

In the opinion of Nabors, Giblin & Nickerson, P.A., Tampa, Florida, Special Counsel, assuming continuing compliance by the Corporation and the Board with various covenants in the Trust Agreement and the Series 2007 Lease Agreement (as defined herein), under existing statutes, regulations and court decisions, the Interest Component of Basic Rent Payments (a) is excludable from gross income of the holders of the Series 2016A Certificates, except to the extent described under the caption, “TAX EXEMPTION” herein and (b) is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations. However, such Interest Component will be taken into account in determining adjusted current earnings for the purpose of computing the alternative minimum tax imposed on certain corporations. No opinion is expressed with respect to the federal income tax consequences of any payments received with respect to the Series 2016A Certificates following termination of the Series 2007 Lease Agreement as a result of an Event of Non-Appropriation or Event of Default thereunder. See “TAX EXEMPTION” herein for a discussion of Special Counsel’s opinion.

The CUSIP number for a specific maturity is subject to being changed after the issuance of the Series 2016A Certificates as a result of various subsequent actions including, but not limited to, a refunding in whole or in part of such maturity or as a result of the procurement of secondary market portfolio insurance or other similar enhancement by investors that is applicable to all or a portion of certain maturities of the Series 2016A Certificates.

ADDITIONAL INFORMATION

The Series 2016A Certificates are being delivered by The Bank of New York Mellon Trust Company, N.A., Jacksonville, Florida, as Trustee (the "Trustee"), as fully registered certificates in denominations of \$5,000 or any integral multiple thereof, pursuant to the provisions of a Master Trust Agreement, dated as of April 1, 1994, as amended and supplemented, and particularly, as amended and supplemented by a Series 2016A Supplemental Trust Agreement, dated as of March 1, 2016 (collectively, the "Trust Agreement"), each with the Board, the Trustee and the Corporation. The Interest Component of Basic Rent Payments represented by the Series 2016A Certificates is payable on January 1 and July 1 of each year, commencing July 1, 2016 (each a "Payment Date"). Interest will be paid by check or draft of the Trustee, as Paying Agent and Registrar, mailed on each Payment Date to Owners listed in the registration books maintained by the Trustee on the 15th day of the month (whether or not a business day) next preceding each Payment Date. When issued, the Series 2016A Certificates will initially be registered in the name of Cede & Co., as registered owner and nominee for The Depository Trust Company, New York, New York ("DTC"). Purchasers of the Series 2016A Certificates (the "Beneficial Owners") will not receive physical delivery of Series 2016A Certificates. Ownership by the Beneficial Owners of the Series 2016A Certificates will be evidenced through a book-entry only system of registration. As long as Cede & Co. is the registered owner as nominee of DTC, payment of the Principal Component and Interest Component of the Basic Rent Payments represented by the Series 2016A Certificates will be made directly to Cede & Co., which will in turn remit such payments to the DTC Participants for subsequent disbursement to the Beneficial Owners. The Principal Component of Basic Rent Payments represented by the Series 2016A Certificates is payable to Owners upon presentation, when due, at maturity or earlier prepayment, at the designated corporate trust office of the Trustee in Jacksonville, Florida.

The current term of the Series 2007 Lease Agreement will continue through and including June 30, 2016. The Series 2007 Lease Agreement is automatically renewable annually thereafter through June 30, 2031, unless sooner terminated as described herein. In addition to the Series 2007 Lease Agreement, the Board has previously entered into a Series 1996 Lease Agreement, a Series 1998 Lease Agreement, a Series 1999 Lease Agreement, a Series 2000 Lease Agreement, a Series 2001B Lease Agreement, a Series 2002 Lease Agreement, a Series 2003B Lease Agreement, a Series 2004B Lease Agreement, a Series 2004C Lease Agreement, a Series 2004-QZAB Lease Agreement, a Series 2005-QZAB Lease Agreement, a Series 2006A Lease Agreement and a Series 2010B Lease Agreement (each as defined herein), and may enter into other leases under the Master Lease. There are 54 schools and 45 additions to schools leased under the Master Lease. Based on the District's full time equivalent enrollment for Fiscal Year 2015-16 of 208,038 students, approximately 42% of the District's students will attend classes in facilities leased under the Master Lease (including the Series 2007 Project) (see "THE MASTER LEASED PROJECTS" herein for a description of how such percentage is calculated).

When the Board appropriates Lease Payments for any of its Projects leased under the Master Lease, it must appropriate Lease Payments for all other Projects leased under the Master Lease. Failure to appropriate funds to pay Lease Payments under any such lease, or an event of default under any such lease, will result in the termination of all leases, including the Series 2007 Lease Agreement. Upon any such termination, any proceeds of the disposition of leased facilities (other than Designated Equipment) will be applied to payment of the related Series of Certificates, all as further described herein. In no event will owners of the Series 2016A Certificates have any interest in or right to any proceeds of the disposition of facilities leased under any lease other than the Series 2007 Lease Agreement. The proceeds of any such disposition of facilities leased under the Series 2007 Lease Agreement shall be applied to the payment of the Series 2016A Certificates, on a pro rata basis with the Unrefunded Series 2007 Certificates. See "SECURITY FOR

THE SERIES 2016A CERTIFICATES - Master-Lease Aspects" herein. The Series 2007 Project includes Designated Equipment, which consists of equipment components not constituting fixtures of the educational facilities. The Holders of the Series 2016A Certificates will not be granted any interest in Designated Equipment. Should termination of the Master Lease occur, the Series 2016A Certificates will not be prepaid except to the extent the Trustee has or receives moneys available for such purpose from the disposition of facilities leased under the Series 2007 Lease Agreement (other than Designated Equipment). Special Counsel will express no opinion as to tax exemption or the effect of securities laws with respect to the Series 2016A Certificates following an event of non-appropriation or an event of default under the Master Lease which results in termination of the Series 2007 Lease Agreement. Transfers of the Series 2016A Certificates may be subject to compliance with the registration provisions of state and federal securities laws following an event of non-appropriation or an event of default under the Master Lease which results in termination of the Series 2007 Lease Agreement (see "TAX EXEMPTION" and "RISK FACTORS" herein).

**Evidencing an Undivided Proportionate Interest of Owners
thereof in Basic Rent Payments to be made under a Master Lease-Purchase
Agreement by The School Board of Hillsborough County, Florida**

INTRODUCTION

This Offering Statement, including the cover page, inside cover page and appendices hereto, is provided to furnish information with respect to The School Board of Hillsborough County, Florida (the "Board"), and the sale and delivery of the Refunding Certificates of Participation (School Board of Hillsborough County, Florida Master Lease Program), Series 2016A (the "Series 2016A Certificates"), which are being issued in the aggregate principal amount of \$53,350,000 pursuant to a Master Trust Agreement, dated as of April 1, 1994, as amended and supplemented, and particularly as amended and supplemented by the Series 2016A Supplemental Trust Agreement, dated as of March 1, 2016 (collectively, the "Trust Agreement"), each by and among the Board, the Hillsborough School Board Leasing Corporation, a Florida not-for-profit corporation, as lessor thereunder (the "Corporation"), and The Bank of New York Mellon Trust Company, N.A., Jacksonville, Florida, as successor trustee to NationsBank of Florida, N.A., Tampa, Florida (the "Trustee"), who is also serving as Paying Agent, Registrar and Escrow Agent. The Series 2016A Certificates represent an undivided proportionate interest of the owners thereof in the right to receive a portion of the Basic Rent Payments (as defined herein) payable under a Master Lease-Purchase Agreement dated as of April 1, 1994, as amended and supplemented (the "Master Lease"), by and between the Corporation and the Board, as supplemented by the Second Amended and Restated Lease Schedule No. 2007, dated as of March 1, 2016 (the "Amended and Restated Lease Schedule No. 2007" and, together with the Master Lease, the "Series 2007 Lease Agreement") providing for the lease purchase of the Series 2007 Project (defined herein), and the advance refunding of a portion of the Series 2007 Certificates (as defined herein). See "PLAN OF REFINANCING" herein.

The Refunded Certificates

In April 2007, the Board entered into the Lease Schedule No. 2007 to the Master Lease (the "Original Series 2007 Lease Schedule") and leased certain educational and related facilities (the "Series 2007 Project"), which Original Series 2007 Lease Agreement is automatically renewable annually through June 30, 2031. In connection with the execution and delivery of the Original Series 2007 Lease Schedule, the Trustee executed and delivered \$84,685,000 Certificates of Participation, Series 2007 (the "Series 2007 Certificates"), which financed the Series 2007 Project. The Series 2007 Certificates are currently outstanding in the aggregate principal amount of \$66,040,000. As described herein, a portion of the proceeds of the Series 2016A Certificates will be used to advance refund a portion of the Series 2007 Certificates. See "PLAN OF REFINANCE" herein.

Upon the issuance of the Series 2016A Certificates, the Board will enter into the Second Amended and Restated Lease Schedule No. 2007, which amends and restates the Original Series 2007 Lease

Schedule, as previously amended, in its entirety and provides for the refinancing of that portion of the costs of the Series 2007 Project represented by the Refunded Certificates (as defined herein). See "THE SERIES 2007 PROJECT" herein. Subject to the Board's right of non-appropriation, the Series 2007 Lease Agreement will be automatically renewable annually through June 30, 2031. See "PLAN OF REFINANCE" herein.

AUTHORIZATION

Pursuant to the applicable provisions of the laws of the State of Florida (the "State"), including particularly Chapters 1000 through 1013, Florida Statutes (collectively, the "Act"), and the judicial decisions related thereto, the Board has the power and authority to enter into transactions such as that contemplated by the Series 2007 Lease Agreement, the Series 2007 Ground Lease, and the Trust Agreement. The Board authorized doing so pursuant to a resolution duly adopted by the Board on February 16, 2016 (the "Resolution").

PLAN OF REFINANCE

The Series 2007 Certificates maturing on and after July 1, 2018, in the aggregate principal amount of \$60,400,000 (collectively, the "Refunded Certificates"), are being advanced refunded on July 1, 2017, at a Prepayment Price of 100%, plus accrued interest, pursuant to the plan of refinancing. The moneys required to pay, refund and prepay the Refunded Certificates will be derived from a portion of the proceeds of the Series 2016A Certificates and other legally available funds of the Board. The Series 2007 Certificates maturing on July 1, 2016 and July 1, 2017 in the aggregate principal amount of \$5,640,000 (collectively, the "Unrefunded Series 2007 Certificates") will not be refunded with proceeds of the Series 2016A Certificates and will remain outstanding under the Trust Agreement.

A portion of the proceeds of the Series 2016A Certificates, together with other legally available funds of the Board, will be irrevocably placed in an escrow fund (the "Escrow Fund") with The Bank of New York Mellon Trust Company, N.A., as escrow agent (the "Escrow Agent"), pursuant to an escrow deposit agreement, between the Board and the Escrow Agent (the "Escrow Agreement"). A portion of such funds will be applied to purchase obligations the principal of and interest on which are unconditionally guaranteed by the full faith and credit of the United States of America (the "Refunding Securities"). The Refunding Securities will mature at such times and bear interest in such amounts so that sufficient moneys will be available from the maturing principal and interest thereof, together with any initial cash balances, to pay the Prepayment Price on the Refunded Certificates upon their prepayment.

Upon the deposit of such moneys, the Refunded Certificates shall no longer be deemed outstanding for purposes of the Trust Agreement and the resolutions and other documents authorizing

their issuance, and all liability of the Corporation and the Board with respect thereto shall cease, terminate and be completely discharged and extinguished, and the holders thereof shall be entitled to payment solely out of the moneys and securities on deposit pursuant to the Escrow Agreement.

VERIFICATION

As of the delivery date of the Series 2016A Certificates, Causey, Demgen & Moore, P.C., certified public accountants (the "Verification Agent") will verify, from information provided to them, the mathematical accuracy of the computations contained in schedules provided by Merrill Lynch, Pierce, Fenner & Smith Incorporated, the senior managing underwriter, to determine that the anticipated receipts from the Refunding Securities and the initial cash deposit to be held in the Escrow Fund will be sufficient to pay on the respective due dates and prepayment dates, the principal of and interest on the Refunded Certificates. The Verification Agent will express no opinion on the assumptions provided to them nor as to the exclusion from gross income for federal income tax purposes of the interest on the Series 2016A Certificates.

The Board is not required to deposit funds with the Trustee prior to the mailing by the Trustee of any notice of prepayment for the Series 2016A Certificates, provided that, notice of any prepayment of

Series 2016A Certificates shall explicitly state that the proposed prepayment is conditioned on there being on deposit in the applicable account or subaccount on the prepayment date sufficient funds to pay the full Prepayment Price of the Series 2016A Certificates to be prepaid or any other conditions as may be set forth in such notice of prepayment. In the event the conditions stated in the notice of prepayment are not satisfied on the proposed prepayment date, such prepayment shall not occur and such notice of prepayment shall be of no further force or effect.

Book-Entry Only System

THE FOLLOWING INFORMATION CONCERNING DTC AND DTC'S BOOK-ENTRY ONLY SYSTEM HAS BEEN OBTAINED FROM SOURCES THAT THE CORPORATION, THE BOARD AND THE UNDERWRITERS BELIEVE TO BE RELIABLE, BUT THE CORPORATION, THE BOARD AND THE UNDERWRITERS TAKE NO RESPONSIBILITY FOR THE ACCURACY THEREOF.

DTC will act as securities depository for the Series 2016A Certificates. The Series 2016A Certificates will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered certificate will be issued for each maturity of the Series 2016A Certificates and deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2016A Certificates under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2016A Certificates on DTC's records. The ownership interest of each actual purchaser of each Series 2016A Certificate (the "Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the

transaction. Transfers of ownership interests in the Series 2016A Certificates are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2016A Certificates, except in the event that use of the book-entry system for the Series 2016A Certificates is discontinued.

To facilitate subsequent transfers, all Series 2016A Certificates deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2016A Certificates with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2016A Certificates. DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2016A Certificates are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the Series 2016A Certificates may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2016A Certificates, such as redemptions, tenders, defaults, and proposed amendments to the Series 2016A Certificate documents. For example, Beneficial Owners of the Series 2016A Certificates may wish to ascertain that the nominee holding the Series 2016A Certificates for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Registrar and request that copies of the notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2016A Certificates within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such certificates to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2016A Certificates unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Trustee as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2016A Certificates are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and interest payments on the Series 2016A Certificates will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Trustee on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participants and not of DTC, Agent, or the Trustee, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions and dividend

payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Trustee for the Series 2016A Certificates. Disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2016A Certificates at any time by giving reasonable notice to the Board. Under such circumstances, in the event that a successor depository is not obtained, certificates are required to be printed and delivered to DTC.

The Board may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Board believes to be reliable, but the Board takes no responsibility for the accuracy thereof.

SECURITY FOR THE SERIES 2016A CERTIFICATES

Master-Lease Aspects

The Master Lease contemplates that the relationship between the Board and the Corporation will be a continuing one, that Projects in addition to the Prior Projects and the Series 2007 Project may be added to the Master Lease from time to time, and that Additional Certificates in addition to the Series 2016A Certificates will be issued under the Trust Agreement in connection with such Projects. The Board has previously entered into the Prior Leases as described under the heading "INTRODUCTION."

The Series 2016A Certificates evidence fractional undivided interests in a portion of the Basic Rent Payments to be made by the Board under the Series 2007 Lease Agreement, on a pro rata basis with the Unrefunded Series 2007 Certificates. The Series 2016A Certificates are secured by and payable from the Trust Estate established for the Series 2016A Certificates pursuant to the Trust Agreement. The Trust Estate consists of, among other things, all estate, right, title and interest of the Trustee in and to the Basic Rent Payments under the Series 2007 Lease Agreement, and all amounts held in the funds and accounts under the Trust Agreement, allocable to the Series 2016A Certificates in accordance with the provisions of the Master Lease and the Trust Agreement, including investment earnings thereon, and any and all monies received by the Trustee pursuant to the Series 2007 Lease Agreement and the Trust Agreement which are not required to be remitted to the Board or the Corporation pursuant to the Master Lease or the Trust Agreement.

The owners of the Series 2016A Certificates shall have no claim against, nor receive any benefits from, any portion of the Trust Estate derived from the sale, reletting or other disposition of Projects, other than the Series 2007 Project (except for Designated Equipment – see "THE SERIES 2007 PROJECT"). Such portion of the Trust Estate which is derived from the sale, re-letting or other disposition of the Series 2007 Project will be utilized solely for the benefit of the owners of the Series 2016A Certificates on a pro rata basis with the owners of the Unrefunded Series 2007 Certificates. Any cash, securities or investments in the Series 2016A Pledged Accounts shall be utilized solely for the benefit of the Owners of the Series 2016A Certificates. See "SECURITY FOR THE SERIES 2016A CERTIFICATES - Lease Payment Fund" and "-Additional Series of Certificates."

Notwithstanding any provision of the Series 2007 Lease Agreement to the contrary, that portion of the Series 2007 Project comprised of Steinbrenner High School and Smith Middle School shall be secured, on a proportionate basis, by the Fourth Amended and Restated Lease Schedule No. 2004C, the Third Amended and Restated Lease Schedule No. 2006A and the Series 2007 Lease Agreement and that portion of the Series 2006A Project and the Series 2007 Project comprised of Barrington Middle School shall be secured, on a proportionate basis, by both the Series 2006A Lease Agreement and the Series 2007 Lease Agreement.

Limited Obligation of the Board

The obligation of the Board to make Lease Payments, which includes Basic Rent and Supplemental Rent under the Series 2007 Lease Agreement, is a limited and special obligation, payable solely from moneys specifically appropriated by the Board for such purpose from the Board's Available Revenues (as defined herein). There shall be credited, against such obligation, moneys, if any, on deposit with the Trustee in certain accounts pledged under the Trust Agreement and from amounts, if any, realized from the exercise of remedies with respect to the Series 2007 Project (other than Designated Equipment – see "THE SERIES 2007 PROJECT") by the Trustee on behalf of Certificate Owners. Such Basic Rent is subject to annual appropriation by the Board and the Series 2007 Lease Agreement shall be terminated upon the occurrence of an Event of Non-Appropriation. An "Event of Non-Appropriation" will occur if the Board does not approve a tentative Budget and a final Budget in accordance with State law which appropriates sufficient funds from Available Revenues to continue paying Basic Rent in full for all Projects (including the Prior Projects and the Series 2007 Project) leased under the Master Lease beyond the end of such Initial Lease Term or Renewal Lease Term for the following Renewal Lease Term. The Lease Term shall be deemed renewed pending the enactment of the final Budget and the Board shall be liable for any Basic Rent and other obligations under the Master Lease coming due during such period but only if the tentative Budget and the final Budget make available to the Board moneys which may be legally used to pay the Basic Rent and pay such other obligations coming due during such period. Upon the occurrence of an Event of Non-Appropriation, the Board will not be obligated to pay Basic Rent for the Series 2007 Lease Agreement and any other obligations accruing beyond the then current Fiscal Year.

While the Board is not legally obligated to do so, it has represented in the Master Lease that it is its present intent to continue the Series 2007 Lease Agreement with respect to the Series 2007 Project for the Maximum Lease Terms thereof (ending June 30, 2031). Subject to the right of non-appropriation, the Board has agreed in the Master Lease to take such action as may be necessary to include all Basic Rent due under the Master Lease as a separately stated line item in its Budget and to appropriate in each Fiscal Year from Available Revenues an amount necessary to pay the Basic Rent due in such Fiscal Year.

"Available Revenues" includes the moneys and revenues of the Board legally available under the Act to pay the Basic Rent. Available Revenues may include, but are not limited to, Capital Outlay Millage funds. See "AVAILABLE REVENUES FOR CAPITAL OUTLAY PROJECTS" and "OPERATING REVENUE OF THE DISTRICT" herein.

The Board has and may issue additional indebtedness which is not in connection with the Master Lease secured by any of its Available Revenues without the consent of the Owners of the Series 2016A Certificates. The incurrence of such indebtedness by the Board may adversely affect the Board's ability to pay Basic Rent and Supplemental Rent under the Master Lease.

BASIC RENT AND, CONSEQUENTLY, THE CERTIFICATE PAYMENTS OF PRINCIPAL AND INTEREST ARE PAYABLE SOLELY FROM THE BOARD'S AVAILABLE REVENUES, AND NEITHER THE BOARD, THE SCHOOL DISTRICT OF HILLSBOROUGH COUNTY, FLORIDA (THE "DISTRICT"), HILLSBOROUGH COUNTY, FLORIDA (THE "COUNTY"), THE STATE OF FLORIDA, NOR ANY POLITICAL SUBDIVISION OR AGENCY THEREOF SHALL BE OBLIGATED TO PAY ANY SUMS DUE UNDER THE SERIES 2007 LEASE AGREEMENT EXCEPT FROM AVAILABLE REVENUES APPROPRIATED FOR SUCH PURPOSE. BASIC RENT IS SUBJECT TO ANNUAL APPROPRIATION BY THE BOARD. THE CERTIFICATE PAYMENTS OF PRINCIPAL AND INTEREST AND THE PAYMENTS DUE FROM THE BOARD UNDER THE SERIES 2007 LEASE AGREEMENT AND THE CONTRACTUAL OBLIGATIONS OF THE BOARD UNDER THE SERIES 2007 LEASE AGREEMENT DO NOT CONSTITUTE A GENERAL OBLIGATION OR A PLEDGE OF THE FAITH AND CREDIT OF THE BOARD, THE DISTRICT, THE COUNTY, THE STATE OF FLORIDA, OR ANY POLITICAL SUBDIVISION OR AGENCY THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION. THE ISSUANCE OF THE SERIES 2016A CERTIFICATES WILL NOT DIRECTLY OR INDIRECTLY OBLIGATE THE BOARD, THE DISTRICT, THE COUNTY, THE STATE OF FLORIDA, OR ANY POLITICAL SUBDIVISION OR AGENCY THEREOF, TO LEVY OR TO PLEDGE ANY FORM OF AD VALOREM TAXATION WHATSOEVER THEREFOR AND THE OWNERS OF THE SERIES 2016A CERTIFICATES WILL HAVE NO RECOURSE TO THE POWER OF AD VALOREM TAXATION OF THE BOARD OR ANY OTHER GOVERNMENTAL ENTITY.

THE BOARD IS NOT OBLIGATED TO APPROPRIATE AVAILABLE REVENUES TO PAY BASIC RENT. IF, FOR ANY FISCAL YEAR, THE BOARD DOES NOT APPROVE A BUDGET WHICH APPROPRIATES SUFFICIENT AVAILABLE REVENUES (WITHOUT REGARD TO ANY CREDITS FROM EARNINGS ON AMOUNTS HELD IN THE FUNDS AND ACCOUNTS ESTABLISHED UNDER THE TRUST AGREEMENT) IN A LINE ITEM SPECIFICALLY IDENTIFIED FOR PAYMENT OF ITS OBLIGATIONS UNDER THE MASTER LEASE, SUCH FAILURE SHALL CONSTITUTE AN EVENT OF NON-APPROPRIATION AND THE MASTER LEASE SHALL TERMINATE AS OF THE LAST DAY OF THE INITIAL LEASE TERM OR THE LAST RENEWAL LEASE TERM FOR WHICH AVAILABLE REVENUES HAVE BEEN BUDGETED AND APPROPRIATED AND THE BOARD WILL NOT BE OBLIGATED TO PAY ANY BASIC RENT ACCRUING OR ARISING BEYOND SUCH LAST DAY. IN SUCH EVENT, THE BOARD IS REQUIRED TO SURRENDER USE, POSSESSION AND CONTROL OF ALL PROJECTS (OTHER THAN DESIGNATED EQUIPMENT) LEASED UNDER THE MASTER LEASE, INCLUDING THE PRIOR PROJECTS AND THE SERIES 2007 PROJECT, TO THE TRUSTEE.

Uniform Commercial Code

The Series 2016A Certificates will have all the qualities and incidents of an investment security under the Uniform Commercial Code-Investment Securities Law of the State and are exempt from the provisions of the uniform commercial code relating to secured transactions.

Lease Payment Fund

The Trust Agreement provides for the establishment and maintenance of a single Lease Payment Fund, with a Principal Account and an Interest Account for deposit of Basic Rent Payments appropriated and paid under the Master Lease. With certain limited exceptions, separate subaccounts within the Principal Account and the Interest Account will be established upon the issuance of each additional series

of Certificates under the Trust Agreement. Basic Rent due under all Lease Schedules to the Master Lease is subject to annual appropriation by the Board on an all-or-none basis and is payable on a parity basis solely from Available Revenues; provided that (i) Basic Rent with respect to a particular Lease Schedule and Series of Certificates may be additionally and separately secured by a Credit Facility or insurance policy, and (ii) Owners of various Series of Certificates are not on a parity as to the amounts in the separate subaccounts established in the Lease Payment Fund with respect to a particular series. The Series 2007 Project is just one portion of a series of Projects financed under the Master Lease. There is no limit on the number of additional Projects that may be financed thereunder. The Board may enter into additional lease schedules from time to time, without limitation, for the lease purchase financing of additional Projects. Such additional Projects may be financed through the sale of additional series of Certificates under the Trust Agreement. PURSUANT TO THE MASTER LEASE, THE BOARD MAY NOT BUDGET AND APPROPRIATE BASIC RENT FOR A PORTION OF THE PROJECTS LEASED THEREUNDER; IT MUST BUDGET AND APPROPRIATE FOR ALL PROJECTS OR NONE OF THEM. There can be no assurance that sufficient funds will be appropriated or otherwise be made available to make all of the Lease Payments. See " – Limited Obligation of the Board" herein for further information regarding the effect of an Event of Non-appropriation under the Master Lease.

Flow of Funds

Pursuant to the Trust Agreement, the following funds and accounts were established:

- (1) the "School Board of Hillsborough County, Florida Master Lease Project Fund" (the "Project Fund"), which consists of a Project Account, Capitalized Interest Account and a Costs of Issuance Account;
- (2) the "School Board of Hillsborough County, Florida Master Lease Payment Fund" (the "Lease Payment Fund"), which consists of a Principal Account and an Interest Account;
- (3) the "School Board of Hillsborough County, Florida Master Lease Prepayment Fund" (the "Prepayment Fund"); and
- (4) the "School Board of Hillsborough County, Florida Master Lease Rebate Fund" (the "Rebate Fund").

Series subaccounts have been or will be established within the Principal Account, Interest Account, Project Account, Costs of Issuance Account and Prepayment Fund for each Series of Certificates, including the Series 2016A Certificates.

Basic Rent Payments paid to the Trustee, as assignee of the Corporation pursuant to the Master Lease and the Assignment, shall be deposited as received by the Trustee in the Lease Payment Fund and applied by the Trustee in the following manner and in the following order of priority:

- (i) There shall be deposited to the subaccount of the Interest Account established for the payment of a Series of Certificates from the Interest Component of Basic Rent made in relation to such Series of Certificates an amount which shall be sufficient to pay the interest becoming due on such Series of Certificates on the next succeeding Payment Date. Moneys in each subaccount of the Interest Account shall be used to pay the interest on the Series of Certificates for which it was established as and when the same become due, whether by redemption or otherwise, and for no other purpose. No further deposit

need be made to the Interest Account when the moneys therein are equal to the interest coming due on all Outstanding Certificates on the next succeeding Payment Date.

(ii) There shall be deposited to the subaccount of the Principal Account established for the payment of a Series of Certificates from the Principal Component of Basic Rent made in relation to such Series of Certificates an amount which shall be sufficient to pay the principal and the Amortization Installment becoming due on such Series of Certificates on the next succeeding principal Payment Date. Moneys in each subaccount of the Principal Account shall be used to pay the principal and Amortization Installment of the Series of Certificates for which it was established as and when the same shall mature or are redeemed, and for no other purpose. No further deposit need be made to the Principal Account when the moneys therein are equal to the principal and the Amortization Installment coming due on all Outstanding Certificates on the next succeeding principal Payment Date.

Defaults and Remedies

Upon the occurrence of an Event of Default under the Trust Agreement (which includes the occurrence of an "Event of Default" or "Event of Non-Appropriation" under the Master Lease unless the Master Lease "Event of Default" has been remedied or waived), the Trustee is entitled to and, upon direction of the Owners of not less than a majority in aggregate principal of Certificates then Outstanding is required to, exercise a variety of remedies including, without limitation, any one or more of the following: (1) declare the principal of all Certificates of a Series due and payable (but only if the Master Lease has been terminated); (2) protect and enforce its rights and the rights of the Owners under the Trust Agreement, the Master Lease or the Series 2007 Ground Lease; and (3) take possession of the Projects, including the Series 2007 Project (other than Designated Equipment), and sell, re-let or otherwise dispose of the leasehold estate of the Corporation in the Projects, or any portion thereof.

Refunding Certificates

Refunding Certificates may be issued under and secured by the Trust Agreement for the purposes of (i) providing funds for refunding part or all of the Certificates at or prior to their maturity or maturities, including the payment of any Prepayment Premium thereon and interest which will accrue on such Certificates to their date of payment, (ii) making a deposit, as necessary, to the subaccount of the Reserve Account which shall secure such Refunding Certificates, and (iii) paying the Costs of Issuance relating to said Refunding Certificates.

In order to issue Refunding Certificates, the Trustee must have received, among other items, a report of a certified public accountant or firm of certified public accountants verifying the mathematical accuracy of calculations supplied by the Board, or its designee, that the proceeds of such Refunding Certificates plus any other moneys available for such purpose, including investment earnings, shall be not less than an amount sufficient to pay the principal of and the Prepayment Premium, if any, on the Certificates to be refunded and the Interest Component of the Basic Rent represented by such Certificates which will accrue thereon to the prepayment date or maturity dates applicable thereto.

Other than for amounts required to pay Costs of Issuance, the proceeds of such Refunding Certificates and any other moneys received by the Trustee for such purpose, shall be held by the Trustee or other designated fiduciary in a special fund appropriately designated, to be held in trust for the sole and exclusive purpose of paying the principal of and Prepayment Premium, if any, on the Certificates to be refunded and the Interest Component of the Basic Rent represented by such Certificates, all as

provided in the Trust Agreement. The Refunding Certificates shall be secured in the same manner and from the same Pledged Accounts as the Certificates to be refunded in accordance with the terms of the Trust Agreement. The Series 2016A Certificates constitute Refunding Certificates under the Trust Agreement.

Additional Certificates and Other Indebtedness

Additional Series of Certificates ("Additional Certificates") may be issued under the Trust Agreement, in addition to the Series 2016A Certificates and the Prior Certificates, to finance additional Projects under the Master Lease without the consent of the Owners of the Series 2016A Certificates. The number of Series of Certificates that may be created under the Trust Agreement is not limited. The aggregate principal amount of each Series of Certificates which may be issued, authenticated and delivered under the Trust Agreement is not limited except as set forth in the related Lease Schedule specifying the details of such Series.

In addition to Additional Certificates issued under the Master Lease, the Board may also issue indebtedness or other obligations which are not in connection with the Master Lease secured by any of its Available Revenues without the consent of the Owners of the Series 2016A Certificates. The incurrence of such indebtedness or other obligations may affect the Board's obligations to make Lease Payments under the Master Lease. Failure of the Board to appropriate Available Revenues for all Lease Payments under the Master Lease would not necessarily impair the Board's right to appropriate revenues to make payments for obligations which are not connected to the Master Lease.

Interest Rate Exchange Agreement

The Board entered into an ISDA Master Agreement between UBS AG ("UBS") and the Board (together with all schedules and confirmations thereto, the "Interest Rate Exchange Agreement"), dated February 19, 2003 and amended April 19, 2005. Under such agreement the Board pays UBS a 4.97% fixed rate of interest on an amortizing notional amount of \$109,625,000 (as of June 30, 2015) (the "UBS Swap"). In return, UBS pays the Board a variable rate based on the Securities Industry and Financial Markets Association Municipal Swap Index. Payments (other than non-scheduled termination payments) made by the Board under the Interest Rate Exchange Agreement constitute Basic Rent Payments under the Series 1998 Lease Agreement allocated to the Series 2008A Certificates. In addition, any payments (other than non-scheduled termination payments) made by the Board under any similar agreement entered into by the Board in the future, would constitute Basic Rent Payments under the Master Lease secured by the Lease Schedule to which the notional amount relates.

Under certain circumstances, the Interest Rate Exchange Agreement is subject to early termination, which may or may not be in control of the Board, in which event the Board may be obligated to make a payment to UBS. Such circumstances include, but are not limited to, the long term unsecured credit rating of the Board by S&P or Moody's being withdrawn, suspended or falling below BBB or Baa2, respectively, events related to the insurer of the UBS Swap (subject to certain remedial actions of the Board), and the occurrence of an event of default under the Interest Rate Exchange Agreement. If a termination event were to occur under such agreement, the Board may or may not be obligated to appropriate a significant termination payment or payments within a single fiscal year. Such an obligation could have a material adverse effect on the Board's ability to make Lease Payments. See "APPENDIX B – COMPREHENSIVE ANNUAL FINANCIAL REPORT OF THE SCHOOL DISTRICT OF

HILLSBOROUGH COUNTY, FLORIDA FOR THE FISCAL YEAR ENDED JUNE 30, 2015" and specifically, Note 8 therein entitled "Interest Rate Swap."

RISK FACTORS

The purchasers of the Series 2016A Certificates are subject to certain risks. Each prospective investor in the Series 2016A Certificates is encouraged to read this Offering Statement in its entirety. Particular attention should be given to the factors described below which, among others, could affect the market price of the Series 2016A Certificates to an extent that cannot be determined.

Annual Right of the Board to Terminate the Lease Agreement

Although the Board has determined in the Master Lease that the Series 2007 Project is necessary to its operations and currently intends to continue the Series 2007 Lease Agreement with respect to the Series 2007 Project for the Maximum Lease Term thereof and has covenanted in the Series 2007 Lease Agreement that the Superintendent will include a sufficient amount in the tentative Budget and final Budget to enable the Board to make the Basic Rent due in each Fiscal Year, the Board is not required to appropriate funds to pay Basic Rent. If for any Fiscal Year the Board does not approve a tentative Budget and a final Budget which appropriates sufficient funds from Available Revenues in a line item specifically identified for payment of its obligations under the Master Lease, the Master Lease shall terminate as of the last day of the Initial Lease Term or last Renewal Lease Term for which moneys have been budgeted and appropriated with respect to the Series 2007 Project, the Prior Projects and all other Projects financed thereunder, and the Board will not be obligated to make Basic Rent accruing or arising thereafter, and the Board shall be required to surrender use, possession and control of the Series 2007 Project (other than the Designated Equipment) and all other Projects to the Trustee within seven Business Days after the date on which such Event of Non-Appropriation occurs.

The likelihood that the Series 2007 Lease Agreement will be terminated as the result of an Event of Non-Appropriation is dependent upon certain factors that are beyond the control of the Certificate Owners, including the continuing future utility of the Series 2007 Project and Prior Projects to the Board and changes in population or demographics within the County (which may impact such future utility).

Limitation Disposition; Ability to Sell or Relet

Following an Event of Default under the Trust Agreement (which includes an Event of Non-Appropriation or Event of Default under the Master Lease), the Trustee may take possession of all or a portion of the Series 2007 Project (other than Designated Equipment). However, due to the governmental nature of the Series 2007 Project, it is not certain whether a court would permit the exercise of the remedies to sell, relet or dispose of the Series 2007 Project. Also, there is no assurance that the Trustee will be able to sell, relet or dispose of the components of the Series 2007 Project or that the Owners of the Series 2016A Certificates and the Unrefunded Series 2007 Certificates will obtain payment of all or any portion of the Principal Component or Interest Component thereof upon an Event of Default under the Trust Agreement.

[Remainder of page intentionally left blank]

Tax Exempt Status

Upon termination of the Master Lease, there is no assurance that payments made by the Trustee with respect to the Series 2016A Certificates and designated as interest will be excludable from gross income for federal income tax purposes. See "TAX EXEMPTION" herein.

Applicability of Securities Laws

In the event of the termination of the Master Lease, the transfer of a Series 2016A Certificate may be subject to or conditioned upon compliance with the registration provisions of applicable federal and state securities laws. Accordingly, there is no assurance that liquidity of the Series 2016A Certificates will not be impaired following termination of the Master Lease.

Capital Outlay Millage

The amount which can be realized by the Board derived from the levy of the Capital Outlay Millage (hereinafter described), the Board's primary source of repayment of the Basic Rent represented by the Series 2016A Certificates, can be affected by a variety of factors not within the Board's control including, without limitation, fluctuations in the assessed valuation of the property within the County and the amount of general business activity, growth and new construction which occurs within the County. The revenues derived from the Capital Outlay Millage could be affected adversely by, among other things, a decline in property values brought on by market, catastrophic or other events or crises, litigation or legislation. There can, therefore, be no assurances that such revenues will not decrease in the event that such growth and new construction, for whatever reason, decreases or ceases altogether within the County. See "AVAILABLE REVENUES FOR CAPITAL OUTLAY PROJECTS" herein and "APPENDIX A--GENERAL INFORMATION RELATING TO HILLSBOROUGH COUNTY, FLORIDA" attached hereto.

The Capital Outlay Millage may also be adversely affected pursuant to changes in applicable law. See " – Recent Legislative and Constitutional Initiatives" below and "AD VALOREM TAXATION – Recent Constitutional and Legislative Amendments Affecting Ad Valorem Taxes" herein, for a description of recent changes in applicable law affecting the levy of the Capital Outlay Millage.

State Revenues

A large portion of the District's funding is derived from State sources. See "AVAILABLE REVENUES FOR CAPITAL OUTLAY PROJECTS – State Sources" and "AD VALOREM TAXATION – Recent Constitutional and Legislative Amendments Affecting Ad Valorem Taxes" herein. A significantly large percentage of such state revenue is generated from the levy of a State sales tax. The amount budgeted for distribution from the State to the District is subject to change in the event that projected revenues are not realized.

For Fiscal Year 2006-07 through Fiscal Year 2012-13, the Florida Legislature reduced the State's budget, which resulted in a significant revenue decline for Florida school districts. Beginning in Fiscal Year 2013-14, the Florida Legislature increased State funding for K-12 education. The adopted State budget for Fiscal Year 2013-14 provided for an approximately \$1.05 billion increase in State funding for K-12 education, including a \$480 million increase in salaries for school personnel, retirement rate increases and growth. As a result of the adopted budget, funding in the State increased by approximately

\$400 per student or 6.5% over Fiscal Year 2012-13. The District received an increase of approximately \$80,012,783 in State revenues for Fiscal Year 2013-14 as compared to Fiscal Year 2012-13.

The adopted State budget for the Fiscal Year 2014-15 included an appropriation of approximately \$18.9 billion for public education, an increase of approximately \$175 million in State funding for K-12 education. As a result, per-student funding in the State increased by approximately \$129 per student as compared to the Fiscal Year 2013-14. The adopted budget also included approximately \$600 million in money for construction projects for public schools, universities and colleges, including \$75 million for charter schools. The District received an increase of approximately \$43,482,721 in State revenues for the Fiscal Year 2014-15 as compared to the Fiscal Year 2013-14.

The adopted State budget for Fiscal Year 2015-16 included an appropriation of approximately \$19.7 billion for K-12 education, an increase of approximately \$780 million in State funding. This increase in State funding will result in an increase of approximately \$207 per student or approximately a 3% over Fiscal Year 2014-15. The District estimates an increase of approximately \$43,037,585 in State revenues for the Fiscal Year 2015-16 as compared to the Fiscal Year 2014-15.

On March 11, 2016, the State Legislature adopted a State budget for Fiscal Year 2016-17 providing for an approximately \$458.2 million or 2.33% increase in State and local funding for K-12 public schools over Fiscal Year 2015-16. Pursuant to the adopted budget, education funding in the State is estimated to increase by approximately \$71.16 per student or 1% over Fiscal Year 2015-16. Based on the legislatively approved budget, the estimated increase for the District is approximately \$42,594,808 million over Fiscal Year 2015-16. The adopted budget has been delivered to the governor for his review and approval. The governor has the option to use a line-item veto, which allows him to cancel specific appropriations. A two-thirds majority vote is needed to overturn any budget item vetoed by the governor. Therefore, there can be no assurance that funding for K-12 public schools will increase exactly as provided for in the legislatively approved budget.

Additional Lease Schedules

The Board may enter into other Lease Schedules in addition to the Fourth Amended and First Restated Lease Schedule No. 1996, the Fourth Amended and Restated Lease Schedule No. 1998, the Second Amended and Restated Lease Schedule No. 1999, the Fourth Amended and Restated Lease Schedule No. 2000, the Amended and Restated Lease Schedule No. 2001B, the Amended and Restated Lease Schedule No. 2002, the Amended and Restated Lease Schedule No. 2003B, the Lease Schedule No. 2004B, the Lease Schedule No. 2004-QZAB, the Fourth Amended and Restated Lease Schedule No. 2004C, the Lease Schedule No. 2005-QZAB, the Third Amended and Restated Lease Schedule No. 2006A, the Second Amended and Restated Lease Schedule No. 2007, and the Lease Schedule No. 2010B. Failure to appropriate funds to pay Basic Rent under any such Lease Schedules will, or an event of default under any such Lease Schedules may, result in the termination of all Lease Schedules, including the Series 2007 Lease Agreement. Upon any such termination of all Lease Schedules, the Board must surrender all Projects (other than Designated Equipment), including the Series 2007 Project, to the Trustee for sale or lease. The proceeds of any such disposition of Projects will be applied to the payment of the applicable Certificates. In no event will owners of the Series 2016A Certificates have any interest in or right to any proceeds of the disposition of facilities financed with the proceeds of another Series of Certificates, except for the Series 2007 Project on a pro rata basis with the Owners of the Unrefunded Series 2007 Certificates. See "SECURITY FOR THE SERIES 2016A CERTIFICATES - Master-Lease Aspects" herein. In no event will Series 2016A Certificate holders have any interest in or rights to Designated Equipment. There can

be no assurance that the remedies available to the Trustee upon any such termination of all Lease Schedules and the disposition of the Series 2007 Project will produce sufficient amounts to pay the Series 2016A Certificates.

Additional Indebtedness

The Board may issue additional indebtedness other than in connection with the Master Lease secured by or payable from Available Revenues without the consent of the Owners of the Series 2016A Certificates. Incurring such additional indebtedness may adversely affect the Board's ability to make Lease Payments under the Master Lease. See "SECURITY FOR THE SERIES 2016A CERTIFICATES - Additional Certificates and Other Indebtedness" herein.

Recent Legislative and Constitutional Initiatives

During recent years, many legislative and constitutional proposals have been introduced that could affect District funding sources to the extent passed. See "AD VALOREM TAXATION – Recent Constitutional and Legislative Amendments Affecting Ad Valorem Taxes" for a description of recent initiatives that have been proposed. The Board is unable to predict what proposals, and their effect on Board finances, may be introduced during the time the Series 2016A Certificates are Outstanding.

No Reserve Account

No reserve account has been or will be established for the Series 2016A Certificates.

Property and Casualty Insurance

Many governmental entities including school districts in the State of Florida are facing substantial increases in property and casualty insurance premiums for insurance policies which include substantial increases in deductibles and limitations on coverage. No assurances can be given that property and casualty insurance coverage may be obtained which will insure for the full replacement value of the Board's facilities including the facilities leased under its Master Lease Program (as defined herein). The Board is currently unable to insure such full replacement value.

The Board has covenanted in the Lease Agreement, subject to the requirements of State law, to procure and maintain insurance against loss or damage to any part of the Projects by fire or lightning, with extended coverage and vandalism and malicious mischief insurance. Such extended coverage insurance will, as nearly as practicable, also cover loss or damage by explosion, windstorm, riot, aircraft, vehicle damage, smoke and such other hazards as are normally covered by such insurance. The Lease Agreement requires that such insurance be in an amount equal to the lesser of (i) one hundred percent (100%) of the replacement cost of the Projects, (ii) the Principal Component of the Basic Rent Payments then remaining unpaid, (iii) the amount of \$75,000,000 per occurrence or, (iv) such lesser amount as is available at commercially reasonable costs, as set forth in a Certificate of an Insurance Consultant filed with the Board and the Trustee. Such insurance may be subject to deductible clauses not to exceed \$250,000 in the aggregate for any one loss or, in the case of windstorm damage, two percent (2%) of the replacement cost.

Sequestration

Pursuant to the Sequestration Transparency Act of 2012 (P.L. 112-155), as a consequence of the Joint Select Committee on Deficit Reduction's failure to propose, and Congress' failure to enact, a plan to reduce the federal deficit by \$1.2 trillion (as required by the Budget Control Act of 2011 by January 2, 2013), the President of the United States, in his report to Congress of sequestration for fiscal year 2013, included in such sequestration the payments authorized for direct-pay bonds issued under the American Recovery and Reinvestment Act of 2009 (the "Recovery Act"), such as Build America Bonds, including the Series 2010B Certificates. The sequestration cut for direct-pay bonds was initially scheduled to last through fiscal year 2021 but has been extended through fiscal year 2024. On September 30, 2013, the Internal Revenue Service announced that payments to issuers of direct-pay bonds, such as the Series 2010B Certificates, are subject to a reduction of 7.2% of the amount budgeted for such cash subsidy payments ("Federal Subsidy Payments") through September 30, 2014. On October 16, 2014, the Internal Revenue Service announced that payments to issuers of direct-pay bonds are subject to a reduction of 7.3% of the amount budgeted for such Federal Subsidy Payments through September 30, 2015. On August 11, 2015, the Internal Revenue Service announced that payments to issuers of direct-pay bonds are subject to a reduction of 6.8% of the amount budgeted for such Federal Subsidy Payments through September 30, 2016. No assurance can be given that legislative proposals may be introduced or enacted by Congress that would or might apply to, or have an adverse effect upon, the Board's receipt of the Federal Subsidy Payments. *Payment of debt service on the Series 2010B Certificates is not contingent upon receipt by the Board of the Federal Subsidy Payments and the Board does not expect that any such reduction in Federal Subsidy Payments will affect its ability to make Lease Payments on the Series 2010B Certificates.*

THE MASTER LEASED PROJECTS

That portion of the Series 2007 Project funded by the Refunded Certificates will be refinanced under the Board's existing Master Lease Purchase Program (the "Master Lease Program") with the Corporation pursuant to the Master Lease. The Projects financed by the Board under the Master Lease Program are subject to annual appropriation on an all or none basis. The District has 54 schools and 45 additions to schools subject to the Master Lease Program. Based on the District's full time equivalent enrollment for the Fiscal Year 2015-16 of approximately 208,038 students, approximately 42% of the District's students will attend classes in facilities leased under the Master Lease. Under certain conditions set forth in the Master Lease, the Board may substitute or add components to any of the Prior Projects and the Series 2007 Project and modify the Plans and Specifications thereof. For a complete description of the facilities see "THE SERIES 2007 PROJECT" and "THE PRIOR PROJECTS" herein. To determine the above percentage, the number of students attending each facility was calculated as follows: for schools that are built and operating, the number of students for the Fiscal Year 2015-16 was used; for the additions, the number of student stations attributable to each specific classroom for Fiscal Year 2015-16 based on the type of school (elementary, middle or high) was used. For purposes of the foregoing calculation, the improvements that comprise Designated Equipment were not included. Such attendance levels may change at any time based on an increase or reduction in actual enrollment or further State of Florida legislative or constitutional requirements. See "SCHOOL BOARD OF HILLSBOROUGH COUNTY, FLORIDA - Constitutional Amendments Related to Class Size Reduction and Pre-K Education" for a further description of the current Florida Constitutional requirements related to class size.

Pursuant to the Master Lease, the Board does not have the ability to appropriate Basic Rent for payment of one Project or some combination of Projects only. The Board's annual appropriation for Lease

Payments must be for all Projects under the Master Lease Program or it must terminate all Projects under the Master Lease Program. In the event the Board decides not to appropriate funds in its annual budget for all of such financed Projects, the Board would, at the Trustee's option, have to surrender such Projects (other than Designated Equipment) for the duration of their applicable lease terms, including the Series 2007 Project, to the Trustee for the benefit of the Owners of the Certificates which financed or refinanced such Projects.

THE MASTER LEASE PROGRAM

The Series 2007 Ground Lease

The Board, as Ground Lessor, granted to the Corporation, as Ground Lessee, a leasehold estate in the Series 2007 Project and the real estate on which such Series 2007 Project is located (the "Series 2007 Projects Land") pursuant to the Series 2007 Ground Lease. The term of the Series 2007 Ground Lease commenced on the dated date of the Series 2007 Certificates and will terminate on the earlier of (a) the date on which the Series 2016A Certificates and Unrefunded Series 2007 Certificates (and any Series of Certificates refunding such Certificates) have been paid in full, or (b) July 1, 2036 (both dates inclusive). So long as no Event of Default or Event of Non-Appropriation under the Series 2007 Lease Agreement has occurred, the Series 2007 Projects Land shall be used by the Board with respect to the Series 2007 Project. Upon termination of the Master Lease, the rental of the Series 2007 Projects Land shall be increased to fair market value in accordance with the terms of the Series 2007 Ground Lease. The payment of such increased rent is subordinate to the obligation to pay the Principal Component and the Interest Component of the Series 2016A Certificates on a pro rata basis with the Unrefunded Series 2007 Certificates. See "SECURITY FOR THE SERIES 2015A CERTIFICATES - Master-Lease Aspects" herein.

The foregoing does not attempt to completely summarize the provisions of the Series 2007 Ground Lease. See "APPENDIX G – SERIES 2007 GROUND LEASE" attached hereto for more information regarding the Series 2007 Ground Lease.

The Master Lease and the Series 2007 Lease Agreement

The Master Lease provides for the lease-purchase financing by the Board from time to time of various real and/or personal property projects ("Projects"), including the Prior Projects and the Series 2007 Project, that are described in various Lease Schedules to the Master Lease. The Master Lease provides the terms and conditions governing the lease of Projects, and the framework under which the Board is obligated to pay rent ("Basic Rent") to the Corporation for the particular Project described on a particular Lease Schedule. Lease Payments consist of Basic Rent, the principal and interest components of which are set forth in each Lease Schedule, and Supplemental Rent set forth on each such Lease Schedule, consisting of Trustee, Credit Enhancer, if any, and Corporation fees and expenses, prepayment premiums and other financing expenses, and all other amounts owing under the Master Lease. Each Lease Schedule describes the particular Project to be lease-purchased by the Board and the details governing the particular lease transaction, including the obligation to pay Basic Rent for such Project and to pay Supplemental Rent.

Under the Trust Agreement, one or more Series of Certificates may be issued to obtain funds to be used to pay the costs of acquisition, construction and installation of Projects. The proceeds of sale of the Certificates of each Series is deposited with the Trustee and is requisitioned by the Board, acting as agent for the Corporation, to pay the costs of one or more related Projects. The Corporation has assigned its rights under the Master Lease, including its right to receive Basic Rent Payments from the Board under all Lease Schedules, other than its right to indemnification, its right to enter into additional Lease Schedules and its obligation not to impair the tax status of the Certificates, to the Trustee for the benefit of owners of the Certificates of all Series in order to secure such Certificates; provided, however, that once monies are deposited into a specific subaccount under the Trust Agreement for payment of a particular Series of Certificates, the Certificates of other Series are not collateralized by such monies. Failure to appropriate any Basic Rent results in an Event of Non-Appropriation with respect to all Basic Rent set

forth on all Lease Schedules to the Master Lease, and a default with respect to any obligation under the Master Lease or any Lease Schedule results in an Event of Default with respect to the entire Master Lease and all Lease Schedules thereto. See "SECURITY FOR THE SERIES 2016A CERTIFICATES" herein.

The Principal Component of the Basic Rent Payments under the Series 2007 Lease Agreement represented by the Series 2016A Certificates is payable in accordance with the debt service schedule set forth herein, subject to prepayment as provided herein.

The foregoing does not attempt to completely summarize the provisions of the Master Lease. See "APPENDIX E – FORM OF MASTER LEASE, AS AMENDED, AND THE FORMS OF THE SERIES 2007 LEASE AGREEMENT" attached hereto.

SHORT TERM FINANCING

The Board has authorized the Superintendent to establish a line of credit tax anticipation note pursuant to Section 1011.13, Florida Statutes (the "Note") that would allow the Board to borrow funds if necessary due to the timing of receipts of revenue and expenditures coming due. Such Note would be repaid in full within 90 days from the first draw. For the last several years, the Board has annually approved such a note but has never made any draws thereon. The Board authorized the Superintendent to establish the Note for the Fiscal Year 2015-16, in an amount not exceeding \$80,000,000 at any time that would bear interest at a rate equal to one month LIBOR plus a spread, adjusted monthly. If drawn upon, the Note would be secured by a pledge of anticipated ad valorem tax proceeds. The Board has no current expectations to make any draws on the Note.

Such interest rate subsidy is subject to reduction as a result of the sequestration, and timely payment of such interest rate subsidy requires filing by the District of certain forms with the U.S. Treasury in advance of the applicable interest payment date. For the year ending September 30, 2016, the sequestration rate equals 6.8%. Such amount may change over time. See "RISK FACTORS – Sequestration" herein.

The Hillsborough School Board Leasing Corporation is a Florida not-for-profit corporation formed for the purpose of acting as lessor in connection with "lease-purchase" capital financings for the Board. The Corporation may in the future initiate additional Lease Schedules under the Master Lease, enter into other lease-purchase agreements with the Board and cause certificates of participation to be issued which represent Lease Payments to be made under one or more lease-purchase agreements with the Board. The members of the Corporation are the members of the Board. The Chair of the Board serves as Chair of the Board of Directors and President of the Corporation; the Vice Chair of the Board serves as Vice Chair of the Board of Directors and Vice President of the Corporation; and the Superintendent of the Board serves as ex-officio Secretary/Treasurer of the Corporation. The financing of the Series 1994 Project constituted the initial activity of the Corporation. There is no litigation pending against the Corporation that would affect either the issuance of the Series 2016A Certificates or the validity or payment of the Lease Payments under the Series 2007 Lease Agreement.

The Corporation has assigned all of its right, title and interest in and to the Master Lease (except certain indemnification rights, the right to initiate additional Lease Schedules from time to time and its obligation not to impair the tax status of the Certificates), including its right to receive Lease Payments from the Board, its right, title and interest in and to the Series 2007 Ground Lease, and its right to use, sell and relet Projects, to the Trustee. The Trustee directly collects from the Board all of the Basic Rent Payments which are the source of and security for payment of the Series 2016A Certificates. Therefore, the credit of the Corporation is not material to any of the transactions contemplated in this Offering Statement. No financial information concerning the Corporation has been included herein, nor is it contemplated that any such financial information will be included in any future Offering Statement relating to the sale of any additional Series of Certificates or other obligations of the Board or the Corporation.

Academics

For Fiscal Year 2015-16, the District operated 143 elementary schools comprised of students in kindergarten through fifth grade. Students in the sixth, seventh and eighth grades comprise the District's 43 middle schools. The District operates three K-8 schools. The District operates 27 high schools which include ninth through twelfth grades as well as the vocational programs. In addition, there are three alternative educational schools, nine Special School Centers, eight adult centers, four technical colleges and four career centers conducted at the various locations within the District.

The elementary school program emphasizes basic skills including reading, writing, language arts, and mathematics. The balanced curriculum includes instruction in science, computer literacy, health, social studies, art, music and physical education. These programs are designed to build a strong foundation and each child is required to attain very specific levels of achievement before promotion to the next grade.

The secondary school program begins with middle school curriculum centering on English, math, science, computer literacy, and social studies. Students are encouraged to begin developing their strengths and interests through electives such as art, music, foreign languages, and vocational exploratory programs.

High school programs are designed to meet the needs of the college bound as well as vocational students. All of the high schools are fully accredited by the Southern Association of Colleges and Schools. Students who plan to continue their education into college may take a broad range of college preparatory courses as well as advanced placement and honors courses.

In addition to the above programs, for Fiscal Year 2015-16, the District operated 33 "magnet programs." Magnet programs operate at the elementary, middle and high school levels, offering unique educational opportunities and challenges for students. These magnet schools offer specialized programs including: Academy of Health Professionals, Academy of Engineering, Visual/Performing/Communication Arts, Environmental Studies, International Studies Preparatory Academy/High Technology Program and the International Baccalaureate Program. Applications for each program are distributed annually through the District in December.

Constitutional Amendments Related to Class Size Reduction and Pre-K Education

Class Size Reduction. Amendment 9 to the State Constitution requires that the State Legislature provide funding for sufficient classrooms so that class sizes can be reduced to certain constitutional class

size maximums by the beginning of the 2011 school year. Section 1003.03, Florida Statutes, implements Amendment 9 (together with Amendment 9, the "Class Size Legislation").

The Class Size Legislation establishes constitutional class size maximums limiting students per class to no more than 18 for pre-kindergarten through 3rd grade, 22 for grades 4 through 8 and 25 for grades 9 through 12. The Class Size Legislation generally provided for compliance in phases, which would be determined on a school-by-school basis through and including Fiscal Year 2009-10. The constitutional class size maximums were required to be implemented on an individual classroom basis beginning in Fiscal Year 2010-11. In the event a school district is not in compliance with such requirements, the Class Size Legislation provides that the State shall reduce categorical funds due to such school district for operational purposes.

The Class Size Legislation further creates an "Operating Categorical Fund for Class Size Reduction," the "Classroom for Kids Program," the "District Effort Recognition Grant Program" and the "Class Size Reduction Lottery Revenue Bond Program" to provide funding programs for capital outlays and operating expenditures necessary in relation to these mandated class size reductions.

The Class Size Legislation requires each school board to consider implementing various policies and methods to meet these constitutional class sizes, including encouraging dual enrollment courses, encouraging the Florida Virtual School, maximizing instructional staff, reducing construction costs, using joint-use facilities, implementing alternative class scheduling, redrawing attendance zones, implementing evening and multiple sessions and implementing year-round and non-traditional calendars.

As of the October 2015 Survey, used by DOE to determine compliance with class size maximum for Fiscal Year 2015-16, the District was fully compliant with the Class Size Legislation. The District has always been in compliance with the Class Size Legislation.

School districts, including the District, cannot guarantee their ability to maintain class sizes in the manner currently mandated by the Class Size Legislation. While the Class Size Legislation requires that the State Legislature, and not local school districts, is generally responsible for the cost of compliance, there can be no assurance that the State Legislature will provide funds sufficient to meet a school district's ongoing capital, facility and operating needs required by the Class Size Legislation. Further, there can be no assurance that the District will have funds sufficient to meet its ongoing capital, facility and operating needs required by the Class Size Legislation or that compliance therewith will not adversely affect other capital needs and operating costs of the District.

Pre-K Programs. The State Constitution provides that every four year old child in the State shall be offered a free, high quality pre-kindergarten learning opportunity by the State. Chapter 1002, Part V, Florida Statutes, creates a statewide Voluntary Pre-kindergarten Education Program (together with the Constitutional amendment, the "Pre-K Legislation"). Among other things, the Pre-K Legislation provides eligibility and enrollment requirements, authorizes parents to enroll their children in a school-year pre-kindergarten ("Pre-K") program delivered by a private Pre-K provider, a summer program delivered by a public school or private Pre-K provider or, if offered in a school district that meets class-size reduction requirements, a school year Pre-K program delivered by a public school. The Pre-K Legislation also requires school districts to deliver summer Pre-K programs and permits school districts to deliver school-year Pre-K programs. Additionally, the Pre-K Legislation appropriates State funds to finance the Pre-K programs and provides the method for calculating the funds allocated to each Pre-K program provider.

State funding sufficient to meet the ongoing capital and facility needs of the District required by the Pre-K Legislation cannot be guaranteed, nor can there be any assurance that the District will have funds sufficient to meet the ongoing capital and facility needs of the District required by the Pre-K Legislation or that ongoing compliance therewith will not adversely affect other capital needs and operating costs of the District.

Reading Mandate

In 2012, the Florida Legislature mandated that all elementary schools that are determined to be among the lowest 100 schools in the State for reading performance must provide an additional hour of reading instruction beyond the normal school day. For Fiscal Year 2014-15, the State provided \$48,780,400 in Reading and Supplemental Academic Instruction categorical funds, which was an increase of \$424,801 from Fiscal Year 2013-14. For Fiscal Year 2014-15, the additional hour of reading instruction beyond the normal school day was required for elementary schools that are determined to be among the lowest 300 schools in the State for reading performance. The State has determined that 24 elementary schools in the District fall into the lowest 300 designation. The cost of implementing an additional hour of reading at these schools was \$5,227,424 for Fiscal Year 2014-15, and is budgeted to be \$4,708,948 for Fiscal Year 2015-16. The District has redirected \$4,802,623 to cover the funding shortfall for Fiscal Year 2014-15.

Accounting and Funds

Pursuant to Section 11.45, Florida Statutes, as amended, the financial operations of the District are subject to audit by independent auditors of the District at least two out of every three fiscal years with the Auditor General's office auditing the financial operations of the District once every three fiscal years. The District retained the independent accounting firm of KPMG LLP to audit its financial operations, whose report for the Fiscal Year ended June 30, 2015 is attached hereto as part of "APPENDIX B - COMPREHENSIVE ANNUAL FINANCIAL REPORT OF THE SCHOOL DISTRICT OF HILLSBOROUGH COUNTY, FLORIDA FOR THE FISCAL YEAR ENDED JUNE 30, 2015" attached hereto.

Accounting policies conform with generally accepted accounting principles applicable to state and local governmental units. Accordingly, the District's accounting system is organized on the basis of funds and account groups. A fund is an accounting entity having a self-balancing set of accounts for recording assets, liabilities, fund equity, revenues, either expenditures or expenses depending on fund type, and other financing sources and uses.

The fund financial statements provide information about the Board's funds, including its fiduciary funds and blended component units. Separate statements for each fund category – government and fiduciary – are presented. The emphasis of fund financial statements is on major governmental funds, each displayed in a separate column. All remaining governmental funds are aggregated and reported as non-major funds. Because the focus of the governmental fund financial statements differs from the focus of the government-wide financial statements, a reconciliation is presented with each of the governmental fund financial statements.

Proprietary fund operating revenues, such as charges for services, result from exchange transactions associated with the principal activity of the fund. Exchange transactions are those in which

each party receives and gives up essentially equal values. Non-operating revenues, such as investment earnings, result from non-exchange transactions or ancillary activities.

Governmental Fund Types

The District reports the following major governmental funds:

General Fund – to account for all financial resources not required to be accounted for in another fund and for certain revenues from the State that are legally restricted to be expended for specific current operating purposes.

Contracted Services – to account for funds from the State or Federal Government which are restricted for Federal programs.

Other Debt Service – accounts for and reports on the payments of principal and interest for outstanding bonds and Certificates of Participation.

Local Capital Improvement – accounts for and reports on the revenues generated from the local capital outlay property taxes.

Other Capital Projects Funds – accounts for and reports on other miscellaneous funds from various sources, including Certificates of Participation.

Other Fund Types

Additionally, the District reports the following fund types:

Internal Service Funds – to account for the District's workers' compensation, general and automobile liability self-insurance programs and the employee health insurance program.

Pension Trust Fund – to account for resources used to finance the early retirement program.

Agency Funds – to account for resources held by the District as custodian for others, primarily for the benefit of various schools and their activity funds.

Measurement Focus and Basis of Accounting

The accounting and financial reporting treatment is determined by the measurement focus and basis of accounting. Measurement focus indicates the type of resources being measured such as current financial resources (current assets less current liabilities) or economic resources (all assets and liabilities). The basis of accounting indicates the timing of transactions or events for recognition in the financial statements.

Government-Wide Statements – the government-wide statements are presented using the economic resources measurement focus. The government-wide financial statements are reported using the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of when the related cash flows have taken place. Non-exchange transactions, in which the District gives (or receives) value without directly receiving (or giving) equal

value in exchange, include property taxes, grants, entitlements, and donations. On an accrual basis, revenue from property taxes is recognized in the fiscal year for which the taxes are levied. Revenue from grants, entitlements, and donations is recognized in the fiscal year in which all eligibility requirements have been satisfied.

Governmental Fund Financial Statements – governmental funds are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues are recognized when measurable and available. The District considers all revenues, other than grant funds, reported in the governmental funds to be available if the revenues are collected within sixty days after year-end. Grant funds are considered available if collection is expected in the upcoming fiscal year. Property taxes, sales taxes, and interest are considered to be susceptible to accrual. Expenditures are recorded when the related fund liability is incurred, except for principal and interest on general long term debt, claims and judgments, and compensated absences, which are recognized as expenditures to the extent they have matured.

General capital asset acquisitions are reported as expenditures in governmental funds. Proceeds of general long-term debt and acquisitions under capital leases are reported as other financing sources.

Under the terms of grant agreements, the District funds certain programs by a combination of specific cost reimbursement grants, categorical block grants, and general revenues. Thus, when program expenses are incurred, there are both restricted and unrestricted net assets available to finance the program. It is the District's policy to first apply cost reimbursement grant resources to such programs, followed by categorical block grants, and then by general revenues.

Budget Process

State law requires the Board to adopt in each Fiscal Year a tentative budget and a final budget, each of which is required to be balanced with available funds. Revenues derived from ad valorem property taxes are budgeted, as required by State law, on the application of millage levies to 96 percent of the non-exempt assessed value of property in the County.

The Superintendent is responsible for recommending the tentative budget to the Board. State law further requires the Board to advertise its intent to adopt the tentative budget, including a proposed tax millage, within 29 days after certification of taxable property by the property appraiser, which is required by law to occur by July 1, unless extended.

The Board is required to hold a public hearing on the tentative budget and the proposed tax millage within five days, but not earlier than two days, after advertisement. At the hearing, the Board adopts a tentative budget and a resolution stating the millage rate to be levied, and sets the date for the public hearing on the final budget. Following the hearing on the tentative budget, all property owners are notified by the property appraiser, usually in mid-August, of the date, time and place of the hearing on the final budget, the proposed millage rate, and the millage rate which would have had to be levied to raise the same ad valorem property tax revenue as was raised in the preceding year.

A public hearing and adoption of the final budget and tax millage are required within 80 days, but not earlier than 65 days, after the taxable property certification by the property appraiser. This public hearing usually occurs in September.

In no event may the millage rate adopted at the final budget hearing exceed the millage rate adopted at the tentative budget hearing unless each taxpayer within the District is sent notice by mail of the taxes under the tentative adopted millage rate and the taxes under the higher rate to be adopted at the final budget hearing. The final budget is submitted to the State Department of Education. After the final budget hearing, the Board must certify the final millage rate to the tax collector, the property appraiser and the State Department of Revenue. The District adopted its final budget for Fiscal Year 2015-16 on September 8, 2015.

Auditing System

In addition to local internal audits, other budget reviews are conducted. The State Department of Education conducts regular financial compliance reviews of each school district to ensure that local school districts comply with state regulations. In conjunction with this review, the Financial Management Section of the State Department of Education reviews the cost reporting system of each school district to ensure that the Financial and Program Costs Accounting and Reporting for Florida Schools is being properly implemented by the Board.

General Fund and Capital Project Funds Operations

The Board's general fund revenues are derived from federal and state appropriations and local sources. The tables on the following pages summarize audited results of operations for the general and capital project funds for the Fiscal Year 2010-11 through Fiscal Year 2014-15, and budgeted Fiscal Year 2015-16.

The District has in place policies that require it to maintain a minimum fund balance in the General Fund. As shown in the following table, in addition to the annual Revenues, the District has used funds in the General Fund and transfers in from other funds for expenditures in prior years and has included such use in its Fiscal Year 2015-16 Budget. These transfers in from other funds are included in the "Other Financing Sources (Uses) – Transfers In" entries that are shown on the following table. The decreases presented in Total Ending Fund Balances are within the District's General Fund minimum fund balance policies and the District has always complied with such policies regarding the General Fund minimum fund balance requirements.

AVAILABLE REVENUES FOR CAPITAL OUTLAY PROJECTS

The Board derives its revenues for capital outlay projects from certain State and local sources. The major categories of these revenue services are briefly described below. In Fiscal Year 2015-16, excluding proceeds from the issuance of any series of Certificates and existing fund balances, approximately 4.5% of the annual revenues for capital improvements will be provided by State revenues, approximately 90% will be provided by local millage and approximately 5.5% will be provided by investment earnings and other sources.

State Sources

Public Education Capital Outlay. A source of State educational funding contributions to the Board's capital outlay requirements is the Florida Public Education Capital Outlay Program ("PECO"). PECO funds are derived from revenues generated from the gross receipts tax levied on utilities pursuant to Article VII of the Florida Constitution. The vast majority of such revenues are generated from assessments imposed on the sale of telecommunication services and electricity pursuant to Chapter 203, Florida Statutes. The method of allocation of funds to the district school boards is provided by State law based upon a statutory formula, a component of which is the number of full-time equivalent students in the school system. The Commissioner of Education of the State administers PECO and allocates or reallocates funds as authorized by law. The Board did not receive any non-charter school PECO funds for Fiscal Years 2011-12 through 2013-14. The Board received \$3,831,847 in non-charter PECO funds for Fiscal Year 2014-15 and has budgeted \$3,496,051 for Fiscal Year 2015-16. For Fiscal Years 2011-12, 2012-13, 2013-14 and 2014-15, the Board received \$2,700,049, \$3,182,870, \$5,756,614, and \$4,856,173, respectively, and has budgeted \$4,856,173 for 2015-16 in PECO funds allocated for charter schools in the District, which flow through to the charter schools in the District. PECO funds do not constitute Available Revenues.

Capital Outlay and Debt Service Funds. The State Capital Outlay and Debt Service Funds ("CO&DS") also provides funds for the Board's capital outlay requirements. CO&DS Funds are derived from a portion of the revenues collected from motor vehicle license charges. The Board received \$715,892 in Fiscal Year 2011-12, \$719,770 in Fiscal Year 2012-13, \$699,521 in Fiscal Year 2013-14, \$937,711 in Fiscal Year 2014-15, and \$938,000 is budgeted for Fiscal Year 2015-16 in CO&DS funds. CO&DS are legally available to the Board to pay the Principal Component and Interest Component of Basic Rent Payments, but only if the Project financed thereby appears on a project priority list approved by the State Board of Education.

Capital Outlay Bonds. The State Board of Education Capital Outlay Bonds are serviced entirely by the State using a portion of the District's share of revenue derived from CO&DS funds. The annual sinking fund requirements are determined by the State Board of Administration (the "SBA") and amounts necessary to retire bonds and pay interest are withheld from amounts due to the District. The District has seven series of bonds outstanding under this program that are outstanding in the aggregate principal amount of \$28,405,000 and that mature on various dates starting in 2020 through 2030. See the chart entitled "SELECTED FINANCIAL INFORMATION – Debt Statement as of June 30, 2015" herein. CO&DS funds in the amount of \$6,830,652, \$6,810,754, and \$6,807,344, were withheld from the allocations in Fiscal Year 2011-12, Fiscal Year 2012-13 and Fiscal Year 2013-14, respectively, to repay bonds issued by the State and secured by such revenues. CO&DS funds in the amount of \$6,703,318 were withheld from the allocations in Fiscal Year 2014-15 and \$7,040,471 is budgeted to be withheld in Fiscal Year 2015-16 to repay bonds issued by the State and secured by such revenues. To date, the State has not provided the

number for Fiscal Year 2014-15; therefore, unaudited numbers related to this amount are not yet available.

Other State Sources. Under the Act, the District may be entitled to receive other State revenues pursuant to other programs if the District achieves certain standards relating to its capital outlay efforts. Some of such revenues may be used to make lease purchase payments. It is not possible at this time to determine or estimate the amount of such State revenues, if any, that the District may receive in the future.

Local Sources

Local revenue for school district support is derived almost entirely from real and tangible personal property taxes. There are no local non-property taxes levied specifically for schools. In addition, the Board earns interest on cash invested and collects other miscellaneous revenues.

Local Property Taxation. The Board is permitted by State law and the State Constitution to assess property tax through any of five provisions, which are briefly described below. The following information is provided in view of the fact that a large portion of the Board's revenues are derived from ad valorem taxation. There is no obligation on the part of the Board to levy ad valorem taxes for payment of its Basic Rent Payments or any recourse of the Owners of the Certificates to the power of taxation of the Board. In addition, such local sources are subject to change through legislative and/or constitutional amendments. See "RISK FACTORS – Recent Legislative and Constitutional Initiatives" and "AD VALOREM TAXATION – Recent Constitutional and Legislative Amendments Affecting Ad Valorem Taxes" herein, for a description of recent material changes in applicable law affecting the levy of the Capital Outlay Millage.

(1) For operational purposes, the State Legislature requires each school board desiring to participate in the allocation of State funds available to school districts to levy a non-voted millage rate referred to as the "district required local effort." The total amount of the required local effort is determined annually by the State Legislature and the Commissioner certifies each district's required local effort millage rate. See "OPERATING REVENUE OF THE DISTRICT – Local Sources" herein. The District's required local effort is set forth in the table entitled "DISTRICT LEVIES" in the section entitled "AD VALOREM REVENUES – Historical and Current Millages" herein.

(2) School boards are also authorized to levy an additional non-voted "discretionary millage" for operations, not to exceed an amount established annually by the State Legislature. The District's discretionary millage is set forth in the table entitled "DISTRICT LEVIES" in the section entitled "AD VALOREM REVENUES – Historical and Current Millages" herein.

(3) School boards may levy an additional non-voted millage (the "Local Option Millage Levy") for capital outlay and maintenance purposes, pursuant to Section 1011.71(2), Florida Statutes. Currently, the Local Option Millage Levy may be up to 1.5 mills (each mill represents \$1 of tax assessment per \$1,000 of property value assessment, subject to certain exclusions) and may be used to fund: new construction and remodeling projects, sites and site improvement or expansion to new sites, existing sites, auxiliary facilities, athletic facilities or ancillary facilities; maintenance, renovation and repair of existing school plants or of leased facilities to correct deficiencies; the purchase, lease-purchase, or lease of school buses; the purchase, lease-purchase, or lease of new and replacement equipment, computer hardware, including electronic hardware and other hardware devices necessary for gaining

access to or enhancing the use of electronic content and resources or to facilitate the access to and the use of a school district's digital classrooms plan, excluding software other than the operating system, and enterprise resource software applications that are classified as capital assets; payments for educational facilities and sites due under a lease-purchase agreement; payment of loans approved pursuant to Section 1011.14, Florida Statutes and Section 1011.15, Florida Statutes; payment of costs directly related to complying with state and federal environmental statutes, rules and regulations governing school facilities; payment of costs of leasing relocatable education facilities, of renting or leasing educational facilities and sites, or of renting or leasing buildings or space within existing buildings; under certain circumstances, payment of the cost of school buses when a school district contracts with a private entity to provide student transportation services; and payment of the cost of the opening day collection for the library media center of a new school.

Prior to July 1, 2012, payments from the proceeds of the Local Option Millage Levy for lease-purchase agreements for educational facilities and sites could not exceed three-fourths of the proceeds of the Local Option Millage Levy; however, effective July 1, 2012, the three-fourths limitation was waived for lease-purchase agreements originally entered into prior to June 30, 2009. The Series 2007 Lease Agreement were originally entered into before June 30, 2009, and the three-fourths limitation is waived relative thereto. In the event that revenues generated from the Local Option Millage Levy are insufficient to make payments under a lease-purchase agreement entered into prior to June 30, 2008, an amount equal to the revenue generated from 0.50 mills of the operating levy may be used to make such Lease Payments. Additionally, if the revenue from 1.50 mills is insufficient to make payments under a lease-purchase agreement entered into prior to June 30, 2009, or to meet other critical capital outlay needs, a school board, in addition to the 1.5 mills, may elect to levy up to 0.25 mills for fixed capital outlay purposes in lieu of levying an equivalent amount of discretionary operating millage. **SEE "AD VALOREM TAXATION - Recent Constitutional and Legislative Amendments Affecting Ad Valorem Taxes" FOR INFORMATION CONCERNING SUCH LEGISLATION THAT MAY ADVERSELY AFFECT THE DISTRICT'S TAXABLE ASSESSED VALUATION AND THE LOCAL OPTION MILLAGE LEVY AVAILABLE TO MAKE LEASE PAYMENTS.**

The Board is not required to levy any millage for capital outlay purposes in the future. Since revenues from the levy of the Capital Outlay Millage may be used for, but are not pledged to, the payment of Basic Rent Payments under the Series 2007 Lease Agreement, the failure of the Board to levy all or a portion of the Capital Outlay Millage would have an adverse effect on Available Revenues from which the Board may appropriate funds to make Basic Rent Payments.

(4) School boards, with the approval of the qualified electorate of the District, may levy an additional millage for current operations and/or capital outlay purposes for a period of not to exceed two years, as provided in Section 1011.73, Florida Statutes. The Board does not currently levy an additional millage for current operations and/or capital outlay purposes.

(5) School Boards may levy millage for debt service on general obligation bonds with the approval of the qualified electorate of the District. The Board does not currently have any general obligation bonds outstanding and, therefore, does not assess a debt service millage.

The Board's total millages for the Fiscal Years 2011-12, 2012-13, 2013-14, 2014-15 and 2015-16 are 7.913 mills, 7.877 mills, 7.690 mills, 7.353 mills and 7.247 mills, respectively, which included a Local Option Millage Levy of 1.500 mills in each such Fiscal Year. See the table entitled "DISTRICT LEVIES" in the section entitled "AD VALOREM REVENUES – Historical and Current Millages" herein. The State

Constitution imposes a cap of 10 mills, exclusive of millage levied for the purposes described in paragraphs (4) and (5) above.

- ⁽¹⁾ Current year taxable value for operating purposes from Form DR-420S certified by the Property Appraiser on January 19, 2016.
 - ⁽²⁾ Actual maximum annual lease payments after the issuance of the Series 2016A Certificates. See "PLAN OF REFINANCE" herein. Does not include the effect of the sequestration on interest rate subsidy for the Series 2010B Certificates as such amount may change over time. See "RISK FACTORS – Sequestration" herein.
 - ⁽³⁾ Payments from the proceeds of the Local Option Millage Levy for lease purchase agreements for educational facilities and sites may not exceed three-fourths of the proceeds of the Local Option Millage Levy; effective July 1, 2012, the three-fourths limitation was waived for lease-purchase agreements originally entered into prior to June 30, 2009. See "AD VALOREM TAXATION - Recent Constitutional and Legislative Amendments Affecting Ad Valorem Taxes" herein. The Series 2007 Lease Agreement was originally entered into before June 30, 2009, and the three-fourths limitation is waived relative thereto. As of the date of this Offering Statement, only the lease payments related to the Series 2010B Lease Agreement would be subject to such limitation. Therefore, the three-fourths limitation was taken into account in calculating the estimated millage levy that would provide 1.00x coverage of the maximum annual lease payments with respect to the Series 2010B Lease Agreement.

School Capital Outlay Sales Surtax Funds. Chapter 212, Part I, Florida Statutes, as amended, imposes a 6% sales tax on the sales price of tangible personal property sold at retail in the State subject to certain exemptions therefrom. A similar tax is imposed on the cost price of tangible personal property when the property is not sold, but is used, consumed, distributed or stored for use in the State. The largest single source of tax receipts in the State is the sales and use tax.

Section 212.055(5), Florida Statutes, authorizes local governments to impose a discretionary sales surtax of 0.5 percent or 1.0 percent on all transactions occurring in the county, which transactions are subject to the sales tax imposed on sales, use, services, rentals, admissions, and other transactions by

Chapter 212, Florida Statutes, and certain communications services. However, local governments may not impose the surtax on the portion of any sales amount which exceeds \$5,000 on any item of tangible personal property. Section 202.11(1), Florida Statutes, defines "communications services" as the transmission, conveyance, or routing of voice, data, audio, video, or any other information or signals, including video services, to a point, or between or among points, by or through any electronic, radio, satellite, cable, optical, microwave, or other medium or method now in existence or hereafter devised, regardless of the protocol used for such transmission or conveyance. The term includes such transmission, conveyance, or routing in which computer processing applications are used to act on the form, code, or protocol of the content for purposes of transmission, conveyance, or routing without regard to whether such service is referred to as voice-over-Internet-protocol services or is classified by the Federal Communications Commission as enhanced or value-added. Communications services do not include certain items enumerated in Section 202.11(1), Florida Statutes.

Pursuant to Section 212.055(2)(d)(1), Florida Statutes, the proceeds of any discretionary sales surtax and any interest accrued thereto are required to be expended to finance, plan and construct infrastructure and to acquire land for public recreation, conservation or protection of natural resources and to finance the closure of county-owned or municipally-owned solid waste landfills that are already closed or are required to close by order of the Department of Environmental Protection. Neither the proceeds nor any interest accrued thereto may be used for operational expenses of any infrastructure. "Infrastructure" means, among other things, any fixed expenditure or fixed capital outlay associated with the construction, reconstruction or improvement of public facilities which have a life expectancy of five or more years and any land acquisition, land improvement, design, and engineering costs related thereto. Pursuant to Section 212.055(2)(e), Florida Statutes, school districts, counties and municipalities receiving discretionary sales surtax proceeds may pledge such proceeds for the purpose of servicing new bond indebtedness incurred pursuant to law.

On July 15, 1996, the Board of the County, by a majority, enacted Ordinance No. 96-12 (the "Sales Tax Ordinance") which provided for the levying and imposition throughout the incorporated and unincorporated areas of the County, of an additional tax of 0.5% on all transactions occurring in the County subject to the aforementioned 6% tax (the "Community Investment Tax") the proceeds of which would be applied to pay the costs of acquisition and construction of public safety, transportation and educational infrastructure and a community stadium. On September 3, 1996, the Community Investment Tax was placed on the ballot and approved by a majority of the electors of the County who voted in the referendum. The Community Investment Tax is effective for a 30-year period that commenced December 1, 1996.

Pursuant to the Interlocal Agreement dated July 17, 1996, by and among the County, the City of Tampa, the City of Temple Terrace, the City of Plant City and the Board, the parties agreed upon a monthly method of distribution of the Community Investment Tax. In each of the fiscal years 1997 through 2026, twenty-five percent (25%) of the net proceeds of the Community Investment Tax will be distributed to the Board (the "Sales Tax Revenues") with the remaining seventy-five percent to be distributed among the Tampa Sports Authority, the County, the City of Tampa, the City of Temple Terrace and the City of Plant City. The Board received Sales Tax Revenues in the amounts of \$23,604,577 in Fiscal Year 2011-12, \$24,660,463 in Fiscal Year 2012-13, \$25,879,851 in Fiscal Year 2013-14, \$27,601,925 in Fiscal Year 2014-15 and has budgeted \$28,000,000 of Sales Tax Revenues in Fiscal Year 2015-16.

OPERATING REVENUE OF THE DISTRICT

The District derives its operating income from a variety of federal, state and local sources. Although Section 1013.15(2)(a), Florida Statutes, provides that operating funds may be specifically authorized by the Board to make Lease Payments on multiple-year leases, the Board has not previously authorized the use of operating funds to make Basic Rent Payments. In addition, other restrictions applicable to the use of operating funds may conflict with the use of operating funds by the Board to make Basic Rent Payments under Section 1013.15(2)(a), Florida Statutes, and there can be no assurance that such funds would be available to the Board to make Basic Rent Payments in the case of such conflicts. Prospective purchasers should assume that operating funds will not be available to make Basic Rent Payments and that such payments will be made solely from the Local Option Millage Levy. The major categories of these income sources for the operating funds are briefly described below.

State Sources

The three primary sources of educational funding from the State are: (i) basic Florida Educational Finance Program ("FEFP") receipts, (ii) State categorical program receipts, and (iii) certain other specified revenue sources.

Florida Education Finance Program. The major portion of state support is distributed under the provisions of the Florida Education Finance Program, which was enacted by the State Legislature in 1973. Basic FEFP funds are provided on a weighted FTE student basis and through a formula that takes into account: (i) varying program costs; (ii) cost differentials between districts; (iii) differences in per-student costs due to the density of student population; and (iv) the required level of local support. Program cost factors are determined by the State Legislature each year. The amount of FEFP funds disbursed by the State is adjusted four times during each year to reflect changes in FTE and in other variables comprising the formula, as well as to compensate for increases or decreases in ad valorem tax revenue resulting from adjustments to the valuation of non-exempt property in each county. To participate in FEFP funding, the District must levy a minimum required local effort millage for operating purposes. The District has historically, and currently, complies with such requirement. See "OPERATING REVENUE OF THE DISTRICT – Local Sources" herein. The District's general fund receipts from the state for FEFP pursuant to the above formula for Fiscal Years 2011-12, 2012-13, 2013-14 and 2014-15 were \$577,087,549, \$620,982,363, \$696,123,514, and \$731,095,785, respectively, and \$776,085,319 is budgeted for Fiscal Year 2015-16.

State Categorical Program. State categorical programs are lump sum appropriations from the state intended to supplement local school district revenues to enhance the delivery of educational and support services by each school district. In recent years, most categorical programs have been eliminated and the funds are now earmarked within the FEFP base student allocation. The only remaining categorical program is class size reduction. The allocation for class size reduction is based on a funding formula. The majority of the funds available require actual appropriation by the Board for the purposes for which they were provided. Total State categorical aid received by the District for Fiscal Years 2011-12, 2012-13, 2013-14 and 2014-15 were \$355,535,653, \$365,292,769, and \$366,640,431, \$376,168,007, respectively, and \$383,266,549 is budgeted for Fiscal Year 2015-16.

State Lottery Revenues. A portion of the revenues generated from the Florida Lottery is distributed to each school district as Discretionary Lottery revenue. The District received \$649,322, \$169,220, and \$750,476 in Discretionary Lottery revenues for Fiscal Years 2011-12, 2013-2014 and 2014-15,

respectively, and \$750,068 is budgeted for Fiscal Year 2015-16. The District did not receive any Discretionary Lottery revenues for Fiscal Year 2012-13.

Local Sources

Local revenue for District operating support is derived almost entirely from ad valorem real and tangible personal property taxes. In addition, the District earns interest on cash invested and collects other miscellaneous revenues. Ad valorem tax revenue collections for operating levies for the Fiscal Years 2011-12, 2012-13, 2013-14 and 2014-15 were \$415,108,017, \$402,768,196, \$414,933,808, \$421,126,621, respectively, and \$444,379,583 is budgeted for Fiscal Year 2015-16.

The Florida Constitution limits the non-voted millage rate that school boards may levy on an annual basis for operational funds to 10 mills (\$10 per \$1,000 of taxable real and personal property value). Chapter 1001, Florida Statutes, as amended, further limits the millage levy for operational purposes to an amount established each year by the state appropriations act and finally certified by the Commissioner of the State Department of Education. Within this operational limit, each school district desiring to participate in the State's appropriation of FEFP funds for current operations must levy a non-voted millage rate referred to as the district "required local effort." The total amount of the required local effort is determined annually by the State Legislature and the Commissioner certifies each district's required local effort millage rate. The required local effort millage levied by the District for the Fiscal Years 2011-12, 2012-13, 2013-14, 2014-15, 2015-16 were 5.665, 5.629, 5.442, 5.105, and 4.999, respectively. Included in such required local effort is a prior period funding adjustment millage as required by Section 1011.62(4)(e), Florida Statutes. Such prior period millage is levied when the preliminary taxable value for the prior year is greater than the final taxable value for such year, thereby resulting in lower than expected revenues from the required local effort millage. In addition to the required local effort millage, school districts are entitled to a non-voted current operating discretionary millage. The District levied a non-voted current operating discretionary millage of 0.748 mills for each of the Fiscal Years 2011-12 through 2015-16.

Budgeted revenues from ad valorem taxes are based on applying millage levies to 96% of the non-exempt assessed valuation of real and personal property within the County. See "AD VALOREM TAXATION – Assessed Valuation" below.

Federal Sources

The District receives certain federal moneys, both directly and through the State, substantially all of which are restricted for specific programs. Much of the revenue is derived from grants that are renewed annually. Many grants reimburse for actual eligible expenses, therefore revenue is not accurately available until projects are reconciled at year end. Federal revenue sources recorded for Fiscal Years 2011-12, 2012-13, 2013-14 and 2014-15 were \$297,912,093, \$286,256,141, \$302,773,013, \$308,034,426, respectively, and \$331,042,149 is budgeted for Fiscal Year 2015-16.

AD VALOREM TAXATION

The following information is provided in view of the fact that a large portion of the Board's revenues are derived from ad valorem taxation. Local ad valorem property taxes are levied by the application of the millage rate to the assessed valuation of non-exempt property within the County. Under the laws of the State, the assessment of all properties and the collection of all county, municipal

and school district property taxes are consolidated in the office of the property appraiser and tax collector.

Property Assessment

General. State law requires that all real and personal property be assessed at its just or fair market value. No ad valorem taxes may be levied by the State upon real estate or tangible personal property. Such taxes may be levied only by counties, school districts, municipalities and certain special districts. Railroad properties are centrally assessed at the State level. Real property used for the following purposes is generally exempt from ad valorem taxation: religious, educational, charitable, scientific, literary, and governmental. Every person who has the legal title or beneficial title in equity to real property in the State and who resides thereon and in good faith makes the same his or her permanent residence or the permanent residence of others legally or naturally dependent upon such person is entitled to a "homestead exemption" from ad valorem taxation by counties up to the assessed valuation of \$25,000 on the residence and contiguous real property. In addition, there are special exemptions for widows, low-income seniors, permanently disabled veterans, hospitals, and homes for the aged and disabled veterans. Agricultural land, non-commercial recreational land, inventory, and livestock are assessed at less than 100% of fair market value.

Article VII, Section 4 of the State Constitution was amended to limit the increases in assessed just value of homestead property to the lesser of (1) three percent of the assessment for the prior year or (2) the percentage change in the Consumer Price Index for all urban consumers, U.S. City Average, all items 1967=100, or successor reports for the preceding calendar year as initially reported by the United States Department of Labor, Bureau of Labor Statistics. Further, Article VII, Section 4 provides that (1) no assessment shall exceed just value, (2) after any change of ownership of homestead property or upon termination of homestead status such property shall be reassessed at just value as of January 1 of the year following the year of sale or change of status, (3) new homestead property shall be assessed at just value as of January 1 of the year following the establishment of the homestead, and (4) changes, additions, reductions or improvements to homestead shall initially be assessed as provided for by general law, and thereafter as provided in the amendment. This amendment is known as the "Save Our Homes Amendment." The effective date of the amendment was January 5, 1993, and, pursuant to a ruling by the Supreme Court of the State of Florida, it began to affect homestead property valuations commencing January 1, 1995, with 1994 assessed values being the base year for determining compliance. See "AD VALOREM TAXATION - Recent Constitutional and Legislative Amendments Affecting Ad Valorem Taxes" herein for information concerning recent changes in law that affects the Save Our Homes Amendment.

Procedure. The Property Appraiser determines property valuation on real and tangible personal property as of January 1 of each year. The Property Appraiser determines the valuation of all real and personal property by July 1 of each year and notifies the County, the District, each municipality, and each other legally constituted special taxing district as to its just valuation, the legal adjustments and exemptions, and the taxable valuation. The taxable valuation is then used by each taxing body to calculate its ad valorem millage for the budget year. Each taxing body must advertise its budget, stating the proposed millage and hold public hearings on such budgets. Final budgets are determined by each taxing body, and the millage is certified to the Property Appraiser by October 1.

Concurrently, the Property Appraiser notifies each property owner of the proposed valuation and the proposed millage on such property. If the individual property owner believes that his or her

property has not been appraised at fair market value, the owner may file a petition with the Clerk of the Property Appraisal Adjustment Board (the "Adjustment Board"). The Adjustment Board consists of members of the County Commission and members of the Board. The Adjustment Board holds public hearings on such petitions and may make adjustments to the valuations made by the Property Appraiser, if such valuations were found not to be fair and at market value. The Adjustment Board must certify its decision with regard to all petitions and certify to the Property Appraiser the valuation to be used. These changes are then made to the final tax roll. Property owners appealing the assessed value or assigned classification of their property must make a required partial payment of taxes (generally equal to 75% of the ad valorem taxes due, less the applicable statutory discount, if any) with respect to the properties that will have a petition pending on or after the delinquency date (normally April 1). A property owner's failure to make the required partial payment before the delinquency date will result in the denial of the property owner's petition.

The Property Appraiser applies the final certified millage of each taxing body to the assessed valuation on each item of real and tangible personal property, and prepares the final tax roll which he certifies to the County Tax Collector by October 1. This permits the printing of tax bills for delivery on November 1 of each year. The tax bills contain all of the overlapping and underlying millages set by the various taxing bodies, so that all ad valorem taxes are collected by the Tax Collector and distributed to the various taxing bodies.

Truth in Millage Bill

The governing bodies of taxing authorities are required to fix the millage rate and assess all property at one hundred percent (100%) of its just value. Section 200.071, Florida Statutes, and Section 200.091, Florida Statutes, prohibit the millage for taxing authorities from being set by referendum, except as provided in the State Constitution.

Collection of Taxes

All real and tangible personal property taxes are due and payable on November 1 of each year, or as soon thereafter as the tax roll is certified and delivered to the Tax Collector. The Tax Collector mails a notice to each property owner on the tax roll for the taxes levied by the County, the District, municipalities within the County and other taxing authorities. Taxes may be paid upon receipt of such notice, with discounts at the rate of four percent (4%) if paid in the month of November; three percent (3%) if paid in the month of December; two percent (2%) if paid in the month of January and one (1%) if paid in the month of February. Taxes paid in the month of March are without discount. All unpaid taxes on real and personal property become delinquent on April 1 of the year following the year in which taxes were levied.

Delinquent real property taxes bear interest at the rate of 18% per year from April 1 until a tax certificate is sold at auction, from which time the interest rate shall be as bid by the buyer of the tax certificate. Delinquent tangible personal property taxes also bear interest at the rate of 18% per year from April 1 until paid. Delinquent personal property taxes must be advertised within 45 days after delinquency, and after May 1, the property is subject to warrant, levy, seizure and sale. On or before June 1 or the sixtieth day after the date of delinquency, whichever is later, the Tax Collector must advertise once each week for three weeks and must sell tax certificates on all real property with delinquent taxes. The tax certificates are sold to those bidding the lowest interest rate. Such certificates include the amount of delinquent taxes, the penalty interest accrued thereon and the cost of advertising. Delinquent tax

certificates not sold at auction become the property of the County. State law provides that real property tax liens are superior to all other liens, except prior Internal Revenue Service liens.

To redeem a tax certificate, the owner of the property must pay all delinquent taxes, the interest that accrued prior to the date of the sale of the tax certificate, charges incurred in connection with the sale of the tax certificate, omitted taxes, if any, and interest at the rate shown on the tax certificate (or interest at the rate of 5%, whichever is higher) from the date of the sale of the tax certificate to the date of redemption. If such tax certificates or liens are not redeemed by the property owner within two years, the holder of the tax certificates can cause the property to be sold to pay off the outstanding certificates and the interest thereon. Provisions are also made for the collection of delinquent tangible personal property taxes, but in a different manner which includes the possible seizure of the tangible personal property.

Section 197.016(2), Florida Statutes, requires the Tax Collector to distribute the taxes collected, to each governmental unit levying the tax. Such distribution is to be made four times during the first two months after the tax roll comes into its possession, and once per month thereafter.

⁽¹⁾ Net of allowable discounts. Property Taxes become due and payable on November 1st of each year. A four percent (4%) discount is allowed if taxes are paid in November, with the discounts declining by one percent (1%) each month thereafter. Accordingly, taxes collected will never be 100% of the tax levy since the percent of levy collected reflects the statutory early payment discounts. Taxes become delinquent on April 1st of each year and tax certificates for the full amount of any unpaid taxes and assessments must be sold not later than June 1st of each year. Accordingly, the majority of taxes are collected in the fiscal year levied.

Recent Constitutional and Legislative Amendments Affecting Ad Valorem Taxes

Several Constitutional and Legislative amendments affecting ad valorem taxes have been approved by voters in the past including the following.

Constitutional Amendments Related to Ad Valorem Exemptions. On January 29, 2008, in a special election held in conjunction with State's presidential primary, the requisite number of voters approved amendments to the State Constitution exempting certain portions of a property's assessed value from taxation. These amendments were effective beginning with the 2008 tax year (Fiscal Year 2008-09 for local governments). The following is a brief summary of certain important provisions contained in such amendments:

1. Provides for an additional exemption for the assessed value of homestead property between \$50,000 and \$75,000, thus doubling the existing homestead exemption for property with an assessed value equal to or greater than \$75,000. This exemption does not apply to school district taxes.

2. Permits owners of homestead property to transfer their Save Our Homes Amendment benefit (up to \$500,000) to a new homestead property purchased within two years of the sale of their previous homestead property to which such benefit applied if the just value of the new homestead is greater than or is equal to the just value of the prior homestead. If the just value of the new homestead is less than the just value of the prior homestead, then owners of homestead property may transfer a proportional amount of their Save Our Homes Amendment benefit, such proportional amount equaling the just value of the new homestead divided by the just value of the prior homestead multiplied by the assessed value of the prior homestead. As discussed above, the Save Our Homes Amendment generally limits annual increases in ad valorem tax assessments for those properties with homestead exemptions to the lesser of three percent (3%) or the annual rate of inflation. This exemption applies to all taxes, including school district taxes.

3. Exempts from ad valorem taxation \$25,000 of the assessed value of property subject to tangible personal property tax. This limitation applies to all taxes, including school district taxes.

4. Limits increases in the assessed value of non-homestead property to 10% per year, subject to certain adjustments. The cap on increases would be in effect for a 10 year period, subject to extension by an affirmative vote of electors. This limitation does not apply to school district taxes.

Over the last few years, the Save Our Homes Amendment assessment cap and portability provisions described above have been subject to legal challenge. The plaintiffs in such cases have argued that the Save Our Homes Amendment assessment cap constitutes an unlawful residency requirement for tax benefits on substantially similar property in violation of the equal protection provisions of the Florida Constitution and the Privileges and Immunities Clause of the Fourteenth Amendment to the United States Constitution. The plaintiffs also argued that the portability provision simply extends the unconstitutionality of the tax shelters granted to long-term homeowners by Save Our Homes Amendment. The courts in each case have rejected such constitutional arguments and upheld the constitutionality of such provisions; however, there is no assurance that any future challenges to such provisions will not be successful. Any potential impact on the District or its finances as a result of such challenges cannot be ascertained at this time.

In addition to the legislative activity described above, the constitutionally mandated Florida Taxation and Budget Reform Commission (required to be convened every 20 years) (the "TBRC") completed its meetings on April 25, 2008 and placed several constitutional amendments on the November 4, 2008 General Election ballot. Three of such amendments were approved by the voters of the State, which, among other things, do the following: (a) allow the State Legislature, by general law, to exempt from assessed value of residential homes, improvements made to protect property from wind damage and installation of a new renewable energy source device; (b) assess specified working waterfront properties based on current use rather than highest and best use; (c) provide a property tax exemption for real property that is perpetually used for conservation (began in 2010); and, (d) for land not perpetually encumbered, require the State Legislature to provide classification and assessment of land use for conservation purposes solely on the basis of character or use.

Exemption for Deployed Military Personnel. In the November 2010 General Election voters approved a constitutional amendment which provides an additional homestead exemption for deployed military personnel. The exemption equals the percentage of days during the prior calendar year that the military homeowner was deployed outside of the United States in support of military operations designated by the State Legislature. This constitutional amendment took effect on January 1, 2011.

Other Proposals Affecting Ad Valorem Taxation. During the State Legislature's 2011 Regular Session, it passed Senate Joint Resolution 592 ("SJR 592"). SJR 592 allows totally or partially disabled veterans who were not State residents at the time of entering military service to qualify for the combat-related disabled veteran's ad valorem tax discount on homestead property. The amendment is effective January 1, 2013.

During the State Legislature's 2012 Regular Session, it passed House Joint Resolution 93 ("HJR 93"). HJR 93 allows the State Legislature to provide ad valorem tax relief to the surviving spouse of a veteran who died from service-connected causes while on active duty as a member of the United States Armed Forces and to the surviving spouse of a first responder who died in the line of duty. The amount of tax relief, to be defined by general law, can equal the total amount or a portion of the ad valorem tax otherwise owed on the homestead property. The amendment is effective January 1, 2013.

Also during the State Legislature's 2012 Regular Session, it passed House Joint Resolution 169 ("HJR 169") allowing the State Legislature by general law to permit counties and municipalities, by ordinance, to grant an additional homestead tax exemption equal to the assessed value of homestead property to certain low income seniors. To be eligible for the additional homestead exemption the county or municipality must have granted the exemption by ordinance; the property must have a just value of less than \$250,000; the owner must have title to the property and maintained his or her permanent residence thereon for at least 25 years; the owner must be age 65 years or older; and the owner's annual household income must be less than \$27,300. The additional homestead tax exemption authorized by HJR 169 would not apply to school property taxes.

Each of the above described proposals were approved as amendments to the Florida Constitution by the voters on November 6, 2012. There can be no assurance that similar or additional legislative or other proposals will not be introduced or enacted in the future that would, or might apply to, or have a material adverse effect upon, the District's finances.

During the State Legislature's 2013 Regular Session, it passed Senate Bill 1830 ("SB 1830"), which was signed into law by the Governor and creates a number of changes affecting ad valorem taxation

which became effective July 1, 2013. First, SB 1830 provides long-term lessees the ability to retain their homestead exemption and related assessment limitations and exemptions in certain instances and extends the time for property owners to appeal value adjustment board decisions on transfers of assessment limitations to conform with general court filing timeframes. Second, SB 1830 inserts the term "algaculture" in the definition of "agricultural purpose" and inserts the term "aquacultural crops" in the provision specifying the valuation of certain annual agricultural crops, nonbearing fruit trees and nursery stock. Third, SB 1830 allows for an automatic renewal for assessment reductions related to certain additions to homestead properties used as living quarters for a parent or grandparent and aligns related appeal and penalty provisions to those for other homestead exemptions. Fourth, SB 1830 deletes a statutory requirement that the owner of the property must reside upon the property to qualify for a homestead exemption, provided it is the permanent residence of another person legally or materially dependent upon such owner. Fifth, SB 1830 clarifies the property tax exemptions counties and cities may provide for certain low income persons age 65 and older. Sixth, SB 1830 removes a residency requirement that a senior disabled veteran must have been a State resident at the time they entered the service to qualify for certain property tax exemptions. Seventh, SB 1830 repeals the ability for certain limited liability partnerships to qualify for the affordable housing property tax exemption. Eighth, SB 1830 exempts property used exclusively for educational purposes when the entities that own the property and the educational facility are owned by the same natural persons.

Also during the State Legislature's 2013 Regular Session, the State Legislature passed House Bill 277 ("HB 277"), which was signed into law by the Governor. HB 277 provides that certain renewable energy devices are exempt from being considered when calculating the assessed value of residential property. HB 277 only applies to devices installed on or after January 1, 2013. HB 277 took effect on July 1, 2013.

Also during the State Legislature's 2013 Regular Session, the State Legislature passed House Bill 1193 ("HB 1193"), which was signed into law by the Governor. HB 1193 eliminated three ways in which the property appraiser had authority to reclassify agricultural land as non-agricultural land. Additionally, HB 1193 relieves the value adjustment board of the authority to review the property appraisers. HB 1193 is effective immediately and will apply retroactively to January 1, 2013.

At present, the impact of the SB 1830, HB 277 and HB 1193 on the District's finances cannot be accurately ascertained. There can be no assurance that similar or additional legislative or other proposals will not be introduced or enacted in the future that would, or might apply to, or have a material adverse effect upon, the District's finances.

Reduction in Capital Outlay Millage Levy. In 2008, the State Legislature amended Section 1011.71(2), Florida Statutes, to reduce the maximum Capital Outlay Millage Levy from 2.00 mills to 1.75 mills commencing in Fiscal Year 2008-09. In conjunction with such reduction, the State's Commissioner of Education increased the amount of the required local effort for each school district in the State, which resulted in a shift of the millage (and associated tax revenues) from capital outlay and maintenance purposes to operational purposes. However, if the revenues generated from the reduced Capital Outlay Millage Levy are insufficient to make payments under a lease-purchase agreement entered into prior to June 30, 2008, an amount equal to the revenue generated from 0.50 mills of the operating millage levy may be used to make such Lease Payments or for critical capital outlay needs.

Section 1011.71, Florida Statutes, was amended by the State Legislature in 2009, 2010 and 2011 to provide for the following: (i) a reduction of the maximum Capital Outlay Millage Levy from 1.75 mills to

1.50 mills; (ii) a waiver of the three-fourths limit on use of proceeds from the Capital Outlay Millage Levy for lease-purchase agreements entered into before June 30, 2009, for the Fiscal Year 2009-10 (however, see "- Waiver of Three-Fourths Limitation on Use of Capital Outlay Millage Levy" below); and (iii) if the revenue from 1.50 mills is insufficient to make the payments due under a lease-purchase agreement entered into prior to June 30, 2009, or to meet other critical fixed capital outlay needs, authorization for school districts to levy up to 0.25 mills for capital improvement needs in lieu of an equivalent amount of the discretionary mills for operations as provided in the State General Appropriation Act.

The Capital Outlay Millage Levy constitutes the primary source of funds to make Basic Lease Payments with respect to the Series 2016A Certificates, as well as any other Certificates issued in connection with the Master Lease. Accordingly, reduction in the Capital Outlay Millage Levy reduces the funds available to make Basic Lease Payments under the Series 2007 Lease Agreement and may adversely impact the District's ability to finance additional educational facilities under the Master Lease.

Waiver of Three-Fourths Limitation on use of Capital Outlay Millage Levy. During the 2012 legislative session, the State Legislature further amended Section 1011.71, Florida Statutes, to indefinitely allow a waiver of the three-fourths limit on the use of proceeds from the Capital Outlay Millage Levy for lease-purchase agreements originally entered into before June 30, 2009. Previously, such waiver was only authorized for the Fiscal Year 2009-10. Such provision became effective on July 1, 2012. See "AVAILABLE REVENUES FOR CAPITAL OUTLAY PROJECTS – Local Sources" herein.

Legislative Proposals Relating to Ad Valorem Taxation. During recent years and in the current legislative session, various other legislative proposals and constitutional amendments relating to ad valorem taxation have been introduced in the State legislature. Many of these proposals provide for new or increased exemptions to ad valorem taxation, limit increases in assessed valuation of certain types of property, require school districts to share a portion of the Capital Outlay Millage Levy with charter schools in such school district, or otherwise restrict the ability of local governments in the State to levy ad valorem taxes at recent, historical levels. There can be no assurance that similar or additional legislative or other proposals will not be introduced or enacted in the current legislative session or in the future that would, or might apply to, or have a material adverse effect upon, the District or its finances.

PENSION AND OTHER POSTEMPLOYMENT BENEFIT PLANS

The Florida Retirement System

General Information about the FRS. All regular employees of the District are covered by the Florida Retirement System (the "FRS"). The FRS is a single retirement system administered by the Florida Department of Management Services, Division of Retirement, and consists of two cost-sharing, multiple-employer retirement plans and other nonintegrated programs. These include a defined benefit pension plan (the "FRS Plan"), a Deferred Retirement Option Program (the "DROP"), and a defined contribution plan, referred to as the Public Employee Optional Retirement Program (the "FRS Investment Plan").

Essentially all regular employees of participating employers are eligible and must enroll as members of the FRS Plan. Employees in the FRS Plan vest at six years of service if enrolled in the plan prior to July 1, 2011. Enrollment after July 1, 2011 requires eight years of service to vest. All vested members are eligible for normal retirement benefits at age 62 or at any age after 30 years of service. For enrollees prior to July 1, 2011, pension plan benefit payments are based on the member's highest 5-year average annual salary (average final compensation) times the number of years of service. Enrollees after July 1, 2011 have benefit payments based on the member's highest eight year average annual salary. The annual final compensation (regardless of whether it is the highest five or highest eight) is multiplied by a percentage ranging from 1.60% at either 62 or with 30 years of service to 1.68% at age 65 or with 33 years of service. Members are eligible for early retirement after six years of service, however, normal benefits are reduced by 5% for each year a member retires before age 62. As described herein, the District administers a single-employer retirement program that under certain conditions covers the difference in benefits between normal and early retirement.

The FRS Plan provides retirement, disability, and death benefits and annual cost-of-living adjustments, as well as supplements for certain employees to cover social security benefits lost by virtue of retirement system membership.

The DROP was established effective July 1, 1998. It permits employees eligible for normal retirement under the FRS Plan to defer receipt of monthly benefit payments while continuing employment with a FRS employer. An employee may participate in the DROP for a period not to exceed 60 months after electing to participate, except that certain instructional personnel may participate for up to 96 months. During the period of DROP participation, deferred monthly benefits are held in the FRS Trust Fund and accrue interest.

Eligible FRS members may elect to participate in the FRS Investment Plan in lieu of the FRS Plan. District employees participating in the DROP are not eligible to participate in the FRS Investment Plan. The FRS Investment Plan is funded by employer contributions that are based on salary and membership class (Regular, Elected County Officers, etc.) Contributions are directed to individual member accounts, and the ultimate benefit depends in part on the performance of investment funds chosen. Employees in the FRS Investment Plan vest after one year of service.

[Remainder of page intentionally left blank]

The benefit provisions and all other requirements of the FRS Plan are established by Florida Statutes. The contribution rates for the FRS Plan are established, and may be amended, by the State. As of June 30, 2015 the contribution rates were as follows:

	Percent of Gross Salary	
	Employee	Employer ⁽¹⁾
Florida Retirement System, Regular	3.00	7.37
Florida Retirement System, Elected County Officers	3.00	43.24
Florida Retirement System, Senior Management Service	3.00	21.14
Florida Retirement System, Special Risk	3.00	19.82
Teachers' Retirement System, Plan E	6.25	11.50
Florida Retirement System, Reemployed Retiree	3.00	7.37

⁽¹⁾ Employer rates include the post-retirement health insurance supplement, which was increased on July 1, 2014 to 1.26%.

The District's liability for participation in the FRS Plan is limited to the payment of the required contribution at the rates and frequencies established by law on future payrolls of the District. The District's contributions to the FRS Plan (including employee contributions) for the Fiscal Years 2011-12, 2012-13, 2013-14, and 2014-15 totaled \$74,283,216, \$79,328,141, \$107,938,639, and \$87,373,478, respectively, representing a percentage of covered payroll of 7.58% for Fiscal Year 2011-12, 7.94% for Fiscal Year 2012-13, 10.14% for Fiscal Year 2013-14, and 7.70% for Fiscal Year 2014-15. These amounts are equal to the required contributions for each fiscal year. Effective July 1, 2011, all members of FRS, except for the DROP participants and reemployed retirees who are not eligible for renewed membership, are required to contribute 3% of their compensation to FRS.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to the FRS Plan. At June 30, 2014, the District reported a liability of \$163,259,770 for its proportionate share of the FRS Plan net pension liability. The net pension liability was measured as of June 30, 2014, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2014. The District's proportionate share of the net pension liability was based on a projection of the District's long term share of contributions to the pension plan relative to the projected contributions during the Fiscal Year ended June 30, 2014. At June 30, 2014, the District's proportionate share was 2.68%, which was an increase of 0.05% from its proportionate share of 2.63% measured as of June 30, 2013. The District's covered payroll at June 30, 2014 was \$930,149,025, and the District's proportionate share of the net pension liability as a percentage of its covered-employee payroll was 17.55%.

For the year ended June 30, 2015, the District recognized pension expense of \$16,709,554 for the FRS Plan. At June 30, 2015, the District reported deferred outflows of resources of \$102,433,649 and deferred inflows of resources of \$282,447,401 related to pensions for the FRS Plan. The deferred outflows of resources related to pensions totaling \$67,371,349 resulting from District contributions subsequent to

the measurement date, will be recognized as a reduction of the net pension liability in the year ended June 30, 2016.

FRS Plan Actuarial Assumptions. The total pension liability for the FRS Plan was determined by an actuarial valuation as of the valuation date calculated on the assumptions listed below:

Valuation date:	July 1, 2014
Measurement date:	June 30, 2014
Discount rate:	7.65%
Long-term expected rate of return, net of investment expense:	7.65%
Inflation:	2.60%
Salary increases, including inflation:	3.25%
Mortality:	Generational RP-2000 with Projection Scale BB
Actuarial cost method:	Entry Age

The actuarial assumptions that determined the total pension liability of the FRS Plan as of June 30, 2014, were based on the results of an actuarial experience study for the period July 1, 2008 through June 30, 2013.

The changes in actuarial assumptions for demographic and economic assumptions (all of the above assumptions except actuarial cost method) correspond to changes in the same assumptions in the FRS actuarial study for funding purposes. These changes were approved by the 2014 FRS Actuarial Assumptions Conference. The changes are explained below:

- The discount rate and long-term expected rate of return, net of investment expense were both reduced since the prior actuarial valuation by 0.10% from 7.75% to 7.65% to increase the likelihood that FRS will meet or exceed its assumed investment return in future years.
- The assumed inflation rate was decreased from 3.00% in the July 1, 2013 valuation to 2.60% in the July 1, 2014 valuation in order to bring the rate in line with the combined Social Security intermediate long-term and lower near-term assumptions.
- The salary increase assumption, including inflation was decreased by 0.75% from 4.00% to 3.25%. The decrease was due to two factors, a decrease in inflation as previously explained and a decrease in real wage growth. The decrease in real wage growth was made to better align with the trailing 10-year growth in payroll as well as to be in a reasonable range based on observed national data and the Social Security Administration's forward-looking assumption sets.
- The mortality assumption was changed to incorporate Projection Scale BB in the July 1, 2014 actuarial valuation, in place of the Projection Scale AA previously used. The use of Scale BB allowed FRS to use a standard Society of Actuaries mortality table for each membership class/gender group without additional adjustment.

Discount Rate Related to the FRS Plan. The discount rate used to measure the total pension liability for the FRS Plan was 7.65% and is based on a projection of cash flows that assumed that employee contributions will be made at the current contribution rate and that contributions from

participating members will be made at statutorily required rates, actuarially determined. Based on those assumptions, the FRS Plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability. The following presents the District's proportionate share of the net pension liability of the FRS Plan calculated using the discount rate of 7.65%. Also presented is what the District's proportionate share of the FRS Plan net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower (6.65%) or 1-percentage-point higher (8.65%) than the current rate:

	1% Decrease (6.65%)	Current Discount Rate (7.65%)	1% Increase (8.65%)
District's proportionate share of the FRS Plan net pension liability	\$698,283,722	\$163,259,770	(\$281,778,071)

FRS Plan Fiduciary Net Position. For information about the FRS Plan's fiduciary net position, see "APPENDIX J – THE FLORIDA RETIREMENT SYSTEM."

General Information about the Health Insurance Subsidy (the "HIS Pension Plan"). The HIS Pension Plan is a cost-sharing multiple-employer defined benefit pension plan established to provide a monthly subsidy payment to retired members of any state-administered retirement system, or beneficiary entitled to receive benefits.

The benefit of the HIS Pension Plan is a monthly payment to assist retirees in paying their health insurance costs. This plan is administered by the Department of Management Services within the Florida Retirement System. HIS benefits are not guaranteed and are subject to annual legislative appropriation.

For Fiscal Year ended June 30, 2015, eligible retirees and beneficiaries received a monthly HIS payment equal to the number of years of creditable service completed at the time of retirement multiplied by \$5. The payments are at a minimum of \$30 but not more than \$150 monthly per Section 112.363, Florida Statutes.

The HIS Pension Plan is funded by required contributions from FRS participating employers. The funds are deposited in a separate trust fund and consequently paid from that trust fund. Employer contributions are a percentage of gross compensation for all FRS members. For the Fiscal Year ended June 30, 2015, the contribution rate was 1.26% of payroll per Florida Statutes 112.363. Employees do not contribute to this plan. The District's contributions to the HIS Pension Plan totaled \$14,293,769 for the Fiscal Year ended June 30, 2015.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to the HIS Pension Plan. At June 30, 2015, the District reported a liability of \$334,898,541 for its proportional share of the HIS Pension Plan net pension liability. The net pension liability was measured as of June 30, 2014, and the total pension liability used to calculate the net pension

liability was determined by an actuarial valuation as of July 1, 2014. The District's proportionate share of the net pension liability was based on a projection of the District's long term share of contributions to the pension plan relative to the projected contributions during the Fiscal Year ended June 30, 2014. At June 30, 2014, the District's proportionate share was 3.58%, which was an increase of 0.14% from its proportionate share of 3.44% measured as of June 30, 2013. The District's covered payroll at June 30, 2014 was \$1,064,282,519, and the District's proportionate share of the net pension liability as a percentage of its covered-employee payroll was 31.47%.

For the year ended June 30, 2015, the District recognized pension expense of \$25,003,205 for the FRS Pension Plan. At June 30, 2015, the District reported deferred outflows of resources of \$37,206,561 and did not report any deferred inflows of resources related to pensions for the HIS Pension Plan. The deferred outflows of resources related to pensions totaling \$14,293,769 resulting from District contributions subsequent to the measurement date, will be recognized as a reduction of the net pension liability in the year ended June 30, 2016.

HIS Pension Plan Actuarial Assumptions. The total pension liability for the HIS Pension Plan was determined by an actuarial valuation as of the valuation date calculated on the assumptions listed below:

Valuation date:	July 1, 2014
Measurement date:	June 30, 2014
Discount rate:	4.29%
Long-term expected rate of return, net of investment expense:	4.29%
Inflation:	2.60%
Salary increases, including inflation:	3.25%
Mortality:	Generational RP-2000 with Projection Scale BB
Actuarial cost method:	Entry Age

The actuarial assumptions that determined the total pension liability of the HIS Pension Plan as of June 30, 2014, were based on the results of an actuarial experience study for the period July 1, 2008 through June 30, 2013.

Long-term Expected Rate of Return. Because the HIS pension Plan is funded on a pay-as-you-go basis funding structure, a municipal bond rate of 4.29% was used to determine the total pension liability for the program.

Discount Rate of the HIS Pension Plan. Because the HIS Pension Plan uses a pay-as-you-go funding structure, a municipal bond rate of 4.29% was used to determine the total pension liability for the program. The following presents the District's proportionate share of the net pension liability of the HIS Pension Plan calculated using the discount rate of 4.29%. Also presented is what the District's proportionate share of the HIS Pension Plan net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower (3.29%) or 1-percentage-point higher (5.29%) than the current rate:

	1% Decrease (3.29%)	Current Discount Rate (4.29%)	1% Increase (5.29%)

Early Retirement Program

Plan Description and Provisions. As authorized by Section 1012.685, Florida Statutes, the Board implemented an Early Retirement Plan (the "Plan"), effective August 1, 1984. The Plan is a single-employer defined benefit plan. The purpose of the Plan is to provide eligible District employees, who elect to retire under the early retirement provisions of the FRS with a monthly benefit equal to the statutory reduction of the normal retirement benefits when early retirement precedes the normal retirement age of 62. The Board entered into an agreement with Wells Fargo Bank, N.A., as successor bank (the "Bank"), designating it as the Investment Manager and Custodian for the Plan assets. The Agreement also provides that monthly benefits be paid by the Bank.

Based on an actuarial report as of June 30, 2015, there were 558 retirees and beneficiaries currently receiving benefits under the Plan. There are no longer any active participants in the Plan.

Eligibility. A member of the Plan was eligible upon attainment of age 55 to 59, completion of 25 but not more than 28 years of creditable service, at least 5 consecutive and uninterrupted years of service immediately preceding early retirement, and having applied for retirement under the FRS. The Board approved to eliminate new participants to the Early Retirement Program on June 30, 2008. Certain employees were eligible to enter the plan before July 1, 2010. As of July 1, 2010, the Plan is closed to new participants.

Benefits. The amount of the monthly benefit will be equal to the reduction imposed on the retirement benefit by the FRS due to early retirement. The benefit amount will be based on the initial benefit amount determined by the FRS prior to any cost-of-living adjustments and once established will remain unchanged, unless a specific increase is authorized by the Board.

Summary of Significant Accounting Policies. The Plan is accounted for as a pension trust fund; therefore it is accounted for in substantially the same manner as a proprietary fund with a "capital maintenance" measurement focus and the accrual basis of accounting. Employer contributions are recognized in the period in which contributions are due. Benefits and refunds are recognized when due and payable in accordance with terms of the Plan. Plan assets are valued at fair value, based on quoted market prices, for financial statement purposes. Separate Statements are not issued for the Plan.

Contributions. Pursuant to the Plan Agreement, no contribution shall be required or permitted from any member. The District's annual contribution to the pension trust is determined through the budgetary process and with reference to actuarial determined contributions. The Board establishes rates based on an actuarially determined rate recommended by an independent actuary. The actuarially determined rate is the estimated amount necessary to finance the costs of benefits earned by plan members during the year, with an additional amount to finance any unfunded accrued liability. The contribution is designed to accumulate sufficient assets to pay benefits when due. As of July 1, 2015, the actuarial study shows a deficit of \$13.9 million in accordance with GASB 68. Total contributions to the Plan in Fiscal Year 2014-15 amounted to \$1,410,653.

Net Pension Liability. The net pension asset (obligation) to the Plan in Fiscal Years 2011-12, 2012-13 and 2013-14 were \$(611), \$(1,807) and \$(30), respectively. However, due to the adoption of GASB 68, the net pension liability in the amount of \$13,993,497 replaces the net pension obligation of \$(30) identified as of July 1, 2014. The Net Pension Liability of \$13,993,497 was added as a long term liability on the Statement of Net Position in the Government-wide Financial Statements. The computation of the total pension liability for Fiscal Year 2014-15 was based on the same (a) benefit provisions, (b) actuarial funding method, and (c) other significant factors as used to determine annual required contributions in the previous year.

Actuarial Information. Significant assumptions and other inputs used to measure the annual required contribution are:

Valuation Date	July 1, 2014
Measurement Date	June 30, 2015
Actuarial Cost Method	Aggregate
Asset Valuation Method	Market value
Actuarial Assumptions:	
Investment Rate of Return	3.5%
Projected Salary Increases	0%
Rate of Inflation Adjustment	2.5%

Mortality rates were based on the RP-2014 Healthy Annuitant/Non Annuitant Mortality table for Males or Females, with generational projections for mortality improvements based on Scale MP.

Discount Rate. The discount rate used to measure the total pension liability was 3.50%. The projection of cash flows used to determine the discount rate assumed that the District's contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payment of current plan members. Therefore, the long term expected rate of return on pension plan investment was applied to all periods of projected benefit payments to determine the total pension liability. The following presents the net pension liability of the District, calculated using the discount rate of 3.50%, as well as what the District's net pension liability would be if it were calculated using a discount rate that is 1-percentage point lower (2.50%) and 1-percentage point higher (4.50%) than the current rate.

	1% Decrease (2.50%)	Current Discount Rate (3.50%)	1% Increase (4.50%)
District's Net Pension Liability	\$16,719,571	\$13,993,497	\$11,678,724

Pension Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to the Plan. At June 30, 2015, the District reported a liability of \$13,993,497 for the Plan net pension liability. The liability was measured as of June 30, 2015 and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2014. The District's net pension liability was based on a projection of the pension plan relative to the projected contributions during the Fiscal Year ended June 30, 2015. At June 30, 2015, the District reported deferred outflows of resources of \$257,086 and did not report any deferred inflows of resources related to pensions for the HIS Pension Plan.

Governmental Accounting Standards Board (GASB) Statement No. 68

The District participates in the FRS Plan, the HIS Plan and the Plan. As a participating employer, the District implemented GASB Statement No. 68, Accounting and Financial Reporting for Pensions ("GASB 68"), which requires employers participating in cost-sharing multiple-employer defined benefit pension plans report the employers' proportionate share of the net pension liabilities and related pension amounts of the defined benefit pension plans. The implementation of GASB 68 resulted in a \$645,393 (in thousands) reduction of beginning net position from \$1,634,903 (in thousands) to \$941,530 (in thousands) due to the addition of a liability from the Plan, the FRS Plan and the HIS Plan. The District's combined proportionate share of the net pension liabilities for the Plan, the FRS Plan and the HIS Plan at July 1, 2015, totaled \$512,151,808.

Post Employment Health Care

Plan Description. The Postemployment Health Care Benefits Plan (the "OPEB") is a single-employer defined benefit plan administered by the District. Pursuant to the provisions of Section 112.0801, Florida Statutes, former employees who retire from the District and eligible dependents, may continue to participate in the District's health and hospitalization plan for medical, and prescription drug coverage. Based on the valuation as of July 1, 2014, the District had 26,644 active employees and 1,129 retirees and eligible dependents in the OPEB. The District subsidizes the premium rates paid by retirees

by allowing them to participate in the plan at reduced or blended group (implicitly subsidized) premium rates for both active and retired employees. These rates provide an implicit subsidy for retirees because, on an actuarial basis, their current and future claims are expected to result in higher costs to the OPEB on average than those of active employees. Retirees are required to enroll in the Federal Medicare program for their primary coverage as soon as they are eligible.

Funding Policy. The District via the Board can establish and amend the funding requirements. The District has not advanced funded the OPEB costs or the net OPEB obligation. For the Fiscal Year 2014-15, retirees and eligible dependents received postemployment health care benefits, which are funded by the District on a pay as you go basis. The District provided contributions of \$4,463,384 toward annual OPEB costs, comprised of benefit payments made on behalf of the retirees for claims expenses (net of reinsurance), administrative expenses, and reinsurance premiums and net of retiree contributions totaling \$9,054,293 which is about 1% of covered payroll.

Annual OPEB Cost and Net OPEB Obligation. The District's annual OPEB cost is calculated based on the annual required contribution (the "ARC"), an amount actuarially determined in accordance with the parameters of Governmental Accounting Standards Board Statement No. 45, Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions. The ARC represents a level of funding that is paid on an ongoing basis, is projected to cover normal cost each year and amortize any unfunded actuarial liabilities over a period not to exceed 30 years. The following table shows the District's annual OPEB cost for the year, the amount actually contributed to the plan, and changes in the net OPEB obligation:

Description	Amount
Normal Cost (service cost for one year)	\$23,167,823
Amortization of Unfunded Actuarial Accrued Liability	7,246,740
Interest on Normal Cost and Amortization	760,364
Annual Required Contribution	31,174,927

Funded Status and Funding Progress. As of June 30, 2015, the actuarial accrued liability for benefits was \$212,358,525, all of which was unfunded. The covered payroll (annual payroll for active participating employees) was \$1,134,992,341 for the Fiscal Year 2014-15, and the ratio of the unfunded actuarial accrued liability to the covered payroll was 18.7%. The schedule of funding progress presents multiyear trend information that shows whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liabilities for benefits.

Actuarial Methods and Assumptions. Actuarial valuations involve estimates of the value of reported amounts and assumptions about the probability of events far into the future; actuarially determined amounts are subject to continual revisions as actual results are compared to past expectations and new estimates are made about the future. Calculations are based on the benefits provided under the terms of the substantive plan in effect at the time of each valuation and on the pattern of sharing of costs between the employer and plan members to that point. The projection of benefits for financial reporting purposes does not explicitly incorporate the potential effects of legal or contractual funding limitations on the pattern of cost sharing between the employer and plan members in the future. Actuarial calculations reflect a long-term perspective. Consistent with that perspective, actuarial methods and assumptions

used include techniques that are designed to reduce short-term volatility in actuarial accrued liabilities and the actuarial value of assets.

The actuarial methods and significant assumptions used in calculating the ARC for the current year and the funded status of the plan are from the actuarial valuation as of July 1, 2014 are: (1) entry age actuarial cost method, (2) actuarial value of assets are fair value, (3) investment rate of return is 2.5%, (4) salary scale is 4.0%, (5) healthcare cost trend rate is 7.50% for Fiscal Year 2014-15 grading to 5.0% for Fiscal Year 2023-24, (6) past service liability is amortized over a closed 30-year period as a level percentage of projected payroll assumed to grow 3.0% per year, and (7) inflation rate adjustment is 2.5%.

INVESTMENT POLICY

Assets of the District are governed by an investment policy adopted by the Board under the provisions of Sections 1001.42, Florida Statutes, as amended. Furthermore, the investment of certain assets held under the Trust Agreement such as the Lease Payment Fund, the Project Fund, the Prepayment Fund and the Rebate Fund, is also governed by the terms and provisions of the Trust Agreement.

The District's investment policy authorizes the District to invest in the following investments:

(1) The SBA Investment Pool, or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperation Act (Section 163.01, Florida Statutes).

(2) Securities and Exchange Commission registered money market funds with the highest credit quality rating from a nationally recognized rating agency.

(3) Interest-bearing time deposits or savings accounts in qualified public depositories, as defined in Section 280.02(26), Florida Statutes.

(4) Direct obligations of the U.S. Treasury.

(5) Obligations of Federal agencies, government sponsored enterprises, and instrumentalities.

(6) Securities of, or other interest in, any open-end or closed-end management type investment company or trust registered under the Investment Company Act of 1940, 15 U.S.C. 80a-1.

(7) Short-term obligations commonly referred to as "money market instruments" including, but not limited to, commercial paper, provided such obligations carry the highest credit ratings from a nationally recognized rating agency.

(8) Asset-backed securities when (a) the underlying asset is guaranteed by the issuer, or (b) the security carries the highest quality ratings by a nationally recognized rating agency.

The District's investment policy places no limit on the amount the District may invest in any one issuer. The District had no investment, excluding amounts held by the SBA that made up more than 5% of total investments.

LITIGATION

Concurrently with the delivery of the Series 2016A Certificates, Counsel to the Board will deliver an opinion which states, among other things, that there is no litigation or other proceedings pending or, to the best knowledge of the Board, threatened against the Board (i) that seeks to restrain or enjoin the issuance or delivery of the Series 2016A Certificates, the Master Lease or the Series 2007 Lease Agreement, or (ii) questioning or affecting the validity of the Series 2016A Certificates, the Master Lease or the Series 2007 Lease Agreement or any proceedings of the Board or actions of the Trustee with respect to the authorization, sale, execution or issuance of the Series 2016A Certificates or the transactions contemplated by this Offering Statement or the Master Lease, the Trust Agreement, the Series 2007 Lease Agreement, the Series 2007 Ground Lease or any other agreement or instrument to which the Board is a party in connection therewith and which is used or contemplated for use in the transactions contemplated by this Offering Statement, or (iii) questioning or affecting the creation, organization or existence of the Board and which would have an adverse effect on the actions taken by the Board with respect to the issuance of the Series 2016A Certificates.

The Board experiences claims, litigation, and various legal proceedings which individually are not expected to have a material adverse effect on its operations or financial condition, but may, in the aggregate, have a material impact thereon. In the opinion of the Counsel to the Board, however, the Board will either successfully defend such actions or otherwise resolve such matters without any material adverse consequences on the Board's financial condition.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Section 517.051, Florida Statutes, and the regulations promulgated thereunder require that the Board make full and fair disclosure of any bonds or other debt obligations of such entity that have been in default as to payment of principal or interest at any time after December 31, 1975. The Board is not and has not since December 31, 1975, been in default as to payment of principal and interest on its bonds or other debt obligations.

TAX EXEMPTION

Opinion of Special Counsel

The Internal Revenue Code of 1986, as amended (the "Code"), establishes certain requirements that must be met subsequent to the issuance and delivery of the Series 2016A Certificates in order that the Interest Component of the Basic Rent Payments received by the Owners of the Series 2016A Certificates be and remain excluded from gross income for purposes of federal income taxation. Non-compliance may cause such Interest Component to be included in federal gross income retroactive to the date of issuance of the Series 2016A Certificates, regardless of the date on which such non-compliance occurs or is ascertained. The Board and the Corporation have covenanted in the Series 2007 Lease Agreement to comply with such requirements in order to maintain the exclusion from federal gross income of the Interest Component.

In the opinion of Special Counsel, the form of which is included as APPENDIX H hereto, under existing statutes, regulations, rulings and court decisions, and assuming compliance with the aforementioned covenants, prior to the termination of the Series 2007 Lease Agreement resulting from an Event of Non-Appropriation or Event of Default thereunder, the Interest Component of the Basic Rent

Payments is excludable from gross income for federal income tax purposes and is not an item of preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, the Interest Component of the Basic Rent Payments represented by the Series 2016A Certificates is taken into account in determining adjusted current earnings for purposes of computing the alternative minimum tax imposed on certain corporations pursuant to the Code.

Internal Revenue Code of 1986

The Code contains a number of provisions that apply to the Series 2016A Certificates, including among other things, restrictions relating to the use or investment of the proceeds of the Series 2016A Certificates and the payment of certain arbitrage earnings in excess of the "yield" on the Series 2016A Certificates to the Treasury of the United States. Noncompliance with such provisions may result in the Interest Component of the Basic Rent Payments being included in gross income for federal income tax purposes retroactive to the date of issuance of the Series 2016A Certificates.

Collateral Tax Consequences

Except as described above, Special Counsel will express no opinion regarding the federal income tax consequences resulting from the ownership of, receipt or accrual of interest on, or disposition of, the Series 2016A Certificates. Prospective purchasers of Series 2016A Certificates should be aware that the ownership of Series 2016A Certificates may result in collateral tax consequences to various types of corporations relating to (1) the branch profits tax, (2) the denial of interest deductions to purchase or carry such Series 2016A Certificates, and (3) the inclusion of the Interest Component of the Basic Rent Payments in passive income for certain Subchapter S corporations. In addition, the Interest Component may be included in gross income by recipients of certain Social Security and Railroad Retirement benefits.

PURCHASE, OWNERSHIP, SALE OR DISPOSITION OF THE SERIES 2016A CERTIFICATES AND THE RECEIPT OR ACCRUAL OF THE INTEREST COMPONENT OF THE BASIC RENT PAYMENTS MAY HAVE ADVERSE FEDERAL TAX CONSEQUENCES FOR CERTAIN INDIVIDUAL AND CORPORATE SERIES 2016A CERTIFICATE HOLDERS, INCLUDING, BUT NOT LIMITED TO, THE CONSEQUENCES DESCRIBED ABOVE. PROSPECTIVE SERIES 2016A CERTIFICATE HOLDERS SHOULD CONSULT WITH THEIR TAX SPECIALISTS FOR INFORMATION IN THAT REGARD.

Other Tax Matters

The Interest Component of the Basic Rent Payments may be subject to state or local income taxation under applicable state or local laws in other jurisdictions. Purchasers of the Series 2016A Certificates should consult their own tax advisors as to the income tax status of such Interest Component in their particular state or local jurisdiction.

During recent years legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Series 2016A Certificates. In some cases these proposals have contained provisions that altered these consequences on a retroactive basis. Such alterations of federal tax consequences may have affected the market value of obligations similar to the Series 2016A Certificates. From time to time, legislative proposals are pending which could have an effect on both the federal tax consequences resulting from ownership of the Series 2016A Certificates and their market value. No assurance can be

given that additional legislative proposals will not be introduced or enacted that would or might apply to, or have an adverse effect upon, the Series 2016A Certificates.

Original Issue Premium

The difference between the principal amount of the Series 2016A Certificates maturing on and after July 1, 2018 (collectively, the "Premium Certificates") and the initial offering price to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at which price a substantial amount of such Premium Certificates of the same maturity was sold constitutes to an initial purchaser amortizable certificate premium which is not deductible from gross income for Federal income tax purposes. The amount of amortizable certificate premium for a taxable year is determined actuarially on a constant interest rate basis over the term of the Premium Certificates which term ends on the earlier of the maturity or call date for each Premium Certificate which minimizes the yield on said Premium Certificates to the Purchaser. For purposes of determining gain or loss on the sale or other disposition of a Premium Certificate, an initial purchaser who acquires such obligation in the initial offering to the public at the initial offering price is required to decrease such purchaser's adjusted basis in such Premium Certificate annually by the amount of amortizable certificate premium for the taxable year. The amortization of certificate premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining various other tax consequences of owning such Premium Certificates. Owners of the Premium Certificates are advised that they should consult with their own advisors with respect to the state and local tax consequences of owning such Premium Certificates.

Special Counsel expresses no opinion regarding the federal income tax consequences resulting from the accrual of original issue premium following the termination of the Series 2007 Lease Agreement resulting from an Event of Non-Appropriation or Event of Default thereunder.

NOTWITHSTANDING THE FOREGOING, SPECIAL COUNSEL EXPRESSES NO OPINION REGARDING THE FEDERAL INCOME TAX OR FLORIDA TAX CONSEQUENCES RESULTING FROM THE OWNERSHIP OF THE SERIES 2016A CERTIFICATES OR THE RECEIPT BY THE OWNERS THEREOF OF PAYMENTS ON THE SERIES 2016A CERTIFICATES FOLLOWING THE TERMINATION OF THE SERIES 2007 LEASE AGREEMENT RESULTING FROM AN EVENT OF NON-APPROPRIATION OR EVENT OF DEFAULT THEREUNDER.

There is no assurance such ratings will continue for any given period of time or that such ratings will not be revised downward or withdrawn entirely by the rating agencies, if in the judgment of such rating agencies,

circumstances so warrant. Any such downward revision or withdrawal of such ratings may have an adverse effect on the market price of the Series 2016A Certificates.

[THIS PAGE INTENTIONALLY LEFT BLANK]

THE FOLLOWING INFORMATION CONCERNING HILLSBOROUGH COUNTY, FLORIDA (THE "COUNTY") AND THE SCHOOL DISTRICT OF HILLSBOROUGH COUNTY, FLORIDA (THE "DISTRICT") IS INCLUDED ONLY FOR THE PURPOSE OF PROVIDING GENERAL BACKGROUND INFORMATION. THE INFORMATION HAS BEEN COMPILED ON BEHALF OF THE DISTRICT AND SUCH COMPILATION INVOLVED ORAL AND WRITTEN COMMUNICATIONS WITH THE VARIOUS SOURCES INDICATED HEREIN. CERTAIN OF THE TABLES THAT FOLLOW IN THIS APPENDIX HAVE BEEN DERIVED FROM THE STATISTICAL SECTION OF THE COUNTY'S COMPREHENSIVE ANNUAL FINANCIAL REPORT FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2014.

The County

The County was established on January 25, 1834. The County gained its name from Wills Hill (1718-1793), a viscount of Hillsborough, who became secretary of state for the colonies in 1768. Hillsborough County's boundaries of 1834 included the present-day counties of Pasco, Charlotte, Desoto, Hardee, Pinellas, Sarasota, Manatee and Polk.

The County is located on central Florida's western coast, nestled between Tampa Bay on the west and Polk County on the east. The County is bounded to the north by Pasco County and to the south by Manatee County. In area, it is the seventh largest county in the State of Florida. The County covers a total area of 1,266 square miles, of which 215 square miles is water area. The County is part of a four-county Metropolitan Statistical Area (MSA) referred to as the Tampa, St. Petersburg-Clearwater MSA.

Tampa, Plant City and Temple Terrace are the three incorporated cities in the County. Tampa, the largest of the three incorporated cities in the County is the County seat and also a center of international, national, and intrastate commerce. The Tampa International Airport and the Port of Tampa connect the County to other major cities in the nation and major markets throughout the world.

Government

The County operates under a home-rule charter enacted by the voters on September 20, 1983. Under the charter, the Board of County Commissioners (the "BOCC") consists of seven Commissioners; three elected county-wide and four elected from single member districts. As a result of this charter, each voter has a chance to influence the election of a majority of board members. The BOCC is restricted to performing the legislative functions of government and developing policy for the management of the County. The County Administrator, appointed by the BOCC, together with his staff, is responsible for implementing these policies throughout the County.

In addition to the members of the BOCC, there are five elected Constitutional Officers: the Clerk of Circuit Court, Property Appraiser, Sheriff, Supervisor of Elections, and Tax Collector.

The County provides a variety of services characteristic of local multi-purpose governments including law enforcement, maintenance of roads and bridges, animal services, social services programs, planning and growth management, environmental protection, fire protection and emergency rescue,

consumer protection, parks and recreation programs, mosquito control, employment services, emergency disaster preparedness, traffic control, water/wastewater utilities, solid waste disposal, medical examiner services, agricultural cooperative extension services, children's services, indigent health care, public assistance programs, aging services programs, emergency medical services, and library services.

In addition to their legislative duties, members of the BOCC serve as the County's Environmental Protection Commission. Individual members of the BOCC also take turns serving on various boards, authorities, commissions and private non-profits such as the Children's Board, Tampa Bay Regional Planning Council, Metropolitan Planning Organization, Hillsborough County Tourist Development Council, Tampa Bay Water, Tampa Port Authority, Hillsborough County Aviation Authority, Hillsborough Area Regional Transit Authority, Hillsborough County Public Transportation Commission, Tampa-Hillsborough County Expressway Authority, Tampa Sports Authority, Arts Council of Hillsborough County, Value Adjustment Board, Hillsborough County Hospital Authority, Council of Governments and the Tampa Hillsborough Economic Development Corporation.

Population

The County is the fourth most populous county in the state of Florida. The County's population in 2015 was estimated to be 1,325,563, an increase of 7.8% from 2010. A majority of the County's 2015 population (905,007) resides in the unincorporated part of the County. Population in unincorporated County grew 8.4% from 2010. Transportation

Tampa International Airport ("TIA") is a major airport for the west central region of Florida serving primarily Hillsborough, Pinellas (which includes the cities of St. Petersburg and Clearwater), Pasco, and Hernando Counties.

TIA is one of four FAA-coded large hub airports in the State of Florida. TIA occupies approximately 3,400 acres and is primarily an origination-destination airport with a total of 59 gates. It is located five miles from downtown Tampa, and is served by most major airlines which provide non-stop daily service to more than 56 national and international destinations, including London, Toronto, Halifax, Panama City, Ottawa, San Juan, Zurich and Grand Cayman. Passenger enplanements at TIA for the fiscal year ended September 30, 2014, totaled 8,673,887, an increase of 1.97% from the prior fiscal year. For fiscal year 2014, the top three airlines, in terms of market share were: Southwest with 35.35%, Delta with 17.23%, and United with 10.64%.

Three general aviation airports serve as reliever airports, primarily to accommodate light and medium weight aircraft in the general aviation category. These include Peter O. Knight Airport, a 139-acre facility located six miles southeast of TIA; Plant City Airport, a 199-acre facility located 22 miles east of TIA; and Tampa Executive Airport (formerly Vandenberg Airport), a 407-acre facility located 12 miles east of TIA. In addition, there are two full service general aviation executive terminals located at this airport.

AMTRAK provides passenger rail service to major cities throughout the United States. This rail service is provided by the Palmetto and Silver Service Trains (the Silver Meteor and the Silver Star) which offer service between Florida, Georgia, and New York City. The restored Tampa Union Station has seven northbound and seven southbound departures on AMTRAK weekly.

Freight rail service is provided to the County by CSX Transportation Systems. CSX rail units possess some of the world's most technologically advanced terminal equipment and operate on regular schedules throughout the network. Major transports include coal, wood products, phosphate, chemicals, construction materials, semi-tractor trailers, automobiles, and automobile products.

The Hillsborough Area Regional Transit Authority (HART) is Hillsborough County's public transportation system. HART offers local and express routes for residents and visitors alike. Local service seven days a week provides access to area shopping malls, businesses, government buildings, attractions and recreational facilities. An estimated eleven million riders use the system annually.

The County is also served by numerous intrastate and interstate motor common carriers, moving goods between Tampa, other points in Florida, and markets throughout the United States. Tampa is the transportation hub of the west coast of Florida with major trucking firms maintaining terminals serving Florida and major southern cities.

Three interstates and seven other major highways serve the County. All parts of Florida and bordering states to the north and west can be reached within one day of travel by truck or automobile.

Port Facilities

The Port of Tampa is Florida's largest and most diverse seaport, handling 35 million tons of cargo and 875,611 cruise passengers during FY 2011. The Port of Tampa has an economic impact of \$15 billion and 100,000 jobs on the Tampa Bay economy. The development of a new container terminal with three gantry cranes, along with substantial room for expansion, has made the deepwater Port of Tampa well-positioned as a gateway for the growing markets of Florida and the Southeast U.S. The Port offers CSX rail service and over one million square feet of warehouse/cold storage space. The Port also contains one of the premier ship repair facilities in the Southeast U.S.

Seventy-five percent of Port cargo is inbound, and with its location on the west end of Florida's Interstate 4 corridor, the Port is ideally located to supply in-state demands for construction materials, commodities and consumer products.

It is headquarters for two non-aviation units: the United States Central Command and the United States Special Operations Command. It is also home to the National Oceanic and Atmospheric Administration.

January 12, 2016

Dear Chair Griffin and School Board Members:

The Comprehensive Annual Financial Report (CAFR) of the School District of Hillsborough County, Florida, (the District) for the fiscal year ended June 30, 2015, is hereby submitted. These financial statements are presented in conformity with generally accepted accounting principles (GAAP) and are audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in "Government Auditing Standards" issued by the Comptroller General of the United States by a firm of licensed certified public accountants.

Responsibility for both the accuracy of the data and completeness and fairness of the presentation, including all disclosures, rests with the District's management. To provide a reasonable basis for making these representations, management of the District has established a comprehensive internal control framework that is designed both to protect the District's assets from loss, theft, or misuse and to compile sufficient reliable information for the preparation of the District's financial statements in conformity with GAAP. The District's comprehensive framework of internal controls has been designed to provide more than reasonable rather than absolute assurance that the financial statements will be free from material misstatement. As management, we assert that to the best of our knowledge and belief, this financial report is complete and reliable in all material respects. All disclosures necessary to enable the reader to gain an understanding of the District's financial activities have been included.

The District's financial statements have been audited by KPMG LLP, a firm of licensed certified public accountants. The objective of the independent audit is to provide reasonable assurance that the financial statements of the District for the fiscal year ended June 30, 2015, are free of material misstatements. The independent audit involved examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; assessing the accounting principles used and significant estimates made by management and evaluating the overall financial statement presentation. The independent auditor concluded, based upon the audit, that there was a reasonable basis for rendering an unmodified opinion that the District's financial statements for the fiscal year ended June 30, 2015, are fairly presented in conformity with GAAP. The independent auditors' report is presented as the first component of the financial section of this report.

GAAP requires that management provide a narrative introduction, overview, and analysis to accompany the basic financial statements in the form of Management's Discussion and Analysis (MD&A), which should be read in conjunction with the financial statements. The District's MD&A can be found immediately following the report of the independent auditors.

Profile of the Government

The District and its governing board (School Board) were created pursuant to Section 4, Article IX of the Constitution of the State of Florida. The District is an independent taxing and reporting entity managed, controlled, operated, administered and supervised by District school officials in accordance with Chapter 1001, Florida Statutes. The School Board consists of seven elected officials. The appointed Superintendent serves as chief executive officer of the school system and is responsible for the administration and management of district schools. The District and Superintendent are required by Section 1010.01, Florida Statutes to maintain financial records and accounts as prescribed by law and rules of the State Board of Education.

The CAFR contains the audited financial statements for all operations over which the School Board is financially accountable. Various potential component units were evaluated to determine whether they should be considered as part of the District's reporting entity. Accordingly, the financial statements include the Hillsborough School Board Leasing Corporation (the Corporation) reported as a blended component unit. The Corporation was formed by the School Board solely for the purpose of acting as lessor, with the School Board acting as lessee, to finance the acquisition and/or construction of certain facilities, vehicles and equipment to be used in district operations. The members of the School Board serve as the Board of Directors of the Corporation. In addition, included in the reporting entity are the Hillsborough Education Foundation (the Foundation), a broadly based, non-profit direct-support organization of the School Board, and the Charter Schools that are separate not for profit corporations organized under Section 1002.33, Florida Statutes. Both the Foundation and the Charter Schools are included as discretely presented component units in the accompanying financial statements. Additional information on these component units can be found in the notes to the financial statements.

The District provides a full range of educational programs in Hillsborough County. These include early childhood, kindergarten through 12th grade, basic and enriched programs, and exceptional student education. The District also provides vocational and adult programs.

The District's geographic boundaries correspond with those of Hillsborough County. The District is the 3rd largest school district in Florida and the 8th largest in the United States with over 204,089 K-12 students.

The annual budget serves as the foundation for the District's financial planning and control. The District establishes and maintains budgetary controls. The objective of these budgetary controls is to ensure compliance with legal provisions embodied in the annual appropriated budget approved by the School Board. Activities of the General Fund, Special Revenue Funds, Debt Service Funds and Capital Projects Funds are included in the annual appropriations budget. Although project length financial plans are adopted for the Capital Project Funds, the funding is contingent upon the annual budget adoption. Budgetary control is maintained for individual accounts or group of accounts within each school or department through the use of an encumbrance accounting system. This process tests for availability of funds, which precludes a requisition for services, equipment, supplies or materials from becoming a purchase order if the account would be overspent.

B-7

Factors Affecting Financial Condition

The information presented in the financial statements is perhaps best understood when it is considered from the broader perspective of the specific environment within which the District operates.

Economy. While the District is heavily reliant upon state funding for the core of the educational programs within the District, and while the economic conditions of the nation and state interact with state funding adequacy and availability, the economic outlook for the District is consistent with the national situation. The State of Florida is dependent upon sales tax collections and tourism. In addition, the community within the District is wholly supportive of the educational program, as evidenced by the contribution of money, time and effort. Any funding fluctuations will mean that new programs, innovative initiatives and educational enhancements may not be available within the desired time frames, but the positive improvements will continue to occur.

In addition, the Board, Superintendent, and staff are acutely aware of the perils of interrupted revenue receipts. Prudent business practices, accompanied by statutes mandating balanced budgets, result in a continual review of the financial condition of the District.

Long-Term Financial Planning. The District continues to maintain adequate fund balances and top debt ratings by careful management of its financial resources. The District continues to implement budget saving initiatives to maintain fund balances without making cuts to the classrooms or necessitating layoffs of employees.

Major Initiatives

Class Size Reduction Amendment - In November 2002, the voters of Florida amended the State Constitution to limit class size. The amendment established the maximum number of students in core-curricula courses assigned to a teacher in each of the following three grade groupings: (1) pre-kindergarten through grade 3, 18 students; (2) grades 4 through 8, 22 students; and (3) grades 9 through 12, 25 students. Based on the annual review for the 2014-1015 fiscal year conducted by the Florida Department of Education, our district continues to meet the constitutional maximums at our schools and classrooms.

Transportation Plan – Last fiscal year (June 2014), our School Board accepted and approved a 15 year school bus purchasing plan. Starting in the fiscal year 2013-2014 through fiscal year 2027-2028 our District will continue purchasing 100 school buses every year. This plan will continue to cycle in new buses and lower our maintenance expense for older vehicles.

Awards and Acknowledgements.

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the District for its CAFR for the fiscal year ended June 30, 2014. This was the fourteenth consecutive year that the District received this prestigious award. In order to be awarded a Certificate of Achievement, the District must publish an easily readable and efficiently organized CAFR. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe that our current CAFR continues to meet the Certificate of Achievement Program's requirements and are submitting it to the GFOA to determine its eligibility for another certificate.

The preparation of this CAFR could not have been accomplished without the efficient and dedicated services of the staff of the Accounting Office. We would like to express our appreciation to all members of the Business Division who assisted and contributed to its preparation.

Sincerely,

Jeff Eakins

Independent Auditors' Report

Honorable Chairperson and Members of the School Board
 School District of Hillsborough County, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the School District of Hillsborough County, Florida (the District), as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We did not audit the financial statements of the aggregate discretely presented component units. Those statements were audited by other auditors whose reports have been furnished to us and our opinion, insofar as it relates to the amounts included for the discretely presented component units, is based solely on the reports of the other auditors. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, based on our audit and the reports of other auditors, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the School District of Hillsborough County, Florida, as of June 30, 2015, and the respective changes in financial position, and where applicable, cash flows thereof and the respective budgetary comparison for the general fund and contracted services funds for the year then ended in accordance with U.S. generally accepted accounting principles.

Emphasis of Matter

As discussed in note 1.N. to the financial statements, the District adopted the provisions of Governmental Accounting Standards Board (GASB) Statement No. 68, *Accounting and Financial Reporting for Pensions*.

Other Matters

Required Supplementary Information

U.S. generally accepted accounting principles require that the management's discussion and analysis pages 5-12, the schedules of employer contributions pages 83-85, the schedules of employer proportionate share of the net pension liability page 86, the schedule of net pension liability page 88, the schedule of changes in net pension liability page 89, the schedule of investment returns page 90, and the schedule of employer contributions pages 87 and 92, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary and Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the District's basic financial statements. The introductory section, other supplementary information, and statistical section are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The other supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the other supplementary information is fairly stated in all material respects in relation to the basic financial statements as a whole.

The introductory section and statistical section have not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on them.

B-12

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 18, 2015 on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control over financial reporting and compliance.

THE SCHOOL DISTRICT OF HILLSBOROUGH COUNTY, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
For the Fiscal Year Ended June 30, 2015
(Unaudited)

The School District of Hillsborough County's (the "District") management's discussion and analysis is designed to (a) assist the reader in focusing on significant financial issues, (b) provide an overview of the District's financial activity, (c) identify changes in the District's financial position (its ability to address the next and subsequent year challenges), (d) identify any material deviations from the financial plan (the approved budget), and (e) identify individual fund issues or concerns.

Since the Management's Discussion and Analysis (MD&A) is designed to focus on the current year's activities, resulting changes and currently known facts, please read it in conjunction with the District's financial statements (beginning on page 15). All amounts unless otherwise indicated, are expressed in thousands of dollars.

Overview of the Financial Statements

This MD&A is intended to serve as an introduction to the District's basic financial statements. The District's basic financial statements have three components: 1) government-wide financial statements, 2) fund financial statements and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-wide Financial Statements

The government-wide financial statements are designed to provide the reader with a broad overview of the District's finances in a manner similar to the corporate private sector. Governmental and business-type activities are consolidated into columns which add to a total for the Primary Government.

The Statement of Net Position details information on all of the District's assets, deferred outflows of resources, liabilities, and deferred inflows of resources with the assets plus deferred outflows of resources minus liabilities and deferred inflows of resources being reported as net position. This statement combines governmental fund's current financial resources (short-term spendable resources) with capital assets and long term obligations. Over time, increases and decreases in net position may serve as a useful indicator of whether the financial position of the District has changed.

The Statement of Activities presents information showing how the District's net position changed during the most recent fiscal year. All changes in net position are reported when the underlying obligation/event giving rise to the change occurs, regardless of the timing of the related cash flows. This statement is intended to summarize and simplify the user's analysis of the cost of various governmental services and/or subsidy to various business-type activities and/or component units.

The government-wide financial statements include not only the District but its component units as well. The Hillsborough School Board Leasing Corporation, although legally separate, functions for all practical purposes, as a department of the District, and therefore has been included as an integral part of the primary government. The Hillsborough County Education Foundation and several separate public charter schools are included as discretely presented component units.

Key financial highlights included assets and deferred outflows of resources exceeding its liabilities and deferred inflows of resources by \$830,926 (net position). Of this amount \$(752,310) represents a deficit unrestricted net position. This deficit balance was attributed to the effects of the implementation of GASB Statement No. 68, Accounting and Financial Reporting for Pensions. See note 17 and 18 to the financial statements for additional information.

The government wide-financial statement can be found on pages 15 - 17 of this report.

Fund Financial Statements

Traditional users of governmental financial statements will find the Fund Financial Statements presentation more familiar. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The District uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. Funds are established for various purposes and the Fund Financial Statements allow for the demonstration of sources and uses and/or budgetary compliance associated therewith (beginning on page 18). All funds of the District can be divided into three major categories: governmental funds, proprietary funds, and fiduciary funds.

Governmental Funds

Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, the governmental funds focus on the sources and uses of liquid resources and balances of spendable resources available at the end of the fiscal year.

This is the manner in which the financial plan (the budget) is typically developed. The flow and availability of liquid resources is a clear and appropriate focus of any analysis of a government. Because the focus is narrower than that of government-wide financial statements, it is useful to compare it to the information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term financial decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

Reconciliation between the government-wide and the governmental fund financial information is necessary because of the different measurement focus (current financial resources versus total economic resources); such reconciliation is reflected on the page following each statement (see pages 21 and 27). The flow of current financial resources reflects bond proceeds and interfund transfers as other financing sources as well as capital expenditures and bond principal payments as expenditures. The reconciliation eliminates these transactions and incorporates the capital assets and long-term obligations (bonds and others) into the governmental activities column in the government-wide statements.

The District maintains eleven individual governmental funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for the General Fund, Contracted Services Fund, Other Debt Service Fund, Local Capital Improvement Fund and Other Capital Projects Fund that are considered to be major funds. Data from the other four governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these non-major governmental funds is provided in the form of combining statements elsewhere in this report.

The District adopts an annual appropriated budget for all of its governmental funds.

Proprietary Funds

The District maintains an internal service fund as its only proprietary fund. Internal service funds are an accounting device used to accumulate and allocate costs internally among the District's various functions. The District uses internal service funds to account for its group health, workers compensation, and liability self-insurance activities.

The basic proprietary fund statements can be found on pages 32 - 34.

For the Fiscal Year Ended June 30, 2015
(Unaudited)

Fiduciary Funds

The District is the trustee, or fiduciary, for its employee pension plans. It is also responsible for other assets that, because of a trust agreement, can be used only for the trust beneficiaries. The District is responsible for ensuring that the assets reported in these funds are used for their intended purposes. All of the District's fiduciary activities are reported in a separate statement of fiduciary net position and a statement of changes in fiduciary net position. The District excludes these activities from the government-wide financial statements because the District cannot use these assets to finance any of its ongoing operations.

The basic fiduciary fund statements can be found on pages 35 -36.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found on page 37 – 81 of this report.

Government-wide Financial Analysis

As noted earlier, net position may serve over time as a useful indicator of an entity's financial position. In the case of the District, assets plus deferred outflows of resources exceeded liabilities and deferred inflows of resources by \$830,926 at the end of the current fiscal year.

By far the largest portion of the District's net position reflects its net investment in capital assets (e.g. land, buildings, machinery, and equipment), less any related debt and deferred outflows of resources used to acquire those assets that is still outstanding. The District uses capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although the District's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since capital assets themselves cannot be used to liquidate these liabilities.

MANAGEMENT'S DISCUSSION AND ANALYSIS
For the Fiscal Year Ended June 30, 2015
(Unaudited)

An additional portion of the District's net position represents resources that are subject to external restrictions on how they may be used. The District's net position decreased by \$110,604 from last year, due to current year operations and the implementation of a new accounting standard, GASB Statement No. 68. This standard requires the total pension liability, net of pension assets, or net pension liability to be recorded on the Statement of Net Position. The decrease attributed to current year operations was primarily due to salary increases and an increase in pension liability.

Governmental Activities

Governmental activities decreased the District's net position by \$110,604. Key elements of this decrease are as follows:

	Governmental Activities 2015	Governmental Activities 2014 Restated*

*Prior year amounts have been restated for the District's implementation of GASB Statement No. 68.

The increase in unrestricted grants and contributions revenue of \$41,258 is the result of an increase in Florida Education Finance Program (FEPP) funding and property taxes increased \$10,920 during the year as a result of an increase in assessed values.

THE SCHOOL DISTRICT OF HILLSBOROUGH COUNTY, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
For the Fiscal Year Ended June 30, 2015
(Unaudited)

The increase in expenses was primarily due to the increase in OPEB and increase in salaries due to the implementation of the empowering effective teacher's evaluation system and an increase in retirement costs.

Financial Analysis of the District's Funds

As noted earlier, the District uses fund accounting to ensure and demonstrate compliance with finance-related requirements.

Governmental Funds

The focus of the District's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the District's financing requirements. In particular, unassigned fund balance may serve as a useful measure of the District's net resources available for spending at the end of the fiscal year.

As of the end of the current fiscal year, the District's governmental funds reported combined ending fund balances of \$431,938, a decrease of \$110,915 as compared to the prior year.

The General Fund is the chief operating fund of the District. At the end of the current fiscal year, unassigned fund balance of the General Fund was \$98,041, while the total fund balance was \$146,023. The fund balance of the District's General Fund decreased by \$83,609 during the current fiscal year. As a measure of the General Fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total fund expenditures. Unassigned fund balance represents approximately six percent of total general fund expenditures, while total fund balance represents approximately nine percent of that same amount. The fund balance decrease of \$83,609 in the current year was due in part to:

Computers/technology and infrastructure for the upcoming State Accountability Standards along with escalating online testing requirements;

The Legislative mandate for the "Additional Hour of Intensive Reading" each instructional day for the One Hundred Lowest Performing Elementary Schools in the State (based on the State Reading Assessment). This mandate requires an additional hour of intensive reading instruction beyond the normal school day for all students in these schools. Our district had 23 schools included in this category;

Increased expenditures due to more than 1,400 aging school buses. As the capital dollars have diminished in the last eight years the general fund was responsible for paying these expenditures;

Additionally, services for our exceptional students have grown and the funding for these programs has not kept pace with the expenditure increases;

The state-wide proration (reduction of funds) as of April 17, 2015 FEPP 4th calculation was \$105,282,828; of that amount Hillsborough County Public Schools share was \$7,940,278.

Increased school security measures in response to the tragic events on school campuses across the country.

The Contracted Services Fund had an increase in revenue due to the increased revenue in local, state, and federal grants.

THE SCHOOL DISTRICT OF HILLSBOROUGH COUNTY, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
For the Fiscal Year Ended June 30, 2015
(Unaudited)

The Other Debt Service Fund shows nearly the same fund balance as the prior year because the debt service payments are approximately equal over the years.

The Local Capital Improvement Fund's ending fund balance of \$74,720 dropped \$28,930 from the prior year. Taxes for capital outlay were \$6,916 more this year and expenditures for various projects were \$2,690 higher than last year due to additional maintenance of schools and the building of an elementary school that opened this fiscal year.

Other Capital Projects Fund includes the Certificates of Participation funds. Overall there was a decrease of \$6,607 in fund balance from \$62,701 to \$56,094. The decrease was due to ongoing capital projects expenditures.

General Fund Budgetary Highlights

During the fiscal year, the District revised its budget and brought amendments to the Board on a monthly basis. These amendments were needed to adjust to actual revenues and direct resources where needed. The Board approves the final amendment to the budget after year-end.

Budgeted expenditures increased \$137,283 from the original budget to the final amended budget. The salary increases were due in part to the implementation and continuance of empowering effective teacher's evaluation system.

Actual expenditures were \$71,076 below the final amended expenditure budget. Unexpended appropriations of \$71,076 were composed of the following: (1) \$22,309 in restricted programs, (2) \$20,609 in other earmarked assigned funds and (3) \$28,158 in other unexpended budget items. The \$28,158 reflects less than 2.0% of the final budget. In the normal course of business, some of the budget is left unspent, primarily due to temporarily unfilled positions.

Subsequent Events

New legislation was signed into law on May 21, 2015, which became effective on July 21, 2015 that covered the final distribution of Fund B's remaining reserve (218,421(2)(e),F.S.,. This required Fund B to distribute residual balances to participants who had been entitled to, but had not received a November 2007 interest payment on invested funds that month. The amount was based on each participant's proportional share of the total November 2007 interest earned, which was not paid out, but transferred to the trust fund in order to maximize the payout of principal. The SBA distributed the District's proportional share in the amount of \$995 on July 13, 2015 for Fiscal Year 2016.

On July 17, 2015 the District issued Series 2015A Sales Tax Revenue Refunding Bonds in the amount of \$53,760 in order to refund a portion of the district's outstanding Sales Tax Revenue Refunding Bonds, Series 2005 and advance refund a portion of the district's outstanding Sales Tax Revenue

**RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES,
AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS TO THE
STATEMENT OF ACTIVITIES
FOR THE FISCAL YEAR ENDED JUNE 30, 2015
(amounts expressed in thousands)**

Net Change in Fund Balances - Total Governmental Funds	\$ (110,915)
Amounts reported for governmental activities in the statement of activities are different because:	
Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives as depreciation expense. This is the amount by which capital outlays (\$82,559) were less than depreciation expense (\$95,274) during the current period.	(12,715)
The statement of activities reflects only the gain/loss on the sale of assets, whereas the governmental funds include all proceeds from these sales. Thus, the change in net position differs by the cost of assets sold.	229
Revenues reported in the statement of activities that do not provide current financial resources are not reported as revenues in the funds.	106
Bond proceeds provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the statement of net position. Repayment of bond principal are expenditures in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position. 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Reporting Entity

The School District of Hillsborough County, Florida (District) has direct responsibility for the operation, control, and supervision of the District schools and is considered a primary government for financial reporting purposes. The District is a part of the Florida system of public education. The governing body of the school district is the Hillsborough County District School Board (Board) that is composed of seven (7) elected members. The appointed Superintendent of Schools is the executive officer of the Board. Geographic boundaries of the District correspond with those of Hillsborough County.

The accompanying financial statements present the activities of the Board and its component units. Criteria for determining if other entities are potential component units, which should be reported within the District's financial statements, are identified and described in Governmental Accounting Standards Board (GASB) Statement No. 14, The Financial Reporting Entity, as amended by GASB Statement No. 39, Determining Whether Certain Organizations Are Component Units and GASB Statement No. 61, The Financial Reporting Entity - Omnibus. The application of these criteria provide for identification of any entities for which the Board is financially accountable and other organizations for which the nature and significance of their relationship with the School Board are such that exclusion would cause the District's financial statements to be misleading or incomplete.

Based on the application of these criteria, the following component units are included within the District School Board's reporting entity:

Blended Component Unit

The Hillsborough School Board Leasing Corporation (Corporation) was formed to facilitate financing for the acquisition of facilities and equipment as further discussed in note 7. The governing board of the Leasing Corporation is the same as the District School Board. Financial records for the Leasing Corporation are maintained by the District and District staff is responsible for the day-to-day operation of the Leasing Corporation. Due to the substantive economic relationship between the Hillsborough County District School Board and the Corporation, the financial activities of the Corporation are included in the accompanying financial statements of the School Board in the Other Capital Projects Fund. Separate financial statements of the Corporation are not published.

Discretely Presented Component Units

The component unit's column in the government wide financial statements include the financial data of the District's other component units for the fiscal year ended June 30, 2015. These component units consist of the Hillsborough Education Foundation, Inc. (the Foundation) and the District's Charter Schools. Both the Foundation and the Charter Schools are reported in a separate column to emphasize that they are legally separate from the District School Board. While the District's officials are not financially accountable for the Foundation or the Charter Schools, it would be misleading to exclude them from the District's financial statements. None of the individual component units are considered to be major.

The Hillsborough Education Foundation, Inc., is a separate not-for-profit corporation organized and operated as a direct-support organization under Section 1001.453.

The Charter Schools are separate not for-profit corporations organized under Section 1002.33, Florida Statutes to operate as public (as opposed to private) schools and are held responsible for prudent use of the public funds they receive. Each Charter School is a separate component unit that operates under a charter approved by their sponsor, the School Board. There are forty (44) Charter Schools operating in the School District of Hillsborough County that meet the criteria for presentation as a discretely presented component unit.

B. Basis of Presentation

The basic financial statements include the government-wide financial statements and fund financial statements.

Government-wide Financial Statements – Government-wide financial statements include a Statement of Net Position and a Statement of Activities that display information about the primary government (District School Board) and its component units. These financial statements include the financial activities of the overall government, except for fiduciary activities. Eliminations have been made to minimize the double counting of internal service fund activities. The effect of interfund activities has not been eliminated in the Statement of Activities.

The Statement of Activities reports expenses and revenues in a format that focuses on the cost of each of the District School Board's functions. The expense of individual functions is compared to the revenues generated by the function (for instance, through user charges or intergovernmental grants). Direct expenses are those that are specifically associated with a program or function and, therefore, are clearly identifiable to a particular function.

Program revenues include (a) fees, fines, and charges paid by the recipients of goods or services offered by the programs and (b) grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Revenues that are not classified as program revenues, including all taxes, are presented as general revenues.

B. Basis of Presentation (continued)

Proprietary funds distinguish operating revenues and expenses from non operating items. Operating revenues and expenses generally result from providing services in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the District's internal service funds are charges to other funds and to employees for workers compensation and insurance. Operating expenses for the internal service funds include the cost of services and administrative costs. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

Fund Financial Statements – The fund financial statements provide information about the District School Board's funds, including its fiduciary funds and blended component unit. Separate statements for each fund category – governmental and fiduciary - are presented. The emphasis of fund financial statements is on major governmental funds, each displayed in a separate column. All remaining governmental funds are aggregated and reported as non-major funds. Because the focus of the governmental fund financial statements differs from the focus of the government-wide financial statements, a reconciliation is presented with each of the governmental fund financial statements.

Proprietary fund operating revenues, such as charges for services, result from exchange transactions associated with the principal activity of the fund. Exchange transactions are those in which each party receives and gives up essentially equal values. Non-operating revenues, such as investment earnings, result from non-exchange transactions or ancillary activities.

The District reports the following major governmental funds:

General Fund - to account for all financial resources not required to be accounted for in another fund and for certain revenues from the State that are legally restricted to be expended for specific current operating purposes.

Contracted Services - to account for funds from the State or Federal Government which are restricted for Federal programs.

Other Debt Service – Accounts for and reports on the payments of principal and interest for outstanding bonds and Certificates of Participation.

Local Capital Improvement – Accounts for and reports on the revenues generated from the local capital outlay property taxes.

Other Capital Projects Fund – Accounts for and reports on other miscellaneous funds from various sources including Certificates of Participation.

Additionally, the District reports the following fund types:

Internal Service Funds – to account for the District's workers' compensation, general and automobile liability self-insurance programs and the employee health insurance program.

Pension Trust Fund – to account for resources used to finance the early retirement program.

B. Basis of Presentation (continued)

Agency Funds – to account for resources held by the District as custodian for others primarily for the benefit of various schools and their activity funds.

C. Measurement Focus and Basis of Accounting

The accounting and financial reporting treatment is determined by the measurement focus and basis of accounting. Measurement focus indicates the type of resources being measured such as current financial resources (current assets less current liabilities) or economic resources (all assets and liabilities). The basis of accounting indicates the timing of transactions or events for recognition in the financial statements.

Government-Wide Statements – The government-wide statements are presented using the economic resources measurement focus. The government-wide financial statements are reported using the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of when the related cash flows have taken place. Non-exchange transactions, in which the District gives (or receives) value without directly receiving (or giving) equal value in exchange, include property taxes, grants, entitlements, and donations. On an accrual basis, revenue from property taxes is recognized in the fiscal year for which the taxes are levied. Revenue from grants, entitlements, and donations is recognized in the fiscal year in which all eligibility requirements have been satisfied.

Governmental Fund Financial Statements – Governmental funds are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues are recognized when measurable and available. The District considers all revenues, other than grant funds, reported in the governmental funds to be available if the revenues are collected within sixty days after year-end. Grant funds are considered available if collection is expected in the upcoming fiscal year. Property taxes, sales taxes, and interest are considered to be susceptible to accrual. Expenditures are recorded when the related fund liability is incurred, except for principal and interest on general long term debt, claims and judgments, and compensated absences, which are recognized as expenditures to the extent they have matured.

General capital asset acquisitions are reported as expenditures in governmental funds. Proceeds of general long-term debt and acquisitions under capital leases are reported as other financing sources.

Under the terms of grant agreements, the District funds certain programs by a combination of specific cost reimbursement grants, categorical block grants, and general revenues. Thus, when program expenses are incurred, there are both restricted and unrestricted assets available to finance the program. It is the District's policy to first apply cost reimbursement grant resources to such programs, followed by categorical block grants, and then by general revenues.

D. Cash

Cash consists of petty cash funds and deposits held by banks qualified as public depositories under Florida law. All deposits are fully insured by Federal depository insurance and a multiple financial institution collateral pool required by Chapter 280 Florida Statutes. The statement of cash flows for the Proprietary Funds considers cash as those accounts used as demand deposit accounts.

E. Investments

Investments of the general government consist of amounts placed with the State Board of Administration for participation in the State investment pool, those made by the State Board of Administration from the District's bond proceeds held and administered by the State Board of Education, and those made locally.

District monies placed with the State Board of Administration for participation in the State investment pool represent an interest in the pool rather than ownership of specific securities. Such investments are stated at fair value. Investments of the early retirement program are reported at fair value.

Types and amounts of investments held at year-end are further described in note 3 on investments.

F. Inventory

Inventories consist of expendable supplies and parts held for consumption in the course of District operations. Inventories at the central warehouse, maintenance, tech repair shops and the bus garage are stated at cost based on a moving average. Food service inventories are stated at cost based on the first-in, first-out basis, except that United States Department of Agriculture surplus commodities are stated at their fair value as determined at the time of donation to the District's food service program by the Florida Department of Health and Rehabilitative Services, Food Distribution Center. All other inventories are stated at cost on the last invoice price method, which approximates the first-in, first-out basis. The cost of inventories is recorded as expenditures when used rather than purchased.

G. Capital Assets

Expenditures for capital assets acquired or constructed for general District purposes are reported in the governmental fund that financed the acquisition or construction. The capital assets acquired are recorded at cost in the government-wide statement of net position but are not reported in the governmental fund financial statements. Capital assets purchased after July 1, 2004 are defined as those costing more than \$1,000 and having a useful life of more than one year; those purchased before July 1, 2004 are defined as those costing more than \$750 and having a useful life of more than one year. Donated assets are recorded at fair value at the date of donation. The cost of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized.

Interest costs incurred during construction are not capitalized as part of the cost of construction.

G. Capital Assets (continued)

Capital assets are depreciated using the straight-line method over the following estimated useful lives:

<u>Asset Class Description</u>	<u>Estimated Useful Lives</u>
Buildings	15-50 years
Improvements other than buildings	10-25 years
Building improvements	10-25 years
Furniture, Fixtures and Equipment	5-20 years
Motor Vehicles	4-10 years
Audio Visual Materials and Computer Software	3-5 years

H. Long-Term Liabilities

Long-term obligations that will be financed from resources to be received in the future by governmental funds are reported in the government-wide statement of net position. Bond premiums, discounts and losses on refunding issuances, are deferred and amortized over the life of the bonds using the straight line method which approximates the effective interest method. Bonds payable are reported net of the applicable bond premium or discount. Losses on refunding issuances are reported as deferred outflows.

In governmental fund financial statements, bonds and other long-term obligations are not recognized as liabilities until due. Governmental fund types recognize bond premiums, discounts and losses on refunding issuances during the current period. The face amount of debt issued, as well as any related premium is reported as an other financing source while discounts on debt issuances and losses on refunding issuances are reported as an other financing use.

The liability for compensated absences reported in the government-wide financial statements consists of unpaid, accumulated annual vacation and sick leave balances. The liability has been calculated using the vesting method, in which leave amounts for both employees who currently are eligible to receive termination payments and other employees who are expected to become eligible in the future to receive such payments upon termination are included.

Changes in long-term debt for the current year are reported in note 11.

I. State Revenue Sources

Revenues from State sources for current operations are primarily from the Florida Education Finance Program (FEFP) administered by the Florida Department of Education (Department) under the provisions of Section 1011.62, Florida Statutes. In accordance with this law, the Board determines and reports the number of full-time equivalent (FTE) students and related data to the Department. The Department performs certain edit checks on the reported number of FTE and related data and calculates the allocation of funds to the District. The District is permitted to amend its original reporting for a period of nine (9) months following the

I. State Revenue Sources (continued)

date of original reporting. Such amendments may impact funding allocations for subsequent years. The Department may also adjust subsequent fiscal period allocations based upon an audit of the District's compliance in determining and reporting FTE and related data. Normally, such adjustments are treated as reductions of or additions to revenues in the year when the adjustments are made.

The District receives revenue from the State to administer certain categorical educational programs. State Board of Education rules require that revenue earmarked for these programs be expended only for the program for which the money is provided. The money not expended or encumbered as of the close of the fiscal year is usually carried forward into the following year to be expended for the same programs. The Department requires that categorical educational program revenues be accounted for in the General Fund. A portion of the fund balance of the General Fund is restricted for the balance of categorical educational program resources.

J. Property Taxes

The Board is authorized by State law to levy property taxes for district school operations, capital improvements, and debt service.

Property taxes consist of ad valorem taxes on real and personal property within the District. Property taxes are assessed by the Hillsborough County Property Appraiser and are collected by the Hillsborough County Tax Collector.

The School Board adopted the 2014 tax levy for the 2015 fiscal year on September 9, 2014. Tax bills are mailed in October; and taxes are payable between November 1 of the year assessed and March 31 of the following year with discounts of up to four percent for early payment.

Taxes become delinquent on April 1 of the year following the assessment. State law provides for enforcement of collection of personal property taxes by seizure of the property to satisfy unpaid taxes and for enforcement of collection of real property taxes by the sale of interest-bearing tax certificates to satisfy unpaid taxes. These procedures result in the collection of essentially all taxes prior to June 30 of the year following the assessment.

Property tax revenues are recognized in the government-wide financial statements in the fiscal year for which the Board adopts the tax levy. Property tax revenues are recognized in the governmental fund financial statements when the taxes are received by the District, except that revenue is accrued for taxes collected by the Hillsborough County Tax Collector at fiscal year end which have not yet been remitted to the District. Because any delinquent taxes collected after June 30 would not be material, delinquent taxes receivable are not accrued.

Millages and taxes levied for the current year are presented in note 16.

K. Federal Revenue Sources

The District receives Federal financial assistance for the enhancement of various educational programs. This assistance is generally received based on applications submitted to and approved by various granting agencies. For Federal financial assistance in which a claim to these grant proceeds is based on incurring eligible expenditures, revenue is recognized to the extent that eligible expenditures have been incurred.

B-35

L. Deferred Outflows of Resources and Deferred Inflows of Resources

In the government-wide financial statements the District records deferred outflows of resources which represent the consumption of net position by the District that is applicable to a future reporting period. At June 30, 2015 deferred outflows of resources represent activity associated with a swap agreement as discussed in note 8, the deferred charge on refunding as discussed in note 10, and pension related items as discussed in note 17.

In addition to liabilities on the government-wide financial statements, the District records deferred inflows of resources which represent an acquisition of net position that applies to future periods. At June 30, 2015 deferred inflows of resources represent activity associated with pension related items as discussed in note 17.

M. Use of Estimates

The preparation of the financial statements requires management of the District to make a number of assumptions relating to the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Actual results could differ from those estimates.

N. Accounting Standards

The District implemented GASB Statement Number 68, Accounting and Reporting for Pensions (GASB 68) for fiscal year ended June 30, 2015. This resulted in a \$645,393 reduction of beginning net position from \$1,634,903 to \$941,530 due to the addition of a liability from the District's pension trust, FRS defined benefit pension plan, and HIS defined benefit plan.

2. BUDGET COMPLIANCE AND ACCOUNTABILITY

A. Budgetary Information

The School Board follows the procedures established by State statutes and State Board of Education rules in establishing final budget balances reported in the financial statements:

1. Budgets are prepared, public hearings are held, and original budgets are adopted annually for all governmental fund types in accordance with procedures and time intervals prescribed by law and State Board of Education rules. Original budgets are submitted to the State Commissioner of Education for approval.
2. The budget is prepared by fund, function, object and department. Management may make transfers of appropriations between departments and object. The functional level is the legal level of budgetary control and may only be amended by resolution of the Board at any Board meeting prior to the due date for the Superintendent's Annual Financial Report (State Report). Budgetary disclosure in the accompanying financial statements reflects the original and final budget including all amendments approved for the fiscal year through September 8, 2015.
3. Budgets are prepared using the modified accrual basis as is used to account for actual transactions in the governmental funds.

2. BUDGET COMPLIANCE AND ACCOUNTABILITY (continued)

4. Budgetary information is integrated into the accounting system and, to facilitate budget control, budget balances are encumbered when purchase orders are issued. Appropriations lapse at year-end and encumbrances outstanding are honored from the subsequent year's appropriations.

All budget amounts presented in the basic statements and the accompanying supplementary information reflect the original budget and the final amended budget (which has been adjusted for legally authorized revisions of the annual budget during the year).

At the governmental fund level, outstanding encumbrances are re-appropriated in the subsequent year. Encumbrances outstanding at year-end do not represent GAAP expenditures or liabilities but represent budgetary accounting controls.

3. CASH AND INVESTMENTS

At June 30, 2015, the District's deposits were entirely covered by federal depository insurance or by collateral pledged with the State Treasurer pursuant to Chapter 280, Florida Statutes. Under this Chapter, in the event of default by a participating financial institution (a qualified public depository), all participating institutions are obligated to reimburse the governmental entity for the loss.

As of June 30, 2015, the District had the following investments and maturities (amounts in thousands):

<u>Investment</u>	<u>Maturities</u>	<u>Fair Value</u>

3. CASH AND INVESTMENTS (continued)

Interest Rate Risk

The District has a formal investment policy that the investment objectives are safety of capital, liquidity of funds, and investment income, in that order. The performance measurement objective shall be to exceed the State Board of Administration's Florida PRIME yield. The policy limits the type of investments and the length of investments of idle funds. The weighted average duration of the investment portfolio shall not exceed five years.

Credit Risk

Section 218.415(17) Florida Statutes, limits the types of investments that the District can use. The District policy authorizes the following investments:

- (a) The State Board of Administration (SBA) Investment Pool, or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperation Act as provided by F. S. 163.01.
- (b) Securities and Exchange Commission registered money market funds with the highest credit quality rating from a nationally recognized rating agency.
- (c) Interest-bearing time deposits or savings accounts in qualified public depositories, as defined in Section 280.02(26), Florida Statutes.
- (d) Direct obligations of the U.S. Treasury.
- (e). Obligations of Federal agencies, government sponsored enterprises, and instrumentalities.
- (f) Securities of, or other interest in, any open-end or closed-end management type investment company or trust registered under the Investment Company Act of 1940, 15 U.S.C. 80a-1.
- (g) Short-term obligations commonly referred to as "money market instruments" including but not limited to commercial paper, provided such obligations carry the highest credit rating from a nationally recognized rating agency.
- (h) Asset-backed securities when either a) the underlying asset is guaranteed by the issuer or b) the security carries the highest quality rating by a nationally recognized rating agency.

The District's investments in the SBA consist of Florida PRIME and Fund B Surplus Funds Trust Funds (Fund B).

Florida PRIME is an external investment pool that is not registered with the Securities Exchange Commission (SEC), but does operate in a manner consistent with the SEC's Rule 2a7 of the Investment Company Act of 1940. Rule 2a7 allows funds to use amortized cost to maintain a constant net asset value (NAV) of \$1.00 per share. Accordingly, the District's investment in the Florida PRIME is reported at the account balance which is considered fair value. Florida PRIME is rated AAAM by Standard & Poors.

3. CASH AND INVESTMENTS (continued)

The Fund B was accounted for as a fluctuating NAV pool. With a fluctuating NAV pool the fair value approximates market value. The SBA provided a fair value factor to use on the Fund B account balances to determine market value or fair value. As cash became available in Fund B from interest receipts, maturities, or sales, it was distributed to participant accounts in the Florida PRIME according to each participant's pro rata share of Fund B. As of September 2014, 100 percent of original participants' principal was returned to Florida Prime.

The District's investments in United States Agencies or Treasuries for the Pension Trust Fund were rated either AA+ by Standard and Poors or AAA by Moody's Investors Services. The remaining government securities were rated either AA+/A-1 by Standard and Poors or Aaa by Moody's Investors Services.

The District's investments in Certificates of Deposits were in qualified public depositories.

Investments in the State Board of Administration Debt Service Account totaling \$730,393 are to provide for debt service payments on bonded debt issued by the State Board of Administration for the benefit of the District. These investments consist of United States Treasury securities, with maturity dates of six months or less and are reported at fair value. The District has no formal policy for managing interest rate risk or credit risk for this account, but relies on policies developed by the State Board of Administration.

Custodial Credit Risk

The District's investment policy requires that securities purchased or otherwise acquired by the District shall be properly designated as an asset of the District. Also, Florida Statute, Section 218.415(18) requires every security purchased under this section on behalf of the District to be properly earmarked and:

1. If registered with the issuer or its agents, must be immediately placed for safekeeping in a location that protects the District's interest in the security;
2. If in book entry form, must be held for the credit of the District by a depository chartered by the Federal Government, the state, or any other state or territory of the United States which has a branch or principal place of business in Florida as defined in Section 658.12, or by a national association organized and existing under the laws of the United States which is authorized to accept and execute trusts and which is doing business in Florida, and must be kept by the depository in an account separate and apart from the assets of the financial institution; or
3. If physically issued to the holder but not registered with the issuer or its agents, must be immediately placed for safekeeping in a secured vault.

Of the District's investments, \$5,657 of U. S. Treasuries and \$12,168 of U.S. Agencies are not registered in the name of the District, but are held by the counterparty's trust department or agent and are not insured.

Foreign Currency Risk

The District has no investments which are exposed to foreign currency risk at June 30, 2015. The District does not have a formal investment policy that limits its investment in foreign currency.

Pursuant to the provisions of Section 1011.13, Florida Statutes, on April 29, 2014 the Board authorized the Superintendent to establish a Line of Credit Tax Anticipation Note for fiscal year 2015, in the amount of \$80,000,000 with Wells Fargo Bank of Florida. The outstanding principal amount of the Note shall bear interest at one month London Interbank Offered Rate (LIBOR) plus 80 basis points adjusted monthly. This line-of-credit allows the Board to borrow funds if established revenues (cash) are lagging behind expenditures such as weekly payrolls and weekly vendor payments. The Note is secured by a pledge of anticipated ad valorem tax proceeds. This Note would be repaid in full in ninety days from the first draw. The Note shall not exceed \$80,000,000 at any time. For the year ended June 30, 2015, no funds had been borrowed or utilized under this line-of-credit, and therefore no amounts are outstanding at June 30, 2015.

On April 21, 2015 the Board authorized the Superintendent to establish a Line of Credit Tax Anticipation Note for fiscal year 2016, with the same terms as described above.

7. OBLIGATIONS UNDER LEASE PURCHASE AGREEMENT – CERTIFICATES OF PARTICIPATION

The District entered into various financing arrangements each of which was characterized as a lease-purchase agreement, with the Hillsborough School Board Leasing Corporation (Corporation), whereby the District secured financing of various education facilities through the issuance of Certificates of Participation to be repaid from the proceeds of rents paid by the District.

As a condition of the financing arrangement, the District has given ground leases on District property to the Hillsborough School Board Leasing Corporation, with a rental fee of \$10 per year. The properties covered by the ground leases are, together with the improvements constructed thereon from the financing proceeds, leased back to the District. If the District fails to renew the leases and to provide for the rent payments through to term, the District may be required to surrender the sites included under the Ground Lease Agreements to the Trustee for the benefit of the securers of the Certificates to the end of the ground lease term.

7. OBLIGATIONS UNDER LEASE PURCHASE AGREEMENT – CERTIFICATES OF PARTICIPATION

proceeds of the Series 2001A Certificates of Participation. The Series 2012A Certificates of Participation were issued in order to provide funds necessary to partially advance refund the Series 2002 Certificates of Participation and fully refund the Series 2003B Certificates of Participation and refinance the educational facilities that the School Board acquired, constructed and installed from the proceeds of the Series 2002 and Series 2003B Certificates of Participation. The Series 2014A Certificates of Participation were issued in order to provide funds necessary to fully advance refund the Series 2002 Certificates of Participation and partially advance refund the Series 2004B Certificates of Participation and refinance the educational facilities that the School Board acquired, constructed and installed from the proceeds of the Series 2002 and Series 2004B Certificates of Participation. See Note 10.

Due to the economic substance of the issuances of the Certificates of Participation as a financing arrangement on behalf of the Board, the financial activities of the Corporation have been blended in with the financial statements of the District. For accounting purposes, due to the blending of the Corporation within the District's financial statements, basic lease payments are reflected as debt service expenditures when payable to Certificate holders.

The lease payments for the Series 1998, Series 2004A, Series 2005A, Series 2006A, Series 2006B, Series 2007, Series 2010A, Series 2012A and Series 2014A Certificates are payable by the District, semi-annually, on July 1 and January 1 at interest rates of 3.60 to 5.50 percent, 5.25 percent, 2.00 percent to 5.09 percent, 2.37 to 5.00 percent, 3.50 to 5.00 percent, 3.50 to 5.00 percent, 3.75 to 5.00 percent, 3.00 to 5.00 percent, 4.00 to 5.00 and 2.56 percent, respectively. The lease payments for the Series 2004C and the Series 2008A Certificates are payable by the District semi-annually on July 1 and January 1. The interest is paid monthly based on a daily rate set by the remarketing agent that is expected to approximate the Securities Industry and Financial Markets Association's (SIFMA) Municipal Swap index over the life of the Bonds. The lease payments for the Series 2001-QZAB, 2004-QZAB, 2005-QZAB and 2010-QSCB Certificates are due November 6, 2015, June 30, 2020, December 20, 2020 and December 1, 2028, respectively. There is no interest to be paid on the QZABs or QSCB, as the certificate holders receive Federal Tax Credits in lieu of interest payments. The District is required to reserve a portion of the lease payments each year. The following is a schedule by years of future minimum lease payments under the lease agreements as of June 30 (amounts in thousands):

	Total	Principal	Interest
2016	73,799	41,020	32,779
2017	64,276	32,990	31,286
2018	64,624	34,855	29,769
2019	64,659	36,525	28,134
2020	70,325	44,356	25,969
2021 – 2025	323,650	221,622	102,028

8. INTEREST RATE SWAPS

Item	Type	Objective	Notional Amount	Effective Date	Maturity Date	Fair Value	Cash Flow
A.	Pay fixed interest rate swap	Hedge in changes in cash flows on Series 2008A COPS	\$109,830,000	7/1/08	7/1/23	\$(25,562,426)	\$(5,402,799)

The District entered into a swaption contract on February 19, 2003 that provided the District an up-front payment of \$5,006,500. This payment was reduced by \$1,800,000 at which time the swaption was amended on April 19, 2005 to reduce the original notional amount from \$177,195,000 to \$109,830,000. The swaption was exercised on July 1, 2008 commencing a pay-fixed interest rate swap that provided for payment of a fixed rate of 4.97% and receiving a variable rate of municipal swap index (defined as the bond market association municipal swap index). Prior to the exercise date, the swaption was considered an investment derivative instrument. Accordingly, the negative fair value at the exercise date in the amount of \$13,102,591 is being amortized as an increase to the deferred outflow balance and a decrease to interest expense over the remaining life of the swap agreement. Such amortization amounted to \$873,506 for the year ended June 30, 2015.

The fair value of the interest rate swap is estimated using the zero coupon method. This method calculates the future net settlement payments required by the swap, assuming the current forward rates implied by the yield curve correctly anticipate future spot interest rates. These payments are then discounted using the spot rates implied by the current yield curve for hypothetical zero coupon bonds due on the date of each future net settlement on the swaps. The fair value of the derivative instrument was recorded as derivative instrument – liability in the Statement of Net Position at June 30, 2015.

During the year ended June 30, 2015 the change in the fair value of the derivative instrument, which was recorded as decreases to deferred outflows of resources in the Statement of Net Position, was \$969,124.

On December 7, 2014, the fixed interest rate swap, considered to be a hedging derivative, associated with the Series 2004C COPS matured. Upon maturity the deferred inflows of resources in the Statement of Net Position was decreased by \$486,447. The cash flow associated with this derivative instrument was \$404,009.

Risks

Credit risk – The credit rating for the counterparty of the derivative is AA- by Standard and Poors.

Interest rate risk – The District is exposed to interest rate risk on its pay fixed, receive variable interest rate swaps. As the municipal swap index decreases, the District's net payment on the swap increases.

Termination risk – The District or the counterparty may terminate the derivative instrument if the other party fails to perform under the terms of the contract.

10. DEFEASED DEBT

On March 23, 2015 the District issued \$6,000,000 Capital Improvement Refunding Bonds, Series 2015 with an interest rate of 2.00 to 4.00 percent. The proceeds were used to fully refund \$1,125,553 principal amount of the District's Series 1998 Capital Improvement Revenue Bonds. Of the net proceeds, \$2,788,979 (after payment of \$119,852 bond issuance cost) was placed in an irrevocable trust to provide for future debt service payment of the refunded amount of the Series 1998 Capital Improvement Revenue Bonds.

As a result \$1,125,554 of the Series 1998 Capital Improvement Revenue bonds are considered defeased and the liability for these bonds have been removed from long term debt. Accordingly the trust account assets and liability for that portion of the Series 1998 are not included in the District's financial statements.

As a result of the refunding, the District reduced its total debt service requirements by \$434,714 which resulted in an economic gain (difference between the present value of debt service payment on the old and new debt) of \$436,797.

On December 2, 2014 the State Board of Education issued Series 2014B SBE Refunding Bonds in the amount of \$12,583,000 at a premium, with an interest rate of 2.0 to 5.0 percent, on behalf of the District. The proceeds were used to fully refund \$13,565,000 of the Series 2005B SBE bonds. Of the net proceeds, \$14,769,359 (after payment of \$21,593 in bond issuance costs) was placed in an irrevocable trust account to refund the 2005B bonds that mature on or after January 1, 2016 and are scheduled to be called on January 1, 2016.

For the governmental activities, compensated absences, net pension liability, and other postemployment benefits are generally liquidated with resources of the General and Special Revenue Funds. The estimated liability for long term claims are generally liquidated with resources of the Worker's Compensation and the General and Automobile liability programs Internal Service Funds.

12. FUND BALANCE REPORTING

The Governmental Accounting Standards Board (GASB) issued Statement No. 54, Fund Balance Reporting and Government Fund Type Definitions (GASB 54). The intention of GASB 54 is to provide more structured classification of fund balance reporting. The reporting standards established a hierarchy for fund balance classifications and the constraints imposed on the uses of those resources.

GASB 54 provides for two major types of fund balances, which are nonspendable and spendable. Nonspendable fund balances are balances that cannot be spent because they are not expected to be converted to cash or are legally or contractually required to remain intact. Examples of this classification are prepaid item, inventories, and principal of an endowment fund. The District has inventories that are considered nonspendable. The District does not have any other nonspendable fund balances.

12. FUND BALANCE REPORTING (continued)

GASB 54 provides a hierarchy of spendable fund balances, based on spending constraints:
Restricted – fund balances that are constrained by external parties, constitutional provisions, or enabling legislation.
Committed – fund balance that contain self-imposed constraints by the Board, (the district's highest level of decision-making authority). The Board has not established a policy to commit fund balance, therefore no such balance is reported.
Assigned – fund balances that contain self imposed constraints of the government to be used for a particular purpose. The District has a policy No. 6100 approved by the Board that designates administrative staff (the Superintendent and Chief Business Officer) to determine the assignments.
Unassigned – fund balance of the general fund that is not constrained for a particular purpose.

The District has classified its fund balances based on the GASB 54 hierarchy as follows (amounts in thousands):

Nonspendable – The Districts has inventories totaling \$6,089 that are classified as nonspendable.

Spendable – The District has classified the spendable fund balances as restricted, assigned and unassigned. The District currently has no funds classified as committed.

Restricted for Federal, State and Local Programs, Debt Service and Capital Projects:

Federal Laws, Florida Statutes and local constraints require that certain revenues be specifically used for certain expenditures. These funds have been included in the restricted category of fund balances. The restricted fund balances total is \$307,199 and represent \$29,760 for Federal programs, \$14,789 for State programs, \$7,433 for Local programs, \$116,871 for Debt Service and \$138,346 for Capital Projects.

Assigned:

The District has set aside certain spendable fund balances in the amount of \$20,609 for local instructional programs (district operations) which include:

Staff development (no longer state funded)	\$ 1,128
Technology (no longer state funded)	\$ 2,470
Teacher educational recognition supplement	\$ 5,243
Contractual provision for employee life insurance	\$ 93
Legislative property (fees, taxes, and utilities)	\$ 106
Property insurance	\$11,569

Unassigned:

The District has a policy that requires it to maintain a contingency fund balance in its operating fund of no less than 5 percent of the annual revenues. The district has \$98,041 in unassigned fund balance. At the end of the fiscal year the unassigned fund balance in the general fund is 6.34 percent of total general fund revenues.

The District applies resources for expenditures to restricted, then assigned and then unassigned, when expenditures are incurred which could use any of the fund balance classifications.

13. INTERFUND RECEIVABLES AND PAYABLES

The following is a summary of interfund receivables and payables reported in the fund financial statements (amounts in thousands):

<u>Funds</u>	<u>Interfund</u>	
	<u>Receivables</u>	<u>Payables</u>

Other Capital Projects	18	39
Non-major Governmental Funds	<u>223</u>	<u>294</u>
Total	<u>\$17,535</u>	<u>\$17,535</u>

The majority of interfund receivables and payables are established during the closing period. The receivable in the general fund is for payback of direct/indirect charges for June and temporary loans to contracted services for cost reimbursement grants. The amounts in local capital improvement, other capital projects fund and non-major funds are mostly due to the movement of expenditures between capital project funds. The amounts payable are expected to be paid within a reasonable period of time.

14. INTERFUND TRANSFERS

The following is a summary of interfund transfers reported in the fund financial statements (amounts in thousands):

<u>Funds</u>	<u>Interfund</u>

17. STATE RETIREMENT PROGRAMS

a. Summary of Significant Accounting Policies

Pensions. For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Florida Retirement System (FRS) and the Health Insurance Subsidy (HIS) and additions to/deductions from FRS and HIS's fiduciary net position have been determined on the same basis as they are reported by FRS and HIS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

17. STATE RETIREMENT PROGRAMS (continued)

b. General Information about the Pension Plan

Plan description. All regular employees of the District are covered by the Florida Retirement System (FRS). The FRS is a single retirement system administered by the Florida Department of Management Services, Division of Retirement, and consists of two cost-sharing, multiple-employer retirement plans and other nonintegrated programs. These include a defined benefit pension plan (Plan), a Deferred Retirement Option Program (DROP), and a defined contribution plan, referred to as the FRS Investment Plan.

Essentially all regular employees of participating employers are eligible and must enroll as members of the Plan. Employees in the Pension Plan vest at six years of service if enrolled in the plan prior to July 1, 2011. Enrollment after July 1, 2011 requires eight years of service to vest. All vested members are eligible for normal retirement benefits at age 62 or at any age after 30 years of service. For enrollees prior to July 1, 2011, pension plan benefit payments are based on the member's highest 5-year average annual salary (average final compensation) times the number of years of service. Enrollees after July 1, 2011 have benefit payments based on the member's highest 8 year average annual salary. The annual final compensation (regardless of whether it is the highest five or highest eight) is multiplied by a percentage ranging from 1.60 percent at either 62 or with 30 years of service to 1.68 percent at age 65 or with 33 years of service. Members are eligible for early retirement after 6 years of service, however, normal benefits are reduced by 5 percent for each year a member retires before age 62. As described in note 18, the District administers a single-employer retirement program that under certain conditions covers the difference in benefits between normal and early retirement.

The Plan provides retirement, disability, and death benefits and annual cost-of-living-adjustments, as well as supplements for certain employees to cover social security benefits lost by virtue of retirement system membership.

A Deferred Retirement Option Program (DROP) was established effective July 1, 1998. It permits employees eligible for normal retirement under the Plan to defer receipt of monthly benefit payments while continuing employment with a Florida Retirement System employer. An employee may participate in the DROP for a period not to exceed 60 months after electing to participate. During the period of DROP participation, deferred monthly benefits are held in the Florida Retirement System Trust Fund and accrue interest.

Eligible FRS members may elect to participate in FRS Investment Plan in lieu of the Defined Benefit Plan. District employees participating in DROP are not eligible to participate in the Investment Plan. This plan is funded by employer contributions that are based on salary and membership class (Regular, Elected County Officers, etc.) Contributions are directed to individual member accounts, and the ultimate benefit depends in part on the performance of investment funds chosen. Employees in the FRS Investment Plan vest after one year of service.

The benefit provisions and all other requirements of the Plan are established by Florida Statutes.

The District's contributions to the Plan, net of employee contributions, for the fiscal year ending June 30, 2015, totaled \$87,373,478. This represented a percentage of covered payroll of 7.70 percent, and is equal to the required contributions for the fiscal year. Effective July 1, 2011, all members of FRS, except for DROP participants and reemployed retirees who are not eligible for renewed membership, are required to contribute 3 percent of their compensation to FRS. Amounts collected by District, and remitted to the Plan, for employee contributions are not considered employer contributions by the Plan.

c. Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At June 30, 2014, the District reported a liability of \$163,259,770 for its proportionate share of the FRS Pension Plan net pension liability. The net pension liability was measured as of June 30, 2014, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2014. The District's proportionate share of the net pension liability was based on a projection of the District's long term share of contributions to the pension plan relative to the projected contributions during the fiscal year ended June 30, 2014. At June 30, 2014, the District's proportionate share was 2.68 percent, which was an increase of 0.05 percent from its proportionate share of 2.63 percent measured as of June 30, 2013.

For the year ended June 30, 2015, the District recognized pension expense of \$16,709,554 for the FRS Pension Plan. At June 30, 2015, the District reported deferred outflows of resources and deferred inflows of resources related to pensions for the FRS Pension Plan from the following sources:

Other amounts reported for the FRS Pension plan as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Actuarial assumptions. The total pension liability for the FRS Pension Plan was determined by an actuarial valuation as of the valuation date calculated on the assumptions listed below:

Valuation date	July 1, 2014
Measurement date	June 30, 2014
Discount rate	7.65%
Long-term expected rate of return, Net of investment expense	7.65%
Inflation	2.60%
Salary increase, including inflation	3.25%
Mortality	Generational RP-2000 with Projection Scale BB
Actuarial cost method	Entry Age

The actuarial assumptions that determined the total pension liability of the FRS Pension Plan as of June 30, 2014, were based on the results of an actuarial experience study for the period July 1, 2008 through June 30, 2013.

The changes in actuarial assumptions for demographic and economic assumptions (all of the above assumptions except actuarial cost method) correspond to changes in the same assumptions in the FRS actuarial study for funding purposes. These changes were approved by the 2014 FRS Actuarial Assumptions Conference. The changes are explained below:

- The discount rate and long-term expected rate of return, net of investment expense were both reduced since the prior actuarial valuation by 0.10 percent from 7.75 percent to 7.65 percent to increase the likelihood that FRS will meet or exceed its assumed investment return in future years.
- The assumed inflation rate was decreased from 3.00 percent in the July 1, 2013 valuation to 2.60 percent in the July 1, 2014 valuation in order to bring the rate in line with the combined Social Security intermediate long-term and lower near-term assumptions.
- The salary increase assumption, including inflation was decreased by 0.75 percent from 4.00 percent to 3.25 percent. The decrease was due to two factors, a decrease in inflation as previously explained and a decrease in real wage growth. The decrease in real wage growth was made to better align with the trailing 10-year growth in payroll as well as to be in a reasonable range based on observed national data and the Social Security Administration's forward-looking assumption sets.

17. STATE RETIREMENT PROGRAMS (continued)

- The mortality assumption was changed to incorporate Projection Scale BB in the July 1, 2014 actuarial valuation, in place of the Projection Scale AA previously used. The use of Scale BB allowed FRS to use a standard Society of Actuaries mortality table for each membership class/gender group without additional adjustment.

Long-term expected rate of return. To develop an analytical basis for the selection of the long-term expected rate of return assumption for the FRS Pension Plan, the 2014 FRS Actuarial Assumptions conference reviews long-term assumptions developed by multiple contracted capital market assumptions teams. The table below shows resulting assumptions for each of the asset classes in which the plan was invested based on the long-term target asset allocation. The allocation policy's description of each asset class was used to map the target allocation to the asset classes shown below. Each asset class assumption is based on a consistent set of underlying assumptions, and includes an adjustment for the inflation assumption. These assumptions are not based on historical returns, but instead are based on a forward-looking capital market economic model. The expected real rate of return is presented in arithmetic means.

Asset Class	Target Allocation	Long-Term Arithmetic Expected Real Rate of Return
Cash	1.00%	3.11%
Intermediate-Term Bonds	18.00%	4.18%
High Yield Bonds	3.00%	6.79%
Broad US Equities	26.50%	8.51%
Developed Foreign Equities	21.20%	8.66%
Emerging Market Equities	5.30%	11.58%
Private Equity	6.00%	11.80%
Hedge Funds/Absolute Return	7.00%	5.81%
Real Estate (Property)	12.00%	7.11%
Total	100%	

Discount rate. The discount rate used to measure the total pension liability for the FRS Pension Plan was 7.65 percent and is based on a projection of cash flows that assumed that employee contributions will be made at the current contribution rate and that contributions from participating members will be made at statutorily required rates, actuarially determined. Based on those assumptions, the FRS Pension Plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the District's proportionate share of the net position liability to changes in the discount rate. The following presents the District's proportionate share of the net pension liability of the FRS Pension Plan calculated using the discount rate of 7.65 percent. Also presented is what the District's proportionate share of the FRS Pension Plan net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower (6.65 percent) or 1-percentage-point higher (8.65 percent) than the current rate:

	1% Decrease (6.65%)	Current Discount Rate (7.65%)	1% Increase (8.65%)

d. General Information about the Health Insurance Subsidy (HIS)

HIS plan description. The HIS Pension Plan is a cost-sharing multiple-employer defined benefit pension plan established to provide a monthly subsidy payment to retired members of any state-administered retirement system, or beneficiary entitled to receive benefits.

HIS benefits provided. The benefit of the HIS Pension Plan is a monthly payment to assist retirees in paying their health insurance costs. This plan is administered by the Department of Management Services within the Florida Retirement System. HIS benefits are not guaranteed and are subject to annual legislative appropriation.

For fiscal year ended June 30, 2015, eligible retirees and beneficiaries received a monthly HIS payment equal to the number of years of creditable service completed at the time of retirement multiplied by \$5. The payments are at a minimum of \$30 but not more than \$150 monthly per Florida Statutes 112.363.

HIS contributions. The HIS Pension Plan is funded by required contributions from FRS participating employers. The funds are deposited in a separate trust fund and consequently paid from that trust fund. Employer contributions are a percentage of gross compensation for all FRS members. For the fiscal year ended June 30, 2015, the contribution rate was 1.26 percent of payroll per Florida Statutes 112.363. Employees do not contribute to this plan.

17. STATE RETIREMENT PROGRAMS (continued)

The District's contributions to the HIS Pension Plan totaled \$14,293,769 for the fiscal year ended June 30, 2015.

e. Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to HIS Pensions

At June 30, 2015, the District reported a liability of \$334,898,541 for its proportional share of the HIS Pension Plan net pension liability. The net pension liability was measured as of June 30, 2014, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2014. The District's proportionate share of the net pension liability was based on a projection of the District's long term share of contributions to the pension plan relative to the projected contributions during the fiscal year ended June 30, 2014. At June 30, 2014, the District's proportionate share was 3.58 percent, which was an increase of 0.14 percent from its proportionate share of 3.44 percent measured as of June 30, 2013.

For the year ended June 30, 2015, the District recognized pension expense of \$25,003,205 for the FRS Pension Plan. At June 30, 2015, the District reported deferred outflows of resources and deferred inflows of resources related to pensions for the FRS Pension Plan from the following sources:

	Deferred Outflows of <u>Resources</u>	Deferred Inflows of <u>Resources</u>
Differences between expected and actual experience	\$ -	\$ -
Changes in Assumptions	11,917,019	-
Net difference between projected and actual earnings on pension plan investments	160,760	-
Changes in proportion and differences between District contributions and proportionate share of contributions	10,835,013	-
District contributions subsequent to the measurement date	<u>14,293,769</u>	<u>-</u>
Total	<u>\$ 37,206,561</u>	<u>\$ -</u>

17. STATE RETIREMENT PROGRAMS (continued)

The deferred outflows of resources related to pensions totaling \$14,293,769 resulting from District contributions subsequent to the measurement date, will be recognized as a reduction of the net pension liability in the year ended June 30, 2016. Other amounts reported for the HIS Pension plan as deferred outflows of resources related to pensions will be recognized in pension expense as follows:

Fiscal Year Ending June 30	Amount Recognized
2016	\$ 3,709,873
2017	3,709,873
2018	3,709,873
2019	3,709,873
2020	3,669,683
Thereafter	4,403,617
Total	\$ 22,912,792

Actuarial assumptions. The total pension liability for the HIS Pension Plan was determined by an actuarial valuation as of the valuation date calculated on the assumptions listed below:

Valuation date	July 1, 2014
Measurement date	June 30, 2014
Discount rate	4.29%
Long-term expected rate of return, Net of investment expense	4.29%
Inflation	2.60%
Salary increase, including inflation	3.25%
Mortality	Generational RP-2000 with Projection Scale BB
Actuarial cost method	Entry Age

The actuarial assumptions that determined the total pension liability of the HIS Pension Plan as of June 30, 2014, were based on the results of an actuarial experience study for the period July 1, 2008 through June 30, 2013.

Long-term expected rate of return. Because the HIS pension Plan is funded on a pay-as-you-go basis funding structure, a municipal bond rate of 4.29 percent was used to determine the total pension liability for the program.

Discount rate. Because the HIS Pension Plan uses a pay-as-you-go funding structure, a municipal bond rate of 4.29 percent was used to determine the total pension liability for the program.

The following presents the District's proportionate share of the net pension liability of the HIS Pension Plan calculated using the discount rate of 4.29 percent. 18. EARLY RETIREMENT PROGRAM

a. Summary of Significant Accounting Policies

Pension. The Plan is accounted for as a pension trust fund; therefore it is accounted for in substantially the same manner as a proprietary fund with a "capital maintenance" measurement focus and the accrual basis of accounting. Employer contributions are recognized in the period in which contributions are due. Benefits and refunds are recognized when due and payable in accordance with terms of the Plan. Plan assets are valued at fair value, based on quoted market prices, for financial statement purposes.

Separate Statements are not issued for the Plan.

b. General Information about the Early Retirement Program

Plan description. As authorized by Section 1012.985, Florida Statutes, the Board implemented an Early Retirement Plan (Plan), effective August 1, 1984. The Plan is a single-employer defined benefit plan. The purpose of the Plan is to provide eligible District employees, who elect to retire under the early retirement provisions of the

18. EARLY RETIREMENT PROGRAM (continued)

Florida Retirement System, described in Note 17, with a monthly benefit equal to the statutory reduction of the normal retirement benefits when early retirement precedes the normal retirement age of 62. The School Board entered into an agreement with Wells Fargo Bank, N.A., designating the Bank as the Investment Manager and Custodian (Trustee) for the Plan assets. The Agreement also provides that monthly benefits be paid by the Trustee.

Eligibility. A member of the Plan was eligible upon attainment of age 55 to 59, completion of 25 but not more than 28 years of creditable service, at least 5 consecutive and uninterrupted years of service immediately preceding early retirement, and having applied for retirement under FRS. The Board approved to eliminate new participants to the Early Retirement Program on

June 30, 2008. Certain employees were eligible to enter the plan before July 1, 2010. As of July 1, 2010 the plan was closed to any new participants.

Benefits provided. The amount of the monthly benefit will be equal to the reduction imposed on the retirement benefit by the FRS due to early retirement. The benefit amount will be based on the initial benefit amount determined by the FRS prior to any cost of living adjustments and once established will remain unchanged, unless a specific increase is authorized by the Board.

Employees covered by benefit terms. Based on an actuarial report as of June 30, 2015 employee membership data related to the Plan was as follows:

Retirees and beneficiaries currently receiving benefits 558
 Active Plan Participants: There are no longer any active plan participants.

Contributions. The District's Early Retirement Program was established by the Board on August 1, 1984. On July 1, 2010, the plan was closed to any new participants. Pursuant to the Plan Agreement, no contribution shall be required or permitted from any member. The District's annual contribution to the pension trust is determined through the budgetary process and with reference to actuarial determined contributions. The board establishes rates based on an actuarially determined rate recommended by an independent actuary. The actuarially determined rate is the estimated amount necessary to finance the costs of benefits earned by plan members during the year, with an additional amount to finance any unfunded accrued liability. The contribution is designed to accumulate sufficient assets to pay benefits when due. As of July 1, 2015, the actuarial study shows a deficit of \$13.9 million in accordance with GASB 68.

Total contributions to the Plan in fiscal year 2015 amounted to \$1,410,653 respectively.

18. EARLY RETIREMENT PROGRAM (continued)

b. Net Pension Liability

The net pension asset (obligation) to the Plan in fiscal years 2012, 2013 and 2014 were \$(611), \$(1,807) and \$(30). However, due to the adoption of GASB 68, the net pension liability in the amount of \$13,993,497 replaces the net pension obligation of \$(30) identified as of July 1, 2014.

Total pension liability	\$ 26,452,384
Plan fiduciary net position	<u>12,458,887</u>
Net pension liability	<u>\$ 13,993,497</u>
Plan fiduciary net position as a percentage of the total pension liability	47.10%

The Net Pension Liability of \$13,993,497 was added as a long term liability on the Statement of Net Position in the Government-wide Financial Statements.

The computation of the total pension liability for fiscal 2015 was based on the same (a) benefit provisions, (b) actuarial funding method, and (c) other significant factors as used to determine annual required contributions in the previous year.

Actuarial assumptions. Significant assumptions and other inputs used to measure the annual required contribution are:

Valuation Date	July 1, 2014
Measurement Date	June 30, 2015
Actuarial Cost Method	Aggregate
Asset Valuation Method	Market Value
<i>Actuarial Assumptions:</i>	
Investment Rate of Return	3.5%
Projected Salary Increases	0%
Rate of Inflation Adjustment	2.5%

Mortality rates were based on the RP-2014 Healthy Annuitant/Non Annuitant Mortality table for Males or Females, with generational projections for mortality improvements based on Scale MP.

18. EARLY RETIREMENT PROGRAM (continued)

Investments. The District oversees the management of the District's Early Retirement Plan. The Superintendent has established procedures to ensure that idle funds are invested as authorized by Florida Statute, to earn the maximum interest. Investments are reported at fair value. The primary objectives, in priority order, in investment activities shall be safety, liquidity, and yield.

The Plan's investments at June 30, 2015, consisted of the following:

	Balance June 30, 2015	Percentage of Plan Net Position
U. S. Treasury Notes and Bonds	\$5,084,225.00	41%
U. S. Agencies	7,302,973	59%
Federation Prime Obligations Fund	<u>43,472</u>	<u>-%</u>
Total	<u>\$12,430,670</u>	100%

Long-term expected rate of return. The long-term expected rate of return on pension plan investment was confirmed appropriate using Aon's (The District's actuary) e-tool model assuming general inflation of 2.5%, which is a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the pension plan's target asset allocation as of July 1, 2015 are summarized in the following table:

Asset Class	Target allocation	Long-term Expected real rate of return
Government Fixed Income	98%	1.0%
Cash	2%	0.9%

Rate of return. For the year ended June 30, 2015, the annual money-weighted rate of return on pension plan investments, net of pension plan investment expense, was 3.5 percent. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

Receivables. The pension plan does not have receivables from long-term contracts with the District contribution.

Allocated insurance contracts. The pension plan has not allocated insurance contracts that are excluded from pension plan assets.

18. EARLY RETIREMENT PROGRAM (continued)

Reserves. The pension plan has no reserves that are required to be disclosed under paragraph 30e of GASB Statement No. 67, Financial Reporting for Pension Plans.

Deferred Retirement Option Program (DROP). The District does not offer DROP to employees in the Early Retirement Program.

c. Total Pension Liability

The District's total pension liability for the Early Retirement Program for the current fiscal year were as follows

<u>Total Pension Liability</u>	<u>2015</u>
Service cost	\$ -
Interest cost	855,451
Changes of benefit terms	-
Differences between expected and actual	(9,066)
Changes of assumptions	2,180,253
Benefit payments, including refunds of contributions	<u>(2,031,448)</u>
Net change in total pension liability	995,190
Total pension liability (beginning)	<u>25,457,194</u>
Total pension liability (ending)	\$ <u>26,452,384</u>

Discount rate. The discount rate used to measure the total pension liability was 3.50 percent and is consistent with the prior year. The projection of cash flows used to determine the discount rate assumed that the District's contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payment of current plan members. Therefore, the long term expected rate of return on pension plan investment was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the net pension liability to changes in the discount rate. The following presents the net pension liability of the District, calculated using the discount rate of 3.50 percent, as well as what the District's net pension liability would be if it were calculated using a discount rate that is 1-percentage point lower (2.50 percent) and 1-percentage point higher (4.50 percent) than the current rate.

	1% Decrease (2.50%)	Current Discount Rate (3.50%)	1% Increase (4.50%)
District's net pension liability	\$16,719,571	\$13,993,497	\$11,678,724

18. EARLY RETIREMENT PROGRAM (continued)

d. Pension Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At June 30, 2015, the District reported a liability of \$13,993,497 for the Early Retirement Plan net pension liability. The liability was measured as of June 30, 2015 and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2014. The District's net pension liability was based on a projection of the pension plan relative to the projected contributions during the fiscal year ended June 30, 2015.

	Deferred Outflows of Resources	Deferred Inflows of Resources
Difference between actual and expected experience	\$ -	\$ -
Assumption changes	-	-
Net difference between expected and actual earnings on pension plan investments	<u>257,086</u>	-
Total	<u>\$ 257,086</u>	<u>\$ -</u>

Amounts recognized in the deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in the pension expense as follows:

	<u>Year ended June 30</u>
2016	\$ 64,272
2017	64,272
2018	64,272
2019	<u>64,270</u>
Total	<u>\$ 257,086</u>

19. POST EMPLOYMENT HEALTH CARE BENEFITS

a. Plan Description

The Postemployment Health Care Benefits Plan is a single-employer defined benefit plan administered by the District. Pursuant to the provisions of Section 112.0801, Florida Statutes, former employees who retire from the District and eligible dependents, may continue to participate in the District's health and hospitalization plan for medical, and prescription drug coverage. Based on the valuation as of July 1, 2014, the District had 26,644 active employees and 1,129 retirees and eligible dependants in the plan. The District subsidizes the premium rates paid by retirees by

19. POST EMPLOYMENT HEALTH CARE BENEFITS (continued)

allowing them to participate in the plan at reduced or blended group (implicitly subsidized) premium rates for both active and retired employees. These rates provide an implicit subsidy for retirees because, on an actuarial basis, their current and future claims are expected to result in higher costs to the plan on average than those of active employees. Retirees are required to enroll in the Federal Medicare program for their primary coverage as soon as they are eligible. Separate financial statements for the Plan are not issued.

b. Funding Policy

The District via the Board can establish and amend the funding requirements. The District has not advance funded the OPEB costs or the net OPEB obligation. For the 2015 fiscal year, retirees and eligible dependents received postemployment health care benefits, which are funded by the District on a pay as you go basis. The District provided contributions of \$4,463,384 toward annual OPEB costs, comprised of benefit payments made on behalf of the retirees for claims expenses (net of reinsurance), administrative expenses, and reinsurance premiums and net of retiree contributions totaling \$9,054,293 which is about 1 percent of covered payroll.

c. Annual OPEB Cost and Net OPEB Obligation

The District's annual OPEB cost is calculated based on the annual required contribution (ARC), an amount actuarially determined in accordance with the parameters of GASB Statement No. 45, Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions. The ARC represents a level of funding that is paid on an ongoing basis, is projected to cover normal cost each year and amortize any unfunded actuarial liabilities over a period not to exceed 30 years. The following table shows the District's annual OPEB cost for the year, the amount actually contributed to the plan, and changes in the net OPEB obligation:

<u>Descriptions</u>	<u>Amount</u>
Normal Cost (service cost for one year)	\$ 23,167,823
Amortization of Unfunded Actuarial Accrued Liability	7,246,740
Interest on Normal Cost and Amortization	<u>760,364</u>
Annual Required Contribution (ARC)	31,174,927
Interest on Net OPEB Obligation (NOO)	2,386,220
Amortization of Net OPEB Obligation	<u>(3,410,069)</u>
Total Expense or Annual OPEB Cost (AOC)	30,151,078
Annual Contribution Toward OPEB Cost	<u>(4,463,384)</u>
Increase in Net OPEB Obligation	25,687,694
Net OPEB Obligation Beginning of Year	<u>95,448,814</u>
Net OPEB Obligation End of Year	<u>\$121,136,508</u>

19. POST EMPLOYMENT HEALTH CARE BENEFITS (continued)

The District's annual OPEB cost, the Percentage of annual OPEB cost contributed to the plan and the net OPEB obligation as of June 30, 2015 was as follows:

Fiscal Year	Annual OPEB Cost	Annual Contributed	Percentage of Annual OPEB Cost Contributed	Net OPEB Obligation
2015	\$30,151,078	\$4,463,384	14.8%	\$121,136,508
2014	24,534,131	4,217,776	17.2%	95,448,814
2013	23,903,947	3,504,578	14.7%	75,132,459

d. Funded Status and Funding Progress

As of June 30, 2015 the actuarial accrued liability for benefits was \$212,358,525, all of which was unfunded. The covered payroll (annual payroll for active participating employees) was \$1,134,992,341 for the 2015 fiscal year, and the ratio of the unfunded actuarial accrued liability to the covered payroll was 18.7%. The schedule of funding progress, presented as required supplementary information following the notes to the financial statements, presents multiyear trend information that shows whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liabilities for benefits.

e. Actuarial Methods and Assumptions

Actuarial methods and assumptions used for the OPEB calculations are as follows:

1. Actuarial valuations involve estimates of the value of reported amounts and assumptions about the probability of events far into the future; actuarially determined amounts are subject to continual revisions as actual results are compared to past expectations and new estimates are made about the future.
2. Calculations are based on the benefits provided under the terms of the substantive plan in effect at the time of each valuation and on the pattern of sharing of costs between the employer and plan members to that point. The projection of benefits for financial reporting purposes does not explicitly incorporate the potential effects of legal or contractual funding limitations on the pattern of cost sharing between the employer and plan members in the future.
3. Actuarial calculations reflect a long-term perspective. Consistent with that perspective, actuarial methods and assumptions used include techniques that are designed to reduce short-term volatility in actuarial accrued liabilities and the actuarial value of assets.

19. POST EMPLOYMENT HEALTH CARE BENEFITS (continued)

4. The actuarial methods and significant assumptions used in calculating the ARC for the current year and the funded status of the plan are from the actuarial valuation as of July 1, 2014:

Actuarial cost method	Entry age
Actuarial value of assets	Fair value
Investment rate of return	2.5%
Salary scale is	4.0%
Healthcare cost trend rate is 7.50 percent for fiscal year ended June 30, 2015 grading to 5.0% for fiscal year ending June 30, 2024	
Past service liability is amortized over a closed 30-year period as a level percentage of projected payroll assumed to grow 3.0% per year	
Inflation rate adjustment	2.5%

20. RISK MANAGEMENT

The District is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. Workers' compensation, automobile liability, and general liability coverage are being provided on a self-insured basis up to specified limits. Prior to July 18, 2007, the District entered into agreements with various insurance companies to provide specific excess coverage of claim amounts above the stated amount on an individual claim basis. Effective July 18, 2007 the District chose not to purchase excess coverage, but chose to set aside \$500,000 per year to accumulate to a total of \$5,000,000 to cover any excess claims. As of June 30, 2015, \$4,000,000 has been set aside. The Board has contracted with an insurance administrator to administer these self-insurance programs, including the processing, investigating, and payment of claims.

Settled claims resulting from the risks described above have not exceeded commercial insurance coverage for the past five fiscal years.

A liability in the amount of \$18,999,554 was actuarially determined using a discount rate of 2.0% to cover reported and unreported insurance claims payable at June 30, 2015. Litigation

The District is involved in several pending and threatened legal actions. In the opinion of District management, the range of potential loss from all such claims and actions should not materially affect the financial condition of the District.

Grants and Contracts

The District participates in various federally assisted grant programs that are subject to review and audit by the grantor agencies. Entitlement to these resources is generally conditional upon compliance with the terms and conditions of grant agreements and applicable federal regulations, including the expenditure of resources for allowable purposes. Any disallowance resulting from a federal audit may become a liability of the District.

22. SUBSEQUENT EVENTS

New legislation was signed into law on May 21, 2015, which became effective on July 21, 2015 that covered the final distribution of Fund B's remaining reserve (218.421(2)(e), F.S.). This required Fund B to distribute residual balances to participants who had been entitled to, but had not received a November 2007 interest payment on invested funds that month. The SBA distributed the District's proportional share in the amount of \$995,010.31 on July 13, 2015 for Fiscal Year 2016.

On July 17, 2015 the District issued Series 2015A Sales Tax Revenue Refunding Bonds in the amount of \$53,760,000 in order to refund a portion of the district's outstanding Sales Tax Revenue Refunding Bonds, Series 2005 and advance refund a portion of the district's outstanding Sales Tax Revenue Bonds, Series 2006 maturing in the years 2016-2019.  SCHEDULE OF FUNDING PROGRESS
 (UNAUDITED)**

Schedule of Funding Progress:

FISCAL YEAR ENDED JUNE 30	Actuarial Value of Plan Assets	Actuarial Accrued Liability Entry Age (1)	Unfunded Actuarial Accrued Liability (3)	Funded Ratio (2)	Covered Payroll	Unfunded Actuarial Liability as a Percentage of Covered Payroll
2013	-	194,788,495 (11)	194,788,495	0%	998,616,019 (4)	19.5%
2014	-	191,669,324 (9)	191,669,324	0%	1,064,282,519 (5)	18.0%
2015	-	212,358,525 (10)	212,358,525	0%	1,134,992,341 (6)	18.7%

Notes:

- (1) The Entry Age Actuarial Cost Method is used to determine the Plan's funding requirements.
- (2) The percentage funded is derived by dividing the actuarial value of plan assets by the actuarial accrued liability.
- (3) The unfunded actuarial accrued liability is the actuarial accrued liability minus the actuarial value of plan assets.
- (4) Based on data from an actuarial valuation report as of July 1, 2012, dated July 26, 2013.
- (5) Based on data from an actuarial valuation report as of July 1, 2013 dated August 11, 2014.
- (6) Based on data from an actuarial valuation report as of July 1, 2014, dated August 14, 2015

Isolated analysis of the dollar amounts of the actuarial value of assets, actuarial accrued liability, and unfunded actuarial accrued liability can be misleading.

Expressing the actuarial value of assets as a percentage of the actuarial accrued liability provides one indication of the Plan's funding status on a going-concern basis. Analysis of this percentage over time indicates whether the Plan is becoming financially stronger or weaker. Generally, the greater this percentage, the stronger the Plan.

A four percent (4%) discount is allowed if taxes are paid in November, with the discounts declining by one percent (1%) each month thereafter. Accordingly, taxes collected will never be 100% of the tax levy. Taxes become delinquent on April 1st of each year and tax certificates for the full amount of any unpaid taxes and assessments must be sold not later than June 1st of each year. Accordingly, the majority of taxes are collected in the fiscal year levied.

SECTION 5.01. PREPAYMENT. The terms of this Article V shall apply to the prepayment of Certificates of a Series other than Capital Appreciation Certificates and Variable Rate Certificates. The terms and provisions relating to the prepayment of Capital Appreciation Certificates and Variable Rate Certificates shall be provided by the Supplemental Trust Agreement relating to the issuance thereof.

SECTION 5.02. SELECTION OF CERTIFICATES TO BE PREPAID. (a) When Certificates are prepaid by lot, selection of Certificates for prepayment shall be in such manner as the Trustee shall determine; provided, however, that the portion of any Certificate to be prepaid shall be in the principal amount of \$5,000 or any whole multiple thereof, and that in selecting portions of Certificates for prepayment, the Trustee shall treat each such Certificate as representing that number of Certificates which is obtained by dividing the principal amount with respect to such Certificate by \$5,000.

(b) Upon any prepayment pursuant to this Article V, the Trustee shall provide the Board with, or cause to be provided, a revised schedule of Basic Rent Payments which schedule shall take into account such prepayment and shall be and become for all purposes part of the Lease Agreement.

SECTION 5.03. NOTICE OF PREPAYMENT. (a) When prepayment of Certificates is authorized or required pursuant to the provisions hereof and of any Supplemental Trust Agreement relating to such Certificates, the Trustee shall give to the Owners of Certificates to be prepaid notice, at the expense of the Board, of the prepayment of the Certificates. Such notice shall state: (i) the CUSIP numbers of all Certificates being prepaid, (ii) the original issue date of such Certificates, (iii) the maturity date, Series and rate of interest borne by each Certificate being prepaid, (iv) the prepayment date, (v) the Prepayment Price, (vi) the date on which such notice is mailed, (vii) if less than all outstanding Certificates are to be prepaid, the certificate number (and, in the case of a partial prepayment of any Certificate, the principal amount) of each Certificate to be prepaid, (viii) that on such prepayment date there shall become due and payable upon each Certificate to be prepaid the Prepayment Price thereof, or the Prepayment Price of the specified portions of the principal thereof in the case of Certificates to be prepaid in part only, together with interest accrued thereon to the prepayment date, and that from and after such date interest thereon shall cease to accrue and be payable, (ix) that the Certificates to be prepaid, whether as a whole or in part, are to be surrendered for payment of the

24

Prepayment Price at the designated corporate trust office of the Trustee at an address specified, and (x) the name and telephone number of a person designated by the Trustee to be responsible for such prepayment.

(b) Notice of such prepayment shall be given by mail, postage prepaid, not more than sixty (60) days or fewer than thirty (30) days prior to said date of prepayment, to the Owners of any Certificates to be prepaid. Such mailing shall not be a condition precedent to such prepayment, and failure to mail any such notice, or any defect in such notice as mailed, shall not affect the validity of the proceedings for the prepayment of the Certificates.

(c) In addition to the mailing of the notice described above, each notice of prepayment and payment of the Prepayment Price shall meet the following requirements; provided, however, that failure to provide such further notice of prepayment to comply with the terms of this paragraph shall not in any manner defeat the effectiveness of a call for prepayment if notice thereof is given as prescribed in Sections 5.03(a) and 5.03(b) hereof:

Each further notice of prepayment shall be sent at least two (2) days before the notice of such prepayment and redemption is given to the Owners of Certificates as provided above, by certified mail or overnight delivery service or telecopy to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Certificates (such depositories now being The Depository Trust Company, New York, New York, Midwest Securities Trust Company, Chicago, Illinois and Philadelphia Depository Trust Company, Philadelphia, Pennsylvania) and one or more national information services which disseminate notices of prepayment of obligations such as the Certificates.

(b) On the date fixed for prepayment, notice having been given in the manner and under the conditions hereinabove provided, the Certificates or portions thereof called for prepayment shall be due and payable at the Prepayment Price provided therefor, plus accrued interest to such date. If money or Refunding Securities, or a combination of both, sufficient to pay the Prepayment Price of the Certificates to be prepaid, plus accrued interest thereon to the date fixed for prepayment, are held by the Trustee in trust for the Owners of Certificates to be prepaid, interest on the Certificates called for redemption shall cease to accrue as of the date set for prepayment; such Certificates shall cease to be

26

entitled to any benefits or security under this Trust Agreement or to be deemed Outstanding; and the Owners of such Certificates shall have no rights in respect thereof except to receive payment of the Prepayment Price thereof, plus accrued interest to the date fixed for prepayment from the moneys and/or Refunding Securities held therefor. Certificates and portions of Certificates for which irrevocable instructions to pay on one or more specified dates or to call for prepayment at the earliest prepayment date have been given to the Trustee in form satisfactory to it shall not thereafter be deemed to be outstanding under this Trust Agreement and shall cease to be entitled to the security of or any rights under this Trust Agreement, other than rights to receive payment of the Prepayment Price thereof and accrued interest thereon to the date fixed for prepayment, to be given notice of prepayment in the manner provided in Section 5.03 hereof, and, to the extent hereinafter provided, to receive Certificates for any unpaid portions of Certificates if money or Refunding Securities, or a combination of both, sufficient to pay the Prepayment Price of such Certificates or portions thereof, together with accrued interest thereon to the date upon which such Certificates are to be prepaid, are held in separate accounts by the Trustee in trust for the Owners of such Certificates.

SECTION 5.05. PREPAYMENT OF A PORTION OF CERTIFICATES. If a portion of an Outstanding Certificate shall be selected for prepayment, the Owner thereof or his attorney or legal representative shall present and surrender such Certificate to the Trustee for payment of the principal amount thereof so called for prepayment and the Prepayment Premium, if any, on such principal amount, and the Trustee shall authenticate and deliver to or upon the order of such Owner or his legal representative, without charge therefor, for the unpaid portion of the principal amount of the Certificate so surrendered, a Certificate of the same maturity and Series and bearing interest at the same rate; provided, however, that if the Owner is a securities depository nominee, the securities depository, in its discretion, (a) may surrender such Certificate to the Trustee and request that the Trustee authenticate and deliver a new Certificate for the portion of the principal amount of the Certificate so surrendered which was not prepaid, or (b) shall make an appropriate notation on the Certificate indicating the dates and amounts of such reduction in principal.

SECTION 5.06. CANCELLATION. Certificates so prepaid, presented and surrendered shall be cancelled upon the surrender thereof.

Before the Trustee is authorized to make any disbursements for the acquisition of Land, or the Construction of a Building on Land which is leased to the Corporation pursuant to a Ground Lease, the Trustee shall have received an ALTA title insurance policy, or a commitment with respect thereto, with a reputable title insurance company, indicating the Trustee as an additional named insured or payee to the extent that its interest is insurable under Florida law, which shall insure the Corporation's title to its interest in such Land in the sum provided therefor in the Lease Schedule related to the Project of which such Land or Building is a part. Such Lease Schedule may with the consent of the Credit Enhancer with respect to such Lease Schedule also provide for a title opinion in lieu of title insurance. In the case of acquisition of Land, the Trustee shall, at the request of the Board, transfer, pursuant to a Requisition, moneys to an escrow account held by the attorney to the Board which moneys shall be used to purchase the Land within three Business Days of such transfer. The Trustee may rely upon all assertions made by the Board in the Requisition.

Amounts in each subaccount of the Project Account shall be disbursed for Costs of the Project for which it was established and for no other purpose. Disbursements from each subaccount of the Project Account shall be made by the Trustee upon receipt of a completed Requisition requesting disbursement, duly executed by an Authorized Officer of the Board.

(b) The Trustee shall make payment for each item or portion of a Project to the Board or the designee of the Board (which may include the Vendor, Developer or Contractor of any portion of such Project) in the amount therefor by transferring such amount from the appropriate subaccount of the Project Account by wire transfer into an account (including an account of the Vendor, Developer or Contractor) designated in writing in advance by the Board, by check to the designee of the Board or by crediting such amount to an account of the Board maintained with the banking department of the Trustee for such purpose within two Business Days of the receipt of a Requisition from the Board (provided the Requisition is in compliance with the terms hereof) and any materials or instruments required by the terms hereof and of the Lease Agreement. The parties acknowledge that the Trustee, pursuant to a certificate of an Authorized Officer of the Board, may waive any noncompliance with the requirements for the disbursement of Project Account moneys. The Board agrees to indemnify and hold harmless the Trustee for any cost or expenses suffered by the Trustee as a result of such waiver. The Trustee is also authorized to rely upon the Board's written approval of the Requisition without independently confirming compliance with or satisfaction of such requirements or the requirements set forth in this Trust Agreement. The Trustee may also rely upon the certification of the Board in the Requisition or in any documents, certificates or instruments submitted in connection therewith as to the factual conditions precedent to any disbursements hereunder and shall have no responsibility or duty to review the attachments to such Requisition (but must determine that all required attachments are present) or investigate the basis for such certifications or

(a) If on any Payment Date, the amounts in any subaccount of the Interest Account or the Principal Account are less than the interest, principal and Amortization Installment then due in relation to a Series of Certificates for which it was established, the Trustee shall transfer, from the subaccount of the Reserve Account, if any, established in relation to such Series of Certificates, to such subaccount or subaccounts, an amount sufficient to make up any deficiency therein. In the event of any such transfer, the Trustee, except subsequent to an Event of Non-Appropriation, shall, within five (5) days after making such transfer, provide written notice to the Board of the amount and date of such transfer and the Board shall, within thirty (30) days of receipt of such written notice, pay from moneys budgeted and appropriated as Basic Rent during the current Fiscal Year as Supplemental Rent to the Trustee for deposit into the appropriate subaccount of the Reserve Account an amount necessary to cause the moneys in each such subaccount of the Reserve Account to be equal to the Reserve Requirement applicable thereto.

(b) The Trustee is hereby authorized to accept a Reserve Account Letter of Credit/Insurance Policy and any subsequent Reserve Account Letter of Credit/Insurance Policy provided by the Board in satisfaction of the Reserve Requirement for a subaccount

(d) If on any Payment Date, the amount of all payments due and payable on a Series of Certificates exceeds the amount on hand in the subaccount of the Interest Account and the Principal Account relating to such Series, taking into account any transfers made from the related subaccount of the Reserve Account which was established for the benefit of such Series pursuant to Sections 6.07(a) and 6.07(b) hereof, the Trustee shall apply the moneys on hand therein first to the payment of all past due interest with respect to such Series of Certificates, and, second, to the payment of that portion of the unpaid principal or Amortization Installment of such Series of Certificate which is then past due, pro rata if necessary.

(e) Whenever the moneys in the Lease Payment Fund for an applicable Series of Certificates, including the corresponding Subaccount of the Reserve Account, if any, shall be sufficient to pay the principal of, Amortization Installments and interest coming due on such Series of Certificates, moneys in the Reserve Account shall be deposited to the appropriate subaccounts of the Interest Account and Principal Account as required to pay such Series of Certificates, and no further Basic Rent Payments shall be required under the Lease Agreement.

(f) If, after the date Certificates are prepaid pursuant to the provisions of Article V and Section 6.08 hereof, the amounts in a subaccount of the Reserve Account established for a Series of Certificates exceed the Reserve Requirement applicable thereto then in effect, adjusted to reflect such redemption, or the Reserve Requirement is decreased for any other reason, the Trustee shall deposit such excess to the subaccount of the Interest Account relating to such Series of Certificates.

SECTION 6.06. PREPAYMENT FUND. The Trustee shall deposit to each account of the Prepayment Fund for prepayment of Certificates secured by each such account in accordance with Article V hereof (a) any amounts deposited by the Board for the purpose of paying the Prepayment Price of all or a portion of such Series of Certificates on an Optional Prepayment Date in accordance with the

36

At the time of deposit of said moneys in the Interest Account, the Trustee shall report the amount of said credit to the Board. All interest and other income derived from investments of each subaccount of the Project Account and each subaccount of the Interest Account shall be retained in such respective subaccounts. All interest or other income derived from investments of each subaccount of the Costs of Issuance Account established for the benefit of a Series of Certificates shall be deposited in the subaccount of the Project Account which was funded by such Series of Certificates. All interest and other income derived from investments of each subaccount of the Principal Account and each account of the Prepayment Fund established for a Series of Certificates shall be deposited in the subaccount of the Interest Account established for such Series of Certificates.

(c) For the purpose of determining the amount on deposit in any fund, account or subaccount, Permitted Investments in which money in such fund, account or subaccount is invested shall be valued at one hundred per centum (100%) of the principal or face amount thereof.

SECTION 6.11. CREDIT AGAINST LEASE PAYMENTS. Not earlier than thirty (30) days and not later than fifteen (15) days prior to each Payment Date, the Trustee shall report to the Board the amount of the credit against Basic Rent Payments available to the Board under the Lease Agreement. Such credit shall be an amount equal to the sum of (a) the amount of interest and other income deposited in each subaccount of the Interest Account pursuant to Section 6.10 hereof since the date of the previous report made by the Trustee pursuant to this Section, (b) the amount of moneys, if any, transferred to the Interest Account and Prepayment Fund pursuant to Section 6.03(g) hereof since the date of the previous report made by the Trustee pursuant to this Section, (c) the amount of moneys, if any, transferred to each subaccount of the Interest Account pursuant to Section 6.07(f) hereof since the date of the previous report made by the Trustee pursuant to this Section, plus (d) the amount, if any, on deposit in each subaccount of the Principal Account and the Interest Account on the date of the report made by the Trustee pursuant to this Section which is not derived from the sources described in clauses (a), (b) and (c) above. In addition to the credit referenced in the preceding sentence, the Trustee and the Corporation acknowledge that, there shall be applied as a credit against Basic Rent Payments payable on a Payment Date an amount equal to the amount then on deposit in each subaccount of the Interest Account representing accrued interest and that the amount in the Reserve Account shall be applied as a credit against

38

Supplemental Trust Agreement pursuant to which such Series of Certificates is authorized to be issued, (b) any amounts remaining in the Project Account and required to be transferred to such account of the Prepayment Fund pursuant to Section 6.03(g) hereof, and (c) any Net Proceeds required to be transferred to such account of the Prepayment Fund pursuant to Section 5.08(d) of the Lease Agreement. Said moneys shall be set aside in such account of the Prepayment Fund solely for the purpose of prepaying the Certificates secured by such account in advance of their maturity and shall be applied to the prepayment at the applicable Prepayment Price of such Certificates being redeemed on such prepayment date. Interest on such prepaid Certificates shall be paid from the subaccount of the Interest Account established for payment of such Certificates, except to the extent moneys for payment of interest were deposited to such account of the Prepayment Fund, in which case it shall be paid from such account of the Prepayment Fund.

SECTION 6.09. NO UNAUTHORIZED TRANSFERS. No amount shall be withdrawn or transferred from or paid out of any fund or account except as expressly provided in this Trust Agreement.

SECTION 6.10. DEPOSIT AND INVESTMENT OF MONEYS IN ACCOUNTS. (a) All moneys held by the Trustee in any of the funds, accounts or subaccounts established pursuant to this Trust Agreement shall be deposited or invested in Permitted Investments, provided, however, that all moneys in each subaccount of the Reserve Account shall be invested only in Permitted Investments with maturities of not longer than seven (7) years. Prior to termination of the Lease Agreement, the Board, through an Authorized Officer, shall provide the Trustee written instructions with respect to investment of the moneys held hereunder in Permitted Investments and the Trustee shall make investments in accordance with said instructions. In the event the Board does not provide the Trustee with written instructions with respect to investments, the Trustee shall invest such funds in United States Treasury Obligations or in a money market fund qualifying under clauses (4) or (6) of the definition of Permitted Investments and the Trustee shall notify the Board thereof. Permitted Investments of moneys in Pledged Accounts may be modified as they relate to such Pledged Accounts pursuant to the Supplemental Trust Agreement authorizing the establishment of such Pledged Accounts.

SECTION 6.12. APPLICATION OF MONEY IN THE REBATE FUND. (a) The Trustee shall be deemed conclusively to have complied with the provisions of this Section and each Letter of Instructions if it follows the directions of the Board and the Corporation, and the Trustee shall have no liability or responsibility to enforce compliance by the Board and the Corporation with the terms of this Section and each such Letter of Instructions. The Trustee shall have no responsibility for calculating the amount required to be rebated to the United States Treasury Department pursuant to the Code, nor shall the Trustee have any responsibility for determining the accuracy of any such amount calculated by any Person.

Neither the Corporation nor the Board shall permit or direct the investment of any proceeds of the Certificates or the Lease Payments by the Trustee in such a manner that would result in the Certificates (other than Taxable Certificates) or the Lease Agreement being characterized as "arbitrage bonds" under Section 148 of the Code. The Trustee, the Corporation and the Board will comply with the provisions of the arbitrage certificate and the exhibits thereto executed by the Board which relates to the issuance of a Series of Certificates. In accordance with the terms of Section 8.03 hereof and except as provided in Sections 4.07(b) and 7.03(b) of the Lease Agreement, the Trustee may sell, re-let or otherwise dispose of the Projects if an Event of Default described in Section 8.01(e) hereof occurs and the Lease Agreement shall be terminated as provided in Section 8.03 hereof. (b) The Board and Corporation agree that they shall not place any lien or encumbrance on the Projects, except Permitted Encumbrances. In addition, the Corporation shall not join in or consent to the sale or re-letting of the Projects, or any portion thereof, except as may be directed by the Trustee or as shall be required by the terms of the Lease Agreement, the Assignment(s) of Ground Lease(s) or Ground Lease(s).

42

43

SECTION 8.03. ENFORCEMENT OF REMEDIES. (a) Upon the happening and continuance of any Event of Default specified in Section 8.01 hereof, then and in every such case the Trustee may proceed, and upon the written request of (i) the Insurer of such Certificates (if such Insurer is not in payment default under its municipal bond insurance policy) or (ii) the Owners of not less than a majority in aggregate principal amount of Certificates then Outstanding and the Insurer of such Certificates (if such Insurer is not in payment default under its municipal bond insurance policy), shall proceed, subject to the provisions of Sections 9.02 and 8.14 of this Trust Agreement, to protect and enforce its rights and the rights of the Owners under the laws of the State, under this Trust Agreement, the Lease Agreement or the Ground Lease(s) by such suits, actions or special proceedings in equity or at law, or

44

and damages collected in connection therewith, and all moneys in the Pledged Accounts relating thereto (amounts in a subaccount of the Project Account for such Project may, at the discretion of the Trustee, be retained in such subaccount to continue payment of the acquisition and construction of such Project) into a special account established for the sole benefit of the Owners of the Series of Certificates which financed or refinanced such Project and shall apply moneys in such special account as follows:

(i) If the principal of such Series of Certificates shall not have become or shall not have been declared due and payable, all such money in the special account established for such Series shall be applied:

First: to the payment to the Persons entitled thereto of all installments of interest on such Series of Certificates then due and payable in the order in which such installments became due and payable and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment, ratably according to the amounts due on such installment, to the Persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in such Series of Certificates;

Second: to the payment to the Persons entitled thereto of the unpaid principal of any Certificates of such Series that shall have become due and payable, in the order of their due dates, and, if the amount available shall not be sufficient to pay in full the principal of Certificates of such Series due and payable on any particular date, then to the payment ratably according to the amount of such principal due on such date, to the Persons entitled thereto without any discrimination or preference;

Third: to the payment of the interest on and the principal of such Series of Certificates, to the purchase and retirement of such Series of Certificates, and to the redemption of such Series of Certificates, all in accordance with the provisions hereof;

Fourth: to the payment of any amounts owed and unpaid the Credit Bank for such Series or under the reimbursement agreement relating to the Credit Facility for such Series;

Fifth: to the payment of any amounts owing in regard to Ground Leases relating to such Series; and

by proceedings in the office of any board or officer having jurisdiction, either for the specific performance of any covenant or agreement contained herein or in aid of execution of any power herein granted or for the enforcement of any proper legal or equitable remedy, as the Trustee, being advised by counsel chosen by the Trustee, shall deem most effectual to protect and enforce such rights. The Trustee may also exercise all remedies it or the Corporation may have under law and under the Trust Agreement, the Lease Agreement, and any Ground Lease(s) and any mortgage or security interest relating to a Project.

(b) In the enforcement of any remedy under this Trust Agreement, the Trustee shall be entitled to sue for, enforce payment of and receive any and all amounts then or during any Event of Default hereunder becoming and remaining due from the Board for principal, interest or otherwise under any of the provisions of this Trust Agreement or of the Certificates, together with interest on overdue payments of principal at the Overdue Rate and all reasonable costs and expenses of collection and of all proceedings hereunder, without prejudice to any other right or remedy of the Trustee or of the Owners and to recover and enforce any judgment or decree against the Corporation, but solely as provided herein, for any portion of such amounts remaining unpaid and interest, costs and expenses as above provided, and to collect (but solely from money available for such purposes), in any manner provided by law, the money adjudged or decreed to be payable.

(c) As provided in Section 7.07 hereof and subject to the limitations thereof relating to Designated Equipment, the Trustee, upon an Event of Default described in Section 8.01(e) hereof and the termination of the Lease Agreement, may take possession of and title to the Projects, or any portion thereof, and it shall, if the Board relinquishes possession of the Projects pursuant to the Lease Agreement subsequent to an Event of Default described in Section 8.01(e) hereof, take possession of the Projects, in accordance with the provisions of Section 7.07 hereof and of the Ground Lease(s). Upon taking possession of the Projects the Trustee is authorized to sell, re-let or otherwise dispose of each Project, or any portion thereof, for the benefit of the Owners of the Series of Certificates which financed or refinanced each such Project.

SECTION 8.04. PRO-RATA APPLICATION OF FUNDS. (a) Anything in this Trust Agreement to the contrary notwithstanding, if at any time the money in the Lease Payment Fund shall not be sufficient to pay the interest on or the principal of the Certificates as the same shall become due and payable (either by their terms or by acceleration of maturities under the provisions of Section 8.02 hereof), the Trustee, subsequent to payment of all costs and expenses relating to collection of such moneys and fees and expenses of the Trustee, including reasonable fees and expenses of Trustee's Counsel, shall deposit all moneys derived from the sale, re-letting or other disposition of each Project, including moneys

45

(ii) If the principal of such Series of Certificates shall have become or shall have been declared due and payable, all such money in the special account established for such Series shall be applied to the payment of principal and interest then due upon such Series of Certificates (or, in the case of Capital Appreciation Certificates, the Accredited Value thereof) without preference or priority of principal over interest or interest over principal, or of any installment of interest over any other installment of interest or any such Certificate over any other such Certificate ratably, according to the amounts due respectively for principal and interest, to the Persons entitled thereto, without any discrimination or preference and then to the payment of any amounts owed and unpaid the Credit Bank for such Series or under the reimbursement agreement relating to the Credit Facility for such Series and then to the payment of any amounts owing in regard to Ground Leases relating to such Series. Any surplus moneys shall be paid to the Board.

(iii) If the principal of such Series of Certificates shall have been declared due and payable and if such declaration shall thereafter have been rescinded and annulled under the provisions of Section 8.02 hereof, then, subject to the provisions of paragraph (a)(i) of this Section in the event that the principal of such Series of Certificates shall later become due and payable or be declared due and payable, the money then remaining in and thereafter accruing to the special account established for such Series shall be applied in accordance with the provisions of paragraph (a)(i) of this Section.

(b) Whenever money is to be applied by the Trustee pursuant to the provisions of this Section and, subject to any direction given by a Credit Enhancer pursuant to Section 8.14 hereof, such money shall be applied by the Trustee at such times and from time to time, as the Trustee in its sole discretion shall determine, having due regard for the amount of such money available for such application and the likelihood of additional money becoming available for such application in the future; the setting aside of such money, in trust for the proper purpose, shall constitute proper application by the Trustee, and the Trustee shall incur no liability whatsoever to the Corporation, the Board, to any Owner or to any other Person for any delay in applying any such money so long as the Trustee acts with reasonable diligence, having due regard for the circumstances, and ultimately applies the same in accordance with such provisions of this Trust Agreement as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such money, it shall fix the date (which shall be a Payment Date unless the Trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue.

47

The Trustee shall give notice by first class mail, postage prepaid, to all Owners of the fixing of any such date, and shall not be required to make payment to the owner of any Certificates until such Certificates shall be surrendered to the Trustee for cancellation if fully paid.

SECTION 8.05. EFFECT OF DISCONTINUANCE OF PROCEEDINGS. If any proceeding taken by the Trustee or Owners on account of any Event of Default hereunder shall have been discontinued or abandoned for any reason, then and in every such case, the Corporation, the Board, each Credit Enhancer, the Trustee and the Owners shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no proceeding had been taken.

SECTION 8.06. CONTROL OF PROCEEDINGS BY OWNERS. The Owners of a majority in aggregate principal amount of each Series of Certificates then Outstanding shall have the right, subject to the provisions of Sections 8.14 and 9.02 of this Trust Agreement, by an instrument or concurrent instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all remedial proceedings to be taken by the Trustee hereunder in regard to such Series, provided that such direction shall be in accordance with law and the provisions of this Trust Agreement and the Lease Agreement.

SECTION 8.07. RESTRICTIONS UPON ACTIONS BY INDIVIDUAL OWNERS. Except as provided in Section 8.13 of this Trust Agreement, no Owner shall have any right to institute any suit, action or proceeding in equity or at law on any Certificate or for the execution of any trust hereunder or for any other remedy hereunder unless such Owner previously shall have given to the Trustee written notice of the Event of Default on account of which such suit, action or proceeding is to be instituted, and unless also the Owners of not less than a majority in aggregate principal amount of Certificates then Outstanding of the Series of which such Owner belongs shall have made a written request of the Trustee after the right to exercise such powers or right of action as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers hereinabove granted or to institute such action, suit or proceedings in its or their name, and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused or neglected to comply with such request within a reasonable time. Such notification, request and offer of indemnity are hereby declared in every such case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trusts of this Trust Agreement or to any other remedy hereunder. It is understood and intended that, except as otherwise above provided, no one or more

48

Event of Default shall be granted without obtaining the prior written consent of each Credit Enhancer so affected thereby.

SECTION 8.12. NOTICE OF DEFAULT. (a) The Trustee shall mail to all Owners at their addresses as they appear on the Certificate Register written notice of the occurrence of any Event of Default set forth in Section 8.01 hereof within thirty (30) days after the Trustee shall have notice of the same; provided that, except upon the happening of an Event of Default specified in clauses (a) and (b) of Section 8.01 of this Trust Agreement, the Trustee may withhold such notice to the Owners if in its opinion such withholding is in the interest of the Owners; and provided, further, that the Trustee shall not be subject to any liability to any Owner by reason of its failure to mail any such notice.

(b) The Trustee shall mail to each Credit Enhancer written notice of the occurrence of any Event of Default set forth in Section 8.01 hereof within five (5) Business Days after the Trustee shall have notice of the same.

(c) Upon the occurrence and continuance of an Event of Default or Event of Non-Appropriation, the Trustee shall provide each Credit Enhancer with access to the Certificate Register for the Series of Certificates for which it provides credit enhancement for purposes of inspection and copying the same.

SECTION 8.13. RIGHT TO ENFORCE PAYMENT OF CERTIFICATES UNIMPAIRED. If the Trustee shall fail to take actions required of it pursuant to this Section, nothing in this Article shall affect or impair the right of any Owner to enforce the payment of the principal of and interest on his Certificate or the obligation to pay the principal of and interest on each Certificate to the Owner thereof at the time and place in said Certificate expressed.

SECTION 8.14. CONTROL BY INSURER OR CREDIT BANK. Any provision hereunder or under the Lease Agreement or Ground Lease to the contrary notwithstanding, upon the occurrence and continuance of an Event of Default, the Credit Enhancer for a Series of Certificates, if such Credit Enhancer, shall not be in payment default under its municipal bond insurance policy or Credit Facility, as the case may be, shall be deemed to be the sole owner of such Certificates for purposes of (a) directing and controlling the enforcement of all rights and remedies with respect to such Series of Certificates, including any waiver of an Event of Default and removal of the Trustee, and (b) exercising any voting right or privilege or giving any consent or direction or taking any other action that the Owners of such Certificates are entitled to take pursuant to Articles VIII or IX hereof. No provision expressly recognizing or granting rights in or to a Credit Enhancer shall be modified without the consent of such Credit Enhancer. A Credit Enhancer's rights under this Section 8.14 shall be suspended during any period in which such Credit Enhancer is in default in its

Owners shall have any right in any manner whatsoever by his or their action to affect, disturb or prejudice the security of this Trust Agreement, or to enforce any right hereunder except in the manner provided, that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the benefit of all Owners and that any individual rights of action or other right given to one or more of such Owners by law are restricted by this Trust Agreement to the rights and remedies herein provided.

SECTION 8.08. APPOINTMENT OF A RECEIVER. Upon the occurrence of an Event of Default, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Trustee and of the Owners under this Trust Agreement, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers for the Projects with such powers as the court making such appointments shall confer.

SECTION 8.09. ENFORCEMENT OF RIGHTS OF ACTION. All rights of action (including the right to file proof of claim) under this Trust Agreement or under any Certificates may be enforced by the Trustee without the possession of any Certificates or the production thereof in any proceedings relating thereto, and any such suit or proceedings instituted by the Trustee shall be brought in its name as Trustee, without the necessity of joining as plaintiffs or defendants any Owners hereby secured, and any recovery of judgment shall be for the equal benefit of the Owners.

SECTION 8.10. NO REMEDY EXCLUSIVE. No remedy herein conferred upon or reserved to the Trustee, a Credit Enhancer or to the Owners is intended to be exclusive of any other remedy or remedies herein provided, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity.

SECTION 8.11. WAIVERS. No delay or omission by the Trustee or of any Owner in the exercise of any right or power occurring upon any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver of any such Event of Default hereunder or any acquiescence therein, and every power or remedy given by this Trust Agreement to the Trustee and to the Owners may be exercised from time to time and as often as may be deemed expedient. The Trustee may, and upon written request of the Owners of not less than a majority in principal amount of the Certificates then Outstanding, shall waive any Event of Default which shall have been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted by it under the provisions of this Trust Agreement or before the completion of the enforcement of any rights of the Trustee hereunder, but such waiver shall not waive any subsequent Event of Default hereunder or impair any rights or remedies consequent thereon. The rights granted to a Credit Enhancer under this Section 8.14 are granted in consideration of the Credit Enhancer issuing its municipal bond insurance policy or Credit Facility. Any exercise of such contractual rights by a Credit Enhancer shall be deemed to be taken for the benefit of any Certificate Owners and shall not evidence such Credit Enhancer's position as to whether any Certificate Owner's consent is required.

ARTICLE IX
CONCERNING THE TRUSTEE

SECTION 9.01. ACCEPTANCE OF DUTIES. (a) The Trustee by execution hereof accepts and agrees to fulfill the trusts imposed upon it by this Trust Agreement, but only upon the terms and conditions set forth in this Article and subject to the provisions of this Trust Agreement. Prior to the occurrence of any Event of Default hereunder and after the curing of all such Events of Default that may have occurred, the Trustee shall perform such duties and only such duties of the Trustee as are specifically set forth in this Trust Agreement. During the existence of any such Event of Default that has not been cured the Trustee shall exercise any of the rights and powers vested in it by this Trust Agreement. At all times the Trustee shall use the same degree of care and skill in their exercise as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs.

(b) No provision of this Trust Agreement, any Certificate, the Lease Agreement or the Assignment of Lease Agreement shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) Unless an Event of Default shall have occurred and be continuing:

(A) the duties and obligations of the Trustee shall be determined solely by the express provisions of this Trust Agreement, the Lease Agreement and the Assignment of Lease Agreement, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Trust Agreement, the Lease Agreement and the Assignment of Lease Agreement, and no implied covenants or obligations shall be read into this Trust Agreement, the Lease Agreement or the Assignment of Lease Agreement against the Trustee, and

(B) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the accuracy of the statements and the correctness of the opinions expressed therein, upon any certificate or opinion furnished to it by the Board and the Corporation conforming to the requirements of this Trust Agreement, the Lease Agreement or the Assignment of Lease Agreement, but in the case of any such certificate or opinion by which any provision hereof is specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the

52

outlays and reasonable counsel fees and other reasonable disbursements, and against all liability. The Trustee nevertheless may, in its sole discretion, but is not required to, begin suit, or appear in and defend suit, or do anything else in its judgment proper to be done by it as such Trustee, without indemnity, and in such case the Trustee shall be entitled to reimbursement from any money in its possession under the provisions of this Trust Agreement and shall be entitled to a preference therefor over any Certificates Outstanding hereunder.

SECTION 9.03. LIMITATIONS ON OBLIGATIONS AND RESPONSIBILITIES OF TRUSTEE. The Trustee shall be under no obligation to effect or maintain insurance or to renew any policies of insurance or to inquire as to the sufficiency of any policies of insurance carried by the Board or the Corporation, or to report, or make or file claims or proof of loss for, any loss or damage insured against or that may occur, or to keep itself informed or advised as to the payment of any taxes or assessments, or to require any such payment to be made. Except as to the acceptance of the trusts by its due execution of this Trust Agreement, the Trustee shall have no responsibility in respect of the validity, sufficiency, due execution or acknowledgment of this Trust Agreement by the other parties hereto, or in respect of the validity of Certificates (other than the due execution and delivery thereof in accordance with the terms hereof). The Trustee shall be under no obligation to see that any duties herein imposed upon the Corporation, the Board, any depository other than a Trustee as depository, or any party other than itself, or any covenants herein contained on the part of any party other than itself to be performed, shall be done or performed, and the Trustee shall be under no obligation for failure to see that any such duties or covenants are so done or performed.

SECTION 9.04. TRUSTEE NOT LIABLE FOR FAILURE OF CORPORATION OR BOARD TO ACT. The Trustee shall not be liable or responsible because of the failure of the Corporation or the Board or of any of its employees or agents to make any collections or deposits or to perform any act herein required of the Corporation or the Board or because of the loss of any money arising through the insolvency or the act or default or omission of any depository other than a Trustee depository in which such money shall have been deposited under the provisions of this Trust Agreement. The Trustee shall not be responsible for the application of any of the proceeds of Certificates or any other money deposited with it and paid out, withdrawn or transferred hereunder if such application, payment, withdrawal or transfer shall be made in accordance with the provisions of this Trust Agreement. The immunities and exemptions from liability of the Trustee hereunder shall extend to its directors, officers, employees and agents.

SECTION 9.05. COMPENSATION AND INDEMNIFICATION OF TRUSTEE. Subject to the provisions of any contract between the Corporation,

54

same to determine whether or not it conforms to the requirements of this Trust Agreement, the Lease Agreement or the Assignment of Lease Agreement, and

(ii) At all times, regardless of whether or not any such Event of Default shall exist:

(A) the Trustee shall not be liable for any error of judgment made in good faith by a responsible officer or officers of the Trustee unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(B) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Owners as provided in Article VIII hereof, relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any power conferred upon the Trustee under this Trust Agreement and the Lease Agreement; and

(C) the Trustee may consult with counsel and the written advice of such counsel or any opinion of counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder and in good faith and reliance thereon.

(c) None of the provisions contained in this Trust Agreement, the Lease Agreement or the Assignment of Lease Agreement shall require the Trustee to expend or risk its own funds or otherwise incur individual financial liability in the performance of any of its duties or in the exercise of any of its rights or powers.

(d) Notwithstanding any other provision of this Trust Agreement, in determining whether the rights of the Owners of the Certificates will be adversely affected by any action taken pursuant to the terms and provisions of this Trust Agreement, the Trustee shall consider the effect on the Owners of the Certificates as if there were no municipal bond insurance policy or Credit Facility.

SECTION 9.02. INDEMNIFICATION OF TRUSTEE AS CONDITION FOR REMEDIAL ACTION. The Trustee shall be under no obligation to institute any suit or to take any remedial proceeding in the Event of a Default under this Trust Agreement or to enter any appearance, or in any way defend in any suit in which it may be made defendant, or to take any steps in the execution of any of the trusts hereby created or in the enforcement of any rights and powers hereunder, including, without limitation, its acceptance or possession of a Project or any component thereof, until it shall be indemnified to its satisfaction against any and all reasonable costs, expenses,

53

the Board and the Trustee relating to the compensation of the Trustee, the Corporation shall pay or cause the Board to pay to the Trustee reasonable compensation for all services performed by it hereunder and also all its reasonable expenses, charges and other disbursements and those of its attorneys, agents and employees incurred in and about the administration and the performance of its powers and duties hereunder and shall, to the extent permitted by applicable law, indemnify and save the Trustee harmless against any liabilities that it may incur in the proper exercise and performance of its powers and duties hereunder and under the Lease Agreement.

SECTION 9.06. MONTHLY STATEMENTS FROM TRUSTEE. (a) It shall be the duty of the Trustee, by the 25th day of each month, to file with the Board a statement setting forth in respect of the preceding one-month period:

(i) the amount withdrawn or transferred by it and the amount deposited with it on account of each fund, account or subaccount held by it under the provisions of this Trust Agreement,

(ii) the amount on deposit with it at the end of such period in each such fund, account or subaccount,

(iii) a brief description of all obligations held by it as an investment of money in each such fund, account or subaccount,

(iv) the amount applied to the purchase or redemption of Certificates under the provisions of Article V of this Trust Agreement and a description of the Certificates or portions thereof so purchased or redeemed, and

(v) any other information that the Board may reasonably request.

(b) In addition, on each anniversary date of the issuance of the Certificates the Trustee shall file with the Board any information requested by the Board as necessary to determine the Rebutable Arbitrage as set forth in Letters of Instructions.

(c) All records and files pertaining to Certificates, the Corporation and the Board in the custody of the Trustee shall be open at all reasonable times to the inspection of the Board, the Corporation and their agents and representatives.

SECTION 9.07. TRUSTEE MAY RELY ON CERTIFICATES. If at any time it shall be necessary or desirable for the Trustee to make any investigation respecting any fact preparatory to taking or not taking any action or doing or not doing anything as such Trustee, and in any case in which this Trust Agreement provides for

55

permitting or taking any action, the Trustee may rely upon any certificate required or permitted to be filed with it under the provisions of this Trust Agreement, and any such certificate shall be evidence of such fact or protect the Trustee in any action that it may or may not take or in respect of anything it may or may not do, in good faith, by reason of the supposed existence of such fact. Except as otherwise provided in this Trust Agreement, any request, notice, certificate or other instrument from the Corporation or the Board to the Trustee shall be deemed to have been signed by the proper party or parties if signed by any Authorized Officer of the Corporation or the Board, as the case may be, and the Trustee may accept and rely upon a certificate signed by any such representative as to any action taken by the Corporation or the Board.

SECTION 9.08. TRUSTEE MAY PAY TAXES AND ASSESSMENTS. In case the Corporation or the Board shall fail to pay or cause to be paid any tax, assessment or governmental or other charge payable on the part of the Board or the Corporation relating to the Lease Agreement to the extent, if any, that the Board or the Corporation may be deemed by the Trustee liable for same, the Trustee, subject to Section 9.01(c) hereof, may pay such tax, assessment or governmental charge, without prejudice, however, to any rights of the Trustee or the Owners hereunder arising in consequence of such failure; and any amount at any time so paid under this Section shall be repaid upon demand by the Trustee by the Corporation from funds made available by the Board, but the Trustee shall be under no obligation to make any such payment from sources provided in the Trust Agreement unless it shall have available or be provided with adequate funds for the purpose of such payment.

SECTION 9.09. CERTAIN RIGHTS OF THE TRUSTEE. Subject to the provisions of Section 9.01 hereof, the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys.

SECTION 9.10. RESIGNATION AND REMOVAL OF TRUSTEE SUBJECT TO APPOINTMENT OF SUCCESSOR. No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee under Section 9.14.

SECTION 9.11. RESIGNATION OF TRUSTEE. Subject to the provisions of Section 9.10, the Trustee may resign and thereby become discharged from the trusts hereby created, by notice in writing given to the Board and the Corporation, and mailed, postage prepaid, at the Trustee's expense, to each Owner, not less than sixty (60) days before such resignation is to take effect, but such resignation shall take effect immediately upon the appointment of a new Trustee hereunder if such new Trustee shall be appointed before the time limited by such notice and shall then accept the trusts hereof. No resignation shall take effect until a successor

56

Trustee is required by operation of law, provided that such vendee, assignee or transferee is (i) a bank or trust company within the State which is duly authorized to exercise corporate trust powers and subject to examination by federal or State authority, (ii) of good standing, and (iii) having, or its parent having, a combined capital, surplus and undivided profits aggregating not less than Fifty Million Dollars (\$50,000,000) or if otherwise approved by the Board. The Board shall mail notice of any such appointment made by it, postage prepaid, to all Owners and each Credit Enhancer.

(b) At any time within one (1) year after any such vacancy shall have occurred, the Owners of not less than twenty-five percent (25%) in principal amount of Certificates then Outstanding, by an instrument or concurrent instruments in writing, executed by such Owners and filed with the Board, may nominate a successor Trustee, which the Board shall appoint and which shall supersede any Trustee theretofore appointed by the Board. Photostatic copies, duly certified by the Superintendent of the Board as having been received by the Board, of each such instrument shall be delivered promptly by the Board to the predecessor Trustee and to the Trustee so appointed by the Owners.

(c) If no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section, any Owner hereunder or any retiring Trustee may apply to any court of competent jurisdiction to appoint a successor Trustee. Such court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Trustee.

(d) Any successor Trustee hereafter appointed shall be (i) a bank or trust company within the State which is duly authorized to exercise corporate trust powers and subject to examination by federal or State authority, (ii) of good standing, and (iii) having, or its parent having, a combined capital, surplus and undivided profits aggregating not less than Fifty Million Dollars (\$50,000,000) or if otherwise approved by the Board.

SECTION 9.14. VESTING OF DUTIES IN SUCCESSOR TRUSTEE. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor, and also to the Board, an instrument in writing accepting such appointment hereunder, and thereupon such successor Trustee, without any further act, shall become fully vested with all the rights, immunities and powers, and subject to all the duties and obligations, of its predecessor; but such predecessor shall nevertheless, on the written request of its successor or of the Board and upon payment of the expenses, charges and other disbursements of such predecessor that are payable pursuant to the provisions of Section 9.05 hereof, execute and deliver an instrument transferring to such successor Trustee all the rights, immunities and powers of such predecessor hereunder; and every predecessor Trustee shall deliver all property and money held by it hereunder to its successor. Should any instrument in

58

Trustee has been appointed pursuant to the terms hereof. Each Credit Enhancer shall receive notice of such resignation.

SECTION 9.12. REMOVAL OF TRUSTEE. (a) The Trustee may be removed at any time by the Board for cause (provided an Event of Default described in Section 8.01(e) hereof has not occurred and has not been cured), or by an instrument or concurrent instruments in writing, executed by the Owners of not less than a majority in aggregate principal amount of Certificates then Outstanding and filed with the Board, not less than sixty (60) days before such removal is to take effect as stated in said instrument or instruments. A photostatic copy of any instrument or instruments filed with the Board under the provisions of this paragraph, duly certified by the Superintendent of the Board as having been received by the Board, shall be delivered promptly to the Trustee.

(b) The Trustee may also be removed at any time for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provisions of this Trust Agreement with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the Owners of not less than twenty-five percent (25%) in aggregate principal amount of Certificates then Outstanding.

(c) The removal of a Trustee shall not become effective until a successor Trustee has been appointed pursuant to the terms hereof.

(d) The Trustee may be removed at any time, at the request of a Credit Enhancer of a majority of the Outstanding Certificates hereunder, with the consent of the Board, provided, that the Credit Enhancer is not in default of its payment obligations under its municipal bond insurance policy or Credit Facility.

(e) Upon the occurrence of an Event of Default as described in Section 8.01 hereof, and such Event of Default is continuing and has not been waived, the Credit Enhancer may remove the Trustee at any time, provided the Credit Enhancer is not in default of its payment obligations under its municipal bond insurance policy or other Credit Facility.

SECTION 9.13. APPOINTMENT OF SUCCESSOR TRUSTEE. (a) If at any time hereafter the Trustee shall resign, be removed, be dissolved or otherwise become incapable of acting, or the bank or trust company acting as Trustee shall be taken over by any governmental official, agency, department or board, the position of Trustee shall thereupon become vacant. If the position of Trustee shall become vacant for any reason, the Board shall appoint a Trustee to fill such vacancy. A successor Trustee shall not be required if the Trustee shall sell or assign substantially all of its trust business and the vendee or assignee shall continue in the trust business, or if a transfer of the trust department of the

ARTICLE I

EXECUTION OF INSTRUMENTS BY OWNERS,
PROOF OF OWNERSHIP OF CERTIFICATES,
AND DETERMINATION OF CONCURRENCE OF OWNERS

SECTION 10.01. EXECUTION OF INSTRUMENTS BY OWNERS. (a) Any request, direction, consent or other instrument in writing required or permitted by this Trust Agreement to be signed or executed by any Owner may be in any number of concurrent instruments of similar tenor and may be signed or executed by such Owners or their attorneys or legal representatives. Proof of the execution of any such instrument and of the ownership of Certificates shall be sufficient for any purpose of this Trust Agreement and shall be conclusive in favor of the Trustee, the Board and the Corporation with regard to any action taken by either under such instrument if made in the following manner:

(i) The fact and date of the execution by any Person of any such instrument may be proved by the verification of any officer in any jurisdiction who, by the laws thereof, has power to take affidavits within such jurisdiction, to the effect that such instrument was subscribed and sworn to before him, or by an affidavit of a witness to such execution. Where such execution is on behalf of a Person other than an individual, such verification or affidavit shall also constitute sufficient proof of the authority of the signer thereof.

(ii) The ownership of Certificates shall be proved by the registration books kept under the provisions of this Trust Agreement.

(b) Nothing contained in this Article shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters herein stated which it may deem sufficient. Any request or consent of any Owner shall bind every future Owner of the same Certificate in respect of anything done by the Trustee in pursuance of such request or consent.

(c) Notwithstanding any of the foregoing provisions of this Section, the Trustee shall not be required to recognize any Person as an Owner or to take any action at his request unless such Certificates shall be deposited with it.

60

(h) To provide for the issuance of Certificates, including Completion Certificates and Refunding Certificates, or

(i) To provide, in regard to a Series of Certificates, for the addition, modification or deletion of any of the provisions in Section 6.03 relating to conditions which shall be necessary in order to draw moneys from a subaccount of the Project Account, or

(j) To make any other modifications hereto which in the opinion of the Trustee, who may rely upon a written opinion of Special Counsel, shall not materially adversely affect the Owners.

(k) To determine how, when and what information concerning the Board, the Corporation, the Credit Enhancer and the Certificates should be disclosed by the Trustee to the Owners and the investment community in accordance with published guidelines.

SECTION 11.02. MODIFICATION OF TRUST AGREEMENT WITH CONSENT OF OWNERS AND CREDIT ENHANCERS. (a) Subject to the terms and provisions contained in this Section, and not otherwise, the Owners of not less than a majority of the aggregate principal amount of Certificates then outstanding shall have the right, from time to time, anything contained in this Trust Agreement to the contrary notwithstanding, to consent to and approve the execution by the Corporation, the Board and the Trustee of such Supplemental Trust Agreement or Supplemental Trust Agreements as shall be deemed necessary or desirable by the Corporation and the Board for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Trust Agreement; provided, however, that nothing herein contained shall permit, or be construed as permitting (i) an extension of the maturity of the principal of or the interest on any Certificates issued hereunder, or (ii) a reduction in the principal amount of any Certificates or the prepayment premium or the rate of interest thereon, or (iii) a preference or priority of any Certificate over any other Certificate, except as provided herein, or (iv) a reduction in the aggregate principal amount of Certificates required for consent to such Supplemental Trust Agreement. For purposes of making amendments made pursuant to this Section 11.02, Owners of Certificates which will no longer be Outstanding at the time the Supplemental Trust Agreement takes effect or which are not adversely affected by such Supplemental Trust Agreement shall not have any rights of consent hereunder. Each Supplemental Trust Agreement entered into pursuant to this Section must be consented to by each Credit Enhancer which is affected thereby. Nothing contained in this Section 11.02, however, shall be construed as making necessary the approval by the Owners of the adoption and acceptance of any Supplemental Trust Agreement as authorized in Sections 11.01 and 11.03 hereof.

(b) If at any time the Corporation and the Board shall request the Trustee to enter into any Supplemental Trust Agreement

62

ARTICLE II

SUPPLEMENTAL TRUST AGREEMENTS

SECTION 11.01. SUPPLEMENTAL TRUST AGREEMENTS WITHOUT CONSENT OF OWNERS AND CREDIT ENHANCERS. The Corporation, the Board and the Trustee, from time to time and at any time, may enter into Supplemental Trust Agreements, without the consent of the Owners of the Certificates or any Credit Enhancers, for the following purposes:

(a) To cure any ambiguity or formal defect or omission, to correct or supplement any provision herein that may be inconsistent with any other provision herein, to make any other provisions with respect to matters or questions arising under this Trust Agreement, or to modify, alter, amend, add to or rescind, in any particular, any of the terms or provisions contained in this Trust Agreement; provided, that any such modification, alteration, amendment, addition or replacement does not materially adversely affect the interests of the Owners, or

(b) To grant to or confer upon the Trustee for the benefit of the Owners any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the Owners or the Trustee, including provisions relating to a mortgage and security interest on a Project pursuant to Section 7.07 hereof, or

(c) To add to the provisions of this Trust Agreement other conditions, limitations and restrictions thereafter to be observed, or

(d) To add to the covenants and agreements of the Corporation or the Board in this Trust Agreement other covenants and agreements thereafter to be observed by the Corporation or the Board or to surrender any right or power herein reserved to or conferred upon the Corporation or the Board, or

(e) To permit the qualification of this Trust Agreement under any federal statute now or hereafter in effect or under any state Blue Sky law, and, in connection therewith, if the Corporation and the Board so determine, to add to this Trust Agreement or any supplemental trust agreement such other terms, conditions and provisions as may be permitted or required by such federal statute or Blue Sky law, or

(f) To provide for the issuance of Taxable Certificates in bearer form, or

(g) To provide for the issuance of Certificates under a book-entry system, or

61

for any of the purposes of this Section, the Trustee shall, at the expense of the Board, cause notice of the proposed execution of such Supplemental Trust Agreement to be mailed, postage prepaid, to all affected Owners, to each affected Credit Enhancer and to each rating agency which shall rate the Certificates. Such notice shall briefly set forth the nature of the proposed Supplemental Trust Agreement and shall state that copies thereof are on file at the Principal Office of the Trustee for inspection by all Owners. The Trustee shall not, however, be subject to any liability to any Owner by reason of its failure to mail the notice required by this Section, and any such failure shall not affect the validity of such Supplemental Trust Agreement when approved and consented to as provided in this Section.

(c) Whenever, at any time within three years after the date of the mailing of such notice, the Corporation or the Board shall deliver to the Trustee an instrument or instruments in writing purporting to be executed by the Owners of not less than a majority of the aggregate principal amount of Certificates then outstanding as required hereunder and each affected Credit Enhancer, which instrument or instruments shall refer to the proposed Supplemental Trust Agreement described in such notice and shall, specifically consent to and approve the execution thereof in substantially the form of the copy thereof referred to in such notice, thereupon, but not otherwise, the Trustee may execute such Supplemental Trust Agreement in substantially such form, without liability or responsibility to any Owner, whether or not such Owner shall have consented thereto.

(d) If the Owners of not less than a majority in aggregate principal amount of Certificates Outstanding as required hereunder and each affected Credit Enhancer at the time of the execution of such Supplemental Trust Agreement shall have consented to and approved the execution thereof as herein provided, no Owner shall have any right to object to the adoption of such Supplemental Trust Agreement, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Corporation, the Board and the Trustee from executing the same or from taking any action pursuant to the provisions thereof.

(e) Upon the execution of any Supplemental Trust Agreement pursuant to the provisions of this Section, this Trust Agreement shall be and be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Trust Agreement of the Corporation, the Board the Trustee and all Owners shall thereafter be determined, exercised and enforced in all respects pursuant to the provisions of this Trust Agreement as so modified and amended.

63

SECTION 11.03. MODIFICATION OF TRUST AGREEMENT WITH CONSENT OF CREDIT ENHANCERS ONLY. If each Series of Certificates adversely affected by an amendment or amendments in a Supplemental Trust Agreement is insured or guaranteed by a Credit Enhancer, and such Credit Enhancer has honored all its obligations under its municipal bond insurance policy or Credit Facility, as the case may be, the Board, the Trustee and the Corporation may enter into one or more Supplemental Trust Agreements which amends all or any part of Articles I, II, III, IV, V, VI, VII, VIII, IX, X or XIII hereof with the written consent of such Credit Enhancers. The consent of the Owners shall not be necessary. Notice of all amendments shall be delivered to S&P and Moody's prior to the effective date of any such amendment. The foregoing right of amendment does not apply to any amendments to Section 7.05 hereof nor may such amendment permit modifications prohibited in Section 11.02(a) hereof. Upon filing with the parties hereto of the consent of the Credit Enhancers as aforesaid, a Supplemental Trust Agreement may be entered into. Subsequent to execution of such Supplemental Trust Agreement notice thereof shall be mailed to the Owners in the same manner as notice of amendment under Section 11.02 hereof.

SECTION 11.04. RESPONSIBILITIES OF TRUSTEE, BOARD AND CORPORATION UNDER THIS ARTICLE. The Trustee, the Board and the Corporation shall be entitled to exercise their discretion in determining whether or not any proposed Supplemental Trust Agreement or any term or provision therein contained is desirable, after considering the purposes of such instrument, the needs of the Corporation and the Board, the rights and interests of the Owners, and the rights, obligations and interests of the Trustee, and the Trustee shall not be under any responsibility or liability to the Corporation, the Board or to any Owner or to anyone whomsoever for its refusal in good faith to execute any such Supplemental Trust Agreement if such trust agreement is deemed by it to be contrary to the provisions of this Article. The Trustee shall be entitled to receive, and shall be fully protected in relying upon, the opinion of any counsel approved by it, who may be counsel for the Corporation or the Board or Special Counsel, as conclusive evidence that any such proposed Supplemental Trust Agreement does or does not comply with the provisions of this Trust Agreement, and that it is or is not proper for it, under the provisions of this Article, to accept such Supplemental Trust Agreement.

SECTION 11.05. CONSENT OF BOARD NOT REQUIRED. Anything herein to the contrary notwithstanding, no such Supplemental Trust Agreement need be consented to or executed by the Board if the Board is in default under the Lease Agreement or an Event of Non-Appropriation has occurred.

SECTION 11.06. NOTICE OF SUPPLEMENTAL TRUST AGREEMENT. Copies of any Supplemental Trust Agreement executed pursuant to the provisions of this Article XI shall be sent to Standard & Poor's

SECTION 12.01. DEFEASANCE. At such time as a Certificate shall be deemed to be paid hereunder as aforesaid such Certificate shall no longer be deemed to be outstanding hereunder and shall no longer be secured by or entitled to the benefits of this Trust Agreement, except for the purposes of any such payment from such moneys or Refunding Securities. Notwithstanding the foregoing, the provisions of this Trust Agreement relating to the maturity of the Certificates, interest payments and interest Payment Dates, redemption provisions, exchange, transfer and registration of Certificates, replacement of mutilated, destroyed, lost or stolen Certificates, the safekeeping and cancellation of Certificates, non-presentment of Certificates, the holding of moneys in trust, and the duties of the Trustee in connection with all of the foregoing, remain in effect and shall be binding upon the Trustee and the Owners notwithstanding the release and discharge of the lien of the Trust Agreement. (f) For purposes of determining whether Variable Rate Certificates shall be deemed to have been paid prior to the maturity or the redemption date thereof, as the case may be, by the deposit of moneys, or specified Refunding Securities and moneys, if any, in accordance with this Section, the interest to come due on such Variable Rate Certificates on or prior to the maturity or redemption date thereof, as the case may be, shall be calculated at the Maximum Interest Rate; provided, however, that if on any date, as a result of such Variable Rate Certificates having borne

67

interest at less than the Maximum Interest Rate for any period, the total amount of moneys and specified Refunding Securities on deposit for the payment of interest on such Variable Rate Certificates is in excess of the total amount which would have been required to be deposited on such date in respect of such Variable Rate Certificates in order to satisfy this Section, such excess shall be paid to the Board free and clear of any trust, lien, pledge or assignment securing the Certificates or otherwise existing under this Trust Agreement.

(g) Notwithstanding anything to the contrary set forth in this Article XII, the obligations of the Board under Section 6.03 of the Lease Agreement with respect to any Certificates (other than Taxable Certificates) defeased pursuant to this Article XII shall survive any such defeasance.

(a) Unless otherwise set forth in the Supplemental Trust Agreement authorizing the issuance of more than one Series of Certificates, each Certificate within a Series of Certificates executed and delivered pursuant to this Trust Agreement and each Hedge Obligation related thereto shall rank pari passu and be equally and ratably secured under this Trust Agreement with each other Certificate of such Series and each Hedge Obligation related thereto, but not with any Certificate of any other Series issued pursuant to this Trust Agreement and Outstanding or any Hedge Obligation related thereto, without preference, priority or distinction of any such Certificate, Hedge Obligation over any other such Certificate, Hedge Obligation, except that to the extent that Basic Rent Payments available for payment to all Certificateholders, each Hedge Obligation related thereto, are less than all amounts owed with respect to all Series of Certificates, all Hedge Obligations on any Payment Date, such amounts available shall be applied on a pro-rata basis to Certificateholders of all Series and all related Counterparties in accordance with the ratio that the principal balance of each Series of Certificates Outstanding bears to the total amount of Certificates Outstanding under this Trust Agreement.

All moneys on deposit in the Subaccounts described in this Section shall be applied in accordance with Section 401 hereof and shall be disbursed by the Trustee in the manner and for the purposes described in the Trust Agreement.

herein shall refer to such new nominee of DTC; and upon receipt of such notice, the Board shall promptly deliver a copy of the same to the Trustee.

Upon (A) receipt by the Board of written notice from DTC (i) to the effect that a continuation of the requirement that all of the outstanding Series 2016A Certificates be registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, is not in the best interest of the beneficial owners of the Series 2016A Certificates or (ii) to the effect that DTC is unable or unwilling to discharge its responsibilities and no substitute depository willing to undertake the functions of DTC hereunder can be found which is willing and able to undertake such functions upon reasonable and customary terms, or (B) determination by the Board, in its sole discretion upon compliance with applicable DTC policies and procedures, that such book-entry only system is burdensome to the Board, the Series 2016A Certificates shall no longer be restricted to being registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, but may be registered in whatever name or names holders shall designate, in accordance with the provisions hereof. In such event, the Board shall issue and the Trustee shall authenticate, transfer and exchange Series 2016A Certificates of like principal amount and maturity, in denominations of \$5,000 or any integral multiple thereof to the holders thereof in accordance with the provisions of the Trust Agreement. The foregoing notwithstanding, until such time as participation in the book-entry only system is discontinued, the provisions set forth in the Blanket Issuer Letter of Representations to be executed by the Board and delivered to DTC shall apply to the payment of principal of and interest on the Series 2016A Certificates.

The Owners of the Series 2016A Certificates shall have no claim against, nor receive any benefits from, any portion of the Trust Estate derived from the sale, reletting or other disposition of Projects, other than the Series 2007 Project (on a pro rata basis with the Outstanding Series 2007 Certificates), or any cash, securities and investments in the Pledged Accounts, other than the Series 2016A Pledged Accounts.

**ARTICLE V

SECTION 501. PREPAYMENT DATES AND PRICES OF SERIES 2016A CERTIFICATES. The Series 2016A Certificates are subject to prepayment only as provided in this Section. The Series 2016A Certificates are not subject to extraordinary mandatory prepayment prior to maturity pursuant to Section 6.03(g) of the Trust Agreement or Section 5.08(c) of the Lease Agreement.

(a) The Series 2016A Certificates maturing on and after July 1, 2027 may be prepaid at the option of the Board from prepayments of Basic Rent made by the Board pursuant to the Lease Agreement, in whole or in part on July 1, 2026 or any date thereafter, and if in part, by lot within a maturity in such manner as may be designated by the Trustee, at a Prepayment Price equal to the principal amount of the Series 2016A Certificates or portion thereof to be prepaid, plus accrued and unpaid interest thereon to the optional prepayment date, without premium.

(c) Notwithstanding any provisions of the Trust Agreement to the contrary, the Board shall not be required to deposit funds with the Trustee prior to the mailing by the Trustee of any notice of prepayment thereunder, provided that in such case any notice of any prepayment of Series 2016A Certificates shall explicitly state that the proposed prepayment is conditioned on there being on deposit in the applicable account or subaccount on the prepayment date sufficient funds to pay the full Prepayment Price of the Series 2016A Certificates to be prepaid or any other conditions as may be set forth in such notice of prepayment. In the event the conditions stated in the notice of prepayment are not satisfied on the proposed prepayment date, such prepayment shall not occur and such notice of prepayment shall be of no further force or effect. incumbency certificate listing authorized officers with the authority to provide such directions (each an "Authorized Officer") and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended whenever a person is to be added or deleted from the listing. If the Corporation or the Board elects to give the Trustee directions using Electronic Means and the Trustee in its discretion elects to act upon such directions, the Trustee's understanding of such directions shall be deemed controlling. The Corporation and the Board each understands and agrees that the Trustee cannot determine the identity of the actual sender of such directions and that the Trustee shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. The Corporation and the Board, as the case may be, shall each be responsible for ensuring that only Authorized Officers transmit such directions to the Trustee and that all Authorized Officers treat applicable user and authorization codes, passwords and/or authentication keys as confidential and with extreme care. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such directions notwithstanding such directions conflict or are inconsistent with a subsequent written direction. Each of the Corporation and the Board agree: (i) to assume all risks arising out of the use of Electronic Means to submit directions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized directions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting directions to the Trustee and that there may be more secure methods of transmitting directions and (iii) that the security procedures (if any) to be followed in connection with its transmission of directions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances. "Electronic Means" shall mean the following communications methods: S.W.I.F.T., e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys, or another method or system specified by the Trustee as available for use in connection with its services hereunder.

Re: \$53,350,000 Refunding Certificates of Participation (School Board of Hillsborough County, Florida Master Lease Program), Series 2016A Evidencing an Undivided Proportionate Interest of Owners thereof in Basic Rent Payments to be made under a Master Lease-Purchase Agreement by the School Board of Hillsborough County, Florida

Ladies and Gentlemen:

This letter of instructions is intended to set forth certain duties and requirements regarding the payment of rebatable arbitrage to the United States Treasury in compliance with Section 148(f) of the Internal Revenue Code of 1986, as amended (the "Code") to the extent necessary to preserve the tax-exempt treatment of interest on the above-referenced Refunding Certificates of Participation (the "Series 2016A Certificates"). The instructions contained in this letter are based upon said Section 148(f) of the Code and, by analogy, to the Regulations. However, it is not intended to be exhaustive.

The Series 2016A Certificates have been issued pursuant to a Master Trust Agreement, dated as of April 1, 1994, as amended and supplemented, including, in particular, by the Series 2016A Supplemental Trust Agreement, dated as of March 1, 2016 (collectively, the "Trust Agreement"), among The Bank of New York Mellon Trust Company, N.A., as trustee (the "Trustee"), the Hillsborough School Board Leasing Corporation, a Florida not-for-profit corporation, as lessor (the "Corporation"), and The School Board of Hillsborough County, Florida, a school board of the State of Florida, as lessee (the "Board"). The Series 2016A Certificates represent undivided proportionate interests of the Owners of the Series 2016A Certificates in a portion of the

S-1

"Certificate Year" means any one-year period (or shorter period from the Issue Date) ending on the close of business on the day preceding the anniversary of the Issue Date; provided, however, that the Board may select any other day as the end of a Certificate Year if such selection is made prior to the earlier of the final maturity date of the Series 2016A Certificates or the fifth anniversary of the Issue Date.

"Computation Date" means (i) any date selected by the Board which is not more than 5 years later than the later of (x) the date of issue or (y) the most recent Computation Date and (ii) the date all Series 2016A Certificates are finally paid or discharged; provided, however, that for purposes of paying any penalty due as a result of an election of the Board pursuant to Section 3(e) hereof, the Computation Date shall be the last day of each six-month period described in said Section 3(e).

"Code" means the Internal Revenue Code of 1986, as amended.

"Computation Date" means each date selected by the Board as a computation date pursuant to Section 1.148-3(e) of the Regulations and the Final Computation Date.

"Fair Market Value" means, when applied to a Nonpurpose Investment, the Fair Market Value of such Investment as determined in accordance with Section 4 hereof.

"Final Computation Date" means the date the Series 2016A Certificates are discharged.

"Gross Proceeds" means, with respect to the Series 2016A Certificates:

- (1) Amounts constituting Sale Proceeds of the Series 2016A Certificates.
- (2) Amounts constituting Investment Proceeds of the Series 2016A Certificates.
- (3) Amounts constituting Transferred Proceeds of the Series 2016A Certificates.
- (4) Other amounts constituting Replacement Proceeds of the Series 2016A Certificates.
- (5) Amounts that constitute Pledged Moneys (as defined below) and that are derived directly or indirectly from the Board (or a governmental unit of which the Board is a part) or any other person who substantially benefits from the issuance of the Series 2016A Certificates.

"Investment Proceeds" means any amounts actually or constructively received from investing proceeds of the Series 2016A Certificates.

S-3

Basic Rent Payments to be made under a Master Lease-Purchase Agreement, dated as of April 1, 1994, as amended and supplemented, in particular as amended and supplemented by a Second Amended and Restated Lease Schedule No. 2007, dated as of March 1, 2016 (collectively, the "Lease Agreement"), each between the Corporation and the Board. Pursuant to an Assignment of Lease Agreement, dated as of April 1, 1994, as amended, between the Corporation and the Trustee, the Corporation has assigned all of its rights, title and interest in and to the Second Amended and Restated Lease Schedule No. 2007 (other than certain rights and obligations specifically excepted therein), including, without limitation, the right to receive the Basic Rent Payments, when due, to the Trustee for the benefit of the Owners of the Series 2016A Certificates and the Outstanding Series 2007 Certificates.

Since the requirements of said Section 148(f) are subject to amplification and clarification, it may be necessary to supplement or modify the instructions contained in this letter from time to time to reflect any additional or different requirements of said Section and the Regulations or to specify that actions set forth in this letter are no longer required or that some further or different action is required to maintain or assure the exemption from federal income tax of the interest on the Series 2016A Certificates.

For purposes of this letter, any instructions relating to a fund, account or subaccount established under the Trust Agreement shall be deemed to apply only to that portion of such fund, account or subaccount allocable to the Series 2016A Certificates.

1. Tax Covenants. Pursuant to the Trust Agreement, the Corporation and the Board have made certain covenants designed to assure that the Interest Component of the Basic Rent Payments is and shall remain excludable from gross income for purposes of federal income taxation. In order to preserve this exemption neither the Corporation nor the Board should, directly or indirectly, use or permit the use of any proceeds of the Series 2016A Certificates or the Lease Payments or any other funds or take or omit to take any action that would cause the Series 2016A Certificates to be "arbitrage bonds" within the meaning of Section 148 of the Code or that would cause the Interest Component of the Basic Rent Payments to be subject to be included in gross income for federal income tax purposes under the provisions of the Code. The Board must comply with all other requirements as shall be determined by Special Counsel to be necessary or appropriate to assure that the Interest Component of the Basic Rent Payments will be excludable from gross income for purposes of federal income taxation. To that end, the Corporation and the Board shall comply with all requirements of Section 148 of the Code to the extent applicable to the Series 2016A Certificates.

2. Definitions. Capitalized terms used in this letter, but not otherwise defined herein, shall have the same meanings set forth in Exhibit A to the Trust Agreement and in the Board's Certificate as to Arbitrage and Certain Other Tax Matters relating to the Series 2016A Certificates.

S-2

"Investment Property" means any security, obligation or other property held principally as a passive vehicle for the production of income, within the meaning of Section 1.148-1(b) of the Regulations.

"Issue Date" means March 31, 2016.

"Net Proceeds" means Sale Proceeds, less the portion of such Proceeds invested in a reasonably required reserve or replacement fund under the Code.

"Nonpurpose Investment" shall have the meaning ascribed to such term in Section 148 of the Code and shall include any Investment Property in which Gross Proceeds are invested which is not acquired to carry out the governmental purpose of the Series 2016A Certificates, e.g., obligations acquired with Gross Proceeds that are invested temporarily until needed for the governmental purpose of the Series 2016A Certificates, that are used to discharge a prior issue, or that are invested in a reasonably required reserve or replacement fund.

"Nonpurpose Payments" shall include the payments with respect to Nonpurpose Investments specified in Section 1.148-3(d)(1)(i)-(v) of the Regulations.

"Nonpurpose Receipts" shall include the receipts with respect to Nonpurpose Investments specified in Section 1.148-3(d)(2)(i)-(iii) of the Regulations.

"Pledged Moneys" means moneys that are reasonably expected to be used directly or indirectly to pay debt service on the Series 2016A Certificates (or to reimburse a municipal bond insurer) or as to which there is a reasonable assurance that such moneys or the earnings thereon will be available directly or indirectly to pay debt service on the Series 2016A Certificates (or to reimburse a municipal bond insurer) if the Board encounters financial difficulties.

"Pre-Issuance Accrued Interest" means amounts representing interest that has accrued on an obligation for a period of not greater than one year before its issue date but only if those amounts are paid within one year after the Issue Date.

"Proceeds" means any Sale Proceeds, Investment Proceeds and Transferred Proceeds of the Certificates.

"Qualified Administrative Costs" means reasonable, direct administrative costs, other than carrying costs, such as separately stated brokerage and selling commissions that are comparable to those charged nongovernmental entities in transactions not involving tax-exempt bond proceeds, but not legal and accounting fees, recordkeeping, custody or similar costs. In addition, with respect to a guaranteed investment contract or investments purchased for a yield restricted defeasance escrow, such costs will be considered reasonable if (1) the amount of the fee the Board treats as a Qualified Administrative Cost does not exceed the lesser of (a) \$39,000 (for calendar year 2016), or

S-4

(b) the greater of (x) .2% of the "computational base," or (y) \$4,000; and (2) the Board does not treat as Qualified Administrative Costs more than \$110,000 (for calendar year 2016) in brokers' commissions or similar fees with respect to all guaranteed investment contracts and investments for yield restricted defeasance escrows purchased with Gross Proceeds of the issue. For purposes of this definition only, "computational base" shall mean, with respect to guaranteed investment contracts, the amount of Gross Proceeds the Board reasonably expects, as of the date the contract is acquired, to be deposited in the guaranteed investment contract over the term of the contract and for investments other than guaranteed investment contracts, "computational base" shall mean the amount of Gross Proceeds initially invested in such investments. The above-described safe harbor dollar amounts shall be increased each calendar year for cost-of-living adjustments pursuant to Section 1.148-5(e) of the Regulations.

"Rebatable Arbitrage" means, as of any Computation Date, the excess of the future value of all Nonpurpose Receipts over the future value of all Nonpurpose Payments.

"Rebate Fund" means the Rebate Fund established pursuant to the Trust Agreement and described in Section 3 hereof.

"Regulations" means Treasury Regulations Sections 1.148-0 through 1.148-11, 1.149(b)-1 and (d)-1, and 1.150-0 through 1.150-2, as amended, and any regulations amendatory, supplementary or additional thereto.

"Replacement Proceeds" means amounts that have a sufficiently direct nexus to the Series 2016A Certificates or to the governmental purpose of the Series 2016A Certificates to conclude that the amounts would have been used for that governmental purpose if the Proceeds of the Series 2016A Certificates were not used or to be used for that governmental purpose. For this purpose, governmental purposes include the expected use of amounts for the payment of debt service on a particular date. The mere availability or preliminary earmarking of amounts for a governmental purpose, however, does not in itself establish a sufficient nexus to cause those amounts to be Replacement Proceeds. Replacement Proceeds include, but are not limited to, amounts held in a sinking fund or a pledged fund. For these purposes, an amount is pledged to pay principal of or interest on the Series 2016A Certificates if there is reasonable assurance that the amount will be available for such purposes in the event that the issuer encounters financial difficulties.

"Sale Proceeds" means any amounts actually or constructively received by the Board from the sale of the Series 2016A Certificates, including amounts used to pay underwriters' discount or compensation and interest other than Pre-Issuance Accrued Interest. Sale Proceeds shall also include, but are not limited to, amounts derived from the sale of a right that is associated with a Series 2016A Certificate and that is described in Section 1.148-4(b)(4) of the Regulations.

S-5

(2) **Special Rules.** Yield restricted investments are to be valued at present value provided that (except for purposes of allocating Transferred Proceeds to an issue, for purposes of the Universal Cap and for investments in a commingled fund other than a bona fide debt service fund unless it is a certain commingled fund):

(a) an investment must be valued at its Fair Market Value when it is first allocated to an issue, when it is disposed of and when it is deemed acquired or deemed disposed of, and provided further that;

(b) in the case of Transferred Proceeds, the Value of a Nonpurpose Investment that is allocated to Transferred Proceeds of a refunding issue on a transfer date may not exceed the Value of that investment on the transfer date used for purposes of applying the arbitrage restrictions to the refunded issue.

"Yield on the Series 2016A Certificates" means, for all Computation Dates, the Yield expected as of the date hereof on the Series 2016A Certificates over the term of such Series 2016A Certificates computed by:

(1) using as the purchase price of the Series 2016A Certificates, the amount at which such Series 2016A Certificates were sold to the public within the meaning of Sections 1273 and 1274 of the Code; and

(2) assuming that all of the Series 2016A Certificates will be paid at their scheduled maturity dates or in accordance with any mandatory redemption requirements.

"Yield" means, generally, the discount rate which, when used in computing the present value of all the unconditionally payable payments of principal and interest on an obligation and all the payments for qualified guarantees paid and to be paid with respect to such obligation, produces an amount equal to the present value of the issue price of such obligation. Present value is computed as of the date of issue of the obligation. There are, however, many additional specific rules contained in the Regulations which apply to the calculation and recalculation of yield for particular obligations and such rules should be consulted prior to calculating the yield for the Series 2016A Certificates on any Computation Date. Yield shall be calculated on a 360-day year basis with interest compounded semi-annually. For this purpose the purchase price of a Nonpurpose Investment or Tax-Exempt Investment is its Fair Market Value, as determined pursuant to Section 4 of this letter, as of the date that it becomes allocated to Gross Proceeds of the Series 2016A Certificates.

3. Payment of Rebatable Arbitrage.

(a) In order to maintain the exemption from federal income tax of the Interest Component of the Basic Rent Payments, the Trustee, upon the written direction of the Board in accordance with Section 6.12 of the Trust Agreement, shall pay the Rebatable

S-7

"Special Counsel" means Nabors, Giblin & Nickerson, P.A., Tampa, Florida or such other firm of nationally recognized bond counsel as may be selected by the Board.

"Tax-Exempt Investment" means (i) an obligation the interest on which is excluded from gross income pursuant to Section 103 of the Code, (ii) United States Treasury-State and Local Government Series, Demand Deposit Securities, and (iii) stock in a tax-exempt mutual fund as described in Section 1.150-1(b) of the Regulations. Tax-Exempt Investment shall not include a specified private activity bond as defined in Section 57(a)(5)(C) of the Code. For purposes of these Rebate Instructions, a tax-exempt mutual fund includes any regulated investment company within the meaning of Section 851(a) of the Code meeting the requirements of Section 852(a) of the Code for the applicable taxable year; having only one class of stock authorized and outstanding; investing all of its assets in tax-exempt obligations to the extent practicable; and having at least 98 percent of (1) its gross income derived from interest on, or gain from the sale of or other disposition of, tax-exempt obligations or (2) the weighted average value of its assets represented by investments in tax-exempt obligations.

"Transferred Proceeds" shall have the meaning provided therefor in Section 1.148-9 of the Regulations.

"Universal Cap" means the value of all then outstanding Series 2016A Certificates.

"Value" (of a Series 2016A Certificate) means with respect to a Series 2016A Certificate issued with not more than two percent original issue discount or original issue premium, the outstanding principal amount, plus accrued unpaid interest; for any other Series 2016A Certificate, its present value.

"Value" (of an Investment) shall have the following meaning in the following circumstances:

(1) **General Rules.** Subject to the special rules in the following paragraph, an issuer may determine the value of an investment on a date using one of the following valuation methods consistently applied for all purposes relating to arbitrage and rebate with respect to that investment on that date:

(a) an investment with not more than two percent original issue discount or original issue premium may be valued at its outstanding stated principal amount, plus accrued unpaid interest on such date;

(b) a fixed rate investment may be valued at its present value on such date; and

(c) an investment may be valued at its Fair Market Value on such date.

S-6

Arbitrage to the United States Government at the times and in the amounts determined herein from amounts on deposit in the Rebate Fund. For purposes of determining the Rebatable Arbitrage, the Board should cause the calculations to be made by competent tax counsel or other financial or accounting advisors or persons to ensure correct application of the rules contained in the Code and the Regulations relating to arbitrage rebate and, if the Board fails to retain such advisors for such purpose, the Trustee should retain such advisors for such purpose, but only at the expense of the Board.

(b) Within 30 days after any Computation Date, the Board must calculate or cause to be calculated the Rebatable Arbitrage or any penalty due pursuant to Section 3(d) below. The Board agrees to pay the Trustee the amount of the Rebatable Arbitrage for deposit to the Rebate Fund on or before the same must be remitted by the Trustee. Upon receipt of such Rebatable Arbitrage from the Board, but in no event later than 60 days following the Computation Date, the Trustee must remit (but only from amounts received from the Board) an amount which when added to the future value of previous rebate payments is not less than 90 percent (100 percent with respect to the Computation Date on the final repayment or retirement of the Series 2016A Certificates plus the income, if any, from the investment of the Rebatable Arbitrage due the United States Government after the final Computation Date) of the Rebatable Arbitrage.

Each payment must be accompanied by Internal Revenue Service Form 8038-T.

(c) The obligation to pay Rebatable Arbitrage to the United States, as described in this letter, shall be treated as satisfied with respect to the Series 2016A Certificates if (i) Gross Proceeds are expended for the governmental purpose of the Series 2016A Certificates by no later than the date which is six months after the Issue Date and if it is not anticipated that any other Gross Proceeds will arise during the remainder of the term of the Series 2016A Certificates and (ii) the requirement to pay Rebatable Arbitrage, if any, to the United States with respect to the portion of the Reserve Account allocable to the Series 2016A Certificates, if any, is met. For purposes described above, Gross Proceeds do not include (i) amounts deposited in a bona fide debt service fund, so long as the funds therein constitute bona fide debt service funds, or a reasonably required reserve or replacement fund (as defined in Section 1.148-1 of the Regulations and meeting the requirements of Section 1.148-2(f) of the Regulations), (ii) amounts that, as of the Issue Date, are not reasonably expected to be Gross Proceeds but that become Gross Proceeds after the date which is six months after the Issue Date, (iii) amounts representing Sale or Investment Proceeds derived from any Purpose Investment (as defined in Section 1.148-1 of the Regulations) and earnings on those payments, and (iv) amounts representing any repayments of grants (as defined in Section 1.148-6(d)(4) of the Regulations). If Gross Proceeds are in fact expended by such date, then, except as to amounts, if any, on deposit in the Reserve Account, Rebatable Arbitrage with respect to such Gross Proceeds need not be calculated and no payment thereof to the United States Department of Treasury

S-8

need be made. Use of Gross Proceeds to redeem Series 2016A Certificates shall not be treated as an expenditure of such Gross Proceeds.

Notwithstanding the foregoing, if Gross Proceeds which were reasonably expected to be Gross Proceeds on the Issue Date actually become available after the date which is six months after the Issue Date, as determined by the Board, then the requirements described herein relating to the calculation of Rebateable Arbitrage and the payment thereof to the United States must be satisfied, except that no such calculation or payment need be made with respect to the initial six-month period. Any other amounts not described in this Section which constitute Gross Proceeds, other than a bona fide debt service fund, will be subject to rebate.

(d) The Board and the Trustee should keep or cause to be kept proper books of records and accounts containing complete and correct entries of all transactions relating to the receipt, investment, disbursement, allocation and application of the moneys related to the Series 2016A Certificates, including moneys derived from, pledged to, or to be used to make payments on the Series 2016A Certificates. Such records shall, at a minimum, be sufficient to enable the Board to calculate the Rebateable Arbitrage and, if necessary, shall specify the account or fund to which each investment (or portion thereof) is to be allocated and shall set forth, in the case of each investment security, (i) its purchase price, (ii) identifying information, including par amount, coupon rate, and payment dates, (iii) the amount received at maturity or its sale price, as the case may be, including accrued interest, (iv) the amounts and dates of any payments made with respect thereto, and (v) the dates of acquisition and disposition or maturity.

4. Market Price Rules. Except as provided below, the Board agrees to comply with the requirements relating to the "Fair Market Value" of acquired Nonpurpose Investments, as defined in Section 1.148-5(d) of the Regulations ("Fair Market Value"). All investments required to be made pursuant to this letter shall be made to the extent permitted by law. In this regard, the Board agrees, among other things, that it will not acquire or cause to be acquired a Nonpurpose Investment (or any other investment acquired with Gross Proceeds or on deposit in the Rebate Fund), for a price in excess of its Fair Market Value or sell any such investment at a price (determined without any reduction for transaction costs) less than its Fair Market Value, except as provided below. For this purpose, the following rules shall apply:

(a) Established securities markets. Except as otherwise provided below, any market especially established to provide a security or obligation to an issuer of municipal obligations shall not be treated as an established market and shall be rebuttably presumed to be acquired or disposed of for a price that is not its Fair Market Value.

(b) Arm's-length price. Any transaction in which a Nonpurpose Investment is directly purchased with Gross Proceeds, or in which a Nonpurpose Investment allocable

S-9

(ii) The bids received by the Board must meet all of the following requirements:

(1) The Board receives at least three bids from providers that the Board solicited under a Bona Fide Solicitation and that do not have a material financial interest in the issue. A lead underwriter in a negotiated underwriting transaction is deemed to have a material financial interest in the issue until 15 days after the issue date of the issue. In addition, any entity acting as a financial advisor with respect to the purchase of the investment at the time the bid specifications are forwarded to potential providers has a material financial interest in the issue. A provider that is a related party to a provider that has a material financial interest in the issue is deemed to have a material financial interest in the issue.

(2) At least one of the three bids described in paragraph (c) (ii)(1) above is from a provider that has an established industry reputation as a competitive provider of the type of investments being purchased; and

(3) If the Board uses an agent to conduct the bidding process, the agent did not bid to provide the investment.

(iii) The winning bid must meet the following requirements:

(1) Guaranteed investment contracts. If the investment is a guaranteed investment contract, the winning bid is the highest yielding bona fide bid (determined net of any broker's fees).

(2) Other Nonpurpose Investments. If the investment is not a guaranteed investment contract, the following requirements are met:

(A) The winning bid is the lowest cost bona fide bid (including any broker's fees). The lowest bid is either the lowest cost bid for the portfolio or, if the Board compares the bids on an investment-by-investment basis, the aggregate cost of a portfolio comprised of the lowest cost bid for each investment. Any payment received by the Board from a provider at the time a guaranteed investment contract is purchased (e.g., an escrow float contract) for a yield restricted defeasance escrow under a bidding procedure meeting these requirements is taken into account in determining the lowest cost bid.

(B) The lowest cost bona fide bid (including any broker's fees) is not greater than the cost of the most efficient portfolio comprised exclusively of State and Local Government Series

to Gross Proceeds is disposed of, shall be undertaken in a bona fide arm's-length manner, and no amount shall be paid to reduce the yield on the Nonpurpose Investment.

(c) Safe harbor for establishing Fair Market Value for guaranteed investment contracts and Nonpurpose Investments purchased for a yield restricted defeasance escrow. In the case of a guaranteed investment contract or Nonpurpose Investments purchased for a yield restricted defeasance escrow, the purchase price shall not be considered to be an arm's-length price unless all the following conditions are met:

(i) The Board makes a bona fide solicitation ("Bona Fide Solicitation") for the purchase of the investment that satisfies all of the following requirements:

(1) The bid specifications are in writing and are timely forwarded to potential providers;

(2) The bid specifications include all terms of the bid that may directly or indirectly affect the yield or the cost of the investment;

(3) The bid specifications include a statement notifying potential providers that submission of a bid is a representation that the potential provider did not consult with any other potential provider about its bid, that the bid was determined without regard to any other formal or informal agreement that the potential provider has with the Board or any other person (whether or not in connection with the bond issue), and that the bid is not being submitted solely as a courtesy to the Board or any other person for purposes of satisfying these requirements;

(4) The terms of the bid specifications are such that there is a legitimate business purpose for each term other than to increase the purchase price or reduce the yield of the investment (e.g., for solicitations of Nonpurpose Investments for a yield restricted defeasance escrow, the hold firm period must be no longer than the Board reasonably requires);

(5) For purchases of guaranteed investment contracts only, the terms of the solicitation take into account the Board's reasonably expected deposit and draw down schedule for the amounts to be invested;

(6) All potential providers have an equal opportunity to bid (e.g., no potential provider is given the opportunity to review other bids before providing a bid); and

(7) At least three providers are solicited for bids that have an established industry reputation as a competitive provider of the type of investments being purchased.

S-10

Securities from the United States Department of the Treasury, Bureau of Public Debt. The cost of the most efficient portfolio of State and Local Government Series Securities is to be determined at the time that bids are required to be submitted pursuant to the terms of the bid specifications. If such State and Local Government Series Securities are not available for purchase on the day that bids are required to be submitted because sales of those securities have been suspended, the cost comparison described in this paragraph is not required.

(iv) The provider of the investments or the obligor on the guaranteed investment contract certifies the administrative costs that it pays (or expects to pay) to third parties in connection with supplying the investment.

(d) The Board shall retain certificates and records documenting compliance with the above requirements until three years after the last outstanding Series 2016A Certificate is redeemed including, but not limited to, the following:

(i) For purchases of guaranteed investment contracts, a copy of the contract, and for purchases of Nonpurpose Investments other than guaranteed investment contracts, the purchase agreement or confirmation;

(ii) The receipt or other record of the amount actually paid by the Board for the investments, including a record of any administrative costs paid by the Board and the certification required in paragraph (c)(iv) above;

(iii) For each bid that is submitted, the name of the person and entity submitting the bid, the time and date of the bid, and the bid results;

(iv) The bid solicitation form and, if the terms of the purchase agreement or the guaranteed investment contract deviated from the bid solicitation form or a submitted bid is modified, a brief statement explaining the deviation and stating the purpose for the deviation; and

(v) For purchase of Nonpurpose Investments other than guaranteed investment contracts, the cost of the most efficient portfolio of State and Local Government Series Securities, determined at the time that the bids were required to be submitted.

Certificates in substantially the forms of subparagraphs (v) and (vi) above must be obtained to evidence the foregoing.

5. Records. The Board and the Trustee should retain all records with respect to the calculations required by this letter for at least six years after the date on which the

S-12

last of the principal of and interest on the Series 2016A Certificates has been paid, whether upon maturity, redemption, or acceleration thereof.

6. Modification Upon Receipt of Special Counsel Opinion.

Notwithstanding any provision of this letter, if the Board and the Trustee shall receive an opinion of Special Counsel that any specified instructions set forth in this letter are no longer required or that some further or different action is required to maintain or assure the exclusion from federal gross income of the Interest Component of the Basic Rent Payments, the Board and the Trustee may conclusively rely on such opinion in complying with the requirements of this letter and the instructions contained in this letter shall be deemed to be modified to that extent. The provisions of this and the instructions contained in this letter may be amended or modified in any manner which is necessary to comply with such regulations as may be promulgated by the United States Treasury Department from time to time.

7. Accounting for Gross Proceeds.

In order to perform the calculations required by the Code and the Regulations, it is necessary to track the investment and expenditure of all Gross Proceeds. To that end, the Board must adopt reasonable and consistently applied methods of accounting for all Gross Proceeds. Appendix I hereto sets forth a description of the required allocation and accounting rules with which the Board agrees to comply.

8. Administrative Costs of Investments.

Except as otherwise provided in this Section 8, an allocation of Gross Proceeds to a payment or receipt on a Nonpurpose Investment is not adjusted to take into account any costs or expenses paid, directly or indirectly, to purchase, carry, sell or retire the Nonpurpose Investment (administrative costs). Thus, administrative costs generally do not increase the payments for, or reduce the receipts from, Nonpurpose Investments.

In determining payments and receipts on Nonpurpose Investments, Qualified Administrative Costs are taken into account by increasing payments for, or reducing the receipts from, the Nonpurpose Investments. Qualified Administrative Costs are reasonable, direct administrative costs, other than carrying costs, such as separately stated brokerage or selling commissions, but not legal and accounting fees, recordkeeping, custody and similar costs. General overhead costs and similar indirect costs of the Board such as employee salaries and office expenses and costs associated with computing Rebutable Arbitrage are not Qualified Administrative Costs.

Allocation and accounting rules are provided in Appendix I attached hereto.

9. Board Obligations.

Except for any Rebutable Arbitrage which accrues prior to the date of termination of the Lease, the Board shall have no further obligations hereunder subsequent to the termination of the Lease Agreement.

S-13

10. Trustee Obligations. Except for matters set forth in Sections 3(a), (b) and (d) hereof and Section 6.12 of the Trust Agreement, the parties hereto agree that the Trustee shall have no further obligations hereunder or under the Trust Agreement relating to the matters set forth in this letter.

APPENDIX I

ALLOCATION AND ACCOUNTING RULES

(a) **General Rule.** Any issuer may use any reasonable, consistently applied accounting method to account for Gross Proceeds, investments and expenditures of an issue. An accounting method is "consistently applied" if it is applied uniformly within a Fiscal Period (as hereinafter defined) and between Fiscal Periods to account for Gross Proceeds of an issue and any amounts that are in a commingled fund.

(b) **Allocation of Gross Proceeds to an Issue.** Amounts are allocable to only one issue at a time as Gross Proceeds. Amounts cease to be allocated to an issue as Proceeds only when those amounts (i) are allocated to an expenditure for a governmental purpose; (ii) are allocated to Transferred Proceeds of another issue of obligations; or (iii) cease to be allocated to that issue at retirement of the issue or under the Universal Cap.

(c) **Allocation of Gross Proceeds to Investments.** Upon the purchase or sale of a Nonpurpose Investment, Gross Proceeds of an issue are not allocated to a payment for that Nonpurpose Investment in an amount greater than, or to a receipt from that Nonpurpose Investment in an amount less than, the Fair Market Value of the Nonpurpose Investment as of the purchase or sale date. The Fair Market Value of a Nonpurpose Investment is adjusted to take into account Qualified Administrative Costs allocable to the investment. Thus, Qualified Administrative Costs increase the payments for, or decrease the receipts from, a Nonpurpose Investment.

(d) **Allocation of Gross Proceeds to Expenditures.** Reasonable accounting methods for allocating funds from different sources to expenditures for the same governmental purpose include a "specific tracing" method, a "gross-proceeds-spent-first" method, a "first-in-first-out" method or a ratable allocation method, so long as the method used is consistently applied. An allocation of Gross Proceeds of an issue to an expenditure must involve a current outlay of cash for a governmental purpose of the issue. A current outlay of cash means an outlay reasonably expected to occur not later than five banking days after the date as of which the allocation of Gross Proceeds to the expenditure is made.

(e) **Commingled Funds.** Any fund or account that contains both Gross Proceeds of an issue and amounts in excess of \$25,000 that are not Gross Proceeds of that issue if the amounts in the fund or account are invested and accounted for collectively, without regard to the source of the funds deposited therein, constitutes a "commingled fund." All payments and receipts (including deemed payments and receipts) on investments held by a commingled fund must be allocated (but not necessarily distributed) among each different source of funds invested in the commingled fund in accordance with a consistently applied, reasonable ratable allocation method. Reasonable

Appendix I-1

ratable allocation methods include, without limitation, methods that allocate payments and receipts in proportion to either (i) the average daily balances of the amounts in the commingled fund from each different source of funds during any consistent time period within its fiscal year, but at least quarterly (the "Fiscal Period"); or (ii) the average of the beginning and ending balances of the amounts in the commingled fund from each different source of funds for a Fiscal Period that does not exceed one month.

Funds invested in the commingled fund may be allocated directly to expenditures for governmental purposes pursuant to a reasonable consistently applied accounting method. If a ratable allocation method is used to allocate expenditures from the commingled fund, the same ratable allocation method must be used to allocate payments and receipts on investments in the commingled fund.

Generally a commingled fund must treat all its investments as if sold at Fair Market Value either on the last day of the fiscal year or on the last day of each Fiscal Period. The net gains or losses from these deemed sales of investments must be allocated to each different source of funds invested in the commingled fund during the period since the last allocation. This mark-to-market requirement does not apply if (i) the remaining weighted average maturity of all investments held by a commingled fund during a particular fiscal year does not exceed 18 months, and the investments held by the commingled fund during that fiscal year consist exclusively of obligations; or (ii) the commingled fund operated exclusively as a reserve fund, sinking fund or replacement fund for two or more issues of the same issuer. Subject to the Universal Cap limitation, and the principle that amounts are allocable to only one issue at a time as Gross Proceeds, investments held by a commingled fund must be allocated ratably among the issues served by the commingled fund in proportion to either (i) the relative values of the bonds of those issues; (ii) the relative amounts of the remaining maximum annual debt service requirements on the outstanding principal amounts of those issues; or (iii) the relative original stated principal amounts of the outstanding issues.

(f) **Universal Cap.** Amounts that would otherwise be Gross Proceeds allocable to an issue are allocated (and remain allocated) to the issue only to the extent that the Value of the Nonpurpose Investments allocable to those Gross Proceeds does not exceed the Value of all outstanding bonds of the issue. Nonpurpose Investments allocated to Gross Proceeds in a bona fide debt service fund for an issue are not taken into account in determining the Value of the Nonpurpose Investments, and those Nonpurpose Investments remain allocated to the issue. To the extent that the Value of the Nonpurpose Investments allocable to the Gross Proceeds of an issue exceed the Value of all outstanding bonds of that issue, an issuer should seek the advice of Bond Counsel for the procedures necessary to comply with the Universal Cap.

(g) **Expenditure for Working Capital Purposes.** Subject to certain exceptions, the Proceeds of an issue may only be allocated to "working capital expenditures" as of any date to the extent that those expenditures exceed "available amounts" as of that date (i.e., "proceeds-spent-last").

Appendix I-2

For purposes of this section, "working capital expenditures" include all expenditures other than "capital expenditures." "Capital expenditures" are costs of a type properly chargeable (or chargeable upon proper election) to a capital account under general federal income tax principles. Such costs include, for example, costs incurred to acquire, construct or improve land, buildings and equipment having a reasonably expected useful life in excess of one year. Thus, working capital expenditures include, among other things, expenditures for current operating expenses and debt service.

For purposes of this section, "available amount" means any amount that is available to an issuer for working capital expenditure purposes of the type financed by the issue. Available amount excludes Proceeds of the issue but includes cash, investments and other amounts held in accounts or otherwise by an issuer for working capital expenditures of the type being financed by the issue without legislative or judicial action and without a legislative, judicial or contractual requirement that those amounts be reimbursed. Notwithstanding the preceding sentence, a "reasonable working capital reserve" is treated as unavailable. A working capital reserve is reasonable if it does not exceed five percent of the actual working capital expenditures of an issuer in the fiscal year before the year in which the determination of available amounts is made. For purpose of the preceding sentence only, in determining the working capital expenditures of an issuer for a prior fiscal year, any expenditures (whether capital or working capital expenditures) that are paid out of current revenues may be treated as working capital expenditures.

[THIS PAGE INTENTIONALLY LEFT BLANK]

The proceeds-spent-last requirement does not apply to expenditures to pay (i) any Qualified Administrative Costs; (ii) fees for qualified guarantees of the issue or payments for a qualified hedge for the issue; (iii) interest on the issue for a period commencing on the Issue Date and ending on the date that is the later of three years from the Issue Date or one year after the date on which the financed project is placed in service; (iv) the United States for yield reduction payments (including rebate payments) or penalties for the failure to meet the spend down requirements associated with certain spending exceptions to the rebate requirement; (v) costs, other than those described in (i) through (iv) above, that do not exceed five percent of the Sale Proceeds of an issue and that are directly related to capital expenditures financed by the issue (e.g., initial operating expenses for a new capital project); (vi) principal or interest on an issue paid from unexpected excess sale or Investment Proceeds; (vii) principal or interest on an issue paid from investment earnings on a reserve or replacement fund that are deposited in a bona fide debt service fund; and (viii) principal, interest or redemption premium on a prior issue and, for a crossover refunding issue, interest on that issue. Notwithstanding the preceding paragraph, the exceptions described above do not apply if the allocation merely substitutes Gross Proceeds for other amounts that would have been used to make those expenditures in a manner that gives rise to Replacement Proceeds.

accordance with the Plans and Specifications. The Corporation and the Board further agree that each Project will be acquired, constructed and installed in accordance with the Project Budget and the Project Schedule relating thereto, which shall be provided in the Lease Schedule for such Project. The Board may, at any time prior to the Completion Date for a Project, make modifications to such Project and substitute items or components constituting a portion of such Project, subject to the provisions of this Section 3.03(b), if (i) the Board files with the Trustee, as assignee of the Corporation, a certificate of an Authorized officer of the Board notifying the Trustee of such modification, addition or substitution, identifying the portion of such Project which is modified, added or substituted, and certifying that after such modification, addition or substitution, amounts on deposit in the subaccount of the Project Account relating to such Project, together with interest earnings thereon and any additional legally available sums of the Board deposited therein, will be sufficient to pay all remaining Costs of such Project, including Project Costs incurred in connection with such modification, addition or substitution and any Project Costs which shall have accrued but remain unpaid as of such date, (ii) if the modification, addition or substitution involves Equipment, either the items of substituted Equipment have a useful life equal to or greater than the useful life of the items of Equipment for which it has been substituted or the Credit Enhancer, if any, of the Certificates which shall finance the acquisition of such Equipment approves of a shorter useful life for such substituted Equipment, (iii) the Plans and Specifications, the Project Description, the Project Budget, the Project Schedule and, if necessary, the Estimated Completion Date for such amended or modified Project are each amended, as necessary, to take into account the portion of such Project which is modified, added or substituted, (iv) except as otherwise provided in Section 4.07 hereof, title to the substituted, added or modified portion of the Project shall be in the name of the Corporation, (v) if the modification or substitution involves Equipment, the substituted, added or modified Equipment shall be placed in the same Group as the Equipment for which there has been a substitution or the Credit Enhancer, if any, of the Certificates which shall finance the acquisition of such Equipment approves of the substituted or modified Equipment being placed in a different Group, and (vi) no change shall be made in the schedule of Basic Rent Payments. If the total Costs of such Project exceed the amount estimated therefor, the Board shall take the actions set forth in Section 3.05 hereof as a condition precedent to such modification, addition or substitution. The Board agrees not to lease-purchase any Equipment hereunder except to the extent consented to by the Department or otherwise permitted by applicable law.

(c) For purposes of this Lease Agreement, all materials and services in respect of which amounts are paid by the Trustee for the acquisition, construction and installation of a Project

6

The Board shall take possession of each Project, or portion thereof, upon delivery and acceptance and, where applicable, substantial completion of installation thereof. No delay in the completion of a Project, or any portion thereof, nor any extension of the Estimated Completion Date as permitted herein shall relieve the Board of its obligation to pay the Lease Payments to the extent provided herein.

(f) The Corporation and the Board shall at all times keep title to each Project and their respective interests hereunder and under the Ground Lease(s) free and clear of all liens and encumbrances of every kind whatsoever, except Permitted Encumbrances.

SECTION 3.04. PAYMENT OF COSTS OF ISSUANCE. Payment of Costs of Issuance for each Series of Certificates shall be made pursuant to Requisitions from moneys deposited with the Trustee in the subaccount of the Costs of Issuance Account established for such Series. Costs of Issuance shall be disbursed in accordance with and upon compliance with Section 6.04 of the Trust Agreement.

SECTION 3.05. LIMITATIONS ON ACQUISITION AND CONSTRUCTION. The amount of moneys available under the Trust Agreement to pay for Project Costs and Costs of Issuance for each Project is limited to an aggregate dollar amount of not more than the Maximum Cost provided in the Lease Schedule for such Project. If the Board agrees to an increase in the cost with respect to any portion of a Project or there is a cost overrun as a result of a substitution or modification in a Project as described in Section 3.03(b) hereof, and in either case, the amount in the subaccount of the Project Account relating thereto, together with interest earnings thereon, is not sufficient to pay such Project Costs and complete the acquisition, construction and installation of such Project, then the Board either (a) shall deposit to the credit of such subaccount of the Project Account the additional funds necessary to reduce such deficiency to zero (as certified to the Trustee in writing by an Authorized Officer of the Board), or (b) shall provide to the Corporation an amended Project Budget showing changes to such Project the result of which is to reduce such cost deficiency and certified to the Trustee as accurate in writing by an Authorized Officer of the Board.

SECTION 3.06. WARRANTIES; DISCLAIMERS. The Board, upon execution of a Requisition for any portion of a Project, thereby shall represent, without further act, that it has (a) thoroughly inspected such portion of such Project described therein, and (b) satisfied itself that such portion of such Project is suitable for its purposes. THE CORPORATION, NOT BEING THE VENDOR, THE DEVELOPER OR THE CONTRACTOR OF ANY PROJECT OR THE VENDOR'S AGENT, DEVELOPER'S AGENT OR CONTRACTOR'S AGENT, MAKES NO WARRANTY OR REPRESENTATIONS, EITHER EXPRESS OR IMPLIED, AS TO THE TITLE TO, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, DESIGN OR CONDITION OF, OR AS TO

8

(including moneys disbursed pursuant to Section 6.04 of the Trust Agreement for Costs of Issuance) shall be deemed accepted by the Board hereunder upon execution of the corresponding Lease Schedule and the Board shall thereby be deemed to have agreed that it has received valuable consideration for the portion of the Basic Rent representing Costs of Issuance and will, subject to the provisions of Section 7.01 hereof, pay the Lease Payments in respect of same. The provisions of this Section 3.03(c) shall not in any way limit or affect the Corporation's or the Board's rights to pursue warranty or other claims arising therefrom against any contractor, vendor or supplier of labor or materials of a Project, or any portion thereof. Each Requisition executed by the Board and submitted to the Trustee shall certify that the Board has inspected and accepted the portion of the Project which is the subject of such Requisition. Execution by the Board of a Requisition shall constitute full approval and acceptance of the items or portions of the Project identified therein for all purposes hereunder.

(d) The Corporation and the Board further agree to assure that, where applicable, the Contractors and Developers of a Project involving construction of a Building carry appropriate performance bonds, agree to liquidated damages on a daily basis for construction and delivery delays and comply with workers' compensation laws and affirmative action standards of the Board; provided, however, that (i) this provision shall not apply to any contract the total payments on which do not exceed \$100,000 and (ii) this provision shall not prohibit or limit the Board to provide for actual damages with respect to design or construction defects. Proceeds of liquidated damages received by the Corporation or the Board shall be deposited, before the Completion Date, into the subaccount of the Project Account relating to such Project and, after the Completion Date, into the subaccount of the Interest Account relating to such Project to be held for Basic Rent Payments; provided, however, that if liquidated damages are to be imposed through withholding payment from the Contractors, then the Board shall direct the Trustee to withdraw from the subaccount of the Project Account relating to such Project an amount equal to said liquidated damages and to deposit such amount in the subaccount of the Interest Account relating to such Project.

(e) The Estimated Completion Date of a Project may be extended if the Trustee shall receive an amended Lease Schedule but in no event shall such date extend beyond the third anniversary of the date of issuance of the Certificates financing said Project (unless the Estimated Completion Date has, pursuant to certification complying with the provisions of the Code, been initially established beyond the third anniversary, in which case such date shall not be extended past the date initially established) unless the Trustee shall receive an opinion of Special Counsel that such extension will not cause the Interest Component on the Basic Rent Payments to become includible in gross income of the recipients thereof for the purpose of federal income taxation.

7

THE QUALITY, CAPACITY OF THE MATERIAL OR WORKMANSHIP IN ANY PROJECT OR ANY WARRANTY THAT ANY PROJECT WILL SATISFY THE REQUIREMENTS OF ANY LAW, RULE, SPECIFICATIONS OR CONTRACT WHICH PROVIDES FOR SPECIFIC MACHINERY, OPERATORS OR SPECIAL METHODS. It is agreed that all such risks, as among the Corporation and the Board, are to be borne by the Board at its sole risk and expense, and the Board hereby agrees to look solely to the Vendors, Contractors or Developers of the Projects for all such matters. THE CORPORATION MAKES NO PATENT WARRANTIES OR REPRESENTATIONS WHATSOEVER. THE CORPORATION SHALL NOT BE LIABLE FOR ANY ACTUAL, CONSEQUENTIAL, INDIRECT OR SPECIAL DAMAGES.

SECTION 3.07. UNEXPENDED MONEYS. The Corporation and the Board agree that unexpended moneys remaining in a subaccount of the Costs of Issuance Account funded from a Series of Certificates, shall, upon payment in full of Costs of Issuance relating to such Series, be deposited in the subaccount of the Project Account relating to such Series and that excess moneys, if any, remaining in a subaccount of the Project Account funded from a Series of Certificates shall, on the Completion Date, be applied as a prepayment of Basic Rent Payments for such Series in accordance with Section 6.03(g) of the Trust Agreement.

SECTION 3.08. APPOINTMENT OF AGENCY. (a) The Corporation hereby appoints the Board as its agent to carry out all phases of the acquisition, construction and installation of the Projects, and the Board, as agent of the Corporation, assumes all rights, duties, responsibilities and liabilities of the Corporation regarding acquisition, construction and installation of the Projects, except as limited herein.

(b) The Board, as agent of the Corporation, may enter into any purchase order, agreement or contract required for acquisition, construction and installation of a Project, or any portion thereof, including a turn-key Construction Contract with a Developer, upon being assured that moneys sufficient for the payment thereof are then on deposit in the subaccount of the Project Account related thereto. Each such purchase order, agreement and contract shall be executed by the Board, as agent for the Corporation, in accordance with Section 6A-2, Florida Administrative Code. The benefits of all bids received by the Board for the components of a Project shall be deemed to be assigned by the Board to Corporation. The Board shall comply with all applicable laws in letting contracts or purchase orders in regard to the acquisition, construction and installation of a Project.

(c) Prior to the Completion Date for such Project, the Board, as agent of the Corporation, shall have the right to make any changes in the description of a Project or modify or substitute components thereof, or of any component or portion thereof, whenever the Board deems such changes to be necessary and

9

appropriate; provided, however, that the Board must comply with the provisions of Section 3.03(b) hereof.

(d) The Board, as agent of the Corporation, shall have sole responsibility for, and shall supervise, acquisition, construction and installation of each Project. The Board shall monitor the performance by each Vendor, Developer or Contractor to the extent the Board deems appropriate. The Board shall permit the Corporation, or its assignee, to inspect each Project at any and all reasonable times upon giving the Board prior notice of the inspection. The Corporation or its assignee shall comply with all rules and regulations established by the Board with respect to personal safety and security during such inspections.

(e) The Corporation hereby assigns to the Board all rights and powers to enforce and execute in its own name or the name of the Corporation such purchase orders, agreements or contracts as are required for each Project which enforcement may be at law or in equity; provided, however, that the assignment made by the Corporation herein shall not prevent the Corporation, or its assignee, from asserting said rights and powers in its own behalf following written notice to the Board.

(f) Except with respect to Completion Certificates, the Corporation shall not be responsible for payment of, nor shall it pay nor permit to be paid by Trustee pursuant to the Trust Agreement, any amount for a Project in excess of the amount available therefor in the subaccount of the Project Account related thereto held by Trustee pursuant to the Trust Agreement. The Board shall pay said excess amount as provided in Section 3.05 hereof.

(g) The Corporation, or its assignee, shall have the right to inspect periodically the books and records of the Board relating to each Project, and the Board shall permit the Corporation, or its assignee, to make such inspections thereof at all reasonable times and upon reasonable notice as the Board shall deem appropriate.

(h) The Board agrees that it will be the sole responsibility of the Board that each Project will be acquired, constructed and installed in accordance with the Plans and Specifications, as the same may be amended from time to time as permitted herein. The Board shall be obligated, subject to the conditions stated herein, to pay in full the Lease Payments regardless of whether such Project is acquired, constructed or installed in accordance with the Plans and Specifications.

(i) The Board shall use its best efforts to acquire, construct and install each Project by the dates set forth in the Project Schedule relating thereto. The Board hereby agrees to use its best efforts to obtain, in each Construction Contract, provisions such that if the acquisition, construction or installation of any portion of such Project has not been completed

10

by the Contractor or Developer through the fault of such Contractor or Developer by such dates, the Board may assess liquidated damages against the Contractor or Developer for each day completion is delayed in an amount equal to the part of the Lease Payments associated with such portion of such Project not completed, prorated to obtain a daily rate.

(j) To the extent that a Project consists of the acquisition of Land (rather than improvements to real property), nothing in this Lease Agreement shall be construed to prohibit the acquisition of such Land by the exercise of the power of eminent domain so long as the title to such real property will ultimately vest in the Corporation and so long as such acquisition shall be permitted by applicable law. The Corporation hereby agrees to take all action reasonably requested by the Board to enable the Board to institute and prosecute successfully any eminent domain proceedings instituted by the Board.

ARTICLE IV

LEASE OF PROJECTS; LEASE PAYMENTS

SECTION 4.01. LEASE OF PROJECTS. In consideration of the payment of the Board to the Corporation, or its assignee, of the Lease Payments and for other valuable consideration, the Corporation hereby leases from time to time each Project to the Board upon the terms and conditions contained herein, as modified by the Lease Schedule relating to such Project. The Board may modify each Project or may substitute or dispose components or portions of a Project as provided in Sections 3.03(b), 5.13 and 5.14 hereof.

SECTION 4.02. TERM OF AGREEMENT. Effective as of the Commencement Date described in the Lease Schedule relating to each Project, the Corporation agrees to rent and lease to the Board and the Board agrees to rent and lease from the Corporation each such Project for the Initial Lease Term. The Initial Lease Term of each Project shall commence on the Commencement Date relating thereto and terminate on the Initial Lease Termination Date relating thereto. Unless this Lease Agreement is terminated pursuant to Sections 4.06, 7.01 or 7.03 hereof, this Lease Agreement will automatically be renewed on the Initial Lease Termination Date for each Project and each succeeding Renewal Term Termination Date relating thereto for the next succeeding Renewal Lease Term until all Lease Payments in regard to all the Projects shall be made and the Certificates are no longer outstanding. Each Renewal Lease Term shall be for a period of one (1) year. The number of Renewal Lease Terms plus the Initial Lease Term for a Project shall not exceed the Maximum Lease Term described in the Lease Schedule for such Project.

SECTION 4.03. LEASE PAYMENTS. (a) For the right to use and possession of each of the Projects, the Board shall, subject to the provisions of Sections 4.06 and 7.01 hereof, pay to the Trustee, as assignee of the Corporation, the Basic Rent and the Supplemental Rent as hereinafter described.

(b) The Board agrees to pay as lease rental hereunder for each Project, the Basic Rent on or prior to the Basic Rent Payment Dates as set forth in the Lease Schedule relating thereto, as the same may be modified or amended from time to time following any prepayment of Basic Rent for the lease of such Project. Basic Rent Payments consist of a Principal Component and an Interest Component which shall be stated in each Lease Schedule. The portion of Basic Rent attributable to the Interest Component shall not exceed the maximum rate permitted by Section 215.84, Florida Statutes. Each Project may be divided into Groups of leased property as described in the Lease Schedule relating thereto. The Principal Component and Interest Component attributed to each Group of leased property

12

shall be provided in the Lease Schedule relating thereto. The Board hereby agrees that it shall make all Basic Rent Payments coming due on each Basic Rent Payment Date on or prior to each such Basic Rent Payment Date in accordance with the applicable Lease Schedule, subject to the provisions of Sections 4.06 and 7.01 hereof. THE BOARD SHALL NOT BUDGET AND APPROPRIATE AVAILABLE REVENUES FOR A PORTION OF THE PROJECTS LEASED PURSUANT TO THIS LEASE AGREEMENT; IT MUST BUDGET AND APPROPRIATE LEASE PAYMENTS FOR ALL OF THE PROJECTS DESCRIBED ON ALL LEASE SCHEDULES ENTERED INTO PURSUANT TO THIS LEASE AGREEMENT OR NONE OF THEM. All Basic Rent Payments shall be paid in arrears. The Board shall pay the Basic Rent due hereunder to the Trustee at its Principal Office and the Trustee shall apply same as provided in the Trust Agreement. The Board shall specify which subaccount of the Interest Account and Principal Account the Basic Rent Payments shall be deposited in. To the extent that moneys have been deposited and are available with the Trustee from the proceeds of a Series of Certificates for the purpose of paying Basic Rent relating to a Project pursuant to Section 6.01 of the Trust Agreement, the amount to be appropriated shall not be reduced but the Board shall not be required to transfer funds to the Trustee for payments of such Basic Rent, and the Board shall receive a credit against its obligation to pay such Basic Rent for such amounts on deposit with the Trustee.

(c) Each annual aggregate payment of Basic Rent due hereunder shall be for the right to possess the Projects for each Fiscal Year in which moneys have been appropriated by the Board to pay the Basic Rent coming due in such Fiscal Year, provided that the Basic Rent for the period for which a portion of the proceeds of a Series of the Certificates have been deposited with the Trustee shall be paid from such proceeds, it being hereby acknowledged that said moneys constitute special funds held by the Trustee pursuant to this Lease Agreement and the Trust Agreement to be applied for such purpose.

(d) Commencing with the first Basic Rent Payment Date for the initial Project and on each Basic Rent Payment Date thereafter during which any Projects are leased hereunder, there shall be applied as a credit (provided there are no delinquent Basic Rent Payments) against the aggregate amount of Basic Rent payable on such date for the corresponding Lease Schedule an amount which shall be stated in a report of the Trustee given to the Board pursuant to Section 6.11 of the Trust Agreement, which amount shall be equal to the sum of (i) the amount of interest and other income deposited in each subaccount of the Interest Account pursuant to Sections 6.05 and 6.10 of the Trust Agreement since the date of the previous report made by the Trustee pursuant to Section 6.11 of the Trust Agreement, (ii) the amount of moneys, if any, transferred to subaccounts of the Interest Account and Prepayment Fund pursuant to Section 6.03(g) of the Trust Agreement since the date of the previous report made by the Trustee pursuant to Section 6.11 of the Trust Agreement, (iii) the amount of moneys, if any, transferred to

13

each subaccount of the Interest Account pursuant to Section 6.07(f) of the Trust Agreement since the date of the previous report made by the Trustee pursuant to Section 6.11 of the Trust Agreement, plus (iv) the amount, if any, or deposit in each subaccount of the Principal Account and Interest Account on the date of the report made by the Trustee pursuant to Section 6.11 of the Trust Agreement which is not derived from the sources described in clauses (i), (ii) and (iii) above. In the event that the total amount of credit exceeds the Basic Rent due on the Basic Rent Payment Date for the corresponding Lease Schedule, the amount of said excess shall be applied as a credit against subsequent Basic Rent Payments for such Lease Schedule. In addition, the Basic Rent may be reduced if the Board chooses to prepay any or all of the Basic Rent. Whenever moneys in the Lease Payment Fund, including all subaccounts of the Reserve Account, shall be sufficient to pay the principal of, Amortization Installments, and interest coming due on the Certificates, moneys in the Reserve Account shall be deposited in the corresponding subaccount of the Interest Account and the Principal Account as required to pay the Certificates of such Series, and no further Basic Rent Payments shall be required hereunder. Should any Basic Rent be paid later than the Basic Rent Payment Date to which such Basic Rent pertains, such Basic Rent shall bear interest at the Overdue Rate from such Basic Rent Payment Date to and inclusive of the date of actual payment.

(e) In addition to the Basic Rent, the Board hereby agrees to pay and discharge from time to time as provided herein, as Supplemental Rent, all other amounts, liabilities and obligations which the Board assumes or agrees to pay to the Corporation, the Trustee, any Credit Enhancers or the issuer of any Reserve Account Insurance Policy or Reserve Account Letter of Credit pursuant to the terms and provisions of any agreements between the Board and such parties, or to others with respect to this Lease Agreement, the Trust Agreement or the Projects, together with interest on any overdue amount, at the Overdue Rate to the date of actual payment. Supplemental Rent shall include, but not be limited to, any redemption premium attributable to the Certificates, the fees and expenses (including reasonable counsel fees and expenses) incurred by the Trustee pursuant to the Trust Agreement or hereunder, all fees and expenses of the Corporation relating to the lease of the Projects or to its corporate existence, and all ongoing expenses relating to the financing of the Projects. The Supplemental Rent shall be paid to Trustee for application in accordance with the terms hereof and of the Trust Agreement.

(f) The Board hereby authorizes the Trustee, as assignee of the Corporation, (i) to create a Reserve Account to be held by the Trustee under the Trust Agreement and to create a separate subaccount within the Reserve Account for each Series of Certificates unless otherwise provided by the Lease Schedule relating thereto, (ii) to deposit in each subaccount of the Reserve Account either a portion of the proceeds from the sale of the

14

reason or purpose in any amount whatsoever. No endorsement or statement on any check or letter of the Board shall be deemed as accord and satisfaction or otherwise recognized for any purpose whatsoever. The acceptance of any such payment shall be without prejudice to the Corporation's and Trustee's right to recover any and all amounts owed by the Board hereunder and the Corporation's and Trustee's right to pursue any other available remedy but in all events payable only from Available Revenues lawfully appropriated to the payment of amounts coming due under this Lease Agreement.

SECTION 4.04. PAYMENT IN LAWFUL MONEY; NO SET-OFF. Each Lease Payment shall be paid by the Board in lawful money of the United States of America, which at the time of payment is legal tender for the payment of public and private debts, to or upon the order of the Corporation at the Principal Office of Trustee or at such other place as the Corporation, or its assignee, shall designate. Notwithstanding any dispute between the Board and the Corporation but in all events subject to Sections 4.06 and 7.01 hereof, the Board shall make or cause to be made each and all Lease Payments when due and shall not withhold or permit to be withheld any Lease Payments pending the final resolution of such dispute nor shall the Board assert or permit to be asserted any right of setoff, abatement or counter-claim against the obligation to make Lease Payments as set forth herein.

SECTION 4.05. SOURCE OF LEASE PAYMENTS. (a) The Board represents and warrants that for each Initial Lease Term and upon the renewal hereof for any Renewal Lease Term for the Projects the obligation of the Board to make Lease Payments hereunder, for such Fiscal Year of the Board, shall constitute a current expense of the Board and shall not in any way be construed to be a debt of the Board in contravention of any applicable constitutional, statutory or charter limitations or requirements concerning the creation of indebtedness by the Board. THE PAYMENTS DUE HEREUNDER ARE TO BE MADE ONLY FROM THE BOARD'S AVAILABLE REVENUES APPROPRIATED FOR SUCH PURPOSE AND NEITHER THE BOARD, THE DISTRICT, THE STATE OF FLORIDA, NOR ANY POLITICAL SUBDIVISION OR AGENCY THEREOF SHALL BE OBLIGATED TO PAY ANY SUMS DUE TO THE CORPORATION OR THE TRUSTEE HEREUNDER FROM SOURCES OTHER THAN APPROPRIATED AVAILABLE REVENUES AND THE FAITH AND CREDIT OF NEITHER THE BOARD, THE DISTRICT, NOR THE STATE OF FLORIDA NOR ANY POLITICAL SUBDIVISION OR AGENCY THEREOF IS PLEDGED FOR PAYMENT OF SUCH SUMS DUE HEREUNDER AND THE OBLIGATIONS ARISING HEREUNDER DO NOT CONSTITUTE AN INDEBTEDNESS OF THE BOARD, THE DISTRICT, OR THE STATE OF FLORIDA OR ANY POLITICAL SUBDIVISION OR AGENCY THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL, STATUTORY OR CHARTER PROVISION OR LIMITATION.

(b) All payments of Basic Rent required to be made by the Board under this Lease Agreement shall be made when due without notice or demand, and, subject to Section 7.01 hereof, shall be absolute and unconditional and without any set-off, counterclaim, abatement, deduction or defense (other than payment) whatsoever.

16

Series of Certificates relating thereto or a Reserve Account Letter of Credit/Insurance Policy equal to the Reserve Requirement relating to such Series or combination thereof, and (iii) to use such amounts or amounts drawn on the Reserve Account Letter of Credit/Insurance Policy deposited in each subaccount of the Reserve Account as set forth in Section 6.07 of the Trust Agreement. In the event the aggregate amount of any cash, the value of any Permitted Investments and the stated amount of any Reserve Account Letter of Credit/Insurance Policy in a subaccount of the Reserve Account shall be less than the Reserve Requirement provided therefor, the Board shall pay to the Trustee (x) in the event such deficiency is due to a transfer from the Reserve Account, from moneys budgeted and appropriated as Basic Rent during the current Fiscal Year and (y) in the event such deficiency is due to a reduction in value of amounts on deposit in the Reserve Account, the Board shall pay to the Trustee in each case as Supplemental Rent, an amount equal to such deficiency within thirty (30) days of receipt of notice of the deficiency from the Trustee. In the event the Trustee makes a draw on a Reserve Account Letter of Credit/Insurance Policy to pay debt service on a Series of Certificates, the Board shall cause the amount which the Trustee can draw upon such Reserve Account Letter of Credit/Insurance Policy to be reinstated to equal the Reserve Requirement for such Series (or its original stated amount, if the Board shall have deposited into the related subaccount of the Reserve Account a combination of cash and a Reserve Account Letter of Credit/Insurance Policy pursuant to this Section). In the event a Reserve Account Letter of Credit/Insurance Policy on deposit in a subaccount of the Reserve Account expires or is terminated, the Board shall, simultaneously with such expiration or termination, either replace such Letter of Credit/Insurance Policy with a subsequent Reserve Account Letter of Credit/Insurance Policy with a stated amount equal to that of the expired or terminated Letter of Credit/Insurance Policy or transfer to the Trustee, for deposit in such subaccount of the Reserve Account in which such Policy had been deposited, an amount of cash equal to the stated amount of such expired or terminated Letter of Credit/Insurance Policy.

(g) The Board hereby agrees to deposit with the Trustee from Available Revenues as required from time to time, any amounts required to be deposited in the Rebate Fund pursuant to Section 6.12 of the Trust Agreement. Such amounts shall be deemed Supplemental Rent hereunder. The obligation of the Board to pay such rebate requirement shall survive a Default or Event of Non-Appropriation, termination of this Lease Agreement and payment of all Outstanding Certificates; provided, however, the Board shall be liable only for such rebate requirement which would be owing to the United States Treasury if the same became due at the time of the termination of the Lease Agreement.

(h) The Corporation and the Trustee are entitled to accept, receive and cash or deposit any payment made by the Board for any

15

The Board shall not make partial payment of the Basic Rent coming due on any Basic Rent Payment Date.

(c) Subject to the Board's right of Non-Appropriation pursuant to Section 7.01 hereof, the Board hereby covenants to direct its Superintendent to provide for the Lease Payments in each annual tentative Budget which shall be submitted to the Board. Except as otherwise provided in Section 7.01 hereof, the Board agrees to take such action as may be necessary to include all Lease Payments (other than Lease Payments to the extent paid from Certificate proceeds then on deposit in the Lease Payment Fund) due hereunder as a separately stated line item in its Budget and to appropriate in each Fiscal Year from Available Revenues an amount necessary to make the Lease Payments due in such Fiscal Year. During the term of this Lease Agreement, the Board will furnish to the Trustee, as assignee of the Corporation, and each Credit Enhancer a copy of the portion of each official tentative and final Budget of the Board relating to such line item within twenty (20) days after it is printed. Anything in this Lease Agreement or the Trust Agreement notwithstanding, the Board and the Corporation agree that this Lease Agreement, the Trust Agreement and all of the Board's obligations to make the Lease Payments are subject to, and can be terminated by the Board upon the happening of, an Event of Non-Appropriation as described in Section 7.01 hereof; provided, however, that the Board shall not be released from or subject to relief with respect to any obligations on its part arising or accruing prior to such termination including, without limitation, any obligation to deposit rebatable arbitrage in the Rebate Fund which may accrue prior to such termination.

(d) The Board hereby agrees that within three Business Days after the adoption or approval of either the tentative or the final Budget which does not include the full amount of the Lease Payments, it will give notice of that fact to the Trustee and each Credit Enhancer.

(e) In the event the Interest Component of a Basic Rent Payment for the lease of a Project shall be calculated on a variable rate basis, the Board agrees that, subject to Section 7.01 hereof, it shall budget for the payment of such Interest Component for each Fiscal Year an amount equal to such Interest Component which would be payable if it were calculated at the lesser of (i) one hundred twenty percent (120%) of the average interest rate on the Variable Rate Certificates during the immediately preceding six month period (or such lesser period as such Variable Rate Certificates shall have been Outstanding), or (ii) the Maximum Interest Rate relating to such Variable Rate Certificates.

SECTION 4.06. OPTIONAL PREPAYMENT; DEFEASANCE. (a) The Board shall have the option, so long as no Event of Default hereunder has occurred and is continuing, from any moneys then available for such purpose, on any Optional Prepayment Date for the Series of

17

Certificates relating to a Project, to prepay all or a portion of the Basic Rent relating to such Project or Group within such Project upon not less than forty-five (45) days written notice given prior to such Optional Prepayment Date to the Trustee accompanied by the deposit of the amount of such prepaid Basic Rent with the Trustee not less than thirty-five (35) days prior to the applicable Optional Prepayment Date. Optional prepayments made pursuant to this Section 4.06 may be allocated to a particular Project, or any Group of leased property within a Project. Any prepayment notice delivered pursuant to this Section 4.06(a) shall state (i) that the Board is exercising its right of prepayment pursuant to Section 4.06(a) of the Lease Agreement, (ii) the amount of such prepayment and the Lease Schedule or Lease Schedules to which it pertains, (iii) the Optional Prepayment Date to which such prepayment applies, (iv) the amount of prepayment applicable to a Project or Group within a Project and, therefore, to the Series of Certificates and maturities of such Series relating thereto, and (v) that the deposit with the Trustee of such prepaid amount constitutes an irrevocable option of the Board to prepay Basic Rent in the amount of such prepayment. Each prepayment shall be in an amount equal to a principal amount of Certificates (in denominations of \$5,000 or any whole multiple thereof in the case of Current Interest Certificates and in denominations of \$5,000 maturity value and any whole multiples thereof in the case of Capital Appreciation Certificates) to be redeemed on such Optional Prepayment Date, plus the Prepayment Premium, if any, applicable to a redemption of Certificates on the Optional Prepayment Date designated by the Board in such notice of prepayment, all as provided in the Trust Agreement. Interest on Certificates to be redeemed pursuant to an optional prepayment under this Section accrued to the Optional Prepayment Date set forth in the notice of prepayment above shall be paid by the Trustee from moneys on deposit in the account of the Prepayment Fund and the subaccount of the Interest Account which are pledged to the payment of such Certificates.

(b) In the event of a prepayment, in part, of Basic Rent Payments for a Project or Group within a Project, such Basic Rent Payments provided in the Lease Schedule relating thereto shall be adjusted downward by the Trustee to reflect the reduction in the Principal Component and Interest Component of the remaining Basic Rent resulting from such prepayment. Such adjustment shall be done in such manner as to match remaining payments of Basic Rent provided in such Lease Schedule with principal and interest coming due on Certificates which remain Outstanding related thereto.

(c) So long as no Event of Default has occurred and is continuing, the Board may secure the payment of Basic Rent for a Project or Group within a Project by a deposit with the Trustee, as provided in Section 12.01 of the Trust Agreement, of either (i) an amount of moneys which is sufficient to pay such Basic Rent, including the Principal Component, Interest Component and

18

Prepayment Premium, if any, on the Basic Rent Payment Dates or Optional Prepayment Dates, if applicable, and any Supplemental Rent which may be due, or (ii) Refunding Securities, together with cash, if required, in such amount as will, together with interest to accrue thereon, be fully sufficient to pay such Basic Rent including the Principal Component, Interest Component and Prepayment Premium, if any, on their Basic Rent Payment Dates or Optional Prepayment Dates, if applicable, and any Supplemental Rent which may be due. Upon the Board meeting the requirement of this Section 4.06(c), the Corporation shall be entitled to payment of such Basic Rent Payments solely from such cash and/or Refunding Securities.

(d) In the event Refunding Certificates are issued which refund only a portion of an Outstanding Series of Certificates, the schedule of Basic Rent Payments for the corresponding Project and Group within such Project affected by such Refunding Certificates will remain the same but a credit will be given to the Board by the Trustee to take into account that payment of a portion of the Principal Component and the Interest Component which has been provided for by such refunding or defeasance of such portion of such Certificates from the issuance of said Refunding Certificates.

(e) In the event of a deposit with the Trustee of moneys and/or Refunding Securities for the purpose of paying or providing for payment of Certificates in accordance with Article XII of the Trust Agreement, all covenants, agreements and other obligations of the Board under this Lease Agreement, with respect to such Certificates shall be deemed performed except (i) those provisions hereof which by their express terms survive any such payment and defeasance and (ii) the obligation of the Board to make or cause to be made, Basic Rent Payments and Supplemental Rent payments on or for such Certificates from the moneys and/or Refunding Securities deposited pursuant to said Article XII of the Trust Agreement.

(f) In the event the Board prepays Basic Rent for a Group within a Project pursuant to Sections 4.06(a) or 4.06(c) hereof, such Prepayment shall be allocated, to the extent practicable, to maturities of Certificates relating to such Group.

SECTION 4.07. TITLE. (a) Until the date on which payment, or provision for payment as provided in Section 4.06(c) hereof, of the Lease Payments relating to a Project or Group within a Project, other than Designated Equipment has been made, title to such Project or Group within a Project (including all substitutions thereto) upon acquisition, construction and installation thereof shall remain vested in the Corporation, subject to Permitted Encumbrances and subject to the terms of the Trust Agreement. At such time as payment, or provision for payment as provided in Section 4.06(c) hereof, of all Lease Payments relating to a Project or Group within a Project, other than Designated Equipment, has been made in full, the Board shall be considered to have exercised

an option to purchase such Project or Group within a Project, as the case may be, and fee simple title to such Project or Group within a Project free and clear of all encumbrances, except Permitted Encumbrances, shall vest automatically in the Board. Title to a portion of the Project which has been substituted for pursuant to Section 5.14 hereof and a portion of a Project disposed by the Board pursuant to Section 5.13 hereof shall vest automatically in the Board. The Corporation shall deliver any and all documents required to assure vesting of title. The Corporation hereby appoints the Board as its agent to prepare and file or record in appropriate offices such documents as may be necessary to cause record title to such Project or Group within a Project to be in the Board.

(b) Title to all Designated Equipment shall, upon acquisition thereof, vest free and clear in the Board. Even if this Lease Agreement is terminated pursuant to Sections 7.01 or 7.03 hereof prior to the time Basic Rent Payments for Designated Equipment have been made in full by the Board, the Certificate Owners shall have no rights to or remedies against the Designated Equipment.

SECTION 5.01. THE BOARD'S GENERAL COVENANTS. The Board agrees that this Lease Agreement shall continue in full force and effect, subject to the provisions relating to termination hereof, regardless of the inability or unwillingness of the Board to use any Project because of any reason whatsoever, including, but not limited to, wear, act of God, war, strike, condemnation, loss or damage, defect, obsolescence or breach of warranty. The Board covenants and represents that this Lease Agreement and the performance of the Board's obligations hereunder have been duly approved, authorized, executed and delivered with all proper procedures fully complied with, and that this Lease Agreement is a valid, legal and binding obligation of the Board enforceable in accordance with its terms, except as limited by bankruptcy, insolvency, reorganization, moratorium or similar laws and equitable principles. The Board further covenants and represents as follows:

(a) The Board is a duly created school board existing under the laws of the State of Florida and is the governing body of the District.

(b) There are no pending or threatened lawsuits or administrative or other proceedings contesting the authority for, authorization or performance of, or expenditure of funds pursuant to, this Lease Agreement.

(c) The Board shall only lease Projects for which it has an immediate need and for which it expects to make immediate use, which need shall not be temporary or be expected to diminish during the Maximum Lease Term related thereto, except for the Designated Equipment.

(d) Prior to leasing any Project hereunder the Board shall certify to the Trustee if there are any circumstances presently known to the Board affecting the Board that could reasonably be expected to alter its foreseeable need for such Project or adversely affect its ability or willingness to budget Available Revenues for the payment of sums due hereunder.

(e) Prior to leasing any Project hereunder the Board shall review its projected revenues, expenses and anticipated Available Revenues for the Maximum Lease Term and shall not lease such Project unless it reasonably expects that it shall have on hand Available Revenues sufficient to timely make all payments as they become due under this Lease Agreement during the term this Lease Agreement is anticipated to be outstanding.

20

21

(f) Subject to the provisions of Section 7.01 of this Lease Agreement, the Board intends to make appropriations for payments for each Fiscal Year only from Available Revenues.

(g) All procedures required by applicable law regarding the award or negotiation of contracts relating to the acquisition, construction and installation of a Project will be complied with by the Board.

(h) At the Corporation's or the Trustee's request, the Board shall execute and deliver to the Corporation or the Trustee all instruments and do all other acts reasonably necessary to effectuate the intent of this Lease Agreement.

(i) The Board shall permit the Corporation and the Trustee, and their representatives and agents, at all reasonable times, to inspect the Projects; provided, however, that the Trustee and the Corporation are not obliged to make any inspections of the Projects.

(j) The Board shall promptly correct (or cause the Vendor, Contractor or Developer to correct) any defect in the acquisition, construction and installation of a Project or departure from the Plans and Specifications related thereto, except to the extent said Plans and Specifications are modified pursuant to the provisions hereof.

(k) The Board shall give the Trustee prompt written notice of any material litigation or proceedings concerning the Board or any Project and of any dispute concerning the Board or any Project if the dispute may substantially interfere with the timely acquisition, construction and installation of such Project or with the Board's ability to meet its obligations under this Lease Agreement.

(l) The Board shall commence (or cause the Contractor or Developer to commence) construction of a Project involving construction of a Building and diligently pursue construction to completion of such Project on or before the Estimated Completion Date without permitting any lien, claim, or assessment (actual or contingent) to be asserted or filed against such Project for any material, labor, or other item furnished in connection with the construction, which claim, lien, or assessment is not satisfied or transferred to bond within twenty (20) days after it is asserted or filed. At all times during the acquisition and construction of such Project, and to the extent required by applicable law, the Board shall, or shall cause the Contractor or Developer to, comply with the Florida Mechanics' Lien Law, Chapter 713, Florida Statutes, and with all requirements imposed by all governmental authorities having jurisdiction over the acquisition and construction and by all insurance underwriters providing insurance for such Project. Except for Construction Contracts which do not

22

amend the Lease Schedule relating thereto and the applicable Ground Lease to include a metes and bounds description of the Land so acquired.

(g) If an Event of Default or an Event of Non-Appropriation hereunder has occurred, at the Trustee's option with the consent of the applicable Credit Enhancer, the Trustee, as assignee of the Corporation, may make, but is not required to make, any or all subsequent disbursements from a subaccount of the Project Account directly to the Vendors, Contractors or Developers of the Project related to such subaccount. The Board's execution of this Lease Agreement and the related Lease Schedules constitutes an irrevocable authorization for the Trustee to make disbursements directly to such Vendors, Contractors or Developers. In the absence of negligence or misconduct on the part of the Trustee, the Board agrees that all disbursements made to the Vendors, Contractors or Developers shall constitute full performance of the Trustee's obligations to the Board under this Lease Agreement. The Trustee's decision to make a disbursement shall not constitute a waiver of any of the provisions of this Lease Agreement and the related Lease Schedules. If the Board is in default under this Lease Agreement and the Board is unable to cure its default, the Trustee's decision to make a disbursement shall not preclude the Trustee, as assignee of the Corporation, from declaring the Board in default under this Lease Agreement.

SECTION 5.02. ADDITIONAL COVENANTS, REPRESENTATIONS AND WARRANTIES. (a) The Board represents and warrants that execution of each Requisition by the Board shall constitute an affirmation of the completeness and accuracy of the following representations and warranties as of the date of such execution:

(i) The Board has delivered to the Trustee a complete, fully executed copy of the Construction Contracts, purchase orders and agreements for the acquisition, construction and installation of the Project described in such Requisition, and such contracts, purchase orders and agreements are presently in full force and effect according to their respective terms; the Board is not in default under such contracts, purchase orders and agreements; and the Board has no knowledge of any violation of such contracts, purchase orders and agreements.

(ii) There are no governmental actions or proceedings (except actions or proceedings that are fully covered by insurance) pending or, to the Board's knowledge, threatened affecting the Board or the Project described in such Requisition, which, if adversely determined, would materially adversely impair the Board's ability to perform its obligations under this Lease Agreement.

(iii) The Board knows of no violation and has no notice of a violation of any court order or of any law, regulation,

24

exceed \$500,000, the Board shall cause each Contractor or Developer to obtain and deliver to the Board performance and payment bonds covering one hundred percent (100%) of the value or costs under each Construction Contract for the construction of such Project.

(m) In the case of a Project involving construction of a Building, the Board shall provide the Corporation, Credit Enhancer for the Certificates the proceeds of which shall be used to finance the acquisition and construction of such Project and the Trustee the following additional assurances:

(i) If requested and applicable, but only as and when available, all certificates of occupancy, footing or Corporation surveys, "as built" surveys, certificates, appraisals, reports, endorsements, and agreements, the names of all Persons with whom the Board has contracted or intends to contract with in connection with the acquisition, construction and installation of such Project, schedules of all statements for labor and materials for the acquisition, construction and installation of such Project together with copies of all statements, copies of all budget revisions concerning the acquisition, construction and installation of such Project indicating the funds required at any given time to complete such acquisition, construction and installation, and any other documents reasonably required to be furnished.

(ii) If requested, during the acquisition, construction and installation of such Project and upon completion of such acquisition, construction and installation, furnish an Architect's or Engineer's written opinion to the effect that such Project, as constructed, complies with all restrictions recorded and with all applicable governmental laws, regulations, rules, ordinances, orders and codes relating to the construction thereof.

(iii) Furnish when available, a certificate of occupancy and all other similar certificates required to be issued by any governmental agency in connection with the acquisition, construction, installation or occupancy of such Project.

(n) In the case of a Project involving construction of a Building, the Board shall continuously employ or cause to be employed a licensed Architect to supervise the acquisition, construction and installation of such Project.

(o) In the case of a Project involving construction of a Building, the Board shall continuously employ or cause to be employed a licensed Engineer to supervise the acquisition, construction and installation of such Project.

(p) Simultaneously with the acquisition of any component of a Project constituting Land, the Corporation and the Board shall

23

ordinance, rule, order, code or requirement of any governmental authority having jurisdiction over all or any portion of the Project described in such Requisition that may materially detrimentally affect the development and operation of such Project as planned.

(iv) In the case of a Project involving construction of a Building, all governmental permits and approvals required for the construction and installation of such Project have been obtained, except for permits which may be obtained in the normal course without undue delay or unusual expense and which the Board hereby covenants to obtain.

(v) All utility services necessary for the construction of the Project and the operation of the Project have been extended to the Project, including, but not limited to, water, storm and sanitary sewer facilities, electricity and telephone service or sufficient amounts have been deposited in the corresponding account of the Project Fund for such purpose.

(vi) Except for drives located on the Project, the rights of way for all roads necessary for the proposed utilization of the Project have either been acquired by the appropriate governmental authority or dedicated to and accepted by the appropriate governmental authority or sufficient amounts have been deposited in the corresponding account of the Project Fund for such purpose. All such roads are improved or, if not improved, all necessary steps have been taken by the Board and the responsible governmental authority to assure their completion before the date when access to the Project via such roads will be necessary. All curb cuts and traffic signals required in connection with the operation of the Project are complete or are approved for construction by all necessary governmental authorities.

(vii) All representations, warranties, covenants and agreements made by the Board in connection with this Lease Agreement may be relied upon by the Corporation and the Trustee notwithstanding any independent investigation made on behalf of the Corporation or the Trustee.

(b) The inability of the Board to affirm the completeness and accuracy of the representations and warranties in Section 5.02(a) hereof in regard to a Requisition shall not cause the Trustee to not honor the request to pay the amounts described in such Requisition unless the Board is in default under this Lease Agreement.

SECTION 5.03. QUIET ENJOYMENT. The parties hereto mutually covenant that the Board, by keeping and performing the covenants and agreements herein contained, shall at all times during the term of this Lease Agreement peaceably and quietly have, hold and enjoy

25

each Project without suit, trouble or hindrance from the Corporation and free from any claims against the Corporation and the Trustee and all persons claiming thereunder, by or through the Trustee or the Corporation.

SECTION 5.04. PUBLIC LIABILITY AND PROPERTY DAMAGE INSURANCE. The Board shall maintain or cause to be maintained, throughout the Lease Term, subject to the requirements of State law and if reasonably available from a commercial carrier, a standard comprehensive general liability insurance policy or policies in protection of the Board and the Corporation (and the Corporation's assigns hereunder), their members, officers, agents and employees. Said policy or policies shall provide for indemnification of said parties against direct or contingent loss or liability for damages for bodily and personal injury, death or property damage occasioned by the acquisition, installment or operation of the Projects. Said policy or policies shall provide coverage equal to the liability limits set forth in Section 768.28, Florida Statutes, as the same may be amended from time to time, and in a minimum amount of \$100,000 for damage to property (subject, in each case, to a deductible clause of not to exceed \$25,000). Such liability insurance may be maintained as part of or in conjunction with any other liability insurance coverage carried or required to be carried by the Board, and may be maintained in whole or in part in the form of self-insurance by the Board, provided such self-insurance complies with the provisions of Section 5.07 hereof. The Net Proceeds of such liability insurance shall be applied toward extinguishment or satisfaction of the liability with respect to which the Net Proceeds of such insurance shall have been paid.

SECTION 5.05. FIRE AND EXTENDED COVERAGE INSURANCE AND FLOOD INSURANCE. (a) The Board shall procure and maintain, or cause to be procured and maintained, throughout the Lease Term, subject to the requirements of State law, insurance against loss or damage to any part of the Projects by fire or lightning, with extended coverage and vandalism and malicious mischief insurance. Said extended coverage insurance shall, as nearly as practicable, also cover loss or damage by explosion, windstorm, riot, aircraft, vehicle damage, smoke and such other hazards as are normally covered by such insurance. Such insurance shall be in an amount equal to one hundred percent (100%) of the replacement cost of the Projects, or the aggregate coverage of all such policies on the Projects shall at least equal the Principal Component of the Basic Rent Payments then remaining unpaid, whichever is greater (except that such insurance may be subject to deductible clauses not to exceed \$100,000 in the aggregate for any one loss). Such insurance may be maintained as part of or in conjunction with any other fire and extended coverage insurance carried or required to be carried by the Board, and may be maintained in whole or in part in the form of self-insurance by the Board, provided such self-insurance complies with the provisions of Section 5.07 hereof. The Net

26

SECTION 5.07. SELF-INSURANCE. Any self-insurance maintained by the Board pursuant to the foregoing provisions, shall comply with the following terms:

(a) The self-insurance program shall be approved by the Insurance Consultant;

(b) The self-insurance program shall include a sound claims reserve fund out of which each self-insured claim shall be paid; the adequacy of such fund shall be evaluated on an annual basis by the Insurance Consultant; and any deficiencies in the fund shall be remedied in accordance with the recommendations of the Insurance Consultant;

(c) The self-insurance claims reserve fund shall be held in a bank account credited for the purpose of maintaining such self-insurance funds, which bank account may be under the control of the Board and may be commingled with other Board moneys; and

(d) In the event the self-insurance program shall be discontinued, the actuarial soundness of its claims reserve fund shall be maintained; and

(e) The Board may obtain the required insurance coverages through a self-insured governmental pool which meets the criteria described above.

(f) Amounts deposited into the self-insurance claims reserve fund shall not be subject to appropriation by the Board in order to apply such funds to pay claims.

SECTION 5.08. RISK OF LOSS; STIPULATED LOSS VALUES; USE OF PROCEEDS. (a) As between the Corporation and the Board, the Board hereby assumes the entire risk of loss, from any and every cause whatsoever to the Projects.

(b) Except as provided in Section 5.08(c) hereof, the Board shall cause the Net Proceeds relating to a Project of any insurance or condemnation award or of any appropriation made in connection with a self-insurance election received pursuant to Sections 5.05 and 5.07 hereof and of any title insurance award in excess of the Replacement Amount for such Project to be applied to the prompt repair, restoration or replacement of such destroyed, damaged, lost or condemned Project (which repair, restoration or replacement property shall become part of such Project). The title to all replacement portions to such Project, other than Designated Equipment, shall be in the name of the Corporation. Except as otherwise provided herein, any such Net Proceeds shall be deposited with the Trustee in the subaccount of the Project Account from which the acquisition and construction of such Project was financed and shall be disbursed by the Trustee in accordance with the Trust Agreement; provided, however, that any amounts remaining after

28

Proceeds of such insurance shall be applied as provided in Section 5.06 hereof.

(b) Flood insurance shall be separately maintained by the Board for any property included in a Project which is located in a federally designated flood plain, in such amounts per occurrence as are available at commercially reasonable costs and in minimum amounts necessary to qualify for federal disaster relief programs. In the event the Board considers flood insurance to be unavailable at commercially reasonable rates, it shall so notify the Trustee and the Credit Enhancer(s), if any, for the Project(s) to which such flood insurance relates. If such Credit Enhancer(s) identify insurance for such coverage at commercially reasonable rates, the Board shall be obligated to obtain such insurance. In the event that such Credit Enhancer(s) and the Board determine that flood insurance is unavailable at commercially reasonable rates, such flood insurance shall be maintained in whole in the form of self-insurance by the Board in compliance with the provisions of Section 5.07 hereof.

(c) The insurance required to be maintained by the Board pursuant to this Section 5.05 shall be provided by carriers rated at least "A" by Standard & Poor's Corporation (a "Qualified Insurer") unless the Credit Enhancer(s), if any, for the Project(s) to which such insurance relates shall approve an insurer with a lower rating. If an insurer's rating falls below "A" (or, with respect to an insurer approved as aforesaid with a rating lower than "A", falls below the rating such insurer had when approved), such insurer shall be replaced with a Qualified Insurer unless the Credit Enhancer(s), if any, for the Project(s) to which such insurance relates shall approve an insurer with a lower rating.

SECTION 5.06. NET PROCEEDS OF INSURANCE; FORM OF POLICIES. Each policy of insurance obtained pursuant to or required by Section 5.05 hereof which relates to the Projects shall provide that all proceeds thereunder shall be payable to the Trustee for the benefit of the Owners of the Certificates. Proceeds of self-insurance maintained pursuant to Sections 5.05 and 5.07 hereof shall be paid by the Board to the Trustee for the benefit of the Owners of the Certificates. Copies of all policies of insurance required by this Lease Agreement shall be delivered to the Trustee. The Board shall pay or cause to be paid when due the premiums for all insurance policies required by this Lease Agreement, and shall promptly furnish or cause to be furnished to the Trustee evidence of such payments. All such policies shall provide that the Trustee shall be given not less than thirty (30) days notice of each expiration, any intended cancellation and any intended reduction of the coverage provided thereby. The Trustee shall not be responsible for the sufficiency of any insurance herein required and shall be fully protected in accepting payment on account of such insurance or any adjustment, compromise or settlement of any loss agreed to by the Trustee.

27

completion of such repair, restoration or replacement shall be paid to the Board. If such Net Proceeds are insufficient to pay for such repair, restoration or replacement, the Board shall (from the Board's Available Revenues) simultaneously deposit the amount of such deficiency with the Trustee, which deficiency shall constitute Supplemental Rent. Any Net Proceeds of insurance or condemnation award or of any appropriation made in connection with self-insurance election which is equal to or less than the Replacement Amount for such Project may, at the option of the Board, be deposited to the subaccount of the Interest Account relating to Certificates which financed or refinanced such Project.

(c) The Board may elect not to repair, restore or replace a Project which has been destroyed, damaged, lost or condemned, or any portion thereof with the Net Proceeds of any insurance or condemnation award or of any appropriation made in connection with a self-insurance election, by filing a certificate with the Trustee stating that (i) it has made such election, (ii) it is not in the best interests of the Board to repair, restore or replace such Project, or portion thereof, and (iii) the Board intends to abandon and cease to operate such Project, or portion thereof, damaged, destroyed, lost or condemned; provided, further, there shall be a Mandatory Prepayment in the amount of the Stipulated Loss Value (as hereinafter described) of the Project, or portion thereof, which is not repaired, restored or replaced, and if the Net Proceeds are insufficient therefor, the deficiency shall constitute Supplemental Rent hereunder and shall be immediately due and payable from the Board's Available Revenues.

(d) The Stipulated Loss Value attributable to a loss of all of a Project shall be computed as the amount necessary to pay the Principal Component of and Interest Component on the Series of Certificates, the proceeds of which financed or refinanced the acquisition and construction of such Project, on the next succeeding Mandatory Prepayment Date. In the event that less than all of a Project then subject to this Lease Agreement suffers such a loss, damage or destruction, the Stipulated Loss Value shall be the product of (i) the result computed by the foregoing sentence multiplied by (ii) a fraction, the numerator of which is the original Cost of the portion of such Project suffering such loss, damage or destruction and the denominator of which is the aggregate Project Cost for the entire Project then subject to this Lease Agreement, including those items suffering such loss, damage or destruction. In each case, the Stipulated Loss Value shall also include any Supplemental Rent then due hereunder. Upon payment of such Stipulated Loss Value by Board, such Stipulated Loss Value shall be deposited to the credit of the account established in the Prepayment Fund for the sole benefit of the Owners of the Series of Certificates, the proceeds of which were used to finance or refinance the acquisition and construction of such Project. In the event of payment of the Stipulated Loss Value of a portion of the Project, the schedule of Basic Rent Payments in the Lease Schedule

29

for such Project shall be adjusted downward by the Trustee to reflect the reduction in the Principal Component and Interest Component and the remaining Basic Rent resulting from such mandatory prepayment. Such adjustment shall be done in such manner as to match remaining aggregate payments of Basic Rent relating to the destroyed, damaged or condemned Project with principal of and interest coming due on the Series of Certificates which remain Outstanding, the proceeds of which were used to finance or refinance the acquisition and construction of such Project.

SECTION 5.09. PAYMENT OF TAXES. The Board will pay or cause to be paid all taxes, assessments and other governmental charges, if any, that may be levied, assessed or charged upon any Project, or any part thereof, promptly as and when the same shall become due and payable; provided, however, that the Board shall not be required to pay any such tax, assessment or charge, if the validity thereof shall concurrently be contested in good faith by appropriate proceedings, the interests of the Corporation and the Trustee shall not be in jeopardy and if the Board shall set aside, or cause to be set aside, reserves deemed by it to be adequate with respect thereto; and, provided, further, that the Board, upon the commencement of any proceedings to foreclose the lien of any such tax, assessment, or charge, will forthwith pay, or cause to be paid, any such tax, assessment or charge, unless contested in good faith as aforesaid. The Board will not suffer any Project or any part thereof, to be sold for any taxes, assessments or other charges whatsoever, or to be forfeited therefor. The Board will also pay or cause to be paid all taxes, assessments and other governmental charges which may be imposed on the Corporation or its operations as a result of the transactions, including the formation and organization of the Corporation, contemplated by this Lease Agreement.

SECTION 5.10. CARE AND USE OF PROJECTS. (a) The Board, at its expense, shall maintain each Project in good operating condition, repair and appearance, and protect same from deterioration other than normal wear and tear; shall cause each Project to be used in compliance with the requirements of applicable laws, ordinances and regulations and the requirements of any policy of insurance required under Sections 5.04 and 5.05 hereof; shall cause each Project to be operated by competent persons only and shall obtain, at the Board's expense, all permits and licenses, if any, required by law for the operation of each Project. The Board agrees that neither the Corporation nor the Trustee shall be responsible for latent defects, wear and tear or gradual deterioration or loss of service or use of any Project or any part thereof. The Board shall have the benefit of all warranties, contracts and rights against any Vendor, Contractor, Developer, materialmen or supplier. Neither the Corporation nor the Trustee shall be liable to the Board or anyone else for any liability, injury, claim, loss, damage or expense of any kind or nature caused directly or indirectly by the inadequacy of any

30

necessary to relieve and release the Project from such claim or in any other manner which, as a matter of law, will result within such period of thirty (30) days in releasing the Corporation and its assignee and Corporation's and its assignee's interest or interests from such claim.

SECTION 5.13. ENCUMBRANCES OR SALES. (a) Except as permitted in this Lease Agreement and except for Permitted Encumbrances, the Board will not create or suffer to be created any mortgage, pledge, lien, charge or encumbrance upon any Project or any portion thereof, or upon any real or personal property (which is not a portion of the Project) essential to the operation of such Project. The Board will not sell or otherwise dispose of any portion of a Project or any such property essential to the proper operation of a Project, except as provided below and in Section 5.14 hereof.

(b) In the manner and subject to the conditions for disposal of property of the Board by law, the Board may sell portions of a Project, other than Equipment, for fair market value upon the following conditions:

(i) The Board shall give notice to the Trustee and the applicable Credit Enhancer, if any, of each such sale not less than thirty (30) days prior to such sale;

(ii) The Board determines pursuant to a certificate of an Authorized Officer that such portion of a Project is no longer needed for the purposes of such Project or such portion should be replaced with property having greater usefulness or value;

(iii) Such disposition shall not, in the opinion of Special Counsel, cause the Interest Component of the Basic Rent Payments received by the Owners of the Certificates to become includible in gross income of such Owners for purposes of federal income taxation; and

(iv) The Board shall use the proceeds of such sales either (A) to provide property (which shall become a part of the Project) of equal usefulness and value to the Board or (B) apply the Stipulated Loss Value (calculated in accordance with Section 5.08(d) hereof) thereof (but only if such value exceeds the corresponding Prepayment Amount) as a prepayment of Basic Rent.

The Corporation and the Trustee (subject to the provisions of the Trust Agreement) agree to take all action within their powers required to enable the Board to sell or otherwise dispose of any such property.

SECTION 5.14. SUBSTITUTION OF EQUIPMENT. Subsequent to the Completion Date of a Project, the Board may substitute for an item of Equipment which constitutes a part of such Project other

32

Project or any item supplied by any Vendor, Contractor, Developer, materialmen or supplier or any other party, any interruption of use or loss of service or use or performance of any Project, any loss of business or other consequence or damage, whether or not resulting directly or indirectly from any of the foregoing.

(b) All obligations of the Board under this Section shall be at the Board's sole cost and expense. All costs of operation of each Project and all costs of repair and replacement of each Project resulting from ordinary wear and tear or want of care on the part of the Board shall be the sole responsibility of the Board.

SECTION 5.11. [RESERVED].

SECTION 5.12. OTHER LIENS. (a) The Board shall keep each Project and all parts thereof free from judgments and, except as to Permitted Encumbrances, free from all liens, claims, demands and encumbrances of whatsoever nature or character, to the end that each Project may at all times be maintained and preserved, and the Board shall keep each Project free from any claim or liability which might impair or impede the operation of such Project or the security granted in the Trust Estate to Certificate Owners by the Trust Agreement; provided, however, that the Board shall not be required to pay any such liens, claims or demand if the validity thereof shall concurrently be contested in good faith by appropriate proceedings, if interests of the Corporation and the Trustee shall not be in jeopardy and if the Board shall set aside or cause to be set aside reserves deemed by it to be adequate with respect thereto; and, provided, further, that the Board upon the commencement of any proceedings to foreclose the lien of any such charge or claim, will forthwith pay or cause to be paid any such charge or claim unless contested in good faith as aforesaid. The Board agrees not to lease-purchase any Equipment hereunder except to the extent consented to by the Department or otherwise permitted by applicable law.

(b) The Board shall never, under any circumstances, have the power to subject the interest of the Corporation or its assignee in the Project to any mechanic's or materialman's lien or liens of any kind.

(c) The Board covenants and agrees with the Corporation that the Board will not permit or suffer to be filed or claimed against the interests of the Corporation and its assignee in the Project during the Lease Term any lien or claim of any kind and, if such lien be claimed or filed, it shall be the duty of the Board, within thirty (30) days after the Board shall have been given written notice of such claim being filed in the Public Records of Hillsborough County, Florida to cause the Project to be released from such claim, either by payment or by posting of a bond or by the payment into a court of competent jurisdiction the amount

31

equipment by filing with the Trustee, as assignee of the Corporation, a certificate of an Authorized Officer of the Board stating that such substitute equipment (a) has the same or a greater remaining useful life than the Equipment to be substituted (determined at the time of substitution), (b) has a fair market value equal to or greater than the fair market value of the item of Equipment for which it is substituted (determined at the time of substitution), (c) is free and clear of all liens and encumbrances, except the Permitted Encumbrances, (d) has been titled in the name of the Corporation, except in the case of Designated Equipment which shall be titled in the name of the Board, (e) constitutes "Equipment" under this Lease Agreement, and (f) is essential to the operation of the school system. The Board may substitute Equipment which does not meet any of the foregoing provisions if it receives the written consent of Credit Enhancer for the Certificate, the proceeds of which were used to finance the acquisition of such Equipment, to do so.

SECTION 5.15. PROSECUTION AND DEFENSE OF SUITS. (a) The Board shall promptly, upon request of the Corporation, or its assignee, from time to time take or cause to be taken such action as may be necessary or proper to remedy or cure any defect in or cloud upon the title to any Project, or any portion thereof, and shall prosecute all such suits, actions and other proceedings as may be appropriate for such purpose and shall, to the extent permitted and limited by applicable law and only from Available Revenues, indemnify or cause to be indemnified the Corporation, and its assigns, for all loss, cost, damage and expense, including reasonable attorneys' fees, which they or any of them may incur by reason of any such defect, cloud, suit, action or proceedings.

(b) The Board shall defend, or cause to be defended against every suit, action or proceeding at any time brought against the Corporation, or its assignee, or its or their directors, officers and employees upon any claim arising out of the receipt, application or disbursement of any moneys held by the Trustee or arising out of the construction of any Project involving the rights of the Corporation, or its assignee, or its or their directors, officers and employees under this Lease Agreement or any act or omission of the directors, officers and employees done or omitted to be done within the scope of their respective office or employment, other than an act or omission which is the result of misconduct or negligence by such parties; provided, that the Corporation, and its assignee, at their election, may appear in and defend any such suit, action or proceeding. To the extent permitted and limited by applicable law and only from Available Revenues, the Board shall indemnify or cause to be indemnified the Corporation, and its assignee, against any and all claims, demands, costs or liability claimed or asserted by any person, arising out of such receipt, application or disbursement.

33

SECTION 5.16. FURTHER ASSURANCES. Whenever and so often as requested so to do by the Corporation, or its assignee, the Board will promptly execute and deliver or cause to be delivered all such other and further instruments, documents or assurances, and promptly do or cause to be done all such other and further things, as may be necessary or reasonably required in order to further and more fully to vest in the Corporation, or its assignee, all rights, interest, powers, benefits, privilege and advantages conferred or intended to be conferred upon the Corporation by this Lease Agreement.

SECTION 5.17. REPORTING REQUIREMENTS. Upon request, the Board will furnish, or cause to be furnished, to the Corporation, or its assignee, and each Credit Enhancer detailed certified reports of audit covering the operations of the Board for said Fiscal Year showing the general funds, revenues and expenses for such period.

SECTION 5.18. CORPORATION NOT LIABLE. Neither the Corporation nor its members, officers, agents, employees, nor its assignee, shall be liable to the Board or to any other party whatsoever for any death, injury or damage that may result to any Person or property by or from any cause whatsoever in, on or about any Project. To the extent permitted and limited by applicable law and solely from Available Revenues, the Board shall indemnify or cause to be indemnified and hold the Corporation, its members, officers, agents, employees, and its assignee, harmless from, and defend or cause to be defended each of them against, any and all claims, liens and judgments for death of or injury to any Person or damage to property whatsoever occurring in, on or about any Project.

SECTION 5.19. INDEMNIFICATION DUE TO TRUSTEE AND CORPORATION. The Board shall pay, or cause to be paid, to the Trustee, as assignee of the Corporation, fees, compensation and expenses due under the Trust Agreement upon billing therefor by the Trustee, as assignee of the Corporation, provided the payment of such fees, compensation and expenses shall be agreed to in writing by the Board. In addition, to the extent permitted and limited by applicable law and solely from Available Revenues, the Board shall and hereby agrees to indemnify, or cause indemnification of, and hold, or cause to be held, the Corporation and the Trustee, as assignee of the Corporation, harmless from and against all claims, losses and damages, including reasonable legal fees and expenses, arising out of (a) the use, maintenance, condition or management of the Projects by the Board, (b) any breach or default on the part of the Board in the performance of any of its obligations under this Lease Agreement, (c) any act of negligence of the Board, or of any of its agents, contractors, servants, employees or licensees with respect to the Projects, (d) the authorization of payment of Project Costs by the Board, (e) the defense against actions or proceedings in which the validity of this Lease Agreement is or

SECTION 5.24. DEBT NOT ASSUMED BY CORPORATION. The parties hereto expressly acknowledge and agree that the Corporation (and its assigns hereunder), by the entering into of this Lease Agreement and the other Financing Documents, does not assume or guarantee, or otherwise obligate itself for, or become liable for, the payment of, or contingently agree to purchase, any debt of any Person.

SECTION 5.25. CONSENT TO DISMISS. The Board acknowledges that the Corporation is a third party lease purchase financing source for the Projects and the Board hereby agrees to consent to, and to refrain from objection to, a motion made by the Corporation to be dismissed from any lawsuit brought by a third party arising out or in any way relating to this Lease Agreement with respect to any Project or the ownership, rental, possession, operation, condition, sale or return of any Project. This covenant by the Board to consent to and refrain from objection to such a motion to dismiss shall include the Corporation's assigns and their respective agents, employees, officers and directors. It is understood by and between the Corporation and the Board that this covenant is not intended to be and is not an indemnity.

SECTION 5.26. WAIVER OF LAWS. The Board shall not at any time insist upon or plead in any manner whatsoever, or claim or suffer or take the benefit or advantage of any stay or extension law now or at any time hereafter in force which may adversely affect the covenants and agreements contained in this Lease Agreement and the benefit and advantage of any such law or laws is hereby expressly waived by the Board to the extent that the Board may legally make such waiver.

SECTION 5.27. LIMITATION OR INDEMNIFICATION. The amount of indemnification provided by the Board to the Corporation in Sections 5.15, 5.18 and 5.19 shall not exceed the liability limits set forth in Section 768.28, Florida Statutes.

No indemnification will be made under this Section or elsewhere in this Lease Agreement for willful misconduct, gross negligence, negligence of breach of duty by the Trustee, its officers, agents, employees, successors or assigns.

SECTION 5.20. NO RECOURSE UNDER AGREEMENT. All covenants, stipulations, promises, agreements and obligations of the parties hereto contained in this Lease Agreement shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the parties hereto, respectively, and not of any member, officer, employee or agent of the parties hereto in an individual capacity, and no recourse shall be had for the payment of Lease Payments pursuant to Section 4.03 hereof or for any claim based thereon under this Lease Agreement against any member, officer, employee or agent of the parties hereto.

SECTION 5.21. RESTRICTION AGAINST PLEDGE. The Corporation shall not pledge Lease Payments or other amounts derived from the Projects or from rights of the Corporation under this Lease Agreement nor shall the Corporation encumber or place any lien upon the Projects, except as otherwise provided in this Lease Agreement, the Trust Agreement and the Assignment Agreement.

SECTION 5.22. ASSIGNMENT BY CORPORATION. Except pursuant to the Assignment Agreement and except as set forth herein, the Corporation shall not assign this Lease Agreement, its rights to receive Lease Payments or its duties and obligations hereunder.

SECTION 5.23. NO VIOLATION OF OTHER AGREEMENTS. (a) The Board hereby represents that neither the execution and delivery of this Lease Agreement and the Trust Agreement, nor the fulfillment of and compliance with the terms and conditions hereof and thereof, nor the consummation of the transactions contemplated hereby or thereby, conflicts with or results in a breach of terms or violation of any other agreement to which the Board is a party or by which the Board is bound, or constitutes a default under any of the foregoing, or results in the creation or imposition of any lien, charge or encumbrance whatsoever upon any of the property or assets of the Board, or upon the Projects, except Permitted Encumbrances.

(b) The Corporation hereby represents that neither the execution and delivery of this Lease Agreement, the Assignment Agreement and the Trust Agreement, nor the fulfillment of and compliance with the terms and conditions hereof and thereof, nor the consummation of the transactions contemplated hereby or thereby, conflicts with or results in a breach of terms or violation of any other agreement to which the Corporation is a party or by which the Corporation is bound, or constitutes a default under any of the foregoing, or results in the creation or

35

(a) any equipment or appurtenances becoming out of repair; (b) the Board's failure to keep any part of the Projects in repair; (c) injury done or caused by wind, water or other natural element; (d) any defect in or failure of plumbing, heating or air conditioning equipment, electric wiring or installation thereof, gas, water and steam pipes, stairs, porches, railings or walks; (e) broken glass; (f) the backing up of any sewer pipe or downspout; (g) the bursting, leaking or running of any tank, tub, washstand, water closet, waste pipe, drain or any other pipe or tank upon or about the Projects; (h) the escape of steam or hot water; (i) water, snow or ice upon the Projects; (j) the falling of any fixture, plaster or stucco; (k) damage to or loss by theft or otherwise of property of the Board or others; (l) acts or omissions of persons in the Projects, other tenants in the Projects, occupants of nearby properties, or any other persons; and (m) any act or omission of owners of adjacent or contiguous property, or of the Corporation and the Trustee, and their respective agents or employees. All property of the Board kept in the Projects shall be so kept at the Board's risk only and the Board shall save the Corporation and the Trustee, and their respective agents and employees harmless from claims arising out of damage to the same, including subrogation claims by the Board's insurance carrier.

SECTION 5.30. OFFSET STATEMENT. Within ten (10) days after written request by either the Corporation or the Board the other party shall deliver, executed in recordable form, a declaration to any Person designated by the requesting party (a) ratifying this Lease Agreement and all Lease Schedules; (b) stating the commencement and termination dates; and (c) certifying (i) that this Lease Agreement and all Lease Schedules are in full force and effect and have not been assigned, modified, supplemented or amended (except by such writings as shall be stated); (ii) that all conditions under this Lease Agreement and all Lease Schedules to be performed by the other parties have been satisfied (stating exceptions, if any), to the extent known; (iii) that no defenses or offsets against the enforcement of this Lease Agreement and all Lease Schedules by the requesting party exist (or stating those claimed); (iv) as to advance Lease Payments, if any, paid by the Board; and (v) the date to which Supplemental Rent has been paid, and such other information as the requesting party reasonably requires. Persons receiving such statements shall be entitled to rely upon them.

SECTION 5.31. NON-MERGER OF LEASEHOLD. There shall be no merger of this Lease Agreement or of the leasehold estate hereby created with the fee estate in the Premises and the Project or any part thereof by reason of the fact that the same Person may acquire or hold, directly or indirectly, this Lease Agreement or leasehold estate hereby created or any interest in this Lease Agreement or in such leasehold estate and the fee estate in the Premises and the Project or any interest in such fee estate.

"Hazardous Materials" shall have the meaning given in Section 5.32(b).

"Laws and Regulations" shall have the meaning given in Section 5.32(b).

"Release" shall have the meaning given in Section 5.32(b).

(b) The Board has, after due inquiry, no knowledge and has not given or received any written notice indicating that a Project or the past or present use thereof or any practice, procedure or policy employed by it in the conduct of its business materially violates any applicable law, regulation, code, order, rule, judgment or consent agreement, including, without limitation, those relating to zoning, building, use and occupancy, fire safety, health, sanitation, air pollution, ecological matters, environmental protection, hazardous or toxic materials, substances or wastes, conservation, parking, architectural barriers to the handicapped, or restrictive covenants or other agreements affecting title to such Project (collectively, "Laws and Regulations").

38

Without limiting the generality of the foregoing, neither the Board nor to the best of its knowledge, after due inquiry, any prior or present owner, tenant or subtenant of any Project has, other than as set forth in subsections (b) and (c) of this Section 5.32 or as may have been remediated in accordance with Laws and Regulations, (i) used, treated, stored, transported or disposed of any material amount of flammable explosives, polychlorinated biphenyl compounds, heavy metals, chlorinated solvents, cyanide, radon, petroleum products, asbestos or any Asbestos Containing Materials, methane, radioactive materials, pollutants, hazardous materials, hazardous wastes, hazardous, toxic or regulated substances or related materials, as defined in CERCLA, RCRA, CWA, CAA, TSCA and Title III, and the regulations promulgated pursuant thereto, and in all other Environmental Regulations applicable to the Board, of any Project or the business operations conducted by the Board thereon (collectively, "Hazardous Materials") on, from or beneath a Project, (ii) pumped, spilled, leaked, disposed of, emptied, discharged or released (hereinafter collectively referred to as "Release") any material amount of Hazardous Materials on, from or beneath a Project, or (iii) stored any material amount of petroleum products at a Project in underground storage tanks, except as may be set forth as an exhibit to the Lease Schedule relating to such Project.

(c) Excluded from the representations and warranties in subsection (b) hereof with respect to Hazardous Materials are those Hazardous Materials in those amounts ordinarily found in or used in the maintenance of a Project, the use, treatment, storage, transportation and disposal of which has been and shall be in compliance with all Laws and Regulations.

(d) No Project located in an area of high potential incidence of radon has an unventilated basement or subsurface portion which is occupied or used for any purpose other than the Corporation or support of such Project.

(e) The Board has not received any notice from any insurance company which has issued a policy with respect to a Project or from the applicable state or local government agency responsible for insurance standards (or any other body exercising similar functions) requiring the performance of any repairs, alterations or other work, which repairs, alterations or other work have not been completed at such Project. The Board has not received any notice of default or breach which has not been cured under any covenant, condition, restriction, right-of-way, reciprocal easement agreement or other easement affecting a Project which is to be performed or complied with by it.

(f) The Board shall not use or permit a Project or any part thereof to be used to generate, manufacture, refine, treat, store, handle, transport or dispose of, transfer, produce or process Hazardous Materials, except, and only to the extent, if necessary

39

to maintain such Project and then, only in compliance with all Environmental Regulations, and any state equivalent laws and regulations, nor shall it permit, as a result of any intentional or unintentional act or omission on its part or by any tenant, subtenant, licensee, guest, invitee, contractor, employee and agent, the storage, transportation, disposal or use of Hazardous Materials or the Release or threat of Release of Hazardous Materials on, from or beneath a Project excluding, however, those Hazardous Materials in those amounts ordinarily found in or used in the maintenance of such Project, the use, storage, treatment, transportation and disposal of which shall be in compliance with all Environmental Regulations. Upon the occurrence of any Release or threat of Release of Hazardous Materials, the Board shall promptly commence and perform, or cause to be commenced and performed promptly, all investigations, studies, sampling and testing, and all remedial, removal and other actions necessary to clean up and remove all Hazardous Materials so released, on, from or beneath a Project, in compliance with all Environmental Regulations. Notwithstanding anything to the contrary contained herein, underground storage tanks shall only be permitted subject to compliance with subsection (i) hereof and only to the extent necessary to maintain the improvements on a Project.

(g) The Board shall comply with, and shall cause its tenants, subtenants, licensees, guests, invitees, contractors, employees and agents to comply with, all Environmental Regulations, and shall keep each Project free and clear of any liens imposed pursuant thereto (provided, however, that any such liens, if not discharged, may be bonded). The Board shall cause each tenant under any lease, and use its best efforts to cause all of such tenant's subtenants, agents, licensees, employees, contractors, guests and invitees and the guests and invitees of all of the foregoing to comply with all Environmental Regulations with respect to the Project; provided, however, that notwithstanding that a portion of this covenant is limited to the Board's use of its best efforts, the Board shall remain solely responsible for ensuring such compliance and such limitation shall not diminish or affect in any way the Board's obligations contained in subsection (h) hereof as provided in said subsection (h). Upon receipt of any notice from any Person with regard to the Release of Hazardous Materials on, from or beneath a Project, the Board shall give prompt written notice thereof to the Trustee and the Credit Enhancer, if any, for such Project, (and, in any event, prior to the expiration of any period in which to respond to such notice under any Environmental Regulation).

(h) Irrespective of whether any representation or warranty contained in this Section 5.32 is not true or correct, the Board shall, to the extent permitted by law and solely from Available Revenues, defend, indemnify and hold harmless the Trustee, the Certificateholders and the Credit Enhancers and each of its and their employees, agents, officers, directors, trustees, successors and assigns, from and against any claims, demands, penalties,

40

fees, attorneys' fees (including, without limitation, attorneys' fees incurred to enforce this indemnification), consultants' fees, investigation and laboratory fees, liabilities, settlements (five (5) Business Days' prior notice of which the Trustee and the Credit Enhancers, as appropriate, shall have delivered to the Board), or governmental order relating to Hazardous Materials on, from or beneath any of the Property, (4) any violation of Environmental Regulations or subsection (f) or (g) hereof by it or any of its agents, tenants, employees, contractors, licensees, guests, subtenants or invitees, and (5) the imposition of any governmental lien for the recovery of environmental cleanup or removal costs. To the extent that the Board is strictly liable under any Environmental Regulation, its obligation to the Trustee and the Credit Enhancers and the other indemnitees under the foregoing indemnification shall likewise be without regard to fault on its part with respect to the violation of any Environmental Regulation which results in liability to any indemnitee. Its obligations and liabilities under this subsection (h) shall survive any action by the Trustee or the Certificateholders or Credit Enhancers pursuant to the terms hereof or of the Trust Agreement or the Ground Lease(s) relating to the sale, rental or other disposal of a Project or the defeasance and the satisfaction of all Certificates.

(i) The Board shall conform to and carry out a reasonable program of maintenance and inspection of all underground storage tanks, and shall maintain, repair and replace such tanks in accordance with Laws and Regulations, including but not limited to Environmental Regulations. Any underground tanks shall be on a Project in good condition and repair and comply with all Laws and Regulations, including Environmental Regulations, except as set forth in this Section 5.32 and the Board shall take all actions to correct any violations of Laws and Regulations relating to any such tanks as set forth in this Section 5.32.

ARTICLE VI

ASSIGNMENT; SUBLEASING;
NET LEASE; AMENDMENT

SECTION 6.01. ASSIGNMENT AND SUBLEASING BY THE BOARD. (a) Except as provided herein, this Lease Agreement may not be assigned by the Board without the written consent of the Corporation, or its assignee and each Credit Enhancer.

(b) Notwithstanding any other provision of this Lease Agreement any Project, or portion thereof, may be subleased by the Board, subject to Permitted Encumbrances and the rights and interests of the Trustee and each Credit Enhancer, in whole or in part, without the consent of the Corporation, subject, however, to each of the following conditions:

(i) no such sublease shall in any way adversely affect or release the Board from any of its duties, obligations and covenants under this Lease Agreement including, without limitation, the obligation of the Board to make Lease Payments hereunder; and

(ii) no such sublease shall, in the opinion of Special Counsel, cause the Interest Component of the Basic Rent Payments received by the Owners of the Certificates (other than Taxable Certificates) to become includible within gross income of the Owners for purposes of federal income taxation.

(c) Nothing herein shall prohibit the Board from permitting temporary use of any Project, or portion thereof, by third parties.

(d) If an Event of Default occurs under this Lease Agreement, all proceeds of any sublease entered into by the Board pursuant to this Section shall be remitted to the Trustee and shall be credited against Basic Rent Payments to be made by the Board. Any sublease agreement must be made terminable by the Trustee in the event this Lease Agreement is terminated for any reason.

SECTION 6.02. TRANSFER OF TAX BENEFITS. Nothing herein shall be deemed to prevent the Board from entering into any agreement or making any disposition for the sole purpose of transferring to one or more corporations, partnerships or individuals federal or state income tax benefits which would be available for any Project, or portion thereof, if owned by a private person, subject, however, to each of the following conditions:

(a) no such sublease shall in any way adversely affect or release the Board from any of its duties, obligations and covenants under this Lease Agreement including, without limitation, the obligation of the Board to make Lease Payments hereunder; and

42

on any of the foregoing, during the term of this Lease Agreement; and the Board will pay all reasonable expenses incurred by the Corporation or the Trustee in connection with all filings or recordings of any documents relating to this Lease Agreement or the Corporation's or the Trustee's rights hereunder. The Corporation and the Trustee shall have the right, after reasonable written notice to the Board, to make any of the payments required of the Board under this Section with respect to the Projects, but shall not be obligated to pay the same, and may charge such payment with interest at the Overdue Rate from the date of payment, as Supplemental Rent to be paid by the Board on the next Basic Rent Payment Date.

SECTION 6.05. AMENDMENT. (a) This Lease Agreement may be amended in writing by the parties hereto or by their assignees on their behalf or in their name, without the consent of the Owners of the Certificates (but with the consent of each Credit Enhancer which is not in payment default under its municipal bond insurance policy or credit facility) thereof, for the purpose of (i) curing any ambiguity or of curing, correcting or supplementing any defective provision contained herein, or (ii) resolving any questions arising under this Lease Agreement which the Board may deem necessary or desirable and not inconsistent with the provisions of this Lease Agreement, (iii) providing for additional security, (iv) providing for Lease Schedules, including adding to or deleting the covenants, representations and agreements contained herein as the same shall effect a particular Project, and (v) any other amendment, which in the judgment of the Board does not materially, adversely affect the interests of the Owners of the Certificates; provided, however, that no such amendment shall, in the opinion of Special Counsel, cause the Interest Component of Basic Rent Payments to become includible in gross income of the recipients thereof for purposes of federal income taxation; and provided, further, that the parties hereto or their assignees may rely in entering into any such amendment pursuant to this Section upon the opinion of Special Counsel stating that the requirements of this sentence have been met with respect to such amendment.

(b) In addition to the amendments authorized to be made pursuant to Section 6.05(a) hereof, this Lease Agreement may also be amended upon approval of a majority of aggregate principal amount of the Owners of Certificates then Outstanding or, if all Outstanding Certificates are secured by Credit Facilities and/or municipal bond insurance policies, upon the approval of the Credit Enhancers of all Certificates then Outstanding; provided that no such amendment shall impair the right of any Owners to receive his proportionate share of any Basic Rent Payment in accordance with his Certificate unless approved by the Owners of all Certificates then Outstanding.

44

(b) no such agreement or disposition shall, in the opinion of Special Counsel, cause the Interest Component of the Basic Rent Payments received by the Owners of the Certificates (other than Taxable Certificates) to become includible in gross income of such Owners for purposes of federal income taxation.

SECTION 6.03. TAX COVENANTS. (a) The Board and the Corporation hereby covenant that, notwithstanding any other provision of this Lease Agreement, neither of them will make any use nor permit or direct the Trustee to make any use of the proceeds of the Certificates which will cause any of the Certificates or the Lease Agreement to be "arbitrage bonds" within the meaning of Section 148 of the Code.

(b) The Board and the Corporation hereby agree that they will make no use nor permit any use to be made of the proceeds of the Certificates, Lease Payments or any Project, or portion thereof, which would cause any of the Certificates or the Lease Agreement to be "private activity bonds" within the meaning of Section 141(a) of the Code.

(c) Except for the exercise by the Board of its right to Non-Appropriate as set forth in Section 7.01 hereof, the Board and the Corporation hereby covenant that they will comply with all provisions of the Code necessary to maintain the exclusion of the Interest Component of the Basic Rent Payments from gross income for purposes of federal income taxation, including, in particular, the payment of any amount required to be rebated to the U.S. Treasury pursuant to the Code.

(d) Notwithstanding the foregoing provisions contained in this Section, the Board and the Corporation may agree to entering into a Lease Schedule pursuant to which the Interest Component of the Basic Rent Payments shall not be excluded from gross income for purposes of federal income taxation; provided, however, that fact must be clearly stated on the Certificates. Provisions herein relating to the requirement to maintaining the exclusion of such Interest Component from gross income for federal income taxation purposes shall not apply to such Basic Rent Payments.

SECTION 6.04. NET LEASE. The Board intends the Lease Payments hereunder to be net to the Corporation. The Board shall comply with all liabilities and pay from Available Revenues all required local, state and federal taxes, including, without limitation, income, franchise, gross receipts, sales, use, documentary stamp, excise, and personal property taxes, Real Estate Taxes, assessments, licenses, registration fees, freight and transportation charges and any other charges imposed or liabilities incurred with respect to the ownership, possession or use of the Projects, payment of Lease Payments or any other payments by the Board hereunder, and any penalties, fines or interest imposed on the Board hereunder, and any penalties, fines or interest imposed

43

ARTICLE VII

EVENT OF NON-APPROPRIATION; EVENTS OF DEFAULT AND REMEDIES

SECTION 7.01. EVENT OF NON-APPROPRIATION. (a) As provided herein, this Lease Agreement shall initially terminate at the end of the Initial Lease Term relating to a Project, but shall automatically be renewed for all Renewal Lease Terms relating thereto; provided, that such automatic renewal shall not occur and this Lease Agreement shall terminate as of the end of the current Initial or Renewal Lease Term if the Board does not approve a tentative Budget and a final Budget in accordance with State law which appropriates sufficient funds from Available Revenues for such purpose to continue making Lease Payments in full for the next succeeding Renewal Lease Term for all Projects leased hereunder beyond the end of the Initial Lease Term or the last Renewal Lease Term for which Lease Payments had been budgeted and appropriated (an "Event of Non-Appropriation"); provided, further, that in the event the Board's tentative or final Budget for such ensuing Renewal Lease Term is not enacted prior to the expiration of the then current Initial Lease Term or Renewal Lease Term relating to a Project, the Lease Term relating thereto shall be deemed renewed pending the enactment of such tentative Budget and final Budget and the Board shall be liable for any Lease Payments coming due during such period but only if the tentative Budget and final Budget makes available to the Board moneys which may legally be used to make the Lease Payments coming due during such period. Upon the occurrence of an Event of Non-Appropriation, the Board will not be obligated to pay Lease Payments beyond the then current Fiscal Year but will not be relieved of any obligations arising or accruing prior to such Event of Non-Appropriation including, without limitation, any obligation to deposit rebatable arbitrage in the Rebate Fund which may accrue prior to such Event of Non-Appropriation. The Board must deliver notice of the Event of Non-Appropriation to the Corporation, each Credit Enhancer and the Trustee within at least three Business Days thereof.

(b) If an Event of Non-Appropriation shall occur, the Board shall peacefully return possession of each Project to the Corporation, or its assignee or designee, within thirty (30) Business Days after the date on which such Event of Non-Appropriation occurs. The obligation to return the Projects shall survive the termination of this Lease Agreement. Under no circumstances shall the failure of the Board to appropriate sufficient moneys to pay Lease Payments constitute a Default or Event of Default hereunder or require payment of a penalty, or in any way limit the right of the Board to purchase or utilize, buildings, facilities or equipment similar in function to the property leased hereunder.

45

SECTION 7.02. EVENTS OF DEFAULT. The following shall be "Events of Default" under this Lease Agreement and the terms "Events of Default" and "Default" shall mean, whenever they are used in this Lease Agreement any one or more of the following events:

(a) Failure by the Board to pay any Basic Rent Payment required to be paid hereunder on the Basic Rent Payment Date to which such Basic Rent Payment pertains, other than as a result of an Event of Non-Appropriation; or

(b) Failure by the Board to pay any Supplemental Rent required to be paid hereunder at the time specified herein and the continuation of said failure to the next occurring Basic Rent Payment Date, other than as a result of an Event of Non-Appropriation; or

(c) The Board fails to (i) return possession of all the Projects, other than Designated Equipment, to the Corporation, or its designee or assignee, subsequent to an Event of Non-Appropriation as required by Section 7.01 hereof, or (ii) transfer title to and possession of the Designated Equipment for which Basic Rent Payments have not been paid in full to the Corporation, or its designee or assignee, subsequent to termination of the Lease Agreement as required by Section 4.07(b) hereof; or

(d) Failure by the Board to observe and perform any covenant, condition or agreement on its part to be observed or performed, other than as referred to in Section 7.02(a) hereof, for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied has been given to the Board and each Credit Enhancer by the Corporation, or its assignee, unless the Corporation, or its assignee, or each Credit Enhancer have agreed in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice cannot be corrected within the applicable period, the Corporation, or its assignee, or the Credit Enhancers will not unreasonably withhold their consent to an extension of such time if corrective action is instituted by the Board within the applicable period and diligently pursued until the default is corrected; or

(e) Any representation of the Board hereunder or in a Lease Schedule shall prove to have been false in any materially adverse respect at the time same was made, subject to the right of the Board to cure such misrepresentation in the manner set forth in Section 7.02(d) hereof; or

(f) A court having jurisdiction in the premises shall enter a decree or order for relief in respect of the Board in an involuntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or appointing a receiver, liquidator, assignee, custodian, trustee, sequester,

46

the term of this Lease Agreement, or enforce performance and observance of any obligation, agreement or covenant of the Board under this Lease Agreement; or

(iv) To terminate this Lease Agreement, if it has not been previously terminated pursuant to Section 7.01 hereof, and require the Board to surrender and transfer possession of all the Projects to the Corporation or its assignee, in which event the Board shall take all actions necessary to authorize, execute and deliver to the Corporation or its assignee all documents necessary to vest in the Corporation or its assignee all of the Board's interest in and to the Projects, and to discharge any lien created by or pursuant to this Lease Agreement in order that the Corporation or its assignee may sell or re-lease the Projects in accordance with applicable law; and shall upon request by the Corporation or its assignee, remove any equipment from the Board's property to such location within the State of Florida as is specified by the Corporation or its assignee; or

(v) To terminate this Lease Agreement, if it has not been previously terminated pursuant to Section 7.01 hereof, and, without notice or demand, enter into and upon the property of the Board, or any part thereof, and repossess and retake the Projects and thereby restore the Corporation or its assignee, or its assignee, to its former possessory estate as owner and expel the Board and remove its effects forcefully, if necessary, without being taken or deemed to be guilty of any manner of trespass in order that the Corporation or its assignee may sell or re-lease the Projects in accordance with applicable law, and thereupon this Lease Agreement shall terminate and upon such termination the Board shall have no further possessory right whatsoever in the Projects; and the Board shall be responsible for the payment of damages in an amount equal to the Lease Payments which would have accrued hereunder, calculated on a daily basis, for any period during which the Board fails to surrender the Projects or for any other loss suffered by the Corporation or its assignee as a result of the Board's failure to surrender the Projects, all without prejudice to any remedy which might otherwise be available to the Corporation or its assignee for arrears of Lease Payments or for any breach of the Board's covenants herein contained.

SECTION 7.04. PROCEEDS OF SALE OR RE-LETTING. Moneys received by the Corporation, or its assignee, from the sale or re-letting of the Projects, or any portion thereof, as a result of an Event of Non-Appropriation or an Event of Default shall be the absolute property of the Corporation, or its assignee, and the Board shall have no right thereto. In the event that moneys received by the Corporation, or its assignee, from the sale or other disposition of a Project, including moneys or damages

48

(or similar official) of the Board or for any substantial part of its property, or ordering the winding up or liquidation of its affairs, and such decree or order shall remain unstayed and in effect for a period of sixty (60) days; or

(g) The Board shall commence a voluntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or shall consent to the entry of an order for relief in an involuntary case under any such law, or shall consent to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian, sequester (or similar official) of the Board or for any substantial part of its property, or shall make any general assignment for the benefit of creditors, or shall fail generally to pay its debts as they become due or shall take any corporate action in furtherance of any of the foregoing.

SECTION 7.03. REMEDIES ON DEFAULT. Upon the happening of an Event of Default as described in Section 7.02 hereof, the Corporation, or its assignee, may exercise any and all remedies available pursuant to law or granted pursuant to this Lease Agreement, including, without limitation:

Neither notice of sale or notice to pay rent or to deliver up possession of the Projects given pursuant to law nor any proceeding in unlawful detainer taken by the Corporation, or its assignee, shall of itself operate to terminate this Lease Agreement, and no termination of this Lease Agreement on account of an Event of Default by the Board shall be or become effective by operation of law, or otherwise, unless and until the Corporation, or its assignee, shall have given written notice to the Board of the election on the part of the Corporation, or its assignee, to terminate this Lease Agreement as a result of such Event of Default.

SECTION 7.05. APPOINTMENT OF CORPORATION AS AGENT. The Board hereby irrevocably appoints the Corporation, and its assignee, as the agent and attorney-in-fact of the Board to enter upon and sell or re-let the Projects in accordance with the terms hereof upon the happening of an Event of Default or an Event of Non-Appropriation. The Board hereby waives any and all claims for damages caused, or which may be caused, by the Corporation, or its assignee, in taking possession of the Projects, for all claims for damages that may result from the destruction of or injury to the Projects, and all claims for damages to or loss of any property belonging to the Board that may be in or upon the Projects. The Board agrees that the terms of this Lease Agreement constitute full and sufficient notice of the right of the Corporation, or its assignee, to enter and sell or re-let the Projects in accordance with the terms hereof. Notwithstanding the foregoing, the Board shall not be responsible for any costs incurred by the Corporation, or its assignee, to make the Projects suitable for reletting.

No delay or omission of the Corporation, or its assignee, to exercise any right or power arising upon the happening of any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of

49

Default or any acquiescence therein, and every power and remedy given by this Article VII to the Corporation, and its assignee, may be exercised from time to time and as often as shall be deemed expedient by the Corporation, or its assignee.

SECTION 7.07. REMEDIES NOT EXCLUSIVE. No remedy herein or by law conferred upon or reserved to the Corporation, and its assignee, is intended to be exclusive of any other remedy, but each such remedy is cumulative and in addition to every other remedy, and every remedy given hereunder or now or hereafter existing, at law or in equity or by statute or otherwise may be exercised without exhausting and without regard to any other remedy conferred or by any law.

In case any suit, action or proceeding to enforce any right or exercise any remedy shall be brought or taken and then discontinued or abandoned, then, and in every such case, the Corporation, and its assignee, and the Board shall be restored to its and their former position and rights and remedies as if no such suit, action or proceedings had been brought or taken.

THIS FIRST AMENDMENT TO MASTER LEASE-PURCHASE AGREEMENT, dated as of February 19, 2003 (the "First Amendment to Master Lease-Purchase Agreement"), amending the Master Lease-Purchase Agreement, dated as of April 1, 1994, as heretofore amended and supplemented (the "Lease Agreement"), by and between the **HILLSBOROUGH SCHOOL BOARD LEASING CORPORATION**, a not-for-profit educational corporation duly organized and existing under the laws of the State of Florida (the "Corporation"), and the **SCHOOL BOARD OF HILLSBOROUGH COUNTY, FLORIDA**, acting as the governing body of the Hillsborough County School District (the "Board").

WITNESSETH:

WHEREAS, the Board has heretofore deemed it in its best interests to lease-purchase certain real and/or personal property from time to time and has heretofore entered into a Master Lease-Purchase Agreement, dated as of April 1, 1994, as amended and supplemented (the "Lease Agreement"), between the Corporation, as lessor, and the Board, as lessee; and

WHEREAS, the Board desires to provide for the delivery from time to time of Hedge Agreements (defined herein); and

WHEREAS, in order to provide for the delivery of Hedge Agreements related to Outstanding Certificates it is necessary to amend certain provisions of the Lease Agreement;

NOW, THEREFORE, in consideration of the mutual agreements and covenants in the Trust Agreement (defined in the Lease Agreement) and Lease Agreement contained and for other valuable consideration, the parties hereto agree as follows:

SECTION 1. AUTHORIZATION. This First Amendment to Master Lease-Purchase Agreement is being entered into in accordance with (i) the provisions of the Act, (ii) a resolution of the Board adopted on February 18, 2003 and (iii) Section 6.05(b) of the Lease Agreement.

SECTION 2. DEFINITIONS. The words and terms which are defined in the Lease Agreement (as amended hereby), shall have the same meanings ascribed to them when used herein, unless the context or use indicates a different meaning or intent.

SECTION 3. AMENDMENTS TO EXHIBIT A (DEFINITIONS) TO THE LEASE AGREEMENT. (a) Exhibit A to the Lease Agreement is hereby amended by adding the following definitions of "Counterparty," "Hedge Agreement," "Hedge Obligations," "Hedge Receipts" and "Termination Fees":

"Counterparty" shall mean the Person entering into a Hedge Agreement with the Board.

"Hedge Agreement" shall mean an interest rate exchange agreement, an interest rate swap agreement, a forward purchase contract, a put option contract, a call option contract or any other financial product which is used by the Board as a hedging device with respect to its obligation to pay the interest portion of Basic Lease Payments represented by any of the Outstanding Certificates, entered into between the Board and a Counterparty and designated by the Board as a "Hedge Agreement" for the purposes of the Trust Agreement and Lease Agreement.

"Hedge Obligations" shall mean the periodic amounts required to be paid by the Board on the related notional amount under a Hedge Agreement determined in accordance with a formula set forth in the Hedge Agreement (similar to payment of interest on the related notional amount), but excluding Termination Fees which are not payable by a Credit Enhancer pursuant to the terms of any bond insurance policy or Credit Facility securing the obligation of the Board to make certain payments under a Hedge Agreement.

"Hedge Receipts" shall mean amounts received by the Board on the related notional amount from a Counterparty under a Hedge Agreement which may be net of any Hedge Obligations.

"Termination Fees" means any payments due by the Board under a Hedge Agreement, other than Hedge Obligations.

(b) Exhibit A to the Lease Agreement is hereby amended by amending and restating the definition of "Basic Rent" or "Basic Rent Payment" in its entirety with the following:

SECTION 4. AMENDMENTS TO SECTION 4.03 OF THE LEASE AGREEMENT. Subsections (b) and (c) of Section 4.03 of the Lease Agreement are hereby amended in their entirety to read as follows:

(b) The Board agrees to pay as lease rental hereunder for each Project, the Basic Rent on or prior to the Basic Rent Payment Dates as set forth in the Lease Schedule and/or Hedge Agreement relating thereto, as the same may be modified or amended from time to time following any prepayment of Basic Rent for the lease of such Project. Basic Rent Payments consist of a Principal Component and an Interest Component which shall be stated in each Lease Schedule; provided that Hedge Obligations shall always constitute an Interest Component. The portion of the Basic Rent attributable to the Interest Component shall not exceed the maximum rate permitted by Section 215.84, Florida Statutes. Each Project may be divided into Groups of leased property as described in the Lease Schedule relating thereto. The Principal Component and Interest Component attributed to each Group of leased property shall be provided in the Lease Schedule relating thereto. The Board hereby agrees that it shall make all Basic Rent Payments coming due on each Basic Rent Payment Date on or prior to each such Basic Rent Payment Date in accordance with the applicable Lease Schedule and/or Hedge Agreement, subject to the provisions of Sections 4.06 and 7.01 hereof. **THE BOARD SHALL NOT BUDGET AND APPROPRIATE AVAILABLE REVENUES FOR A PORTION OF THE PROJECTS LEASID PURSUANT TO THIS LEASE AGREEMENT; IT MUST BUDGET AND APPROPRIATE LEASE PAYMENTS FOR ALL OF THE PROJECTS DESCRIBED ON ALL LEASE SCHEDULES ENTERED INTO PURSUANT TO THIS LEASE AGREEMENT OR NONE OF THEM.** All Basic Rent Payments shall be paid in arrears. The Board shall pay the Basic Rent due hereunder to the Trustee at its Principal Office and the Trustee shall apply same as provided in the Trust Agreement. The Board shall specify which subaccount of the Interest Account and Principal Account the Basic Rent Payments shall be deposited in, provided that all Hedge Receipts shall be deposited in a subaccount of the Interest Account. To the extent that moneys have been deposited and are available with the Trustee from the proceeds of a Series of Certificates for the purpose of paying Basic Rent relating to a Project pursuant to Section 6.01 of the Trust Agreement, the amount to be appropriated shall not be reduced but the Board shall not be required to transfer funds to the Trustee for payments of such Basic Rent, and the Board shall receive a credit against its obligation to pay such Basic Rent for such amounts on deposit with the Trustee."

"(c) In addition to the Basic Rent, the Board hereby agrees to pay and discharge from time to time as provided herein, as Supplemental Rent, all other amounts, liabilities and obligations which the Board assumes or agrees to pay to the Corporation, the Trustee, any Credit Enhancers, Termination Fees due any Counterparties, and any amounts due to the issuer of any Reserve Account Insurance Policy or Reserve Account Letter of Credit pursuant to the terms and provisions of any agreements between the Board and such parties, or to others with respect to this Lease Agreement, the Trust Agreement, any Hedge Agreement or the Projects. Supplemental Rent shall include, but not be limited to, any redemption premium attributable to the Certificates, the fees and expenses (including reasonable counsel fees and expenses) incurred by the Trustee pursuant to the Trust Agreement or hereunder, all fees and expenses of the Corporation relating to the lease of the Projects or to its corporate existence, all ongoing expenses relating to the financing of the Projects. The Supplemental Rent shall be paid to Trustee for application in accordance with the terms hereof and of the Trust Agreement or, in the case of a Termination Fee, directly to the Counterparty."

SECTION 5. PROVISIONS OF LEASE AGREEMENT NOT OTHERWISE MODIFIED. Except as expressly modified or amended hereby, the Lease Agreement shall remain in full force and effect. To the extent of any conflict between the terms of the Lease Agreement and this First Amendment to Master Lease-Purchase Agreement, the terms hereof shall control.

SECTION 6. THIRD PARTY BENEFICIARIES. SECOND AMENDMENT TO MASTER LEASE-PURCHASE AGREEMENT

THIS SECOND AMENDMENT TO MASTER LEASE-PURCHASE AGREEMENT, dated as of January 1, 2007 (the "Second Amendment to Master Lease-Purchase Agreement"), amending the Master Lease-Purchase Agreement, dated as of April 1, 1994, as heretofore amended and supplemented (the "Lease Agreement"), by and between the **HILLSBOROUGH SCHOOL BOARD LEASING CORPORATION**, a not-for-profit educational corporation duly organized and existing under the laws of the State of Florida (the "Corporation"), and the **SCHOOL BOARD OF HILLSBOROUGH COUNTY, FLORIDA**, acting as the governing body of the Hillsborough County School District (the "Board").

WITNESSETH:

WHEREAS, the Board has heretofore deemed it in its best interests to lease-purchase certain real and/or personal property from time to time and has heretofore entered into a Master Lease-Purchase Agreement, dated as of April 1, 1994, as amended and supplemented (the "Lease Agreement"), between the Corporation, as lessor, and the Board, as lessee; and

WHEREAS, as a result of the Board's inability to obtain windstorm damage insurance coverage in the amounts specified in Section 5.05 of the Lease Agreement, the Board desires to amend said Section 5.05 to reflect the changes in the insurance market since April 1, 1994;

NOW, THEREFORE, in consideration of the mutual agreements and covenants in the Trust Agreement (defined in the Lease Agreement) and Lease Agreement contained and for other valuable consideration, the parties hereto agree as follows:

SECTION 1. AUTHORIZATION. This Second Amendment to Master Lease-Purchase Agreement is being entered into in accordance with (i) the provisions of the Act, and (ii) Section 6.05(b) of the Lease Agreement.

SECTION 2. DEFINITIONS. The words and terms which are defined in the Lease Agreement (as amended hereby), shall have the same meanings ascribed to them when used herein, unless the context or use indicates a different meaning or intent.

SECTION 3. AMENDMENT OF SECTION 5.05 OF THE LEASE AGREEMENT. Section 5.05 of the Lease Agreement is hereby amended and restated in its entirety to read as follows:

"SECTION 5.05 FIRE AND EXTENDED COVERAGE INSURANCE AND FLOOD INSURANCE. (a) The Board shall procure and maintain, or cause

to be procured and maintained, throughout the Lease Term, subject to the requirements of State law, insurance against loss or damage to any part of the Projects by fire or lightning, with extended coverage and vandalism and malicious mischief insurance. Said extended coverage insurance shall, as nearly as practicable, also cover loss or damage by explosion, windstorm, riot, aircraft, vehicle damage, smoke and such other hazards as are normally covered by such insurance. Such insurance shall be in an amount equal to the lesser of (i) one hundred percent (100%) of the replacement cost of the Projects, (ii) the Principal Component of the Basic Rent Payments then remaining unpaid, (iii) \$75,000,000 per occurrence or (iv) such lesser amount as is available to the Board at commercially reasonable costs, as set forth in a Certificate of an Insurance Consultant filed with the Board, the Trustee and each Credit Enhancer. Such insurance may be subject to deductible clauses not to exceed \$250,000 in the aggregate for any one loss or, in the case of windstorm damage, two percent (2%) of the replacement cost. Such insurance may be maintained as part of or in conjunction with any other fire and extended coverage insurance carried or required to be carried by the Board, and may be maintained in whole or in part in the form of self-insurance by the Board, provided such self-insurance complies with the provisions of Section 5.07 hereof. The Net Proceeds of such insurance shall be applied as provided in Section 5.06 hereof. **The provisions of this Section 5.05, as amended, supersede in all respects the provisions contained in outstanding Lease Schedules (particularly, Section 10 thereof) related to property and casualty insurance in conflict hereto and dated prior to January 1, 2007.**

(b) Flood insurance shall be separately maintained by the Board for any property included in a Project which is located in a federally designated flood plain, in such amounts per occurrences as are available at commercially reasonable costs and in minimum amounts necessary to qualify for federal disaster relief programs. In the event the Board considers flood insurance to be unavailable at commercially reasonable rates, it shall so notify the Trustee and the Credit Enhancer(s), if any, for the Project(s) to which such flood insurance relates. If such Credit Enhancer(s) identify insurance for such coverage at commercially reasonable rates, the Board shall be obligated to obtain such insurance. In the event that such Credit Enhancer(s) and the Board determine that flood insurance is unavailable at commercially reasonable rates, such flood insurance shall be maintained in whole in the form of self-insurance by the Board in compliance with the provisions of Section 5.07 hereof.

(c) The insurance required to be maintained by the Board pursuant to this Section 5.05 shall be provided by carriers rated at least "A" by Standard & Poor's Corporation (a "Qualified Insurer" unless the Credit Enhancer(s), if any, for the Project(s) to which such insurance relates shall approve an insurer with a lower

rating. If an insurer's rating falls below "A" (or, with respect to an insurer approved as aforesaid with a rating lower than "A," falls below the rating such insurer had when approved), such insurer shall be replaced with a Qualified Insurer unless the Credit Enhancer(s), if any, for the Project(s) to which such insurance relates shall approve an insurer with a lower rating.

SECTION 4. PROVISIONS OF LEASE AGREEMENT NOT OTHERWISE MODIFIED. Except as expressly modified or amended hereby, the Lease Agreement shall remain in full force and effect. To the extent of any conflict between the terms of the Lease Agreement and this Second Amendment to Master Lease-Purchase Agreement, the terms hereof shall control.

SECTION 5. THIRD PARTY BENEFICIARIES. Nothing in this Second Amendment to Master Lease-Purchase Agreement, express or implied, is to or shall be construed to confer upon or to give to any person or party other than the Corporation, and its assignee, the Trustee, the Credit Enhancers, Counterparties and the Board any rights, remedies or claims under or by reason of this Second Amendment to Master Lease-Purchase Agreement or any covenants, condition or stipulation hereof; and all covenants, stipulations, promises and agreements in this Second Amendment to Master Lease-Purchase Agreement contained by or on behalf of the Corporation or the Board shall be for the sole and exclusive benefit of the Corporation, and its assignee, the Credit Enhancers, Counterparties and the Board.

SECTION 6. COUNTERPARTS. This Second Amendment to Master Lease-Purchase Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

SECTION 7. HEADINGS. Any heading preceding the text of the several Articles hereof, and any table of contents or marginal notes appended to copies hereof, shall be solely for convenience of reference and shall not constitute a part of this Second Amendment to Master Lease-Purchase Agreement, nor shall they affect its meaning, construction or effect.

SECTION 8. LAWS. This Second Amendment to Master Lease-Purchase Agreement shall be construed and governed in accordance with the laws of the State.

IN WITNESS WHEREOF, the parties have executed this Second Amendment to Master Lease-Purchase Agreement by their officers thereunto duly authorized as of the date and year first written above.

**SECOND AMENDED AND RESTATED
LEASE SCHEDULE NO. 2007**

**Second Amended and Restated Schedule No. 2007
to the
Master Lease-Purchase Agreement,
dated as of April 1, 1994,
between
Hillsborough School Board Leasing Corporation (the "Corporation")
and
The School Board of Hillsborough County, Florida (the "Board")**

THIS SECOND AMENDED AND RESTATED LEASE SCHEDULE NO. 2007 (the "Amended and Restated Lease Schedule") hereby amends and restates in its entirety Lease Schedule No. 2007, dated as of April 1, 2007, between the Corporation and the Board, as heretofore amended and supplemented (the "Prior Lease Schedule"), to that certain Master Lease-Purchase Agreement, dated as of April 1, 1994 between the Board and the Corporation, as amended (the "Master Lease Agreement.") The Master Lease Agreement, together with this Amended and Restated Lease Schedule are herein collectively referred to as the "Lease Agreement." This Amended and Restated Lease Schedule is hereby entered into under the Lease Agreement, pursuant to which the Corporation has agreed to lease-purchase to the Board and the Board has agreed to lease-purchase from the Corporation, subject to the terms and conditions of the Lease Agreement, the Series 2007 Project as herein described. All defined terms not otherwise defined herein shall have the respective meanings therefor set forth in the (i) Lease Agreement or (ii) Master Trust Agreement, dated as of April 1, 1994, among the Board, the Corporation and the Trustee, as amended and supplemented, particularly as supplemented by the Series 2016A Supplemental Trust Agreement (the "Series 2016A Supplemental Trust Agreement"), dated as of March 1, 2016, among the Board, the Corporation and the Trustee (collectively, the "Trust Agreement"). Reference to "Lease Agreement" herein shall include the terms of this Amended and Restated Lease Schedule.

1. Findings. The Board and the Corporation hereby find and determine that:

(a) The Board has heretofore executed and delivered the Master Lease Agreement pursuant to which it has established a master lease-purchase program.

(b) The Board has heretofore leased the Series 2007 Project from the Corporation in accordance with the terms of the Lease Agreement.

(c) The Board has heretofore caused the Series 2007 Certificates (as defined in the Series 2016A Supplemental Trust Agreement) to be executed, authenticated and delivered by the Trustee in connection with the financing of the costs of acquisition and construction and the Board's leasing of the Series 2007 Project.

(d) The Board and the Corporation deem it in their best interests to restructure the Basic Rent Payments due under the Prior Lease Schedule by issuing Refunding Certificates for the purpose of refunding, on an advanced basis, the outstanding Series 2007 Certificates maturing on July 1 in the years 2018 through 2031, inclusive (collectively, the "Refunded Certificates").

(e) In order to accomplish such refunding, the Board and the Corporation hereby agree to cause the issuance of the Series 2016A Certificates (as defined herein) pursuant to the Master Trust Agreement and the Series 2016A Supplemental Trust Agreement.

(f) The Board and the Corporation further agree to use a portion of the proceeds of the Series 2016A Certificates, together with other available funds, to (i) prepay the Refunded Certificates pursuant to the terms of the Master Trust Agreement (including, particularly, Articles V and XII thereof) and an Escrow Deposit Agreement, dated March 31, 2016 (the "Escrow Deposit Agreement"), between the Board and The Bank of New York Mellon Trust Company, N.A., as Escrow Agent, in order to restructure and reduce certain Basic Rent Payments payable under the Lease Agreement as aforesaid and (ii) pay costs associated with the issuance of the Series 2016A Certificates. The portion of the proceeds of the Series 2016A Certificates to be applied to the refunding of the Refunded Certificates shall be deposited into an escrow deposit trust fund established pursuant to the Escrow Deposit Agreement and shall constitute the deposit of prepaid Basic Rent Payments by the Board. The refunding of the Refunded Certificates is in the best interests of the Board and the Corporation because it results in a decrease in Basic Rent Payments associated with the portion of the Series 2007 Project refinanced with the proceeds of the Refunded Certificates.

(g) The deposit of the prepaid Basic Rent Payments into the escrow deposit trust fund, together with any investment earnings, shall be in an amount sufficient to pay the principal of, prepayment premium, if any, and interest on the Refunded Certificates, as the same become due or are redeemed prior to maturity. The Lease Agreement will secure the payment of Supplemental Rent and any deficiency in the prepaid Basic Rent Payments on deposit in the escrow deposit trust fund relating to the Refunded Certificates.

(h) In consideration for the deposit of such prepaid Basic Rent Payments with the Escrow Agent, the Board and the Corporation agree to enter into this Amended and Restated Lease Schedule, whereby the Board will lease the Series 2007 Project and agree to make Basic Rent Payments sufficient to pay the principal of and interest on the Series

(e) For purposes of Section 5.08(c) of the Lease Agreement, Net Proceeds of any insurance or condemnation award relating to the Series 2007 Project shall be allocated to the Series 2016A Certificates, on a pro rata basis with the Outstanding Series 2007 Certificates. With respect to the Outstanding Series 2007 Certificates, the portion of such Net Proceeds allocable thereto shall be applied to the Mandatory Prepayment thereof in accordance with the Supplemental Trust Agreement related thereto. With respect to the Series 2016A Certificates, the portion of the Net Proceeds relating to the Series 2007 Project allocable to the Series 2016A Certificates under this Amended and Restated Lease Schedule shall be applied in accordance with Section 14 below.

(f) The Closure Date of the Series 2007 Subaccount of the Project Account established for the Series 2007 Certificates, for purposes of Section 6.03(g) of the Trust Agreement is not applicable.

5. **Basic Rent and Basic Rent Payment Dates.** The Basic Rent payable by the Board to the Corporation with respect to the Series 2007 Project under the Lease Agreement is described in Schedule A attached hereto. Basic Rent is due and payable by the Board no later than the 15th day prior to each Basic Rent Payment Date. The obligation to make Basic Rent Payments in regard to the Refunded Certificates shall remain in effect to the extent of any deficiency in prepaid Basic Rent Payments deposited in the escrow deposit trust fund established by the Escrow Deposit Agreement for the Refunded Certificates.

6. **Use of Certificate Proceeds.** (a) The proceeds of the Series 2007 Certificates (net of underwriters' discount) were disbursed as follows:

Deposit to Series 2007 Subaccount of Project Account established for the Series 2007 Certificates.....	\$85,000,000.00
Deposit to Series 2007 Subaccount of Costs of Issuance Account established for the Series 2007 Certificates	\$580,826.08*

2. **Series 2007 Project.** The leased property, which is described in Section 6 of this Lease Schedule (the "Series 2007 Project"), and had a Maximum Cost of \$89,974,102, was acquired, constructed and installed, and shall be lease-purchased, by the Board from the Corporation pursuant to the terms of the Lease Agreement.

The Premises Rights further include cross rights of support and use over, upon, across, under, through and into Common Structural Elements in favor of the Corporation (and like rights are hereby reserved unto the Board) for the continued use, benefit and enjoyment and continued support, service, maintenance and repair of all such Common Structural Elements.

The Board represents and warrants that none of the Permitted Encumbrances has an adverse effect on the use of the Premises or the enjoyment of the leasehold estate therein created under this Ground Lease.

SECTION 2. TERM. The initial term of this Ground Lease (the "Initial Ground Lease Term") shall be for the period commencing on the Commencement Date, and ending on the earlier of (a) the date on which the Series 2007 Certificates and any Completion Certificates related to the Series 2007 Project and any Certificates issued to refund the foregoing, have been paid or provision for payment of such Certificates has been made pursuant to Section 12.01 of the Trust Agreement and any Supplemental Rent arising under the Lease Agreement shall have been paid or provided for, or (b) July 1, 2036 (both dates inclusive). (iv) the failure to pay any portion of the fair market rental in any year due to insufficiencies of moneys realized from the exercise of the remedies permitted under the Lease Agreement (A) shall not give rise to any obligation to pay interest on such unpaid fair market rental, and (B) shall not constitute a default under this Ground Lease by the Corporation or the Trustee as the assignee of the Corporation.

SECTION 5. OWNERSHIP OF IMPROVEMENTS AND SURRENDER OF PREMISES. (a) The Corporation or its assignee shall at all times during the Ground Lease Term have a leasehold estate in the Premises with full right to vest the use, enjoyment and possession of such leasehold estate therein in a Permitted Transferee.

(b) Possession and use of the Premises, together with all improvements thereon, shall, upon the last day of the Ground Lease Term or earlier termination of this Ground Lease, automatically revert to the Board free and clear of liens and encumbrances other than Permitted Encumbrances without necessity of any act by the Corporation or any Permitted Transferee. Upon such termination of this Ground Lease, the Corporation or its assignee shall peaceably and quietly surrender to the Board the Premises together with any improvements located in or upon the Premises. Upon such surrender of the Premises, the Corporation or any Permitted Transferee, at the reasonable request of the Board, shall execute an instrument in recordable form evidencing such surrender and shall deliver to the Board all books, records, construction plans, surveys, permits and other documents relating to, and necessary or convenient for, the operation of the Premises and the improvements thereon in the possession of the Corporation or any Permitted Transferee.

(c) Any personal property of the Corporation, any Permitted Transferee or any Person which shall remain on the Premises after expiration or earlier termination of the Ground Lease Term and for sixty (60) days after request by the Board for removal, shall, at the option of the Board, be deemed to have been abandoned and may be retained by the Board and the same may be disposed of, without accountability, in such manner as the Board may see fit.

(d) If the Corporation or any Permitted Transferee holds over or refuses to surrender possession of the Premises after expiration or earlier termination of this Ground

(b) If the Lease Agreement has been terminated, the Corporation and each Permitted Transferee (as defined in Section 9(b) hereof) may use the Premises for any lawful purpose, in its sole discretion, and may alter, modify, add to or delete from the portions of the Series 2007 Project existing from time to time on the Premises.

(c) Neither the Corporation nor any Permitted Transferee shall use or permit the Premises to be used in violation of any valid present or future laws, ordinances, rules or regulations of any public or governmental authority at any time applicable thereto.

(d) The Board may at any time place portable educational facilities on the Premises. Such portables shall be owned by the Board.

SECTION 4. RENTAL. (a) So long as the Lease Agreement has not been terminated, the Corporation or its assignee shall pay to the Board as and for rental for the Premises the sum of ten dollars (\$10.00) per annum, which sum shall be due in advance on the Commencement Date (pro rated) and annually thereafter on the first day of each Renewal Lease Term.

(b) From and after the date on which the Lease Agreement has been terminated, the Corporation or its assignee shall pay as and for rental for the Premises an amount determined by an M.A.I. appraisal to be the fair market rental for the Premises (the "Appraisal"), which Appraisal shall be prepared by an appraiser selected by the Corporation (with the consent of the Trustee as assignee of the Corporation); provided, however, that such fair market rental and the payment thereof shall be subject to the following adjustments and conditions:

(i) if the Lease Agreement has been terminated on a date other than June 30 of any year, the fair market rental determined pursuant to the Appraisal shall be pro rated for the number of days between the date terminated and the next succeeding July 1;

(ii) for each twelve-month period beginning on the July 1 next succeeding the date on which terminated and beginning on each succeeding July 1, the amount of the fair market rental determined by the Appraisal shall be adjusted by the percentage (positive or negative) which is equal to the Implicit Price Deflator of the Consumer Price Index published by the United States Department of Commerce for the region of the United States where Florida is located or for the United States as a whole if not so published for such region;

(iii) the fair market rental due in any year shall be paid in the current year only to the extent that the moneys received by the Trustee as assignee of the Corporation from the exercise of the remedies permitted under the Lease Agreement during the preceding twelve months prior to such July 1 exceeded the Principal and Interest Requirements for such preceding twelve months and other

(c) The provisions of Sections 5(a), 5(b) and 5(c) hereof shall not apply to vending machines or other commercial equipment or trade fixtures located in or about the Premises to the extent that such equipment is readily removable from the Premises without causing material harm or damage thereto and that such equipment is not owned by the Corporation or any Permitted Transferee.

SECTION 6. BOARD'S INTEREST NOT SUBJECT TO CERTAIN LIENS. It is mutually intended, stipulated and agreed that neither the fee simple title to nor any interest of the Board in the Premises may be subject to liens of any nature arising by reason of any act or omission of the Corporation or any Person claiming under, by or through the Corporation, including, but not limited to, mechanics' and materialmen's liens.

SECTION 7. INSURANCE. The Corporation covenants and agrees with the Board that the Corporation will cooperate with the Board in providing any information necessary for the Board to obtain and maintain in full force and effect insurance coverages desired by the Board or required by the Lease Agreement.

SECTION 8. CONDITION OF PREMISES, UTILITIES, CONCEALED CONDITIONS. (a) Except with regard to any environmental conditions and subject to the provisions of this Section 8, the Corporation agrees to accept the Premises in their presently existing condition, "as is."

(b) It is understood and agreed that the Board has determined that the Premises will safely or adequately support the Series 2007 Project, and hereby certifies same to the Corporation.

(c) The Board, at its sole expense, shall bring or cause to be brought to the Premises adequate connections for water, electrical power, storm sewerage and sewerage, and shall arrange with the appropriate utility companies for furnishing such services and shall provide to the Premises water service and capacity sufficient for operation, heating, ventilation and air conditioning equipment, and to the extent necessary to permit the Board to use the Series 2007 Project for the purposes intended or to permit such Series 2007 Project to comply with all requirements of law, the Corporation will provide and construct (but only to the extent of the proceeds of the Series 2007 Certificates available therefor) such roads, streets, sidewalks and other methods of ingress and egress necessary therefor. as assignee of the Corporation shall cooperate in such dedication by executing any deeds or other instruments required to effect such dedication.

SECTION 9. LIMITATION ON LEASEHOLD MORTGAGES, ASSIGNMENT AND SUBLETTING. (a) If the Lease Agreement has been terminated and subject to the terms and conditions herein provided, the Corporation may enter into a mortgage or mortgages of its leasehold interest created hereby in the Premises as security for the performance of its obligations under any financing obtained by the Corporation; provided, however, the fee title to the Premises shall not be subject to, or otherwise encumbered by, any such mortgage; provided, however, that each such leasehold mortgage shall be subject to the provisions of Section 9(d) hereof. Any such mortgage executed by the Corporation or its assignee pursuant to the provisions of the preceding sentence shall be hereinafter called a "Leasehold Mortgage" and the holder of any such mortgage shall be hereinafter called the "Leasehold Mortgagee."

(b) Except as expressly provided in this Section 9(b), the Corporation or its assignee shall not assign this Ground Lease, or any portion hereof, or sublease all or any portion of the Premises or the Project at any time. Except as expressly permitted in this Section 9(b), any purported assignment, partial assignment or sublease without the Board's prior written consent in violation of this Section 9(b) shall be null and void. So long as the Lease Agreement has not been terminated, (i) the Corporation may assign this Ground Lease to the Trustee for the benefit of the Owners of the Series 2007 Certificates and the Owners of any Completion Certificates related to the Series 2007 Project and the Owners of any Certificates issued to refund the foregoing, and (ii) the Corporation shall sublet all of the Premises to the Board (the "Initial Sublessee") under the Lease Agreement. If the Lease Agreement shall have been terminated, the Corporation or its assignee may sublet the Premises or assign its interest in this Ground Lease (a "Permitted Sublease") to any Person for any lawful purpose without the prior consent of the Board; provided, however, that no Permitted Sublease shall relieve the Corporation of any of its duties or obligations hereunder without the prior written consent of the Board; provided, however, that each Permitted Sublease shall be subject to the provisions of Section 9(d) hereof. "Permitted Transferee" shall mean a sublessee or assignee permitted by this Section 9(b).

(c) If the Lease Agreement shall have been terminated and the Corporation or its assignee proposes to create a Permitted Sublease of any portion of its interest in this Ground Lease, the Corporation or its assignee shall provide written notice thereof to the Board containing the names and addresses of the proposed assignee(s), sublessee(s) or transferee(s); provided, however, that failure to provide such notice shall not affect the validity or effectiveness of any Permitted Sublease to a Permitted Transferee.

(d) If the Lease Agreement shall have been terminated, nothing herein shall prevent the Corporation or its assignee from entering into a Leasehold Mortgage or a Permitted Sublease for individual parcels of land constituting the Premises. It shall not

9

(c) In the event that the Board shall fail to pay any of the items required under this Section 12, the Corporation or its assignee may, at its sole option, pay the same and any amounts so advanced therefor by it shall become an additional obligation of the Board and Supplemental Rent under the Lease Agreement.

SECTION 13. DEFAULT BY THE CORPORATION. (a) Each of the following events shall be deemed a default by the Corporation hereunder and a breach of this Ground Lease:

(i) If the Corporation or its assignee shall fail to pay, when due, any rent or portion thereof, or any other sum, if any, which the Corporation or its assignee is obligated to pay under the terms and provisions of this Ground Lease, and such rent or other sums, if any, remain unpaid for a period of thirty (30) days after receipt of written notice to the Corporation from the Board;

(ii) If the Corporation or its assignee shall attempt to mortgage the leasehold estate hereby created in violation of Section 9(a) hereof or to assign this Ground Lease, or any portion thereof, or to sublease any portion of the Premises or the Series 2007 Project in violation of Section 9(b) hereof; or

(iii) If the Corporation or its assignee shall use the Premises for any purposes not permitted by this Ground Lease, and such use shall continue for a period of thirty (30) days after the Board shall have given written notice to the Corporation or its assignee to desist from such use.

(b) In the event that the item of default set forth in Section 13(a)(iii) above is of such a nature that it cannot be remedied within the time limits therein set forth, then the Corporation shall have such additional time as is reasonably necessary to cure such default provided that such Corporation diligently commences the curing of such default within such time and proceeds to completely cure the same in a timely and diligent manner.

(c) In the event that any Permitted Transferee or Leasehold Mortgagee exists of record at the time that a default occurs hereunder, the Board shall give notice thereof to each such Permitted Transferee and Leasehold Mortgagee and each such party shall have thirty (30) additional days from receipt of such notice to cure such default; provided, however, that if the default is of such a nature that the same cannot be cured in such time, then such party shall have such additional time as is reasonably necessary to cure such default provided that such party diligently commences the curing of such default within such time and proceeds completely to cure same within a timely and diligent manner.

SECTION 14. REMEDIES OF BOARD. Upon the occurrence of any event of default as set forth in Section 13 hereof which has not been cured (and is not in the process of being cured) under Section 13(b) or 13(c) hereof, but not otherwise, the

be necessary for a Leasehold Mortgage or a Permitted Sublease to cover all of the Premises.

SECTION 10. UTILITY EASEMENTS. So long as the Lease Agreement has not been terminated, the Board reserves the right to grant nonexclusive utility easements, licenses, rights-of-way and other rights or privileges in the nature of easements to others over, under, through, across or on the Premises but only to the extent reasonably necessary to provide services to the Premises or any other real property adjacent to the Premises; provided, however, that such grant and any use permitted thereby is not detrimental to the use or operation of the Premises or to any other uses permitted hereunder after the Ground Lease Term, will not impose any cost upon the Corporation or its assignee, will not weaken, diminish or impair lateral or subjacent support to the improvements to the Premises, including, without limitation the Series 2007 Project, will not impair or diminish the security of any Leasehold Mortgagee or Permitted Transferee hereunder and the Board agrees to indemnify and save harmless, but only from Available Revenues, the Corporation or its assignee and any Leasehold Mortgagee and Permitted Transferee (whether the interest of such party in the Premises arises prior or subsequent to such grants) against any loss, claim, liability or damages, including legal costs and defense arising or accruing from the use or exercise of such easement.

SECTION 11. DUTIES DEEMED PERFORMED. All obligations of the Corporation hereunder which are assumed by the Initial Sublessee shall be deemed, as between the Board and the Corporation hereunder, fully performed whether or not such Initial Sublessee actually performs same.

SECTION 12. TAXES AND FEES. (a) The Board represents and warrants that this Ground Lease is and will be exempt from ad valorem and intangible taxation. However, for as long as the Lease Agreement is in effect, should the Premises thereon or any interest therein ever become subject to any such taxes, the Board agrees to pay any and all such lawful taxes, assessments or charges which at any time may be levied by any federal, state, county, city, or any tax or assessment levying body upon the Premises or the Series 2007 Project, or any interest in this Ground Lease, or any possessory right which the Corporation or its assignee may have in or to the Premises thereon by reason of its use or occupancy thereof or otherwise.

(b) Notwithstanding the foregoing provision, either the Board or the Corporation shall, after notifying the other party hereto of its intention to do so, have the right in its own name or behalf, or in the name and behalf of the other party hereto, to contest in good faith by all appropriate proceedings the amount, applicability or validity of any such tax or assessment, and in connection with such contest, the Board may refrain from paying such tax or assessment. Each party shall, upon request by the other party hereto, assist and cooperate with the other party hereto in any such proceedings.

10

Board may take whatever action at law or in equity may appear necessary or desirable to enforce its rights hereunder; provided, the Board shall not have the right to terminate this Ground Lease until such time as the Series 2007 Certificates, any Completion Certificates related to the Series 2007 Project and any Certificates issued to refund the foregoing have been paid or provision for payment has been made pursuant to the terms and provisions of the Trust Agreement. The Board shall have recourse solely against the leasehold estate of the Corporation or its assignee in the Premises, and any proceeds thereof, for the payment of any liabilities of the Corporation or its assignee hereunder.

SECTION 15. NO WAIVERS. No waiver by either party hereto at any time of any of the terms, conditions, covenants or agreements of this Ground Lease, or noncompliance therewith, shall be deemed or taken as a waiver at any time thereafter of the same, nor of any other term, condition, covenant or agreement herein contained, nor of the strict and prompt performance thereof by the other party hereto. No delay, failure or omission of the Board to re-enter the Premises, nor by either party hereto to exercise any right, power, privilege or option arising from any default shall impair any right, power, privilege or option, or be construed to be a waiver of any such default, relinquishment thereof or acquiescence therein, and no notice by either party hereto shall be required to restore or revive time as being of the essence hereof after waiver by the Board of default in one or more instances. No option, right, power, remedy or privilege of the Board shall be construed as being exhausted or discharged by the exercise thereof in one or more instances. It is agreed that each and all of the rights, powers, options or remedies given to each party by this Ground Lease are cumulative, and no one of them shall be exclusive of the other or exclusive of any remedies provided by law.

SECTION 16. QUIET ENJOYMENT. The Board agrees that the Corporation and any Permitted Transferee, upon the payment of the rent and all other payments and charges, if any, to be paid by the Corporation or its assignee under the terms of this Ground Lease, and observing and keeping the agreements and covenants of this Ground Lease on its part to be observed and kept, shall lawfully and quietly hold, occupy and enjoy the Premises during the term of this Ground Lease, without hindrance or molestation from the Board or anyone claiming by, through or under the Board.

SECTION 17. TERMS BINDING UPON SUCCESSORS. All the terms, conditions and covenants of this Ground Lease shall inure to the benefit of and be binding upon the successors and assigns of the parties hereto.

SECTION 18. CONDEMNATION. In the event that any Person, public or private, shall by virtue of eminent domain or condemnation proceedings, or by purchase in lieu thereof, at any time during the term of this Ground Lease acquire title to the Premises:

(a) For as long as the Lease Agreement has not been terminated, the Net Proceeds resulting therefrom shall be applied pursuant to the Lease Agreement.

11

12

(b) If the Lease Agreement shall have been terminated, (i) if such Person acquires title to such substantial portion thereof that the Corporation determines that it cannot economically make use of the residue for the lawful purposes intended by this Ground Lease, such acquisition of title shall terminate this Ground Lease, effective as of the date on which the condemning party takes possession thereof, and the Net Proceeds resulting therefrom shall be applied first to payment of the amount secured by any Leasehold Mortgage then outstanding hereunder, second, to payment, on a pro rata basis, of any outstanding Series 2007 Certificates, any Completion Certificates related to the Series 2007 Project and any Certificates issued to refund the foregoing, and, third, the balance, if any shall be paid to the Board and the Corporation, as their respective interests may appear; and (ii) if such Person acquires title to a portion of the Premises only, and the Corporation determines that it can economically make beneficial use of the residue thereof for the lawful purposes intended by this Ground Lease, then this Ground Lease shall continue in full force and effect and the Net Proceeds resulting therefrom shall be paid to the Board and the Corporation, as their respective interests appear.

(c) It is understood that the foregoing provisions of this Section 18 shall not in any way restrict the right of the Board or the Corporation to appeal the award made by any court or other public agency in any condemnation proceeding.

SECTION 19. NON-MERGER OF LEASEHOLD. There shall be no merger of this Ground Lease or of the leasehold estate hereby created with the fee estate in the Premises or any part thereof by reason of the fact that the same Person may acquire or hold, directly or indirectly, this Ground Lease or leasehold estate hereby created or any interest in this Ground Lease or in such leasehold estate and the fee estate in the Premises or any interest in such fee estate. There shall be no merger of this Ground Lease with the Lease Agreement by reason of the fact that the Board is the owner of the fee title to the Premises and the leasehold estate in all or a portion of the Series 2007 Project created under the Lease Agreement or by reason of the fact that the Corporation is the owner of the leasehold estate in the Premises created hereby and is the owner of the fee title in the Series 2007 Project as provided in the Lease Agreement.

SECTION 20. MEMORANDUM OF GROUND LEASE. Unless mutually agreed to the contrary, simultaneously with the execution of this Ground Lease, the Board and the Corporation shall each execute, acknowledge and deliver a Memorandum of Ground Lease with respect to this Ground Lease. Said Memorandum of Ground Lease shall not in any circumstances be deemed to change or otherwise to affect any of the obligations or provisions of this Ground Lease.

The Board, at any time and from time to time, upon not fewer than thirty (30) days prior written notice from the Corporation or the Trustee as assignee of the Corporation, will execute, acknowledge and deliver to the Corporation, the Trustee as assignee of the Corporation or any Permitted Transferee, a certificate of the Board certifying that this Ground Lease is unmodified (or, if there have been any modifications, identifying the same), that this Ground Lease is in full force and effect, if it is; and that there is no default hereunder (or, if so, specifying the default). It is intended that any such certificate may be relied upon by the Corporation or the Trustee as assignee of the Corporation or any Permitted Transferee.

SECTION 24. NONRECOURSE OBLIGATION OF THE CORPORATION. Notwithstanding anything to the contrary herein or in any exhibit, instrument, document or paper relating to this Ground Lease or any of the transactions contemplated hereby, the parties hereto hereby acknowledge and agree that upon the assignment by the Corporation of its rights hereunder to the Trustee pursuant to the Assignment of Lease Agreement and Assignment of Ground Lease Agreement, the Corporation shall have no further obligation, liability or responsibility hereunder and no party hereto nor their successors or assigns shall look to the Corporation for any damages, expenses, fees, charges or claims with respect to the failure of any obligations hereunder to be performed.

SECTION 25. NO RECOURSE UNDER AGREEMENT. All covenants, stipulations, promises, agreements and obligations of the parties hereto contained in this Ground Lease shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the parties hereto, respectively, and not of any member, officer, employee or agent of the parties hereto in an individual capacity, and no recourse shall be had for the payment of rent pursuant to Section 4 hereof or for any claim based thereon under this Ground Lease Agreement against any member, officer, employee or agent of the parties hereto.

14

(d) Nothing herein contained shall be deemed to create a partnership or joint venture, nor shall the relationship between the parties be construed as principal and agent, or other than as landlord and tenant.

(e) The table of contents, headings and captions of this Ground Lease are inserted solely for convenience of reference, and under no circumstances shall they be treated or construed as part of, or as affecting, this Ground Lease.

(f) For purposes of computing any period of a number of days hereunder for notices or performance (but not for actual days of interest) of ten (10) days or fewer, Saturdays, Sundays and holidays shall be excluded.

(g) Any provision of this instrument in violation of the laws of the State of Florida shall be ineffective to the extent of such violation, without invalidating the remaining provisions of this instrument. In no event shall the Corporation or its assigns have any cause of actions against the officers or employees of the Board, or against any elected official of the Board based upon or materially related to any finding by any court that any or all provisions of this instrument violate Florida law.

(h) Nothing in this Ground Lease, expressed or implied, is to or shall be construed to confer upon or to give to any person or party other than the Corporation, and its assignee, the Trustee, the Credit Enhancer and the Board any rights, remedies or claims under or by reason of this Ground Lease or any covenants, condition or stipulation hereof, and all covenants, stipulations, promises and agreements in this Ground Lease contained by or on behalf of the Corporation or the Board shall be for the sole and exclusive benefit of the Corporation, and its assignee, the Credit Enhancer and the Board.

FORM OF TAX OPINION OF SPECIAL COUNSEL

[THIS PAGE INTENTIONALLY LEFT BLANK]

APPENDIX H

FORM OF OPINION OF NABORS, GIBLIN & NICKERSON, P.A., WITH RESPECT TO THE SERIES 2016A CERTIFICATES

Upon delivery of the Series 2016A Certificates in definitive form, Nabors, Giblin & Nickerson, P.A., Tampa, Florida, Special Counsel, proposes to render their opinion with respect to such Series 2016A Certificates in substantially the following form:

(Date of Delivery)

The School Board of Hillsborough County, Florida
Tampa, Florida

School Board Members:

We have acted as Special Counsel in connection with the execution and delivery of \$53,350,000 aggregate principal amount of Refunding Certificates of Participation (School Board of Hillsborough County, Florida Master Lease Program), Series 2016A Evidencing an Undivided Proportionate Interest of the Owners thereof in Basic Rent Payments to be made under a Master Lease-Purchase Agreement by The School Board of Hillsborough County, Florida (the "Certificates") in connection with the Lease Agreement described below.

In that capacity, we have examined various documents including (i) the Master Lease-Purchase Agreement, dated as of April 1, 1994, as amended and supplemented (the "Lease Agreement"), between the Hillsborough School Board Leasing Corporation, a single purpose Florida not-for-profit educational corporation, as lessor (the "Corporation") and The School Board of Hillsborough County, Florida, as lessee (the "Board"); (ii) Second Amended and Restated Lease Schedule No. 2007, dated as of March 1, 2016 ("Amended and Restated Lease Schedule No. 2007"), between the Corporation and the Board; (iii) the Master Trust Agreement, dated as of April 1, 1994, as amended and supplemented (the "Trust Agreement"), by and among The Bank of New York Mellon Trust Company, N.A. (successor to NationsBank of Florida, N.A.), as trustee (the "Trustee"), the Board and the Corporation; (iv) the Series 2016A Supplemental Trust Agreement, dated as of March 1, 2016 (the "Series 2016A Supplemental Trust Agreement"), by and among the Trustee, the Board and the Corporation; (v) the Assignment of Lease Agreement, dated as of April 1, 1994, as

amended and supplemented, in particular by the Twenty-Ninth Amendment to Assignment of Lease Agreement, dated as of March 1, 2016 (collectively the "Lease Assignment"), each between the Corporation and the Trustee, pursuant to which the Corporation has assigned by outright and absolute assignment its rights, title and interest in the Lease Agreement (other than to its rights of indemnification, its right to enter into lease schedules from time to time and certain obligations provided in Section 6.03 of the Lease Agreement) to the Trustee; and (vi) the Ground Lease Agreement dated as of April 1, 2007, as amended and supplemented (the "Series 2007 Ground Lease"), between the Board, as lessor and the Corporation, as lessee, pursuant to which the Board granted to the Corporation a leasehold interest in certain real property owned by the Board. We have also examined a record of proceedings of the Board relating to all of the foregoing.

The proceeds of the Certificates will be used for the principal purposes of (i) refunding, on an advanced basis, a portion of the outstanding Certificates of Participation (School Board of Hillsborough County Master Lease Program), Series 2007 Evidencing an Undivided Proportionate Interest of the Owners thereof in Basic Rent Payments to be made under a Master Lease-Purchase Agreement by the School Board of Hillsborough County, Florida (the "Series 2007 Certificates" and the portion being refunded, the "Refunded Certificates") and (ii) paying costs associated with the issuance of the Certificates.

Certain proceeds of the Certificates will be deposited into an escrow deposit trust fund (the "Escrow Fund") established pursuant to the Escrow Deposit Agreement, dated March 31, 2016 (the "Escrow Agreement") between The Bank of New York Mellon Trust Company, N.A., as Escrow Agent, and the Board, and, other than a cash deposit, will invest in direct obligations of the United States of America (the "Escrow Securities"), such that the principal of and interest on such obligations, together with such cash deposit, shall be sufficient to pay the principal of and interest on the Refunded Certificates, as the same became due or are prepaid prior to maturity.

Pursuant to the Lease Agreement, the Corporation is leasing certain educational and related facilities to the Board and the Board is making lease payments to the Trustee, as assignee of the Corporation pursuant to the Lease Assignment, which include Basic Rent Payments (as defined in the Trust Agreement). The Certificates evidence an undivided proportionate interest in a portion of the Basic Rent Payments (as defined in the Trust Agreement). The Basic Rent Payments are payable solely from the Board's Available Revenues (as defined in the Trust Agreement) appropriated for such purpose. The Board is not legally required to budget and appropriate Available Revenues for this purpose. Basic Rent Payments are subject to annual appropriation by the Board. Neither

the Board, the State of Florida, nor any political subdivision or agency thereof shall be obligated to pay any sums due under the Lease Agreement from any source other than Available Revenues, and the faith and credit of the Board are not pledged for payment of such sums due thereunder and such sums do not constitute debt of the Board within the meaning of any constitutional or statutory provision or limitation.

The Board has previously, and may, from time to time in the future, lease other Projects (as defined in the Trust Agreement) from the Corporation pursuant to the Lease Agreement. The acquisition, construction and installation of each such Project is financed by the issuance of a series of certificates of participation pursuant to the Trust Agreement. The Board has agreed in the Lease Agreement to budget and appropriate in each fiscal year from Available Revenues sufficient moneys to make the Lease Payments (as defined in the Trust Agreement) for all Projects leased under the Lease Agreement or for none of them. The Board may issue Refunding Certificates (as defined in the Trust Agreement), which shall be on a parity with the Certificates upon satisfying the conditions described thereto in the Trust Agreement.

The Certificates are dated and shall bear interest from their date of delivery, except as otherwise provided in the Trust Agreement. The Certificates will mature on the dates and in the principal amounts, and will bear interest at the respective rates per annum, as provided in the Trust Agreement. Interest shall be payable on each January 1 and July 1, commencing July 1, 2016. The Certificates are subject to prepayment prior to maturity in accordance with the terms of the Series 2016A Supplemental Trust Agreement.

As to questions of fact material to our opinion, we have relied upon the representations of the Board contained in the Lease Agreement and in the certified proceedings and other certifications of officials furnished to us without undertaking to verify the same by independent investigation. Furthermore, we have assumed continuing compliance with the covenants and agreements contained in the Lease Agreement and the Trust Agreement. We have not undertaken an independent audit, examination, investigation or inspection of such matters and have relied solely on the facts, estimates and circumstances described in such proceedings and certifications. We have assumed the genuineness of signatures on all documents and instruments, the authenticity of documents submitted as originals and the conformity to originals of documents submitted as copies.

Based upon the foregoing, under existing law, we are of the opinion that:

1 The Board is the duly organized and validly existing governing body of the School District of Hillsborough County, Florida and has all necessary power and

authority to execute and deliver the Lease Agreement, Amended and Restated Lease Schedule No. 2007, the Series 2007 Ground Lease Agreement, the Trust Agreement and the Series 2016A Supplemental Trust Agreement.

2. The Lease Agreement, Amended and Restated Lease Schedule No. 2007, the Series 2007 Ground Lease Agreement, the Trust Agreement and the Series 2016A Supplemental Trust Agreement have each been duly authorized, executed and delivered by the Board and each constitutes a valid and legally binding obligation of the Board, enforceable in accordance with its respective terms.

3. The Certificates, upon proper execution and authentication, shall evidence an undivided proportionate interest in a portion of the Basic Rent Payments made by the Board under the Lease Agreement, and shall be entitled to the benefits and security of the Trust Agreement on a pro rata basis with the Series 2007 Certificates not being refunded.

4. Under existing statutes, regulations, rulings and court decisions, prior to the termination of the Lease Agreement resulting from an Event of Non-Appropriation or Event of Default thereunder, the Interest Component (as defined in the Trust Agreement) of the Basic Rent Payments received by the owners of the Certificates is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, it should be noted that with respect to certain corporations, such Interest Component is taken into account in determining adjusted current earnings for the purpose of computing the alternative minimum tax imposed on such corporations. The opinions set forth above are subject to the condition that all requirements of the Internal Revenue Code of 1986, as amended, must be satisfied subsequent to the issuance of the Certificates in order that the Interest Component be (or continues to be) excluded from gross income for federal income tax purposes. Failure to comply with certain of such requirements could cause the Interest Component to be so included in gross income retroactive to the date of issuance of the Certificates. The Board and the Corporation have covenanted in the Lease Agreement to comply with all such requirements. Ownership of the Certificates may result in collateral federal tax consequences to certain taxpayers. We express no opinion regarding such federal tax consequences arising with respect to the Certificates.

We express no opinion regarding the federal income tax or Florida tax consequences resulting from the ownership of the Certificates or the receipt by the owners thereof of payments on the Series Certificates following the termination of the Lease Agreement resulting from an Event of Non-Appropriation or Event of Default thereunder.

5. Assuming the deposit and application of cash and the Escrow Securities in accordance with the provisions of the Escrow Agreement, such application and deposit will cause, with respect to the Refunded Certificates only, the Trust Estate and the rights granted in the Trust Agreement to cease, terminate and be void and the issuance of the Certificates and the refunding (prepayment) of the Refunded Certificates shall not, in and of itself, cause the Interest Component of the Refunded Certificates to become included in the gross income of the Owners thereof for purposes of federal income taxation.

In rendering the opinions set forth above, we are relying upon (a) the arithmetical accuracy of certain computations included in schedules provided by Merrill Lynch, Pierce, Fenner & Smith Incorporated relating to the computations of projected receipts of the Escrow Securities and any other amounts deposited in the Escrow Fund, of the adequacy of such projected receipts and other sums to pay the principal of, prepayment premium, if any, and interest on the Refunded Certificates, and of the yield on the Certificates and on the Escrow Securities and (b) the verifications of the arithmetical accuracy of such computations by Causey Demgen & Moore P.C., a firm of independent certified public accountants.

The opinions expressed in paragraphs 2 and 3 hereof are qualified to the extent that (i) the enforceability of the Lease Agreement, Amended and Restated Lease Schedule No. 2007, the Trust Agreement, the Series 2007 Ground Lease Agreement and the Series 2016A Supplemental Trust Agreement, and the rights of the owners of the Certificates may be limited by applicable bankruptcy, insolvency, moratorium, reorganization or other similar laws affecting creditors' rights generally, or by the exercise of judicial discretion in accordance with general principles of equity, and (ii) we have assumed the due authorization, execution and delivery of the Trust Agreement and the Series 2016A Supplemental Trust Agreement by the Corporation.

It should be noted that (a) except as may expressly be set forth in an opinion delivered by us to the underwriters of the Certificates on the date hereof (upon which only they may rely), we have not been engaged or undertaken to review the accuracy, sufficiency or completeness of the Offering Statement or other offering material relating to the Certificates and we express no opinion relating thereto, and (b) we have not been engaged or undertaken to review the compliance with any federal or state law with regard to the sale or distribution of the Certificates and we express no opinion relating thereto.

The opinions set forth herein are expressly limited to, and we opine only with respect to, the laws of the State of Florida and the United States of America. The only opinions rendered hereby shall be those expressly stated as such herein, and no opinion shall be implied or inferred as a result of anything contained herein or omitted herefrom.

This opinion is given as of the date hereof and we assume no obligation to update, revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

We have examined the form of the Certificates and, in our opinion, the form of the Certificates is regular and proper.

Respectfully submitted,

APPENDIX I

SECTION 11. Duties, Immunities and Liabilities of Disclosure Dissemination Agent.
(a) The Disclosure Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement. FLORIDA RETIREMENT SYSTEM

[THIS PAGE INTENTIONALLY LEFT BLANK]

The information relating to the Florida Retirement System ("FRS") contained herein has been obtained from the FRS Pension Plan and Other State Administered Systems Comprehensive Annual Financial Reports available at www.dms.myflorida.com/workforce_operations/retirement/publications/annual_reports and the Florida Comprehensive Annual Financial Reports available at www.myfloridacfo.com/division/aa/Reports/. No representation is made by the District as to the accuracy or adequacy of such information or that there has not been any material adverse change in such information subsequent to the date of such information.

The Florida Retirement System (the "FRS") is a cost-sharing multiple-employer public-employee retirement system with two primary plans – the FRS defined benefit pension plan (the "FRS Pension Plan") and the FRS defined contribution plan (the "FRS Investment Plan"). The FRS Pension Plan was created in Chapter 121, Florida Statutes, to provide a defined benefit pension plan for participating public employees ("FRS Pension Plan").

Florida Retirement System Pension Plan

Membership. FRS membership is compulsory for all employees filling a regularly established position in a state agency, county agency, state university, state community college, or district school board. Participation by cities, municipalities, special districts, charter schools, and metropolitan planning organizations, although optional, is generally irrevocable after election to participate is made. Members hired into certain positions may be eligible to withdraw from the FRS altogether or elect to participate in the non-integrated optional retirement programs in lieu of the FRS except faculty of a medical college in a state university who must participate in the State University System Optional Retirement Program.

There are five general classes of membership, as follows:

- *Regular Class* - Members of the FRS who do not qualify for membership in the other classes.
- *Senior Management Service Class (SMSC)* - Members in senior management level positions in state and local governments as well as assistant state attorneys, assistant statewide prosecutors, assistant public defenders, assistant attorneys general, deputy court administrators, and assistant capital collateral representatives. Members of the Elected Officers' Class may elect to withdraw from the FRS or participate in the SMSC in lieu of the Elected Officers' Class.
- *Special Risk Class* - Members who are employed as law enforcement officers, firefighters, firefighter trainers, fire prevention officers, state fixed-wing pilots for aerial firefighting surveillance, correctional officers, emergency medical technicians, paramedics, community-based correctional probation officers, youth custody officers (from July 1, 2001 through June 30, 2014), certain health-care related positions within state forensic or correctional facilities, or specified forensic employees of a medical examiner's office or a law enforcement agency, and meet the criteria to qualify for this class.
- *Special Risk Administrative Support Class* - Former Special Risk Class members who are transferred or reassigned to nonspecial risk law enforcement, firefighting, emergency medical care, or correctional administrative support positions within an FRS special risk-employing agency.
- *Elected Officers' Class (EOC)* - Members who are elected state and county officers and the elected officers of cities and special districts that choose to place their elected officials in this class.

Beginning July 1, 2001, through June 30, 2011, the FRS Pension Plan provided for vesting of benefits after six years of creditable service for members initially enrolled during this period. Members not actively working in a position covered by the FRS Pension Plan on July 1, 2001, must return to covered employment for up to one work year to be eligible to vest with less service than was required under the law in effect before July 1, 2001. Members initially enrolled on or after July 1, 2001, through June 30, 2011, vest after six years of service. Members initially enrolled on or after July 1, 2011, vest after eight years of creditable service. Members are eligible for normal retirement when they have met the requirements listed below. Early retirement may be taken any time after vesting within 20 years of normal retirement age; however, there is a 5% benefit reduction for each year prior to the normal retirement age.

- *Regular Class, Senior Management Service Class, and Elected Officers' Class Members* – For members initially enrolled in the FRS Pension Plan before July 1, 2011, six or more years of creditable service and age 62, or the age after completing six years of creditable service if after age 62. Thirty years of creditable service regardless of age before age 62. For members initially enrolled in the FRS Pension Plan on or after July 1, 2011, eight or more years of creditable service and age 65, or the age after completing eight years of creditable service if after age 65. Thirty-three years of creditable service regardless of age before age 65.

- *Special Risk Class and Special Risk Administrative Support Class Members* – For members initially enrolled in the FRS Pension Plan before July 1, 2011, six or more years of Special Risk Class service and age 55, or the age after completing six years of Special Risk Class service if after age 55. Twenty-five years of special risk service regardless of age before age 55. A total of 25 years of service including special risk service and up to four years of active duty wartime service and age 52. Without six years of Special Risk Class service, members of the Special Risk Administrative Support Class must meet the requirements of the Regular Class. For members initially enrolled in the FRS Pension Plan on or after July 1, 2011, eight or more years of Special Risk Class service and age 60, or the age after completing eight years of Special Risk Class service if after age 60. Thirty years of special risk service regardless of age before age 60. Without eight years of Special Risk Class service, members of the Special Risk Administrative Support Class must meet the requirements of the Regular Class.

Benefits. Benefits under the FRS Pension Plan are computed on the basis of age, average final compensation, creditable years of service, and accrual value by membership class. Members are also eligible for in-line-of-duty or regular disability and survivors' benefits. Pension benefits of retirees and annuitants are increased each July 1 by a cost-of-living adjustment. If the member is initially enrolled in the FRS Pension Plan before July 1, 2011, and all service credit was accrued before July 1, 2011, the annual cost-of-living adjustment is 3% per year. If the member is initially enrolled before July 1, 2011, and has service credit on or after July 1, 2011, there is an individually calculated cost-of-living adjustment. The annual cost-of-living adjustment is a proportion of 3% determined by dividing the sum of the pre-July 2011 service credit by the total service credit at retirement multiplied by 3%. FRS Pension Plan members initially enrolled on or after July 1, 2011, will not have a cost-of-living adjustment after retirement.

The Deferred Retirement Option Program ("DROP") became effective July 1, 1998, subject to provisions of Section 121.091(13), Florida Statutes. FRS Pension Plan members who reach normal retirement are eligible to defer receipt of monthly benefit payments while continuing employment with an FRS employer. An employee may participate in the DROP for a maximum of 60 months. Authorized

instructional personnel may participate in the DROP for up to 36 additional months beyond their initial 60-month participation period. Monthly retirement benefits remain in the FRS Trust Fund during DROP participation and accrue interest. As of June 30, 2015, the FRS Trust Fund projected \$3,119,220,735 in accumulated benefits and interest for 34,829 current and prior participants in the DROP.

Administration. The Department of Management Services, Division of Retirement administers the FRS Pension Plan. The State Board of Administration (the "SBA") invests the assets of the Pension Plan held in the FRS Trust Fund. Costs of administering the FRS Pension Plan are funded from earnings on investments of the FRS Trust Fund. Reporting of the FRS Pension Plan is on the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized when the obligation is incurred.

Contributions. All participating employers must comply with statutory contribution requirements. Section 121.031(3), Florida Statutes, requires an annual actuarial valuation of the FRS Pension Plan, which is provided to the Legislature as guidance for funding decisions. Employer and employee contribution rates are established in Section 121.71, Florida Statutes. Employer contribution rates under the uniform rate structure (a blending of both the FRS Pension Plan and Investment Plan rates) are recommended by the actuary but set by the Legislature. Statutes require that any unfunded actuarial liability ("UAL") be amortized within 30 plan years. Pursuant to Section 121.031(3)(f), Florida Statutes, any surplus amounts available to offset total retirement system costs are to be amortized over a 10-year rolling period on a level-dollar basis. The balance of legally required reserves for all defined benefit pension plans at June 30, 2015, was \$148,454,681,903. These funds were reserved to provide for total current and future benefits, refunds, and administration of the FRS Pension Plan.

[Remainder of page intentionally left blank]

Effective July 1, 2011, both employees and employers of the FRS Fare required to make contributions to establish service credit for work performed in a regularly established position. Effective July 1, 2002, the Florida Legislature established a uniform contribution rate system for the FRS, covering both the FRS Pension Plan and the FRS Investment Plan. The uniform rates for Fiscal Year 2014-15 are as follows:

Membership Class	Employee Contribution Rate	Employer Contribution Rate ⁽¹⁾	Total Contribution Rate
Regular	3.00%	6.07%	9.07%
Special Risk	3.00	18.52	21.52

⁽¹⁾ These rates include the normal cost and unfunded actuarial liability contributions but do not include the 1.26% contribution for the HIS and the fee of 0.04% for administration of the FRS Investment Plan and provision of educational tools for both plans.

Actuarial Methods and Assumptions for the FRS Pension Plan. The total pension liability was determined by an actuarial valuation as of the valuation date of July 1, 2015, calculated based on the discount rate and actuarial assumptions below:

	June 30, 2014	June 30, 2015
Discount rate	7.65%	7.65%

Source: Florida Retirement System Pension Plan and Other State Administered Systems Comprehensive Annual Financial Report for Fiscal Year Ended June 30, 2015.

The plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees in the determining the projected depletion date. Therefore, the discount rate for calculating the total pension liability is equal to the long-term expected rate of return.

The actuarial assumptions used to determine the total pension liability as of June 30, 2015, were based on the results of an actuarial experience study for the period July 1, 2008 - June 30, 2013.

Retiree Health Insurance Subsidy

The Retiree Health Insurance Subsidy ("HIS") Program is a cost-sharing multiple-employer defined benefit pension plan established under Section 112.363, Florida Statutes. The benefit is a monthly payment to assist retirees of state-administered retirement systems in paying their health insurance costs and is administered by the Division of Retirement within the Department of Management Services. For the fiscal year ended June 30, 2015, eligible retirees and beneficiaries received a monthly HIS payment equal to the number of years of creditable service completed at the time of retirement multiplied by \$5. The payments are at least \$30 but not more than \$150 per month, pursuant to Section 112.363, Florida Statutes. To be eligible to receive a HIS benefit, a retiree under a state-administered retirement system must provide proof of health insurance coverage, which can include Medicare.

The HIS Program is funded by required contributions from FRS participating employers as set by the Legislature. Employer contributions are a percentage of gross compensation for all active FRS members. For the fiscal year ended June 30, 2015, the contribution rate was 1.26% of payroll pursuant to Section 112.363, F.S. The state contributed 100% of its statutorily required contributions for the current and preceding two years. HIS contributions are deposited in a separate trust fund from which HIS payments are authorized. HIS benefits are not guaranteed and are subject to annual legislative appropriation. In the event the legislative appropriation or available funds fail to provide full subsidy benefits to all participants, the legislature may reduce or cancel HIS payments.

Actuarial Methods and Assumptions for the HIS. The total pension liability was determined by an actuarial valuation as of the valuation date, calculated based on the discount rate and actuarial assumptions below, and then was projected to the measurement date. Any significant changes during this period have been reflected as prescribed by GASB 67. The same demographic and economic assumptions that were used in the Florida Retirement System Actuarial Valuation as of July 1, 2014

("funding valuation") were used for the HIS program, unless otherwise noted. In a given membership class and tier, the same assumptions for both FRS Investment Plan members and for FRS Pension Plan members were used.

	June 30, 2014	June 30, 2015
Discount rate	4.29%	3.80%
Long-term expected rate of return, net of investment expense	N/A	N/A
Bond Buyer General Obligation 20-Bond Municipal Bond Index	4.29%	3.80%

Source: Florida Retirement System Pension Plan and Other State Administered Systems Comprehensive Annual Financial Report for Fiscal Year Ended June 30, 2015.

In general, the discount rate for calculating the total pension liability under GASB 67 is equal to the single rate equivalent to discounting at the long-term expected rate of return for benefit payments prior to the projected depletion date. Because the HIS benefit is essentially funded on a pay-as-you-go basis, the depletion date is considered to be immediate, and the single equivalent discount rate is equal to the municipal bond rate selected by the plan sponsor. In September 2014, the Actuarial Assumptions Conference adopted the Bond Buyer General Obligation 20-Bond Municipal Bond Index as the applicable municipal bond index. The discount rate used in the 2014 valuation was updated from 4.29% to 3.80%, reflecting the change in the Bond Buyer General Obligation 20- Bond Municipal Bond Index as of June 30, 2015.

The actuarial assumptions used to determine the total pension liability as of June 30, 2015, were based on the results of an actuarial experience study for the period July 1, 2008 - June 30, 2013.

FRS Investment Plan

The State Board of Administration administers the defined contribution plan officially titled the FRS Investment Plan. The Florida Legislature establishes and amends the benefit terms of the plan. Retirement benefits are based upon the value of the member's account upon retirement. The FRS Investment Plan provides vesting after one year of service regardless of membership class. If an accumulated benefit obligation for service credit originally earned under the FRS Pension Plan is transferred to the FRS Investment Plan, the years of service required for vesting under the Pension Plan (including the service credit represented by the transferred funds) is required to be vested for these funds and the earnings on the funds. The employer pays a contribution as a percentage of salary that is deposited into the individual member's account. Effective July 1, 2011, there is a mandatory employee contribution of 3.00%. The FRS Investment Plan member directs the investment from the options offered under the plan. Costs of administering the plan, including the FRS Financial Guidance Program, are funded through an employer assessment of 0.04% of payroll and by forfeited benefits of plan members. After termination and applying to receive benefits, the member may rollover vested funds to another qualified plan, structure a periodic payment under the FRS Investment Plan, receive a lump-sum distribution, or leave the funds invested for future distribution. Disability coverage is provided; the employer pays an employer contribution to fund the disability benefit which is deposited in the FRS Trust Fund. The member may either transfer the account balance to the FRS Pension Plan when approved for disability retirement to receive guaranteed lifetime monthly benefits under the FRS Pension Plan, or remain in the FRS Investment Plan and rely upon that account balance for retirement income.
