Except as otherwise provided in Section 4.06 hereof, upon presentation and surrender of Bonds, the principal or Redemption Price of such Bonds shall be payable at the designated corporate trust office of the Trustee. Interest on the Bonds shall be paid by check mailed to the registered owner thereof at the address thereof as it appears on the registry books of the Corporation or if authorized by the Supplemental Indenture authorizing a Series of Bonds by wire transfer to such registered owner of the Bonds of such Series. For purposes of this Section, interest is payable to the registered owner of a Bond at the close of business on the Record Date for such Bond. All payments of principal or Redemption Price of or interest on Bonds shall specify the CUSIP number or numbers of the Bonds in connection with which such payment is made.

The Bonds of each Series shall be issued in the form of fully registered Bonds without coupons.

Bonds of each Series issued prior to the first Interest Payment Date thereof shall be dated as of the date specified in the Supplemental Indenture authorizing the issuance thereof. Bonds of each Series issued on or subsequent to the first Interest Payment Date thereof shall be dated as of the Interest Payment Date immediately preceding the date of authentication thereof by the Trustee, unless such date of authentication shall be an Interest Payment Date, in which case they shall be dated as of such date of authentication; *provided, however*, that if, as shown by the records of the Trustee, interest on the Bonds of any Series shall be in default, the Bonds of such Series issued in lieu of Bonds surrendered for transfer or exchange may be dated as of the date to which interest has been paid in full on the Bonds surrendered. The Corporation shall provide for the assignment of CUSIP numbers for such Bonds and cause such CUSIP numbers to be printed thereon, and the Trustee shall use such CUSIP numbers in notices of redemption and on all checks payable to Bondholders as a convenience to Bondholders; *provided, however*, that any such notice shall state that no representation is made as to the correctness of such number either as printed on such Bonds or as contained in any notice of redemption, and that an error in a CUSIP number as printed on such Bond or as contained in any notice of redemption shall not affect the validity of the proceedings for redemption. The Corporation shall promptly notify the Trustee of any change in the CUSIP numbers assigned to any Bond of which the Corporation has knowledge.

Section 3.04 Execution and Authentication. The Bonds shall be executed in the name of the Corporation by the manual or facsimile signature of an Authorized Officer, and attested by the manual or facsimile signature of the Secretary, an Assistant Secretary or other Authorized Officer of the Corporation, or in such other manner as may be permitted by law. In case any one or more of the officers or employees who shall have signed any of the Bonds shall cease to be such officer or employee before the Bonds so signed shall have been actually authenticated and delivered by the Trustee, such Bonds may, nevertheless, be delivered as provided herein, and may be issued as if the persons who signed such Bonds had not ceased to hold such offices or be so employed. Any Bond may be signed on behalf of the Corporation by such persons as at the actual time of the execution of such Bond shall be duly authorized or hold the proper office in or be employed by, the Corporation, although at the date of the Bonds such persons may not have been so authorized or have held such office or employment.

The Bonds of each Series shall bear thereon a certificate of authentication, in the form set forth in the Supplemental Indenture authorizing the issuance of such Bonds, executed manually by the Trustee. Only such Bonds as shall bear thereon such certificate of authentication shall be entitled to any right or benefit hereunder and no Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Trustee. Such certificate of the Trustee upon any Bond executed on behalf of the Corporation shall be conclusive evidence that the Bond so authenticated has been duly authenticated and delivered hereunder and that the Holder thereof is entitled to the benefits hereof.

Section 3.05 Interchangeability of Bonds. Bonds, upon surrender thereof at the designated corporate trust office of the Trustee with a written instrument of transfer satisfactory to the Trustee, duly executed by the registered owner or his attorney duly authorized in writing, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of Bonds of the same Series, maturity and tenor of any other authorized denominations.

Section 3.06 Transfer and Registry. So long as any of the Bonds shall not have matured or been called for redemption, the Corporation shall maintain and keep, or cause to be maintained and kept, at the designated corporate trust office of the Trustee, books for the registration and transfer of Bonds; and, upon presentation thereof for such purpose at said office, the Corporation shall register or cause to be registered therein, and permit to be transferred thereon, under such reasonable regulations as it or the Trustee may prescribe, any Bond entitled to registration or transfer. Section 3.07 Transfer of Bonds. Each Bond shall be transferable only upon the books of the Corporation, which shall be kept for that purpose at the designated corporate trust office of the Trustee, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or his duly authorized attorney and the payment of a charge sufficient to reimburse the Corporation or the Trustee for any tax, fee or other governmental charge required to be paid with respect to such transfer. Upon the transfer of any such Bond, the Corporation shall cause to be issued in the name of the transferee a new Bond or Bonds of the same aggregate principal amount, Series, maturity and tenor as the surrendered Bond.

The Corporation and the Trustee may deem and treat the person in whose name any Outstanding Bond shall be registered upon the books of the Corporation as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal or Redemption Price of and, subject to the provisions of Section 3.01 hereof with respect to Record Dates, interest on such Bond and for all other purposes whatsoever, and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums paid, and neither the Corporation nor the Trustee shall be affected by any notice to the contrary. The Corporation agrees to indemnify and save the Trustee harmless from and against any and all loss, cost, charge, expense, judgment or liability incurred by it, acting in good faith and without negligence hereunder, in so treating such registered owner.

Section 3.08 Regulations with Respect to Exchanges and Transfers. In all cases in which the privilege of exchanging Bonds or transferring Bonds is exercised, the Corporation shall execute and the Trustee shall authenticate and deliver Bonds in accordance with the provisions hereof. All Bonds surrendered in any such exchanges or transfers shall forthwith be canceled by the Trustee. For every such exchange or transfer of Bonds, whether temporary or definitive, the Corporation or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. Notwithstanding any other provisions hereof, the cost of preparing each new Bond upon each exchange or transfer, and any other expenses of the Corporation or the Trustee incurred in connection therewith, shall be paid by the person requesting such exchange or transfer. The Corporation shall not be obliged to make, or cause to be made, any exchange or transfer of Bonds of any Series during the period beginning on the Record Date for such Bonds immediately preceding an Interest Payment Date on such Bonds and ending on such Interest Payment Date, or, in the case of any proposed redemption of Bonds of such Series, after the date immediately preceding the date notice of redemption has been mailed.

Section 3.09 Bonds Mutilated, Destroyed, Lost or Stolen. In case any Bond shall become mutilated or be destroyed, lost or stolen, the Corporation in its discretion may execute, and upon its request the Trustee shall authenticate and deliver, a new Bond of like Series, maturity, tenor and principal amount as the Bond so mutilated, destroyed, lost or stolen, in exchange and substitution for the mutilated, destroyed, lost or stolen Bond, upon surrender and cancellation of such mutilated Bond or in lieu of and substitution for such Bond so destroyed,

lost or stolen, upon filing with the Corporation evidence satisfactory to the Corporation and the Trustee that such Bond has been destroyed, lost or stolen and proof of ownership thereof, and upon furnishing the Corporation and the Trustee with indemnity satisfactory to them and complying with such other reasonable regulations as the Corporation and the Trustee may prescribe and paying such expenses as the Corporation and the Trustee may incur in connection therewith. All Bonds so surrendered to the Trustee shall be canceled by it and evidence of such cancellation shall be given to the Corporation. In case any Bond which has matured or is about to mature shall have become mutilated or have been destroyed, lost or stolen, the Corporation may, instead of issuing a Bond in exchange or substitution therefor, pay or authorize the payment of such mutilated Bond upon the surrender on or after the maturity date thereof, or authorize the payment of such destroyed, lost or stolen Bond, upon the Holder thereof filing evidence satisfactory to the Corporation and the Trustee that such Bond has been destroyed, lost or stolen and proof of ownership thereof, and upon furnishing the Corporation and the Trustee with indemnity satisfactory to them and complying with such other reasonable regulations as the Corporation and the Trustee may prescribe and paying such expenses as the Corporation and the Trustee may incur in connection therewith.

Section 3.10 Book Entry Bonds. Anything herein to the contrary notwithstanding, Bonds may be authorized and issued as Book Entry Bonds in accordance with the Supplemental Indenture authorizing such Bonds.

For all purposes of the Indenture the Holder of a Book Entry Bond shall be the Depository therefor and neither the Corporation nor the Trustee shall have responsibility or any obligation to the beneficial owner of such Bond or to any direct or indirect participant in such Depository. Without limiting the generality of the foregoing, neither the Corporation nor the Trustee shall have any responsibility or obligation to any such participant or to the beneficial owner of a Book Entry Bond with respect to (i) the accuracy of the records of the Depository or any participant with respect to any beneficial ownership interest in such Bond, (ii) the delivery to any participant of the Depository, the beneficial owner of such Bond or any other person, other than the Depository, of any notice with respect to such Bond, including any notice of the redemption thereof, or (iii) the payment to any participant of the Depository, the beneficial owner of such Bond or any other person, other than the Depository, of any amount with respect to the principal or Redemption Price of, or interest on, such Bond. The Corporation and the Trustee may treat the Depository therefor as the absolute owner of a Book Entry Bond for the purpose of (x) payment of the principal or Redemption Price of and interest on such Bond, (y) giving notices of redemption and of other matters with respect to such Bond, (z) registering transfers with respect to such Bond, and for all other purposes whatsoever. The Trustee shall pay all principal or Redemption Price of and interest on such Bond only to or upon the order of the Depository, and all such payments shall be valid and effective to fully satisfy and discharge the Corporation's obligations with respect to such principal or Redemption Price and interest to the extent of the sum or sums so paid. No person other than the Depository shall receive a Bond or other instrument evidencing the Corporation's obligation to make payments of the principal or Redemption Price thereof and interest thereon.

Anything herein to the contrary notwithstanding, payment of the Redemption Price of a Book Entry Bond which is redeemed in part prior to maturity may be paid to the Depository by wire transfer without surrender of such Bond to the Trustee; *provided, however*, that the Trustee

shall maintain records as to each such payment and of the principal amount of such Bond Outstanding, which shall be binding on the Corporation and the Holders from time to time of such Bond; *provided, further*, that payment of the principal or Redemption Price of and interest on a Book Entry Bond at the maturity date or earlier date on which such Bond has been called for redemption in whole shall only be made upon presentation and surrender of such Bond to the Trustee at its designated corporate trust office.

The Corporation, in its sole discretion and without the consent of the Trustee, the beneficial owner of a Book Entry Bond or any other person, may terminate the services of the Depository with respect to a Book Entry Bond if the Corporation determines that (i) the Depository is unable to discharge its responsibilities with respect to such Bonds or (ii) a continuation of the requirement that all of the Outstanding Bonds of like Series issued in book entry form be registered in the registration books of the Corporation in the name of the Depository, is not in the best interest of the beneficial owners of such Bonds, and the Corporation shall terminate the services of the Depository upon receipt by the Corporation and the Trustee of written notice from the Depository that it has received written requests that such Depository be removed from its participants having beneficial interest, as shown in the records of the Depository, in an aggregate amount of not less than a majority in principal amount of the then Outstanding Bonds for which the Depository is serving as Depository.

Upon the termination of the services of a Depository with respect to a Book Entry Bond, or upon the resignation of a Depository with respect to a Book Entry Bond, after which no substitute securities depository willing to undertake the functions of such Depository can be found which, in the opinion of the Corporation, is able to undertake such functions upon reasonable and customary terms, such Bonds shall no longer be registered in the registration books kept by the Trustee in the name of a Depository, but shall be registered in the name or names of the Bondholders transferring or exchanging such Bonds shall designate, in accordance with the provisions of Article III hereof.

Section 3.11 Preparation of Definitive Bonds; Temporary Bonds. The definitive Bonds of each Series shall be lithographed or printed on steel engraved borders, except that Book Entry Bonds may be typewritten. Until the definitive Bonds of any Series are prepared, the Corporation may execute, in the same manner as is provided in Section 3.04 hereof, and deliver, in lieu of definitive Bonds, but subject to the same provisions, limitations and conditions as the definitive Bonds, except as to the denominations thereof and as to exchangeability for registered Bonds, one or more temporary Bonds, substantially of the tenor of the definitive Bonds in lieu of which such temporary Bond or Bonds are issued, in authorized denominations or any whole multiples thereof authorized by the Corporation, and with such omissions, insertions and variations as may be appropriate to such temporary Bonds. The Corporation at its own expense shall prepare and execute and, upon the surrender at the designated corporate trust office of the Trustee of such temporary Bonds for exchange and the cancellation of such surrendered temporary Bonds the Trustee shall authenticate and, without charge to the Holder thereof, deliver in exchange therefor, at the designated corporate trust office of the Trustee, definitive Bonds of the same aggregate principal amount, Series and maturity as the temporary Bonds surrendered. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefits and security as definitive Bonds issued pursuant hereto.

All temporary Bonds surrendered in exchange for a definitive Bond or Bonds shall be forthwith canceled by the Trustee.

ARTICLE IV.

REDEMPTION OF BONDS

Section 4.01 Authorization of Redemption. Bonds subject to redemption prior to maturity pursuant hereto or to a Supplemental Indenture shall be redeemable, in accordance with this Article IV, at such times, at such Redemption Prices and upon such terms as may otherwise be specified herein or in the Supplemental Indenture authorizing such Series.

Section 4.02 Redemption at the Election of the Corporation. In the case of any redemption of Bonds other than as provided in Section 4.03 hereof, the Corporation shall give written notice to the Trustee of its election to redeem, of the Series and of the principal amounts of the Bonds of each maturity of such Series to be redeemed. Such notice shall be given not less than twenty (20) days prior to the redemption date or (or, if the Bonds are held by the Depository, in accordance with the rules of the Depository). The Series, maturities and principal amounts thereof to be so redeemed shall be determined by the Corporation in its sole discretion, subject to any limitations with respect thereto contained herein or in the Supplemental Indenture authorizing such Series. The Corporation shall pay to the Trustee on or prior to the redemption date an amount which, in addition to other amounts available therefor held by the Trustee, is sufficient to redeem on the redemption date at the Redemption Price thereof, together with interest accrued and unpaid thereon to the redemption date, all of the Bonds to be so redeemed.

Section 4.03 Redemption Other Than at Corporation's Election. Whenever by the terms hereof the Trustee is required to redeem Bonds through the application of mandatory Sinking Fund Installments, the Trustee shall select the Bonds of the Series and maturities to be redeemed in the manner provided in Section 4.04 hereof, give the notice of redemption and pay out of money available therefor the Redemption Price thereof, together with interest accrued and unpaid thereon to the redemption date, to the appropriate Paying Agents in accordance with the terms of this Article IV.

Section 4.04 Selection of Bonds to Be Redeemed. Unless otherwise provided in the Supplemental Indenture authorizing the issuance of Bonds of a Series, in the event of redemption of less than all of the Outstanding Bonds of like Series, maturity and tenor, the Trustee shall assign to each Outstanding Bond of the Series, maturity and tenor to be redeemed a distinctive number for each unit of the principal amount of such Bond equal to the lowest denomination in which the Bonds of such Series are authorized to be issued and shall select by lot, using such method of selection as it shall deem proper in its discretion, from the numbers assigned to such Bonds as many numbers as, at such unit amount equal to the lowest denomination in which the Bonds of such Series are authorized to be issued for each number, shall equal the principal amount of such Bonds to be redeemed. In making such selections the Trustee may draw the Bonds by lot (i) individually or (ii) by one or more groups, the grouping for the purpose of such drawing to be by serial numbers (or, in the case of Bonds of a denomination of more than the lowest denomination in which the Bonds of such Series are authorized to be issued, by the

numbers assigned thereto as in this Section 4.04 provided) which end in the same digit or in the same two digits. In case, upon any drawing by groups, the total principal amount of Bonds drawn shall exceed the amount to be redeemed, the excess may be deducted from any group or groups so drawn in such manner as the Trustee may determine. The Trustee may in its discretion assign numbers to aliquot portions of Bonds and select part of any Bond for redemption. The Bonds to be redeemed shall be the Bonds to which were assigned numbers so selected; *provided, however,* that only so much of the principal amount of each such Bond of a denomination of more than the lowest denomination in which the Bonds of such Series are authorized to be issued shall be redeemed as shall equal the lowest denomination in which the Bonds of such Series are authorized to be issued for each number assigned to it and so selected.

For purposes of this Section 4.04, the lowest denomination in which a Capital Appreciation Bond is authorized to be issued shall be the lowest Accreted Value authorized to be due at maturity on such Bonds, and the lowest denomination in which a Deferred Income Bond is authorized to be issued shall be the lowest Appreciated Value on the Interest Commencement Date authorized for such Bonds.

Section 4.05 Notice of Redemption. Whenever Bonds are to be redeemed, the Trustee shall give notice of the redemption of the Bonds in the name of the Corporation which notice shall specify: (i) the Bonds to be redeemed which shall be identified by the designation of the Bonds given in accordance with Section 2.01 hereof, the maturity dates and interest rates of the Bonds to be redeemed and the date such Bonds were issued; (ii) the numbers and other distinguishing marks of the Bonds to be redeemed, including CUSIP numbers; (iii) the redemption date; (iv) the Redemption Price, if then known; (v) with respect to each such Bond, the principal amount thereof to be redeemed; (vi) that, except in the case of Book Entry Bonds, such Bonds will be redeemed at the designated corporate trust office of the Trustee giving the address thereof and the telephone number of the Trustee to which inquiries may be directed; (vii) that no representation is made as to the correctness of the CUSIP number either as printed on the Bonds or as contained in such notice and that an error in a CUSIP number as printed on a Bond or as contained in such notice shall not affect the validity of the proceedings for redemption; and (viii) if the Corporation's obligation to redeem the Bonds is subject to conditions, a statement to that effect and of the conditions to such redemption. Such notice shall further state that, if on such date all conditions to redemption have been satisfied, there shall become due and payable on such date upon each Bond to be redeemed the Redemption Price thereof, together with interest accrued and unpaid thereon to the redemption date, and that, from and after such date, payment having been made or provided for, interest thereon shall cease to accrue. Such notice shall be given by mailing a copy of such notice not less than twenty (20) days (or, if the Bonds are held by the Depository, in accordance with the rules of the Depository) nor more than sixty (60) days prior to the redemption date. Such notice shall be sent by first class mail, postage prepaid, to the registered owners of the Bonds which are to be redeemed, at their last known addresses, if any, appearing on the registration books not more than ten (10) Business Days prior to the date such notice is given. Upon giving such notice, the Trustee shall promptly certify to the Corporation that it has mailed or caused to be mailed such notice to the Holders of the Bonds to be redeemed in the manner provided herein. Such certificate shall be conclusive evidence that such notice was given in the manner required hereby. The failure of any Holder of a Bond to be redeemed to receive such notice shall not affect the validity of the proceedings for the redemption of the Bonds.

The Trustee shall, if any of the Bonds to be redeemed are Book Entry Bonds, mail a copy of the notice of redemption to the Depository for such Book Entry Bonds not less than twenty (20) days prior to the redemption at the most recent address therefor, or to any successor thereof (or, if the Bonds are held by the Depository, such notice shall be given in accordance with the procedures of the Depository). Such copy shall be sent by first class mail, but mailing such copy shall not be a condition precedent to such redemption and failure to so mail or of a person to which such copy was mailed to receive such copy shall not affect the validity of the proceedings for the redemption of the Bonds.

Section 4.06 Payment of Redeemed Bonds. Notice having been given by mail in the manner provided in Section 4.05 hereof, the Bonds or portions thereof so called for redemption shall become due and payable on the redemption date so designated at the Redemption Price, plus interest accrued and unpaid to the redemption date, except as otherwise provided in Section 3.10 hereof upon presentation and surrender of such Bonds, at the office or offices specified in such notice, and, in the case of Bonds presented by other than the registered owner, together with a written instrument of transfer duly executed by the registered owner or his duly authorized attorney, such Bonds, or portions thereof, shall be paid at the Redemption Price plus interest accrued and unpaid to the redemption date; *provided, however*, that payment of the Redemption Price may be paid by wire transfer to such registered owner if so authorized in the Supplemental Indenture that authorized the Bonds of the Series to be redeemed. If there shall be called for redemption less than all of the principal amount of a registered Bond, the Corporation shall execute and the Trustee shall authenticate and deliver, upon the surrender of such Bond, without charge to the owner thereof, for the unredeemed balance of the principal amount of the registered Bond so surrendered, Bonds of like Series, maturity and tenor in any of the authorized denominations. If, on the redemption date, money for the redemption of all Bonds or portions thereof of any like Series, maturity and tenor to be redeemed, together with interest accrued and unpaid thereon to the redemption date, shall be held by the Trustee and Paying Agents so as to be available therefor on such date and if notice of redemption shall have been mailed as aforesaid, then, from and after the redemption date, interest on the Bonds or portions thereof so called for redemption shall cease to accrue and such Bonds shall no longer be considered to be Outstanding hereunder. If such money shall not be so available on the redemption date, such Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

ARTICLE V.

PLEDGE OF TRUST ESTATE; FUNDS AND ACCOUNTS; SALES TAX REVENUES AND APPLICATION THEREOF

Section 5.01 Pledge of Trust Estate. The Corporation, to secure the payment of the principal and Redemption Price of and interest on the Bonds and Subordinated Indebtedness and performance and observance of all of the covenants and conditions herein or therein contained, has by the Granting Clause hereof conveyed, granted, assigned, transferred, pledged, set over and confirmed and granted a security interest in and does hereby convey, grant, assign, transfer, pledge, set over and confirm and grant a security interest in, unto the Trustee its successor or successors and its or their assigns forever, with power of sale, the Trust Estate. The Bonds shall be special obligations of the Corporation payable solely from and secured by a pledge of the Trust Estate, which pledge shall constitute a first lien thereon.

The pledge is an agreement between the Corporation and Holders of Bonds and Subordinated Indebtedness to provide security for the Bonds and Subordinated Indebtedness, and is in addition to any statutory lien that may exist.

Section 5.02 Establishment of Funds and Accounts. (a) The following funds and separate accounts within funds are hereby established and shall be held, in trust, and maintained by the Trustee:

Proceeds Fund:

All money at any time deposited in any fund, account or subaccount created and pledged hereby or by any Supplemental Indenture or required thereby to be created shall be held in trust for the benefit of the Holders of Bonds, but shall nevertheless be disbursed, allocated and applied solely for the uses and purposes provided herein.

Section 5.03 Application of Bond Proceeds. Upon the receipt of proceeds from the sale of a Series of Bonds, the Corporation shall apply such proceeds as specified herein and in the Supplemental Indenture authorizing such Series.

Accrued interest, if any, received upon the delivery of a Series of Bonds shall be deposited in the Debt Service Fund unless all or any portion of such amount is to be otherwise applied as specified in the Supplemental Indenture authorizing such Series.

Section 5.04 Application of Money in the Proceeds Fund. (a) As soon as practicable after the delivery of each Series of Bonds, there shall be deposited into each account within the Proceeds Fund, the Debt Service Fund and the Debt Service Reserve Fund the amount required to be deposited therein pursuant to the Supplemental Indenture authorizing such Series. The income or interest earned on investments held for the credit of the Proceeds Fund shall be withdrawn by the Trustee, as received, and deposited in the Interest Account of the Debt Service Fund unless otherwise expressly directed by an Authorized Officer of the Corporation.

(b) Money in the City Proceeds Account of the Proceeds Fund shall be paid to or upon the direction of the City in accordance with a Direction Letter. Except as otherwise provided in this Article V and in any applicable Supplemental Indenture money in the Costs of Issuance Account of the Proceeds Fund shall be used only to pay the Costs of Issuance of the Bonds. Such payments shall be made by the Trustee upon the written direction of an Authorized Officer of the Corporation that sets forth in reasonable detail the purpose of the payment, the amount of such payment and the name of the payee. The Trustee shall rely fully on any such written direction delivered pursuant to this Section and shall not be required to make any investigation in connection therewith.

(c) The money remaining in the Proceeds Fund after paying or making provision in accordance with the direction of an Authorized Officer of the Corporation for the payments required to be made pursuant to paragraph (b) of this Section, including any Costs of Issuance then unpaid, shall be applied as follows and in the following order of priority:

First: To the Arbitrage Rebate Fund, the amount determined by the Corporation to be required to be deposited therein;

Second: To the Debt Service Reserve Fund, such amount as shall be necessary to make the amount on deposit in such fund equal to the Debt Service Reserve Fund Requirement, if any; and

Third: Any balance remaining, upon the written direction of the City.

Section 5.05 Deposit of Sales Tax Revenues in the Securitized Sales Tax Revenue Fund. (a) Effective on the date of issuance of the Initial Bonds, the City shall direct the Director of the Department of Revenue, the State Comptroller and the State Treasurer to pay all Sales Tax Revenues to the Trustee on behalf of the Corporation. All Sales Tax Revenues received by the Trustee shall be deposited on a daily basis, if practicable, but in no event more than two (2) Business Days after receipt thereof by the Trustee, into the Securitized Sales Tax Revenue Fund and such amounts shall be applied by the Trustee to fund the deposits set forth in Section 5.06 below.

(b) Any Sales Tax Revenues received by the Corporation shall be promptly (and no event later than two Business Days after receipt) transferred to the Trustee for deposit in the Securitized Sales Tax Revenue Fund.

Section 5.06 Application of Sales Tax Revenues. Promptly (and in no event later than two Business Days) following the deposit of Sales Tax Revenues into the Securitized Sales Tax Revenue Fund, the Trustee shall withdraw from the Securitized Sales Tax Revenue Fund and transfer and apply such amounts as follows and in the following order of priority:

First: To the Operating Fund in each Fiscal Year (i) the lesser of (a) the Operating Cap and (b) the budgeted Corporation Expenses for such Fiscal Year less (ii) the amount on deposit in the Operating Fund as of the first day of such Fiscal Year available for the Corporation's Expenses for such Fiscal Year;

Second: To the Interest Account of the Debt Service Fund, an amount equal to (a) any interest then due and unpaid on Outstanding Bonds, plus (b) 150% of the Interest Funding Requirement until the amount on deposit therein is equal to 100% of the interest due on all Outstanding Bonds on the next succeeding Interest Payment Date, less any amounts scheduled to be transferred to the Interest Account of the Debt Service Fund from the Capitalized Interest Account of the Debt Service Fund pursuant to Section 5.04(b);

Third: To the Principal Account of the Debt Service Fund, an amount equal to (a) any principal and Sinking Fund Installments then due and unpaid on Outstanding Bonds, plus (b) 150% of the Principal Funding Requirement until such amount on deposit therein is equal to 100% of the principal and Sinking Fund Installments due on all Outstanding Bonds on the next succeeding Principal Payment Date;

Fourth: To reimburse, *pro rata*, each Provider for Provider Payments which are then unpaid, in proportion to the respective Provider Payments then unpaid to each Provider;

Fifth: Upon the direction of an Authorized Officer of the Corporation, to the Arbitrage Rebate Fund the amount set forth in such direction;

Sixth: To the Debt Service Reserve Fund, the Debt Service Reserve Deposit Requirement, if any;

Seventh: To the Subordinated Indebtedness Fund, the amount required to be deposited therein as set forth in a Supplemental Indenture;

Eighth: To the Corporation, the amount, if any, necessary to pay Corporation Expenses specified by a certificate of an Authorized Officer of the Corporation in excess of the Operating Cap for such Fiscal Year or incurred but not paid in the preceding Fiscal Year;

Ninth: Upon the direction of the Corporation, to the Debt Retirement Fund, the amount set forth in such direction; and

Tenth: To the Residual Fund, any remaining balance.

Section 5.07 Debt Service Fund. (a) The Trustee shall pay out of the Debt Service Fund the principal and Sinking Fund Installments of and interest on all Outstanding Bonds as the same is due and payable. Amounts paid to a Paying Agent for payments pursuant to this Section shall be irrevocably pledged to and applied to such payments.

(b) In the event that on the second Business Day or on any subsequent date preceding any date on which the principal or Sinking Fund Installment of or interest on Outstanding Bonds is due the amount in the Debt Service Fund is less than the amount required for payment of the interest on and the principal and Sinking Fund Installments of the Outstanding Bonds due on said date, the Trustee shall withdraw, first, from the Debt Retirement Fund, and then from the Debt Service Reserve Fund, and deposit to the Debt Service Fund, such amount as will increase the amount therein to an amount sufficient to make such payments; *provided, however*, no amount shall be withdrawn from the Debt Retirement Fund if and to the extent such amount is required to pay the Redemption Price or purchase price of Outstanding Bonds theretofore called for redemption or contracted to be purchased.

(c) Notwithstanding the provisions of this Section, the Corporation may, at any time subsequent to the first day of any Fiscal Year but in no event less than twenty (20) days prior to the succeeding date on which a Sinking Fund Installment is scheduled to be due, direct the Trustee to purchase, with money on deposit in the Debt Service Fund, at a price not in excess of par plus interest accrued and unpaid to the date of such purchase, Term Bonds to be redeemed from such Sinking Fund Installment. Any Term Bond so purchased or otherwise purchased and delivered to the Trustee shall be canceled upon receipt thereof by the Trustee and evidence of such cancellation shall be given to the Corporation. The principal amount of each Term Bond so canceled shall be credited against the Sinking Fund Installment due on such date.

(d) Money in the Debt Service Fund on the last day of each Fiscal Year in excess of the amount required to pay principal or Sinking Fund Installments of or interest on Outstanding Bonds on the next succeeding Principal Payment Date, including the income or interest earned on investment of money in the Debt Service Fund, shall be withdrawn and transferred first, to the Debt Service Reserve Fund in such amount, if any, as may be necessary to make the amount on deposit in such fund equal to the Debt Service Reserve Fund Requirement, second, to the Subordinated Indebtedness Fund, in such amount, if any, as is necessary to make the amount on deposit therein equal to the principal of and interest due and payable on the Subordinated

Indebtedness on the next Principal Payment Date and third, any excess remaining may at the direction of the Corporation either be retained therein or transferred to any other fund or account established pursuant hereto; ***provided, however,*** that if no direction has been given by the Corporation, the excess on the last day of each Fiscal Year shall be transferred by the Trustee to the Residual Fund.

Section 5.08 Debt Service Reserve Fund. (a) (1) The Trustee shall deposit to the credit of the Debt Service Reserve Fund such proceeds of the sale of Bonds, if any, as shall be prescribed in the Supplemental Indenture authorizing the issuance of such Series of Bonds. If at any time the amount in the Debt Service Reserve Fund is not at least equal to the Debt Service Reserve Fund Requirement, the Corporation shall have no obligation to maintain or restore the Debt Service Reserve Fund to the Debt Service Reserve Fund Requirement other than as expressly provided in this Indenture.

(2) In lieu of or in substitution for money or another Reserve Fund Facility, the Corporation may deliver or cause to be delivered to the Trustee a Reserve Fund Facility for the benefit of the Holders of the Bonds for all or any part of the Debt Service Reserve Requirement, if any; ***provided, however,*** as a condition to delivery thereof (other than upon initial issuance of the Initial Bonds) the Trustee shall also receive (i) a Rating Confirmation, (ii) an opinion of counsel to the Provider acceptable to the Trustee to the effect that such Reserve Fund Facility has been duly authorized, executed and delivered by the Provider thereof and is valid, binding and enforceable in accordance with its terms, (iii) in the event such Provider is not a domestic entity, an opinion of foreign counsel in form and substance satisfactory to the Trustee and to each Provider and (iv) in the event such Reserve Fund Facility is a letter of credit, an opinion of counsel acceptable to the Trustee substantially to the effect that payments under such letter of credit will not constitute voidable preferences under Section 547 of the United States Bankruptcy Code in a case commenced by or against the Corporation.

Each such Reserve Fund Facility shall be payable (upon the giving of such notice as may be required thereby) on any date on which money is required to be withdrawn from the Debt Service Reserve Fund and such withdrawal cannot be made without obtaining payment under such Reserve Fund Facility.

For the purposes of this Section and Section 5.15 hereof, in computing the amount on deposit in the Debt Service Reserve Fund, a Reserve Fund Facility shall be valued at the amount available to be paid thereunder on the date of computation.

(b) Money held for the credit of the Debt Service Reserve Fund shall be withdrawn by the Trustee and deposited to the credit of the Debt Service Fund at the times and in the amounts required to comply with the provisions of Section 5.07(b) hereof; ***provided, however,*** that no payment under a Reserve Fund Facility shall be sought unless and until money is not available in the Debt Service Reserve Fund and the amount required to be withdrawn from the Debt Service Reserve Fund pursuant to this paragraph cannot be withdrawn therefrom without obtaining payment under such Reserve Fund Facility; ***provided, further,*** that, if more than one Reserve Fund Facility is held for the credit of the Debt Service Reserve Fund at the time money is to be withdrawn therefrom, the Trustee shall obtain payment under each such Reserve Fund Facility, *pro rata*, based upon the respective amounts then available to be paid thereunder.

With respect to any demand for payment under any Reserve Fund Facility, the Trustee shall make such demand for payment in accordance with the terms of such Reserve Fund Facility at the earliest time provided therein to assure the availability of money on the date for which such money is required.

(c) The income or interest earned on investments held for the credit of the Debt Service Reserve Fund shall, at the written direction of the Corporation, be withdrawn by the Trustee and be deposited in the Arbitrage Rebate Fund, the Debt Service Fund, the Subordinated Indebtedness Fund, the Debt Retirement Fund or the Residual Fund in accordance with such direction, *provided, however*, that such amounts shall not be directly deposited to the Residual Fund unless in the opinion of Transaction Counsel such application will not adversely affect the exclusion of interest on any Tax Exempt Bond from gross income for federal income tax purposes. If on June 30 of a Fiscal Year the value of the money, investments and Reserve Fund Facilities held for the credit of the Debt Service Reserve Fund exceeds the Debt Service Reserve Fund Requirement, if any, such excess shall be withdrawn by the trustee upon direction of the Corporation and deposited in the Arbitrage Rebate Fund, the Debt Service Fund, the Subordinated Indebtedness Fund, the Debt Retirement Fund or the Residual Fund, in accordance with such direction; *provided, however*, that if no direction has been given by the Corporation, the excess on the last day of each Fiscal Year shall be transferred by the Trustee to the Debt Service Fund; *provided, further*, that such amounts shall not be directly deposited to the Residual Fund unless in the opinion of Transaction Counsel such application will not adversely affect the exclusion of interest on any Tax Exempt Bond from gross income for federal income tax purposes; and *provided, further*, that if such amount results from the substitution of a Reserve Fund Facility for money or investments in the Debt Service Reserve Fund, such amount shall not be so applied unless in the opinion of Transaction Counsel such application will not adversely affect the exclusion of interest on any Tax Exempt Bond from gross income for federal income tax purposes.

(d) Notwithstanding the provisions hereof, if, upon a Bond having been deemed to have been paid in accordance with Section 12.01 hereof, the amount held for the credit of the Debt Service Reserve Fund will exceed the Debt Service Reserve Fund Requirement, if any, then the Trustee shall, in accordance with the written direction of an Authorized Officer of the Corporation, withdraw all or any portion of such excess from the Debt Service Reserve Fund and either (i) apply such amount to the payment of the principal or Redemption Price of and interest on such Bond in accordance with the irrevocable instructions of the Corporation or to fund any reserve for the payment of the principal and sinking fund installments of or interest on the bonds, notes or other obligations, if any, issued to provide for the payment of such Bond or (ii) pay such amount to, or upon the order of, the Corporation if, in the opinion of Transaction Counsel, such payment will not adversely affect the exclusion of interest on any Tax Exempt Bond from gross income for federal income tax purposes; *provided, however*, that no such withdrawal shall be made if the amount remaining in the Debt Service Reserve Fund following such withdrawal would be less than the Debt Service Reserve Fund Requirement, if any.

Section 5.09 Arbitrage Rebate Fund. The Trustee shall deposit to the Arbitrage Rebate Fund any money delivered to it by the Corporation for deposit therein and, notwithstanding any other provisions of this Article V, shall transfer to the Arbitrage Rebate Fund, in accordance with the directions of an Authorized Officer of the Corporation, money on

deposit in any other funds or accounts held by the Trustee hereunder at such times and in such amounts as shall be set forth in such directions.

Money on deposit in the Arbitrage Rebate Fund shall be applied by the Trustee in accordance with the direction of an Authorized Officer of the Corporation to make payments to the Department of the Treasury of the United States of America at such times and in such amounts as the Corporation shall determine to be required by the Code to be rebated to the Department of the Treasury of the United States of America. Money which an Authorized Officer of the Corporation determines to be in excess of the amount required to be so rebated shall be withdrawn and transferred to the Debt Service Reserve Fund in such amount, if any, as may be necessary to make the amount on deposit in such fund equal to the Debt Service Reserve Fund Requirement, if any, and any excess remaining may at the direction of the Corporation either be retained therein or transferred to any other fund or account established pursuant hereto.

If and to the extent required by the Code, the Corporation shall periodically, at such times as may be required to comply with the Code, determine the amount required by the Code to be rebated to the Department of the Treasury of the United States of America with respect to Tax Exempt Bonds and (i) transfer or direct the Trustee to transfer from any other of the funds and accounts held hereunder and deposit to the Arbitrage Rebate Fund, such amount as the Corporation shall have determined to be necessary in order to enable it to comply with its obligation to rebate money to the Department of the Treasury of the United States of America with respect to Tax Exempt Bonds and (ii) pay out of the Arbitrage Rebate Fund to the Department of the Treasury of the United States of America the amount, if any, required by the Code to be rebated thereto.

Section 5.10 Subordinated Indebtedness Fund. Subject to Section 5.06 of this Indenture, the Corporation shall deposit in the Subordinated Indebtedness Fund all Sales Tax Revenues paid to the Corporation and all other money not otherwise required hereby to be applied to a purpose other than those of the Subordinated Indebtedness Fund as may be required for payment of Subordinated Indebtedness. The Trustee shall pay out of the Subordinated Indebtedness Fund all amounts required for such payments in accordance with the Supplemental Indenture authorizing the issuance of such Subordinated Indebtedness. Money in the Subordinated Indebtedness Fund that on the last day of each Fiscal Year is in excess of the amount then required by Section 5.06 hereof to be therein may at the direction of the Corporation either be retained therein or transferred to any other fund or account established pursuant hereto; *provided, however*, that if no direction has been given by the Corporation, the excess on the last day of each Fiscal Year shall be transferred by the Trustee to the Residual Fund.

Section 5.11 Debt Retirement Fund. Money deposited in the Debt Retirement Fund during any Fiscal Year may during any subsequent Fiscal Year be applied at the direction of an Authorized Officer of the Corporation to the purchase or redemption of Outstanding Bonds or to pay or make provision for payment of Outstanding Bonds in accordance with Section 12.01 of this Indenture. In no event, however, may the Corporation call for redemption, contract to purchase or make provision for payment of Outstanding Bonds in accordance with Section 12.01 of this Indenture if at such time the amount on deposit in the Debt Service Fund is less than the amount then required to be on deposit therein. Notwithstanding the foregoing, money in the Debt Retirement Fund not required to pay the Redemption Price or purchase price of Bonds theretofore

called for redemption or contracted to be purchased shall, at the direction of an Authorized Officer of the Corporation, be withdrawn from the Debt Retirement Fund and transferred to the Debt Service Fund or the Arbitrage Rebate Fund at any time money is required for the purposes of such funds.

Section 5.12 Residual Fund. Amounts deposited in the Residual Fund shall be free and clear of the lien of this Indenture and shall promptly be paid to the holder of the Residual Certificate.

Section 5.13 Application of Money in Certain Funds for Retirement of Bonds. Notwithstanding any other provisions hereof, if at any time the amounts held in the Debt Service Fund, the Debt Service Reserve Fund and the Debt Retirement Fund are sufficient to pay the principal or Redemption Price of all Outstanding Bonds and the interest accrued and unpaid and to accrue on such Bonds to the next date of redemption when all such Bonds are redeemable, or to make provision pursuant to Section 12.01(b) hereof for the payment of the Outstanding Bonds at the maturity or redemption dates thereof, the Corporation may (i) direct the Trustee to redeem all such Outstanding Bonds, whereupon the Trustee shall proceed to redeem or provide for the redemption of such Outstanding Bonds in the manner provided for redemption of such Bonds hereby and by each Supplemental Indenture as provided in Article IV hereof, or (ii) give the Trustee irrevocable instructions in accordance with Section 12.01(b) hereof and make provision for the payment of the Outstanding Bonds at the maturity or redemption dates thereof in accordance therewith.

Section 5.14 Transfer of Investments. Whenever money in any fund or account established hereunder is to be paid in accordance herewith to another such fund or account, such payment may be made, in whole or in part, by transferring to such other fund or account investments held as part of the fund or account from which such payment is to be made, whose value, together with the money, if any, to be transferred, is at least equal to the amount of the payment then to be made; *provided, however*, that no such transfer of investments would result in a violation of any investment standard or guideline applicable to such fund.

Section 5.15 Computation of Assets of Certain Funds. The Trustee shall compute the value of the assets in each fund and account established hereby on the last day of each calendar month (or if such day is not a Business Day, on the immediately preceding Business Day). In addition, the Trustee shall compute the value of the assets of the Debt Service Reserve Fund immediately prior to any withdrawal from the Debt Service Reserve Fund and on the date on which money may be required to be deposited in the Debt Service Reserve Fund pursuant to this Article V. The Trustee shall promptly notify the Corporation of the results of such computation and the amount by which the amount in the Debt Service Reserve Fund exceeds or is less than the Debt Service Reserve Fund Requirement, if any.

ARTICLE VI.

SECURITY FOR DEPOSITS AND INVESTMENT OF FUNDS

Section 6.01 Investment of Funds and Accounts Held by the Trustee. (a) Subject to the limitations set forth in this paragraph, money held hereunder, if permitted by law, shall, as nearly as may be practicable, be invested by the Trustee in any Eligible Investments in accordance with the direction of an Authorized Officer of the Corporation given in writing. Money in the Debt Service Fund shall only be invested in Eligible Investments of the type described in clause (i), (ii), (iii) or (iv) of the definition of the term “Eligible Investments” set forth in Section 1.01 hereof and such investments shall mature no later than the date on which such moneys are required to be used to pay principal or Sinking Fund Installments of and interest on Bonds when due. Money in the Capitalized Interest Account shall only be invested in Eligible Investments of the type described in clause (i), (ii), (iii) and (iv) of the definition of the term “Eligible Investments” set forth in Section 1.01 hereto and such investments shall mature no later than the date on which such moneys are required to be used to pay interest on Bonds when due. No investment of money in the Debt Service Reserve Fund shall mature more than five years after the date such investment is purchased or made unless the Corporation shall direct the Trustee to put or tender such investment not later than one Business Day prior to each December 15 and June 15 prior to the investment’s stated maturity date for (x) purchase at a price not less than one hundred percent (100%) of the stated principal amount of such investment by the issuer or an entity whose senior unenhanced long-term debt obligations are rated by at least two Rating Services at least as high as the rating assigned by such Rating Services on the Corporation’s Outstanding unenhanced Bonds without regard to qualification of such rating by symbols such as “+” or “-” or numerical notation or (y) redemption by the issuer at a price not less than one hundred percent (100%) of the stated principal amount thereof.

(b) The Trustee may conclusively rely upon the Corporation’s written instructions as to both the suitability and legality of the directed investments. Ratings of permitted investments shall be determined at the time of purchase of such permitted investments and without regard to ratings subcategories. The Trustee may make any and all such investments through its own investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades, including investment maintenance fees.

(c) Obligations purchased or other investments made as an investment of money in any fund or account held under the provisions hereof shall be deemed at all times to be a part of such fund or account and the income or interest earned, profits realized or losses suffered by a fund or account due to the investment thereof shall be credited or charged, as the case may be, to such fund or account.

(d) In computing the amount in any fund or account held by the Trustee under the provisions hereof, obligations purchased as an investment of money therein or held therein shall be valued at the market value thereof, inclusive of accrued interest to the date of valuation.

(e) Notwithstanding anything to the contrary herein, the Corporation, in its discretion, may, and the Trustee at the direction of an Authorized Officer of the Corporation, shall sell, present for redemption or exchange any investment held pursuant hereto and the proceeds

thereof may be reinvested as provided in this Section. Except as otherwise provided herein, such investments shall be sold at the best price reasonably obtainable by it, or presented for redemption or exchange, whenever it shall be necessary in order to provide money to meet any payment or transfer from the fund or account in which such investment is held. The Trustee shall advise the Corporation in writing, on or before the fifteenth (15th) day of each calendar month, of the amounts required to be on deposit in each fund and account hereunder and of the details of all investments held for the credit of each fund and account in its custody under the provisions hereof as of the end of the preceding month and as to whether such investments comply with the provisions of paragraphs (a) and (b) of this Section. The details of such investments shall include the par value, if any, the cost and the current market value of such investments as of the end of the preceding month. The Trustee shall also describe all withdrawals, substitutions and other transactions occurring in each such fund and account in the previous month.

(f) Although the Corporation recognizes that it may obtain a broker confirmation or written statement containing comparable information at no additional cost, the Corporation hereby agrees that confirmations of Eligible Investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered.

Section 6.02 Liability for Investments. Neither the Corporation nor the Trustee shall have any liability arising out of or in connection with the making of any investment authorized by the provisions of this Article VI, in the manner provided in this Article VI, for any depreciation in value of any such investment, or for any loss, fee, tax or other charge, direct or indirect, resulting from any such investment, reinvestment or liquidation of an investment.

ARTICLE VII.

PARTICULAR COVENANTS

The Corporation covenants and agrees with the Holders of the Bonds as follows:

Section 7.01 Payment of Principal and Interest. The Corporation shall pay or cause to be paid every Bond, including interest thereon, on the dates and at the places and in the manner provided in the Bonds according to the true intent and meaning thereof.

Section 7.02 Extension of Payment of Bonds. The Corporation shall not directly or indirectly extend or assent to the extension of the maturity of any of the Bonds or claims for interest by the purchase or funding of such Bonds or claims for interest or by any other arrangement and, in case the maturity of any of such Bonds or the time for payment of any such claims for interest shall be extended, such Bonds, or claims for interest shall not be entitled, in case of any default hereunder, to the benefit hereof or of any Supplemental Indenture or to any payment out of any assets of the Corporation or the funds (except funds held in trust for the payment of particular Bonds or claims for interest pursuant hereto and to any Supplemental Indenture) held by the Trustee, except subject to the prior payment of the principal of all Outstanding Bonds the maturity of which has not been extended and of such portion of the interest on such Bonds as shall not be represented by such extended claims for interest. Nothing

herein shall be deemed to limit the right of the Corporation to issue Bonds or other bonds or notes to refund Outstanding Bonds and such issuance shall not be deemed to constitute an extension of the maturity of the Bonds.

Section 7.03 Powers as to Bonds and Pledge. The Corporation is duly authorized to create and issue the Bonds, to execute the Indenture and each Supplemental Indenture and to pledge and assign the Trust Estate in the manner and to the extent provided herein and therein. The Corporation further covenants that the Trust Estate is and shall be free and clear of any pledge, lien, charge or encumbrance thereon or with respect thereto, prior to, or of equal rank with, the pledge created hereby. The Corporation further covenants that all corporate action on the part of the Corporation to that end has been duly and validly taken. The Corporation further covenants that the Bonds and the provisions hereof and of each Supplemental Indenture are and shall be the valid and legally enforceable obligations of the Corporation in accordance with their terms and the terms hereof and of each Supplemental Indenture. The Corporation further covenants that it shall at all times, to the extent permitted by law, defend, preserve and protect the pledge of the Trust Estate and all of the rights of the Holders of Bonds under the Indenture and each Supplemental Indenture against all claims and demands of all persons whomsoever.

Section 7.04 Further Assurance. The Corporation, at any and all times, shall, so far as it may be authorized by law, pass, make, do, execute, acknowledge and deliver all and every such further resolutions, acts, deeds, conveyances, assignments, transfers and assurances as may be necessary or desirable for the better assuring, conveying, granting, assigning and confirming all and singular the rights, and the pledges hereby made or intended so to be, or which the Corporation may hereafter become bound to pledge or assign.

Section 7.05 Corporate Existence. The Corporation shall maintain its existence as an Illinois not-for-profit corporation and shall not amend its articles of incorporation in any manner that would have the effect of expanding its corporate purposes or restricting the corporate action for which the affirmative vote of an independent director is required.

The Corporation shall not engage in any dissolution, liquidation, consolidation, merger or asset sale (other than the transactions contemplated herein), without prior written notice to the Rating Services.

Section 7.06 Accounts and Audits. The Corporation shall keep proper books of records and accounts (separate from all other records and accounts), which may be kept on behalf of the Corporation by the Trustee, in which complete and correct entries shall be made of its transactions relating to each Series of Bonds, which books and accounts, at reasonable hours and subject to the reasonable rules and regulations of the Corporation, shall be subject to the inspection of the City, the Trustee, each Provider or of any Holder of a Bond or a representative of any of the foregoing duly authorized in writing. The Corporation shall cause such books and accounts to be audited annually after the end of its fiscal year by an independent certified public accounting firm selected by the Corporation. Annually within thirty (30) days after receipt by the Corporation of the report of such audit, a signed copy of such report shall be furnished to the Trustee, to each Provider and to the City. A copy of the most recently audited financial statements of the Corporation, together with a copy of the accountant's report thereon, shall, upon receipt of a written request therefor, and payment of any reasonable fee or charge made in

connection therewith, be furnished to the registered owner of a Bond or any beneficial owner of a Book Entry Bond requesting the same.

Section 7.07 Creation of Liens. Except as permitted hereby, the Corporation shall not create or cause to be created any lien or charge prior or equal to that of the Bonds on the Trust Estate; *provided, however*, that nothing contained herein shall prevent the Corporation from incurring Subordinated Indebtedness that is secured by a lien or charge on the Subordinated Indebtedness Fund that is subject and subordinate to the lien or charge thereon created hereby.

Section 7.08 Restricted Payments. The Corporation shall not, directly or indirectly, make any payments or distributions of the Sales Tax Revenues or money in the funds and accounts established hereunder except in accordance with this Indenture.

Section 7.09 Offices for Payment and Registration of Bonds. The Corporation shall at all times maintain an office or agency in the State where Bonds may be presented for payment, which office or agency may be at or through the designated corporate trust office of the Trustee. The Corporation may, pursuant to a Supplemental Indenture, designate an additional Paying Agent or Paying Agents where Bonds of the Series authorized thereby or referred to therein may be presented for payment. The Corporation shall at all times maintain an office or agency in the State where Bonds may be presented for registration, transfer or exchange and the Trustee is hereby appointed as its agent to maintain such office or agency for the registration, transfer or exchange of Bonds. The provisions of this Section shall be subject to the provisions of Section 3.01 hereof.

Section 7.10 Amendments, Waivers, Etc. (a) Except as otherwise provided herein, the Sale Agreement may not be amended, changed, modified or terminated, or any provision thereof waived, without the consent of the Holders of Outstanding Bonds as herein provided, if such amendment, change, modification, termination or waiver (i) reduces the amount payable to the Corporation thereunder or delays the date on which amounts are payable, (ii) waives or surrenders any right of the Corporation or (iii) modifies, diminishes, limits or conditions the rights of the Corporation thereunder, or the remedies which upon the occurrence of a default may be exercised by the Corporation thereunder.

No such amendment, change, modification, termination or waiver shall take effect unless the prior written consent of (a) the Holders of at least a majority in principal amount of the Bonds then Outstanding, or (b) in case less than all of the several Series of Bonds then Outstanding are affected by the amendment, change, modification, termination or waiver, the Holders of not less than a majority in principal amount of the Bonds of the Series so affected and then Outstanding; *provided, however*, that if such amendment, change, modification, termination or waiver will, by its terms, not take effect so long as any Bonds of any specified Series and maturity remain Outstanding, the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section.

(b) The Sale Agreement may be amended, changed or modified or any provision thereof waived in any other respect without the consent of the Holders of Outstanding Bonds if the same does not adversely affect the Holders of Bonds in any material respect, except that no

amendment, change, modification or alteration thereof to cure any ambiguity or defect or inconsistent provision therein or to insert such provisions clarifying matters or questions arising thereunder as are necessary shall be made unless such amendment, change, modification or waiver is not contrary to or inconsistent with the provisions thereof as theretofore in effect and unless consented to by the Trustee.

(c) No amendment, change, modification or termination of the Sale Agreement or waiver of a provision thereof shall be made other than pursuant to a written instrument signed by the parties thereto. No such amendment, change, modification or waiver shall become effective unless there has been delivered to the Trustee an opinion of Transaction Counsel to the effect that the same is not inconsistent herewith and will not adversely affect the exclusion of interest on any Tax Exempt Bond from gross income for purposes of federal income taxation. A copy of each such amendment, change, modification, termination or waiver shall be filed with the Trustee.

(d) For the purposes of this Section, the purchasers of the Bonds of a Series, whether purchasing as underwriters, for resale or otherwise, upon such purchase from the Corporation, may consent to an amendment, change, modification, termination or waiver permitted by this Section with the same effect as a consent given by the Holder of such Bonds.

For the purposes of this Section, a Series shall be deemed to be adversely affected by an amendment, change, modification or alteration if the same adversely affects or diminishes the rights of the Holders of the Bonds of such Series in any material respect. The Trustee shall be entitled conclusively to rely upon an opinion of counsel, which counsel shall be satisfactory to the Trustee and the Corporation, with respect to whether any amendment, change, modification or alteration adversely affects the interests of any Holders of Bonds then Outstanding in any material respect.

Section 7.11 Budget of Corporation Expenses. Annually, the Corporation shall present a budget of Corporation Expenses made or to be made for such Fiscal Year. The budget of the Corporation Expenses may be amended by the Corporation from time to time. Each such budget of the Corporation Expenses or amendment thereto shall be filed by the Corporation with the Trustee and the City and shall be accompanied by a certificate signed by an Authorized Officer of the Corporation stating that such budget has been prepared and is filed in accordance with the provisions of this Section.

Section 7.12 Payment of Lawful Charges. The Corporation shall pay all taxes and assessments or other municipal or governmental charges, if any, lawfully levied or assessed upon the Trust Estate, when the same shall become due. Except as otherwise expressly permitted hereby, the Corporation shall not create or suffer to be created any lien or charge upon the Trust Estate, except the pledge and lien created or permitted hereby.

Section 7.13 Enforcement of Rights. The Corporation shall diligently commence and pursue any and all actions (i) to enforce its rights under the Sale Agreement and (ii) to enforce the City's obligations under the Sale Agreement. If the Corporation fails to enforce its rights and the City's obligations under the Sale Agreement, pursuant to Section 11.03 hereof, the Trustee shall

have the right to enforce such rights and obligations, including the City's non-impairment covenant pursuant to Section 6.01 of the Sale Agreement.

Section 7.14 Transfer of Residual Certificate. The Corporation shall include a restriction on the transfer of the Residual Certificate to the effect that the Residual Certificate may not be transferred by the holder thereof to another person unless the Corporation and the City have received an opinion of Transaction Counsel that such transfer will not adversely affect the exclusion of interest on any Tax Exempt Bond from gross income of the Holder thereof for purposes of federal income taxation.

Section 7.15 General. The Corporation shall do and perform or cause to be done and performed all acts and things required to be done or performed by or on behalf of the Corporation under the provisions hereof in accordance with the terms of such provisions.

Upon the date of issuance of Bonds, all conditions, acts and things required by the statutes of the State and hereby to exist, to have happened and to have been performed precedent to and in the issuance of such Bonds, shall exist, have happened and have been performed.

Section 7.16 Tax Covenant. The Corporation covenants that it shall not take any action, or fail to take any action, that would cause the Corporation to either lose its status as an "on behalf of" issuer of municipal obligations for federal income tax purposes or cause interest on the Tax Exempt Bonds to become includable in gross income for federal income tax purposes.

Section 7.17 Agreement of the City. Pursuant to the Sale Agreement, the Corporation hereby includes, for the benefit of the Bondholders, that the City shall take no action that would in any way materially adversely (A) impair the Corporation's right to receive the Sales Tax Revenues, (B) limit or alter the rights vested in the Corporation to fulfill the terms of its agreements with the Bondholders, or (C) impair the rights and remedies of the Bondholders or the security for the Bonds until the Bonds, together with the interest thereon and all costs and expenses in connection with any action or proceedings by or on behalf of the Bondholders, are fully paid and discharged.

The Corporation hereby acknowledges that the City's pledge and agreement is an important security provision of the Indenture and the Bonds, and, to the fullest extent permitted by applicable federal or State law, the Corporation hereby waives any right to assert any claim to the contrary and agrees that it will neither, directly or indirectly, assert nor support any assertion or claim made by or on behalf of the City, or by any other person, to the contrary.

Section 7.18 Agreement of the State. In the Act, the State pledges to and agrees with the City and the Corporation that the State will not limit or alter the rights and powers vested in any State Entity by the Act with respect to the disposition of the Sales Tax Revenues so as to impair the terms of the Sale Agreement or this Indenture until all requirements with respect to the deposit by such State Entity of Sales Tax Revenues have been fully paid and discharged. In addition, in the Act the State pledges to and agrees with the City and the Corporation that the State will not limit or alter the basis on which the Sales Tax Revenues are derived, or the use of the Sales Tax Revenues, so as to impair the terms of the Sale Agreement or this Indenture.

The Corporation hereby acknowledges that the State's pledge and agreement is an important security provision of the Indenture and the Bonds, and, to the fullest extent permitted by applicable federal or State law, the Corporation hereby waives any right to assert any claim to the contrary and agrees that it will neither, directly or indirectly, assert nor support any assertion or claim made by or on behalf of the State, or by any other person, to the contrary.

ARTICLE VIII.

CONCERNING THE TRUSTEE

Section 8.01 Appointment and Acceptance of Trustee. The Trustee, by its execution and delivery of this Indenture, does signify its acceptance of its appointment as and of the duties and obligations of Trustee and Paying Agent imposed upon it hereby.

Section 8.02 Appointment and Acceptance of Paying Agents. In addition to the Trustee, the Corporation may appoint one or more Paying Agents for the Bonds of any Series in the Supplemental Indenture authorizing such Bonds or in the manner provided herein or in such Supplemental Indenture or shall appoint such Paying Agent or Paying Agents prior to the authentication and delivery of the Bonds, and may at any time or from time to time appoint one or more other Paying Agents in the manner and subject to the conditions set forth in Section 8.13 hereof for the appointment of a successor Paying Agent. Each Paying Agent shall signify its acceptance of the duties and obligations imposed upon it hereby by written instrument of acceptance deposited with the Corporation and the Trustee.

Section 8.03 Responsibilities of Trustee and Paying Agents. The recitals of fact contained herein and in each Supplemental Indenture and in the Bonds shall be taken as the statements of the Corporation and neither the Trustee nor any Paying Agent assumes any responsibility for the correctness of the same. Neither the Trustee nor any Paying Agent makes any representations as to the validity or sufficiency hereof, of any Supplemental Indenture or of any Bonds, or in respect of the security afforded hereby or by each Supplemental Indenture, and neither the Trustee nor any Paying Agent shall incur any responsibility in respect thereof. Neither the Trustee nor any Paying Agent shall be under any responsibility or duty with respect to: (i) the issuance of the Bonds for value; (ii) the application of the proceeds thereof except to the extent that such proceeds are received by it in its capacity as Trustee or Paying Agent; or (iii) the application of any money paid to the Corporation or others in accordance herewith and with each Supplemental Indenture except as to the application of any money paid to it in its capacity as Trustee or Paying Agent. Neither the Trustee nor any Paying Agent shall be liable in connection with the performance of or failure to perform its duties hereunder and under each Supplemental Indenture except for its own negligence or willful misconduct; *provided, however*, that neither the Trustee nor any Paying Agent shall be liable for any loss, cost or expense resulting from an action taken or omitted to be taken by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it hereby or by any Supplemental Indenture.

The duties and obligations of the Trustee and any Paying Agent shall be determined by the express provisions hereof and of each Supplemental Indenture and neither the Trustee nor any Paying Agent shall be liable except for the performance of or failure to perform such duties and obligations as are specifically set forth herein and in each Supplemental Indenture, and no implied covenants or obligations should be read into this Indenture against the Trustee. If any event of default under this Indenture shall have occurred and be continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and shall use the same degree of care as a prudent person would exercise or use in the circumstances in the conduct of such prudent person's own affairs.

Section 8.04 Property Held in Trust. All money and securities conveyed to or held by the Trustee at any time pursuant to the terms hereof and of each Supplemental Indenture shall be and hereby are assigned, transferred and set over unto the Trustee in trust for the purposes and under the terms and conditions hereof and of each Supplemental Indenture.

Section 8.05 Evidence on Which Fiduciaries May Act. The Trustee and any Paying Agent shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, bond or other paper or document reasonably believed by it in good faith to be genuine, and to have been signed or presented by the proper party or parties. The Trustee and any Paying Agent may consult with counsel of its selection, who may or may not be of counsel to the Corporation, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it in good faith and in accordance therewith.

Whenever the Trustee or any Paying Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder and under any Supplemental Indenture, such matter (unless other evidence in respect thereof be specifically prescribed hereby) may be deemed to be conclusively proved and established by a certificate signed by an Authorized Officer of the Corporation. Such certificate shall be full warrant for any action taken or suffered in good faith under the provisions hereof and of the Supplemental Indenture upon the faith thereof, but in its discretion the Trustee or any Paying Agent may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable. Except as otherwise expressly provided herein and in each Supplemental Indenture, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision hereof and of any Supplemental Indenture by the Corporation to the Trustee or any Paying Agent shall be sufficiently executed if executed in the name of the Corporation by an Authorized Officer.

The Trustee shall not be deemed to have notice of any event of default hereunder unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such an event of default is received by the Trustee at the designated corporate trust office of the Trustee and such notice references the Bonds and this Indenture.

The Trustee may request that the Corporation deliver a certificate of an Authorized Officer of the Corporation setting forth the names of individuals and their respective titles of officers authorized at such time to take specified actions pursuant to this Indenture, which

certificate may be signed by any person authorized to sign an officer's certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

Neither the Trustee nor any paying agent shall be under any liability for interest on any moneys received hereunder except as may be otherwise agreed upon.

Notwithstanding the effective date of this Indenture or anything to the contrary in this Indenture, the Trustee shall have no liability or responsibility for any act or event relating to this Indenture which occurs prior to the date the Trustee formally executes this Indenture and commences acting as Trustee hereunder.

The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds, except for any information provided by the Trustee, and shall have no responsibility for compliance with any state or federal securities laws in connection with the Bonds.

The Trustee shall have the right to accept and act upon instructions, including funds transfer instructions ("Instructions") given pursuant to this Indenture and delivered using Electronic Means; provided, however, that the Corporation shall provide to the Trustee an incumbency certificate listing officers with the authority to provide such Instructions and containing specimen signatures of such officers, which incumbency certificate shall be amended by the Corporation whenever a person is to be added or deleted from the listing. If the Corporation elects to give the Trustee Instructions using Electronic Means and the Trustee in its discretion elects to act upon such Instructions, the Trustee's understanding of such Instructions shall be deemed controlling. The Corporation understands and agrees that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume that directions that purport to have been sent by an authorized officer listed on the incumbency certificate provided to the Trustee have been sent by such authorized officer. The Corporation shall be responsible for ensuring that only authorized officers transmit such Instructions to the Trustee and that the Corporation and all authorized officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Corporation. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Corporation agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Corporation; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures.

Section 8.06 Compensation. Unless otherwise provided, the Corporation shall pay to the Trustee and to each Paying Agent, from time to time, such compensation as shall be agreed in writing for all services rendered by it hereunder and under the applicable Supplemental Indenture, and also all reasonable expenses, charges, counsel fees and expenses and other disbursements, including those of their attorneys, agents and employees, incurred in and about the performance of their powers and duties hereunder and under the applicable Supplemental Indenture and the Trustee and each Paying Agent shall have a lien therefor on any and all funds at any time held by it hereunder and under the applicable Supplemental Indenture (other than the Residual Fund and the Arbitrage Rebate Fund) prior to any of the Bonds for which such services have been rendered. The Corporation shall indemnify and save the Trustee and each Paying Agent harmless against any liabilities which it may incur in the acceptance, exercise and performance of its powers and duties hereunder and under the applicable Supplemental Indenture and which are not due to its negligence or willful misconduct. None of the provisions contained herein or in any Supplemental Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if there is reasonable ground for believing that the repayment of such funds or liability is not reasonably assured to it. The Trustee shall not be required to take any action at the request or direction of a Provider made or given pursuant to Article XI hereof unless and until such Provider shall have indemnified and saved the Trustee harmless against any liabilities and all reasonable expenses, charges, counsel fees and expenses and other disbursements, including those of the Trustee's attorneys, agents and employees, incurred in connection with or as a result of taking the action requested or directed by the Provider to be taken.

The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and to each agent, custodian and other person employed to act hereunder.

The provisions of this Section shall survive termination of this Indenture and the resignation and removal of the Trustee.

Section 8.07 Permitted Acts. The Trustee may become the owner of or may deal in Bonds as fully and with the same rights as if it were not such Trustee or a Paying Agent. The Trustee may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, the Corporation or any committee formed to protect the rights of Holders of Bonds or to effect or aid in any reorganization growing out of the enforcement hereof or of the Bonds or any Supplemental Indenture whether or not such committee shall represent the Holders of a majority in principal amount of the Outstanding Bonds in respect of which any such action is taken.

The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys appointed with due care, and shall not be responsible for any willful misconduct or negligence on the part of any agent or attorney so appointed.

Section 8.08 Resignation of Trustee. The Trustee, or any successor thereof, may at any time resign and be discharged of its duties and obligations hereunder and under each Supplemental Indenture by giving not less than sixty (60) days written notice to the Corporation, the City and each Provider. Written notice of such resignation shall be given by the Trustee to the registered owners of the Bonds within ten (10) days after notice is given to the Corporation. Such notice shall be sent by first class mail, postage prepaid, to the registered owners of the Bonds, at their last known addresses, if any, appearing on the registration books. Such resignation shall take effect upon the date specified in such notice unless previously a successor shall have been appointed as provided in Section 8.10 hereof, in which event such resignation shall take effect immediately on the appointment of such successor; *provided, however*, that such resignation shall not take effect until a successor Trustee has been appointed and has accepted such appointment pursuant to Section 8.10 hereof.

Section 8.09 Removal of Trustee. The Trustee, or any successor thereof, may be removed at any time by the Holders of a majority in principal amount of the Outstanding Bonds, excluding any Bonds held by or for the account of the Corporation, by an instrument or concurrent instruments in writing signed and acknowledged by such Bondholders or by their attorneys-in-fact duly authorized and delivered to the Corporation. The Trustee, or any successor thereof, may also be removed at any time for cause or any breach of trust or for acting or proceeding in violation of, or failing to act or proceed in accordance with, any provisions hereof or of any Supplemental Indenture with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon application by the Holders of not less than twenty-five per centum (25%) in aggregate principal amount of the Outstanding Bonds, excluding any Bonds held by or for the account of the Corporation. The Trustee may also be removed without cause at any time, other than during the continuance of an event of default hereunder, by the Corporation, by an instrument in writing signed and acknowledged by an Authorized Officer of the Corporation. No removal hereunder shall take effect until a successor Trustee has been appointed. A copy of each instrument or order providing for the removal of the Trustee, or any successor thereof, shall be delivered by the Corporation to the Trustee or such successor thereof, to the City and to each Provider.

Section 8.10 Successor Trustee. In case the Trustee, or any successor thereof, shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee or of its property shall be appointed, or if any public officer shall take charge or control of the Trustee or of its property or affairs, the Corporation shall forthwith appoint a Trustee to act as Trustee and Paying Agent. Copies of any resolution of the Corporation providing for any such appointment shall be delivered by the Corporation to the Trustee so appointed, the predecessor Trustee, to each Provider and to the City. The Corporation shall give notice of any such appointment to each registered owner of a Bond. Such notice shall be sent not later than thirty (30) days after such appointment, by first class mail, postage prepaid, to each registered owner at its last known address, if any appearing on the registration books of the Corporation.

If in a proper case no appointment of a successor shall be made within forty-five (45) days after the giving of written notice in accordance with Section 8.08 hereof or after the occurrence of any other event requiring or authorizing such appointment, the Trustee or any Bondholder may apply, at the expense of the Corporation, to any court of competent jurisdiction

for the appointment of such a successor, and such court may thereupon, after such notice, if any, as such court may deem proper, appoint such successor. Any successor appointed under the provisions of this Section shall be a bank located in the State having trust powers or a trust company organized under the laws of the State or national banking association located in the State having a capital and surplus aggregating at least \$50,000,000, if there be such a bank having trust powers or trust company or national banking association willing and able to accept the appointment on reasonable and customary terms and authorized by law to perform all the duties required hereby and by each Supplemental Indenture.

Section 8.11 Transfer of Rights and Property to Successor Trustee. Any successor appointed under the provisions of Section 8.10 hereof shall execute, acknowledge and deliver to its predecessor, and also to the Corporation, an instrument accepting such appointment, and thereupon such successor, without any further act, deed or conveyance shall become fully vested with all money, estates, properties, rights, powers, duties and obligations of its predecessor hereunder and under each Supplemental Indenture, with like effect as if originally appointed as Trustee. However, the Trustee then ceasing to act shall nevertheless, on request by the Corporation or of such successor, and upon payment of all amounts owed to it hereunder, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor all the right, title and interest of such Trustee in and to any property held by it hereunder, and shall pay over, assign and deliver to such successor any money or other properties subject to the trusts and conditions set forth herein. Should any deed, conveyance or instrument in writing from the Corporation be required by such successor for more fully and certainly vesting in and confirming to it any such money, estates, properties, rights, powers, duties or obligations, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by the Corporation.

Section 8.12 Merger or Consolidation of the Trustee. Any company into which the Trustee may be merged or with which it may be consolidated or any company resulting from any merger or consolidation to which it shall be a party or any company to which such Trustee may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a bank having trust powers or trust company or national banking association qualified to be a successor to such Trustee under the provisions of Section 8.10 hereof, shall be the successor to such Trustee, without any further act, deed or conveyance, *except* that no party or company to which all or substantially all of the Trustee's corporate trust business has been sold or transferred shall be the successor to the Trustee without the written consent of the Corporation.

ARTICLE IX.

SUPPLEMENTAL INDENTURES

Section 9.01 Modification and Amendment without Consent. Notwithstanding any other provisions of this Article IX or Article X hereof, the Corporation may execute and deliver at any time or from time to time Supplemental Indentures for any one or more of the following

purposes, and any such Supplemental Indentures shall become effective in accordance with its terms:

(a) To provide for the issuance of a Series of Bonds pursuant to the provisions hereof and to prescribe the terms and conditions pursuant to which such Bonds may be issued, paid or redeemed;

(b) To provide for the issuance of Subordinated Indebtedness and to prescribe the terms and conditions pursuant to which such Subordinated Indebtedness may be issued, paid or redeemed, the creation of any additional funds and accounts required for the payment or security thereof, and the provision of any additional rights and remedies applicable thereto; provided, however, that in no event shall the provisions of such Supplemental Indenture provide for any additional rights or remedies that are inconsistent with the provisions of this Indenture relating to the first priority security interest granted to the Holders of Bonds and the rights and remedies applicable thereto for so long as any such Bonds remain Outstanding;

(c) To add additional covenants and agreements of the Corporation for the purpose of further securing the payment of the Secured Obligations, provided such additional covenants and agreements are not contrary to or inconsistent with the covenants and agreements of the Corporation contained herein;

(d) To prescribe further limitations and restrictions upon the issuance of Secured Obligations and the incurring of indebtedness by the Corporation which are not contrary to or inconsistent with the limitations and restrictions thereon theretofore in effect;

(e) To surrender any right, power or privilege reserved to or conferred upon the Corporation by the terms hereof, provided that the surrender of such right, power or privilege is not contrary to or inconsistent with the covenants and agreements of the Corporation contained herein;

(f) To confirm, as further assurance, any pledge hereunder, and the subjection to any lien, claim or pledge created or to be created by the provisions hereof, of the Sales Tax Revenues, or any pledge of any other money, investments thereof or funds;

(g) To modify any of the provisions hereof or any previously adopted Supplemental Indenture to accommodate the issuance of Subordinated Indebtedness provided that such modifications do not materially and adversely affect the rights of any of the Holders of Bonds;

(h) To modify any of the provisions hereof or of any previously adopted Supplemental Indenture in any other respects, provided that such modifications shall not be effective until after all Secured Obligations of any Series of Secured Obligations Outstanding as of the effective date of such Supplemental Indenture shall cease to be Outstanding, and all Secured Obligations issued under such

Supplemental Indentures shall contain a specific reference to the modifications contained in such subsequent Supplemental Indenture;

(i) With the consent of the Trustee, to cure any ambiguity or defect or inconsistent provision herein or to insert such provisions clarifying matters or questions arising hereunder as are necessary or desirable, provided that any such modifications are not contrary to or inconsistent herewith as theretofore in effect, or to modify any of the provisions hereof or of any previous Supplemental Indenture in any other respect, provided that such modification shall not adversely affect the interests of the Bondholders or holders of Subordinated Indebtedness in any material respect; or

(j) To modify any of the provisions hereof or of any previously adopted Supplemental Indenture in any other respects, provided that such modifications shall not be effective unless there has been delivered to the Trustee (i) a Rating Confirmation and (ii) an opinion of Transaction Counsel to the effect that the same is not inconsistent herewith and will not adversely affect the exclusion of interest on any Tax Exempt Bond from gross income for purposes of federal income taxation.

Section 9.02 Supplemental Indentures Effective with Consent of Bondholders. The provisions hereof may also be modified or amended at any time or from time to time by a Supplemental Indenture, subject to the consent of the Bondholders in accordance with and subject to the provisions of Article X hereof, such Supplemental Indenture to become effective upon the filing with the Trustee of a copy thereof certified by an Authorized Officer of the Corporation.

Section 9.03 General Provisions Relating to Supplemental Indentures. The Indenture shall not be modified or amended in any respect except in accordance with and subject to the provisions of this Article IX and Article X hereof. Nothing contained in this Article IX or Article X hereof shall affect or limit the rights or obligations of the Corporation to make, do, execute or deliver any Supplemental Indenture, act or other instrument pursuant to the provisions of Section 7.04 hereof or the right or obligation of the Corporation to execute and deliver to the Trustee or any Paying Agent any instrument elsewhere herein provided or permitted to be delivered to the Trustee or any Paying Agent.

A copy of every Supplemental Indenture, when filed with the Trustee, shall be accompanied by an opinion of Transaction Counsel stating that such Supplemental Indenture has been duly and lawfully adopted in accordance with the provisions hereof, is authorized or permitted hereby and is valid and binding upon the Corporation and enforceable in accordance with its terms.

The Trustee is hereby authorized to accept delivery of a certified copy of any Supplemental Indenture permitted or authorized pursuant to the provisions hereof and to make all further agreements and stipulations which may be contained therein, and, in taking such action, the Trustee shall be fully protected in relying on the opinion of Transaction Counsel that such Supplemental Indenture is authorized or permitted by the provisions hereof.

No Supplemental Indenture changing, amending or modifying any of the rights or obligations of the Trustee shall become effective without the written consent of the Trustee.

The Corporation, as soon as practicable after a Supplemental Indenture changing, amending or modifying any provisions of this Indenture has become effective, shall give written notice thereof to each Rating Service.

ARTICLE X.

AMENDMENTS OF INDENTURE

Section 10.01 Powers of Amendment. Except as provided in Section 9.01 hereof, any modification or amendment hereof and of the rights and obligations of the Corporation and of the Holders of the Bonds hereunder, in any particular, may be made by a Supplemental Indenture, with the written consent given as hereinafter provided in Section 10.02 hereof, (i) of the Holders of at least a majority in principal amount of the Bonds Outstanding at the time such consent is given, or (ii) in case less than all of the several Series of Bonds then Outstanding are affected by the modification or amendment, of the Holders of at least a majority in principal amount of the Bonds of each Series so affected and Outstanding at the time such consent is given; *provided, however,* that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like Series, maturity and tenor remain Outstanding, the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section. No such modification or amendment shall permit a change in the amount or date of any Sinking Fund Installment, the terms of redemption or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the Holder of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the Holders of which is required to effect any such modification or amendment. For the purposes of this Section, a Series shall be deemed to be affected by a modification or amendment hereof if the same adversely affects or diminishes the rights of the Holders of Bonds of such Series in any material respect. The Trustee may in its discretion determine whether or not, in accordance with the foregoing provisions, the Bonds of any particular Series or maturity would be affected by any modification or amendment hereof and any such determination shall be binding and conclusive on the Corporation and all Holders of Bonds. The Trustee may receive an opinion of counsel, including an opinion of Transaction Counsel, as conclusive evidence as to whether the Bonds of any particular Series or maturity would be so affected by any such modification or amendment hereof.

Section 10.02 Consent of Bondholders. The Corporation may at any time execute and deliver a Supplemental Indenture making a modification or amendment permitted by the provisions of Section 10.01 hereof to take effect when and as provided in this Section. Upon the adoption of such Supplemental Indenture, a copy thereof, certified by an Authorized Officer; shall be filed with the Trustee for the inspection of the Holders of Bonds. A copy of such Supplemental Indenture (or summary thereof or reference thereto in form approved in writing by the Trustee) together with a request to Holders of Bonds for their consent thereto in form satisfactory to the Trustee, shall be mailed or distributed by Electronic Means by the Corporation to each affected Holder of Bonds. Such Supplemental Indenture shall not become effective until (i) there shall have been filed with the Trustee (a) the written consent of the Holders of the percentages of Outstanding Bonds specified in Section 10.01 hereof and (b) an opinion of Transaction Counsel stating that such Supplemental Indenture has been duly and lawfully executed, delivered and filed by the Corporation in accordance with the provisions hereof, is authorized or permitted hereby, and is valid and binding upon the Corporation and enforceable in accordance with its

terms, and (ii) a notice shall have been mailed as hereinafter in this Section provided. Any such consent shall be binding upon the Holder of the Bonds giving such consent and on any subsequent Holder of such Bonds (whether or not such subsequent Holder has notice thereof). At any time after the Holders of the required percentages of Bonds shall have filed their consent to the Supplemental Indenture, notice, stating in substance that the Supplemental Indenture has been consented to by the Holders of the required percentages of Bonds and will be effective as provided in this Section, may be given to the Bondholders by mailing such notice to Bondholders. The Corporation shall file with the Trustee proof of giving such notice. Such Supplemental Indenture shall be deemed conclusively binding upon the Corporation and the Holders of all Bonds at the expiration of sixty (60) days after the filing with the Trustee of the proof of the mailing of such notice, except in the event of a final decree of a court of competent jurisdiction setting aside such consent in legal action or equitable proceeding commenced for such purpose within such sixty day period; provided, however, that the Corporation during such sixty day period and any such further period during which any such action or proceeding may be pending shall be entitled in its absolute discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Indenture as it may deem expedient.

Section 10.03 Modifications by Unanimous Consent. The terms and provisions hereof and the rights and obligations of the Corporation and of the Holders of the Bonds may be modified or amended in any respect upon the execution, delivery and filing with the Trustee by the Corporation of a copy of a Supplemental Indenture certified by an Authorized Officer of the Corporation and the consent of the Holders of all of the Bonds then Outstanding, such consent to be given as provided in Section 10.02.

Section 10.04 Mailing. Any provision in this Article X for the mailing of a notice or other document to Bondholders shall be fully complied with if it is mailed postage prepaid or distributed by Electronic Means only (i) to each registered owner of Bonds then Outstanding at such person's address, if any, appearing upon the registry books of the Corporation and (ii) to the Trustee.

Section 10.05 Exclusion of Bonds. Bonds owned or held by or for the account of the Corporation shall not be deemed Outstanding for the purpose of consent or other action provided for herein, and the Corporation shall not be entitled with respect to such Bonds to give any consent or take any other action provided for herein. At the time of any consent or other action taken hereunder, the Corporation shall furnish the Trustee a certificate of an Authorized Officer, upon which the Trustee may rely, describing all Bonds so to be excluded.

Section 10.06 Notation on Bonds. Bonds delivered after the effective date of any action taken as provided in Article IX hereof or this Article X may, and if the Trustee so determines, shall, bear a notation by endorsement or otherwise in form approved by the Corporation and the Trustee as to such action, and in that case upon demand of the Holder of any Bond Outstanding at such effective date and upon presentation of his Bond for such purpose at the designated corporate trust office of the Trustee suitable notation shall be made on such Bond by the Trustee as to any such action. If the Corporation or the Trustee shall so determine, new Bonds so modified as, in the opinion of the Trustee and the Corporation, conform to such action shall be prepared and delivered, and upon demand of the Holder of any Bond then Outstanding shall be exchanged, without cost to

such Bondholder, for Bonds of the same Series and maturity then Outstanding, upon surrender of such Bonds.

ARTICLE XI.

DEFAULTS AND REMEDIES

Section 11.01 Events of Default. An event of default shall exist hereunder and under each Supplemental Indenture (herein called "event of default") if:

(a) Payment of the principal or Redemption Price of any Bond shall not be made by the Corporation when the same shall become due and payable, either at maturity or by proceedings for redemption or otherwise; or

(b) Payment of an installment of interest on any Bond shall not be made by the Corporation when the same shall become due and payable; or

(c) The Corporation shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained herein or in the Bonds or in any Supplemental Indenture on the part of the Corporation to be performed and such default shall continue for ninety (90) days after written notice specifying such default and requiring same to be remedied shall have been given to the Corporation by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Holders of not less than twenty-five per centum (25%) in principal amount of the Outstanding Bonds, unless, if such default is capable of being cured but is not capable of being cured within ninety (90) days, the Corporation has commenced to cure such default within said ninety (90) days and diligently prosecutes the cure thereof; or

(d) The Corporation shall (1) generally not be paying its debts as they become due, (2) commence a voluntary case or other proceeding seeking liquidation, reorganization, dissolution, rehabilitation or other relief with respect to itself or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property, or consent to any such relief or to the appointment of or taking possession by any such official in an involuntary case or other proceeding commenced against it, (3) make a general assignment for the benefit of its creditors, (4) declare a moratorium or (5) take any corporate action to authorize any of the foregoing; or

(e) A trustee in bankruptcy, custodian or receiver for the Corporation or any substantial part of its property shall have been appointed and the same has not been discharged within ninety (90) days after such appointment.

Section 11.02 No Acceleration With Respect to the Secured Obligations. There shall be no right of acceleration with respect to the Secured Obligations.

Section 11.03 Enforcement of Remedies; Limitations. Upon the happening and continuance of any event of default specified in Section 11.01 hereof, then and in every such case, the Trustee may proceed, and upon the written request of the Holders of not less than a majority in principal amount of the Outstanding Bonds, shall proceed (subject to the provisions of Section 8.07 hereof), to protect and enforce its rights and the rights of the Bondholders hereunder or under any Supplemental Indenture or under the laws of the State by such suits, actions or special proceedings in equity or at law, either for the specific performance of any covenant contained hereunder or under any Supplemental Indenture or in aid or execution of any power herein or therein granted, or for an accounting against the Corporation as if the Corporation were the trustee of an express trust, or for the enforcement of any proper legal or equitable remedy as the Trustee shall deem most effectual to protect and enforce such rights, including the enforcement of its rights and remedies, as assignee, under any agreement assigned to it hereunder, including but not limited to the Sale Agreement, and of its rights and obligations under the Act.

In the enforcement of any remedy hereunder and under each Supplemental Indenture the Trustee shall be entitled to sue for, enforce payment of, and receive any and all amounts then, or during any default becoming, and at any time remaining, due from the Corporation for principal or interest or otherwise under any of the provisions of the Indenture or of any Supplemental Indenture or of the Bonds, with interest on overdue payments of the principal of or interest on the Bonds at the rate or rates of interest specified in such Bonds, together with any and all costs and expenses of collection and of all proceedings hereunder and under any Supplemental Indenture and under such Bonds, without prejudice to any other right or remedy of the Trustee or of the Holders of such Bonds, and to recover and enforce judgment or decree against the Corporation but solely as provided herein, in any Supplemental Indenture and in such Bonds, for any portion of such amounts remaining unpaid, with interest, costs and expenses, and to collect in any manner provided by law, the money adjudged or decreed to be payable.

Anything herein to the contrary notwithstanding, neither the Trustee nor any Bondholder shall have any right in or to any proceeds derived from the issuance of Bonds held in the City Proceeds Account or otherwise paid to the City and no action or proceeding shall be maintained to enforce any claim to any such proceeds. Each Bondholder by purchase of its Bonds waives any right in or to any proceeds derived from the issuance of Bonds held in the City Proceeds Account or otherwise paid to the City or at the direction of the City pursuant to a Direction Letter and the right to maintain any action or proceeding to enforce any claim to any such proceeds.

Section 11.04 Priority of Payments after Default. If at any time the money held by the Trustee hereunder and under each Supplemental Indenture shall not be sufficient to pay the principal of and interest on the Bonds as the same become due and payable, such money together with any money then available or thereafter becoming available for such purpose, whether through exercise of the remedies provided for in this Article XI or otherwise, shall be applied (after payment of all amounts owing to the Trustee hereunder) as follows:

First: To the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of the installments of such interest, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof

ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference; and

Second: To the payment to the persons entitled thereto of the unpaid principal or Redemption Price of any Bonds which shall have become due whether at maturity or by call for redemption in the order of their due dates and, if the amount available shall not be sufficient to pay in full all such amounts due on any date, then to the payment thereof ratably, according to the amount of principal or Redemption Price due on such date, to the persons entitled thereto, without any discrimination or preference.

Whenever money is to be applied by the Trustee pursuant to the provisions of this Section, such money shall be applied by the Trustee at such times, and from time to time, as the Trustee in its sole discretion shall determine, having due regard to the amount of such money available for application and the likelihood of additional money becoming available for such application in the future. The setting aside of such money in trust for application in accordance with the provisions of this Section shall constitute proper application by the Trustee, and the Trustee shall incur no liability whatsoever to the Corporation, to any Holder of Bonds or to any other person for any delay in applying any such money so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies the same in accordance with such provisions hereof as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such money, it shall fix the date (which shall be on an Interest Payment Date unless the Trustee shall deem another date more suitable) upon which such application is to be made, and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date. The Trustee shall not be required to make payment to the Holder of any Bond unless such Bond shall be presented to the Trustee for appropriate endorsement.

Amounts held by the Trustee after payments to be made pursuant to this Section 11.04 have been made and no Bonds are Outstanding shall be paid and applied in accordance with Section 5.06 hereof.

When the Trustee incurs expenses or renders services after the occurrence of an event of default, such expenses and the compensation for such services are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

Section 11.05 Termination of Proceedings. In case any proceedings commenced by the Trustee on account of any default shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee, then and in every such case the Corporation, the Trustee, each Provider and the Bondholders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no such proceeding had been commenced.

Section 11.06 Bondholders' Direction of Proceedings. Anything herein to the contrary notwithstanding, the Holders of a majority in principal amount of the Outstanding Bonds shall have the right by an instrument in writing executed and delivered to the Trustee, to direct the method and place of conducting all remedial proceedings to be taken by the Trustee hereunder and under each Supplemental Indenture, provided, such direction shall not be otherwise than in accordance with law and the provisions hereof and of each Supplemental Indenture, and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unjustly prejudicial to Bondholders not parties to such direction.

Section 11.07 Limitation of Rights of Individual Bondholders. No Holder of any of the Bonds shall have any right to institute any suit, action or proceeding in equity or at law for the execution of any trust hereunder, or for any other remedy hereunder unless such Holder previously shall have given to the Trustee written notice of the event of default on account of which such suit, action or proceeding is to be instituted, and unless also the Holders of not less than a majority in principal amount of the Outstanding Bonds, shall have made written request to the Trustee after the right to exercise such powers or right of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers granted hereby or to institute such action, suit or proceeding in its or their name, and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the costs, expenses, and liabilities to be incurred therein or thereby, and the Trustee shall have refused or neglected to comply with such request within a reasonable time. Such notification, request and offer of indemnity are hereby declared in every such case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trusts hereof or for any other remedy hereunder and in equity or at law. It is understood and intended that no one or more Holders of the Bonds secured hereby shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security hereof or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted and maintained for the benefit of all Holders of the Outstanding Bonds. Notwithstanding any other provision hereof, the Holder of any Bond shall have the right which is absolute and unconditional to receive payment of the principal of (and premium, if any) and interest on such Bond on the stated maturity expressed in such Bond (or, in the case of redemption, on the redemption date) and to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder.

Section 11.08 Actions by Trustee; Possession of Bonds by Trustee Not Required. All rights of action hereunder or under any of the Bonds secured hereby and thereby, enforceable by the Trustee, may be enforced by it without the possession of any of such Bonds or the production thereof at the trial or other proceeding relative thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name for the benefit of all the Holders of the Bonds to which such action relates, subject to the provisions hereof.

Section 11.09 Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Trustee or to the Bondholders is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

Section 11.10 Waiver and Non-Waiver of Default. No delay or omission of the Trustee or any Bondholder to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein. Every power and remedy given by this Article XI to the Trustee and the Bondholders, respectively, may be exercised from time to time and as often as may be deemed expedient.

The Trustee may, and upon written request of the Holders of not less than a majority in principal amount of the Outstanding Bonds, shall waive any default which in its opinion shall have been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted by it under the provisions hereof or before the completion of the enforcement of any other remedy hereunder; *provided, however*, that no such waiver shall extend to or affect any other existing or any subsequent default or defaults or impair any rights or remedies consequent thereon.

Section 11.11 Notice of Event of Default. The Trustee shall give notice of each event of default hereunder known to the Trustee to the Corporation, the holder of the Residual Certificate and each Provider within ten (10) days after knowledge of the occurrence thereof and to the Holders of Bonds within thirty (30) days after knowledge of the occurrence thereof, unless such event of default shall have been remedied or cured before the giving of such notice; *provided, however*, that, except in the case of default in the payment of the principal or Redemption Price of or interest on any of the Bonds, the Trustee shall be protected in withholding notice thereof to the Holders of Bonds if and so long as the Trustee in good faith determines that the withholding of such notice is in the best interests of the Holders of the Bonds. In the case of the Holders of the Bonds, each such notice of event of default shall be given by the Trustee by mailing written notice thereof to all registered Holders of Bonds, as the names and addresses of such Holders appear on the books for registration and transfer of Bonds as kept by the Trustee.

Section 11.12 Agreement to Subordinate. All Subordinated Indebtedness shall be subordinated, to the extent and in the manner provided in this Indenture, to the prior payment of the principal of and interest on the Bonds then due and payable. No Holder of Bonds shall be prejudiced in his right to enforce subordination of the Subordinated Indebtedness by any act or failure to act on the part of the Trustee. All rights and remedies of Subordinated Indebtedness holders not contained in this Indenture will be set forth in the Supplemental Indenture authorizing such Subordinated Indebtedness and shall be subject to the provisions and limitations set forth in this Indenture.

ARTICLE XII.

DEFEASANCE

Section 12.01 Defeasance. (a) If the Corporation shall pay or cause to be paid to the Holders of Bonds of a Series the principal or Redemption Price of and interest thereon, at the times and in the manner stipulated therein, herein, and in the applicable Supplemental Indenture, then the pledge of the Trust Estate and all other rights granted hereby to such Bonds shall be discharged and satisfied. In such event, the Trustee shall, upon the request of the Corporation, execute and deliver such documents to evidence such discharge and satisfaction as may be reasonably required by the Corporation, and all money or investments thereof held by it pursuant hereto and to the applicable Supplemental Indenture which are not required for the payment or redemption of Bonds of such Series shall be paid or delivered by the Trustee as follows: First, to the Arbitrage Rebate Fund, the amount required to be deposited therein in accordance with the direction of an Authorized Officer of the Corporation; second, to each Provider the Provider Payments which have not been repaid, pro rata, based upon the respective Provider Payments then unpaid to each Provider; and, then, the balance thereof to the Corporation. Such money or investments thereof so paid or delivered shall be released from any trust, pledge, lien, encumbrance or security interest created hereby.

(b) Bonds for the payment or redemption of which money shall have been set aside and shall be held in trust by the Trustee (through deposit of money for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in paragraph (a) of this Section. All Outstanding Bonds of any Series or any maturity within a Series or a portion of a maturity within a Series shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in paragraph (a) of this Section if:

(i) in case any of said Bonds are to be redeemed on any date prior to their maturity, the Corporation shall have given to the Trustee, in form satisfactory to it, irrevocable instructions to give as provided in Article IV hereof notice of redemption on said date of such Bonds;

(ii) there shall have been deposited with the Trustee either money in an amount which shall be sufficient, or Defeasance Securities the principal of and interest on which when due will provide money which, together with the money, if any, deposited with the Trustee at the same time, shall be sufficient in the judgment of a nationally recognized verification agent to pay when due the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, and interest due and to become due on said Bonds on and prior to the redemption date or maturity date thereof, as the case may be;

(iii) in the event said Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, the Corporation shall have given the Trustee, in form satisfactory to it, irrevocable instructions to give, as soon as practicable, by first class mail, postage prepaid, to the Holders of said Bonds at

their last known addresses appearing on the registration books, a notice to the Holders of such Bonds that the deposit required by (ii) above has been made with the Trustee and that said Bonds are deemed to have been paid in accordance with this Section and stating such maturity or redemption date upon which money is to be available for the payment of the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, of and interest on said Bonds; and

(iv) in the event of a defeasance of a Tax Exempt Bond, the Corporation shall have delivered to the Trustee an opinion of Transaction Counsel to the effect that any Bond having been deemed to have been paid as provided in this Section would not (A) cause said Bond to be considered to have been “reissued” for purposes of Section 1001 of the Code and (B) adversely affect the exclusion of interest on such Tax Exempt Bond from gross income for purposes of federal income taxation.

The Corporation shall give written notice to the Trustee of its selection of the Series and maturity payment of which shall be made in accordance with this Section. The Trustee shall select the Bonds of like Series and maturity payment of which shall be made in accordance with this Section in the manner provided in Section 4.04 hereof. Neither the Defeasance Securities nor money deposited with the Trustee pursuant to this Section nor principal or interest payments on any such Defeasance Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, of and interest on said Bonds; *provided, however*, that any money received from such principal or interest payments on such Defeasance Securities deposited with the Trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in Defeasance Securities maturing at times and in amounts sufficient to pay when due the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, of and interest to become due on said Bonds on and prior to such redemption date or maturity date hereof, as the case may be. Any income or interest earned by, or increment to, the investment of any such money so deposited, shall, to the extent certified by the Trustee to be in excess of the amounts required hereinabove to pay the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, of and interest on such Bonds, as realized, be paid by the Trustee as follows: First, to the Arbitrage Rebate Fund, the amount required to be deposited therein in accordance with the direction of an Authorized Officer of the Corporation; second, to each Provider the Provider Payments which have not been repaid, pro rata, based upon the respective Provider Payments then unpaid to each Provider; and, then, the balance thereof to the Corporation. The money so paid by the Trustee shall be released of any trust, pledge, lien, encumbrance or security interest created hereby.

(c) Anything herein to the contrary notwithstanding, any money held by the Trustee or a Paying Agent in trust for the payment and discharge of any of the Bonds of a Series or the interest thereon which remain unclaimed for one (1) year after the date when all of the Bonds of such Series have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such money was held by the Trustee or Paying Agent at such date, or for one (1) year after the date of deposit of such money if deposited with the Trustee or Paying Agent after said date when all of the Bonds of such Series become due and payable, or one (1) year after the date when the principal or Redemption Price of or interest on the Bonds for which

said money is held was due and payable, shall, at the written request of the Corporation, be repaid by the Trustee or Paying Agent to the Corporation as its absolute property and free from trust, and the Trustee or Paying Agent shall thereupon be released and discharged with respect thereto and the Holders of Bonds shall look only to the Corporation for the payment of such Bonds.

ARTICLE XIII.

EXECUTION OF INSTRUMENTS BY BOND HOLDERS AND PROOF OF OWNERSHIP OF BONDS

Section 13.01 Evidence of Signatures of Bondholders and Ownership of Bonds.

Any request, consent or other instrument which the Indenture may require or permit to be signed and executed by a Holder or Holders of Bonds may be in one or more instruments of similar tenor, and shall be signed or executed by such Holder or Holders of Bonds in person or by his or their attorneys duly appointed in writing. Proof of the execution of any such instrument, or of an instrument appointing any such attorney, or the holding or owning by any person of such Bonds, shall be sufficient for any purpose hereof (except as otherwise herein expressly provided) if made in the manner set forth below, but the Trustee may nevertheless in its discretion require further or other proof in cases where it deems the same desirable.

The fact and date of the execution by any Bondholder or his attorney of such instrument may be proved by the certificate, which need not be acknowledged or verified, of any officer of a bank or trust company satisfactory to the Trustee or of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer. The corporation of the person or persons executing any such instrument on behalf of a corporate Bondholder may be established without further proof if such instrument is signed by a person purporting to be the president or a vice-president of such corporation with a corporate seal affixed and attested by a person purporting to be its secretary or an assistant secretary.

The ownership of Bonds and the amount, numbers and other identification, and date of holding or owning the same shall be proved by the registry books. Any request, consent or vote of the owner of any Bond shall bind all future owners of such Bond in respect of anything done or suffered to be done or omitted to be done by the Corporation or the Trustee in accordance therewith.

ARTICLE XIV.

MISCELLANEOUS

Section 14.01 Preservation and Inspection of Documents. All documents received by the Trustee from the Corporation or from Bondholders under the provisions hereof or of any Supplemental Indenture shall be retained in its possession and shall be subject at all reasonable times to the inspection of the Corporation, the City, any Bondholder and their agents and their representatives, any of whom may make copies thereof; *provided, however,* that with respect to inspection by a Bondholder a written request of such Bondholder must have been received by the Trustee at least five (5) Business Days prior to the date of inspection.

The Trustee shall maintain such records as a Provider shall reasonably request with respect to matters relating to such Provider.

Section 14.02 Money and Funds Held for Particular Bonds. The amounts held by the Trustee or any Paying Agent for the payment of the principal, Sinking Fund Installments, if any, or Redemption Price of and interest on the Bonds due on any date with respect to particular Bonds shall, pending such payment, be set aside and held in trust by it for the Holders of such Bonds entitled thereto, and for the purposes hereof such principal, Sinking Fund Installments, if any, or Redemption Price of and interest on such Bonds, due after such date thereof, shall no longer be considered to be unpaid.

Section 14.03 Cancellation of Bonds. The Trustee or any Paying Agent shall forthwith cancel all Bonds which have been redeemed or paid by it and shall dispose of such Bonds in accordance with its customary procedures. No such Bonds shall be deemed Outstanding Bonds hereunder and no Bonds shall be issued in lieu thereof.

Section 14.04 No Recourse under Indenture or on the Bonds. All covenants, stipulations, promises, agreements and obligations of the Corporation contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Corporation and not of any member, officer or employee of the Corporation, and no recourse shall be had for the payment of the principal or Redemption Price of or interest on the Bonds or for any claims based thereon, hereon or on the Supplemental Indenture against any member, officer or employee of the Corporation or any person executing the Bonds, all such liability, if any, being expressly waived and released by every Holder of Bonds by the acceptance of the Bonds.

Section 14.05 Severability of Invalid Provision. If any one or more of the covenants, stipulations, promises, agreements and obligations provided herein or in any Supplemental Indenture on the part of the Corporation or the Trustee to be performed should be contrary to law, then such covenant or covenants, stipulation or stipulations, promise or promises, agreement or agreements or obligation or obligations shall be null and void, shall be deemed and construed to be severable from the remaining covenants, stipulations, promises, agreements and obligations herein contained and shall in no way affect the validity of the other provisions hereof or of such Supplemental Indenture or of the Bonds.

Section 14.06 Parties of Interest. Nothing herein or in any Supplemental Indenture adopted pursuant to the provisions hereof, expressed or implied, is intended to or shall be construed to confer upon or to give to any person or party other than the Corporation, the Trustee, the Paying Agents, each Provider and the Holders of the Bonds any rights, remedies or claims hereunder or by reason hereof or of any Supplemental Indenture or any covenant, condition or stipulation thereof. All covenants, stipulations, promises and agreements herein or in any Supplemental Indenture contained by or on behalf of the Corporation shall be for the sole and exclusive benefit of the Corporation, the Trustee, the Paying Agents, each Provider and the Holders from time to time of the Bonds.

Section 14.07 Certain Provisions Relating to Capital Appreciation Bonds and Deferred Income Bonds. (a) For the purposes of receiving payment of the Redemption Price if a Capital Appreciation Bond is redeemed prior to maturity, the then current Accreted Value of such Bond shall be deemed to be its principal amount. In computing the principal amount of Bonds held by the registered owner of a Capital Appreciation Bond in giving to the Corporation, the City or the Trustee any notice, consent, request, or demand pursuant hereto for any purpose whatsoever, the Accreted Value of such Bond as at the immediately preceding Valuation Date shall be deemed to be its principal amount. Notwithstanding any other provision hereof, the amount payable at any time with respect to the principal of and interest on any Capital Appreciation Bond shall not exceed the Accreted Value thereof at such time. For purposes of receiving payment of the Redemption Price or principal of a Capital Appreciation Bond called for redemption prior to maturity, the difference between the Accreted Value of such Bond when the Redemption Price or principal thereof is due upon such redemption or declaration and the principal of such Bond on the date the Bonds of the Series of which it is a part were first issued shall be deemed not to be accrued and unpaid interest thereon.

(b) For the purposes of receiving payment of the Redemption Price if a Deferred Income Bond is redeemed, the then current Appreciated Value of such Bond shall be deemed to be its principal amount. In computing the principal amount of Bonds held by the registered owner of a Deferred Income Bond in giving to the Corporation or the Trustee any notice, consent, request, or demand pursuant hereto for any purpose whatsoever, the Appreciated Value of such Bond as at the immediately preceding Valuation Date shall be deemed to be its principal amount. Notwithstanding any other provision hereof, the amount payable at any time prior to the Interest Commencement Date with respect to the principal of and interest on any Deferred Income Bond shall not exceed the Appreciated Value thereof at such time. For purposes of receiving payment prior to the Interest Commencement Date of the Redemption Price, the difference between the Appreciated Value of such Bond when the Redemption Price or principal thereof is due upon such redemption or declaration and the principal of such Bond on the date the Bonds were first issued shall be deemed not to be accrued and unpaid interest thereon.
