The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to Lafayette Consolidated Government, Louisiana for its Annual budget beginning November 1, 2016. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device.

This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

INTRODUCTION

INTRODUCTION

This introduction and guide is designed to assist the reader in gaining an overview of Lafayette as well as aid in the use and comprehension of Lafayette Consolidated Government's (LCG) Operating and Five-Year Capital Improvement Budget Document.

The City of Lafayette, Louisiana is the parish seat of the Parish of Lafayette. The July 2016 estimated population of the City is 130,422 and the Parish is 240,560. The region was settled in 1763 by exiled Acadians from Nova Scotia (commonly called Cajuns). The Parish was created on January 17, 1823 and covers a total of 277 square miles. The City of Lafayette was originally founded as Vermilionville in 1821 and later renamed Lafayette in 1884. The City was incorporated in 1914. The Parish is located in the heart of Acadiana, an eight parish area in the center of southern Louisiana between New Orleans and Houston. French, Creole, and Acadian culture, handwork and traditions are very much in evidence in and around the region and both French and English

languages are still spoken. An estimated 14.37% of the Parish population speaks both French and English.

The governing authority of LCG is the Lafayette City-Parish Council, consisting of nine members elected from nine single member districts. The LCG chief executive is the Mayor-President. LCG's governance structure is by home rule charter which, in its current form, was voted on by the citizenry in 1992. Although the governments were consolidated in 1996, the Home Rule Charter states that "The City of Lafayette shall continue to exist as a legal entity... and shall exercise all powers granted by general state law and the state constitution for municipalities of the same population class." Tax rates vary between the various municipalities and the unincorporated areas; therefore, after consolidating administration and operations of the two governments, LCG continues to maintain separate accounts for the City of Lafayette and Parish funds.

Given the Parish's central location in the Acadiana region, Lafayette is a hub for tourism. It boasts a vibrant music scene with world acclaimed music festivals; Festival International De Louisiane in April and Festival Acadiens Et Creoles in October. In the spring and fall, free concerts through the Downtown Alive! series are held downtown every Friday. The unique blend of Cajun and Creole cultures gives rise to many diverse culinary opportunities. Attractions such as museums, art galleries, Acadian Village, and Vermilionville are within a short drive from the City's center. In 2014, Lafayette was named the "Happiest City" in the United States by the U.S. National Bureau of Economic Research.

The business base of the Parish includes energy services, manufacturing, health care, transportation and distribution, education, information technology, finance, tourism, and other service-related industries. The population in Lafayette's trade market is almost 700,000 with over a million tourists visiting the area each year. More than twenty percent of the dollars spent in the Parish come from visitors outside the Parish borders. In March 2017, retail sales were \$536 billion which is a slight increase from the same period in 2016. The Lafayette Parish School System includes 43 schools, 24 elementary schools, 12 middle schools, and 7 high schools. Included in the system are 5 schools of choice, 6 high school academies, foreign language immersion curriculums, and gifted and talented programs. Lafayette is also home to the University of Louisiana at Lafayette (UL Lafayette), which is part of the University of Louisiana System. The University is the second largest university in Louisiana with more than 19,000

students. UL Lafayette offers bachelors, masters, and doctoral degrees in curriculums ranging from the humanities to hard sciences. It is one of the top-ranked universities in the south.

The unemployment rate in March 2017 was 6.3%, which is a slight increase from last year's rate of 6.1%. Job growth over the last twelve months is down 1.2% from May 2016 to May 2017. This is an improvement over May's 2016 twelve month change and is due in part to increased jobs in construction, education and health and service type industries. It is important to note however, average job growth over the last ten years remains positive.

The annual budget serves as a policy document, an operations guide, a financial plan, and a communications device for the consolidated government. It is the foundation for LCG's allocation of resources toward service delivery plans for the coming fiscal year.

MISSION STATEMENT

The mission of LCG is to enhance the quality of life of our community by providing high-quality; cost-effective services that meet the needs and expectations of the public.

GOALS

- To create responsible, accessible, and responsive government that has sound financial and administrative practices.
- To build a diverse economy with the ability to maintain during economic changes.
- To promote a city that is safe, environmentally conscious, and provides cultural and artistic enjoyments.
- To establish a well-maintained and future-oriented infrastructure with emphasis on convenient and efficient transportation movement.
- To establish predictable, compatible land uses through zoning and comprehensive planning.
- To develop community oriented programs such as parks and recreation and community development which provide an array of services for all citizens.

ACCOMPLISHMENTS

- The FY 2018 adopted budget develops and presents a methodology for monitoring and accounting for a fiscal plan for operating LCG totaling \$633.5 million.
- A \$514.1 million five-year capital improvement program is adopted for extensive Utilities System, Communications System (LUSFiber), infrastructure, drainage, parks & recreation, and building improvements.
- LUS continues to provide amongst the lowest electric utility rates in the state, while for years providing the most reliable service (fewest outages and shortest outage durations).
- In July 2017, Lafayette Parish Library began construction of the West Regional Library located in the City of Scott. This will be a 17,665 square foot library offering a variety of meeting and study spaces, a story time room, and collections for adults, teens and children. It will offer public access to computers, fax machines, copy machines, and Wi-Fi. The library will be open seven (7) days a week, including evening hours.
- LCG has continued to support wellness programs for its employees and was awarded the Gold Fit-Friendly Worksite Award by the American Heart Association.

- The Lafayette Police Department established two community relations committees to work alongside of the police department to prevent crime and to relate more to the community. Community walks with command level employees through the high crime areas of the City have been started. These walks are an opportunity for citizens to develop better relationship with the Police Department and build trust.
- LCG received an "Outstanding Community Award" for LCG's January 2017 Resiliency Workshop from the Louisiana Floodplain Management Association and were selected to host an Urban Land Institute Resiliency panel in June 2017.

PLANLAFAYETTE

PlanLafayette, the comprehensive master plan for Lafayette Consolidated Government, was adopted in June of 2014 by the Planning Commission and endorsed by the City-Parish Council. *PlanLafayette* is a long-range plan or "guide book" for the growth, development, and redevelopment of Lafayette. The plan is referred to as "comprehensive" because it is based on community research and trends and coordinates many different aspects of anticipated growth and building such as land use and transportation. It is a vision for the community twenty years into the future.

Large-scale implementation efforts such as storm water management, the revitalization of University Avenue, Smart City efforts, Project Front Yard, the CREATE (<u>Culture</u>, <u>Recreation</u>, <u>Entertainment</u>, <u>Arts</u>, <u>Tourism</u>, <u>Economy</u>) initiative and the Evangeline Corridor Initiative (ECI) aim to fulfill *PlanLafayette* and the vision created by the Lafayette community. The plan requires annual updates and monitoring. Across the government, half of the 465 action items in the plan have been completed or have active implementation work ongoing.

A recurring theme of *PlanLafayette* is refining government by doing more with less, leveraging existing assets, making more efficient use of resources, and in some cases, using technology to deliver better results. Since the adoption of *PlanLafayette*, the term "Smart City" has come into play and is commonly used to describe these same ideas. Amendments to the plan are being proposed to incorporate Smart City strategies including making LCG data sets public in partnership with Cajun Code Fest and the successful application and award of an EPA Challenge Grant for air quality monitoring.

The Project Front Yard initiative works to achieve the esthetic vision of *PlanLafayette*. For 2017, Project Front Yard brings community beautification to the forefront and collaboration efforts include the community, interdepartmental coordination, and public/private partnerships. Recognizing that true community beautification is only achieved when there is a comprehensive collaboration between public, private, and commercial spaces, Project Front Yard will increase efforts to become a regional initiative by:

- Formalizing partnerships with nine parishes in the Acadiana area;
- Integrating coordination and resources with the Keep Lafayette Beautiful Board.;
- Deploying an environmental education curriculum to all elementary schools in Lafayette Parish.; and
- Addressing litter prevention through the implementation of programs such as environmental abatement hearings, a comprehensive litter prevention pilot, and instituting zero waste practices for government and community festivals.

The CREATE initiative was launched in March 2017 and is a parish-wide, interagency, multi-year initiative to expand upon one of the community's greatest and most innate qualities, its culture, as an economic driver. It begins the efforts of LCG to unify the cultural community for the benefit of Lafayette Parish's economy. The initiative will also be important to retaining and attracting future generations to the region. *PlanLafayette* envisions a culture planning process through a collaborative process with stakeholders and civic leadership, and includes dozens of action items which will be strengthened by CREATE.

The I-49 Lafayette Connector is a 5.5 mile of limited access highway that will extend I-49 from I-10 to the Lafayette Regional Airport. *PlanLafayette* underscores the opportunities provided by the Lafayette Connector project as well as the need for associated neighborhood development. Throughout 2016 and into 2017, the Evangeline Corridor Initiative (ECI) collected extensive input from residents, business owners, and the general public, suggesting and prioritizing potential improvements along the corridor. With this public feedback, ECI proposed catalyst projects with the potential to revitalize the area and spark investment in the area. The projects will also help to ensure the interstate investment is leveraged for the benefit of the surrounding communities with mitigating possible negative impacts to the community.

TARGET ZERO

Target Zero is a non-profit consulting organization that works to transform local animal shelters. Through a formal partnership with Target Zero, LCG's initiative to make Lafayette Parish Animal Care Center (LACC) a no kill shelter kicked off in 2016 with a two pronged approach; first, by ensuring adoptable animals are adopted or fostered, and second, reserving euthanasia only in instances of health and behavioral issues. LACC has made considerable progress towards the no kill goal. Best practice efforts have been implemented including the addition of a staff person to assist with adoptions and grant writing, extended adoption hours, the use of the LACC webpage to reconnect lost pets with their owners, and increased collaborations with local animal welfare groups to provide new avenues for adoptions and rescues. A new shelter management system has been budgeted. This new software will provide increased reporting and tracking and provide improved access to citizens. Animal Care ordinances are being rewritten to allow for services such as a Trap, Neuter, Return program for community cats. Achieving the goals to create a no kill shelter is not only a more humane approach but is also more cost effective in that it will eliminate costs associated with euthanasia.

FINANCIAL POLICIES

Fund/Department Structure

The fund structure for LCG is especially complex. City and Parish funds are accounted for separately due to the source of revenue and authority granted by the voters of both the City and the Parish. There are two general funds; one for the City and one for the Parish. Combined, there are over fifty general governmental funds (special revenue, debt service, and capital projects), four internal service funds, and five business type funds.

Most of the general operating expenses are budgeted in the City General Fund and allocated between the City and Parish General Funds based on the City-Parish Funding Source Allocations study prepared by MGT of America, Inc.

The allocations are performed using one of several methods of allocation depending on the nature of the services being distributed. There are 24 different allocation methods. The City-Parish Allocation Schedule Summary can be found in the Budget Overview & Highlights Section of this document along with a list of allocation methods.

The department is the highest organizational structure in LCG's hierarchy and each department's operating and capital expenses can be budgeted in one or more funds depending on that department's functions or activities. A listing of departments and the types of funds that support their expenditures is shown below.

Auditing, Accounting, and Financial Reporting

LCG's accounting and financial reporting systems are maintained in conformity with generally accepted accounting principles and standards of the Governmental Accounting Standards Board (GASB). An enterprise resource system is maintained containing all financial modules including a fixed asset module which maintains the identity of all assets, their location, historical cost, useful life, and depreciation calculations and the department responsible for the control of the asset.

An independent accounting firm audits the financial records of the government annually and issues an audit opinion on the financial statements of the governmental activities, the business type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information. The most current

audit for period ending October 31, 2016 received an unmodified opinion in that all reports presented fairly and were in conformance with generally accepted accounting principles.

Investment Management

The Cash Management Rules and Guidelines of LCG address the following areas:

- Scope, Prudence, and Objectives
- Delegation of Authority
- Authorized Financial Dealers and Institutions and Diversification in Authorized and Suitable Investments
- Collateralization
- Safekeeping and Custody

It is the policy of LCG to invest public funds in a manner which conforms to existing Louisiana State Statutes governing the investment of public funds and LCG's Home Rule Charter while receiving a maximum rate of return. LCG's Investment Policy has the following objectives: safety, liquidity, yield, and public trust. Authorized security purchases include:

- U.S. Treasury Bills, Notes, and Bonds with maturities not to exceed two years.
- Federal agency and instrumentality coupon debentures and discount notes with maturities not to exceed two years-limited to Federal Home Loan Bank, Federal National Mortgage Association, Federal Farm Credit Bank, and Federal Home Loan Mortgage Corporation.
- Repurchase agreements with a maturity not to exceed six months on the above securities collateralized at a minimum of 102 percent of the purchase price of the repurchase agreement.
- The purchase of any securities listed in the first two bullets in excess of two years must be pre-approved in writing by the Chief Financial Officer.

Fund Balance Policy

Governmental funds report the difference between their assets and liabilities as fund balance. Under generally accepted accounting principles (GAAP), fund balance is divided into two major components; Nonspendable and Spendable. Nonspendable is that portion of fund balance that is not available for appropriation because the assets it represents are not in a spendable form, such as inventory. Spendable Fund Balance is further broken down into four categories; restricted, committed, assigned, and unassigned. It is the unassigned portion of fund balance that can be appropriated without external or internal restrictions. It is the intent of LCG administration to maintain at a minimum its unassigned fund balance for the City General Fund at 20% of the total fund's operating expenses. Under this policy, LCG administration, in its budgeting process, submits a proposed budget to the City-Parish Council that adheres strictly to the fund balance requirements. This policy has not yet been ratified by the City-Parish Council and during the budget adoption process the Council may, at their discretion, amend the budget in such a way that this policy is violated. In such cases, policy violations will be discussed in the administration's transmittal letter in the final budget document. Additionally, the City-Parish Council may be asked to provide a discussion of these decisions and, if provided, will be included in the final budget document as well.

Debt Policy

LCG's debt is issued primarily as a financing tool for infrastructure (such as streets, drainage, and utilities) and infrastructure improvements. A careful balance between debt financed projects and pay-as-you-go capital projects is maintained. Capital projects that may be funded by debt are evaluated within the context of LCG's long range capital plan and debt is only issued after careful consideration of current debt levels, economic conditions, the availability of alternative funding sources, and key debt and liquidity ratios. Bond covenants require that the average annual revenues for the City of Lafayette sales tax collections for the two (2) most recent fiscal years must equal or exceed 1.5 times the highest combined principal and interest requirements for any succeeding fiscal year on all City sales tax bonds outstanding. It is the administration's policy to maintain a higher City sales tax ratio of 2.0.

Louisiana Revised Statutes limit the Parish's general obligation bonded debt for other purposes to 10% of the assessed valuation of the taxable property for a single purpose with no limit on the number of purposes. The City may issue general obligation bonded debt in excess of 10% of the assessed valuation of the taxable property for any single purpose provided that the aggregate for all such purposes (determined at the time of issuance of the bonds) does not exceed 35% of the assessed valuation of the taxable property of the City.

Compliance with all bond covenants, bond ordinances, contracts, etc. are monitored. Additionally, required financial data and event information are uploaded to the Electronic Municipal Market Access (EMMA) which is the official repository for information on virtually all municipal bonds.

Revenue Policy

LCG endeavors to have a diversified and stable revenue system to protect against unforeseeable short-term fluctuations in any one revenue source. Revenue forecasts are based on the best information available and take into consideration historical trends, current economic factors (such as property assessments and retail sales trends), and projected activity. Revenues are budgeted conservatively but if economic downturns develop, which could result in revenue shortfalls, adjustments in budgeted expenditures are made to compensate. LCG establishes and monitors user fees and charges based on the cost of services and community benefit. Services may be subsidized as the Council deems necessary. The use of one-time revenues or those of an unpredictable nature to fund on-going expenditures is discouraged. LCG pursues alternate methods of financing such as federal and state grants and intergovernmental agreements.

Expenditure Policy

All department directors share in the responsibility of looking at and understanding LCG's long-term financial viability, the general spending trends of their respective departments, the projected departmental revenues, and educating themselves and their staff on the necessary short and long-term balance between revenues and expenses. Departmental budgets are submitted to the administration with these responsibilities in mind and budgets are typically zero-based or status quo with little or no increases to expenditures contemplated. As the administration evaluates budgetary requests, higher priority is given to expenditures which provide direct public services and public health and safety. The highest priority is given to the payment of bonds, notes, contracts, accounts payable, and

other monetary liabilities. An appropriate balance between these priorities and the dollars provided towards the assurance of good management and legal compliance is strived for.

Capital Improvements

LCG maintains a Five-Year Capital Improvement Program (including anticipated funding sources) which is updated annually and is approved by the Council during the budget process. Capital improvement projects are defined as infrastructure, equipment purchases, or construction that results in a capitalized asset and having a useful life of more than one year.

In addition to a Five-Year Capital Improvement Program, Section 5-05 of the Home Rule Charter requires that a Capital Improvement budget must include the estimated annual cost of operating and maintaining the capital improvement to be constructed or acquired.

Proposed capital projects are reviewed by departmental directors, staff, and administration. Priority of projects is based on financial sources available and/or debt considered and overall consistency with LCG's goals and objectives.

Internal Controls and Fiscal Monitoring

Financial systems will maintain internal controls to monitor revenues, expenditures, and program performance on an ongoing basis. As required by the Home Rule Charter and/or internal written policy, monthly financial reports are prepared as well as departmental meetings held to review status of revenues and expenditures and compliance to the adopted budget.

Distinguished Budget Presentation Awards Program

LCG's budget will be submitted to the GFOA Distinguished Budget Presentation Awards Program for FY 2018. LCG presented its budget to the award program for fiscal years 2014 to 2017. The GFOA Distinguished Budget Award was given for those submissions. The budget should satisfy criteria as financial and programmatic policy documents, a comprehensive financial plan, an operations guide for all organizational units, and a communications device for all significant budgetary issues, trends, and resource choices.

Basis of Accounting

The government-wide, proprietary, and fiduciary fund financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Nonexchange transactions in which the government gives (or receives) value without directly receiving (or giving) equal value in exchange include property taxes, grants, and entitlements. On an accrual basis, property taxes are recognized in the year for which the taxes are levied. Revenue from grants, entitlements, and donations is recognized in the fiscal year in which all eligibility requirements have been satisfied.

Governmental funds are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues are recognized when susceptible to accrual (i.e., when they

become both measurable and available). "Measurable" means the amount of the transaction can be determined and "available" means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Sales taxes are considered "measurable" when in the hands of the Sales Tax Collector and are recognized as revenue at that time. Ad valorem taxes are recognized as revenue in the year for which budgeted, that is, in the year in which such taxes are billed and collected. Revenue from grants, entitlements, and donations is recognized in the fiscal year in which all eligibility requirements have been satisfied. All other receivables collected within 60 days after year-end are considered available and recognized as revenue of the current year. Expenditures are recorded when the related fund liability is incurred except for principal and interest on general long-term debt, claims and judgments, and compensated absences which are recognized to the extent they have matured. General capital asset acquisitions are reported as expenditures in governmental funds. Proceeds of general long-term debt and acquisitions under capital leases are reported as other financing sources. Except for miscellaneous supplies warehoused at central locations and issued to operating departments as needed, purchases of various operating supplies are regarded as expenditures at the time purchased.

Basis of Budgeting

The budget is reported using the current financial resources measurement focus and is consistent with GAAP. Appropriations define the cash limits that cannot be exceeded. No reference is given to when revenues are earned or expenses are incurred. For budgetary purposes, these items are only recognized when received or paid. Non-cash items such as depreciation and amortization are not budgeted.

Differences between Basis of Accounting and Basis of Budgeting

Some of the differences between the basis of budgeting and the accounting basis are:

- Debt payment for principal-budgeted as an expense item, adjusted at year-end against the liability.
- Depreciation recorded for proprietary and enterprise funds on an accrual basis, eliminated for budget purposes.
- Encumbrances are recorded as a reserve of budgeted funds on the cash basis and recorded as a committed portion of fund balance on the accrual basis.
- Compensated absences are adjusted annually using the accrual method but on the cash basis for budgeting are absorbed by salaries.

BUDGETARY POLICIES

In addition to the Home Rule Charter budgetary submission requirements and administrative responsibilities discussed below, LCG adheres to the Louisiana Revised Statutes Title 39 Chapter 9-Louisiana Local Budget Act. Of specific note is R.S. 39:1305 that requires the submission of a budget where "...proposed expenditures shall not exceed the total estimated funds available for the ensuing fiscal year." LCG uses this definition as the meaning of a balanced budget and all adopted budgets follow this statute.

The fiscal year for Lafayette Consolidated Government is November 1 through October 31. The Home Rule Charter requires that at least ninety days prior to the beginning of each fiscal year, an operating budget and a capital improvement budget be submitted to the Council. The Council then publishes a public hearing notice at least ten

days prior to the date the budget is presented to the public for a formal public hearing. The notice is required to include a general summary of the proposed budget, the times and places where copies of the budget are available for public inspection, and the location, date, and time of the public hearing.

If the Council fails to adopt a budget before the end of the current fiscal year, the budget for the current fiscal year continues in effect for a maximum of six months into the next fiscal year and is limited to fifty percent of the amount appropriated for the current fiscal year.

The Charter also requires that the operating budget presents a complete financial plan for the ensuing year and that the following be included in the operating budget document:

- A budget message prepared by the Mayor-President.
- A general budget summary with proposed budgeted amounts, actual amounts for the last completed fiscal year, and estimated amounts for the year in progress.
- Detailed estimates of all proposed expenditures showing the corresponding estimated expenditures for each item for the current fiscal year and actual amounts for the last preceding fiscal year.
- Manning or organizational tables for each of the departments, agencies, or programs.
- Detailed estimates of all anticipated revenues and other income showing the corresponding estimated revenue or income for each item for the current fiscal year and actual figures of the last preceding fiscal year.
- Statement of the indebtedness of the City-Parish Government showing debt redemption and interest requirements, debt authorized and unissued, and conditions of the sinking funds.
- A proposed complete draft of the appropriation ordinance.
- A clear general summary of the capital improvement budget.
- A list of all capital improvements and acquisitions for at least five fiscal years.
- Cost estimates, recommended method of financing, and the estimated annual cost of operating and maintaining the capital improvement.

If during the fiscal year the Mayor-President certifies that there are available for appropriation funds in excess of those estimated in the operating budget, the Mayor-President may present a supplement to the budget for the disposition of such funds and the Council, by ordinance, may make supplemental appropriations for the year up to the amount of such excess in the same manner required for adoption of the budget. If at any time during the fiscal year it appears to the Mayor-President that the funds available will be insufficient to meet the amount appropriated, the Mayor-President shall report to the Council without delay, indicating the estimated amount of the deficit, any remedial action taken, and recommendations as to any other steps to be taken. The Council shall then take such further action as it deems necessary to prevent a deficit. No appropriation for debt service may be reduced or transferred below any amount required by law.

With the exception of amounts appropriated for debt service and salaries, the Mayor-President can transfer any amount unencumbered within departments during the year. Amounts cannot be transferred to or from the salary account unless approved by Council ordinance.

Every appropriation, except an appropriation for a capital expenditure, lapses at the close of the fiscal year to the extent that it has not been expended or encumbered. An appropriation for a capital expenditure is allowed to

continue in force until the purpose for which it was made has been accomplished or abandoned; however, any capital appropriation with no disbursements or encumbrances for three years is deemed abandoned.

ADMINISTRATIVE BUDGET PROCESS

The Chief Financial Officer (CFO) is responsible to recommend to the Chief Administrative Officer (CAO) a timeline and plan to facilitate the budget process for the next fiscal year. The approved budget calendar and budget instructions were delivered to department heads in April of this year. At weekly director's meetings throughout April and May, the department heads were apprised of the results of the previous fiscal year and of anticipated challenges facing the City-Parish for the current and next fiscal year. During June, each department head and key staff members met with the CAO, CFO, and Budget Manager to present their requested budgets and to discuss their strategic goals and service delivery priorities for the divisions within their department.

The Budget Management Division and the CFO's staff worked tirelessly the last week in June and the first two weeks in July to ensure that all funds were balanced and to identify over-expended funds. Together with the CAO, changes to budgetary line items were made to keep the proposed budget in line with the priorities set by the Mayor-President.

The approved budget calendar for preparation of the FY 2017-18 budget is as follows:

April 17 Budget calendars, instructions, and forms are e-mailed to department heads.

Apr 18-May 12.... Departments prepare budget requests and return same to Budget Management.

June 5-June 13 Departmental meetings with CAO, CFO, Budget Manager, and Directors.

June 14-June 30.. Mayor-President, CAO, and CFO review O&M and Capital Budgets.

July 3 - July 14..... Budget Management balances, analyzes, and completes proposed budget. CFO meets with CAO and Mayor-President to finalize proposed budget.

July 28 Finalized Proposed Budget is submitted for printing.

August 1...... Special Council meeting for the Introduction of Operating & Five-Year Capital Improvement Budget.

August 2 Five-Year Capital Improvement Budget is submitted to Planning and Zoning Commission.

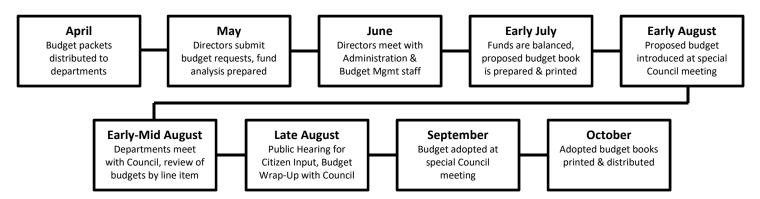

Aug 3-Aug 17 Department-Council budget meetings.

August 22..... Public Hearing for citizen input.

August 31..... Public Meeting for wrap up of outstanding items.

September 7 Special Council Meeting for final adoption.

November 1...... Adopted Budget goes into effect.

MAYOR-PRESIDENT'S MESSAGE

Internal Memorandum

Elected Officials-Executive Mayor-President's Office (1200)

DATE: October 17, 2017

TO: City-Parish Council Members and

the Citizens of Lafayette City-Parish

FROM: Joel Robideaux, Mayor-President

SUBJECT: FY 2017-2018 Adopted Budget

I am pleased to present the Adopted Operating and Five-Year Capital Improvement Budget for Fiscal Year 2017-2018. As required by state and local law, the budget as adopted is balanced whereby expenditures do not exceed the total budgeted funds available.

The adopted City General Fund budget totals \$104.2 million, an increase of \$3.0 million over the current budget. The ending fund balance is budgeted to be \$40.0 million, which exceeds the Administration's internal policy requirement of 20% of budgeted operating expenditures. The adopted Parish General Fund budget is \$13.7 million, an increase of \$246,328 over the current budget. The ending fund balance is budgeted to be \$92,108.

This budget addresses our infrastructure challenges as follows:

- \$9.9 million for parish-wide projects that include the widening, realignment, and reconstruction of parish roads and for parish-wide improvements to bridges, drainage, and public buildings.
- \$34 million in the City's pay-as-you-go program for departmental capital including public safety, road overlays, streets and drainage projects, and improvements to sidewalks, parks and recreation facilities, and public buildings.
- \$38 million for major improvements to city streets, drainage, sidewalks, parks and recreation facilities, and public buildings to be funded by the sale of city bonds.

I thank CFO Lorrie Toups and her staff for their effort and expert input while preparing this adopted budget. Strong first steps have us moving in the right direction and building momentum. I believe we can make our great community even better by honestly addressing our challenges.

Sincerely,

Joel Robideaux Mayor-President

Internal Memorandum

Elected Officials-Executive Mayor-President's Office (1200)

DATE: July 31, 2017

TO: City-Parish Council Members and

the Citizens of Lafayette City-Parish

FROM: Joel Robideaux

SUBJECT: FY 2017-2018 Budget Message

I am pleased to present to you the Proposed Operating and Capital Budget for the Fiscal Year 2017-2018. The budget is balanced as required under state and local law.

Last year we conducted a comprehensive review of the budget to address the decline in sales tax revenue. We made difficult, strategic, fiscally responsible cuts to the budget that minimized a reduction in the services expected by our constituents. Although actual collections have exceeded our prior year budgeted numbers by a modest amount, we are cognizant of the positive effect that rebuilding efforts after the August 2016 flood have had on those collections and will continue to budget based on what we believe are realistic and sustainable revenue sources.

This past spring, two existing parish-wide millages (Parish Courthouse and Parish Jail) were not renewed by the voters. State law requires that these two governmental agencies are funded by the parish governing authority. My administration takes seriously the responsibility to run government efficiently and we stand committed in our efforts to continue being a good steward of taxpayer dollars. We recognize, however, that this recent vote indicates the need to build more trust in local government. It is my goal to restore some of that faith by demonstrating how we efficiently utilize existing resources and are finding ways to reallocate tax dollars to both critical infrastructure needs and strategic revenue generating initiatives.

In 2016, Lafayette Consolidated Government (LCG) under the guidance of CAO Lowell Duhon negotiated annual property insurance savings of more than \$500,000 and negotiated the execution of a new mosquito contract which will also save taxpayers' dollars. CFO Lorrie Toups successfully refinanced three City Sales Tax Bond issues, producing savings of \$9.5 million to be realized over the next ten years.

The safety of residents is a multifaceted effort across several agencies of LCG. It includes the efforts of Lafayette's Police Department, the Juvenile Detention Center and also the Office of Alcohol and Noise Control. This budget includes funding for five new police officers, additional security cameras, new lighting downtown, and funding to operate Precinct 4 on Moss Street as a full service center that is open 24 hours a day.

In this budget we recognize the need to put adjudicated properties back into commerce and to foster business development in areas that need revitalization with the establishment of

FY 2017-2018 Budget Message July 31, 2017 Page 2 of 2

Lafayette's Development and Revitalization Fund. This \$1 million budget item will operate as a competitive revolving loan fund used to spur economic growth. Additionally, we have reserved \$1.4 million in this year's budget to be used for potential land and infrastructure acquisitions.

Moving forward, I commit that my administration will continue identifying and reducing the cost of government to address any revenue shortfalls. We will also continue to pursue innovative solutions to create more efficiency and transparency.

I thank CFO Lorrie Toups and her staff for their effort and expert input while preparing this proposed budget. Strong first steps have us moving in the right direction and building momentum. I believe we can make our great community even better by honestly addressing our challenges.

Sincerely,

Joel Robideaux Mayor-President

SUBJECT: Proposed FY 2017-2018 Budget Message

In accordance with Section 5-02 of the City-Parish Home Rule Charter and the guidelines established by your office, I am pleased to present to you the Proposed Operating and Five-Year Capital Improvement Budget for Lafayette Consolidated Government including the Utilities Department along with the Communications System for FY 2017-18. This document reflects a balanced budget totaling \$632.3 million including inter-fund transfers and capital expenditures other than the Five-Year Capital Improvement Program. This is an increase of \$12.3 million or 2% over the FY 2016-17 adopted budget. In addition, the City of Lafayette Non-Utilities Five-Year Capital Improvement Program budget totals \$228.1 million and the Utilities System Five-Year Capital Improvement Program budget totals \$247.3 million. The following is an explanation of some highlights with comparisons to the FY 2016-17 current budget as well as FY 2015-16 audited financials.

FUND BALANCE POLICY

Since the City General Fund is the primary operating fund for governmental activities, it is recommended that fund balance be maintained at a level that allows for flexibility and protection against temporary revenue shortfalls and unexpected onetime expenses. To that end, this administration adopted an ending fund balance policy requiring a minimum maintenance level of 20% of annual operating expenditures. In FY 2014-15 and FY 2015-16, unexpended appropriations totaled \$4.5 million and \$8.2 million, respectively. Unexpended appropriations increase the fund balance above the budgeted amount. To ensure that decisions included in this budget can be funded beyond this budget year, the same limitation was applied to the additional three projected years on the City General Fund Pro Forma included in the Budget Overview & Highlights section of this budget. This proposed budget and three year projections are in compliance with this policy as shown below.

REVENUES

Total estimated revenues excluding inter-fund transactions, grants, and use of prior year fund balance in this proposed FY 2017-18 budget total \$543.8 million compared to \$537.3 in the original adopted FY 2016-17 budget. The \$6.5 million difference is primarily due to estimated increases in general property taxes of \$3.5 million, Utilities System revenues of \$1.7 million and \$1.0 million in sales tax revenue. Once again, revenues from federal and state grants that have not yet been awarded are not included in this budget; however, we will continue to pursue these grants and will present budget revisions as they are awarded.

General Property Taxes (Ad Valorem) were budgeted based on actual collections for the first seven months of the current fiscal year. The increase of \$3.5 million is primarily due to growth and increased assessed values in the City and Parish. The average annual increase in assessed

Proposed FY 2017-2018 Budget Message Page 3 July 28, 2017

valuation over the last ten years for the Parish and the City was 8.17% and 6.0%, respectively. The ten year history of assessed valuation for the Parish and the City are shown in the graph below. Increases in the assessed valuation as well as new taxable property contribute to this projected growth.

City and Parish sales taxes in this budget are based on actual collections for the first seven months of the current fiscal year and the budgeted amount for the remaining five months of the current fiscal year. Based on this calculation, the City of Lafayette sales taxes are budgeted to increase approximately 1% over the original FY 2016-17 adopted budget amount while Parish sales taxes are budgeted to increase by 1.2%.

Revenues for utility sales are budgeted to increase 1% while communication sales are budgeted to increase 2.5% from the current budget. The increase in revenues for the Utilities System includes a rate increase offset by a reduction in fuel cost. The Communications System is in its ninth year of serving retail customers and revenues are projected to continue to increase as new customers are added to the system.

The decrease of approximately \$1 million in charges for services is primarily due to a \$1 million reduction in uninsured and workers compensation losses along with expected decrease of \$526 thousand in insurance premiums off set smaller increases throughout. These increases can be found under the tab "Schedule of Revenue by Source". There is a 7 cent increase to the A&G portion of the EQ fee proposed in this budget.

Twenty-three percent (23%) of the City General Fund's revenue is attributable to the payment of in lieu of tax (ILOT) by the Utilities System Fund. The amount of ILOT included in this budget is \$23.5 million. However, the actual ILOT payment could be substantially reduced if the operational expenses of LUS increase greater than operating revenues or coal inventory increases beyond current needs.

There are two parts to the ILOT calculation. The first part of the calculation is the identification of taxable revenues and the second part of the calculation is often referred to as "the test". For the test, the amount of money left over after all the operating expenses and debt service are paid is compared to the amount of calculated ILOT. Increases in debt service, operating expenses, or inventory without a corresponding increase in revenue will have a negative effect on the amount of ILOT available. For example, an increase in debt service could cause a reduction in the amount available to pay ILOT as well as a decrease in the amount available for capital improvements. Continued monitoring of this fund's operations will be necessary to reduce the impact of ILOT fluctuation on the City General Fund.

APPROPRIATIONS

Proposed expenditures, including inter-fund transactions and capital outlay, total \$632.3 million compared to \$620 million adopted for the current fiscal year. Net operating expenditures total \$377.2 million compared to \$387 million for the current fiscal year.

The decrease in Utilities System of \$9.6 million is due to a decrease in cost of goods sold and is primarily related to the cost of fuel.

Proposed FY 2017-2018 Budget Message Page 5 July 28, 2017

The decrease in general accounts of \$1.7 million is due to a decrease in contractual services for the Louisiana Avenue TIF of approximately \$2.5 million, a decrease in internal appropriations for the Transit fund of \$537 thousand and a decrease of \$467 thousand in Mosquito Control fund offset by increases in internal appropriations for the Codes & Permits fund of \$1.5 million, creation of a new Revitalization Revolving Loan fund in the amount of \$1 million and an increase in sick and accrued expenses of \$747 thousand.

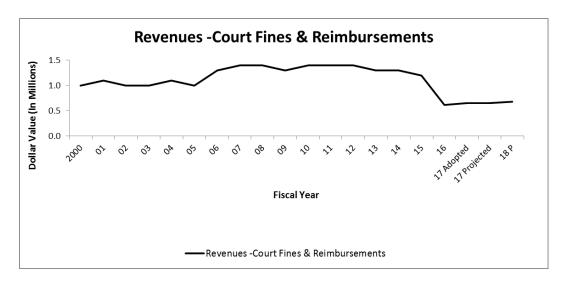

The decrease in Police of \$664 thousand is primarily related to a decrease for contractual services related to Safelight Safe Speed program.

The City General Fund is budgeting \$787 thousand to cover the 2% COLA for retired police and firefighters who were merged with the various state retirement systems. This payment started in 2008 when the state systems did not grant a full 2% COLA. Since 2008, the City General Fund has paid \$3.5 million to retired police and firefighters. The amount proposed in this budget is \$400 thousand for retired firefighters and \$387 thousand for retired police.

Both the City General Fund and the Parish General Fund provide operating subsidies to other funds. These subsidies reduce the funds available to provide general governmental services. The Courthouse Complex Fund and the Parish General Fund have provided over \$18.5 million and \$7.4 million, respectively, in operating subsidies to the Correctional Center Fund. Included in this proposed budget is another \$6.3 million is expected to come from the Courthouse Complex Fund to the Correctional Center Fund for FY 16-17 and FY 17-18. The Courthouse Complex millage is sufficient to cover the operating expenses of the fund and support some of the operating expenses of the Correctional Center Fund; however, this fund is projected to have depleted its fund balance in the next two years. Capital improvements and increased operating expenses in the Courthouse Complex Fund will limit the amount of funds available to provide future operating subsidies to the Correctional Center Fund.

The largest expenses of the Parish General Fund are for the operation of the District Attorney's office and the 15th Judicial District Court (15th JDC). The expenses of the District Attorney and District Court were moved from the Criminal Court Fund to the Parish General Fund and as a result, the transfer from the Parish General Fund to the Criminal Court Fund is no longer necessary. The Criminal Court Fund may, by written order of the District Attorney and District Court, be used to defray the operating costs of the 15th Judicial District. Revenues for this Fund come from District Court fines, contempt fines, and bond and fee forfeitures. Eighty-three (83%) of the contempt fines collected are passed through to the Parish Clerk of Court, the 15th JDC Adult Drug Court, and the 15th JDC Juvenile Drug Court. The remainder of all revenues estimated to be in this fund is divided equally between contractual services for the District Attorney and contractual services for the District Court. Any balance remaining in the fund at the end of the fiscal year will be split equally between the Parish General Fund and the Criminal Court Fund. As these offices determine what amounts shall be paid from the Criminal Court Fund, not to exceed the revenues received, appropriate budget revisions may be made to move budgeted expenses from one contractual services account to the other.

Below is a history of the Criminal Court revenues from fines and forfeitures.

Federal grants for the Municipal Transit System have decreased from a high in 2010 of \$2.2 million to \$1.4 million in this proposed budget. The difference will come from increases in the operating subsidy from the City General Fund. The subsidy is projected to be \$2.6 million in this proposed budget. Since 2000, the City General Fund has subsidized the Municipal Transit System by \$29.7 million through fiscal year ended October 31, 2016.

Employer contribution rates to the state-wide retirement systems continue to increase. There are many different state-wide systems included in LCG's payroll. The Municipal Employees Retirement System, the Parochial Employees Retirement System, the Firefighters Retirement System, and the Municipal Police Employees Retirement System are the four with the largest

Proposed FY 2017-2018 Budget Message Page 7 July 28, 2017

participation. This budget assumes contribution rates for these four systems at 24.75%, 12.5%, 26.5%, and 30.75%, respectively.

FUND BALANCE

The City General Fund is budgeted to end the year with a fund balance of \$39.4 million or 37.65% of budgeted annual expenditures and is projected to use \$3 million of fund balance. Of this amount, \$1 million is being set aside for a new Lafayette Development & Revitalization revolving loan fund. The ending fund balance and the use of fund balance for this proposed budget and the projected three years thereafter fall within the acceptable range according to the administration's ending fund balance policy discussed at the beginning of this memorandum.

The Parish General Fund is budgeted to end the year with a fund balance of \$99 thousand and it is projected to use \$985 thousand of fund balance. Additional reductions in expenditures will be necessary for future fiscal years. In order to balance the Parish General Fund, reductions were made across the board in the last fiscal year and most were not reinstated for this proposed budget. Some of the reductions in the prior fiscal year include, supplemental aid to the Parish's volunteer fire departments, subsidy to the Cajundome and external arts and culture and social service grants. An additional reduction of 20% was made across all departments and divisions funded by the Parish General Fund in general line items such as printing & binding, publication & recordation, tourism and conferences, travel and meetings, training of personnel, supplies & materials, postage & shipping, and contractual services. All line items in this fund will be monitored closely during the year. New revenue sources or decreases in expenditures for this fund will be required in the future to support the state mandates funded through the Parish General Fund.

The Traffic Safety Fund is budgeted at half of the amount originally expected in FY 16-17 due to the cancelation of the RedFlex contract. The City General Fund is budgeted to fill the shortfall of approximately \$800 thousand. It is anticipated that a new traffic safety program will be in place by the middle of FY 17-18. In prior years this fund funded salaries and transportation cost for the Police Department.

All revenues and existing fund balance in the City Sales Tax Capital Improvement Fund are budgeted for capital projects. As projects are completed, any unused appropriations will be returned to fund balance during the year through budget amendments adopted by the City-Parish Council. Any additions to projects included in this proposed budget will require a corresponding decrease in current or proposed projects.

(continued on next page)

PERSONNEL

This proposed budget reflects an increase of 30.5 positions compared to the FY 2016-17 current budget. These changes are summarized below.

Department	Net Change #
Elected Officials Executive	0.5
Elected Officials Executive/JDH	8
Legal	-1
Finance & Management	2
Police	-1
Development & Planning	6
Others - Library	16
Total	30.5

Promotions and new positions presented throughout this proposed budget were included at the request of each department director. Budget Management works with Human Resources and Civil Service to insure that no promotion or new hire is granted without the approval of Civil Service.

The Police Department added 5 new positions in the budget; however they transferred 6 of the Alcohol/Tobacco and Noise Control employees to the Department of Development & Planning (formally Planning, Zoning, & Development).

In the past, the Utilities System Fund budgeted step promotions for all Water Plant Operators and Wastewater Plant Operators that might become eligible for a step raise. In FY 2014-15, the practice was changed by budgeting a general promotion for each division. This allowed us to budget \$270 thousand less in the promotion line item. Budget Management monitors the process to insure that the money is restricted to those positions subject to the step raises and that no promotion or pay adjustment is granted without the approval of Civil Service.

Salaries and related benefits do not include a general pay increase for employees except for the mandated 2% longevity for eligible firefighters. There are two raises for appointed individuals included in this budget due to one being adjusted for market conditions and the other for obtaining professional certification. Other raises included in this budget under the promotion line-item are the result of a new Civil Service Rule IV section 1.9 which states the following:

1.9 If the budgeted amount for any pay action, resulting from an initial hire or job change and authorized under these rules, is less than the rate approved by the Director, the Appointing Authority shall have the ability to initiate the hire or job change at the lower rate and increase the employees pay to the approved rate after procuring the additional funding necessary.

- A. Funding must be sought and approved no later than the first available fiscal year budget process after the hire or job change or no adjustments to pay under this subsection shall occur.
- B. Any additional pay amounts authorized under this subsection shall become effective on the date of funding by the City-Parish Council. Nothing in this subsection shall authorize retroactive pay to an employee.

GROUP HEALTH/LIFE INSURANCE FUND

Once again, there is no change in the recommended employee premiums in this budget submittal. The employer contributions and employee contributions are expected to remain the same as the current fiscal year. Total premium contributions are projected to generate \$20.9 million for self-insured group hospitalization and life insurance expenses.

The current premium structure for group health insurance is shown in the following table.

	Monthly	Per Pay
	Current	Period
	Premium	Premium
Employee Coverage		
Employee Cost	38.42	17.73
LCG Cost	382.83	176.69

FIVE-YEAR CAPITAL IMPROVEMENT PROGRAM

The City of Lafayette Non-Utilities Five-Year Capital Improvement Program totals \$228.1 million. Of that amount, \$93.7 million is financed with bond proceeds over a five-year period. We have been balancing our capacity to issue bonds with our ability to pay for them from sales tax proceeds while maintaining adequate coverage ratios and pay-as-you-go capital funds.

The Utilities System Five-Year Capital Improvement Program totals \$247.3 million. Of that amount, \$200 million is financed with bond proceeds over a five-year period. This budget includes important projects such as those necessary to respond to the growth of the City,

mandates placed upon the Utilities System by state and federal requirements, and cost for system renewals. The Utilities System will need to balance the need for normal, special, and pay-as-you-go capital along with the cost of operations and new debt service to insure that it will have the capacity to issue the new bonds included in this proposed budget. This budget does not include funding for additional debt service. The operating cost of the Utilities System Fund will require close monitoring to insure that expenses remain in line with available revenue.

AD-VALOREM MILLAGES

If not renewed, the following ad valorem millages will expire in the next two years:

	Millage	Expiration
Purpose	Amount	Year
Courthouse Complex	2.34	2017
Correctional Center	2.06	2017
Library	1.61	2018
Juvenile Detention	1.17	2018
City Streets/Roads	1.29	2018
City Recreation	1.92	2018

There are no millages expiring in 2019.

EXCELLENCE IN BUDGET PRESENTATION

The Budget Management Division of the Office of Finance and Management continues to demonstrate its commitment to providing high quality service and excellence in financial reporting. The Office of Finance and Management received the "Distinguished Budget Presentation Award" from the Government Finance Officers Association (GFOA) of the United States and Canada for the FY 2016-17 Annual Operating & Five-Year Capital Improvement Budget. This is the fourth consecutive year that this award was received. This national award is the highest professional recognition in governmental budgeting. To receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, an operations guide, a financial plan, and a communications device.

CLOSING

We continue to see many changes in the regulatory environment for governments issuing municipal bonds. We are subject to increased surveillance and monitoring by the rating agencies and increased disclosure requirements. It is important that we continue to maintain a strong bond rating in order to obtain the best interest rates as we continue our capital improvement plan. The financial policy regarding fund balance in the City General Fund is one

Proposed FY 2017-2018 Budget Message Page 11 July 28, 2017

tool that will help us obtain the best bond rating for our government. Future recommendations regarding the sustainable use of fund balance should be considered.

Increasing operating subsidies and unfunded mandates on the City and Parish General Funds are causing financial pressure on the revenues available to provide general governmental services. Several important services were reduced this year to balance the Parish General Fund budget.

I wish to thank you, CAO Lowell Duhon, Controller Melinda Felps, the Directors, CFO staff, and the award winning Budget Management staff for their assistance in preparing this document. We look forward to working with you and the Council in implementing this financial plan for the upcoming fiscal year.

Sincerely,

Lorrie R. Toups, CPA Chief Financial Officer

PROPERTY TAX REVENUE

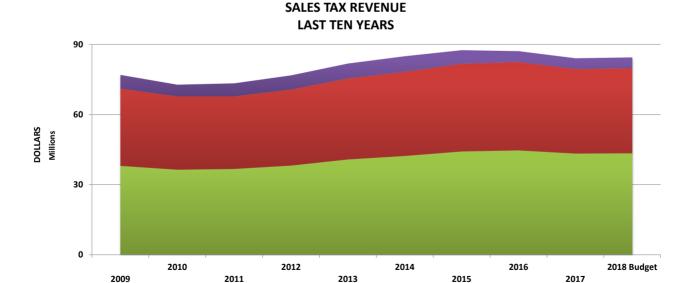

Property Tax Revenue is budgeted based on the assessed valuation received from the Lafayette Parish Assessor.

Parish-wide property taxes are subject to a homestead exemption of \$75,000. Taxes levied only within municipal boundaries are not subject to the exemption.

Statutory deductions from parish-wide property taxes to fund statewide retirement systems for assessors', clerks of court, sheriffs', district attorneys', and other statewide systems are budgeted as an expense under the account titled "Tax Deductions - Retirement".

The Fiscal Year 2018 Budgeted Property Tax Revenue increased 4% due to a 4% increase in the estimated assessed property value.

■ SALES TAX 1985 CITY

Sales Tax Revenue is budgeted based on 0% increase over the Fiscal Year 2017 projections.

■ SALES TAX 1961 CITY

Lafayette Consolidated Government 2017 - 18 Adopted Budget

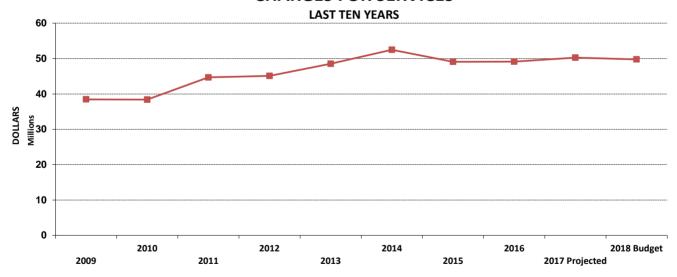

IN LIEU OF TAX REVENUE LAST TEN YEARS

ILOT is budgeted to provide approximately 23% of the City General Fund revenues. It is budgeted based on the prior years' actual calculated payment.

In Lieu of Tax Revenue (ILOT), more commonly referred to as Payment In Lieu of Tax (PILOT), is the payment made from the Utilities Department to compensate the City's General Fund for taxes and fees it would otherwise receive from a privately owned utility.

CHARGES FOR SERVICES

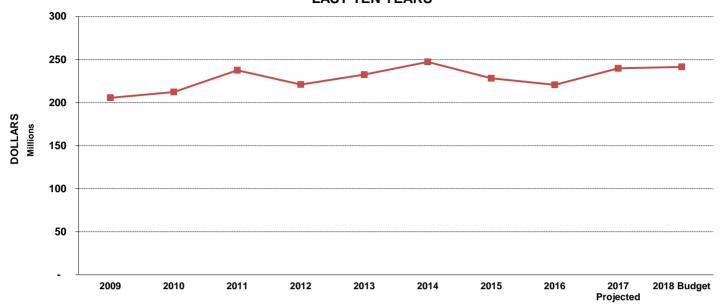

LCG is self-insured for workers' compensation, general liability, errors and omissions, automobile liability, fleet collision, and property as well as employee health. LCG's home rule charter requires all funds, including internal service funds, be included in the annual budget. Self insurance premiums total \$25.9 million and are recorded as a revenue in the internal service fund and as an expense in the fund using the service.

Charges for Services is budgeted to decrease less than 1.0% and is primarily due to the expected decreases in Self Insurance Revenues.

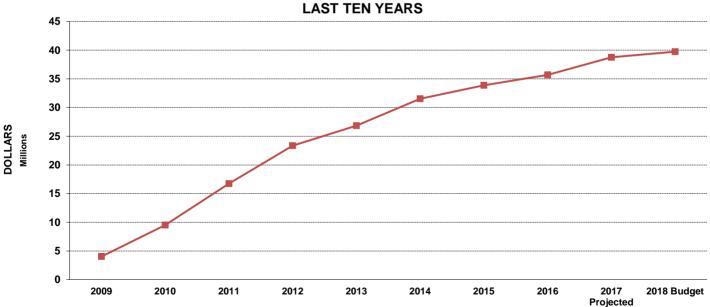

Lafayette Consolidated Government 2017 - 18 Adopted Budget

UTILITIES SYSTEM REVENUES LAST TEN YEARS

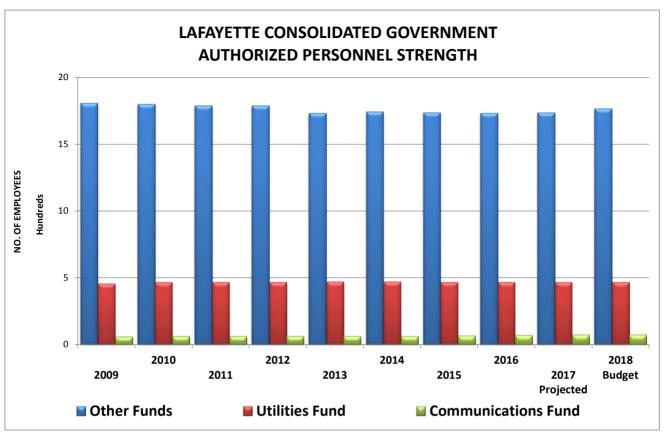

Sales of electricity, water, and wastewater are budgeted to increase 1% over current year projections. This increase is due to a 9% increase in non-fuel revenues and a 14% decrease in fuel revenue. The non-fuel revenue increase is primarily due to a rate increase which will be implemented over the next three years. The decrease in fuel revenue is mainly due to expected fluctuations in natural gas and coal cost which is passed on to the electric customers through a fuel adjustment charge.

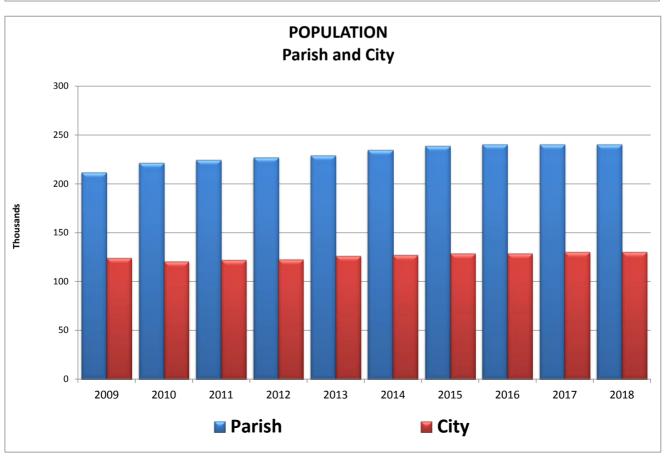

COMMUNICATIONS SYSTEM REVENUES

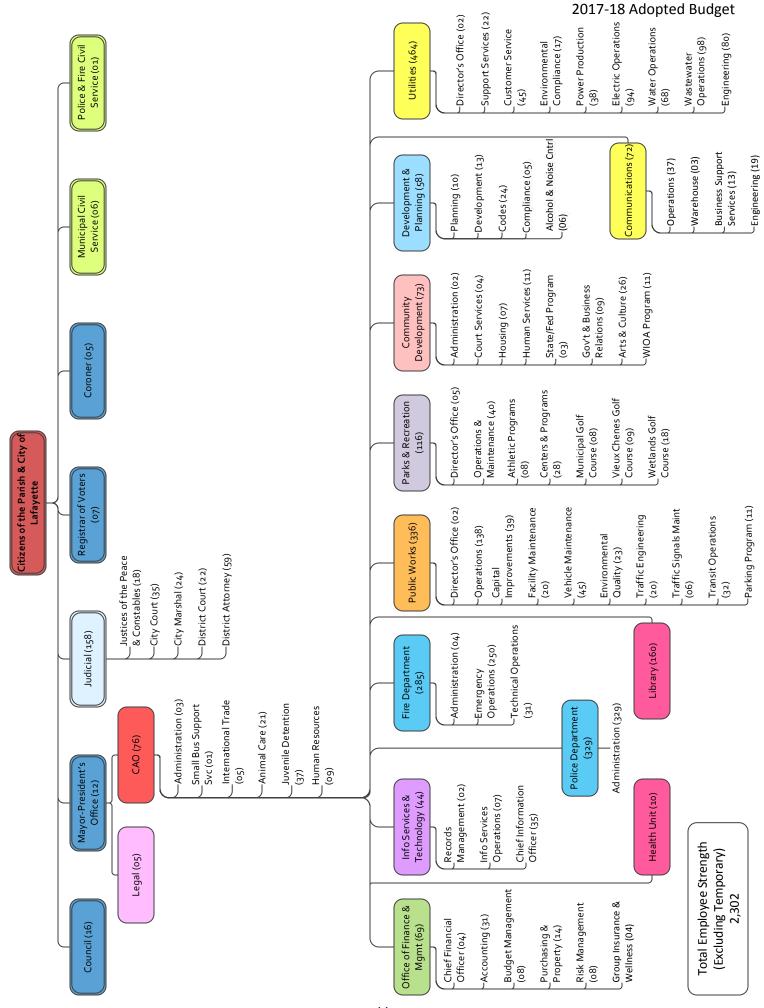

Sales of internet, cable television, and telephone are budgeted to increase 3% over current year projections. The system started providing retail services in 2009 and is expected to continue to grow as new customers add and transfer their service to the Communications System.

ELECTED OFFICIALS-LEGISLATIVE/JUDICIAL/OTHER

<u>Lafayette City-Parish Council</u> is the governing authority of Lafayette Consolidated Government. It consists of nine members elected from single-member districts for four-year terms. Council members serve as the voice of their constituents, and along with the Mayor-President, provide leadership and direction to the various departments of the Consolidated Government.

Performance Measures and Statistical Information:

DESCRIPTION	FY 2015	FY 2016	FY 2017 ESTIMATED	FY 2018 PROJECTED
Number of Council Meetings	46	42	34	32
Held				
Number of Ordinances &	341	302	298	312
Resolutions	0.1	302	_55	5-1

- <u>Justice of the Peace and Constables</u> are independently elected officials serving six-year terms. Justices of the Peace have limited judicial authority over both civil and criminal matters. Constables are executive officials that execute processes issued by Justices of the Peace such as evictions and garnishments.
- <u>City Court</u> has jurisdiction to hear cases that deal with the City of Lafayette municipal ordinances, traffic violations, parking violations, and cases where the amount disputed or value of the property involved does not exceed \$15,000.
- <u>City Marshal</u> is an independently elected official and serves as the executive officer of the City Court. He executes orders and mandates of the court, makes arrests, and preserves the peace. He serves notices and summonses and executes arrest warrants issued by the court.
- <u>15th Judicial District Court</u> has original jurisdiction over all civil and criminal matters and is the exclusive original jurisdiction of felony cases and most cases involving property.
- <u>District Attorney</u> is an independently elected official serving six-year terms. The District Attorney prosecutes criminal cases for the parishes of Acadia, Lafayette, and Vermilion, which make up the 15th Judicial District. State statutes require the Lafayette Parish General Fund to provide funding in whole or in part for District Attorney operations within its parish borders.
- <u>Adult Correctional Center</u> is operated by the Sheriff of the Parish of Lafayette in accordance with Louisiana state statutes. The Sheriff provides for the secure custody of all persons incarcerated. The budget of the Adult Correctional Center includes costs associated with the feeding, housing, and medical needs of inmates during incarceration.
- <u>Registrar of Voters Office</u> is responsible for the registration of voters and for the administration and enforcement of the laws and regulations of the Secretary of State related to the registration of such voters.
- <u>Coroner's Office</u> provides a broad and varied spectrum of technical and legal services to all of Lafayette Parish. It includes mental health, sexual assault cases, autopsies, and death investigations. The findings of the Coroner's Office can be admissible as court evidence. Other than approval of its budget through Lafayette Consolidated Government, the Coroner's Office is an autonomous Parish governing authority and is overseen by the Coroner, an independently elected official who serves four-year terms.

ELECTED OFFICIALS-EXECUTIVE

<u>Mayor-President</u> is the Chief Executive Officer of the City-Parish Government and has general executive and administrative authority over all departments, offices, and agencies of the City-Parish Government. He is elected at large for four-year terms. Mayor-President Robideaux was elected to his first term in October 2015.

Mr. Robideaux officially took office on January 4, 2016, facing an extended period of declining sales tax revenues, coupled with the plummeting price of oil. The immediate challenge was the budget. Just weeks after taking office, the new administration began a comprehensive budget review to address the gap created by the decline in sales tax revenue. On a positive note, LCG was successful in refinancing three City Sales Tax Bond issues, producing savings of more than \$14.4 million to be realized over the next ten years. Mr. Robideaux takes seriously the responsibility to run government efficiently and is committed to providing a fiscally responsible budget that balances the needs of constituents.

Mayor-President Robideaux has been working parish-wide to understand the opportunities and challenges of government, regularly meeting with the other Mayors, LCG elected officials and staff, local business and civic leaders and constituents to understand parish-wide needs, especially related to drainage. The unprecedented rainfall and resulting flooding in August of 2016 turned out to be the biggest challenge of the year. Mr. Robideaux acknowledges the need to work with the congressional delegation to secure the extremely large amount of money needed for local recovery, knowing the federal aid granted to the state will run out quickly, leaving many in Lafayette Parish still in need of help.

Since the historic flood, Mr. Robideaux has sought new ways for the parish to become better prepared and quicker to recover from future challenges and has been working to build public and private partnerships to achieve that goal. The administration has participated in or conducted multiple workshops with renowned land use and planning experts to address the parish's budget crisis and to create a more resilient community. Building resilient cities is a global movement to equip communities to handle physical, social and economic challenges by focusing on planning, response and an increased ability to better handle an unexpected event.

Early in his administration, Mr. Robideaux committed to transforming the Lafayette Animal Care Shelter to a "no kill." The popular initiative has had some early successes which include a formal partnership with Target Zero, substantial improvements to the animal euthanasia rates and expanded adoption hours. Looking ahead, the Mayor-President will be introducing ordinances to further improve the "live outcomes" of the shelter. Mr. Robideaux acknowledges a no kill shelter is not only a more humane approach, but is also more cost effective because it eliminates the costs associated with euthanizing animals.

As a major gateway to the city, parish and university, Mayor-President Robideaux has identified the need to improve University Avenue. In its current condition, the University corridor does not reflect the quality of place our citizens deserve and it does not appropriately welcome our visitors to Lafayette. Together with the Council, funding will be dedicated through a bond sale to begin the esthetic improvements such as planting trees and building sidewalks along the corridor. Through these efforts, Mr. Robideaux believes University Avenue can provide economic prosperity and a quality of life for those who live and work along the corridor.

<u>Chief Administrative Officer</u> supervises the directors and the operations of all departments, offices, and agencies of Lafayette Consolidated Government except for the Legal Department. The CAO also directly supervises Animal Care, Juvenile Detention, Lafayette International Center, Small Business Support Services and Human Resources.

Operational and Budgeted Goals for FY18:

- Over the last twelve months, the Accounting division has worked with IS&T to implement ACH vendor payments. This
 project is underway and will be completed during the FY18 budget year. It is the goal of the division to reduce the
 number of paper checks issued to vendors by 30% over the next 12 to 24 months and reduce the funds spent on office
 supplies such as paper and ink.
- Group Insurance and Wellness division continues to promote well throughout LCG. The American Heart Association
 awarded LCG with the Gold Fit-Friendly Worksite Award in 2017. The division is currently in the process of creating a
 policy to provide pass prophylaxis distribution to all LCG employees and their immediate families in the case of an
 emergency. This project will be done in conjunction with the State Public Health Office.
- The Purchasing & Property Management division over the last twelve months has decreased the volume of printed purchase orders by 25%, which was the goal for 2017. Staff is continuing to work towards the reduction in the number of hard copy bid packages that are distributed and working with vendors to register through the strategic sourcing software
- Risk Management will be evaluating its policies and procedures and over the next year. It is the intent to implement procedures that will decrease the number of at fault accidents and injuries.
- Budget Management implemented new procedures in 2017 to reduce the cost of producing the budget books. This
 was one of the Budgeting goals for the year. For 2018, Budget Management will begin the transition from its current
 software to another module. The funds for this implementation are part of the IS&T capital budget.

Significant Changes

2011-Changed method of recording sales tax. Sales tax revenue is now recorded as sales tax revenue in the funds where dedicated. Previously, sales tax revenue was recorded as a transfer in dedicated funds and recorded in General Accounts. 2012-Operational costs that could be directly allocated were moved to the appropriate departments.

2013-Group Health and Life Insurance increase due to premium rate change. Uninsured Losses increased based upon Risk Management claims report. Deleted vacant positions in an effort to conserve and strengthen fund balance.

INFORMATION SERVICES & TECHNOLOGY

Information Services & Technology (IS&T) handles network and infrastructure design, systems integration, operations management of all network systems, business application development, GIS services, and website design for LCG. IS&T is a full service department that facilitates the needs through current technologies and products utilizing the most sophisticated and cost effective web and computer managed services. Additional services provided by IS&T include records retention management, bulk printing, copying, and mail services, as well as telecommunications coordination.

Performance Measures and Accomplishments:

DESCRIPTION	FY 2015	FY 2016	FY 2017 ESTIMATED	FY 2018 PROJECTED
Requests for Help Desk Service	12,015	9,152	9,420	9,990
IS&T Infrastructure Projects Completed	10	9	17	11
Software Replacement & Support Projects Completed	258	117	104	140
Enterprise Resource Planning Projects Completed	11	11	17	10
GIS Projects Completed	18	18	7	10
Pages Printed by Print Shop	4,634,650	3,750,298	2,868,134	300,000
Mail Items Processed	1,381,200	1,437,000	2,725,400	400,000

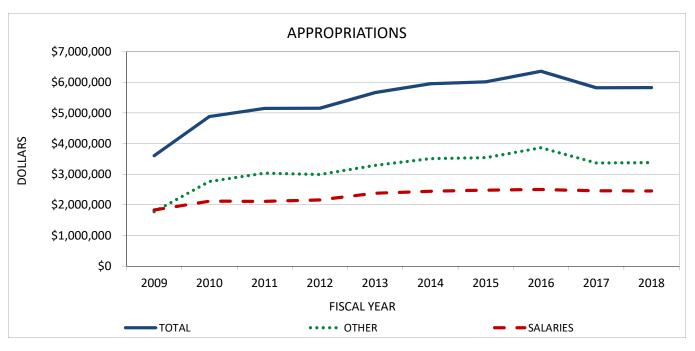

Operational and Budgeted Goals for FY18:

- To increase the capability of the LCG Infrastructure as a whole to provide improved throughput along with access to data in a secure timely manner. These improvements along with software already in place should provide for better insight and monitoring capabilities for both infrastructure and data.
- To work with Finance to expand and implement credit card acceptance through-out LCG.
- To open a 311 Call Center. The purpose of the LCG 311 Call Center is to create a centralized number for all nonemergency municipal services. Citizens will have the ability to use a simple three-digit phone number to request a service to get information they need from the local government.
- IS&T is working with LUS and other departments to outsource many of the government's printing and mailing needs.

Significant Changes

2009-Purchased/deployed new software/technologies that required more training and additional maintenance for new software systems.

- 2010-Council approved pay adjustment. Continuing software growth related expenses.
- 2013-Dissolved Admin Services Department and moved Communications and Printing under CIO.
- 2016-Council approved pay adjustment increasing salaries and benefits. Increase in Other is primarily due to increases in Training of Personnel, Contractual Services, and Postage Charges.

2017- Decreases in salaries due to vacant positions being filled at lower rates than budgeted. Decrease in Other is primarily due to decrease in Contractual Services due to less maintenance and licensing agreements for Vendor supported software.

POLICE DEPARTMENT

<u>Police Department</u> exists to serve the community with a sense of courage, dedication, compassion, and integrity. The department's role is to deliver professional police services efficiently and effectively through the enforcement of all state and local laws through four divisions: Patrol, Criminal Investigations, Services, and Administration.

Performance Measures and Statistical Information:

DESCRIPTION	FY 2015	FY 2016	FY 2017 ESTIMATED	FY 2018 PROJECTED
Number of Stations	3	3	3	3
Number of Calls Answered	226,805	218,820	216,420	215,850
Number of Adult Arrests*	11,153	10,562	10,487	10,450
Number of Juvenile Arrests*	766	699	740	720
Number of Citations Issued*	17,937	19,917	20,000	20,000
Number of Parking Violations	9,026	9,115	10,500	10,000

^{*}Arrest numbers are based on a twelve-month period from September 1st to August 31st, not the fiscal or calendar year.

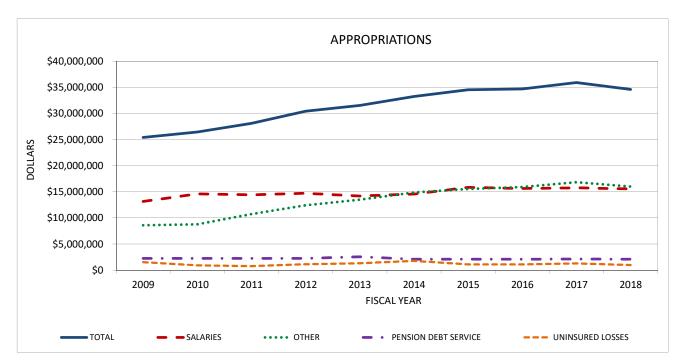

Operational and Budgeted Goals for FY18:

- Over the next 12 to 24 months, the Police Department will be developing an internal policy for the wearing and
 handling of body worn cameras and begin the first phase of equipping all uniformed officers with body cameras. It is
 the goal of the department to outfit every officer with these cameras. These will help to decrease complaints and
 increase officer safety. This project was begun in FY17 and is still in process.
- As the Police Department increases its fleet or replaces marked units, dashboard cameras are being added. It is the goal of the Police Department to place these cameras in every marked police car. This project was begun in 2017 and currently all marked units have in-car cameras installed.
- In the fall of 2017, remodeling construction is expected to begin on the main police building. Funding for this project is part of LCG's capital program.

FIRE DEPARTMENT

<u>Fire Department</u> exists to safeguard and reduce the dangers to life, property, and the environment of our community through innovative training, code enforcement, and prompt dispatch of a qualified fire suppression force. The department provides emergency responses to fire, EMS, accident, hazardous material, and many other critical incidents within the City and at times the Parish.

Performance Measures and Statistical Information:

DESCRIPTION	FY 2015	FY 2016	FY 2017 ESTIMATED	FY 2018 PROJECTED
Number of Fire Stations	13	14	14	14
Number of Volunteer Fire Departments	7	7	7	7
Number of Calls Answered	8,205	8,752	8,600	8,700
Number of Inspections Conducted	2,606	2.719	2,800	3,000

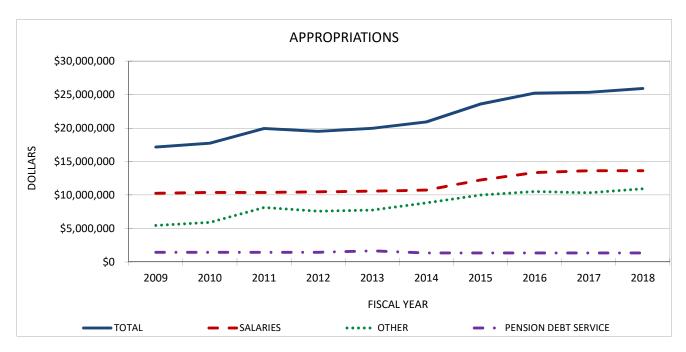

Operational and Budgeted Goals for FY18:

- To improve the health and wellness program for firefighters by providing applicable health screenings. Firefighters are continuously exposed to cancer related toxins during hazardous situations. The department has budgeted \$24,000 for the program to include certain tests to perform possible cancer markers in their early stages.
- To increase the amount of fire inspections performed on commercial buildings annually. The telecommunications budget has been increased to \$22,000 to add Wi-Fi connectivity to the tables utilized by the fire inspectors while in the field conducting code enforcements. The internet connection will provide them direct access to the fire department's records management system and will allow for the increase in inspections and reduce the time spent in an office.

PUBLIC WORKS

<u>Public Works</u> is primarily responsible for construction and/or maintenance of streets and drainage as well as maintenance of over 100 LCG-owned buildings and more than 1,750 pieces of equipment. Public Works also provides engineering design support services for other departments (except LUS).

<u>Traffic & Transportation</u> is a function of Public Works that is tasked with planning and executing the safe, convenient, and efficient movement of persons and goods through transportation modes of walking, biking, transit, and auto use throughout the Parish. Initiatives for FY17 included replacing at least 50% of the city's parking meters with new digital meters that will be able to accept credit cards. This initiative is still on-going. Contracts have been signed and the parking meter replacements have begun. For FY18, research will begin into the implementation of a mobile parking payment system. As these projects go forward, it is expected to streamline parking and increase revenues.

Environmental Quality enforces local ordinances with respect to environmental issues such as overgrown private property and enforcement of regulations to minimize pollutants at construction sites. In fiscal year 2017, EQ planned to work with the residents of the unincorporated areas of the Parish to ensure that they are signed up for garbage collection services. This project is on-going. A program to reduce illegal dumping in the Parish has begun and will continue throughout FY18. An agreement has been signed and budgeted which provides surveillance cameras, equipment and monitoring capabilities. These cameras will be placed strategically in known dumping sites and monitored. Evidence provided by the camera system will be used in the prosecution of illegal dumpers.

Current Year Statistics and Accomplishments for all Public Works Divisions:

Drainage

- Approximately 2,421 Requests for Service received resulting in 1,382 requests closed and completed
- The Division maintains 1,470 miles of roadside and subsurface drainage and 780 miles of improved and unimproved coulees throughout the City and Parish.

Environmental Quality

- Household Hazardous Waste Day: Collected 82.2 tons of chemicals, repurposed to Habitat for Humanity 950 gallons of latex paint, and collected 19.52 tons of E-waste.
- Trash Bash (2017): Collected 16 cubic yards of trash with 55 participants.
- Recycling/Anti-Litter Educational/Outreach made 35 presentations to 942 students/individuals.
- Service Requests: resolved 5,967 curbside collection issues, received 3,981 requests for code enforcement property issues, performed 111 inspections for non-construction related storm water issues, and performed 1,803 new construction and follow up inspections.

Facilities Maintenance

- Responded to over 1,230 Requests for Service as part of the Division's on-going maintenance of over 100 LCG buildings
 Streets
- 2,741 Requests for Service received, resulting in 1,798 requests completed.
- The Division maintains 1,790 miles of streets, 400 bridges and related structures, and 480 miles of sidewalks

Vehicle Maintenance The Division completed 6-010 mechanic chan repair orders and 3-060 oil changes. These activities resulted in 3-060 oil changes.

- The Division completed 6,910 mechanic shop repair orders and 2,060 oil changes. These activities resulted in 21,118 service hours billed.
- 1,185,847 gallons of fuel were dispensed.

Capital Improvements

- The Division completed 24 capital improvement projects totaling \$20,123,000.
- There are 127 current projects totaling \$240,000,000.

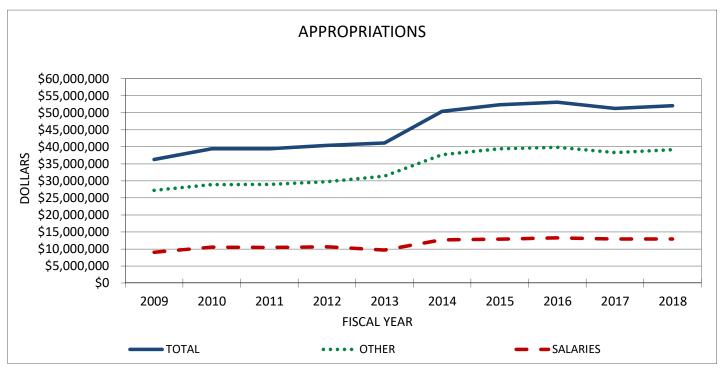

Traffic and Transportation

- Completion of W Congress Street bike lanes and additional parking
- Completion of 4,652 traffic sign work orders to maintain 50,000 traffic signs.
- Completion of approximately 1,365 traffic signal work orders to maintain 190 traffic signals.
- Operation of 12 Transit routes as well as Night Owl and Paratransit Services.
- Operation and maintenance of 2 parking garages, 618 parking meters, and enforcement of restrictions.

PARKS & RECREATION

<u>Parks & Recreation</u> exists to provide the citizens of Lafayette Parish the opportunity to participate in a wholesome environment in which they can experience a leisure time that is diversionary in character, and to assist in promoting entertainment, pleasure, relaxation, and rewarding physical and mental development. The department oversees 35 parks, 10 recreation centers, 4 swimming pools, 3 golf courses, 2 tennis centers, and numerous athletic fields.

Performance Measures and Statistical Information:

DESCRIPTION	FY 2015	FY 2016	FY 2017 ESTIMATED	FY 2018 PROJECTED
Youth Participation in Sports Programs	25,557	24,292	24,000	24,100
Youth Participation in Special Events	16,736	17,968	18,000	18,100
Therapeutic Recreation Participation	11,904	7,687	8,000	9,000
Adult Participation in Sports Programs	10,171	9,510	9,000	9,100

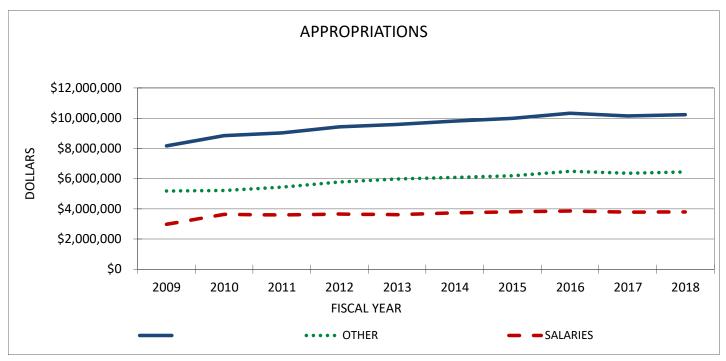

Operational and Budgeted Goals for FY18:

- During the fiscal year, Parks & Recreation will begin the process of replacing mercury vapor lighting in the gymnasiums. This change along with installation of dimmer switches and climate control measures within the recreations center will help to reduce the utility costs within Parks & Recreation.
- Parks & Recreation is looking at ways to reduce the transportation costs within the Department over the next 12
 months. Employees will be assigned to crews and work more together to accomplish daily duties; this will reduce the
 need for individual travel to and from parks.

COMMUNITY DEVELOPMENT

<u>Community Development</u> is a multi-faceted department which provides services that enhance the physical, social, economic, educational, and cultural conditions of the jurisdiction of Lafayette Consolidated Government, ensuring that the services provided are intentional and aligned with the needs of the community of Lafayette Parish. The department staff has made a conscious effort to increase outreach efforts and to create awareness about the many services provided by Community Development. In April 2017 the department hosted its first "Community Development Week" where each division was highlighted through public events and programs. The week of events was a great success and will be held annually.

Housing and Federal Programs division manages federal grant programs that focus on providing affordable housing; one of the highest priority needs within the Parish. Activities which assist current homeowners or increase homeownership are given first consideration. First funded are Community Development's own in-house programs and then non-profit agencies that offer similar high priority programs are provided with HUD funding in order to maximize the impact to LCG's citizens. The department provides programming to assist families with home loans for first-time homebuyers and loans for housing rehabilitation. Over the past year, the department completed the expenditure and reporting for multiple state and federal grants aimed toward aiding the elderly, homeless prevention, emergency sheltering, and other community projects. The Housing and Federal Program division submits grant applications and administers grant awards for numerous LCG departments, including the External Agency Funding Program, which funds local area Arts and Culture and Social Services agencies.

Human Services division provides several community related services including operation of three Senior Centers each conducting social, health and wellness, and educational services to participants, all free of charge, to residents who are 55 years of age or older. On average, 3,100 seniors participate in activities each month at the Greenhouse, the Senior Art Studio, and the Rosehouse. Neighborhood Counseling Services provides one-on-one counseling and educational workshops to citizens on a wide range of housing related topics to income eligible homeowners and prospective homebuyers. The Neighborhood Pride program performs minor home repairs including exterior painting and the installation of safety equipment for income eligible homeowners in the Parish. The Court Services Program provides monitoring for compliance for adjudicated defendants of the OWI tract and criminal tract of City Court. Classes are scheduled and taught, participants monitored, and community service documented for over 1,100 persons per year.

Arts and Culture division provides cultural, entertainment, and educational opportunities to the citizens of Lafayette Parish and its visitors. Included in the Arts and Culture division is the Heymann Performing Arts and Convention Center, the Lafayette Science Museum, and Acadiana Park Nature Station.

Lafayette Business and Career Solutions Center (WIOA) division focuses on the interrelation between employer needs and job seeker assistance. The center provides a comprehensive array of services and resources that include career information, job search, basic skills development, labor market information, and employment and training programs. The Lafayette Business and Career Solutions Center is a customer-friendly office that provides a complete assortment of solutions for the job seeker. Members can build resumes, search jobs, attend job fairs, communicate with employers, apply for scholarships, receive training, access your interests and educational aptitudes, as well as being able to develop an individual strategy which will lead to employment and a long term career path. The center is designed for people in all stages of career development, from job seekers just entering the workforce for the first time to the seasoned professional looking to advance their careers.

Budget Goals:

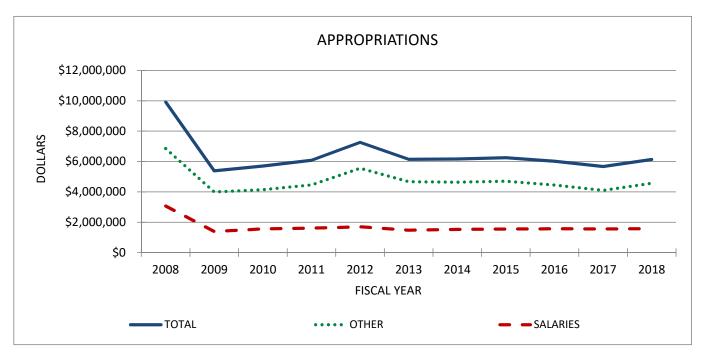

- It is a goal to enhance the overall Community Development Department's capacity to compete for more grant opportunities from diverse streams of funding sources and thus have increased the amount of expenses for staff training in capacity-building and grant writing.
- It is a goal to increase the number of customers to the Heymann Performing Arts & Convention Center and thus have increased the amount of expenses for increased marketing for events and sponsorship opportunities.

Significant Changes

2009-Excludes Grant Funds (WIA/CDBG/Home/ARC)

2010-Council approved pay adjustments. Drug Court and Court Services Divisions added.

2012-Increase in Group Health Insurance and Retirement/Medicare Tax due to rate changes. Increase in Uninsured Losses based on Risk Management claims report.

2013-Deleted vacant positions in an effort to conserve and strengthen fund balance.

2014-Dissolved Acadiana Recovery Center (ARC). Services were taken over by another governmental agency.

2015-Dissolved Drug Court. Services were taken over by another governmental agency.

2017-Budget for external grants was allocated \$300,278 to the City and \$82,666 to Parish. The Parish portion was cut and then reallocated 100% to the City. Decreases in other are primarily due to reduction in Contractual Services.

2018- Increase in Uninsured Losses based on Risk Managmeent claims report. Increases in Contractual Services-Production Expense and Contractual Service-Promoter's Expense based on ticket sales.

DEVELOPMENT & PLANNING

<u>Development & Planning</u>, formerly Planning, Zoning, and Development, serves those who want to enhance neighborhoods, develop property, and do business in Lafayette Parish. These functions are spread across five divisions, planning, development, codes, compliance, and alcohol and noise control.

This year's budget reflects several organizational changes. These changes will allow the department to adapt to ensure Lafayette follows sound planning principles in its growth, administers its rules efficiently and fairly, and maintains its neighborhoods and property.

First, the budget includes the dissolution of the Zoning Division with those functions transitioning to the Planning and Development Divisions. Rezonings will now be housed in the Planning Division, allowing for the alignment with future land use plans and a more thorough analysis of infrastructure capacity in development decisions. Historic preservation will also be moved into the Planning Division, allowing a stronger alignment with the department's existing neighborhood efforts.

The plan review aspect of the Zoning Division will fold into the Development Division, including the adminisration of the Board of Zoning Adjustment. In the transition to the Unified Development Code, the integration of the rules into one book has made the unification of these divisions a way to improve customer service.

A new Compliance Division will be established to assist in the enforcement of zoning and building code regulations. The Housing Inspectors will move out of the Codes Divisions and into a division created to support strong property maintenance throughout the parish. This division will also be responsible for coordinating, when necessary, enforcement actions across departments, especially on problem properties.

Finally, the department will take on the Alcohol Noise Control Division. This Division fits with the activities of the department given the regulatory and enforcement elements of the department, and in future years there may be additional opportunities for alignment of permitting and enforcement efforts across divisions.

Goals and Progress:

The goals of the department continue to offer excellent customer service, improvement of information systems, and ongoing review of development processes and regulations. The Department will gain several tools in the coming year to allow tracking against those goals including a new phone system which allows for quality control and a software upgrade to allow for closer tracking of permitting information and better customer service. The Department released a Development Guide to assist the development community in navigating LCG's development processes. While that effort has been received positively as a customer service tool, the survey deployment has been slow and the department has instead relied on qualitative information through relationships with the development community.

OTHER BUDGETARY UNITS

<u>Municipal Civil Service</u> serves to represent the public's interest in matters of personnel or human resources administration by providing the best qualified individuals for open positions through fair and equal opportunity of employment to all candidates, setting policies and procedures for employment activities to protect employees, and providing guidance and direction in the selection, promotion, and wages of classified employees where applicable. The Civil Service System was created under Section 4-15 of the Home Rule Charter for Lafayette City-Parish Consolidated Government. The Civil Service Department receives annual funding for salaries, administrative expenses, office space, furnishings, and equipment in order to carry out the department's function under the Home Rule Charter.

<u>Police & Fire Civil Service</u> administers an effective, cost-efficient civil service system based on merit, efficiency, fitness, and length of service, consistent with the law and professional standards for police officers and fire fighters. Police & Fire Civil Service is required under Louisiana state statutes for large municipalities.

<u>Health Unit</u> is a private company categorized under State Government Public Health Programs and is responsible for administering public health programs.

<u>Cooperative Extension Service</u> offers educational opportunities including online and in-person classes, seminars, workshops, field days, publications, and news releases. In addition, extension agents provide one-on-one advice and, increasingly, use the Internet to disseminate educational information. Educational topics covered include the use of agriculture and natural resources, lawns and gardens, environmental protection and resource conservation, family life, health and nutrition, housing and emergency preparedness, and youth development through the 4-H program.

<u>Library</u> mission is to enhance the quality of life of our community by providing free and equal access to high-quality; cost-effective library services that meet the needs and expectations of our diverse community for information, life-long learning, recreation, and cultural enrichment. Operational and Budget goals for FY18 include increasing service to all ages outside the confines of the library building by providing more staff, materials, and programming resources to deliver a variety of services such as on-line resources. The database budget has been increased to provide on-line resources available 24/7 which include computer skills training, learning/tutoring for children and eBook/Audiobook digital downloads.

UTILITIES

<u>Lafayette Utilities System</u> (LUS) as a publically owned and operated utility, provides reliable and affordable electric energy, safe and clean drinking water, and environmentally sound wastewater. LUS fulfills its mission of "Improving The Way You Live" with a high standard of customer service and solid investments in the community through support of local organizations and an annual payment to LCG's general fund in the form of ILOT (In-Lieu-Of-Tax) to make Lafayette a better place to live, work, and play.

As a municipal provider of electric, water and wastewater services, LUS is committed to strong financial management and prudent rate-setting. This commitment has allowed for continuous system improvement while keeping customer rates low and maintaining strong scores from all major bond rating agencies. For the 2018 fiscal year, the goals of LUS include, but are not limited to, providing the following:

- Safe and reliable service: LUS customers have grown accustomed to the least number of outages, in terms of both frequency and duration of outage, in the state. For the 2018 year, LUS has budgeted \$9.8M for its Transmission and Distribution division as part of the effort to ensure the continuity of sound operation and maintenance of the electric system.
- Customer Service: LUS customers expect top-notch, courteous service and accurate billing information. For the 2018 year, LUS has budgeted \$4.7M to provide high quality customer service at two locations in the city of Lafayette. These locations handle an average of over 30,000 walk-in transactions per month.
- Employee Development: LUS places high value on the continuous training and development of its workforce, averaging over 13,000 man-hours of training per year, which includes rigorous safety training and other vital certifications.

2012-General operational increases combined with increases in Uninsured Losses offset by decreases in Fuel/Purchase Power. 2014-Council approved pay adjustments. Increases in Fuel/Purchase Power due to operational requirements and market fuel costs.

2018-General operational increases offset by decreases in Fuel/Purchase Power.

LUS ELECTRIC KWH SALES TEN YEAR HISTORY

In December 2013, the Lafayette Utility System joined the Midcontinent Independent System Operator (MISO). All of LUS's Energy Requirements are purchased from MISO and it sells energy to MISO based upon economic dispatching. For reporting purposes, the revenue from MISO Sales are netted against the MISO Purchased Power Cost. Wholesale KWHs represent sales to MISO and Retail represents KWHs purchased from MISO and sold to LUS retail customers.

COMMUNICATIONS SYSTEM

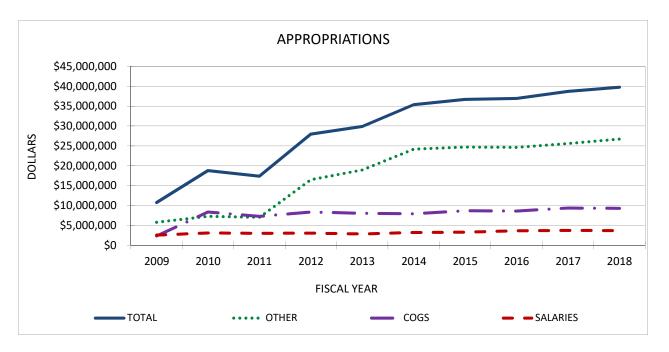

<u>Communications System</u> also referred to as <u>LUSFiber</u>, is the telecommunications department of LCG and currently operates one of the nation's largest municipal Fiber-To-The-Home networks. The system is composed of more than 700 miles of glass fiber and provides residents and businesses access to video, Internet, and phone services over the world's leading broadband technology.

Due to the competitive and sensitive nature of the telecommunications industry, only certain performance measures are included. However, it can be stated that LUSFiber has over 40% market share and continues to grow. It has been cited as an example of community broadband success by the previous chairman of the Federal Communications Commission and mentioned by the President of the United States during announcements he made about broadband policy.

FHWA – Federal Highway Administration; a federal grant received by LCG.

FIDUCIARY FUND – Funds used to report assets held in a trustee or agency capacity for others and which therefore cannot be used to support the government's own programs.

FISCAL YEAR – (FY) Any yearly accounting period, regardless of its relationship to a calendar year. The fiscal year for LCG begins on November 1 of each year and ends on October 31 of the following year. For example, FY 2017/2018 begins on November 1, 2017 and ends on October 31, 2018.

FMV – Fair Market Value; the estimated price of an asset that a willing buyer would buy such asset from a willing seller when: (1) both are unrelated, (2) know the relevant facts, (3) neither is under any compulsion to buy or sell, and (4) all rights and benefits attributable to the item are included in the sale. FMV is generally the basis for tax assessment.

FTA – Federal Transit Administration; a federal grant received by LCG.

FTHB – First Time Homebuyers program; an assistance program offered to the citizens of LCG aiding in the expense of down payment and closing costs for home ownership. Primary for eligibility, applicants must not have owned a home in the last three years.

FUND – (FD) An independent fiscal and accounting entity with a self-balancing set of accounts segregated to carry on specific activities or obtain certain objectives.

FUND BALANCE – The difference between the assets and liabilities of a fund. Fund balance is terminology that is applicable to "fund level" reporting of individual governmental funds and is based on the modified accrual basis of accounting. It is used as a measure of the amount available to budget or spend in the future.

GAAP – Generally Accepted Accounting Principles; the common set of accounting principles, standards, and procedures that governments and private companies use to record financial transactions and compile their financial statements. These principles are a combination of authoritative standards (set by policy boards such as GASB) and commonly accepted ways of recording and reporting accounting information.

GASB – Government Accounting Standards Board

GENERAL FUND — This fund is one of the five governmental fund types and typically serves as the chief operating fund of government. The General Fund is used to account for all financial resources except those required to be accounted for in another fund. As required by the Home Rule Charter, LCG maintains two separate and distinct general funds; one for the City of Lafayette and one for the Parish of Lafayette.

GFOA – Government Finance Officers Association; a professional organization established to assist in the professional management of government by developing and identifying financial policies and best practices through education, training, facilitation of member leadership, and networking.

GOVERNMENTAL FUNDS – Funds generally used to account for tax-supported activities. There are five different types of governmental funds; general funds, special revenue funds, debt service funds, capital project funds, and other general purpose funds.

GRANT – A financial award given by the federal, state, local government, or private organization to fund a specific purpose or project.

GRANT MATCH – LCG's required contribution towards a grant funded purpose or project. Grant match is typically made up of cash or in-kind support (i.e. goods, services, or other things of value) or a combination of both.

HAZ MAT – Hazardous materials

HOME RULE CHARTER – Home rule is the power of a local city or parish to set up its own system of self-government without receiving a charter from the state. The Home Rule Charter is, in essence, a local constitution which lays down the basic structure and laws of the locality.

HPACC – Heymann Performing Arts and Convention Center; a part of the Arts and Culture Division in the Community Development Department.

ILOT – In Lieu of Tax; compensation to LCG from the Lafayette Utilities System, the Communications System, and the Lafayette Housing Authority as an alternative to the property taxes from which the entities are exempt.

INDIRECT COST – A cost necessary for the functioning of the organization as a whole but which cannot be directly assigned to one service.

INTERNAL APPROPRIATION – (*INT APP*) An authorization for expenditure in one fund to aid in the services provided by another fund.

**ORDINANCE NO. O-153-2017

AN ORDINANCE OF THE LAFAYETTE CITY-PARISH COUNCIL AND THE LAFAYETTE PUBLIC UTILITIES AUTHORITY ADOPTING AN OPERATING & FIVE-YEAR CAPITAL IMPROVEMENT BUDGET OF REVENUES AND EXPENDITURES FOR THE LAFAYETTE CITY-PARISH CONSOLIDATED GOVERNMENT FOR THE FISCAL YEAR BEGINNING NOVEMBER 1, 2017 AND ENDING OCTOBER 31, 2018

BE IT ORDAINED by the Lafayette City-Parish Council and the Lafayette Public Utilities Authority, that:

WHEREAS, in accordance with all applicable provisions of the Lafayette City-Parish Consolidated Government Home Rule Charter, the Lafayette Mayor-President has submitted to the Lafayette City-Parish Council and the Lafayette Public Utilities Authority the Proposed FY 2017-2018 Operating and Five-Year Capital Improvement Budget including the budget of the Utilities Department along with the Communications System; and

WHEREAS, in accordance with all applicable provisions of the Lafayette City-Parish Consolidated Government Home Rule Charter, including but not limited to Section 4-07, the Lafayette Public Utilities Authority must approve the budget of the Utilities Department including the Communications System; and

WHEREAS, the Lafayette City-Parish Council and the Lafayette Public Utilities Authority have taken under consideration the study of said Proposed Operating and Five-Year Capital Improvement Budget including the budget of the Utilities Department along with the Communications System.

NOW, THEREFORE, BE IT FURTHER ORDAINED by the Lafayette City-Parish Council and the Lafayette Public Utilities Authority, that:

SECTION 1: All of the aforedescribed "Whereas" clauses are adopted as part of this ordinance.

SECTION 2: In accordance with the applicable provisions of the Lafayette City-Parish Consolidated Government Home Rule Charter, including but not limited to Sections 5-01 through 5-03, inclusive, and in accordance with Sections 2-11 through 2-13, inclusive, of said Lafayette City-Parish Consolidated Government Home Rule Charter, the Lafayette City-Parish Council and the Lafayette Public Utilities Authority do hereby approve the said Proposed Operating and Five-Year Capital Improvement Budget as amended in the attachments hereto and which are made a part hereof and which will be identified in said final document under the title "Adopted Operating & Five-Year Capital Improvement Budget FY 2017-2018."

SECTION 3: In accordance with all applicable provisions of the Lafayette City-Parish Consolidated Government Home Rule Charter, including but not limited to Section 4-07, the Lafayette City-Parish Council and the Lafayette Public Utilities Authority do hereby approve the said Operating and Five-Year Capital Improvement Budget of the Utilities Department including the Communications System introduced with this ordinance in the attachments hereto and which are made a part hereof and which will be identified in the final document under the title "Adopted Operating & Five-Year Capital Improvement Budget FY 2017-2018."

SECTION 4: The following qualifications shall apply to the implementation and administration of the adopted budget:

- A. State law requires that certain firemen be given a two (2%) percent longevity salary increase. Accordingly, the pay reserve included herein for eligible fire personnel shall be deemed to include the two (2%) percent "longevity" salary increase required by State law for the fiscal year 2017-2018.
- B. No Departmental Director or agency of Lafayette City-Parish Consolidated Government shall be with authority to exceed appropriation levels which are identified departmentally within the budget adopted for the fiscal year without approval of the Lafayette City-Parish Council by ordinance.
- C. Inasmuch as the limited wording of any budget ordinance cannot cover all mathematical computation, narrative circumstances resulting from salary and other appropriation adjustments, the Chief Financial Officer, through the Lafayette Mayor-President, is authorized and directed to comply with the dictates and intent of the adopted budget through whatever means he or she deems to be prudent and necessary and in order to ensure that a balanced budget is adopted. Upon completion of budget finalization work each year, the Chief Financial Officer, through the Lafayette Mayor-President, shall prepare a written report

- to the Lafayette City-Parish Council detailing the amount and nature of any adjustments required to implement the adopted budget.
- D. Lafayette City-Parish Consolidated Government's budget and accounting practices assign to each department an amount designated as "Uninsured Losses" representing amounts to be transferred from each of the departments to the City-Parish Risk Management Program for uninsured losses incurred by the department. Such appropriations labeled "Uninsured Losses" shall not be transferred to any other line item in any department having such an appropriation.
- E. Salary appropriations for filled positions adopted in the annual budget shall be considered encumbered upon the implementation of the adopted budget.
- F. Salaries-Promotion Costs Line Items: Certain promotion costs have been funded in a special salary account entitled "promotion costs" and assigned the account code "50300" within each department. Whenever an intra-departmental promotion occurs, an administrative budget revision may be effected to move the salary and benefit costs to the appropriate line items for that division and to amend the Manning Table for the personnel position changes effective with the date of the promotion. No promotion date shall be before the first full pay period of the new fiscal year. Such changes to the budget shall be effected by administrative budget revision, a copy of which should be provided to the Office of the Clerk of the Lafayette City-Parish Council.
- G. Overtime Line Items: Where additional overtime by existing employees is required to fulfill the duties of vacant positions, funds necessary to pay salaries for the same may be moved from the salary account allocated for the vacant position to an overtime line item for that division, provided, however, that the funds moved to the overtime line item shall not reduce funds available for the vacant position to less than the amount that would be required to fill the vacant position for the remainder of the fiscal year. Such changes in the salary account and the overtime line item shall be accomplished by administrative budget revision, a copy of which should be provided to the Office of the Clerk of the Lafayette City-Parish Council.
- H. The general amendments may include changes to existing work orders in the FY 2016-2017 budget. Those changes are reflected in a separate column, if applicable, on amended schedules and this ordinance serves to approve and amend in the current FY 2016-2017 budget the changes so reflected and the Chief Financial Officer is authorized to effect the required budget changes.
- I. The amounts allocated herein for External Agencies (Arts & Culture, Social Services and ACA Grant) shall only be disbursed upon the approval of the Lafayette City-Parish Council based on recommendations submitted to the Lafayette City-Parish Council. The Lafayette Mayor-President is directed to develop and present to the Lafayette City-Parish Council an appropriate ordinance to amend the existing ordinance relative to the funding of external agencies in order to incorporate the spirit of this section.
- J. Whereby changes to existing work orders in the Five-Year Capital plans may be required to fulfill the adopted FY 2017-2018 Five-Year Capital Improvement Budget, such changes are reflected in the capital outlay budget column titled "Existing Work Order Changes." This ordinance will serve to approve and amend in the current FY 2016-2017 budget the changes reflected in that column and the Chief Financial Officer is authorized to effect the required budget revision if applicable.

SECTION 5: Certain activities and services are jointly provided and funded in the Adopted Operating & Five-Year Capital Improvement Budget with City of Lafayette funds and/or with Parish of Lafayette funds, and it is intended that the cost of such services and activities be shared equitably as set forth in the Allocation Schedule included in the "Budget Overview" section of the Adopted Operating & Five-Year Capital Improvement Budget. The Allocation Schedule reflects the financial obligations of the City and Parish funds for such services and activities, and the Chief Financial Officer, through the Lafayette Mayor-President, is authorized and directed to make such periodic transfers as necessary to comply with such schedule. It is agreed and understood that such transfers will be made by applying the percentages set forth in said Allocation Schedule to the final adopted budget amounts.

SECTION 6: If any one of the provisions of this ordinance or the application thereof to any person or circumstance is held invalid or unconstitutional, such invalidity or unconstitutionality shall not affect other provisions or application of this ordinance which can be given without the invalid provision or application, and, to this end, the provisions of this ordinance are declared severable.

SECTION 7: All ordinances or resolutions, or parts thereof, in conflict herewith are hereby repealed.

SECTION 8: This ordinance shall become effective upon signature of the Lafayette Mayor-President, the elapse of ten (10) days after receipt by the Lafayette Mayor-President without signature or veto, or upon an override of a veto, whichever occurs first.

Louisiana Revised Statutes limit the Parish's General Obligation bonded debt for other purposes to 10% of the assessed valuation of the taxable property for a single purpose with no limit on the number of purposes. The City may issue general obligation bonded debt in excess of 10% of the assessed valuation of the taxable property for any single purpose provided that the aggregate for all such purposes (determined at the time of issuance of the bonds) does not exceed 35% of the assessed valuation of the taxable property of the City.
