CHAPTER 2. THE CHILDREN'S HOSPITAL PROGRAM

1179.20. The proceeds of bonds issued and sold pursuant to this part shall be deposited in the Children's Hospital Fund, which is hereby created.

1179.21. The purpose of the Children's Hospital Program is to improve the health and welfare of California's critically ill children, by providing a stable and ready source of funds for capital improvement projects for children's hospitals. The program provided for in this part is in the public interest, serves a public purpose, and will promote the health, welfare, and safety of the citizens of the state.

1179.22. The authority is authorized to award grants to any children's hospital for purposes of funding projects, as defined in subdivision (g) of Section 1179.11.

1179.23. (a) Twenty percent of the total funds available for grants pursuant to this part shall be awarded to children's hospitals as defined in paragraph (1) of subdivision (b) of Section 1179.11.

(b) Eighty percent of the total funds available for grants pursuant to this part shall be awarded to children's hospitals as defined in paragraph (2) of subdivision (b) of Section 1179.11.

1179.24. (a) The authority shall develop a written application for the awarding of grants under this part within 90 days of the adoption of this act. The authority shall award grants to eligible children's hospitals, subject to the limitations of this part and to further the purposes of this part based on the following factors:

(1) The grant will contribute toward expansion or improvement of health care access by children eligible for governmental health insurance programs and indigent, underserved, and uninsured children.

(2) The grant will contribute toward the improvement of child health care or pediatric patient outcomes.

(3) The children's hospital provides uncompensated or undercompensated care to indigent or public pediatric patients.

(4) The children's hospital provides services to vulnerable pediatric populations.

(5) The children's hospital promotes pediatric teaching or research programs.

(6) Demonstration of project readiness and project feasibility.

(b) An application for funds shall be submitted to the authority for approval as to its conformity with the requirements of this part. The authority shall process and award grants in a timely manner, not to exceed 60 days.

(c) A children's hospital identified in paragraph (1) of subdivision (b) of Section 1179.11 shall not apply for, and the authority shall not award to that children's hospital, a grant that would cause the total amount of grants awarded to that children's hospital to exceed one-fifth of the total funds available for grants to all children's hospitals pursuant to subdivision (a) of Section 1179.23. Notwithstanding this grant limitation, any funds available under subdivision (a) of Section 1179.23 that have not been exhausted by June 30, 2014, shall become available for an application from any children's hospital identified in paragraph (1) of subdivision (b) of Section 1179.11.

(d) A children's hospital identified in paragraph (2) of subdivision (b) of Section 1179.11 shall not apply for, and the authority shall not award to that children's hospital, a grant that would cause the total amount of grants awarded to that children's hospital to exceed seventy-four million dollars (\$74,000,000) from funds available for grants to all children's hospitals pursuant to subdivision (b) of Section 1179.23. Notwithstanding this grant limitation, any funds available under subdivision (b) of Section 1179.23 that have not been exhausted by June 30, 2014, shall become available for an application from any children's hospital defined in paragraph (2) of subdivision (b) of Section 1179.11.

(e) In no event shall a grant to finance a project exceed the total cost of the project, as determined by the children's hospital and approved by the authority.

(f) All projects that are awarded grants shall be completed within a reasonable period of time. If the authority determines that the children's hospital has failed to complete the project under the terms specified in awarding the grant, the authority may require remedies, including the return of all or a portion of the grant. A children's hospital receiving a grant under this part shall submit certification of project completion to the authority.

(g) Grants shall only be available pursuant to this section if the authority determines that it has sufficient money available in the fund. Nothing in this section shall require the authority to award grants if the authority determines that it has insufficient moneys available in the fund to do so.

(h) The authority may annually determine the amount available for purposes of this part. Administrative costs for this program shall not exceed the actual costs or one percent, whichever is less.

1179.25. The Bureau of State Audits may conduct periodic audits to ensure that bond proceeds are awarded in a timely fashion and in a manner consistent with the requirements of this part, and that awardees of bond proceeds are using funds in compliance with applicable provisions of this part.

CHAPTER 3. FISCAL PROVISIONS

1179.30. Bonds in the total amount of seven hundred fifty million dollars (\$750,000,000), not including the amount of any refunding bonds, may be issued and sold to provide a fund to be used for carrying out the purposes expressed in this part and to reimburse the General Obligation Bond Expense Revolving Fund pursuant to Section 16724.5 of the Government Code. The bonds, when sold, shall be and constitute a valid and binding obligation of the State of California, and the full faith and credit of the State of California is hereby pledged for the punctual payment of the principal of, and interest on, the bonds as the principal and interest become due and payable.

1179.31. The bonds authorized by this part shall be prepared, executed, issued, sold, paid, and redeemed as provided in the State General Obligation Bond Law (Chapter 4 (commencing with Section 16720) of Part 3 of Division 4 of Title 2 of the Government Code), and all of the provisions of that law apply to the bonds and to this part and are hereby incorporated in this part as though set forth in full in this part.

1179.32. (a) Solely for the purpose of authorizing the issuance and sale pursuant to the State General Obligation Bond Law of the bonds authorized by this part, the Children's Hospital Bond Act Finance Committee is hereby created. For purposes of this part, the Children's Hospital Bond Act Finance Committee is "the committee" as that term is used in the State General Obligation Bond Law. The committee consists of the Controller, Director of Finance, and the Treasurer, or their designated representatives. The Treasurer shall serve as chairperson of the committee. A majority of the committee may act for the committee.

(b) The authority is designated the "board" for purposes of the State General Obligation Bond Law, and shall administer the fund pursuant to this part.

1179.33. The committee shall determine whether or not it is necessary or desirable to issue bonds authorized pursuant to this part in order to carry out the actions specified in Section 1179.21 and, if so, the

Proposition 61 (cont.)

amount of bonds to be issued and sold. Successive issues of bonds may be authorized and sold to carry out those actions progressively, and it is not necessary that all of the bonds be issued or sold at any one time.

1179.34. There shall be collected each year and in the same manner and at the same time as other state revenue is collected, in addition to the ordinary revenues of the state, a sum in an amount required to pay the principal of, and interest on, the bonds each year. It is the duty of all officers charged by law with any duty in regard to the collection of the revenue to do and perform each and every act that is necessary to collect that additional sum.

1179.35. Notwithstanding Section 13340 of the Government Code, there is hereby appropriated continuously from the General Fund in the State Treasury, for the purposes of this part, an amount that will equal the total of the following:

(a) The sum annually necessary to pay the principal of, and interest on, bonds issued and sold pursuant to this part, as the principal and interest become due and payable.

(b) The sum necessary to carry out Section 1179.36, appropriated without regard to fiscal years.

1179.36. For the purposes of carrying out this part, the Director of Finance may authorize the withdrawal from the General Fund of an amount not to exceed the amount of the unsold bonds that have been authorized by the committee to be sold for the purpose of carrying out this part. Any amounts withdrawn shall be deposited in the fund. Any money made available under this section shall be returned to the General Fund from proceeds received from the sale of bonds for the purpose of carrying out this part.

1179.37. All money deposited in the fund that is derived from premium and accrued interest on bonds sold shall be reserved in the fund and shall be available for transfer to the General Fund as a credit to expenditures for bond interest.

1179.38. Pursuant to Chapter 4 (commencing with Section 16720) of Part 3 of Division 4 of Title 2 of the Government Code, the cost of bond issuance shall be paid out of the bond proceeds. These costs shall be shared proportionally by each program funded through this bond act.

1179.39. The authority may request the Pooled Money Investment Board to make a loan from the Pooled Money Investment Account in

accordance with Section 16312 of the Government Code, for purposes of carrying out this part. The amount of the request shall not exceed the amount of the unsold bonds that the committee, by resolution, has authorized to be sold for the purpose of carrying out this part. The authority shall execute any documents required by the Pooled Money Investment Board to obtain and repay the loan. Any amounts loaned shall be deposited in the fund to be allocated by the board in accordance with this part.

1179.40. The bonds may be refunded in accordance with Article 6 (commencing with Section 16780) of Chapter 4 of Part 3 of Division 4 of Title 2 of the Government Code, which is a part of the State General Obligation Bond Law. Approval by the voters of the state for the issuance of the bonds described in this part includes the approval of the issuance of any bonds issued to refund any bonds originally issued under this part or any previously issued refunding bonds.

1179.41. Notwithstanding any other provision of this part, or of the State General Obligation Bond Law, if the Treasurer sells bonds pursuant to this part that include a bond counsel opinion to the effect that the interest on the bonds is excluded from gross income for federal tax purposes, subject to designated conditions, the Treasurer may maintain separate accounts for the investment of bond proceeds and for the investment of earnings on those proceeds. The Treasurer may use or direct the use of those proceeds or earnings to pay any rebate, penalty, or other payment required under federal law or take any other action with respect to the investment and use of those bond proceeds required or desirable under federal law to maintain the tax-exempt status of those bonds and to obtain any other advantage under federal law on behalf of the funds of this state.

1179.42. The people hereby find and declare that, inasmuch as the proceeds from the sale of bonds authorized by this part are not "proceeds of taxes" as that term is used in Article XIII B of the California Constitution, the disbursement of these proceeds is not subject to the limitations imposed by that part.

1179.43. Notwithstanding any other provision of this part, the provisions of this part are severable. If any provision of this part or its application is held invalid, that invalidity shall not affect other provisions or applications that can be given effect without the invalid provision or application.
