations by Civil Service based on Civil Service Rule IV Section 1.9 and one is due to changes in market conditions.

**GROUP HEALTH/LIFE INSURANCE FUND**

Once again, there is no change in the recommended employee premiums in this budget submittal. The employer contributions and employee contributions are expected to remain the same as the current fiscal year. Total premium contributions are projected to generate \$21.4 million for self-insured group hospitalization and life insurance expenses.

The current premium structure for group health insurance is shown in the following table.

	Monthly Current Premium	Per Pay Period Premium
<b>Employee Coverage</b>		
Employee Cost	38.42	17.73
LCG Cost	382.83	176.69
Total Cost	421.25	194.42
<b>Family Coverage</b>		
Employee Cost	327.66	151.23
LCG Cost	769.51	355.16
Total Cost	1,097.17	506.39
<b>Retiree Family Coverage</b>		
Employee Cost	714.34	
LCG Cost	382.83	
Total Cost	1,097.17	

**FIVE-YEAR CAPITAL IMPROVEMENT PROGRAM**

The City of Lafayette Non-Utilities Five-Year Capital Improvement Program totals \$243.3 million. Of that amount, \$123.4 million is financed with bond proceeds over a five-year period. We have been balancing our capacity to issue bonds with our ability to pay for them from sales tax proceeds while maintaining adequate coverage ratios and pay-as-you-go capital funds.

The Utilities System Five-Year Capital Improvement Program totals \$143.1 million. Of that amount, \$47.5 million is financed with bond proceeds over a five-year period. This budget includes important projects such as those necessary to respond to the growth of the City,

mandates placed upon the Utilities System by state and federal requirements, and cost for system renewals. The Utilities System will need to balance the need for normal, special, and pay-as-you-go capital along with the cost of operations and new debt service to insure that it will have the capacity to issue the new bonds included in this proposed budget. This budget does not include funding for additional debt service. The operating cost of the Utilities System Fund will require close monitoring to insure that expenses remain in line with available revenue.

### **AD-VALOREM MILLAGES**

The following ad valorem millages will expire in 2022:

Purpose		Millage Amount	Expiration Year
Police	City	3.00	2022
Fire	City	2.00	2022
Drainage	Parish	3.34	2022
Library	Parish	2.00	2022
Airport	Parish	1.71	2022

### **EXCELLENCE IN BUDGET PRESENTATION**

The Budget Management Division of the Office of Finance and Management continues to demonstrate its commitment to providing high quality service and excellence in financial reporting. For four consecutive years through FY 2016-17, the Office of Finance and Management has received the “Distinguished Budget Presentation Award” from the Government Finance Officers Association (GFOA) of the United States and Canada for our Annual Operating & Five-Year Capital Improvement Budget. The Adopted Operating and Five-Year Capital Improvement Budget for FY 2017-18 is currently being considered for the same award. It is anticipated that the review will be complete and the notification of award will be received before the FY 2018-19 budget is adopted. This national award is the highest professional recognition in governmental budgeting. To receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, an operations guide, a financial plan, and a communications device.

### **CLOSING**

We continue to see many changes in the regulatory environment for governments issuing municipal bonds. We are subject to increased surveillance and monitoring by the rating agencies and increased disclosure requirements. It is important that we continue to maintain a strong bond rating in order to obtain the best interest rates as we continue our capital improvement plan. The financial policy regarding fund balance in the City General Fund is one tool that will help us obtain the best bond rating for our government. Future recommendations regarding the sustainable use of fund balance should be considered.

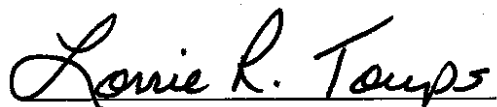

Increasing operating subsidies and unfunded mandates on the City and Parish General Funds are causing financial pressure on the revenues available to provide general governmental

July 20, 2018

services. As mentioned in previous budgets, the proposed Parish General Fund is austere. Several important services continue to be reduced to balance the Parish General Fund budget. Importance must be placed on balancing the needs of the community and the funds available to serve those needs.

I wish to thank you, CAO Lowell Duhon, Controller Melinda Felps, the Directors, CFO staff, and the award winning Budget Management staff for their assistance in preparing this document. We look forward to working with you and the Council in implementing this financial plan for the upcoming fiscal year.

Sincerely,

## Lafayette Consolidated Government 2018 - 19 Adopted Budget

## Lafayette Consolidated Government 2018 - 19 Adopted Budget

### PROPERTY TAX REVENUE LAST TEN YEARS

Property Tax Revenue is budgeted based on the assessed valuation received from the Lafayette Parish Assessor.

Parish-wide property taxes are subject to a homestead exemption of \$75,000. Taxes levied only within municipal boundaries are not subject to the exemption.

Statutory deductions from parish-wide property taxes to fund statewide retirement systems for assessors', clerks of court, sheriffs', district attorneys', and other statewide systems are budgeted as an expense under the account titled "Tax Deductions - Retirement".

The Fiscal Year 2019 Budgeted Property Tax Revenue decreased 2.73% due to an overstated estimated assessed property value for the current year.

### SALES TAX REVENUE LAST TEN YEARS

City Sales Tax Revenue is budgeted based on a slight decrease over the current year adopted budget. Parish Sales Tax Revenue is budgeted to decrease approximately 16% over the original FY 2017-2018 adopted budget.

**Lafayette Consolidated Government  
2018 - 19 Adopted Budget**

**IN LIEU OF TAX REVENUE  
LAST TEN YEARS**

ILOT is budgeted to provide approximately 22% of the City General Fund revenues. It is budgeted based on the prior years' actual calculated payment.

In Lieu of Tax Revenue (ILOT), more commonly referred to as Payment In Lieu of Tax (PILOT), is the payment made from the Utilities Department to compensate the City's General Fund for taxes and fees it would otherwise receive from a privately owned utility.

**CHARGES FOR SERVICES  
LAST TEN YEARS**

LCG is self-insured for workers' compensation, general liability, errors and omissions, automobile liability, fleet collision, and property as well as employee health. LCG's home rule charter requires all funds, including internal service funds, be included in the annual budget. Self insurance premiums total \$25.03 million and are recorded as a revenue in the internal service fund and as an expense in the fund using the service.

Charges for Services is budgeted to increase 2.54% and is primarily due to the expected increases in Self Insurance

**Lafayette Consolidated Government  
2018 - 19 Adopted Budget**

**UTILITIES SYSTEM REVENUES  
LAST TEN YEARS**

Sales of electricity, water, and wastewater are budgeted to increase 2.4% over current year projections. This increase is primarily due to an estimated 7% increase in fuel cost which is passed on to electric customers through a fuel adjustment surcharge. The increase is expected due to fluctuations in natural gas and coal prices.

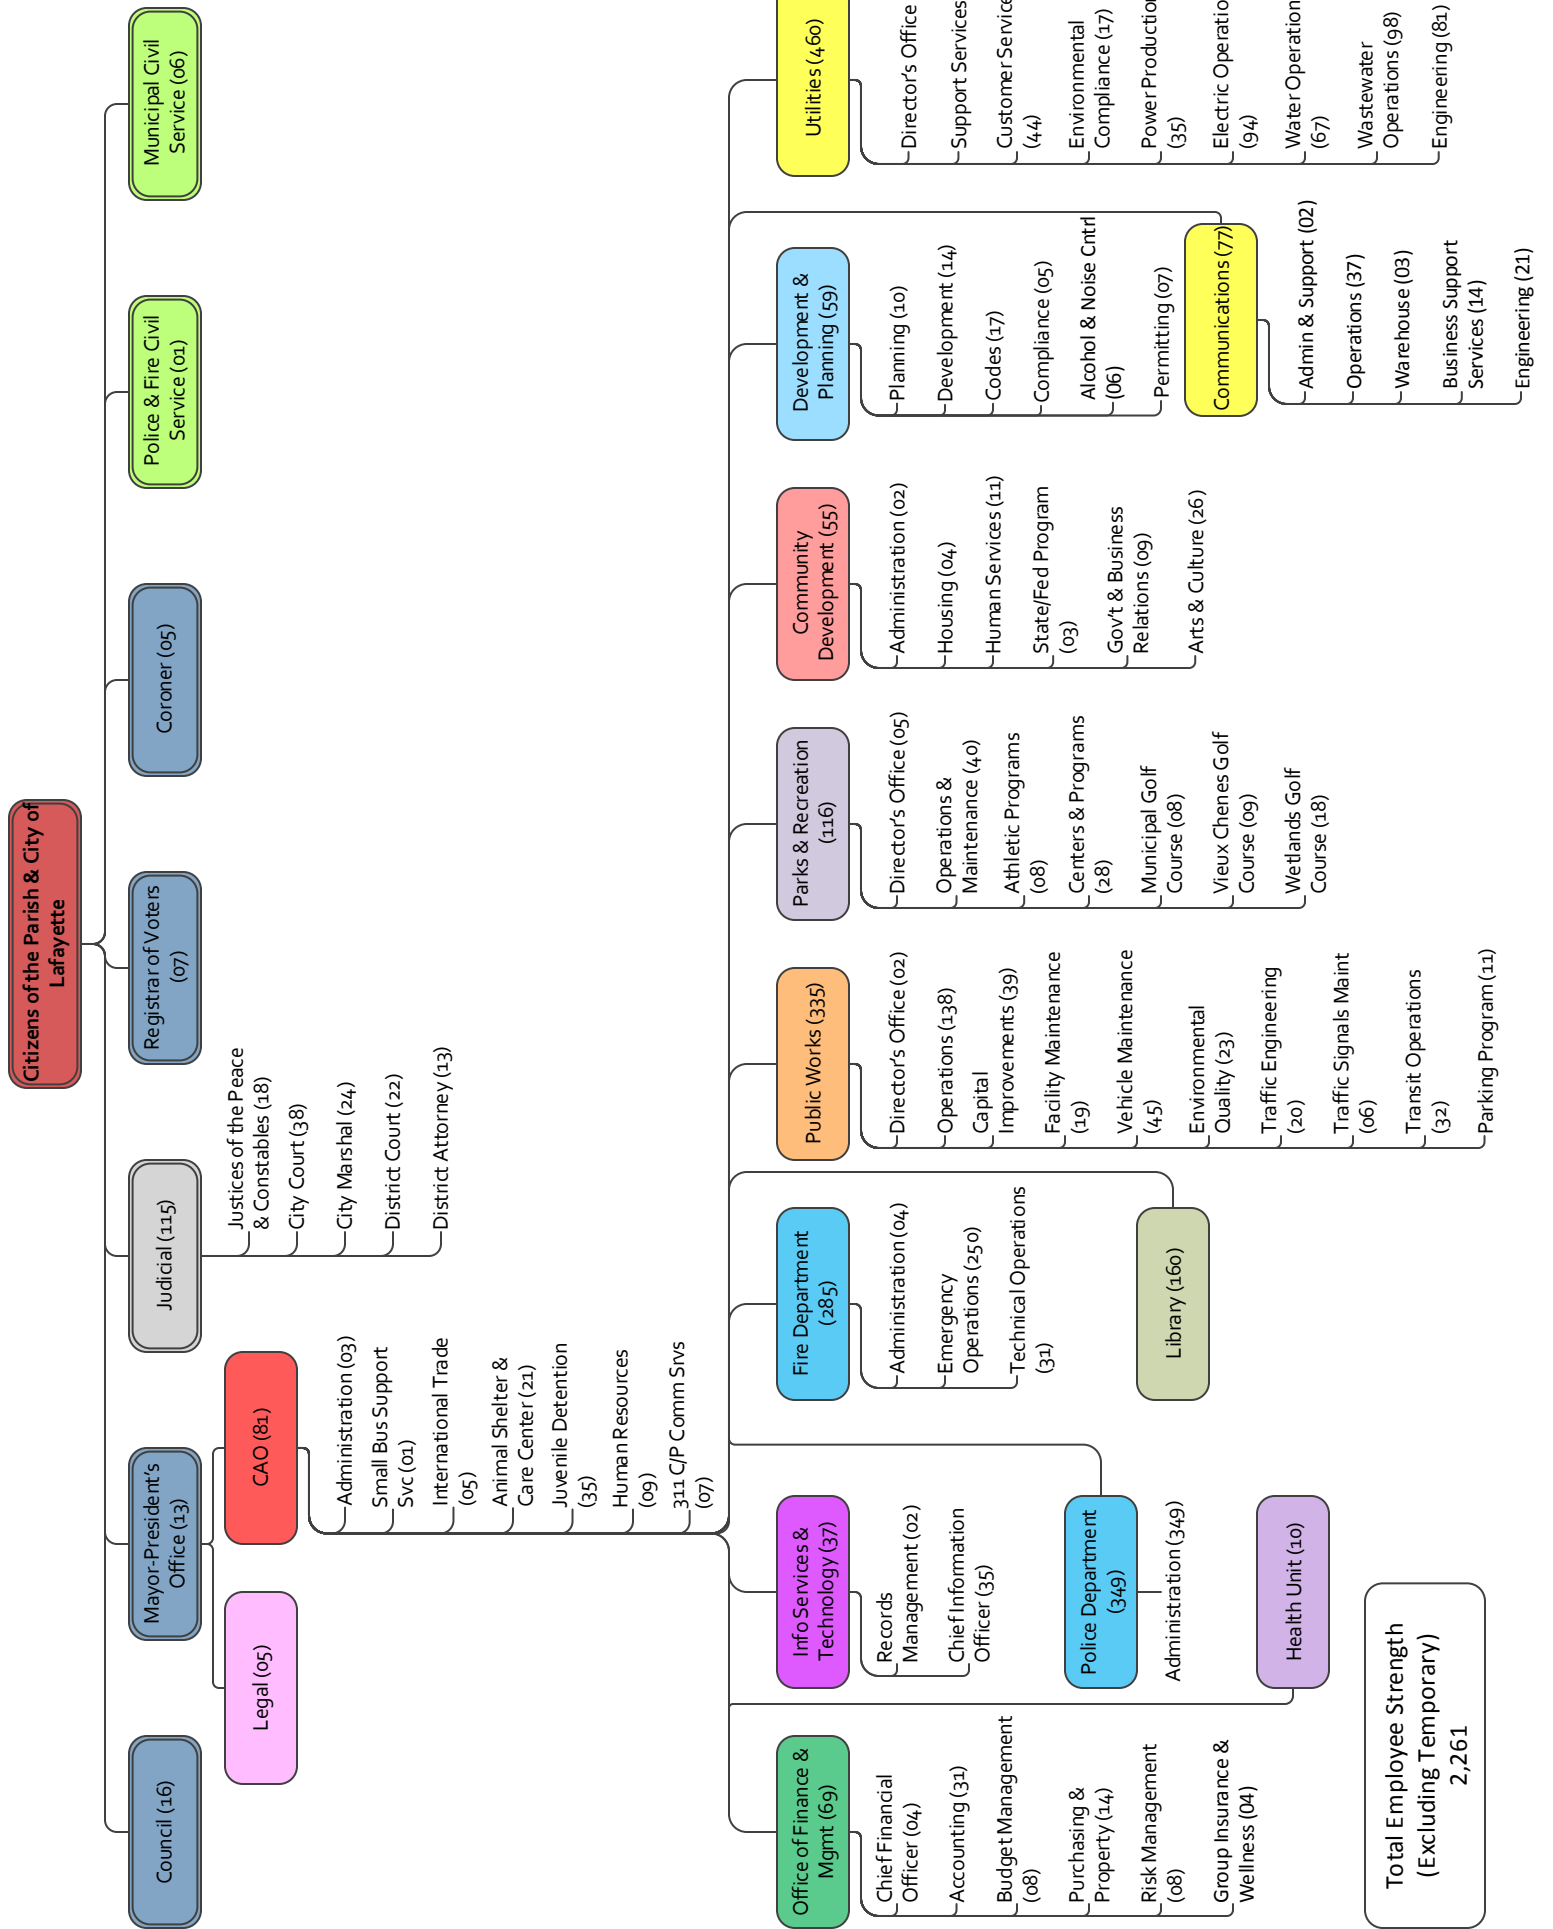

**COMMUNICATIONS SYSTEM REVENUES  
LAST TEN YEARS**

Sales of internet, cable television, and telephone are budgeted to increase 10.7% over current year projections. The system started providing retail services in 2009 and is expected to continue to grow as new customers add and transfer their service to the Communications System.

# ELECTED OFFICIALS-LEGISLATIVE/JUDICIAL/OTHER

Lafayette City-Parish Council is the governing authority of Lafayette Consolidated Government. It consists of nine members elected from single-member districts for four-year terms. Council members serve as the voice of their constituents, and along with the Mayor-President, provide leadership and direction to the various departments of the Consolidated Government.

Performance Measures and Statistical Information:

DESCRIPTION	FY 2016	FY 2017	FY 2018 ESTIMATED	FY 2019 PROJECTED
<b>Number of Council Meetings Held</b>	42	30	32	31
<b>Number of Ordinances &amp; Resolutions</b>	302	312	312	312

Justice of the Peace and Constables are independently elected officials serving six-year terms. Justices of the Peace have limited judicial authority over both civil and criminal matters. Constables are executive officials that execute processes issued by Justices of the Peace such as evictions and garnishments.

City Court has jurisdiction to hear cases that deal with the City of Lafayette municipal ordinances, traffic violations, parking violations, and cases where the amount disputed or value of the property involved does not exceed \$15,000.

City Marshal is an independently elected official and serves as the executive officer of the City Court. He executes orders and mandates of the court, makes arrests, and preserves the peace. He serves notices and summonses and executes arrest warrants issued by the court.

15<sup>th</sup> Judicial District Court has original jurisdiction over all civil and criminal matters and is the exclusive original jurisdiction of felony cases and most cases involving property.

District Attorney is an independently elected official serving six-year terms. The District Attorney prosecutes criminal cases for the parishes of Acadia, Lafayette, and Vermilion, which make up the 15<sup>th</sup> Judicial District. State statutes require the Lafayette Parish General Fund to provide funding in whole or in part for District Attorney operations within its parish borders.

Adult Correctional Center is operated by the Sheriff of the Parish of Lafayette in accordance with Louisiana state statutes. The Sheriff provides for the secure custody of all persons incarcerated. The budget of the Adult Correctional Center includes costs associated with the feeding, housing, and medical needs of inmates during incarceration.

Registrar of Voters Office is responsible for the registration of voters and for the administration and enforcement of the laws and regulations of the Secretary of State related to the registration of such voters.

Coroner's Office provides a broad and varied spectrum of technical and legal services to all of Lafayette Parish. It includes mental health, sexual assault cases, autopsies, and death investigations. The findings of the Coroner's Office can be admissible as court evidence. Other than approval of its budget through Lafayette Consolidated Government, the Coroner's Office is an autonomous Parish governing authority and is overseen by the Coroner, an independently elected official who serves four-year terms.

# ELECTED OFFICIALS-EXECUTIVE

Mayor-President is the CEO of the City-Parish Government and has general executive and administrative authority over all departments, offices, and agencies of LCG. Elected at-large to a four-year term, Mayor-President Robideaux took office on January 4, 2016. Since that time, he has pursued forward-thinking initiatives representative of the community known for its wildcatter spirit. Leveraging Lafayette Parish's talent and infrastructure for the betterment of the community, he has turned to Smart City approaches to enhance local government's ability to operate effectively and efficiently. Through bold and concentrated efforts, Mr. Robideaux works to create transparency through innovative approaches to address critical issues.

In 2017, he successfully launched a plan to rededicate a portion of an existing millage to fund deferred maintenance drainage projects in flood-prone areas of the parish. After thorough analysis of more than 60 miles of drainage needs, the rededicated funds were appropriated to 27 priority projects at an estimated \$9.6M cost, with secondary listing of 24 projects totaling more than \$11M. While the work is ongoing, the progress of the projects can be tracked online, keeping the promise of accountability and transparency.

Under Mr. Robideaux's leadership, Lafayette continues to draw positive national and even global attention, earning a spot in the 2018 Mayors Challenge along with a \$100,000 grant to develop an idea to address an urgent community issue. Lafayette's challenge is flooding and is the focus of the local project competing with 34 other Champion Cities vying for a \$5M prize or one of four \$1M prizes. Lafayette was named a 2017 Gigabit Community by the Mozilla Foundation, receiving \$150,000 in innovation grants. Throughout the past year, Lafayette's innovative spirit was also featured at Smart City conferences in Austin, Chicago and Kansas City.

In 2017 Mr. Robideaux launched the CREATE initiative (Culture, Recreation, Entertainment, Arts, Tourism, Economy) to bring attention to the importance of the local cultural economy. Recognizing the cultural economy as a leading economic driver and acknowledging the strategic investment supporting economic diversification, Lafayette Parish voters approved \$500,000 in annual funding for CREATE. Through sustained efforts, the initiative aims to further galvanize and expand commerce associated with artistic, cultural and recreational opportunities focusing on job creation and greater economic growth throughout the parish.

Mr. Robideaux continues to work towards a parish-wide no kill animal shelter and early successes show substantial improvements in euthanasia rates. In 2017, Mr. Robideaux signed a no kill ordinance, significantly lowering adoption fees and creating a feline Trap, Neuter and Return (TNR) program to humanely manage the community cat population. Mr. Robideaux recognizes the no kill approach as not only more humane, but also more cost effective by eliminating the expense of euthanasia.

In keeping to his commitment to move Lafayette forward, Mr. Robideaux is dedicated to the redevelopment and revitalization of University Avenue as a major gateway to the city and parish and the University of Louisiana. The Acadiana Metropolitan Planning Organization awarded LCG \$500,000 to fund the design and construction of a roundabout on University Avenue at Renaud Drive and develop an overall corridor plan for University Avenue. Funding will be dedicated to begin improvements such as planting trees and building sidewalks along the corridor. Through these combined efforts and with the support of the Council, Mr. Robideaux believes University Avenue can provide economic prosperity and a quality of life for those who live and work along the corridor.

Chief Administrative Officer supervises the directors and the operations of all departments, offices, and agencies of Lafayette Consolidated Government except for the Legal Department. The CAO also directly supervises Animal Control, 311 Call Center, Communications/Printing, Juvenile Detention, Lafayette International Center, Small Business Support Services and Human Resources.

# FINANCE & MANAGEMENT

Office of Finance & Management exists to oversee and manage, according to all applicable laws and standards, the Accounting, Budgeting, Group Insurance, Purchasing, Property, and Risk Management functions within LCG. The department must produce accurate and timely financial information for citizens, Council, employees, and management in order to facilitate sound decisions. In performing these functions, its staff must at all times operate within the bounds of strict fiduciary duty with regards to taxpayer assets.

## Operational and Budgeted Goals for FY19:

- During 2017, the Accounting division began the implementation of ACH vendor payments. It is the goal of the division to reduce the number of paper checks issued to vendors by 30% over the next 12 to 24 months and reduce the funds spent on office supplies such as paper and ink. Currently the project is in the final testing phase and should be fully implemented in the next two to three months.
- Group Insurance and Wellness division continues to promote wellness throughout LCG. New goals for the upcoming budget year include updating immunizations for fire fighters and police officers and working with the Louisiana Department of Health to participant in its "Well Ahead" program by working within the community to identify and meet wellness benchmarks.
- The Purchasing & Property Management division has moved its surplus property into new warehouse space. It is the division's goal to work toward holding more online auctions. Through its online auction process, the division has been able to reduce expenses incurred from on-site auctions and auction proceeds have increased from prior years.
- Risk Management with the Administration will be conducting a needs assessment of the division and the possibility of retaining a third party administrator for the processing of claims.
- Budget Management planned to begin the process of selecting and implementing new budgeting software in FY 2018. The division has selected a vendor and begun implementation. The new cloud based solution should be fully implemented in early 2019.

**Significant Changes**

- 2011-Changed method of recording sales tax. Sales tax revenue is now recorded as sales tax revenue in the funds where dedicated. Previously, sales tax revenue was recorded as a transfer in dedicated funds and recorded in General Accounts.
- 2012-Operational costs that could be directly allocated were moved to the appropriate departments.
- 2013-Group Health and Life Insurance increase due to premium rate change. Uninsured Losses increased based upon Risk Management claims report. Deleted vacant positions in an effort to conserve and strengthen fund balance.
- 2019-Decrease in General Accounts and Reserves for Risk Management. Council approved pay adjustment increasing salaries and benefits.

# INFORMATION SERVICES & TECHNOLOGY

Information Services & Technology (IS&T) handles network and infrastructure design, systems integration, operations management of all network systems, business application development, GIS services, and website design for LCG. IS&T is a full service department that facilitates the needs through current technologies and products utilizing the most sophisticated and cost effective web and computer managed services. Additional services provided by IS&T include records retention management, bulk printing, copying, mail services, as well as telecommunications coordination including a 311 Call Center.

Performance Measures and Accomplishments:

DESCRIPTION	FY 2016	FY 2017	FY 2018 ESTIMATED	FY 2019 PROJECTED
Requests for Help Desk Service	9,152	9,275	9,292	9,416
IS&T Infrastructure Projects Completed	9	14	12	11
Software Replacement & Support Projects Completed	117	119	125	130
Enterprise Resource Planning Projects Completed	11	15	12	9
GIS Projects Completed	18	5	13	6
Pages Printed by Print Shop	3,750,298	3,512,796	2,233,206	300,000
Mail Items Processed	1,437,000	1,375,456	1,109,900	300,000
<b>311 Communications Total Calls</b>	N/A	N/A	38,000	38,000

Operational and Budgeted Goals for FY19:

- To increase the capability of the LCG Infrastructure as a whole to provide improved throughput along with access to data in a secure timely manner. These improvements along with software already in place should provide for better insight and monitoring capabilities for both infrastructure and data.
- To work with Finance to expand and implement credit card acceptance through-out LCG. This is a project that began in 2018 and will continue throughout the next budget year.
- To open a 311 Call Center. The purpose of the LCG 311 Call Center is to create a centralized number for all nonemergency municipal services. Citizens will have the ability to use a simple three-digit phone number to request a service to get information they need from the local government.
- IS&T is working with LUS and other departments to outsource many of the government's printing and mailing needs.
- To consolidate several of the government's stand-alone systems (Development & Planning, Public Works, Alcohol & Noise Control) into a comprehensive tracking system where all property issues, permits, etc. are located in a centralized tracking and reporting solution.

**Significant Changes**

2010-Council approved pay adjustment. Continuing software growth related expenses.

2013-Dissolved Admin Services Department and moved Communications and Printing under CIO.

2016-Council approved pay adjustment increasing salaries and benefits. Increase in Other is primarily due to increases in Training of Personnel, Contractual Services, and Postage Charges.

2017-Decreases in salaries due to vacant positions being filled at lower rates than budgeted. Decrease in Other is primarily due to decrease in Contractual Services due to less maintenance and licensing agreements for Vendor supported software.

2019-Council approved pay adjustments increasing salaries and benefits. Division 311 City-Parish Communication Services moved under Chief Administrative Officer.

# POLICE DEPARTMENT

Police Department exists to serve the community with a sense of courage, dedication, compassion, and integrity. The department's role is to deliver professional police services efficiently and effectively through the enforcement of all state and local laws through four divisions: Patrol, Criminal Investigations, Services, and Administration.

Performance Measures and Statistical Information:

DESCRIPTION	FY 2016	FY 2017	FY 2018 ESTIMATED	FY 2019 PROJECTED
<b>Number of Stations</b>	3	4	5	5
<b>Number of Calls Answered</b>	218,820	206,448	209,000	215,000
<b>Number of Adult Arrests</b>	10,562	10,160	10,250	10,300
<b>Number of Juvenile Arrests</b>	699	661	675	680
<b>Number of Parking Violations</b>	9,115	11,817	12,000	12,500

Operational and Budgeted Goals for FY19:

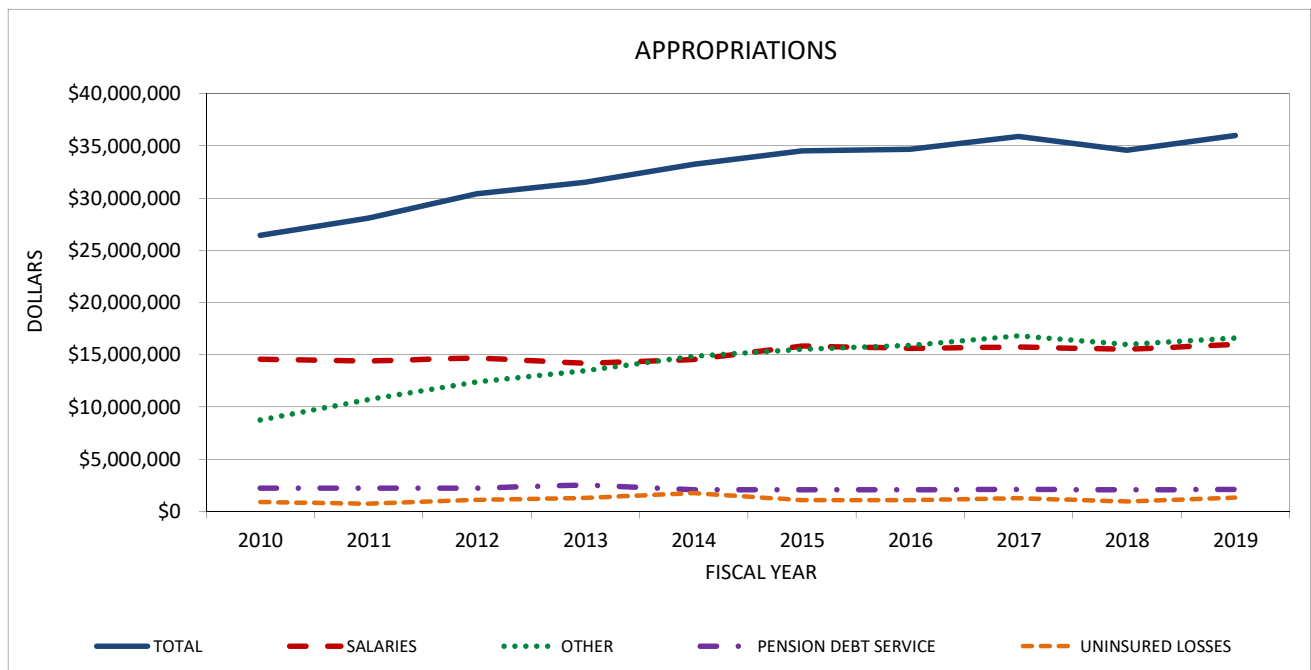

- \$250,000 has been budgeted for the relocation of the Lafayette Police Mounted Facilities. \$150,000 was approved for the FY19 budget to complete a second phase of building to include stables for the horses.
- Funding is being budgeted for Lafayette's Entertainment District and the creation of a fifth precinct. The fifth precinct will include an additional Captain, Lieutenant, and two squads, each consisting of one Sergeant and six Officers. This is being created to reduce the \$200,000 being budgeted for the downtown overtime.
- A Power Squad was created during the FY of 2018, consisting of one Sergeant and four Officers. This will create a savings in the FY 2019 budget of approximately \$20,000.

# FIRE DEPARTMENT

Fire Department exists to safeguard and reduce the dangers to life, property, and the environment of our community through innovative training, code enforcement, and prompt dispatch of a qualified fire suppression force. The department provides emergency responses to fire, EMS, accident, hazardous material, and many other critical incidents within the City and at times the Parish.

## Performance Measures and Statistical Information:

DESCRIPTION	FY 2016	FY 2017	FY 2018 ESTIMATED	FY 2019 PROJECTED
<b>Number of Fire Stations</b>	14	14	14	14
<b>Number of Volunteer Fire Departments</b>	7	7	7	7
<b>Number of Calls Answered</b>	8,752	8,857	8,950	9,000
<b>Number of Inspections Conducted</b>	2,719	2,548	2,450	2,500

## Operational and Budgeted Goals for FY19:

- To improve the health and wellness program for firefighters by providing applicable health screenings. Firefighters are continuously exposed to cancer related toxins during hazardous situations. The department budgeted \$24,000 in the FY18 budget for the program to include certain tests to perform possible cancer markers in their early stages. The medical screenings have been completed. The health and wellness education and awareness program will continue into FY19.
- To increase the amount of fire inspections performed on commercial buildings annually. The telecommunications budget was increased to \$22,000 in FY 18 to add Wi-Fi connectivity to the tablets utilized by the fire inspectors while in the field conducting code enforcements. The internet connection provides inspectors direct access to the fire department's records management system and allows for the increase in inspections and reduces the time spent in an office. The internet connectivity was achieved via MiFi for inspector tablets during the current fiscal year.

# PUBLIC WORKS

Public Works is primarily responsible for construction and/or maintenance of streets and drainage as well as maintenance of over 100 LCG-owned buildings and more than 1,750 pieces of equipment. Public Works also provides engineering design support services for other departments (except LUS).

Traffic & Transportation is a function of Public Works that is tasked with planning and executing the safe, convenient, and efficient movement of persons and goods through transportation modes of walking, biking, transit, and auto use throughout the Parish. Initiatives for FY17 and FY18 included replacing at least 50% of the city's parking meters with new digital meters that will be able to accept credit cards. This initiative is still on-going. Parking meter replacements have begun and are expected to be completed in FY19. For FY19, research will begin into the implementation of a mobile parking payment system. As these projects go forward, it is expected to streamline parking and increase revenues.

Environmental Quality enforces local ordinances with respect to environmental issues such as overgrown private property and illicit discharges, as well as oversees the residential solid waste contracts. In fiscal year 2018, EQ coordinated with the government's solid waste contractor to ensure unincorporated residents were signed up for garbage collection services. This project is on-going. A program to reduce illegal dumping the Parish has begun and will continue throughout FY19. An agreement has been signed and budgeted which provides surveillance cameras, equipment and monitoring capabilities. These cameras will be placed strategically in known dumping sites and monitored. Evidence provided by the camera system will be used in the prosecution of illegal dumpers. For FY19, EQ has budgeted amounts for a new campaign to combat littering and encourage correct uses for curbside collection and composting.

Current Year Statistics and Accomplishments for all Public Works Divisions:

## **Drainage**

- Approximately 2,268 Requests for Service received resulting in 1,638 requests closed and completed.
- The Division maintains approximately 1,400 miles of roadside and 300 miles of subsurface drainage and 870 miles of improved and unimproved coulees throughout the City and Parish.

## **Environmental Quality**

- Household Hazardous Waste Day: Collected 46.8 tons of chemicals, repurposed to Habitat for Humanity 1,190 gallons of latex paint, and collected 26.23 tons of E-waste.
- Trash Bash (2018): Collected 15 cubic yards of trash
- Service Requests: resolved 5,587 curbside collection issues, received 4,425 requests for code enforcement property issues, performed 104 inspections for non-construction related storm water issues, and performed 3,139 new construction and follow up inspections.

## **Facilities Maintenance**

- Responded to over 1,200 Requests for Service as part of the Division's on-going maintenance of over 100 LCG buildings.

## **Streets**

- 2,856 Requests for Service received, resulting in 2,032 requests completed.
- The Division maintains approximately 1,790 miles of streets, 400 bridges and related structures, and 480 miles of sidewalks

## **Vehicle Maintenance**

- The Division completed 6,145 mechanic shop repair orders and 1,925 oil changes. These activities resulted in 15,850 individual jobs for major mechanical repair and preventative maintenance. In the remaining months of FY18 and into FY19, mechanics and other vehicle maintenance staff will receive additional training and education on the repair and maintenance of the more specialized equipment being utilized by LCG.

## **Capital Improvements**

- The Division completed 23 capital improvement projects totaling \$20,351,000.
- There are 153 current projects totaling \$341,193,000.

## **Traffic and Transportation**

- Completion of St. Mary Street and Garfield Street bike lanes.
- Completion of 5,000 traffic sign work orders to maintain 50,000 traffic signs.
- Completion of approximately 1,000 traffic signal work orders to maintain 190 traffic signals.
- Operation of 12 Transit routes as well as Night Owl and Paratransit Services.
- Operation and maintenance of 2 parking garages, 618 parking meters, and enforcement of restrictions.

# PARKS & RECREATION

Parks & Recreation exists to provide the citizens of Lafayette Parish the opportunity to participate in a wholesome environment in which they can experience a leisure time that is diversionary in character, and to assist in promoting entertainment, pleasure, relaxation, and rewarding physical and mental development. The department oversees 35 parks, 10 recreation centers, 4 swimming pools, 3 golf courses, 2 tennis centers, and numerous athletic fields.

## Performance Measures and Statistical Information:

DESCRIPTION	FY 2016	FY 2017	FY 2018 ESTIMATED	FY 2019 PROJECTED
<b>Youth Participation in Sports Programs</b>	24,292	21,021	22,000	22,000
<b>Youth Participation in Special Events</b>	17,968	17,533	17,533	18,000
<b>Therapeutic Recreation Participation</b>	7,687	10,246	10,000	10,500
<b>Adult Participation in Sports Programs</b>	9,510	8,918	9,000	9,100

## Operational and Budgeted Goals for FY19:

- During FY18, Parks & Recreation began the process of replacing mercury vapor lighting in the gymnasiums. This change along with installation of dimmer switches and climate control measures within the recreations center will help to reduce the utility costs within Parks & Recreation. The project is currently in the design stage and it is anticipated that it will be complete early in FY19.
- Parks & Recreation, in FY18, began looking at ways to reduce the transportation costs within the Department over the course of the year. As part of the process in meeting this goal, employees were assigned to crews in order to work together to accomplish daily duties and thus reducing the need for individual travel to and from parks. Currently, the Department is monitoring the data to evaluate the cost savings of this move. Although it has improved efficiency in servicing the parks.
- During the upcoming FY19, the Department will be reviewing and identifying chemicals, materials, and supplies that can be placed for bid with the objective of reducing costs by making bulk purchases through a contracted supplier.

# COMMUNITY DEVELOPMENT

**Community Development** is a multi-faceted department which provides services that enhance the physical, social, economic, educational, and cultural conditions of the jurisdiction of Lafayette Consolidated Government, ensuring that the services provided are intentional and aligned with the needs of the community of Lafayette Parish. The department staff has made a conscious effort to increase outreach efforts and to create awareness about the many services provided by Community Development. The department hosts an annual Community Development Week where each division is highlighted through public events and programs.

**Housing and Federal Programs** division manages federal grant programs that focus on providing affordable housing; one of the highest priority needs within the Parish. Activities which assist current homeowners or increase homeownership are given first consideration. First funded are Community Development's own in-house programs and then non-profit agencies that offer similar high priority programs are provided with HUD funding in order to maximize the impact to LCG's citizens. The department provides programming to assist families with home loans for first-time homebuyers and loans for housing rehabilitation. The Minor Rehab program performs minor home repairs including handicap accessibility, exterior painting, and installation of safety equipment, etc. for income eligible homeowners in the Parish. Over the past year, the department completed the expenditure and reporting for multiple state and federal grants aimed toward aiding the elderly, homeless prevention, emergency sheltering, and other community projects. The Housing and Federal Program division submits grant applications and administers grant awards for numerous LCG departments, including the External Agency Funding Program, which funds local area Arts and Culture and Social Services agencies.

**Human Services** division provides several community related services including operation of three Senior Centers each conducting social, health and wellness, and educational services to participants, all free of charge, to residents who are 55 years of age or older. On average, 3,100 seniors participate in activities each month at the Greenhouse, the Senior Art Studio, and the Rosehouse. Neighborhood Counseling Services provides one-on-one counseling and educational workshops to citizens on a wide range of housing related topics to income eligible homeowners and prospective homebuyers.

**Arts and Culture** division provides cultural, entertainment, and educational opportunities to the citizens of Lafayette Parish and its visitors. Included in the Arts and Culture division is the Heymann Performing Arts and Convention Center, the Lafayette Science Museum, and Acadiana Park Nature Station. Some of the accomplishments of the past year for the Arts & Culture division are:

- The Heymann Performing Arts Center underwent a parking lot renovation, marquis installation, and convention upgrades.
- The Lafayette Science Museum unveiled the "Energy Unearthed" Exhibit in partnership with LAGCOE and UL School of Geosciences.
- The Lafayette Science Museum entered into an agreement with Big Boy Toys to open a retail store in the facility.
- The Acadiana Park Nature Station celebrated their 40<sup>th</sup> Anniversary with special activities which included a Bird Watch and Butterfly Walk.

## **Budget Goals:**

- It is a goal to enhance the overall Community Development Department's capacity to compete for more grant opportunities from diverse streams of funding sources and thus have increased the amount of expenses for staff training in capacity-building and grant writing. Over the past year, Community Development staff has participated in intensive grant training which has resulted in increased grant applications for the Acadiana Park Nature Station and the Lafayette Science Museum (LSM). LSM was awarded a grant which funded the Coastal Quest virtual reality game.
- It is a goal to increase the number of customers to the Heymann Performing Arts & Convention Center and thus have increased the amount of expenses for increased marketing for events and sponsorship opportunities.

# DEVELOPMENT & PLANNING

Development & Planning, formerly Planning, Zoning, and Development, serves those who want to enhance neighborhoods, develop property, and do business in Lafayette Parish. These functions are spread across six divisions: planning, development, codes, compliance, permitting, and alcohol and noise control.

The FY19 budget reflects several organizational changes. These changes will allow the department to adapt to ensure Lafayette follows sound planning principles in its growth, administers its rules efficiently and fairly, and maintains its neighborhoods and property.

First, the Flood Plain Manager will report directly to the department director at the beginning of the new fiscal year. Lafayette Consolidated Government continues to recover from the flooding of 2016, and elevating this position allows more collaboration across departments for effective flood plain management.

Permitting, a longtime function of the Codes Division, will become a standalone division in the 2018-2019 fiscal year. The desire to create a “one stop shop” for permitting has long been a goal of LCG, and this important step will allow a focus on smooth permitting across government so that those seeking to do business in Lafayette have a primary point of contact to get up and running.

Finally, in the continuation of the cross-certification of inspectors, this year’s budget dissolves the sections for each trade and creates a Deputy Building Official to coordinate inspections across properties. This position will be responsible for scheduling all inspections and increasing the efficiency of inspections across the community.

**Goals and Progress:**

In late 2017, the department engaged in planning session to refine the priorities of the department and set goals for the upcoming year. The three pillars of the department’s work are to provide excellent customer service, improve access to information, and facilitate better planning. The goals set for 2018 were divided across these areas and included continued staff training, improved communications, and updating several regulations. These goals continue into 2019. The full plan can be found here, and as of the printing of this budget document, approximately half of the activities have been accomplished or significant progress has been made:

Municipal Civil Service serves to represent the public's interest in matters of personnel or human resources administration by providing the best qualified individuals for open positions through fair and equal opportunity of employment to all candidates, setting policies and procedures for employment activities to protect employees, and providing guidance and direction in the selection, promotion, and wages of classified employees where applicable. The division's goals remain consistent with its mission statement by consistently seeking out opportunities for training and application of better methodologies for compensation and examination principles. The Civil Service System was created under Section 4-15 of the Home Rule Charter for Lafayette City-Parish Consolidated Government.

Police & Fire Civil Service administers an effective, cost-efficient civil service system based on merit, efficiency, fitness, and length of service, consistent with the law and professional standards for police officers and fire fighters. Police & Fire Civil Service is required under Louisiana state statutes for large municipalities.

Health Unit is a private company categorized under State Government Public Health Programs and is responsible for administering public health programs.

Cooperative Extension Service offers educational opportunities including online and in-person classes, seminars, workshops, field days, publications, and news releases. In addition, extension agents provide one-on-one advice and, increasingly, use the Internet to disseminate educational information. Educational topics covered include the use of agriculture and natural resources, lawns and gardens, environmental protection and resource conservation, family life, health and nutrition, housing and emergency preparedness, and youth development through the 4-H program.

Library mission is to enhance the quality of life of our community by providing free and equal access to high-quality, cost-effective library services that meet the needs and expectations of our diverse community for information, life-long learning, recreation, and cultural enrichment. The Library's budget for FY19 reflects its goal of expanding service to the community. Funds have been added for the operation of the new West Regional Library and the new Bookmobile, both of which will begin providing service in FY19. The Library continues to make budgetary amounts available to provide new and expanded on-line resources available to patrons 24/7 that include computer software training for adults, self-publishing tools for writing and creative works, and learning/tutoring resources for children and teens

# UTILITIES

Lafayette Utilities System (LUS) is a publically owned and operated utility; which provides reliable and affordable electric energy, safe and clean drinking water, and environmentally sound wastewater. LUS fulfills its mission of “Improving The Way You Live” with a high standard of customer service and solid investments in the community through support of local organizations and the citizens of Lafayette to make Lafayette a better place to live, work, and play.

As a municipal provider of electric, water and wastewater services, LUS is committed to strong financial management and prudent rate-setting. This commitment has allowed for continuous system improvement while keeping customer rates low and maintaining strong scores from all major bond rating agencies. For the 2019 fiscal year, the goals of LUS include, but are not limited to, providing the following:

- Safe and reliable service: LUS customers have grown accustomed to the least number of outages, in terms of both frequency and duration of outage, in the state. For the 2019 year, LUS has budgeted \$9.3M for its Transmission and Distribution division as part of the effort to ensure the continuity of sound operation and maintenance of the electric system.
- Customer Service: LUS customers expect top-notch, courteous service and accurate billing information. For the 2019 year, LUS has budgeted \$4.6M to provide high quality customer service at two locations in the City of Lafayette. These locations handle an average of over 30,000 walk-in transactions per month.
- Employee Development: LUS places high value on the continuous training and development of its workforce, averaging over 13,000 man-hours of training per year, which includes rigorous safety training and other vital certifications.
- An administrative order from the United States Environmental Protection Agency (EPA) mandates that wastewater systems incorporate Capacity, Management, Operation and Maintenance (CMOM) guidelines into their wastewater collection activities. The ultimate goal of CMOM is to ensure that discharges from treatment facilities are free from pollutants. For the 2019 year, LUS has budgeted over \$1.5M to comply with CMOM requirements.

## LUS ELECTRIC KWH SALES TEN YEAR HISTORY

In December 2013, the Lafayette Utility System joined the Midcontinent Independent System Operator (MISO). All of LUS's Energy Requirements are purchased from MISO and it sells energy to MISO based upon economic dispatching. For reporting purposes, the revenue from MISO Sales are netted against the MISO Purchased Power Cost. Wholesale KWHs represent sales to MISO and Retail represents KWHs purchased from MISO and sold to LUS retail customers.

# COMMUNICATIONS SYSTEM

Communications System also referred to as LUSFiber, is the telecommunications department of LCG and currently operates one of the nation's largest municipal Fiber-To-The-Home networks. The system is composed of more than 700 miles of glass fiber and provides residents and businesses access to video, Internet, and phone services over the world's leading broadband technology. Currently, LUS Fiber provides the fastest residential Internet in the nation and the lowest priced residential Internet in the state.

Due to the competitive and sensitive nature of the telecommunications industry, only certain performance measures are included. However, it can be stated that LUSFiber has over 40% market share and continues to grow. It has been cited as an example of community broadband success by the previous chairman of the Federal Communications Commission and mentioned by the President of the United States during announcements he made about broadband policy.

Louisiana Revised Statutes limit the Parish's General Obligation bonded debt for other purposes to 10% of the assessed valuation of the taxable property for a single purpose with no limit on the number of purposes. The City may issue general obligation bonded debt in excess of 10% of the assessed valuation of the taxable property for any single purpose provided that the aggregate for all such purposes (determined at the time of issuance of the bonds) does not exceed 35% of the assessed valuation of the taxable property of the City.

*CEC* – Coroner’s Emergency Certificate; a mental health commitment document.

*CERTIFICATES OF INDEBTEDNESS* – A debt instrument similar in force and effect as a bond, though typically issued by a government or bank and not secured by any specific property or revenue.

*CFO* – Chief Financial Officer

*CIO* – Chief Information Officer

*CMN* – See definition for COMM.

*CNG* – Compressed Natural Gas

*CODE* – Another term for Account; the internal LCG number assigned to all accounting items for tracking in its financial record system.

*COGS* – Cost of Goods Sold; an income statement figure which reflects the cost of obtaining raw materials and producing finished goods that are sold to consumers.

*COMM* – LUSFiber; the Communications System Department of LCG (also referred to as CMN). The department that is responsible for Internet, cable television, and telephone services.

*COMPREHENSIVE PLAN* – *PlanLafayette*; A parish-wide initiative to develop a vision and action plan for Lafayette for the next 20 years. This is a long-range strategy or “guidebook” for community growth, development, and redevelopment. This plan will be used to formulate public policy in terms of transportation, utilities, land use, recreation, and housing by using the community’s goals and aspirations for a future Lafayette.

*COST OF ISSUANCE* – All expenses associated with the sale of bonds. These can include legal fees, printing costs, and rating agency fees among others.

*COULEE* – Small drainage canal.

*CY* – Current Year; for LCG, the current year is the current fiscal year. See Fiscal Year definition for more information.

*CREATE* – Culture, Recreation, Entertainment, Arts, Tourism, and Economy; this is a program begun by LCG’s Mayor-President to celebrate, support, and grow the Lafayette Parish creative community and enhance its potential as a lead economic driver.

*DDA* – Downtown Development Authority

*DEBT SERVICE* – The periodic repayment of principal and/or interest on borrowed funds.

*DEBT SERVICE FUND* – Governmental fund type used to account for the accumulation of resources for and the payment of general long-term debt principal and interest.

*DEDICATED FUNDS* – Funds collected from a specific revenue source that must be appropriated for a specific expenditure.

*DEPARTMENT* – A major administrative unit of LCG which indicates overall management responsibility for an operation or a group of related operations within a functional area and the level at which the budget is adopted.

*DEPRECIATION* – The expensing of an asset’s capital value over its estimated useful life to take into account normal usage, obsolescence, or the passage of time.

*DEQ* – Department of Environmental Quality

*DIVISION* – An organizational unit that indicates management responsibility for an operation or group of related operations within a functional area, subordinate to the department level of the organization.

*DP* – Development & Planning; a department of LCG. Formerly known as Planning, Zoning, & Development.

*ECI* – Evangeline Corridor Initiative; the branded name of a grant project which centers around neighborhood revitalization and planning along the future Interstate 49 connector (currently known as Evangeline Thruway).

*ENTERPRISE FUND* – A fund established to account for the operations and financing of self-supporting activities of a governmental unit that renders services on a user charge basis to the general public, similar to private business. The following funds operate on an enterprise basis: Lafayette Utility System (LUS), Communications System (LUSFiber), Environmental Quality, CNG Service Station, and Lafayette Public Power Authority.

*EPA* – Environmental Protection Agency

*EVANGELINE CORRIDOR INITIATIVE* – See ECI.

*EXPENDITURE* – The payment of cash on the transfer of property or services for the purpose of acquiring an asset, service, or settling a loss.

*EXPENSE* – Charges incurred (whether paid immediately or unpaid) for operations, maintenance, interest, or other charges.

*EXTERNAL APPROPRIATION* – (*EXT APP*) An authorization for expenditure by a non-governmental organization to provide a public service.

*EQ* – Environmental Quality; a division of LCG’s Public Works Department.

*FD* – Lafayette Fire Department

*FD BAL* – Fund Balance

*FHWA* – Federal Highway Administration; a federal grant received by LCG.

*FIDUCIARY FUND* – Funds used to report assets held in a trustee or agency capacity for others and which therefore cannot be used to support the government’s own programs.

*FISCAL YEAR* – (*FY*) Any yearly accounting period, regardless of its relationship to a calendar year. The fiscal year for LCG begins on November 1 of each year and ends on October 31 of the following year. For example, FY 2018/2019 begins on November 1, 2018 and ends on October 31, 2019.

*FMV* – Fair Market Value; the estimated price of an asset that a willing buyer would buy such asset from a willing seller when: (1) both are unrelated, (2) know the relevant facts, (3) neither is under any compulsion to buy or sell, and (4) all rights and benefits attributable to the item are included in the sale. FMV is generally the basis for tax assessment.

*FTA* – Federal Transit Administration; a federal grant received by LCG.

*FTHB* – First Time Homebuyers program; an assistance program offered to the citizens of LCG aiding in the expense of down payment and closing costs for home ownership. Primary for eligibility, applicants must not have owned a home in the last three years.

*FUND – (FD)* An independent fiscal and accounting entity with a self-balancing set of accounts segregated to carry on specific activities or obtain certain objectives.

*FUND BALANCE* – The difference between the assets and liabilities of a fund. Fund balance is terminology that is applicable to “fund level” reporting of individual governmental funds and is based on the modified accrual basis of accounting. It is used as a measure of the amount available to budget or spend in the future.

*GAAP* – Generally Accepted Accounting Principles; the common set of accounting principles, standards, and procedures that governments and private companies use to record financial transactions and compile their financial statements. These principles are a combination of authoritative standards (set by policy boards such as GASB) and commonly accepted ways of recording and reporting accounting information.

*GASB* – Government Accounting Standards Board

*GENERAL FUND* – This fund is one of the five governmental fund types and typically serves as the chief operating fund of government. The General Fund is used to account for all financial resources except those required to be accounted for in another fund. As required by the Home Rule Charter, LCG maintains two separate and distinct general funds; one for the City of Lafayette and one for the Parish of Lafayette.

*GFOA* – Government Finance Officers Association; a professional organization established to assist in the professional management of government by developing and identifying financial policies and best practices through education, training, facilitation of member leadership, and networking.

*GOVERNMENTAL FUNDS* – Funds generally used to account for tax-supported activities. There are five different types of governmental funds; general funds, special revenue funds, debt service funds, capital project funds, and other general purpose funds.

*GRANT* – A financial award given by the federal, state, local government, or private organization to fund a specific purpose or project.

*GRANT MATCH* – LCG’s required contribution towards a grant funded purpose or project. Grant match is typically made up of cash or in-kind support (i.e. goods, services, or other things of value) or a combination of both.

*HAZ MAT* – Hazardous materials

*HOME RULE CHARTER* – Home rule is the power of a local city or parish to set up its own system of self-government without receiving a charter from the state. The Home Rule Charter is, in essence, a local constitution which lays down the basic structure and laws of the locality.

*HPACC* – Heymann Performing Arts and Convention Center; a part of the Arts and Culture Division in the Community Development Department.

*ILOT* – In Lieu of Tax

*INDIRECT COST* – A cost necessary for the functioning of the organization as a whole but which cannot be directly assigned to one service.

**\*\*ORDINANCE NO. O-122-2018**

**AN ORDINANCE OF THE LAFAYETTE CITY-PARISH COUNCIL AND THE LAFAYETTE PUBLIC UTILITIES AUTHORITY ADOPTING AN OPERATING & FIVE-YEAR CAPITAL IMPROVEMENT BUDGET OF REVENUES AND EXPENDITURES FOR THE LAFAYETTE CITY-PARISH CONSOLIDATED GOVERNMENT FOR THE FISCAL YEAR BEGINNING NOVEMBER 1, 2018 AND ENDING OCTOBER 31, 2019**

**BE IT ORDAINED** by the Lafayette City-Parish Council and the Lafayette Public Utilities Authority, that:

**WHEREAS**, in accordance with all applicable provisions of the Home Rule Charter of the Lafayette City-Parish Consolidated Government, the Lafayette Mayor-President has submitted to the Lafayette City-Parish Council and the Lafayette Public Utilities Authority the Proposed FY 2018-2019 Operating and Five-Year Capital Improvement Budget including the budget of the Utilities Department along with the Communications Services Division; and

**WHEREAS**, in accordance with all applicable provisions of the Home Rule Charter of the Lafayette City-Parish Consolidated Government, including but not limited to Section 4-07, the Lafayette Public Utilities Authority must approve the budget of the Utilities Department including the Communications Services Division; and

**WHEREAS**, the Lafayette City-Parish Council and the Lafayette Public Utilities Authority have taken under consideration the study of said Proposed Operating and Five-Year Capital Improvement Budget including the budget of the Utilities Department along with the Communications Services Division; and

**WHEREAS**, the Lafayette City-Parish Council and the Lafayette Public Utilities Authority now desire to reorganize the Utilities Department by removing the Division of Communications Services from within the Utilities Department and establishing it as a separate department, hereinafter named the Communications System Department, and establishing an

operating and five-year capital budget for the newly created Communications System Department.

**NOW, THEREFORE, BE IT FURTHER ORDAINED** by the Lafayette City-Parish Council and the Lafayette Public Utilities Authority, that:

**SECTION 1:** All of the aforescribed “Whereas” clauses are adopted as part of this ordinance.

**SECTION 2:** In accordance with the applicable provisions of the Home Rule Charter of the Lafayette City-Parish Consolidated Government, including but not limited to Sections 5-01 through 5-03, inclusive, and in accordance with Sections 2-11 through 2-13, inclusive, of said Home Rule Charter of the Lafayette City-Parish Consolidated Government, the Lafayette City-Parish Council and the Lafayette Public Utilities Authority do hereby approve the said Proposed Operating and Five-Year Capital Improvement Budget as amended in the attachments hereto and which are made a part hereof and which will be identified in said final document under the title “Adopted Operating & Five-Year Capital Improvement Budget FY 2018-2019.”

**SECTION 3:** In accordance with all applicable provisions of the Home Rule Charter of the Lafayette City-Parish Consolidated Government, including but not limited to Section 4-07, the Lafayette City-Parish Council and the Lafayette Public Utilities Authority do hereby approve the said Operating and Five-Year Capital Improvement Budget of the Utilities Department and the newly created Communications System Department in the attachments hereto and which are made a part hereof and which will be identified in the final document under the title “Adopted Operating & Five-Year Capital Improvement Budget FY 2018-2019.”

**SECTION 4:** The following qualifications shall apply to the implementation and administration of the adopted budget:

- A. State law requires that certain firemen be given a two (2%) percent longevity salary increase. Accordingly, the pay reserve included herein for eligible fire personnel shall be deemed to include the two (2%) percent “longevity” salary increase required by State law for the fiscal

year 2018-2019. Said pay adjustment will be effective no sooner than the first day of the first full pay period in fiscal year 2018-2019.

- B. No Departmental Director or agency of Lafayette City-Parish Consolidated Government shall be with authority to exceed appropriation levels which are identified departmentally within the budget adopted for the fiscal year without approval of the Lafayette City-Parish Council by ordinance.
- C. Inasmuch as the limited wording of any budget ordinance cannot cover all mathematical computation, narrative circumstances resulting from salary and other appropriation adjustments, the Chief Financial Officer, through the Lafayette Mayor-President, is authorized and directed to comply with the dictates and intent of the adopted budget through whatever means he or she deems to be prudent and necessary and in order to ensure that a balanced budget is adopted. Upon completion of budget finalization work each year, the Chief Financial Officer, through the Lafayette Mayor-President, shall prepare a written report to the Lafayette City-Parish Council detailing the amount and nature of any adjustments required to implement the adopted budget.
- D. Lafayette City-Parish Consolidated Government's budget and accounting practices assign to each department an amount designated as "Uninsured Losses" representing amounts to be transferred from each of the departments to the City-Parish Risk Management Program for uninsured losses incurred by the department. Such appropriations labeled "Uninsured Losses" shall not be transferred to any other line item in any department having such an appropriation.
- E. Salary appropriations for filled positions adopted in the annual budget shall be considered encumbered upon the implementation of the adopted budget.
- F. Salaries-Promotion Costs Line Items: Certain promotion costs have been funded in a special salary account entitled "promotion costs" and assigned the account code "50300" within each department. Whenever an intra-departmental promotion occurs, an administrative budget revision may be effected to move the salary and benefit costs to the appropriate line items for that division and to amend the Manning Table for the personnel position changes effective with the date of the promotion. No promotion date shall be before the first full pay period of the new fiscal year. Such changes to the budget shall be effected by administrative budget revision, a copy of which should be provided to the Office of the Clerk of the Lafayette City-Parish Council.
- G. Overtime Line Items: Where additional overtime by existing employees is required to fulfill the duties of vacant positions, funds necessary to pay salaries for the same may be moved from the salary account allocated for the vacant position to an overtime line item for that division, provided, however, that the funds moved to the overtime line item shall not reduce funds available for the vacant position to less than the amount that would be required to fill the vacant position for the remainder of the fiscal year. Such changes in the salary account and the overtime line item shall be accomplished by administrative budget revision, a copy of which should be provided to the Office of the Clerk of the Lafayette City-Parish Council.
- H. The general amendments may include changes to existing work orders in the FY 2017-2018 budget. Those changes are reflected in a separate column, if applicable, on amended

budget the changes so reflected and the Chief Financial Officer is authorized to effect the required budget changes.

- I. The amounts allocated herein for External Agencies (Arts & Culture, Social Services and ACA Grant) shall only be disbursed upon the approval of the Lafayette City-Parish Council based on recommendations submitted to the Lafayette City-Parish Council. The Lafayette Mayor-President is directed to develop and present to the Lafayette City-Parish Council an appropriate ordinance to amend the existing ordinance relative to the funding of external agencies in order to incorporate the spirit of this section.
- J. Whereby changes to existing work orders in the Five-Year Capital plans may be required to fulfill the adopted FY 2018-2019 Five-Year Capital Improvement Budget, such changes are reflected in the capital outlay budget column titled "Existing Work Order Changes." This ordinance will serve to approve and amend in the current FY 2017-2018 budget the changes reflected in that column and the Chief Financial Officer is authorized to effect the required budget revision if applicable.
- K. The reorganization plans submitted to remove the Information Services Operations Division from within the IS & T Department, rename it 311 City/Parish Communication Services and move it under Elected Officials Executive Chief Administrative Officer, are hereby approved as submitted and identified herein as Exhibit 1 attached.
- L. The reorganization plans submitted to remove the Division of Communications Services from within the Utilities Department and establish it as a separate department, hereinafter named the Communications System Department, and to create a Director position and a Director's Executive Secretary position, are hereby approved as submitted and identified herein as Exhibit 2 attached.
- M. The amounts allocated herein for Retirement Equalization shall be limited to a plan to be established under Internal Revenue Code (IRC) Section 414(d), a governmental deferred compensation plan under IRC Section 401(a) retirement plan established and maintained for a designated class of appointed, exempt employees, limited to the Clerk of the Council, Directors, and the Chief Administrative Officer.

**SECTION 5:** Certain activities and services are jointly provided and funded in the Adopted Operating & Five-Year Capital Improvement Budget with City of Lafayette funds and/or with Parish of Lafayette funds, and it is intended that the cost of such services and activities be shared equitably as set forth in the Allocation Schedule included in the "Budget Overview" section of the Adopted Operating & Five-Year Capital Improvement Budget. The Allocation Schedule reflects the financial obligations of the City and Parish funds for such services and activities, and the Chief Financial Officer, through the Lafayette Mayor-President, is authorized and directed to make such periodic transfers as necessary to comply with such

schedule. It is agreed and understood that such transfers will be made by applying the percentages set forth in said Allocation Schedule to the final adopted budget amounts.

**SECTION 6:** If any one of the provisions of this ordinance or the application thereof to any person or circumstance is held invalid or unconstitutional, such invalidity or unconstitutionality shall not affect other provisions or application of this ordinance which can be given without the invalid provision or application, and, to this end, the provisions of this ordinance are declared severable.

**SECTION 7:** All ordinances or resolutions, or parts thereof, in conflict herewith are hereby repealed.

**SECTION 8:** This ordinance shall become effective upon signature of the Lafayette Mayor-President, the elapse of ten (10) days after receipt by the Lafayette Mayor-President without signature or veto, or upon an override of a veto, whichever occurs first.
