

In the opinion of Nabors, Giblin & Nickerson, P.A., Tampa, Florida, Special Counsel, assuming continuing compliance by the Corporation and the Board with various covenants in the Trust Agreement and the Series 2002 and 2003B Lease Agreements (as defined herein), under existing statutes, regulations, and court decisions, the Interest Component of Basic Rent Payments (a) is excluded from gross income of the holders of the Series 2012A Certificates, except to the extent described under the caption "TAX EXEMPTION" herein, and (b) is not an item of preference for purposes of the federal alternative minimum tax imposed on individuals and corporations. However, such Interest Component will be taken into account in determining adjusted current earnings for the purpose of computing the alternate minimum tax imposed on certain corporations. No opinion is expressed with respect to federal income tax consequences of any payments received with respect to the Series 2012A Certificates following termination of the Series 2002 and 2003B Lease Agreements as a result of an Event of Non-Appropriation or Event of Default thereunder. See "TAX EXEMPTION" herein for a discussion of Special Counsel's opinion.

ADDITIONAL INFORMATION

The Series 2012A Certificates are being delivered by The Bank of New York Mellon Trust Company, N.A., Jacksonville, Florida, as Trustee (the "Trustee"), as fully registered certificates in denominations of \$5,000 or any integral multiple thereof, pursuant to the provisions of a Master Trust Agreement, dated as of April 1, 1994, as amended and supplemented, and particularly, as amended and supplemented by a Series 2012A Supplemental Trust Agreement, dated as of April 1, 2012 (collectively, the "Trust Agreement"), each with the Board, the Trustee and the Corporation. The Interest Component of Basic Rent Payments represented by the Series 2012A Certificates is payable on January 1 and July 1 of each year, commencing July 1, 2012 (each a "Payment Date"). Interest will be paid by check or draft of the Trustee, as Paying Agent and Registrar, mailed on each Payment Date to Owners listed in the registration books maintained by the Trustee on the 15th day of the month (whether or not a business day) next preceding each Payment Date. When issued, the Series 2012A Certificates will initially be registered in the name of Cede & Co., as registered owner and nominee for The Depository Trust Company, New York, New York ("DTC"). Purchasers of the Series 2012A Certificates (the "Beneficial Owners") will not receive physical delivery of Series 2012A Certificates. Ownership by the Beneficial Owners of the Series 2012A Certificates will be evidenced through a book-entry only system of registration. As long as Cede & Co. is the registered owner as nominee of DTC, payment of the Principal Component and Interest Component of the Basic Rent Payments represented by the Series 2012A Certificates will be made directly to Cede & Co., which will in turn remit such payments to the DTC Participants for subsequent disbursement to the Beneficial Owners. The Principal Component of Basic Rent Payments represented by the Series 2012A Certificates is payable to Owners upon presentation, when due, at maturity or earlier prepayment, at the designated corporate trust office of the Trustee in Jacksonville, Florida.

The current terms of the Series 2002 and 2003B Lease Agreements will continue through and including June 30, 2012. The Series 2002 Lease Agreement is automatically renewable annually thereafter through June 30, 2028 and the Series 2003B Lease Agreement is automatically renewable annually thereafter through June 30, 2029, unless sooner terminated as described herein. In addition to the Series 2002 and 2003B Lease Agreements, the Board has previously entered into a Series 1996 Lease Agreement, a Series 1998 Lease Agreement, a Series 1999 Lease Agreement, a Series 2000 Lease Agreement, a Series 2000-QZAB Lease Agreement, a Series 2001B Lease Agreement, a Series 2001-QZAB Lease Agreement, a Series 2004B Lease Agreement, a Series 2004C Lease Agreement, a Series 2004-QZAB Lease Agreement, a Series 2005-QZAB Lease Agreement, a Series 2006A Lease Agreement, a Series 2007 Lease Agreement and a Series 2010B Lease Agreement (each as defined herein), and may enter into other leases under the Master Lease. There are 51 schools and 38 additions to schools leased under the Master Lease. Based on the District's full time equivalent enrollment as of November 30, 2011 of 195,488 students, approximately 34% of the District's students will attend classes in facilities leased under the Master Lease (including the Series 2002 Project leased under the Series 2002 Lease Agreement and the Series 2003B Project leased under the Series 2003B Lease Agreement)

(see "THE MASTER LEASED PROJECTS" herein for a description of how such percentage is calculated). *When the Board appropriates Lease Payments for any of its Projects leased under the Master Lease, it must appropriate Lease Payments for all other Projects leased under the Master Lease.* Failure to appropriate funds to pay Lease Payments under any such lease, or an event of default under any such lease, will result in the termination of all leases, including the Series 2002 and 2003B Lease Agreements. Upon any such termination, any proceeds of the disposition of leased facilities (other than Designated Equipment) will be applied to payment of the related Series of Certificates, all as further described herein. In no event will owners of the Series 2012A Certificates have any interest in or right to any proceeds of the disposition of facilities leased under any lease other than the Series 2002 and 2003B Lease Agreement. The proceeds of any such disposition of facilities leased under the Series 2002 Lease Agreement shall be applied to the payment of the Series 2012A Certificates, on a pro rata basis with the Unrefunded Series 2002 Certificates (as defined herein). The proceeds of any such disposition of facilities leased under the Series 2003B Lease Agreement shall be applied to the payment of the Series 2012A Certificates. The Series 2002 and 2003B Projects include Designated Equipment which consists of equipment components not constituting fixtures of the educational facilities. The Holders of the Series 2012A Certificates will not be granted any interest in Designated Equipment. Should termination of the Master Lease occur, the Series 2012A Certificates will not be prepaid except to the extent the Trustee has or receives moneys available for such purpose from the disposition of facilities leased under the Series 2002 and 2003B Lease Agreements (other than Designated Equipment). Special Counsel will express no opinion as to tax exemption or the effect of securities laws with respect to the Series 2012A Certificates following an event of non-appropriation or an event of default under the Master Lease which results in termination of the Series 2002 and 2003B Lease Agreements. Transfers of the Series 2012A Certificates may be subject to compliance with the registration provisions of state and federal securities laws following an event of non-appropriation or an event of default under the Master Lease which results in termination of the Series 2002 and 2003B Lease Agreements (see "TAX EXEMPTION" and "RISK FACTORS" herein).

PLAN OF REFINANCE

The outstanding Series 2002 Certificates maturing on July 1 in the years 2021 through 2028, inclusive (the "Refunded 2002 Certificates"), are expected to be refunded on July 1, 2012 pursuant to the plan of refinancing. All of the outstanding Series 2003B Certificates (the "Refunded 2003B Certificates"), are expected to be refunded on July 1, 2013 pursuant to the plan of refinancing. The moneys required to refund and prepay the Refunded 2002 Certificates and the Refunded 2003B Certificates (collectively, "the Refunded Certificates") will be derived from a portion of the proceeds of the Series 2012A Certificates. The Refunded 2002 Certificates will be prepaid on July 1, 2012 at a Prepayment Price of 100%, plus accrued interest. The Refunded 2003B Certificates will be prepaid on July 1, 2013 at a Prepayment Price of 100%, plus accrued interest. Upon the deposit of such moneys, the Refunded Certificates shall no longer be deemed outstanding for purposes of the Trust Agreement and the resolutions and other documents

authorizing their issuance, and all liability of the Corporation and the Board with respect thereto shall cease, terminate and be completely discharged and extinguished, and the holders thereof shall be entitled to payment solely out of the moneys and securities on deposit pursuant to the Escrow Agreement.

Notice of prepayment of the Series 2012A Certificates and of prepayment of such Series 2012A Certificates shall be mailed, postage prepaid, not more than sixty (60) days nor fewer than thirty (30) days prior to the date of prepayment, to the Owners of such Series 2012A Certificates to be prepaid. Such mailing shall not be a condition precedent to such prepayment, and failure to mail any such notice, or any defect in such notice as mailed, shall not affect the validity of the proceeding for the prepayment of such Series 2012A Certificates.

Each such notice shall state: (i) the CUSIP numbers of all Series 2012A Certificates being prepaid, (ii) the original issue date of such Series 2012A Certificates, (iii) the maturity date and rate of interest borne by each Series 2012A Certificate being prepaid, (iv) the prepayment date, (v) the Prepayment Price, (vi) the date on which such notice is mailed, (vii) if less than all Outstanding Series 2012A Certificates are to be prepaid, the certificate number (and, in the case of a partial prepayment of any Series 2012A Certificate, the principal amount) of each Series 2012A Certificate to be prepaid, (viii) that on such prepayment date, there shall become due and payable upon each Series 2012A Certificate to be prepaid the prepayment price thereof, or the prepayment price of the specified portions of the principal thereof in the case of Series 2012A Certificates to be prepaid in part only, together with interest accrued thereon to the prepayment date, and that from and after such date, interest thereon shall cease to accrue and be payable, (ix) that the Series 2012A Certificates to be prepaid, whether as a whole or in part, are to be surrendered for payment of the Prepayment Price at the designated corporate trust office of the Trustee at an address specified, and (x) the name and telephone number of a person designated by the Trustee to be responsible for such prepayment.

The Board is not required to deposit funds with the Trustee prior to the mailing by the Trustee of any notice of prepayment for the Series 2012A Certificates, provided that, notice of any prepayment of Series 2012A Certificates shall explicitly state that the proposed prepayment is conditioned on there being on deposit in the applicable account or subaccount on the

prepayment date sufficient funds to pay the full Prepayment Price of the Series 2012A Certificates to be prepaid or any other conditions as may be set forth in such notice of prepayment. In the event the conditions stated in the notice of prepayment are not satisfied on the proposed prepayment date, such prepayment shall not occur and such notice of prepayment shall be of no further force or effect.

Book-Entry Only System

THE FOLLOWING INFORMATION CONCERNING DTC AND DTC'S BOOK-ENTRY ONLY SYSTEM HAS BEEN OBTAINED FROM SOURCES THAT THE CORPORATION, THE BOARD AND THE UNDERWRITERS BELIEVE TO BE RELIABLE, BUT THE CORPORATION, THE BOARD AND THE UNDERWRITERS TAKE NO RESPONSIBILITY FOR THE ACCURACY THEREOF.

DTC will act as securities depository for the Series 2012A Certificates. The Series 2012A Certificates will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered certificate will be issued for each maturity of the Series 2012A Certificates and deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2012A Certificates under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2012A Certificates on DTC's records. The ownership interest of each actual purchaser of each Series 2012A Certificate

(the "Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2012A Certificates are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2012A Certificates, except in the event that use of the book-entry system for the Series 2012A Certificates is discontinued.

To facilitate subsequent transfers, all Series 2012A Certificates deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2012A Certificates with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2012A Certificates. DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2012A Certificates are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the Series 2012A Certificates may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2012A Certificates, such as redemptions, tenders, defaults, and proposed amendments to the Series 2012A Certificate documents. For example, Beneficial Owners of the Series 2012A Certificates may wish to ascertain that the nominee holding the Series 2012A Certificates for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Registrar and request that copies of the notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2012A Certificates within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such certificates to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2012A Certificates unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Trustee as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2012A Certificates are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and interest payments on the Series 2012A Certificates will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Trustee on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participants and not of DTC, Agent, or the Trustee, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Trustee for the Series 2012A Certificates. Disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2012A Certificates at any time by giving reasonable notice to the Board. Under such circumstances, in the event that a successor depository is not obtained, certificates are required to be printed and delivered to DTC.

The Board may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Board believes to be reliable, but the Board takes no responsibility for the accuracy thereof.

SECURITY FOR THE SERIES 2012A CERTIFICATES

Master-Lease Aspects

The Master Lease contemplates that the relationship between the Board and the Corporation will be a continuing one, that Projects in addition to the Prior Projects, the Series 2002 Project and the Series 2003B Project may be added to the Master Lease from time to time, and that Additional Certificates in addition to the Series 2012A Certificates will be issued under the Trust Agreement in connection with such Projects. The Board has previously entered into the Prior Leases as described under the heading "INTRODUCTION."

The Series 2012A Certificates evidence fractional undivided interests in a portion of the Basic Rent Payments to be made by the School Board under (i) the Series 2002 Lease Agreement, on a pro rata basis with the Unrefunded Series 2002 Certificates and (ii) the Series 2003B Lease Agreement. The Series 2012A Certificates are secured by and payable from the Trust Estate established for the Series 2012A Certificates pursuant to the Trust Agreement. The Trust Estate consists of, among other things, all estate, right, title and interest of the Trustee in and to the Basic Rent Payments under the Series 2002 and 2003B Lease Agreements allocable to the Series 2012A Certificates, and all amounts held in the funds and accounts under the Trust Agreement,

allocable to the Series 2012A Certificates in accordance with the provisions of the Master Lease and the Trust Agreement, including investment earnings thereon, and any and all monies received by the Trustee pursuant to the Series 2002 and 2003B Lease Agreements and the Trust Agreement which are not required to be remitted to the Board or the Corporation pursuant to the Master Lease or the Trust Agreement.

The owners of the Series 2012A Certificates shall have no claim against, nor receive any benefits from, any portion of the Trust Estate derived from the sale, reletting or other disposition of Projects, other than the Series 2002 and Series 2003B Projects (except for Designated Equipment – see "THE REFINANCED PROJECTS"). Such portion of the Trust Estate which is derived from the sale, re-letting or other disposition of the Series 2002 Project will be utilized solely for the benefit of the owners of the Series 2012A Certificates on a pro rata basis with the owners of the Unrefunded Series 2002 Certificates. Such portion of the Trust Estate which is derived from the sale, re-letting or other disposition of the Series 2003B Project will be utilized solely for the benefit of the owners of the Series 2012A Certificates. Any cash, securities or investments in the Series 2012A Pledged Accounts shall be utilized solely for the benefit of the Owners of the Series 2012A Certificates. See "SECURITY FOR THE SERIES 2012A CERTIFICATES - Lease Payment Fund" and "-Additional Series of Certificates."

Limited Obligation of the Board

The obligation of the Board to make Lease Payments, which includes Basic Rent and Supplemental Rent under the Series 2002 and 2003B Lease Agreements, is a limited and special obligation, payable solely from moneys specifically appropriated by the Board for such purpose from the Board's Available Revenues (hereinafter defined). There shall be credited, against such obligation, moneys, if any, on deposit with the Trustee in certain accounts pledged under the Trust Agreement and from amounts, if any, realized from the exercise of remedies with respect to the Series 2002 and 2003B Projects (other than Designated Equipment – see "THE REFINANCED PROJECTS") by the Trustee on behalf of Certificate Owners. Such Basic Rent is subject to annual appropriation by the Board and the Series 2002 and 2003B Lease Agreements shall be terminated upon the occurrence of an Event of Non-Appropriation. An "Event of Non-Appropriation" will occur if the Board does not approve a tentative Budget and a final Budget in accordance with State law which appropriates sufficient funds from Available Revenues to continue paying Basic Rent in full for all Projects (including the Prior Projects and the Series 2002 and 2003B Projects) leased under the Master Lease beyond the end of such Initial Lease Term or Renewal Lease Term for the following Renewal Lease Term. The Lease Term shall be deemed renewed pending the enactment of the final Budget and the Board shall be liable for any Basic Rent and other obligations under the Master Lease coming due during such period but only if the tentative Budget and the final Budget make available to the Board moneys which may be legally used to pay the Basic Rent and pay such other obligations coming due during such period. Upon the occurrence of an Event of Non-Appropriation, the Board will not be obligated to pay Basic Rent for the Series 2002 and 2003B Lease Agreements and any other obligations accruing beyond the then current Fiscal Year.

While the Board is not legally obligated to do so, it has represented in the Master Lease that it is its present intent to continue the Series 2002 and 2003B Lease Agreements with respect

to the Series 2002 and 2003B Projects for the Maximum Lease Terms thereof (ending June 30, 2028 and June 30, 2029, respectively). Subject to the right of non-appropriation, the Board has agreed in the Master Lease to take such action as may be necessary to include all Basic Rent due under the Master Lease as a separately stated line item in its Budget and to appropriate in each Fiscal Year from Available Revenues an amount necessary to pay the Basic Rent due in such Fiscal Year.

"Available Revenues" includes the moneys and revenues of the Board legally available under the Act to pay the Basic Rent. Available Revenues may include, but are not limited to, Capital Outlay Millage funds. See "AVAILABLE REVENUES FOR CAPITAL OUTLAY PROJECTS" and "STATE EDUCATIONAL FUNDING" herein.

The Board may issue indebtedness which is not in connection with the Master Lease secured by any of its Available Revenues without the consent of the Owners of the Series 2012A Certificates. The incurrence of such indebtedness by the Board may adversely affect the Board's ability to pay Basic Rent under the Master Lease.

BASIC RENT AND, CONSEQUENTLY, THE CERTIFICATE PAYMENTS OF PRINCIPAL AND INTEREST ARE PAYABLE SOLELY FROM THE BOARD'S AVAILABLE REVENUES, AND NEITHER THE BOARD, THE SCHOOL DISTRICT OF HILLSBOROUGH COUNTY, FLORIDA (THE "DISTRICT"), HILLSBOROUGH COUNTY, FLORIDA (THE "COUNTY"), THE STATE OF FLORIDA, NOR ANY POLITICAL SUBDIVISION OR AGENCY THEREOF SHALL BE OBLIGATED TO PAY ANY SUMS DUE UNDER THE SERIES 2002 AND 2003B LEASE AGREEMENTS EXCEPT FROM AVAILABLE REVENUES APPROPRIATED FOR SUCH PURPOSE. BASIC RENT IS SUBJECT TO ANNUAL APPROPRIATION BY THE BOARD. THE CERTIFICATE PAYMENTS OF PRINCIPAL AND INTEREST AND THE PAYMENTS DUE FROM THE BOARD UNDER THE SERIES 2002 AND 2003B LEASE AGREEMENTS AND THE CONTRACTUAL OBLIGATIONS OF THE BOARD UNDER THE SERIES 2002 AND 2003B LEASE AGREEMENTS DO NOT CONSTITUTE A GENERAL OBLIGATION OR A PLEDGE OF THE FAITH AND CREDIT OF THE BOARD, THE DISTRICT, THE COUNTY, THE STATE OF FLORIDA, OR ANY POLITICAL SUBDIVISION OR AGENCY THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION. THE ISSUANCE OF THE SERIES 2012A CERTIFICATES WILL NOT DIRECTLY OR INDIRECTLY OBLIGATE THE BOARD, THE DISTRICT, THE COUNTY, THE STATE OF FLORIDA, OR ANY POLITICAL SUBDIVISION OR AGENCY THEREOF, TO LEVY OR TO PLEDGE ANY FORM OF AD VALOREM TAXATION WHATSOEVER THEREFOR AND THE OWNERS OF THE SERIES 2012A CERTIFICATES WILL HAVE NO RECOURSE TO THE POWER OF AD VALOREM TAXATION OF THE BOARD OR ANY OTHER GOVERNMENTAL ENTITY.

THE BOARD IS NOT OBLIGATED TO APPROPRIATE AVAILABLE REVENUES TO PAY BASIC RENT. IF, FOR ANY FISCAL YEAR, THE BOARD DOES NOT APPROVE A BUDGET WHICH APPROPRIATES SUFFICIENT AVAILABLE REVENUES (WITHOUT REGARD TO ANY CREDITS FROM EARNINGS ON AMOUNTS HELD IN THE FUNDS AND ACCOUNTS ESTABLISHED UNDER THE TRUST AGREEMENT) IN A LINE ITEM

SPECIFICALLY IDENTIFIED FOR PAYMENT OF ITS OBLIGATIONS UNDER THE MASTER LEASE, SUCH FAILURE SHALL CONSTITUTE AN EVENT OF NON-APPROPRIATION AND THE MASTER LEASE SHALL TERMINATE AS OF THE LAST DAY OF THE INITIAL LEASE TERM OR THE LAST RENEWAL LEASE TERM FOR WHICH AVAILABLE REVENUES HAVE BEEN BUDGETED AND APPROPRIATED AND THE BOARD WILL NOT BE OBLIGATED TO PAY ANY BASIC RENT ACCRUING OR ARISING BEYOND SUCH LAST DAY. IN SUCH EVENT, THE BOARD IS REQUIRED TO SURRENDER USE, POSSESSION AND CONTROL OF ALL PROJECTS (OTHER THAN DESIGNATED EQUIPMENT) LEASED UNDER THE MASTER LEASE, INCLUDING THE PRIOR PROJECTS AND THE SERIES 2002 AND 2003B PROJECTS, TO THE TRUSTEE.

Uniform Commercial Code

The Series 2012A Certificates will have all the qualities and incidents of an investment security under the Uniform Commercial Code-Investment Securities Law of the State and are exempt from the provisions of the uniform commercial code relating to secured transactions.

Lease Payment Fund

The Trust Agreement provides for the establishment and maintenance of a single Lease Payment Fund, with a Principal Account and an Interest Account for deposit of Basic Rent Payments appropriated and paid under the Master Lease. With certain limited exceptions, separate subaccounts within the Principal Account and the Interest Account will be established upon the issuance of each additional series of Certificates under the Trust Agreement. Basic Rent due under all Lease Schedules to the Master Lease is subject to annual appropriation by the Board on an all-or-none basis and is payable on a parity basis solely from Available Revenues; provided that (i) Basic Rent with respect to a particular Lease Schedule and Series of Certificates may be additionally and separately secured by a Credit Facility or insurance policy, and (ii) Owners of various Series of Certificates are not on a parity as to the amounts in the separate subaccounts established in the Lease Payment Fund with respect to a particular series. The Series 2002 and 2003B Projects are just portions of a series of Projects financed under the Master Lease. There is no limit on the number of additional Projects that may be financed thereunder. The Board may enter into additional lease schedules from time to time, without limitation, for the lease purchase financing of additional Projects. Such additional Projects may be financed through the sale of additional series of Certificates under the Trust Agreement. PURSUANT TO THE MASTER LEASE, THE BOARD MAY NOT BUDGET AND APPROPRIATE BASIC RENT FOR A PORTION OF THE PROJECTS LEASED THEREUNDER; IT MUST BUDGET AND APPROPRIATE FOR ALL PROJECTS OR NONE OF THEM. There can be no assurance that sufficient funds will be appropriated or otherwise be made available to make all of the Lease Payments. See " – Limited Obligation of the Board" herein for further information regarding the effect of an Event of Non-appropriation under the Master Lease.

Flow of Funds

Pursuant to the Trust Agreement, the following funds and accounts were established:

- (1) the "School Board of Hillsborough County, Florida Master Lease Project Fund" (the "Project Fund"), which consists of a Project Account, Capitalized Interest Account and a Costs of Issuance Account;
- (2) the "School Board of Hillsborough County, Florida Master Lease Payment Fund" (the "Lease Payment Fund"), which consists of a Principal Account and an Interest Account;
- (3) the "School Board of Hillsborough County, Florida Master Lease Prepayment Fund" (the "Prepayment Fund"); and
- (4) the "School Board of Hillsborough County, Florida Master Lease Rebate Fund" (the "Rebate Fund").

Series subaccounts have been or will be established within the Principal Account, Interest Account, Project Account, Costs of Issuance Account and Prepayment Fund for each Series of Certificates.

Basic Rent Payments paid to the Trustee, as assignee of the Corporation pursuant to the Master Lease and the Assignment, shall be deposited as received by the Trustee in the Lease Payment Fund and applied by the Trustee in the following manner and in the following order of priority:

(i) There shall be deposited to the subaccount of the Interest Account established for the payment of a Series of Certificates from the Interest Component of Basic Rent made in relation to such Series of Certificates an amount which shall be sufficient to pay the interest becoming due on such Series of Certificates on the next succeeding Payment Date. Moneys in each subaccount of the Interest Account shall be used to pay the interest on the Series of Certificates for which it was established as and when the same become due, whether by redemption or otherwise, and for no other purpose. No further deposit need be made to the Interest Account when the moneys therein are equal to the interest coming due on all Outstanding Certificates on the next succeeding Payment Date.

(ii) There shall be deposited to the subaccount of the Principal Account established for the payment of a Series of Certificates from the Principal Component of Basic Rent made in relation to such Series of Certificates an amount which shall be sufficient to pay the principal and the Amortization Installment becoming due on such Series of Certificates on the next succeeding principal Payment Date. Moneys in each subaccount of the Principal Account shall be used to pay the principal and Amortization Installment of the Series of Certificates for which it was established as and when the same shall mature or are redeemed, and for no other purpose. No further deposit need be made to the Principal Account when the moneys therein are equal to the principal and the Amortization Installment coming due on all Outstanding Certificates on the next succeeding principal Payment Date.

Defaults and Remedies

Upon the occurrence of an Event of Default under the Trust Agreement (which includes the occurrence of an "Event of Default" or "Event of Non-Appropriation" under the Master Lease unless the Master Lease "Event of Default" has been remedied or waived), the Trustee is entitled to and, upon direction of the Owners of not less than a majority in aggregate principal of Certificates then Outstanding is required to, exercise a variety of remedies including, without limitation, any one or more of the following: (1) declare the principal of all Certificates of a Series due and payable (but only if the Master Lease has been terminated); (2) protect and enforce its rights and the rights of the Owners under the Trust Agreement, Master Lease or Ground Leases; and (3) take possession of the Projects, including the Series 2002 and 2003B Projects (other than Designated Equipment), and sell, re-let or otherwise dispose of the leasehold estate of the Corporation in the Projects, or any portion thereof.

Refunding Certificates

Refunding Certificates may be issued under and secured by the Trust Agreement for the purposes of (i) providing funds for refunding part or all of the Series 2012A Certificates at or prior to their maturity or maturities, including the payment of any Prepayment Premium thereon and interest which will accrue on such Certificates to their date of payment, (ii) making a deposit, as necessary, to the subaccount of the Reserve Account which shall secure such Refunding Certificates, and (iii) paying the Costs of Issuance relating to said Refunding Certificates.

In order to issue Refunding Certificates, the Trustee must have received, among other items, a report of a certified public accountant or firm of certified public accountants verifying the mathematical accuracy of calculations supplied by the Board, or its designee, that the proceeds of such Refunding Certificates plus any other moneys available for such purpose, including investment earnings, shall be not less than an amount sufficient to pay the principal of and the Prepayment Premium, if any, on the Series 2012A Certificates to be refunded and the Interest Component of the Basic Rent represented by such Certificates which will accrue thereon to the prepayment date or maturity dates applicable thereto.

Other than for amounts required to pay Costs of Issuance, the proceeds of such Refunding Certificates and any other moneys received by the Trustee for such purpose, shall be held by the Trustee or other designated fiduciary in a special fund appropriately designated, to be held in trust for the sole and exclusive purpose of paying the principal of and Prepayment Premium, if any, on the Series 2012A Certificates to be refunded and the Interest Component of the Basic Rent represented by such Certificates, all as provided in the Trust Agreement. The Refunding Certificates shall be secured in the same manner and from the same Pledged Accounts as the Certificates to be refunded in accordance with the terms of the Trust Agreement. The Series 2012A Certificates constitute Refunding Certificates under the Trust Agreement.

Additional Certificates and Other Indebtedness

Additional Series of Certificates ("Additional Certificates") may be issued under the Trust Agreement, in addition to the Series 2012A Certificates and the Prior Certificates, to finance additional Projects under the Master Lease without the consent of the Owners of the Series 2012A Certificates. See "SECURITY FOR THE SERIES 2012A CERTIFICATES - Additional Series of Certificates" herein. The number of Series of Certificates that may be created under the Trust Agreement is not limited. The aggregate principal amount of each Series of Certificates which may be issued, authenticated and delivered under the Trust Agreement is not limited except as set forth in the related Lease Schedule specifying the details of such Series.

In addition to Additional Certificates issued under the Master Lease, the Board may also issue indebtedness or other obligations which are not in connection with the Master Lease secured by any of its Available Revenues without the consent of the Owners of the Series 2012A Certificates. The incurrence of such indebtedness or other obligations may affect the Board's obligations to make Lease Payments under the Master Lease. Failure of the Board to appropriate Available Revenues for all Lease Payments under the Master Lease would not necessarily impair the Board's right to appropriate revenues to make payments for obligations which are not connected to the Master Lease.

Interest Rate Exchange Agreements

In connection with the original issuance of the Series 2004C Certificates, the District entered into a \$29,750,000 floating-to-fixed interest rate swap, effective through December 7, 2014 to hedge a portion of the Series 2004C Certificates maturing July 1, 2030 against future increases in interest rates. The swap effectively converts \$29,750,000 of the Certificates into 10-year synthetic fixed rate debt obligations at an interest rate of 3.736%.

In addition, in connection with the issuance of the Series 1998 Certificates the Board entered into an ISDA Master Agreement between UBS AG ("UBS") and the Board (together with all schedules and confirmations thereto, the "1998 Interest Rate Exchange Agreement"), dated February 19, 2003 and amended April 19, 2005. In exchange for an upfront payment from UBS to the Board, the Board granted UBS the option to put the District into a synthetic fixed payer swap. Such agreement provides that upon the exercise of the option, including the payment of an exercise date payment from UBS to the Board, and the commencement of the swap, the Board will pay UBS a fixed rate of interest on an amortizing notional amount of \$109,830,000. In return, UBS will pay the Board a variable rate based on The Bond Market Association Municipal Swap Index ("BMA Index"), provided by Municipal Market Data, a Thompson Financial Company. The 1998 Interest Rate Exchange Agreement contains five dates on which the option may be exercised. UBS notified the Board of its election to exercise such option as of July 1, 2008 and the Board therefore issued the Series 2008A Certificates. The scheduled payments when due pursuant to the 1998 Interest Rate Exchange Agreement and certain Termination Fees are insured by an interest rate swap insurance policy issued by MBIA Insurance Corporation (now National Public Finance Guarantee).

As a result of the effects of the downturn in the market for certain structured financial instruments, including collateralized debt obligations and residential mortgage backed securities, the Rating Agencies have evaluated (and are continuing to evaluate) the claims-paying ability of financial guarantors, including National Public Finance Guarantee. Moody's Investors Services and Standard & Poor's Rating Services have assigned ratings of "Baa2" and "BBB," respectively to National Public Finance Guarantee. Potential investors are directed to the Rating Agencies for additional information on their ongoing evaluation of the financial guaranty industry.

Payments (other than Termination Fees not payable by a Credit Enhancer) made by the Board under the 1998 Interest Rate Exchange Agreement, together with payments due under any similar agreement entered into by the Board in the future, constitute or would constitute Basic Rent Payments under the Master Lease secured by the Lease to which the notional amount relates (i.e., in the case of the 1998 Interest Rate Exchange Agreement, the Series 1998 Lease). If a termination event were to occur under such Agreement, the Board may be confronted with the need to appropriate a significant termination payment or payments within a single fiscal year. Such an obligation could have a material adverse effect on the Board's ability to make Lease Payments. See "APPENDIX B – AUDITED FINANCIAL STATEMENTS OF THE SCHOOL BOARD OF HILLSBOROUGH COUNTY, FLORIDA FOR THE FISCAL YEAR ENDED JUNE 30, 2011" and specifically, Note 8 therein entitled "Interest Rate Swap."

RISK FACTORS

The purchaser of the Series 2012A Certificates is subject to certain risks. Each prospective investor in the Series 2012A Certificates is encouraged to read this Offering Statement in its entirety. Particular attention should be given to the factors described below which, among others, could affect the market price of the Series 2012A Certificates to an extent that cannot be determined.

Annual Right of the Board to Terminate the Lease Agreement

Although the Board has determined in the Master Lease that the Series 2002 and 2003B Projects are necessary to its operations and currently intends to continue the Series 2002 and 2003B Lease Agreements with respect to the Series 2002 and 2003B Projects for the Maximum Lease Term thereof and has covenanted in the Series 2002 and 2003B Lease Agreements that the Superintendent will include a sufficient amount in the tentative Budget and final Budget to enable the Board to make the Basic Rent due in each Fiscal Year, the Board is not required to appropriate funds to pay Basic Rent. If for any Fiscal Year the Board does not approve a tentative Budget and a final Budget which appropriates sufficient funds from Available Revenues in a line item specifically identified for payment of its obligations under the Master Lease, the Master Lease shall terminate as of the last day of the Initial Lease Term or last Renewal Lease Term for which moneys have been budgeted and appropriated with respect to the Series 2002 and 2003B Projects, the Prior Projects and all other Projects financed thereunder, and the Board will not be obligated to make Basic Rent accruing or arising thereafter, and the Board shall be required to surrender use, possession and control of the Series 2002 and 2003B

Projects (other than the Designated Equipment) and all other Projects to the Trustee within sixty (60) Business Days.

The likelihood that the Series 2002 and 2003B Lease Agreements will be terminated as the result of an Event of Non-Appropriation is dependent upon certain factors that are beyond the control of the Certificate Owners, including the continuing future utility of the Series 2002 and 2003B Projects and Prior Projects to the Board and changes in population or demographics within the County (which may impact such future utility).

Limitation Disposition; Ability to Sell or Relet

Following an Event of Default under the Trust Agreement (which includes an Event of Non-Appropriation or Event of Default under the Master Lease), the Trustee may take possession of all or a portion of the Series 2002 and 2003B Projects (other than Designated Equipment). However, due to the governmental nature of the Series 2002 and 2003B Projects, it is not certain whether a court would permit the exercise of the remedies to sell, relet or dispose of the Series 2002 and 2003B Projects. Also, there is no assurance that the Trustee will be able to sell, relet or dispose of the components of the Series 2002 and 2003B Projects or that the Owners of the Series 2012A Certificates and the Unrefunded Series 2002 Certificates will obtain payment of all or any portion of the Principal Component or Interest Component thereof upon an Event of Default under the Trust Agreement.

Tax Exempt Status

Upon termination of the Master Lease, there is no assurance that payments made by the Trustee with respect to the Series 2012A Certificates and designated as interest will be excludable from gross income for federal income tax purposes. See "TAX EXEMPTION" herein.

Applicability of Securities Laws

In the event of the termination of the Master Lease, the transfer of a Certificate may be subject to or conditioned upon compliance with the registration provisions of applicable federal and state securities laws. Accordingly, there is no assurance that liquidity of the Series 2012A Certificates will not be impaired following termination of the Master Lease.

Capital Outlay Millage

The amount which can be realized by the Board derived from the levy of the Capital Outlay Millage (hereinafter described), the Board's primary source of repayment of the Basic Rent represented by the Series 2012A Certificates, can be affected by a variety of factors not within the Board's control including, without limitation, fluctuations in the assessed valuation of the property within the County and the amount of general business activity, growth and new construction which occurs within the County. The revenues derived from the Capital Outlay Millage could be affected adversely by, among other things, a decline in property values brought on by market, catastrophic or other events or crises, litigation or legislation. There can, therefore, be no assurances that such revenues will not decrease in the event that such growth and new construction, for whatever reason, decreases or ceases altogether within the County. See "AVAILABLE REVENUES FOR CAPITAL OUTLAY PROJECTS" herein and "APPENDIX A--GENERAL INFORMATION RELATING TO HILLSBOROUGH COUNTY, FLORIDA"

attached hereto. The Capital Outlay Millage may also be adversely affected pursuant to changes in applicable law. See " – Recent Legislative and Constitutional Initiatives" below and "AD VALOREM TAXATION – Recent Constitutional and Legislative Amendments Affecting Ad Valorem Taxes" herein, for a description of recent changes in applicable law affecting the levy of the Capital Outlay Millage and a current legislative proposal that would require the District to share Local Option Millage revenues with charter schools in the District.

State Revenues

A large portion of the District's funding is derived from State sources. See "AVAILABLE REVENUES FOR CAPITAL OUTLAY PROJECTS – State Sources" and "AD VALOREM TAXATION – Recent Constitutional and Legislative Amendments Affecting Ad Valorem Taxes" herein. A significantly large percentage of such state revenue is generated from the levy of a State sales tax. The amount budgeted for distribution from the State to the District is subject to change in the event that projected revenues are not realized.

Over the last few years the State has experienced sales tax revenue shortfalls, which has resulted in a significant revenue decline for Florida School Districts. To meet the needs of the District and work within the reduced State Funding, the District made the following budget cuts:

<u>Fiscal Year</u>	<u>District Budget Cuts</u>
2007-2008	\$47,000,000
2008-2009	14,195,938
2009-2010	39,813,200
2010-2011	25,550,069
2011-2012	<u>8,651,963</u>
Total	\$135,211,170

As required by law, the Florida legislature passed the State budget for fiscal year 2011-12 during its 2011 regular session. Included in the adopted budget is a \$1.35 billion or 7.96% reduction in funding for education from fiscal year 2010-11. Such reduction correlates to a decrease of \$542.03 in funding per student in the State. The District received an allocation of Education Jobs Fund money during the 2010-11 fiscal year but the legislative leadership recommended that school districts spend the Federal funds during the 2010-11 fiscal year and carry-over a like amount of State and local money to fund their 2011-12 budgets. Additionally, the District received \$64,412,732 in State Fiscal Stabilization Funds in Fiscal year 2010-2011.

In order to partially offset the loss of State revenue that most school districts were experiencing, the Legislature adopted a bill that requires public employees contribute 3% of their income to their retirement commencing July 1, 2011. This would in turn reduce the District's employer contribution. See "PENSION AND OTHER POST-EMPLOYMENT BENEFITS PLANS – FINANCIAL RESULTS AND LIABILITIES OF THE DISTRICT – Florida Retirement System." The District used the reduced employer retirement contributions to cover the increased healthcare costs and to continue employment for specific employees formerly paid from American Recovery and Reinvestment Act grants. Because of all of these changes, the District was able to adopt a balanced budget on September 6, 2011.

On December 7, 2011, Governor Rick Scott released his budget proposal for the State of Florida for Fiscal Year 2012-13. Included in Governor Scott's proposed budget is a \$1 billion increase in State education funding. Based on the Governor's proposed budget and individual department submissions, the Legislature prepares its own version of the budget which may or may not reflect the Governor's recommendations. While typically containing a number of the executive branch recommendations, the final approved budget has historically changed from the version submitted by the Governor. Both chambers of the Florida Legislature have approved budget allocations of more than \$1 billion for Pre-K 12 educational funding. Budget conferees are negotiating other differences in the House and Senate adopted budgets. The current legislative session is scheduled to end Friday, March 9, 2012 by which time a budget must be adopted. No assurance can be given that the \$1 billion funding for education will be in the final adopted budget.

Additional Lease Schedules

The Board may enter into other Lease Schedules in addition to Amended and Restated 1996 Lease Schedule, Fourth Amended and Restated Lease Schedule No. 1998, Second Amended and Restated Lease Schedule No. 1999, Lease Schedule 2000-QZAB, Amended and Restated Lease Schedule No. 2000, Amended and Restated Lease Schedule No. 2001B, Lease Schedule No. 2001-QZAB, Amended and Restated Lease Schedule No. 2002, Amended and Restated Lease Schedule No. 2003B, Lease Schedule No. 2004B, Lease Schedule No. 2004-QZAB, Lease Schedule No. 2004C, Lease Schedule No. 2005-QZAB, Lease Schedule No. 2006A, Lease Schedule No. 2007 and Lease Schedule No. 2010B. Failure to appropriate funds to pay Basic Rent under any such Lease Schedules will, or an event of default under any such Lease Schedules, may result in the termination of all Lease Schedules, including the Amended and Restated Lease Schedule Nos. 2002 and 2003B. Upon any such termination of all Lease Schedules, the Board must surrender all Projects (other than Designated Equipment), including the Series 2002 and 2003B Projects, to the Trustee for sale or lease. The proceeds of any such disposition of Projects will be applied to the payment of the applicable Certificates. In no event will owners of the Series 2012A Certificates have any interest in or right to any proceeds of the disposition of facilities financed with the proceeds of another Series of Certificates, except for the Series 2002 Project on a pro rata basis with the owners of the Unrefunded Series 2002 Certificates and the Series 2003B Project. In no event will Series 2012A Certificate holders have any interest in or rights to Designated Equipment. There can be no assurance that the remedies available to the Trustee upon any such termination of all Lease Schedules and the disposition of the Series 2002 and 2003B Projects will produce sufficient amounts to pay the Series 2012A Certificates.

Additional Indebtedness

The Board may issue additional indebtedness other than in connection with the Master Lease secured by or payable from available revenues without the consent of the Owners of the Series 2012A Certificates. Incurring such additional indebtedness may adversely affect the Board's ability to make Lease Payments under the Master Lease.

Recent Legislative and Constitutional Initiatives

During recent years, many legislative and constitutional proposals have been introduced that could affect District funding sources to the extent passed. See "AD VALOREM TAXATION – Recent Constitutional and Legislative Amendments Affecting Ad Valorem Taxes" for a description of recent initiatives that have been proposed. The Board is unable to predict what proposals, and their effect on Board finances, may be introduced during the time the Series 2012A Certificates are Outstanding.

No Reserve Account

No reserve account has been established for the Series 2012A Certificates.

Budget Constraints

As discussed under "AVAILABLE REVENUES FOR CAPITAL OUTLAY PROJECTS," the District receives a substantial portion of its operational and capital revenues from State sources. In recent years, the revenues from State sources have declined. The State Legislature has been reluctant to create new sources of revenues through the levy of new taxes or the elimination of certain exemptions from the payment of sales taxes, the primary source of State revenues.

Property and Casualty Insurance

Many governmental entities including school districts in the State of Florida are facing substantial increases in property and casualty insurance premiums for insurance policies which include substantial increases in deductibles and limitations on coverage. No assurances can be given that property and casualty insurance coverage may be obtained which will insure for the full replacement value of the Board's facilities including the facilities leased under its Master Lease Program (as defined herein). The Board is currently unable to insure such full replacement value.

The Board has covenanted in the Lease Agreement, subject to the requirements of State law, to procure and maintain insurance against loss or damage to any part of the Projects by fire or lightning, with extended coverage and vandalism and malicious mischief insurance. Such extended coverage insurance will, as nearly as practicable, also cover loss or damage by explosion, windstorm, riot, aircraft, vehicle damage, smoke and such other hazards as are normally covered by such insurance. The Lease Agreement requires that such insurance be in an amount equal to the lesser of (i) one hundred percent (100%) of the replacement cost of the Projects, (ii) the Principal Component of the Basic Rent Payments then remaining unpaid, (iii) the amount of \$75,000,000 per occurrence or, (iv) such lesser amount as is available at commercially reasonable costs, as set forth in a Certificate of an Insurance Consultant filed with the Board and the Trustee. Such insurance may be subject to deductible clauses not to exceed \$250,000 in the aggregate for any one loss or, in the case of windstorm damage, two percent (2%) of the replacement cost.

Certain Constitutional Amendments

See "AD VALOREM TAXATION – Recent Constitutional and Legislative Amendments Affecting Ad Valorem Taxes" for information concerning certain amendments to the Florida Constitution and other legislative proposals that could materially adversely affect the School Board's financial situation.

THE MASTER LEASED PROJECTS

The Series 2002 and 2003B Projects will be refinanced under the Board's existing Master Lease Purchase Program (the "Master Lease Program") with the Corporation pursuant to the Master Lease. The Projects financed by the Board under the Master Lease Program are subject to annual appropriation on an all or none basis. The District has 51 schools and 38 additions to schools subject to the Master Lease Program. Based on the District's full time equivalent enrollment as of November 30, 2011 of approximately 195,488 students, approximately 34% of the District's students will attend classes in facilities leased under the Master Lease upon their completion (see "RISK FACTORS" herein for a description of risks related to class size and enrollment). Under certain conditions set forth in the Master Lease, the Board may substitute or add components to any of the Prior Projects and the Series 2002 and 2003B Projects and modify the Plans and Specifications thereof. For a complete description of the facilities see "THE REFINANCED PROJECTS" and "THE PRIOR PROJECTS" herein. To calculate the above percentage, the number of students attending each facility was calculated as follows: for schools that are built and operating, the actual number of students enrolled on November 30, 2011 was used; for the additions, the number of student stations attributable to each specific classroom for the fiscal year ending June 30, 2011 based on the type of school (elementary, middle or high) was used; for the schools where construction is not yet complete, the number of student stations approved for such schools was used. For purposes of the foregoing calculation, the improvements that comprise the Series 2010B Project were not included. Such attendance levels may change at any time based on an increase or reduction in actual enrollment or further State of Florida legislative or constitutional requirements. See "RISK FACTORS" above for a further description of the current Florida Constitutional requirements related to class size and for other risks related to school enrollment and attendance.

Pursuant to the Master Lease, the Board does not have the ability to appropriate Basic Rent for payment of one Project or some combination of Projects only. The Board's annual appropriation for Lease Payments must be for all Projects under the Master Lease Program or it must terminate all Projects under the Master Lease Program. In the event the Board decides not to appropriate funds in its annual budget for all of such financed Projects, the Board would, at the Trustee's option, have to surrender such Projects (except for Designated Equipment), including the Series 2002 and 2003B Projects, to the Trustee for the benefit of the Owners of the Certificates which financed or refinanced such Projects.

THE REFINANCED PROJECTS

The Series 2002 Projects are partially refinanced with proceeds of the Series 2012A Certificates and the Series 2003B Projects were refinanced in whole with proceeds of the Series 2012A Certificates. THE MASTER LEASE PROGRAM

The Ground Lease

The Board, as Ground Lessor, granted to the Corporation, as Ground Lessee, a leasehold estate in the Series 2002 Project and the real estate on which such Series 2002 Project is located (the "Series 2002 Projects Land") pursuant to the Ground Lease Agreement dated as of September 15, 2002, as amended and supplemented, particularly as amended by the First Amendment to Ground Lease Agreement, dated as of April 1, 2012 (collectively, the "Series 2002 Ground Lease"). The initial term of the Series 2002 Ground Lease ends on the earlier of (a) the date on which the Series 2012A Certificates related to the Series 2002 Project and the Unrefunded Series 2002 Certificates (and any Series of Certificates refunding such Certificates) have been paid in full, or (b) July 1, 2033 (both dates inclusive). So long as no Event of Default or Event of Non-Appropriation under the Series 2002 Lease Agreement has occurred, the Series 2002 Projects Land shall be used by the Board with respect to the Series 2002 Project. The leasehold interest in the Series 2002 Project and Series 2002 Project Land granted to the Corporation by the Board shall remain vested in the Corporation until the earlier of (A) the date the Series 2012A Certificates related to the Series 2002 Project and the Unrefunded Series 2002 Certificates (and any Series of Certificates refunding such Certificates) no longer remain outstanding, or (B) the end of the Series 2002 Ground Lease Term. Upon termination of the Master Lease, the rental of the Series 2002 Projects Land shall be increased to fair market value in accordance with the terms of the Series 2002 Ground Lease. The payment of such increased rent is subordinate to the obligation to pay the Principal Component and the Interest Component of the Series 2012A Certificates.

The Board, as Ground Lessor, also granted to the Corporation, as Ground Lessee, a leasehold estate in the Series 2003B Project and the real estate on which such Series 2003B Project is located (the "Series 2003B Projects Land") pursuant to the Ground Lease Agreement dated as of September 1, 2003, as amended and supplemented, particularly as amended by the First Amendment to Ground Lease Agreement, dated as of April 1, 2012 (collectively, the "Series 2003B Ground Lease"). The initial term of the Series 2003B Ground Lease ends on the earlier of (a) the date on which the Series 2012A Certificates related to the Series 2003B Project (and any Series of Certificates refunding such Certificates) have been paid in full, or (b) July 1, 2034 (both dates inclusive). So long as no Event of Default or Event of Non-Appropriation under the Series 2003B Lease Agreement has occurred, the Series 2003B Projects Land shall be used by the Board with respect to the Series 2003B Project. The leasehold interest in the Series 2003B Project and Series 2003B Projects Land granted to the Corporation by the Board shall remain vested in the Corporation until the earlier of (A) the date the Series 2012A Certificates related to the Series 2003B Project (and any Series of Certificates refunding such Certificates) no longer remain outstanding, or (B) the end of the Series 2003B Ground Lease Term. Upon termination of the Master Lease, the rental of the Series 2003B Project Land shall be increased to fair market value in accordance with the terms of the Series 2003B Ground Lease. The payment of such increased rent is subordinate to the obligation to pay the Principal Component and the Interest Component of the Series 2012A Certificates.

The foregoing does not attempt to completely summarize the provisions of the Ground Leases. See "APPENDIX G-1 – FORM OF GROUND LEASE AND FIRST AMENDMENT TO 2002 GROUND LEASE" and "APPENDIX G-2 – FORM OF GROUND LEASE AND FIRST AMENDMENT TO 2003B GROUND LEASE" attached hereto for more information regarding the Ground Lease.

The Master Lease and the Series 2002 and 2003B Lease Agreements

The Master Lease provides for the lease-purchase financing by the Board from time to time of various real and/or personal property projects ("Projects"), including the Series 1994 Project, the Series 1995 Project, the Series 1996 Project, the Series 1998 Project, the Series 1999 Project, the Series 2000-QZAB Project, the Series 2000 Project, the Series 2001B Project, the Series 2001-QZAB Project, the Series 2002 Project, the Series 2003B Project, the Series 2004B Project, the Series 2004-QZAB Project, the Series 2004C Project, the Series 2005-QZAB Project, the Series 2006A Project, the Series 2007 Project and the Series 2010B Project, that are described in various Lease Schedules to the Master Lease. The Master Lease provides the terms and conditions governing the lease of Projects, and the framework under which the Board is obligated to pay rent ("Basic Rent") to the Corporation for the particular Project described on a particular Lease Schedule. Lease Payments consist of Basic Rent, the principal and interest components of which are set forth in each Lease Schedule, and Supplemental Rent set forth on each such Lease Schedule, consisting of Trustee, Credit Enhancer, if any, and Corporation fees and expenses, prepayment premiums and other financing expenses, and all other amounts owing under the Master Lease. Each Lease Schedule describes the particular Project to be lease-purchased by the Board and the details governing the particular lease transaction, including the obligation to pay Basic Rent for such Project and to pay Supplemental Rent.

Under the Trust Agreement, one or more Series of Certificates may be issued to obtain funds to be used to pay the costs of acquisition, construction and installation of Projects. The proceeds of sale of the Certificates of each Series is deposited with the Trustee and is requisitioned by the Board, acting as agent for the Corporation, to pay the costs of one or more related Projects. The Corporation has assigned its rights under the Master Lease, including its right to receive Basic Rent Payments from the Board under all Lease Schedules, other than its right to indemnification, its right to enter into additional Lease Schedules and its obligation not to impair the tax status of the Certificates, to the Trustee for the benefit of owners of the Certificates of all Series in order to secure such Certificates; provided, however, that once monies are deposited into a specific subaccount under the Trust Agreement for payment of a particular Series of Certificates, the Certificates of other Series are not collateralized by such monies. Failure to appropriate any Basic Rent results in an Event of Non-Appropriation with respect to all Basic Rent set forth on all Lease Schedules to the Master Lease, and a default with respect to any obligation under the Master Lease or any Lease Schedule results in an Event of Default with respect to the entire Master Lease and all Lease Schedules thereto. See "SECURITY FOR THE SERIES 2012A CERTIFICATES" herein.

The Principal Component of the Basic Rent Payments under the Series 2002 and 2003B Lease Agreements represented by the Series 2012A Certificates is payable in accordance with the debt service schedule set forth herein, subject to prepayment as provided herein.

The foregoing does not attempt to completely summarize the provisions of the Master Lease. See "APPENDIX E – FORM OF MASTER LEASE, AS AMENDED AND THE SERIES 2002 AND 2003B LEASE AGREEMENTS" attached hereto.

As of January 1, 2012, the District operated 142 elementary schools comprised of students in kindergarten through fifth grade. Students in the sixth, seventh and eighth grades comprise the District's 44 middle schools. The District operates two K-8 schools. The District operates 27 high schools which include ninth through twelfth grades as well as the vocational programs. In addition, there are four alternative educational schools, 10 Special School Centers and 15 adult centers conducted at the various locations within the District.

The elementary school program emphasizes basic skills including reading, writing, language arts, and mathematics. The balanced curriculum includes instruction in science, computer literacy, health, social studies, art, music and physical education. These programs are designed to build a strong foundation and each child is required to attain very specific levels of achievement before promotion to the next grade.

The secondary school program begins with middle school curriculum centering on English, math, science, computer literacy, and social studies. Students are encouraged to begin developing their strengths and interests through electives such as art, music, foreign languages, and vocational exploratory programs.

High school programs are designed to meet the needs of the college bound as well as vocational students. All of the high schools are fully accredited by the Southern Association of Colleges and Schools. Students who plan to continue their education into college may take a broad range of college preparatory courses as well as advanced placement and honors courses.

In addition to the above programs, the District currently operates 29 "magnet programs." Magnet programs operate at the elementary, middle and high school levels, offering unique opportunities and challenges for students. These magnet schools offer specialized programs including: Academy of Health Professionals, Academy of Engineering, Visual/Performing/Communication Arts, Environmental Studies, International Studies Preparatory Academy/High Technology Program and the International Baccalaureate Program. Applications for each program are distributed annually through the District in December.

The Board does not administer a separate retirement plan for its officers and employees. However, pursuant to law, all full-time employees are, with minor exceptions, members of defined retirement plans of the State administered by its Department of Administration, Division of Retirement. The retirement plans of the State consist of contributory and non-contributory benefit plans. The plans provide for retirement, death, and disability benefits and require contributions by employees and/or participating agencies as stated percentages of compensation set by law as determined from time to time by the State Legislature. The combined contributions to the plans for the fiscal year ended June 30, 2011 totaled \$107,840,163. The plans accounting and funding policies, actuarial present value of accumulated plan benefits, net assets available for benefits, and other plan related matters are the responsibility of the State Department of Administration, Division of Retirement, and are not computed on an individual agency basis. See "PENSION AND OTHER POST EMPLOYMENT BENEFIT PLANS" herein.

Constitutional Amendments Related to Class Size Reduction and Pre-K Education

Amendment 9 to the State Constitution requires that the State Legislature provide funding for sufficient classrooms so that class sizes can be reduced to certain constitutional class size maximums by the beginning of the 2010 school year. Amendment 9 and Section 1003.03, Florida Statutes, which implements Amendment 9, collectively, are referred to herein as the "Class Size Legislation."

The Class Size Legislation established constitutional class size maximums limiting students per class to no more than 18 for pre-kindergarten through 3rd grade, 22 for grades 4 through 8 and 25 for grades 9 through 12. Such legislation generally provided for a phased-in compliance which was determined on a school-by-school basis through and including Fiscal Year 2009-10, with final compliance on an individual classroom basis which began in Fiscal Year 2010-11. In the event a school district is not in compliance with such requirements, the legislation provides that the State shall reduce categorical funds due to such school district for operational purposes.

The Class Size Legislation further created an "Operating Categorical Fund for Class Size Reduction," the "Classroom for Kids Program," the "District Effort Recognition Grant Program" and the "Class Size Reduction Lottery Revenue Bond Program" to provide funding programs for capital outlays and operating expenditures necessary in relation to these mandated class size reductions.

The Class Size Legislation requires each school board to consider implementing various policies and methods to meet these constitutional class sizes, including encouraging dual enrollment courses, encouraging the Florida Virtual School, maximizing instructional staff, reducing construction costs, using joint-use facilities, implementing alternative class scheduling, redrawing attendance zones, implementing evening and multiple sessions and implementing year-round and non-traditional calendars.

Through Fiscal Year 2009-10, the District complied with the requirements of the Class Size Legislation which was based on the average class size at each school. Beginning in Fiscal year 2010-11, the requirements were based on the number of students in each individual classroom with which the District was in compliance. As of the October 2011 Survey, the week during which DOE determined compliance with class size maximums, the District had 100% of the classrooms in compliance. Accordingly, the District is currently in compliance with the requirements of the Class Size Legislation.

Pre-K Programs

Amendment 8 to the State Constitution provides that every 4-year old child in the State shall be offered a free, high quality pre-kindergarten learning opportunity by the State. Part V of Chapter 1002, Florida Statutes, creates a statewide Voluntary Pre-kindergarten Education Program (the "Pre-K Program"). Among other things, the Pre-K Program provides eligibility and enrollment requirements, authorizes parents to enroll their children in a school-year pre-kindergarten ("Pre-K") program delivered by a private Pre-K provider, a summer program delivered by a public school or private Pre-K provider or, if offered in a school district that meets class-size reduction requirements, a school year Pre-K program delivered by a public school. The Pre-K Program also requires school districts to deliver summer Pre-K programs and permits school districts to deliver school-year Pre-K programs. Additionally, the Pre-K Program appropriates State funds to finance the Pre-K programs and provides the method for calculating the funds allocated to each Pre-K program provider.

The Pre-K Legislation provides State funding for the Pre-K programs.

Grant from Gates Foundation

In November 2009, the District was awarded a grant from the Bill & Melinda Gates Foundation of \$100,000,000 to increase college-ready graduation rates by increasing the number and distribution of highly effective teachers in schools and classrooms serving low-income and minority students. The grant is being distributed during a seven-year period. In addition, the District must match the \$100,000,000 grant money when it is received and, further, it expects to annually pay approximately \$32 million to sustain the program after the grant ends. A principal component of the program is to use 200 to 300 teachers with a proven track record of increasing the number of high-achieving students to mentor new teachers. The grant would help hire replacement teachers for the mentors who would return to the classroom in two to three years while others serve as mentors.

Accounting and Funds

Pursuant to Section 11.45, Florida Statutes, as amended, the financial operations of the District are subject to audit by independent auditors of the District at least two out of every three fiscal years with the Auditor General's office auditing the financial operations of the District once every three fiscal years. The District retained the independent accounting firm of KPMG LLP to audit its financial operations, whose report for the Fiscal Year ended June 30, 2011 is attached hereto as part of "APPENDIX B - AUDITED FINANCIAL STATEMENTS OF THE SCHOOL BOARD OF HILLSBOROUGH COUNTY, FLORIDA FOR THE FISCAL YEAR ENDED JUNE 30, 2011" attached hereto.

Accounting policies conform with generally accepted accounting principles applicable to state and local governmental units. Accordingly, the District's accounting system is organized on the basis of funds and account groups. A fund is an accounting entity having a self-balancing set of accounts for recording assets, liabilities, fund equity, revenues, either expenditures or expenses depending on fund type, and other financing sources and uses.

The fund financial statements provide information about the Board's funds, including its fiduciary funds and blended component units. Separate statements for each fund category – government and fiduciary – are presented. The emphasis of fund financial statements is on major governmental funds, each displayed in a separate column. All remaining governmental funds are aggregated and reported as non-major funds. Because the focus of the governmental fund financial statements differs from the focus of the government-wide financial statements, a reconciliation is presented with each of the governmental fund financial statements.

Proprietary fund operating revenues, such as charges for services, result from exchange transactions associated with the principal activity of the fund. Exchange transactions are those in which each party receives and gives up essentially equal values. Non-operating revenues, such as investment earnings, result from non-exchange transactions or ancillary activities.

Governmental Fund Types

The District reports the following major governmental funds:

General Fund – to account for all financial resources not required to be accounted for in another fund and for certain revenues from the State that are legally restricted to be expended for specific current operating purposes.

Contracted Services – to account for financial resources of certain federal grant program resources.

Local Capital Improvement – Accounts for and reports on the revenues generated from the local capital outlay property taxes.

Other Debt Service – Accounts for and reports on the payments of principal and interest for outstanding bonds and Certificates of Participation.

Other Capital Projects Funds – Accounts for and reports on other miscellaneous funds from various sources, including Certificates of Participation.

Other Fund Types

Additionally, the District reports the following fund types:

Internal Service Funds – to account for the District's workers' compensation, general and automobile liability self-insurance programs and the employee health insurance program.

Pension Trust Fund – to account for resources used to finance the early retirement program.

Agency Funds – to account for resources held by the District as custodian for others, primarily for the benefit of various schools and their activity funds.

Measurement Focus and Basis of Accounting

The accounting and financial reporting treatment is determined by the measurement focus and basis of accounting. Measurement focus indicates the type of resources being measured such as current financial resources (current assets less current liabilities) or economic resources (all assets and liabilities). The basis of accounting indicates the timing of transactions or events for recognition in the financial statements.

Government-Wide Statements – The government-wide statements are presented using the economic resources measurement focus. The government-wide financial statements are reported using the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of when the related cash flows have taken place. Non-exchange transactions, in which the District gives (or receives) value without directly receiving (or giving) equal value in exchange, include property taxes, grants, entitlements, and donations. On an accrual basis, revenue from property taxes is recognized in the fiscal year for which the taxes are levied. Revenue from grants, entitlements, and donations is recognized in the fiscal year in which all eligibility requirements have been satisfied.

Governmental Fund Financial Statements – Governmental funds are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues are recognized when measurable and available. The District considers all revenues, other than grant funds, reported in the governmental funds to be available if the revenues are collected within sixty days after year-end. Grant funds are considered available if collection is expected in the upcoming fiscal year. Property taxes, sales taxes, and interest are considered to be susceptible to accrual. Expenditures are recorded when the related fund liability is incurred, except for principal and interest on general long term debt, claims and judgments, and compensated absences, which are recognized as expenditures to the extent they have matured.

General capital asset acquisitions are reported as expenditures in governmental funds. Proceeds of general long-term debt and acquisitions under capital leases are reported as other financing sources.

Under the terms of grant agreements, the District funds certain programs by a combination of specific cost reimbursement grants, categorical block grants, and general

revenues. Thus, when program expenses are incurred, there are both restricted and unrestricted net assets available to finance the program. It is the District's policy to first apply cost reimbursement grant resources to such programs, followed by categorical block grants, and then by general revenues.

Budget Process

State law requires the Board to advertise its intent to adopt a tentative budget, including a capital outlay budget, no later than 24 days after the Hillsborough County Property Appraiser's official certification of taxable property, which usually occurs on or about July 1. The Board holds a public hearing on the tentative budget and the proposed tax rates within five days of its advertisement, and officially adopts the tentative budget and tax rates at the hearing. Thereafter, the Hillsborough County Property Appraiser prepares tax millage notices for property owners within the District. The final budget and tax rate are fixed on or before September 18th of each year, following a final public hearing. On September 6, 2011, the Board adopted the Budget for the 2011/2012 Fiscal Year.

The Superintendent of Schools is responsible for presenting the preliminary and tentative budgets for recommendation to the Board. Florida law requires the Board to adopt and maintain a balanced budget, in which anticipated revenues less certain required deductions, combined with beginning fund balances equal appropriations. Generally, the final budget is substantially the same as the tentative budget since the Board's hiring plans and materials purchases have been determined before the tentative budget is adopted.

Auditing System

In addition to local internal audits, other budget reviews are conducted. The State Department of Education conducts regular financial compliance reviews of each school district to ensure that local school districts comply with state regulations. In conjunction with this review, the Financial Management Section of the State Department of Education reviews the cost reporting system of each school district to ensure that the Financial and Program Costs Accounting and Reporting for Florida Schools is being properly implemented by the Board.

General Fund Operations

The Board's general fund revenues are derived from federal and state appropriations and local sources. The following table summarizes the audited results of operations for the general fund for the Fiscal Years ended June 30, 2007 through June 30, 2011.

AVAILABLE REVENUES FOR CAPITAL OUTLAY PROJECTS

The Board derives its revenues for capital outlay projects from certain State and local sources. The major categories of these revenue services are briefly described below. In Fiscal Year 2011-12, excluding proceeds from the issuance of any series of Certificates of Participation and existing fund balances, approximately 2.7%⁽¹⁾ of the annual revenues for capital improvements are expected to be provided by State revenues, approximately 96.8%⁽¹⁾ are expected to be provided by local millage and approximately 0.5%⁽¹⁾, are expected to be provided by investment earnings and other sources.

State Sources

Capital Outlay. A source of State educational funding contributions to the Board's capital outlay requirements is the Public Education Capital Outlay Program (PECO). The method of allocation of funds to the district school boards is provided by State law based upon a statutory formula, a component of which is the number of full-time equivalent students in the school system. The State Commissioner of Education administers the PECO program and allocates or reallocates funds as authorized by law. PECO funds allocated by the Office of Education Facilities of the State Department of Education to the Board were \$8,672,645 for Fiscal Year 2010-11 and no funds were budgeted to be received for Fiscal Year 2011-12.

The State Capital Outlay and Debt Service Funds ("CO&DS") also provide funds for the Board's capital outlay requirements. CO&DS funds are derived from a portion of the revenues collected from motor vehicle license charges. The Board received CO&DS funds of \$897,515 in Fiscal Year 2009-10 and \$754,319 in Fiscal Year 2010-11. The Board anticipates receiving \$755,000 of CO&DS funds for Fiscal Year 2011-12.

On November 24, 1997, the Governor of the State signed into law a bill creating the "Public School Capital Outlay Program Act." It established several programs including the "Classrooms First Program," which provides for the issuance by the State of revenue bonds, the proceeds of which will be distributed to the various school districts based upon a formula similar to the formula used in allocating PECO funds. The proceeds of such revenue bonds must be applied by a school district for new construction, remodeling, renovation or major repairs. If a school district certifies that it has no unmet need for permanent classroom facilities or if its unmet needs are less than its proposed allocation of the revenue bond proceeds, it may choose to receive an annual distribution of State lottery revenues in lieu of all or a portion of its allocation of State bond proceeds. Such annual distribution must be used to construct, renovate, remodel, repair or maintain educational facilities. Such funds, whether in the form of State revenue bond proceeds or annual distributions of State lottery revenues, may not be used to make lease purchase payments. In addition, in order to receive any of such State funds, a school district must fully bond all of its CO&DS funds allocation.

The District also participates in a State Board of Education ("SBE") bond program that utilizes a portion of its CO&DS funds allocation for the repaying of debt. The District has nine series of bonds outstanding under this program that are outstanding in the aggregate principal

⁽¹⁾ Unaudited

amount of \$50,570,000 and that mature on various dates starting in 2020 through 2030. See the chart entitled "SELECTED FINANCIAL INFORMATION – Debt Statement as of June 30, 2011" herein.

Under the Act, the District may be entitled to receive other State revenues pursuant to other programs if the District achieves certain standards relating to its capital outlay efforts. Some of such revenues may be used to make lease purchase payments. It is not possible at this time to determine or estimate the amount of such State revenues, if any, that the District may receive in the future.

Local Sources

Local revenue for school district support is derived almost entirely from real and tangible personal property taxes. There are no local non-property taxes levied specifically for schools. In addition, the Board earns interest on cash invested and collects other miscellaneous revenues. The Board is permitted by State law and the State Constitution to assess property tax through any of five provisions, which are briefly described below. Such local sources are subject to change through legislative and/or constitutional amendments. See "RISK FACTORS – Recent Legislative and Constitutional Initiatives" and "AD VALOREM TAXATION – Recent Constitutional and Legislative Amendments Affecting Ad Valorem Taxes" herein, for a description of recent material changes in applicable law affecting the levy of the Capital Outlay Millage.

(1) For operational purposes, the Florida Legislature requires each school board desiring to participate in the allocation of State funds available to school districts to levy a non-voted millage rate. The millage rate is determined annually by the State Legislature and is referred to as the "district required local effort." The District's required local effort is set forth in the table entitled "DISTRICT LEVIES" in the section entitled "SCHOOL BOARD OF HILLSBOROUGH COUNTY, FLORIDA – Historical and Current Millages" herein.

(2) School boards are also authorized to levy an additional non-voted "discretionary millage" for operations, not to exceed an amount established annually by the State Legislature. The District's discretionary millage is set forth in the table entitled "DISTRICT LEVIES" in the section entitled "SCHOOL BOARD OF HILLSBOROUGH COUNTY, FLORIDA – Historical and Current Millages" herein.

(3) School boards may levy an additional non-voted millage (the "Local Option Millage Levy") for capital outlay and maintenance purposes, pursuant to Section 1011.71(2), Florida Statutes. Currently, the Local Option Millage Levy may be up to 1.5 mills and may be used to fund new construction, remodeling, site acquisition and improvement; maintenance and repair; school bus purchases; payments under lease purchase agreements and certain short-term loans (each mill represents \$1 of tax assessment per \$1,000 of property value assessment, subject to certain exclusions). Historically, the maximum Local Option Millage Levy was 2.00 mills. In its 2008 session, the Florida Legislature reduced the maximum amount of the levy from the 2.0 mills then in effect to 1.75 mills and in its 2009 session, the Florida Legislature further reduced the maximum levy from 1.75 mills to 1.50 mills. **SEE "AD VALOREM TAXATION - Recent Constitutional and Legislative Amendments Affecting Ad Valorem**

Taxes" FOR INFORMATION CONCERNING SUCH LEGISLATION THAT MAY ADVERSELY AFFECT THE DISTRICT'S TAXABLE ASSESSED VALUATION, LOCAL OPTION MILLAGE LEVY AND THE CAPITAL OUTLAY MILLAGE AVAILABLE TO MAKE LEASE PAYMENTS. Payments from the proceeds of the Local Option Millage Levy for lease purchase agreements for educational facilities and sites, including the Series 2002 and 2003B Leases, may not exceed three-fourths of the proceeds of the Local Option Millage Levy. The Local Option Millage Levy is also referred to herein as the Capital Outlay Millage.

In the event that revenues generated from the reduced Local Option Millage Levy are insufficient to make payments under a lease-purchase agreement entered into prior to June 30, 2008, an amount equal to the revenue generated from 0.50 mills of the operating levy may be used to make such Lease Payments. Additionally, if the revenue from 1.50 mills is insufficient to make payments under a lease-purchase agreement entered into prior to June 30, 2009 or to meet other critical capital needs, a school board may elect to levy up to 0.25 for capital purposes in lieu of a like amount of discretionary operating millage. The Board is not required to levy any millage for capital outlay purposes in the future. Since revenues from the levy of the Capital Outlay Millage may be used for, but are not pledged to, the payment of Basic Rent Payments under the Series 2002 and 2003B Leases, the failure of the Board to levy all or a portion of the Capital Outlay Millage would have an adverse effect on Available Revenues from which the Board may appropriate funds to make Basic Rent Payments.

(4) The Board, with the approval of the qualified electorate of the District, may levy an additional millage for current operations and/or capital outlay purposes for a period of not to exceed two years.

(5) Tax levies for debt service on general obligation bonds may be assessed, with the approval of the qualified electorate of the District.

The Board assessed a Capital Outlay Millage of 1.5 mills for each of the 2011-12, 2010-11, and 2009-10 fiscal years. See "Historical and Current Millages" in the section entitled "AD VALOREM TAXATION" herein for a schedule of the millage actually assessed by the Board over the past ten years. The Board's total non-voted millage for fiscal year 2011-12 is 7.913 mills; the State Constitution imposes a cap of 10 mills, exclusive of millage levied for the purposes described in paragraphs (4) and (5) above.

⁽¹⁾ This number calculated using 96% of the preliminary taxable assessed valuation.

⁽²⁾ The Series 2004B Certificates are not included, as such Certificates are expected to be paid from a portion of the Board's sales tax revenues collected pursuant to Chapter 212, Part I, Florida Statutes (the "Sales Tax Revenues"), provided, however, that this is subject in all respects to the prior lien on Sales Tax Revenues that the holders of the presently outstanding or hereinafter issued Sales Tax Revenue Bonds have. The Maximum Annual Payment taking into account the Series 2004B Certificates occurs following the maturity of the Series 2012A Certificates.

Accounting and Auditing System

Generally accepted accounting principles are used in the financial accounting and reporting of the Board. These generally accepted accounting principles are promulgated and published by the Governmental Accounting Standards Board (an independent nongovernmental body). The Governmental Accounting Standards Board is the recognized authority on specific application of generally accepted accounting principles to governmental agencies.

The Board uses an account classification system specified in a manual entitled *Financial and Program Cost Accounting and Reporting for Florida Schools*. Specific accounting forms and instructions and data collection instruments must be submitted to the Commissioner of Education of the State at designated intervals. Staff within the Financial Management Section of

the State Department of Education review and the Commissioner of Education approves the Board's annual budget prior to implementation.

The State Department of Education conducts regular financial compliance reviews of the Board to ensure that the Board complies with state regulations. In conjunction with this, the Financial Management Section of the Department of Education reviews the cost reporting system of each district to ensure that the Financial and Program Cost Accounting and Reporting for Florida Schools is being properly implemented by the Board.

The Office of the Florida Auditor General conducts a financial audit of the Board once every three fiscal years and may conduct a performance audit as well. This audit includes all federal and State programs within the Board. The Department of Education offers technical assistance to the Board to remedy any problems identified by the Auditor General.

STATE EDUCATIONAL FUNDING

The three primary sources of educational funding from the State are (i) basic Florida Educational Finance Program ("FEFP") receipts, (ii) FEFP categorical program receipts, and (iii) certain other specified revenue sources.

The major portion of State support is distributed under the provisions of FEFP, which was enacted by the State Legislature in 1973. Basic FEFP funds are provided on a weighted full-time equivalent student ("FTE") basis using a formula that takes into account varying program cost factors and school district cost differentials. The program cost factors which are used to determine the level of each school district's FEFP funding are determined by the State Legislature. The amount of FEFP funds disbursed by the State are adjusted four times during each year to reflect changes in FTE and in variables comprising the weighting formula. In addition, the level of State funding is adjusted during each year to compensate for increases or decreases in ad valorem tax revenue resulting from adjustments to the valuation of non-exempt property in each county.

FEFP categorical programs are lump sum appropriations from the State intended to supplement local school district revenues to enhance the delivery of educational and support services by each school district, and are not available to make lease purchase payments. Among the larger categorical programs are the programs for school bus transportation and instructional materials. Allocations for these categorical appropriations are based on funding formulae and discretionary State Department of Education grants. The majority of the funds available require actual appropriation by the Board for the purposes for which they were provided. Total State categorical aid was \$343,816,146 for the 2009-10 Fiscal Year and \$354,293,202.17 for the 2010-11 Fiscal Year. Total State categorical aid is budgeted at \$355,349,348 for the 2011-12 Fiscal Year.

The Board also receives State educational funding from a variety of miscellaneous State programs. These sources include State Racing Commission funds, State mobile home license tax revenues, and the Florida State Lottery.

AD VALOREM TAXATION

The following information is provided in view of the fact that a large portion of the Board's Available Revenues used to pay Basic Rent are derived from ad valorem taxation. Local ad valorem property taxes are levied by the application of the millage rate to the assessed valuation of non-exempt property within the County. The following uses of real property are generally exempt from ad valorem taxation: religious, educational, charitable, scientific, literary and governmental. In addition, there are special exemptions for widows, hospitals, homesteads and homes for the aged and disabled veterans. The "homestead exemption" exempts from taxation the first \$25,000 of the assessed valuation of a residence occupied by the owner on a permanent basis, as of January 1 of the year of valuation. Agricultural land, noncommercial recreational land, inventory and livestock are assessed at less than 100 percent of fair market value.

Property Assessment Procedure

The laws of the State require that all taxable real and tangible personal property must be assessed at fair market value, with some exceptions. Real and personal property valuations are determined each year as of January 1 by the County Property Appraiser. The County Property Appraiser submits the tax roll to the State Department of Revenue for review and determination of, among other things, whether the tax roll meets the requirements of State law regarding just valuation. Each taxpayer is given notice by mail of the proposed property taxes and the assessed property value for the current year, and the dates, times and places at which budget hearings are scheduled to be held.

The property owner has the right to file an appeal of the determination of assessed value with the Value Adjustment Board, which considers petitions relating to assessments and exemptions. The Value Adjustment Board is composed of members of the Board and the Board of County Commissioners. The decision of the Value Adjustment Board may be appealed to the Circuit Court. The Property Appraisal Adjustment Board certifies the assessment roll upon completion of the hearing of appeals. Millage rates are then computed by the various taxing authorities and certified to the Property Appraiser, who applies the millage rates to the assessment roll. This procedure creates the tax roll, which is then certified and turned over to the County Tax Collector.

Pursuant to Article VII, Section 6 of the State Constitution and Section 196.031, Florida Statutes, as amended, the first \$25,000 of the assessed valuation of a homestead is exempt from taxation for any person who has title to a residence in such homestead on a permanent basis.

Truth in Millage Bill

The Florida Legislature enacted the Truth in Millage Bill (the "Trim Bill") requiring that only governing bodies of taxing authorities fix the millage rate and requiring that all property be assessed at one hundred percent (100%) of just value. Sections 200.071 and 200.091, Florida Statutes, prohibit the millage for taxing authorities from being set by referendum, except as provided in the Constitution of the State.

Collection of Taxes

The assessment of all properties and the collection of all county, municipal and school district property taxes are consolidated in the office of the County Property Appraiser and County Tax Collector. Ad valorem taxes become payable on November 1 of each year, and become delinquent on the following April 1. Discounts are allowed for early payment of 4% if paid in November, 3% if paid in December, 2% if paid in January and 1% if paid in February. No discount is granted if taxes are paid in March. In June, the County Tax Collector advertises and sells tax certificates on those lands on which taxes have not been paid to pay the taxes, interest, costs and charges on the parcel described in the tax certificate. If there are no bidders, the tax certificate is issued to Hillsborough County. Real property taxes bear interest at a rate not to exceed 18% per year from the date of delinquency until a tax certificate is sold except that the minimum charge for delinquent taxes paid prior to the sale of a tax certificate is 3%.

(1) Net of allowable discounts. Property Taxes become due and payable on November 1st of each year. A four percent (4%) discount is allowed if taxes are paid in November, with the discounts declining by one percent (1%) each month thereafter. Accordingly, taxes collected will never be 100% of the tax levy since the percent of levy collected reflects the statutory early payment discounts. Taxes become delinquent on April 1st of each year and tax certificates for the full amount of any unpaid taxes and assessments must be sold not later than June 1st of each year. Accordingly, the majority of taxes are collected in the fiscal year levied.

Delinquent taxes are subject to a 3% monthly interest charge on real property and a 1.5% monthly charge for tangible personal property. The property owner is also assessed advertising, court and other charges incurred to collect the taxes.

The property owner may redeem a tax certificate by paying the County Tax Collector the face value of the tax certificate and accrued interest, plus a redemption fee of \$6.25. The redeemer must pay a minimum of 5% of the face amount of the certificate unless the tax certificate was bid at no interest.

The Tax Collector notifies the tax certificate holder of the redemption and makes the arrangements to obtain the tax certificate and to process the payment. In some instances, the County itself acquires the tax certificates as a lien against the property.

After two years from April 1 of the year of issuance of the tax certificate, a private holder of any unredeemed tax certificate may apply for a tax deed to the property. The County also has a two-year minimum wait for purchase of a tax deed. Such procedures are governed by State law applicable to all Florida Counties.

The request for a tax deed is referred to the Clerk of the Circuit Court who will hold an auction after the proposed sale of the tax deed has been advertised for four consecutive weeks in a newspaper as prescribed by law.

The minimum acceptable bid for a tax deed must cover the face value of the tax certificate, accrued interest, and all other costs and fees paid by the applicant.

Recent Constitutional and Legislative Amendments Affecting Ad Valorem Taxes

During recent years and in the current legislative session, various other legislative proposals and constitutional amendments relating to ad valorem taxation have been introduced in the State. Many of these proposals sought to provide for new or increased exemptions to ad valorem taxation, limit the amount of revenues that local governments could generate from ad valorem taxation or otherwise restrict the ability of local governments in the State to levy ad valorem taxes at recent, historical levels. Additionally, there have been certain proposals seeking to reduce the "required local effort" millage for school districts and to replace such millage with other revenue source(s) or to require that certain percentages of school district funding be spent on particular activities. There can be no assurance that similar or additional legislative or other proposals will not be introduced or enacted in the future that would, or might apply to, or have a material adverse effect upon, the District or its finances.

Several Constitutional and Legislative amendments affecting Ad Valorem Taxes have been approved by voters in the past including the following.

Save Our Homes. By voter referendum held on November 2, 1992, Article VII, Section 4 of the Florida Constitution was amended by adding thereto a subsection which, in effect, limits the increases in assessed just value of homestead property to the lesser of (1) three percent of the assessment for the prior year or (2) the percentage change in the Consumer Price Index for all urban consumers, U.S. City Average, all items 1967=100, or successor reports for the preceding calendar year as initially reported by the United States Department of Labor, Bureau of Labor Statistics. Further, the amendment provides that (1) no assessment shall exceed just value, (2) after any change of ownership of homestead property or upon termination of homestead status such property shall be reassessed at just value as of January 1 of the year following the year of sale or change of status, (3) new homestead property shall be assessed at just value as of January 1 of the year following the establishment of the homestead, and (4) changes, additions, reductions or improvements to homestead shall initially be assessed as provided for by general law, and thereafter as provided in the amendment. The effective date of the amendment was January 5, 1993 and, pursuant to a ruling by the Supreme Court of the State of Florida it began to affect homestead property valuations commencing January 1, 1995 with 1994 assessed values being the base year for determining compliance.

In the November 7, 2006 general election, the voters of Florida approved amendments to the State Constitution, which provide for an increase in the homestead (ad valorem tax) exemption to \$50,000 from \$25,000 for certain low-income seniors effective January 1, 2007 and provide a discount from the amount of ad valorem taxes for certain permanently disabled veterans effective December 7, 2006, respectively.

Constitutional amendments related to ad valorem exemptions. On January 29, 2008 voters approved amendments to the State Constitution exempting certain portions of a property's assessed value from taxation. The following is a brief summary of certain important provisions contained in such amendments:

1. Provides for an additional exemption for the assessed value of homestead property between \$50,000 and \$75,000, thus doubling the existing homestead exemption for property with an assessed value equal to or greater than \$75,000. See "AD VALOREM TAXATION - Property Assessment Procedures" for a description of the homestead exemption. This exemption does not apply to school district taxes.

2. Permits owners of homestead property to transfer their "Save Our Homes" benefit (up to \$500,000) to a new homestead property purchased within two years of the sale of their previous homestead property to which such benefit applied if the just value of the new homestead is greater than or is equal to the just value of the prior homestead. If the just value of the new homestead is less than the just value of the prior homestead, then owners of homestead property may transfer a proportional amount of their "Save Our Homes" benefit, such proportional amount equaling the just value of the new homestead divided by the just value of the prior homestead multiplied by the assessed value of the prior homestead. The Save Our Homes amendment generally limits annual increases in ad valorem tax assessments for those properties with homestead exemptions to the lesser of three percent (3%) or the annual rate of inflation. This exemption applies to all taxes, including school district taxes.

3. Exempts from ad valorem taxation \$25,000 of the assessed value of property subject to tangible personal property tax. This limitation applies to all taxes, including school district taxes.

4. Limits increases in the assessed value of non-homestead property to 10% per year, subject to certain adjustments. The cap on increases would be in effect for a 10 year period, subject to extension by an affirmative vote of electors. This limitation does not apply to school district taxes.

The amendments became effective for the District's 2008-09 fiscal year. While certain members of the Florida Legislature publicly indicated that they would seek to replace the ad valorem revenues lost by school districts with other revenue sources, the Florida Legislature approved significant budget cuts for education during its 2011 regular session. Governor Scott presented in his 2012 budget to the Florida Legislature a proposal increasing education funding by \$1 billion over last year. See "RISK FACTORS – State Revenues." At this time, it is impossible to estimate with any certainty the level of impact that the constitutional amendments will have on the District, but the impact could be substantial.

From time to time over the last few years, the Save Our Homes assessment cap and portability provision described above have been subject to legal challenge. The plaintiffs in such cases have generally argued that the Save Our Homes assessment cap constitutes an unlawful residency requirement for tax benefits on substantially similar property, in violation of the State Constitution's Equal Protection provisions and the Privileges and Immunities Clause of the Fourteenth Amendment to the United States Constitution and that the portability

provision simply extends the unconstitutionality of the tax shelters granted to long-term homeowners by Save Our Homes. The courts in each case have rejected such constitutional arguments and upheld the constitutionality of such provisions. However, there is no assurance that any future challenges to such provisions will not be successful. Any potential impact on the District or its finances as a result of such challenges cannot be ascertained at this time.

Exemption for Deployed Military Personnel. In the November 2010 General Election voters approved a constitutional amendment which provides an additional homestead exemption for deployed military personnel. The exemption equals the percentage of days during the prior calendar year that the military homeowner was deployed outside of the United States in support of military operations designated by the legislature. This constitutional amendment took effect on January 1, 2011. At this time, it is impossible to estimate with any certainty the level of impact that the constitutional amendment will have on the District.

Reduction in Local Option Millage Levy. In 2008, the Florida Legislature amended Section 1011.71(2), Florida Statutes, to reduce the maximum millage rate that school districts may levy for capital outlay and maintenance purposes (referred to in this Offering Statement as the Local Option Millage Levy) from 2.0 mills to 1.75 mills commencing in fiscal year 2008-2009. In conjunction with such reduction, the State's Commissioner of Education increased the amount of the required local effort by 0.25 mills, which resulted in a net shift of the millage (and associated tax revenues) from capital outlay and maintenance purposes to operational purposes. As further discussed in "DISTRICT REVENUES FOR CAPITAL PROJECTS – Local Capital Outlay Sources," the Local Option Millage Levy constitutes the primary source of funds to make Lease Payments in respect of the Series 2012A Certificates, as well as any other certificates of participation issued in connection with the Master Lease. The reduction in the maximum Local Option Millage Levy will therefore directly reduce the amount of funds available to make lease payments in respect of the Series 2012A Certificates. However, the legislation provides that if the revenues generated from the reduced Local Option Millage Levy are insufficient to make payments under a lease-purchase agreement entered into prior to June 30, 2008, an amount equal to the revenue generated from 0.50 mills of the operating levy may be used to make such lease payments. Accordingly, while such reduction may not adversely affect the District's ability to make Lease Payments under certain existing Leases, it does reduce the funds available to make Lease Payments under the Series 2002 and 2003B Leases and may adversely impact the District's ability to finance additional educational facilities under the Master Lease in the future.

Section 1011.71, Florida Statutes, was amended in the 2009, 2010 and 2011 legislative sessions to provide for the following: (i) a reduction of the maximum Local Option Millage Levy from 1.75 mills to 1.50 mills and (ii) if the revenue from 1.50 mills is insufficient to make the payments due under a lease-purchase agreement entered into prior to June 30, 2009, or to meet other critical fixed capital outlay needs, authorization for school districts to levy up to 0.25 mills for capital improvement needs in lieu of an equivalent amount of the discretionary mills for operations as provided in the State General Appropriation Act. If used for operations, districts in which 0.25 mills generate less than the State average are to be provided the difference in State

funds allocated through the FEFP. The School Board is not levying the optional millage referred to in clause (ii) above.

Proposals Affecting Ad Valorem Taxation and District Finances

Ad Valorem Taxation Proposals. During its 2011 regular session, the Legislature passed a resolution proposing several constitutional amendments relating to ad valorem taxation or which otherwise may affect school district finances. Among other things, these proposals seek to prohibit the increase of assessed value for property whose fair market value declined over the prior year, reduce the limitation on annual increases of non-homestead property from 10% to 5% for all levies other than school district levies and provide an additional homestead exemption for first-time homeowners in an amount initially equal to 50% of homestead property's just value, subject to reduction of 20% or more each year over a 5 year period. All of such proposals require approval by 60% of the voters at the 2012 general election or an earlier special election authorized by law. At present, the impact of any such proposals on the District's finances cannot be accurately ascertained.

Limitations on State Revenue Amendment. In its 2011 regular session, the Florida Legislature passed a resolution which (1) replaces the existing state revenue limitation based on State personal income growth with a new state revenue limitation based on changes in population and inflation; (2) requires excess revenues to be deposited into the Budget Stabilization Fund to support public education or to return to taxpayers; (3) adds fines and revenues used to pay debt service on bonds issued after July 1, 2012 to the state revenues subject to the limitation; (4) authorizes the Florida Legislature to increase the revenue limitation by a supermajority vote; and (5) authorizes the Florida Legislature to place the new state revenue limitation proposal before the voters, which would require approval of 60% of the voters. The proposal will be on the ballot in the 2012 general election or at an earlier special election authorized by law. If approved by 60% of the voters, the new state revenue limitation is more likely to constrain state revenues than the current state revenue limitation; however, the potential impact on the District or its finances cannot be ascertained at this time.

There can be no assurance that similar or additional legislative or other proposals will not be introduced or enacted in the future that would, or might apply to, or have a material adverse effect upon, the District or its finances.

Sharing of Local Option Millage Revenues with Charter Schools. Senate Bill 1852 has been introduced in the Florida Senate during the current regular session of the Florida legislature. In its current form, Senate Bill 1852 provides that each school district must annually proportionately share the revenue generated by the Local Option Millage Levy with the charter schools in such district on a per-student basis or be subject to the Florida Education Finance Program recalculation to provide for this allocation to the charter schools in the school district. The current House of Representatives version of the legislation (House Bill 902) does not contain a provision requiring such revenue sharing. It is uncertain at this time which version of the legislation, if any, will be passed by the Legislature. At present, the impact of this legislation if passed cannot be accurately ascertained. However, providing such revenue to the charter schools could have an adverse impact on the District's funding of new capital projects

for non-charter schools. In any event, the District does not expect such loss in revenue to ultimately affect its ability to make Lease Payments under the Master Lease.

PENSION AND OTHER POSTEMPLOYMENT BENEFIT PLANS

All regular employees of the District are covered by the Florida Retirement System (the "FRS"), a State-administered, cost-sharing, multiple-employer, public employee defined benefit retirement plan (the "Plan"). Plan provisions are established by Chapters 121 and 122, Florida Statutes; Chapter 112, Part IV, Florida Statutes; Chapter 238, Florida Statutes; and Florida Retirement System Rules, Chapter 60S, Florida Administrative Code, wherein Plan eligibility, contributions, and benefits are defined and described in detail. Essentially, all regular employees of participating employers are eligible and must enroll as members of the FRS. Benefits in the defined benefit plan vest at six years of service. The defined benefit plan also includes an early retirement provision but imposes a penalty for each year a member retires before his or her normal retirement age. The defined benefit plan provides retirement, disability, and death benefit, and annual cost-of-living adjustments.

The District's liability for participation in the Plan is limited to the payment of the required contribution at the rates and frequencies established by law on future payrolls of the District. The District's contributions (including employee contributions) for the fiscal years ending June 30, 2009, June 30, 2010 and June 30, 2011 totaled \$98,481,287, \$96,594,988 and \$107,840,163 respectively, representing a percentage of covered payroll of 9.94% for fiscal year 2009, 10.01% for fiscal year 2010 and 10.88% for fiscal year 2011. These amounts are equal to the required contributions for each fiscal year.

As authorized by Section 1012.985, Florida Statutes, the Board implemented an Early Retirement Plan (the "Early Retirement Plan") effective August 1, 1984. The Early Retirement Plan is a single-employer defined benefit plan. The purpose of the Early Retirement Plan is to provide eligible District employees, who elect to retire under the early retirement provisions of the Florida Retirement System, with a monthly benefit equal to the statutory reduction of the normal retirement benefits when early retirement precedes the normal retirement age of 62. Pursuant to the Early Retirement Plan Agreement, no contribution shall be required or permitted from any member. Board contributions shall be sufficient to meet the annual pension cost of the Early Retirement Plan and to amortize the un-funded actuarial accrued liability within 30 years based on an actuarial study. There are no long-term contracts to the plan. Periodic employer contributions to the Early Retirement Plan are determined on an actuarial basis using the "Entry Age Actuarial Cost Method." Annual pension cost is funded on a current basis. Pursuant to Section 112.64, Florida Statutes, the un-funded actuarial accrued liability is funded over a 40-year period. Periodic contributions for both normal cost and the amortization of the un-funded actuarial liability are based on the level percentage of payroll method.

Significant actuarial assumptions used to compute annual required contributions are the same as those used to determine the actuarial accrued liability.

Total contributions to the Early Retirement Plan in fiscal years 2009, 2010 and 2011 amounted to \$1,801,801, \$2,450,808 and \$1,953,117 respectively. The actuarially determined contribution for fiscal years 2009, 2010 and 2011 were \$2,063,437, \$2,251,844 and \$1,317,182, respectively, which were determined through actuarial valuations performed at July 1, 2008, July 1, 2009 and July 1, 2010, respectively. The total annual pension costs for fiscal years 2009,

2010 and 2011 were \$2,059,509, \$2,258,572 and \$1,317,817, respectively. The percentage of pension cost contributed for fiscal years 2009, 2010 and 2011 were 87.49%, 108.84% and 148.28%, respectively.

As of July 1, 2010, the actuarial accrued liability for benefits was \$29,577,005 of which \$13,841,200 was unfunded. The is no longer a covered payroll due to the fact that the Plan is closed to any new participants effective July 1, 2010.

In addition to its contributions under the State's retirement plan described above, the District provides other postemployment benefits ("OPEB") for certain of its retired employees in the form of both an implicit rate subsidy, by providing access to health insurance plans requiring the use of a single "blended" or "common" rate for both active and retired employees, as well as a small co-payment of premiums on a quarterly basis. The offering of this health insurance coverage is required by Section 112.0801, Florida Statutes. The employer contribution rate from July 2010 through June 2011 was about 1% percent of eligible wages. Total District contributions for the fiscal year ended June 30, 2011 were \$6,583,222. See "APPENDIX B – COMPREHENSIVE ANNUAL FINANCIAL REPORT OF THE SCHOOL DISTRICT FOR THE FISCAL YEAR ENDED JUNE 30, 2011" attached hereto, and specifically, Note 18 in the Notes to Financial Statements, therein.

During its 2011 regular session, the State Legislature adopted legislation that makes significant changes to FRS with respect to employee contributions and employer contributions, among other items. Effective July 1, 2011, all members of FRS will be required to contribute 3% of their gross compensation toward their retirement. In addition, the legislation reduces the required employer contribution rates for each membership class and subclass of the FRS. For Fiscal Year 2010-11, contribution rates ranged from 10.77% to 23.25% of annual covered payroll. Under the adopted legislation, employer contribution rates range from 4.91% to 14.10% of annual covered payroll. The savings resulting from such reduced contributions will be used to partially offset the reduction in State education funding for Fiscal Year 2012. See "RISK FACTORS - State Revenues" herein. Additionally, the bill eliminates the cost of living adjustment for all FRS employees for service earned on or after July 1, 2011, although the bill does contemplate reinstatement of the adjustment in 2016 under certain conditions. On June 20, 2011, the Florida Education Association, a teachers union, announced it has filed a class action lawsuit challenging the constitutionality of such legislative changes with respect to existing employees. The suit alleges the legislation unlawfully impairs state employee contracts, constitutes a taking of private property without full compensation and violates government workers constitutional right to collective bargaining. The Circuit Court heard oral arguments in this matter on October 26, 2011, but has yet to issue any ruling. At present, the outcome of such lawsuit cannot be determined. However, if the plaintiffs are ultimately successful, the impact to the District's finances could be substantial given the current State economy and level of education funding. See "RISK FACTORS - State Revenues" herein.

The other changes to the FRS contained in the legislation only apply to employees who are initially enrolled in FRS on or after July 1, 2011. For personnel entering FRS on and after July 1, 2011, the following changes apply: the average final compensation upon which retirement benefits are calculated will be based on the eight highest (formerly five highest) fiscal

years of compensation prior to retirement, the Deferred Retirement Option Plan (DROP) is maintained but the interest accrual rate will be reduced from 6.5% to 1.3%, the normal retirement age is increased from 62 to 65 and the years of creditable service is increased from 30 to 33 and the vesting period is increased to eight years (formerly six).

The plan's financial statements and other supplemental information are included in the comprehensive annual financial report of the State of Florida which may be obtained by contacting the Florida State Comptroller's Office in Tallahassee, Florida. Also, an annual report on the plan which includes its financial statements, required supplemental information, actuarial report, and other relevant information may be obtained from the State of Florida, Division of Retirement in Tallahassee, Florida. See also Note 18 in APPENDIX B – COMPREHENSIVE ANNUAL FINANCIAL REPORT FOR THE FISCAL YEAR ENDED JUNE 30, 2011, for more information regarding the retirement plans.

INVESTMENT POLICY

Assets of the District are governed by an investment policy adopted by the Board under the provisions of Sections 1001.42, Florida Statutes, as amended. Furthermore, the investment of certain assets held under the Trust Agreement such as the Lease Payment Fund, the Project Fund, the Prepayment Fund and the Rebate Fund, is also governed by the terms and provisions of the Trust Agreement.

Pursuant to the District's investment policy, the Superintendent or designee shall invest temporarily idle excess funds with the State Board of Administration (the "SBA") in the Local Government Surplus Trust Fund or with an intergovernmental pool. Funds made available through issuance of long-term debt will be invested with an approved national investment firm, or banking institution selected through a request for proposal process and under the terms and conditions contained therein to include permitted securities as authorized by Florida statute. Principals will invest temporarily idle internal account funds in qualified depositories or securities as defined in Florida statute or the SBA through the School Internal Account Investment Program.

On November 29, 2007, the State Board of Administration implemented a freeze on the assets held in the State Board of Administrator's Local Government Surplus Trust Fund Investment Pool (the "LGIP") due to an unprecedented amount of withdrawals from the LGIP coupled with the absence of market liquidity for certain securities within the LGIP. The LGIP has been restructured and the Board has received control over much of the funds it had on deposit in the LGIP at the time it was frozen. Under the restructure of the LGIP, the frozen funds are held in "Fund B." As of June 30, 2011, the fair value of the Board's funds in Fund B approximated \$14,102,408. See "APPENDIX B – COMPREHENSIVE ANNUAL FINANCIAL REPORT OF THE SCHOOL DISTRICT FOR THE FISCAL YEAR ENDED JUNE 30, 2011" attached hereto, and specifically, Note 3 in the Notes to Financial Statements, therein. As cash becomes available in Fund B from interest receipts, maturities, or sales, it will be distributed to the Board according to its pro rata share of Fund B. Such limitations present no immediate liquidity concerns related to the Board's ability to pay operating expenses or debt service. The

Board has sufficient liquidity from both operating and investment sources to meet its routine cash flow needs for both operating expenses and debt service payments.

The investment policy described above may be revised by the Board from time to time. A revised investment policy is currently being prepared that may be considered by the Board later this year. Such revised investment policy, if approved, may expand the authorized investments to include certain United States Government Securities; United States Government Agency Securities, interest bearing time deposits, certain instruments permitted by Florida Statutes, money market funds with the highest credit quality rating; shares in certain investment company or investment trusts rated "AAAm" or "AAAm-G" or better, certain State and/or Local Government Taxable and or Tax-Exempt Debt and other investment that are permitted by state statute and are not prohibited by the Investment Policy and are approved in advance by the Board.

LITIGATION

Concurrently with the delivery of the Series 2012A Certificates, Counsel to the Board will deliver an opinion which states, among other things, that there is no litigation or other proceedings pending or, to the best knowledge of the Board, threatened against the Board (i) that seeks to restrain or enjoin the issuance or delivery of the Series 2012A Certificates, the Master Lease or the Series 2002 and 2003B Lease Agreements or (ii) questioning or affecting the validity of the Series 2012A Certificates, the Master Lease or the Series 2002 and 2003B Lease Agreements or any proceedings of the Board or actions of the Trustee with respect to the authorization, sale, execution or issuance of the Series 2012A Certificates or the transactions contemplated by this Offering Statement or the Master Lease, the Trust Agreement, the Series 2002 and 2003B Lease Agreements or any other agreement or instrument to which the Board is a party in connection therewith and which is used or contemplated for use in the transactions contemplated by this Offering Statement or (iii) questioning or affecting the creation, organization or existence of the Board and which would have an adverse effect on the actions taken by the Board with respect to the issuance of the Series 2012A Certificates.

The Board experiences claims, litigation, and various legal proceedings which individually are not expected to have a material adverse effect on its operations or financial condition, but may, in the aggregate, have a material impact thereon. In the opinion of the Counsel to the Board, however, the Board will either successfully defend such actions or otherwise resolve such matters without any material adverse consequences on the Board's financial condition.

TAX EXEMPTION

Opinion of Special Counsel

The Internal Revenue Code of 1986, as amended (the "Code"), establishes certain requirements that must be met subsequent to the issuance and delivery of the Series 2012A Certificates in order that the Interest Component of the Basic Rent Payments received by the Owners of the Series 2012A Certificates be and remain excluded from gross income for purposes of federal income taxation. Non-compliance may cause such Interest Component to

be included in federal gross income retroactive to the date of issuance of the Series 2012A Certificates, regardless of the date on which such non-compliance occurs or is ascertained. The Board and the Corporation have covenanted in the Series 2002 and 2003B Lease Agreements to comply with such requirements in order to maintain the exclusion from federal gross income of the Interest Component.

In the opinion of Special Counsel, the form of which is included as APPENDIX H hereto, under existing statutes, regulations, rulings and court decisions, and assuming compliance with the aforementioned covenants, prior to the termination of the Series 2002 and 2003B Lease Agreements resulting from an Event of Non-Appropriation or Event of Default thereunder, the Interest Component of the Basic Rent Payments is excludable from gross income for federal income tax purposes and is not an item of preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, the Interest Component of the Basic Rent Payments is taken into account in determining adjusted current earnings for purposes of computing the alternative minimum tax imposed on certain corporations pursuant to the Code.

Internal Revenue Code of 1986

The Code contains a number of provisions that apply to the Series 2012A Certificates, including among other things, restrictions relating to the use of investment of the proceeds of the Series 2012A Certificates and the payment of certain arbitrage earnings in excess of the "yield" on the Series 2012A Certificates to the Treasury of the United States. Noncompliance with such provisions may result in the Interest Component of the Basic Rent Payments being included in gross income for federal income tax purposes retroactive to the date of issuance of the Series 2012A Certificates.

Collateral Tax Consequences

Except as described above, Special Counsel will express no opinion regarding the federal income tax consequences resulting from the ownership of, receipt or accrual of interest on, or disposition of, the Series 2012A Certificates. Prospective purchasers of Series 2012A Certificates should be aware that the ownership of Series 2012A Certificates may result in collateral tax consequences to various types of corporations relating to (1) the branch profits tax, (2) the denial of interest deductions to purchase or carry such Series 2012A Certificates, and (3) the inclusion of the Interest Component of the Basic Rent Payments in passive income for certain Subchapter S corporations. In addition, the Interest Component may be included in gross income by recipients of certain Social Security and Railroad Retirement benefits.

PURCHASE, OWNERSHIP, SALE OR DISPOSITION OF THE SERIES 2012A CERTIFICATES AND THE RECEIPT OR ACCRUAL OF THE INTEREST COMPONENT OF THE BASIC RENT PAYMENTS MAY HAVE ADVERSE FEDERAL TAX CONSEQUENCES FOR CERTAIN INDIVIDUAL AND CORPORATE SERIES 2012A CERTIFICATE HOLDERS, INCLUDING, BUT NOT LIMITED TO, THE CONSEQUENCES DESCRIBED ABOVE. PROSPECTIVE SERIES 2012A CERTIFICATE HOLDERS SHOULD CONSULT WITH THEIR TAX SPECIALISTS FOR INFORMATION IN THAT REGARD.

Other Tax Matters

The Interest Component of the Basic Rent Payments may be subject to state or local income taxation under applicable state or local laws in other jurisdictions. Purchasers of the Series 2012A Certificates should consult their own tax advisors as to the income tax status of such Interest Component in their particular state or local jurisdiction.

During recent years legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Series 2012A Certificates. In some cases these proposals have contained provisions that altered these consequences on a retroactive basis. Such alterations of federal tax consequences may have affected the market value of obligations similar to the Series 2012A Certificates. From time to time, legislative proposals are pending which could have an effect of both the federal tax consequences resulting from ownership of the Series 2012A Certificates and their market value. No assurance can be given that additional legislative proposals will not be introduced or enacted that would or might apply to, or have an adverse effect upon, the Series 2012A Certificates. For example, proposals have been discussed in connection with jobs programs and deficit spending reduction that could significantly reduce the benefit of, or otherwise affect the exclusion from gross income of, interest on obligations such as the Series 2012A Certificates. The further introduction or enactment of one or more of such proposals could affect the market price or marketability of the Series 2012A Certificates.

Original Issue Premium

The difference between the principal amount of the Series 2012A Certificates (collectively, the "Premium Certificates") and the initial offering price to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at which price a substantial amount of such Premium Certificates of the same maturity was sold constitutes to an initial purchaser amortizable certificate premium which is not deductible from gross income for Federal income tax purposes. The amount of amortizable certificate premium for a taxable year is determined actuarially on a constant interest rate basis over the term of the Premium Certificates which term ends on the earlier of the maturity or call date for each Premium Certificate which minimizes the yield on said Premium Certificates to the Purchaser. For purposes of determining gain or loss on the sale or other disposition of a Premium Certificate, an initial purchaser who acquires such obligation in the initial offering to the public at the initial offering price is required to decrease such purchaser's adjusted basis in such Premium Certificate annually by the amount of amortizable certificate premium for the taxable year. The amortization of certificate premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining various other tax consequences of owning such Premium Certificates. Owners of the Premium Certificates are advised that they should consult with their own advisors with respect to the state and local tax consequences of owning such Premium Certificates.

Special Counsel expresses no opinion regarding the federal income tax consequences resulting from the accrual of original issue premium following the termination of the Series

2002 and 2003B Lease Agreements resulting from an Event of Non-Appropriation or Event of Default thereunder.

NOTWITHSTANDING THE FOREGOING, SPECIAL COUNSEL EXPRESSES NO OPINION REGARDING THE FEDERAL INCOME TAX OR FLORIDA TAX CONSEQUENCES RESULTING FROM THE OWNERSHIP OF THE SERIES 2012A CERTIFICATES OR THE RECEIPT BY THE OWNERS THEREOF OF PAYMENTS ON THE SERIES 2012A CERTIFICATES FOLLOWING THE TERMINATION OF THE SERIES 2002 AND 2003B LEASE AGREEMENTS RESULTING FROM AN EVENT OF NON-APPROPRIATION OR EVENT OF DEFAULT THEREUNDER.

RATINGS

Moody's Investors Service ("Moody's"), Standard & Poor's Ratings Services ("S&P") and Fitch Ratings ("Fitch") have assigned ratings of "Aa2," "AA-" and "AA," respectively, to the Series 2012A Certificates. Generally, a rating agency bases its rating on the information and materials furnished to it and on investigations, studies and assumptions of its own. There is no assurance such ratings will continue for any given period of time or that such ratings will not be revised downward or withdrawn entirely by the rating agencies, if in the judgment of such rating agencies, circumstances so warrant. Any such downward revision or withdrawal of such ratings may have an adverse effect on the market price of the Series 2012A Certificates.

LEGAL MATTERS

Certain legal matters in connection with the issuance of the Series 2012A Certificates are subject to an approving legal opinion of Nabors, Giblin & Nickerson, P.A., Tampa, Florida, Special Counsel, whose approving opinion (a form of which is attached hereto as Appendix H) will be available at the time of delivery of the Series 2012A Certificates. The actual legal opinion to be delivered by Special Counsel may vary from that text if necessary to reflect facts and law on the date of delivery. Such opinion will speak only as of its date, and subsequent distribution of it by recirculation of this Offering Statement or otherwise shall create no implication that Special Counsel has reviewed or expresses any opinion concerning any of the matters referenced in the opinion subsequent to its date. Certain legal matters will be passed upon for the Board by its Counsel, Thompson, Sizemore, Gonzalez & Hearing, P.A., Tampa, Florida and GrayRobinson, P.A., Tampa, Florida, Disclosure Counsel and for the Corporation by Nabors, Giblin & Nickerson, P.A., Tampa, Florida, Special Counsel. GENERAL INFORMATION RELATING TO HILLSBOROUGH COUNTY

[THIS PAGE INTENTIONALLY LEFT BLANK]

GENERAL INFORMATION REGARDING HILLSBOROUGH COUNTY

The County

Hillsborough County (the "County") was established on January 25, 1834. The County gained its name from Wills Hills (1718-1793), a viscount of Hillsborough, who became secretary of state for the colonies in 1768. Hillsborough County's boundaries of 1834 included the present-day counties of Pasco, Charlotte, Desoto, Hardee, Pinellas, Sarasota, Manatee and Polk.

The County is located on central Florida's western coast, nestled between Tampa Bay on the west and Polk County on the east. The County is bounded to the north by Pasco County and to the south by Manatee County. In area, it is the seventh largest county in the State of Florida. Hillsborough County covers a total area of 1,266 square miles, of which 215 square miles is water area. The County is part of a four-county Metropolitan Statistical Area (MSA) referred to as Tampa, St. Petersburg-Clearwater MSA.

Tampa, Plant City and Temple Terrace are the three incorporated cities in the County. Tampa, the largest of the three incorporated cities in the County is the County seat and also a center of international, national, and intrastate commerce. The Tampa International Airport and the Port of Tampa connect Hillsborough County to other major cities in the nation and major markets throughout the world.

Government

Hillsborough County operates under a home-rule charter enacted by the voters on September 20, 1983. Under the charter, the Board of County Commissioners (the "BOCC") consists of seven Commissioners; three elected county-wide and four elected from single member districts. As a result of this charter, each voter has a chance to influence the election of a majority of board members. The BOCC is restricted to performing the legislative functions of government and developing policy for the management of Hillsborough County. The County Administrator, appointed by the BOCC, together with her staff, are responsible for implementing these policies throughout the County.

In addition to the members of the BOCC, there are five elected Constitutional Officers: the Clerk of Circuit Court, Property Appraiser, Sheriff, Supervisor of Elections, and Tax Collector.

The County provides a variety of services characteristic of local multi-purpose governments including law enforcement, maintenance of roads and bridges, animal services, social services programs, planning and growth management, environmental protection, fire protection and emergency rescue, consumer protection, parks and recreation programs, mosquito control, employment services, emergency disaster preparedness, traffic control, water/wastewater utilities, solid waste disposal, medical examiner services, agricultural cooperative extension services, children's services, indigent health care, public assistance programs, aging services programs, emergency medical services, and library services.

In addition to their legislative duties, members of the BOCC serve as the County's Environmental Protection Commission. Individual members of the BOCC also take turns serving on various boards, authorities and commissions such as the Children's Board, Tampa Bay Regional Planning Council, Metropolitan Planning Organization, Hillsborough County Tourist Development Council, Tampa Bay Water, Tampa Port Authority, Hillsborough County Aviation Authority, Hillsborough Area Regional Transit Authority, Hillsborough County Public Transportation Commission, Tampa-Hillsborough County Expressway Authority, Tampa Sports Authority, Arts Council of Hillsborough County, Value Adjustment Board, Hillsborough County Hospital Authority, Council of Governments and the Tampa Hillsborough Economic Development Corporation.

Population

Hillsborough County is the fourth most populous county in the state of Florida. As of December 2010, the County's population was 1,229,228, an increase of 2.7 percent from 2009. Between 2000 and 2010, the County's population increased by approximately 23.1 percent. Hillsborough County's population is projected to be 1,394,600 by the year 2015.

A majority of the County's 2010 population (834,255 or 68 percent) lives in the unincorporated part of the County. Population grew at an average annual percentage rate of 3.3 percent between year 2000 and 2010 in unincorporated Hillsborough County. Communities in unincorporated Hillsborough County with increasing population growth were Balm/Wimauma, Ruskin/Greater Sun City Center, Thonotosassa and Tampa Palms/Hunter's Green. The median age for Hillsborough County in 2010 was 38.7.

Transportation

Tampa International Airport (TIA) is a major airport for the west central region of Florida serving primarily Hillsborough, Pinellas (which includes the cities of St. Petersburg and Clearwater), Pasco, Manatee, Polk, and Hernando Counties.

TIA, a facility of approximately 3,400 acres, is used primarily for commercial aviation by certified scheduled airlines. TIA is primarily an origin-destination airport and the service region is a large air traffic hub, as defined by the Federal Aviation Administration. During 2010, 16.6 million domestic passengers enplaned at the airport, 181.8 million pounds of cargo were handled, and 12.0 million pounds of mail were transported. TIA is highly regarded for its efficiency and passenger convenience receiving numerous awards over the years.

At the beginning of 2011, TIA was served by fifteen majors/nationals, two regionals/commuters, three foreign flag carriers, and eight all-cargo airlines. Three general aviation airports serve as reliever airports, primarily to accommodate light and medium weight aircraft in the general aviation category. These include Peter O. Knight Airport, a 139-acre facility located six miles southeast of TIA; Plant City Airport, a 199-acre facility located 22 miles east of TIA; and Tampa Executive Airport (formerly Vandenberg Airport), a 407-acre facility located 12 miles east of TIA. In addition, there are two full service general aviation executive terminals located at the Airport.

AMTRAK provides passenger rail service to major cities throughout the United States. This rail service is provided by the Palmetto and Silver Service Trains (the Silver Meteor and the Silver Star) which offer service between Florida, Georgia, and New York City. The restored Tampa Union Station has seven northbound and seven southbound departures on AMTRAK weekly.

Freight rail service is provided to the County by CSX Transportation Systems. CSX rail units possess some of the world's most technologically advanced terminal equipment and operate on regular schedules throughout the network. Major transports include coal, wood products, phosphate, chemicals, construction materials, semi-tractor trailers, automobiles, and automobile products.

The Hillsborough Area Regional Transit Authority (HART) is Hillsborough County's public transportation system. HART offers local and express routes for residents and visitors alike. Local service seven days a week provides access to area shopping malls, businesses, government buildings, attractions and recreational facilities. An estimated eleven million riders use the system annually.

The County is also served by numerous intrastate and interstate motor common carriers, moving goods between Tampa, other points in Florida, and markets throughout the United States. Tampa is the transportation hub of the west coast of Florida with major trucking firms maintaining terminals serving Florida and major southern cities.

Three interstates and seven other major highways serve the County. All parts of Florida and bordering states to the north and west can be reached within one day of travel by truck or automobile.

Port Facilities

The Port of Tampa is a very significant economic engine in West Central Florida. Designated as a Foreign Trade Zone (FTZ No. 79), the port handled 37.1 million tons of cargo during fiscal year 2010. The 5,000- acre Port is home to many businesses which handled 3,009 vessels during 2010. The Port also handled 802,775 cruise passengers during 2010 on 187 sailings. With a 43-foot-deep main channel and one of the largest shipbuilding and repair centers in the Southeast, the Port is a full-service facility for shipping lines and is the closest major U.S. port to the Panama Canal. The Port also hosts North America's largest dockside cold storage terminal. Proximity to Mexico, the Caribbean cruise market, and developing Central and South American markets make the Port of Tampa a gateway to several destinations both inbound and outbound.

Seventy-five percent of Port cargo is inbound, and with its location on the west end of Florida's Interstate 4 corridor, the Port is ideally located to supply in-state demands for construction materials, commodities and consumer products. Additionally, Interstate 4 will eventually directly connect to the Lee Roy Selmon Expressway creating more efficient ingress and egress to the Port.

Port officials have worked closely with the community to develop a dynamic downtown waterfront. In 2001, the Port completed "Channelside," an entertainment complex opened on the waterfront just a short walk from the Port of Tampa's cruise facilities. Channelside has a multiplex cinema, an IMAX theater, and lots of entertainment, shopping, and restaurants all in a comfortable seaside atmosphere.

Military Facilities

MacDill Air Force Base is located eight miles south of downtown Tampa on the Southwestern tip of the Interbay Peninsula on the west coast of Florida. The host organization is the 6th Air Mobility Fueling Wing, which uses KC-135 Stratotankers and C-37As to conduct its air mobility mission. It is headquarters for two non-aviation units: the United States Central Command and the United States Special Operations Command. It is also home to the National Oceanic and Atmospheric Administration.

BUSINESS DIVISION

December 13, 2011

Dear Chair Olson and School Board Members:

The Comprehensive Annual Financial Report (CAFR) of the School District of Hillsborough County, Florida, (the District) for the fiscal year ended June 30, 2011, is hereby submitted. These financial statements are presented in conformity with generally accepted accounting principles (GAAP) and are audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in "Government Auditing Standards" issued by the Comptroller General of the United States by a firm of licensed certified public accountants.

Responsibility for both the accuracy of the data and completeness and fairness of the presentation, including all disclosures, rests with the District's management. To provide a reasonable basis for making these representations, management of the District has established a comprehensive internal control framework that is designed both to protect the District's assets from loss, theft, or misuse and to compile sufficient reliable information for the preparation of the District's financial statements in conformity with GAAP. The District's comprehensive framework of internal controls has been designed to provide more than reasonable rather than absolute assurance that the financial statements will be free from material misstatement. As management, we assert that to the best of our knowledge and belief, this financial report is complete and reliable in all material respects. All disclosures necessary to enable the reader to gain an understanding of the District's financial activities have been included.

The District's financial statements have been audited by KPMG LLP, a firm of licensed certified public accountants. The objective of the independent audit is to provide assurance that the financial statements of the District for the fiscal year ended June 30, 2011, are free of material misstatements. The independent audit involved examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; assessing the accounting principles used and significant estimates made by management and evaluating the overall financial statement presentation. The independent auditor concluded, based upon the audit, that there was a reasonable basis for rendering an unqualified opinion that the District's financial statements for the fiscal year ended June 30, 2011, are fairly presented in conformity with GAAP. The independent auditors' report is presented as the first component of the financial section of this report.

GAAP requires that management provide a narrative introduction, overview, and analysis to accompany the basic financial statements in the form of Management's Discussion and Analysis (MD&A), which should be read in conjunction with the financial statements. The District's MD&A can be found immediately following the report of the independent auditors.

Profile of the Government

The District and its governing board (School Board) were created pursuant to Section 4, Article IX of the Constitution of the State of Florida. The District is an independent taxing and reporting entity managed, controlled, operated, administered and supervised by District school officials in accordance with Chapter 1001, Florida Statutes. The School Board consists of seven elected officials. The appointed Superintendent serves as chief executive officer of the school system and is responsible for the administration and management of district schools. The District and Superintendent are required by Section 1010.01, Florida Statutes to maintain financial records and accounts as prescribed by law and rules of the State Board of Education.

The CAFR contains the audited financial statements for all operations over which the School Board is financially accountable. Various potential component units were evaluated to determine whether they should be considered as part of the District's reporting entity. Accordingly, the financial statements include the Hillsborough School Board Leasing Corporation (the Corporation). The Corporation was formed by the School Board solely for the purpose of acting as lessor, with the School Board acting as lessee, to finance the acquisition and/or construction of certain facilities, vehicles and equipment to be used in district operations. The members of the School Board serve as the Board of Directors of the Corporation. In addition, included in the reporting entity are the Hillsborough Education Foundation (the Foundation), a broadly based, non-profit direct-support organization of the School Board, and the Charter Schools that are separate not for profit corporations organized under Section 1002.33, Florida Statutes. Both the Foundation and the Charter Schools are included as discretely presented component units in the accompanying financial statements. Additional information on these component units can be found in the notes to the financial statements.

The District provides a full range of educational programs in Hillsborough County. These include early childhood, kindergarten through 12th grade, basic and enriched programs, and exceptional student education. The District also provides vocational and adult programs.

The District's geographic boundaries correspond with those of Hillsborough County. The District is the 3rd largest school district in Florida and the 8th largest in the United States with over 192,400 K-12 students.

The annual budget serves as the foundation for the District's financial planning and control. The District establishes and maintains budgetary controls. The objective of these budgetary controls is to ensure compliance with legal provisions embodied in the annual appropriated budget approved by the School Board. Activities of the General Fund, Special Revenue Funds, Debt Service Funds and Capital Projects Funds are included in the annual appropriations budget. Although project length financial plans are adopted for the Capital Project Funds, the funding is contingent upon the annual budget adoption. Budgetary control is maintained for individual accounts or group of accounts within each school or department through the use of an encumbrance accounting system. This process tests for availability of funds, which precludes a requisition for services, equipment, supplies or materials from becoming a purchase order if the account would be overspent.

ii

Factors Affecting Financial Condition

The information presented in the financial statements is perhaps best understood when it is considered from the broader perspective of the specific environment within which the District operates.

Economy. While the District is heavily reliant upon state funding for the core of the educational programs within the District, and while the economic conditions of the nation and state interact with state funding adequacy and availability, the economic outlook for the District is consistent with the national situation. The State of Florida is heavily dependent upon sales tax collections and tourism. In addition, the community within the District is wholly supportive of the educational program, as evidenced by the contribution of money, time and effort. Any funding fluctuations will mean that new programs, innovative initiatives and educational enhancements may not be available within the desired time frames, but the positive improvements will continue to occur.

In addition, the Board, Superintendent, and staff are acutely aware of the perils of interrupted revenue receipts. Prudent business practices, accompanied by statutes mandating balanced budgets, result in a continual review of the financial condition of the District.

Long-Term Financial Planning. The District continues to maintain adequate fund balances and top debt ratings by careful management of its financial resources. Although the American Recovery and Reinvestment Act (ARRA) revenues have offset some of the reduction of the State funding and the reduction of property tax revenue caused by declining property assessments, the District continues to implement additional budget saving initiatives to maintain fund balances without making cuts to the classrooms or necessitating layoffs of employees.

Major Initiatives. In November 2002, the voters of Florida amended the State Constitution to limit class size. By the beginning of the 2011 fiscal year, the amendment established the maximum number of students in core-curricular courses assigned to an individual teacher in each of the following three grade groupings: (1) eighteen students for pre-kindergarten through grade three; (2) twenty-two students for grades four through eight; and (3) twenty-five students for grades nine through twelve. The following is how the constitutional maximums will be calculated:

For the 2004, 2005, 2006 fiscal years, class size will be calculated at the district level.

For the 2007, 2008, 2009, 2010 fiscal years, class size will be calculated at the school level.

For the 2011 fiscal year and thereafter, class size will be calculated at the individual classroom level.

Based on the annual reviews by the Florida Department of Education, the District complied with constitutional maximums for every year.

In the first full year of implementation the District was awarded over \$1,000,000 after meeting the class size mandate.

iii

Awards and Acknowledgements.

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the District for its CAFR for the fiscal year ended June 30, 2010. This was the tenth consecutive year that the District received this prestigious award. In order to be awarded a Certificate of Achievement, the District must publish an easily readable and efficiently organized CAFR. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe that our current CAFR continues to meet the Certificate of Achievement Program's requirements and are submitting it to the GFOA to determine its eligibility for another certificate.

The preparation of this CAFR could not have been accomplished without the efficient and dedicated services of the staff of the Accounting Office. We would like to express our appreciation to all members of the Business Division who assisted and contributed to its preparation.

Sincerely,

Independent Auditor's Report

Honorable Chairperson and Members of the School Board
School District of Hillsborough County, Florida

We have audited the accompanying financial statements of the governmental activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the School District of Hillsborough County, Florida (the District), as of and for the year ended June 30, 2011, which collectively comprise the District's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the District's management. Our responsibility is to express opinions on these financial statements based on our audit. We did not audit the financial statements of the aggregate discretely presented component units. Those financial statements were audited by other auditors whose reports thereon have been furnished to us and our opinion, insofar as it relates to the amounts included for the discretely presented component units, is based on the reports of the other auditors.

[THIS PAGE INTENTIONALLY LEFT BLANK]

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the District, as of June 30, 2011, and the respective changes in financial position, and where applicable, cash flows thereof and the respective budgetary comparison for the general and contracted services funds for the year then ended in conformity with U.S. generally accepted accounting principles.

As discussed in Note 13 to the financial statements, the District adopted the provisions of *Governmental Accounting Standards Board Statement No. 54, Fund Balance Reporting and Governmental Fund Type Definitions*, effective July 1, 2010.

In accordance with *Government Auditing Standards*, we have also issued our report dated November 16, 2011 on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over

financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

The management's discussion and analysis, the schedules of employer contributions and funding progress on pages 3 through 10 and 69 through 72 are not a required part of the basic financial statements but are supplementary information required by U.S. generally accepted accounting principles. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the District's basic financial statements. The introductory section, other supplementary information, and statistical section are presented for purposes of additional analysis and are not a required part of the basic financial statements. THE SCHOOL DISTRICT OF HILLSBOROUGH COUNTY, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
For the Fiscal Year Ended June 30, 2011

The School District of Hillsborough County's (the "District") management's discussion and analysis is designed to (a) assist the reader in focusing on significant financial issues, (b) provide an overview of the District's financial activity, (c) identify changes in the District's financial position (its ability to address the next and subsequent year challenges), (d) identify any material deviations from the financial plan (the approved budget), and (e) identify individual fund issues or concerns.

Since the Management's Discussion and Analysis (MD&A) is designed to focus on the current year's activities, resulting changes and currently known facts, please read it in conjunction with the District's financial statements (beginning on page 13). All amounts unless otherwise indicated, are expressed in thousands of dollars.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the District's basic financial statements. The District's basic financial statements have three components: 1) government-wide financial statements, 2) fund financial statements and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-wide Financial Statements

The government-wide financial statements are designed to provide the reader with a broad overview of the District's finances in a manner similar to the corporate private sector. Governmental and business-type activities are consolidated into columns which add to a total for the Primary Government.

The Statement of Net Assets presents information on all of the District's assets and liabilities, with the difference between the two reported as net assets. The statement combines governmental fund's current financial resources (short-term spendable resources) with capital assets and long-term obligations. Over time, increases and decreases in net assets may serve as a useful indicator of whether the financial position of the District is improving or deteriorating.

The Statement of Activities presents information showing how the District's net assets changed during the most recent fiscal year. All changes in net assets are reported when the underlying obligation/event giving rise to the change occurs, regardless of the timing of the related cash flows. This statement is intended to summarize and simplify the user's analysis of the cost of various governmental services and/or subsidy to various business-type activities and/or component units.

The government-wide financial statements include not only the District but its component units as well. The Hillsborough School Board Leasing Corporation, although legally separate, functions for all practical purposes, as a department of the District, and therefore has been included as an integral part of the primary government. The Hillsborough County Education Foundation and several separate charter schools for which the District is financially accountable are included as discretely presented component units.

The government-wide financial statement can be found on pages 13 - 15 of this report.

Fund Financial Statements

Traditional users of governmental financial statements will find the Fund Financial Statements presentation more familiar. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The District uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. Funds are established for various purposes and the Fund Financial Statements allows for the demonstration of sources and uses and/or budgetary compliance associated therewith (beginning on page 16). All funds of the District can be divided into three major categories: governmental funds, proprietary funds, and fiduciary funds.

Governmental Funds

Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, the governmental funds focus on the sources and uses of liquid resources and balances of spendable resources available at the end of the fiscal year.

This is the manner in which the financial plan (the budget) is typically developed. The flow and availability of liquid resources is a clear and appropriate focus of any analysis of a government. Because the focus is narrower than that of government-wide financial statements, it is useful to compare it to the information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term financial decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

Reconciliation between the government-wide and the governmental fund financial information is necessary because of the different measurement focus (current financial resources versus total economic resources); such reconciliation is reflected on the page following each statement (see pages 19 and 25). The flow of current financial resources reflects bond proceeds and interfund transfers as other financing sources as well as capital expenditures and bond principal payments as expenditures. The reconciliation eliminates these transactions and incorporates the capital assets and long-term obligations (bonds and others) into the governmental activities column in the government-wide statements.

The District maintains eleven individual governmental funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for the General Fund, Contracted Services Fund, Other Debt Service Fund, Local Capital Improvement Fund and Other Capital Projects Fund that are considered to be major funds. Data from the other six governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these non-major governmental funds is provided in the form of combining statements elsewhere in this report.

The District adopts an annual appropriated budget for all of its governmental funds.

MANAGEMENT'S DISCUSSION AND ANALYSIS
For the Fiscal Year Ended June 30, 2011

Proprietary Funds

The District maintains an internal service fund as its only proprietary fund. Internal service funds are an accounting device used to accumulate and allocate costs internally among the District's various functions. The District uses internal service funds to account for its group health, workers compensation, and liability self-insurance activities.

The basic proprietary fund statements can be found on pages 30 – 32.

Fiduciary Funds

The District is the trustee, or fiduciary, for its employee pension plans. It is also responsible for other assets that, because of a trust agreement, can be used only for the trust beneficiaries. The District is responsible for ensuring that the assets reported in those funds are used for their intended purposes. All of the District's fiduciary activities are reported in a separate statement of fiduciary net assets and a statement of changes in fiduciary net assets. The District excludes those activities from the government-wide financial statements because the District cannot use these assets to finance its operations.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found on page 35 – 68 of this report.

Government-wide Financial Analysis

As noted earlier, net assets may serve over time as a useful indicator of an entity's financial position. In the case of the District, assets exceeded liabilities by \$1,870,917 at the end of the current fiscal year.

THE SCHOOL DISTRICT OF HILLSBOROUGH COUNTY, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
For the Fiscal Year Ended June 30, 2011

By far the largest portion of the District's net assets (69 percent) reflects its investment in capital assets (e.g. land, buildings, machinery, and equipment), less any related debt used to acquire those assets that is still outstanding. The District uses capital assets to provide services to citizens; consequently, those assets are not available for future spending. Although the District's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since capital assets themselves cannot be used to liquidate these liabilities.

An additional portion of the District assets represents resources that are subject to external restrictions on how they may be used. The remaining balance of unrestricted net assets is \$262,804. Unrestricted net assets may be used to meet the District's ongoing obligations to citizens and creditors.

The District's net assets increased by \$21,157 during the current year and the unrestricted net assets increased by 79.46%. This increase was primarily due to revenues outpacing expenses.

Net assets end of year	\$ 1,870,917	\$ 1,849,760

Property taxes decreased by \$71,540. This is due to the further decrease in the assessed value of property in Hillsborough County.

Capital grants and contributions increased \$5,558 due to the increase in the Public Education Capital Outlay program.

The increase in unrestricted grants and contributions revenue of \$122,423 is a result of an increase in the Florida Education Finance Program (FEFP) and the addition of the Educators Jobs Bill revenue as part of the American Recovery and Reinvestment Act (ARRA) stimulus grants.

For the most part the increase in expenses is due to mandates of the State's voter approved Class Size Reduction Program and Board approved salary increases.

Financial Analysis of the District's Funds

As noted earlier, the District uses fund accounting to ensure and demonstrate compliance with finance related requirements.

Governmental Funds

The focus of the District's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the District's financing requirements. In particular, unreserved fund balance may serve as a useful measure of the District's net resources available for spending at the end of the fiscal year.

As of the end of the current fiscal year, the District's governmental funds reported combined ending fund balances of \$751,169, an increase of \$43,920.

The General Fund is the chief operating fund of the District. At the end of the current fiscal year, unassigned fund balance of the General Fund was \$95,100, while the total fund balance was \$361,061. The fund balance of the District's General Fund increased by \$17,891 during the current fiscal year. As a measure of the General Fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total fund expenditures. Unassigned fund balance represents seven percent of total general fund expenditures, while total fund balance represents twenty six percent of that same amount. The fund balance increase in the current year was due to controlling expenditures within available revenues. Revenue and transfers in totaling \$1,399,742 increased \$26,730 while expenditures and transfers out totaling \$1,381,851 increased \$11,568.

The Contracted Services Fund had an increase in revenue due to the addition of \$53,913 for the Education Jobs Bill of the American Recovery and Reinvestment Act stimulus grants.

The Other Debt Service Fund shows nearly the same fund balance as the prior year because the debt service payments are approximately equal over the years.

The Local Capital Improvement Fund's ending fund balance of \$166,239 remained almost unchanged from the prior year. Although taxes for capital outlay were \$72,112 less this year, expenditures were lower due to the reduction of the District's overall capital outlay program.

Other Capital Projects Fund now includes the Certificates of Participation funds, reported as a major fund in the prior year. Overall there was an increase of \$19,597 in fund balance from \$ 83,468 to \$103,065. The increase was due to the issuance of \$37,824 of Qualified School Construction Bonds (QSCB).

MANAGEMENT'S DISCUSSION AND ANALYSIS

General Fund Budgetary Highlights

During the fiscal year, the District revised its budget and brought amendments to the Board on a monthly basis. These amendments were needed to adjust to actual revenues and direct resources where needed. The original budget was prepared on a conservative basis for a few reasons. The State was predicting additional budget cuts and State revenue dollars were way under projections for fiscal year 2011. The Board approves the final amendment to the budget after year end.

Budgeted expenditures increased \$272.3 million from the original budget to the final amended budget. The increases were due in part to, hiring new teachers and support personnel for the State and voter approved mandate to meet class size reduction and Board approved salary raises. Additionally the District worked towards meeting the need of teachers and school administrators in the low performing schools. Also a factor to the increase is the increased cost of health insurance.

Actual expenditures were \$274.5 million below the final amended expenditure budget. Unexpended appropriations of \$274.5 million were composed of the following: (1) \$25.1 million in restricted programs, (2) \$236.1 million in other earmarked assigned funds (3) \$13.3 million in other unexpended budget items. The \$13.3 million reflects only 1.0% of the final budget. In the normal course of business, some of the budget is left unspent, primarily due to temporarily unfilled positions.

Capital Assets and Debt Administration

Capital Assets

The District's investment in capital assets for its governmental activities as of June 30, 2011, amounts to \$2,406,733 (net of accumulated depreciation). This investment in capital assets includes land, and improvements, improvements other than buildings, buildings and systems, and fixed equipment, furniture, fixtures and equipment, motor vehicles, and computer equipment.

	Governmental Activities 2011	Governmental Activities 2010
Land	\$ 154,735	\$ 154,192
Land improvements	85,377	79,794
Construction in progress	19,849	68,265
Improvements other than buildings	87,649	89,181
Buildings and systems	1,985,129	1,953,694
Furniture, fixtures and equipment	46,665	45,892

Audio visual materials	-	8
Computer software	2,842	2,899
Total capital assets	\$ 2,406,733	\$ 2,423,463

This year's additions of \$82,530 included several renovation projects. The total of capital assets decreased due to the fact that deletions and depreciation charges were higher than additions.

See note 5 to the financial statements for more information on the District's capital assets.

Long Term Debt

At the end of the current fiscal year the District had total borrowed and bonded debt outstanding of \$1,206,832, which is net of unamortized bond premiums and unamortized loss on bond refunding of (\$3,561).

Bonds payable	280,861	290,837
Certificates of participation	925,971	912,061
Total long term debt	\$ 1,206,832	\$ 1,202,898

The District's total borrowed and bonded debt increased by \$3,934 (net of repayment of principal on outstanding debt) during the current fiscal year. The slight increase was due to the issuance of the Series 2010 QSCB for \$37,935 and the State's issuance of the Series 2010A SBE bonds for \$4,205.

The District has been given the following bond ratings:

**RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES
AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS TO THE
STATEMENT OF ACTIVITIES
FOR THE FISCAL YEAR ENDED JUNE 30, 2011
(amounts expressed in thousands)**

Net Change in Fund Balances - Total Governmental Funds	\$	43,920
Amounts reported for governmental activities in the statement of activities are different because:		
Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives as depreciation expense. This is the amount by which capital outlays (\$82,530) were less than depreciation expense (\$35,911) during the current period.		(13,414)
The statement of activities reflects only the gain/loss on the sale of assets, whereas the governmental funds include all proceeds from these sales. Thus, the change in net assets differs by the cost of assets sold.		(3,063)
Revenues reported in the statement of activities that do not provide current financial resources are not reported as revenues in the funds.		1,337
Bond proceeds provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the statement of net assets. Repayment of bond principal are expenditures in the governmental funds, but the repayment reduces long-term liabilities in the statement of net assets. This is the amount by which payments of bond principal (\$38,206) and payments to refunding agent (\$1,130) was less than proceeds (\$42,110) in the current year.		(2,801)
Governmental funds report costs associated with certain bond transactions as resources or uses. However, in the statement of activities these transactions are reported over the life of the debt as expenses (\$112 issuance cost and \$452 bond premium).		(410)
Expenses in the statement of activities that do not require the use of current financial resources are not reported in the governmental funds:		
Postemployment health care benefits		(10,548)
Interest expense (including arbitrage rebate)		216
Compensated absences		3,035
Amortization of bond discount, premium and issuance costs		(612)
Amortization of investment derivative		871
Internal service funds are used by management to charge the cost of certain activities, such as insurance, to individual funds. The net revenue of internal service funds is reported with governmental activities.		2,916
Change in Net Assets of Governmental Activities	\$	21,157

NOTES TO THE FINANCIAL STATEMENTS

1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A Reporting Entity

The School District of Hillsborough County, Florida (District) has direct responsibility for the operation, control, and supervision of the District schools and is considered a primary government for financial reporting purposes. The District is a part of the Florida system of public education. The governing body of the school district is the Hillsborough County District School Board (Board) that is composed of seven (7) elected members. The appointed Superintendent of Schools is the executive officer of the Board. Geographic boundaries of the District correspond with those of Hillsborough County.

The accompanying financial statements present the activities of the Board and its component units. Criteria for determining if other entities are potential component units, which should be reported within the Board's financial statements, are identified and described in Governmental Accounting Standards Board (GASB) Statement No. 14, The Financial Reporting Entity as amended by Statement No. 39, Determining Whether Certain Organizations Are Component Units. The application of these criteria provide for identification of any entities for which the Board is financially accountable and other organizations for which the nature and significance of their relationship with the School Board are such that exclusion would cause the District's financial statements to be misleading or incomplete.

Based on the application of these criteria, the following component units are included within the District School Board's reporting entity:

Blended Component Unit

The Hillsborough School Board Leasing Corporation (Corporation) was formed to facilitate financing for the acquisition of facilities and equipment as further discussed in note 7. Due to the substantive economic relationship between the Hillsborough County District School Board and the Corporation, the financial activities of the Corporation are included in the accompanying financial statements of the School Board in the Other Capital Projects Fund. Separate financial statements of the Corporation are not published.

Discretely Presented Component Units

The component unit's column in the government wide financial statements include the financial data of the District's other component units for the fiscal year ended June 30, 2011. These component units consist of the Hillsborough Education Foundation, Inc. (the Foundation) and the District's Charter Schools. Both the Foundation and the Charter Schools are reported in a separate column to emphasize that they are legally separate from the District School Board. While the District's officials are not financially accountable for the Foundation or the Charter Schools, it would be misleading to exclude them from the District's financial statements. None of the individual component units are considered to be major.

The Hillsborough Education Foundation, Inc. is a separate not-for-profit corporation organized and operated as a direct-support organization under Section 1001.453, Florida Statutes, to receive, hold, invest, and administer property and to make expenditures to, or for the benefit of, the District.

The Charter Schools are separate not-for-profit corporations organized under Section 1002.33, Florida Statutes to operate as public (as opposed to private) schools and are held responsible for prudent use of the public funds they receive. Each Charter School is a separate component unit that operates under a charter approved by their sponsor, the School Board. There are twenty-nine (29) Charter Schools operating in the School District of Hillsborough County that meet the criteria for presentation as a discretely presented component unit.

The individual Charter Schools are listed below. Further, complete audited financial statements of the individual component units can be obtained from their administrative offices. These schools include:

B. Basis of Presentation

The basic financial statements include the government-wide financial statements and fund financial statements.

Government-wide Financial Statements - Government-wide financial statements include a Statement of Net Assets and a Statement of Activities that display information about the primary government (District School Board) and its component units. These financial statements include the financial activities of the overall government, except for fiduciary activities. Eliminations have been made to minimize the double counting of internal service fund activities. The effect of interfund activities has not been eliminated in the Statement of Activities.

The Statement of Activities reports expenses and revenues in a format that focuses on the cost of each of the District School Board's functions. The expense of individual functions is compared to the revenues generated by the function (for instance, through user charges or intergovernmental grants). Direct expenses are those that are specifically associated with a program or function and, therefore, are clearly identifiable to a particular function.

Program revenues include: (a) fees, fines, and charges paid by the recipients of goods or services offered by the programs and (b) grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Revenues that are not classified as program revenues, including all taxes, are presented as general revenues.

Proprietary funds distinguish operating revenues and expenses from non operating items. Operating revenues and expenses generally result from providing services in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the District's internal service funds are charges to other funds and to employees for workers compensation and insurance. Operating expenses for the internal service funds include the cost of services and administrative costs. All revenues and expenses not meeting this definition are reported as non operating revenues and expenses.

NOTES TO THE FINANCIAL STATEMENTS

B. Basis of Presentation (continued)

Fund Financial Statements - The fund financial statements provide information about the District School Board's funds, including its fiduciary funds and blended component units. Separate statements for each fund category - governmental and fiduciary - are presented. The emphasis of fund financial statements is on major governmental funds, each displayed in a separate column. All remaining governmental funds are aggregated and reported as non-major funds. Because the focus of the governmental fund financial statements differs from the focus of the government-wide financial statements, a reconciliation is presented with each of the governmental fund financial statements.

Proprietary fund operating revenues, such as charges for services, result from exchange transactions associated with the principal activity of the fund. Exchange transactions are those in which each party receives and gives up essentially equal values. Non-operating revenues, such as investment earnings, result from non-exchange transactions or ancillary activities.

The District reports the following major governmental funds:

General Fund - to account for all financial resources not required to be accounted for in another fund and for certain revenues from the State that are legally restricted to be expended for specific current operating purposes.

Contracted Services - to account for financial resources of certain federal grant program resources, including the resources from the American Recovery and Reinvestment Act.

Other Debt Service - Accounts for and reports on the payments of principal and interest for outstanding bonds and Certificates of Participation.

Local Capital Improvement - Accounts for and reports on the revenues generated from the local capital outlay property taxes.

Other Capital Projects Fund - Accounts for and reports on other miscellaneous funds from various sources including Certificates of Participation.

Additionally, the District reports the following fund types:

Internal Service Funds - to account for the District's workers' compensation, general and automobile liability self-insurance programs and the employee health insurance program.

Pension Trust Fund - to account for resources used to finance the early retirement program.

Agency Funds - to account for resources held by the District as custodian for others primarily for the benefit of various schools and their activity funds.

C. Measurement Focus and Basis of Accounting

The accounting and financial reporting treatment is determined by the measurement focus and basis of accounting. Measurement focus indicates the type of resources being measured such as current financial resources (current assets less current liabilities) or economic resources (all assets and liabilities). The basis of accounting indicates the timing of transactions or events for recognition in the financial statements.

Government-Wide Statements - The government-wide statements are presented using the economic resources measurement focus. The government-wide financial statements are reported using the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of when the related cash flows have taken place. Non-exchange transactions, in which the District gives (or receives) value without directly receiving (or giving) equal value in exchange, include property taxes, grants, entitlements, and donations. On an accrual basis, revenue from property taxes is recognized in the fiscal year for which the taxes are levied. Revenue from grants, entitlements, and donations is recognized in the fiscal year in which all eligibility requirements have been satisfied.

Governmental fund Financial Statements - Governmental funds are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues are recognized when measurable and available. The District considers all revenues, other than grant funds, reported in the governmental funds to be available if the revenues are collected within sixty days after year end. Grant funds are considered available if collection is expected in the upcoming fiscal year. Property taxes, sales taxes, and interest are considered to be susceptible to accrual. Expenditures are recorded when the related fund liability is incurred, except for principal and interest on general long term debt, claims and judgments, and compensated absences, which are recognized as expenditures to the extent they have matured.

General capital asset acquisitions are reported as expenditures in governmental funds. Proceeds of general long term debt and acquisitions under capital leases are reported as other financing sources.

Under the terms of grant agreements, the District funds certain programs by a combination of specific cost reimbursement grants, categorical block grants, and general revenues. Thus, when program expenses are incurred, there are both restricted and unrestricted net assets available to finance the program. It is the District's policy to first apply cost reimbursement grant resources to such programs, followed by categorical block grants, and then by general revenues.

D. Cash

Cash consists of petty cash funds and deposits held by banks qualified as public depositories under Florida law. All deposits are fully insured by Federal depository insurance and a multiple financial institution collateral pool required by Chapter 280 Florida Statutes. The statement of cash flows for the Proprietary Funds considers cash as those accounts used as demand deposit accounts.

SCHOOL DISTRICT OF HILLSBOROUGH COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
June 30, 2011

E. Investments

Investments of the general government consist of amounts placed with the State Board of Administration for participation in the State investment pool, those made by the State Board of Administration from the District's bond proceeds held and administered by the State Board of Education, and those made locally.

District monies placed with the State Board of Administration for participation in the State investment pool represent an interest in the pool rather than ownership of specific securities. The District does not own specific investments but an interest in the pool. Such investments are stated at fair value. Investments of the early retirement program are reported at fair value.

Types and amounts of investments held at year end are further described in note 3 on investments.

F. Inventory

Inventories consist of expendable supplies and equipment held for consumption in the course of District operations. Inventories at the central warehouse, maintenance, textbook depository and the bus garage are stated at cost based on a moving average. Food service inventories are stated at cost based on the first-in, first-out basis, except that United States Department of Agriculture surplus commodities are stated at their fair value as determined at the time of donation to the District's food service program by the Florida Department of Health and Rehabilitative Services, Food Distribution Center. All other inventories are stated at cost on the last, invoice price method, which approximates the first-in, first-out basis. The cost of inventories is recorded as expenditures when used rather than purchased.

G. Capital Assets

Expenditures for capital assets acquired or constructed for general District purposes are reported in the governmental fund that financed the acquisition or construction. The capital assets so acquired are recorded at cost in the government-wide statement of net assets but are not reported in the governmental fund financial statements. Capital assets purchased after July 1, 2004 are defined as those costing more than \$1,000 and having a useful life of more than one year, those purchased before July 1, 2004 are defined as those costing more than \$750 and having a useful life of more than one year. Donated assets are recorded at fair value at the date of donation. The cost of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized.

Interest costs incurred during construction are not capitalized as part of the cost of construction.

Capital assets are depreciated using the straight-line method over the following estimated useful lives:

<u>Asset Class Description</u>	<u>Estimated Useful Lives</u>
Buildings	15-50 years
Improvements other than buildings	10-25 years
Building improvements	10-20 years
Furniture, Fixtures and Equipment	3-20 years
Motor Vehicles	5-10 years
Audio Visual Materials and Computer Software	3-5 years

H Long-term Liabilities

Long-term obligations that will be financed from resources to be received in the future by governmental funds are reported in the government-wide statement of net assets. Bond premiums, discounts and losses on refunding issuances, as well as issuance costs, are deferred and amortized over the life of the bonds using the straight line method which approximates the effective interest method. Bonds payable are reported net of the applicable bond premium or discount and losses on refunding issuances. Bond issuance costs are reported as deferred charges and are amortized over the term of the related debt.

In governmental fund financial statements, bonds and other long-term obligations are not recognized as liabilities until due. Governmental fund types recognize bond premiums, discounts and losses on refunding issuances as well as bond issuance costs, during the current period. The face amount of debt issued, as well as any related premium is reported as an other financing source while discounts on debt issuances and losses on refunding issuances are reported as an other financing use. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

The liability for compensated absences reported in the government-wide financial statements consists of unpaid, accumulated annual vacation and sick leave balances. The liability has been calculated using the vesting method, in which leave amounts for both employees who currently are eligible to receive termination payments and other employees who are expected to become eligible in the future to receive such payments upon termination are included.

Changes in long-term debt for the current year are reported in note 12.

I. State Revenue Sources

Revenues from State sources for current operations are primarily from the Florida Education Finance Program (FEFP) administered by the Florida Department of Education (Department) under the provisions of Section 1011.62, Florida Statutes. In accordance with this law, the Board determines and reports the number of full time equivalent (FTE) students and related data to the Department. The Department performs certain edit checks on the reported number of FTE and related data and calculates the allocation of funds to the District. The District is permitted to amend its original reporting for a period of nine (9) months following the date of original reporting. Such amendments may impact funding allocations for subsequent years. The Department may also adjust subsequent fiscal period allocations based upon an audit of the District's compliance in determining and reporting FTE and related data. Normally, such adjustments are treated as reductions of or additions to revenues in the year when the adjustments are made.

The District receives revenue from the State to administer certain categorical educational programs. State Board of Education rules require that revenue earmarked for these programs be expended only for the program for which the money is provided. The money not expended or encumbered as of the close of the fiscal year is usually carried forward into the following year to be expended for the same programs. The Department requires that categorical educational program revenues be accounted for in the General Fund. A portion of the fund balance of the General Fund is restricted for the balance of categorical educational program resources.

J Property Taxes

The Board is authorized by State law to levy property taxes for district school operations, capital improvements, and debt service.

Property taxes consist of ad valorem taxes on real and personal property within the District. Property taxes are assessed by the Hillsborough County Property Appraiser and are collected by the Hillsborough County Tax Collector.

The School Board adopted the 2010 tax levy for the 2011 fiscal year on September 7, 2010. Tax bills are mailed in October, and taxes are payable between November 1 of the year assessed and March 31 of the following year with discounts of up to four percent for early payment.

Taxes become delinquent on April 1 of the year following the assessment. State law provides for enforcement of collection of personal property taxes by seizure of the property to satisfy unpaid taxes and for enforcement of collection of real property taxes by the sale of interest-bearing tax certificates to satisfy unpaid taxes. These procedures result in the collection of essentially all taxes prior to June 30 of the year following the assessment.

Property tax revenues are recognized in the government-wide financial statements in the fiscal year for which the Board adopts the tax levy. Property tax revenues are recognized in the governmental fund financial statements when the taxes are received by the District, except that revenue is accrued for taxes collected by the Hillsborough County Tax Collector at fiscal year end which have not yet been remitted to the District. Because any delinquent taxes collected after June 30 would not be material, delinquent taxes receivable are not accrued.

Milages and taxes levied for the current year are presented in note 17.

K. Federal Revenue Sources

The District receives Federal financial assistance for the enhancement of various educational programs. This assistance is generally received based on applications submitted to and approved by various granting agencies. For Federal financial assistance in which a claim to those grant proceeds is based on incurring eligible expenditures, revenue is recognized to the extent that eligible expenditures have been incurred.

L. Deferred Outflows

In the government-wide financial statements the District records deferred outflows which represent the consumption of net assets by the District that is applicable to a future reporting period. At June 30, 2011 deferred outflows represent activity associated with various swap agreements, as discussed in note 8.

M. Use of Estimates

The preparation of the financial statements requires management of the District to make a number of assumptions relating to the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Actual results could differ from those estimates.

2. BUDGET COMPLIANCE AND ACCOUNTABILITY

A. Budgetary Information

The School Board follows the procedures established by State statutes and State Board of Education rules in establishing final budget balances reported in the financial statements:

1. Budgets are prepared, public hearings are held, and original budgets are adopted annually for all governmental fund types in accordance with procedures and time intervals prescribed by law and State Board of Education rules. Original budgets are submitted to the State Commissioner of Education for approval.
2. The budget is prepared by fund, function, object and department. Management may make transfers of appropriations between departments and object. The functional level is the legal level of budgetary control and may only be amended by resolution of the Board at any Board meeting prior to the due date for the Superintendent's Annual Financial Report (State Report). Budgetary disclosure in the accompanying financial statements reflects the original and final budget including all amendments approved for the fiscal year through September 6, 2011.
3. Budgets are prepared using the modified accrual basis as is used to account for actual transactions in the governmental funds.
4. Budgetary information is integrated into the accounting system and, to facilitate budget control, budget balances are encumbered when purchase orders are issued. Appropriations lapse at year-end and encumbrances outstanding are honored from the subsequent year's appropriations.

All budget amounts presented in the basic statements and the accompanying supplementary information reflect the original budget and the final amended budget (which has been adjusted for legally authorized revisions of the annual budget during the year).

At the governmental fund level, outstanding encumbrances are re-appropriated in the subsequent year. Encumbrances outstanding at year-end do not represent GAAP expenditures or liabilities but represent budgetary accounting controls.

3. CASH AND INVESTMENTS

At June 30, 2011, the District's deposits were entirely covered by federal depository insurance or by collateral pledged with the State Treasurer pursuant to Chapter 280, Florida Statutes. Under this Chapter, in the event of default by a participating financial institution (a qualified public depository), all participating institutions are obligated to reimburse the governmental entity for the loss.

As of June 30, 2011, the District had the following investments and maturities (amounts in thousands):

Fiduciary funds	
Pension trust	15,406

Total Primary Government	<u>\$ 728,063</u>

Interest Rate Risk

The District has a formal investment policy that the investment objectives are safety of capital, liquidity of funds, and investment income, in that order. The performance measurement objective shall be to exceed the State Board of Administration's Local Government Surplus Funds Trust Fund's yield. The policy limits the type of investments and the length of investments of idle funds. The weighted average duration of the investment portfolio shall not exceed five years.

The District has \$2,563,868 in obligations of United States Agencies that include embedded options consisting of the option at the discretion of the issuer to call their obligation or pay a stated increase in the interest rate. These securities have various call dates and mature February 2012.

3. CASH AND INVESTMENTS (continued)

Credit Risk

Section 218.415(1) Florida Statutes, limits the types of investments that the District can use. The District policy authorizes the following investments:

- (a) The State Board of Administration (SBA) Investment Pool, or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperation Act as provided by F.S. 163.01
- (b) Securities and Exchange Commission registered money market funds with the highest credit quality rating from a nationally recognized rating agency.
- (c) Interest-bearing time deposits or savings accounts in qualified public depositories, as defined in Section 280.02(26), Florida Statutes.
- (d) Direct obligations of the U.S. Treasury.
- (e) Obligations of Federal agencies, government sponsored enterprises, and instrumentalities.
- (f) Securities of, or other interest in, any open-end or closed-end management type investment company or trust registered under the Investment Company Act of 1940, 15 U.S.C. 80a-1.
- (g) Short-term obligations commonly referred to as "money market instruments" including but not limited to commercial paper, provided such obligations carry the highest credit rating from a nationally recognized rating agency.
- (h) Asset-backed securities when either a) the underlying asset is guaranteed by the issuer or b) the security carries the highest quality rating by a nationally recognized rating agency.

The District's investments in the SBA consist of the Local Government Surplus Funds Trust Fund (LGIP) and Fund B Surplus Funds Trust Funds (Fund B).

The LGIP is an external investment pool that is not registered with the Securities Exchange Commission (SEC), but does operate in a manner consistent with the SEC's Rule 2a7 of the Investment Company Act of 1940. Rule 2a7 allows funds to use amortized cost to maintain a constant net asset value (NAV) of \$1.00 per share. Accordingly, the District's investment in the LGIP is reported at the account balance which is considered fair value. The LGIP is rated AAAm by Standard & Poor's.

The Fund B is accounted for as a fluctuating NAV pool. With a fluctuating NAV pool the fair value approximates market value. The SBA provides a fair value factor to use on the Fund B account balance to determine market value or fair value. As of June 30, 2011 the fair value factor was 78.965%. Fund B is not rated by a nationally recognized statistical rating agency. Currently participants are unable to withdraw funds from Fund B. Rather as cash becomes available in Fund B from interest receipts, maturities, or sales, it is distributed to participant accounts in the LGIP according to each participant's pro rata share of Fund B. All such distributions from Fund B to LGIP will be 100% available for withdrawal upon transfer.

3. CASH AND INVESTMENTS (continued)

Credit Risk (continued)

The District's investments in United States Agencies or treasuries for the Pension Trust Fund were rated either AAA by Standard and Poor's or Aaa by Moody's Investors Services. The others were rated either AA+/A-1 by Standard and Poor's or Aaa/P-1 by Moody's Investors Services.

The District's investments in Certificates of Deposits were in qualified public depositories. The Wells Fargo Treasury Plus Money Market is rated AAAm by Standard & Poor's and Aaa by Moody's Investor Services.

Investments in the State Board of Administration Debt Service Account totaling \$1,412,263 are to provide for debt service payments on bonded debt issued by the State Board of Administration for the benefit of the District. These investments consist of United States Treasury securities, with maturity dates of six months or less and are reported at fair value. The District has no formal policy for managing interest rate risk or credit risk for this account, but relies on policies developed by the State Board of Administration.

Custodial Credit Risk

The District's investment policy requires that securities purchased or otherwise acquired by the District shall be properly designated as an asset of the District. Also, Florida Statute, Section 218.415(18) requires every security purchased under this section on behalf of the District to be properly earmarked and:

1. If registered with the issuer or its agents, must be immediately placed for safekeeping in a location that protects the District's interest in the security.
2. If in book entry form, must be held for the credit of the District by a depository chartered by the Federal Government, the state, or any other state or territory of the United States which has a branch or principal place of business in Florida as defined in Section 658.12, or by a national association organized and existing under the laws of the United States which is authorized to accept and execute trusts and which is doing business in Florida, and must be kept by the depository in an account separate and apart from the assets of the financial institution, or
3. If physically issued to the holder but not registered with the issuer or its agents, must be immediately placed for safekeeping in a secured vault.

Of The District's investments, \$8,999,034 of U.S. Treasuries and \$9,186,831 of U.S. Agencies and \$80,971 in the Wells Fargo Treasury Plus Money Market are not registered in the name of the District, but are held by the counterparty's trust department or agent and are not insured.

Pursuant to the provisions of Section 1011.13, Florida Statutes, on June 11, 2011 the Board authorized the Superintendent to establish a Line of Credit Tax Anticipation Note for fiscal year 2012, in the amount of \$80,000,000 with Wells Fargo Bank of Florida. The outstanding principal amount of the Note shall bear interest at three month London Interbank Offered Rate (LIBOR) plus 50 basis points adjusted monthly. This line-of-credit allows the Board to borrow funds if established revenues (cash) are lagging behind expenditures such as weekly payrolls and weekly vendor payments. The Note is secured by a pledge of anticipated ad valorem tax proceeds. This Note would be repaid in full in ninety days from the first draw. The Note shall not exceed \$80,000,000 at any time. For the year ended June 30, 2011, no funds had been borrowed or utilized under this line-of-credit, and therefore no amounts are outstanding at June 30, 2011.

7. OBLIGATIONS UNDER LEASE PURCHASE AGREEMENT - CERTIFICATES OF PARTICIPATION

The District entered into various financing arrangements each of which was characterized as a lease-purchase agreement, with the Hillsborough School Board Leasing Corporation (Corporation), whereby the District secured financing of various education facilities through the issuance of Certificates of Participation to be repaid from the proceeds of rents paid by the School District.

As a condition of the financing arrangement, the District has given ground leases on District property to the Hillsborough School Board Leasing Corporation, with a rental fee of \$10 per year. The properties covered by the ground leases are, together with the improvements constructed thereon from the financing proceeds, leased back to the District. If the District fails to renew the leases and to provide for the rent payments through to term, the District may be required to surrender the sites included under the Ground Lease Agreements to the Trustee for the benefit of the securers of the Certificates to the end of the ground lease term.

and 2001B facilities that the School Board has acquired, constructed and installed from the proceeds of the Series 1998B and 2001B. On May 23, 2008 the District remarketed the Series 2004C Certificates of Participation in order to change the auction interest rate to a daily adjustable rate. The Series 2008A Certificates of Participation were issued in order to provide the funds necessary to partially refund the Series 1998A Certificates of Participation and refinance the Series 1998A facilities that the School Board has acquired, constructed and installed from the proceeds of the Series 1998A. The Series 2010A Certificates of Participation were issued in order to provide the funds necessary to partially refund the Series 2001A Certificates of Participation and refinance the Series 2001A facilities that the School Board has acquired, constructed and installed from the proceeds of the Series 2001A. See Note 11.

Due to the economic substance of the issuances of the Certificates of Participation as a financing arrangement on behalf of the Board, the financial activities of the Corporation have been blended in with the financial statements of the District. For accounting purposes, due to the blending of the Corporation within the District's financial statements, basic lease payments are reflected as debt service expenditures when payable to Certificate holders. During the year ended June 30, 2011, \$14,910,780 was expended for capital outlay in the Certificates of Participation Funds as part of the Other Capital Projects Funds.

The lease payments for the Series 1998, Series 2001A, Series 2001B, Series 2002, Series 2003B, Series 2004A, Series 2004B, Series 2005A, Series 2005A, Series 2006B, Series 2007, and Series 2010A Certificates are payable by the District, semi-annually, on July 1 and January 1 at interest rates of 3.6 to 5.5 percent, 3.00 to 5.00 percent, 3.00 to 5.25 percent, 2.00 to 4.625 percent, 5.00 percent, 5.25 percent, 2.00 percent to 5.09 percent, 2 3/5 to 5.0 percent, 3.50 to 5.00 percent, 3.50 to 5.00 percent, 3.75 to 5.00 percent and 3.00 to 5.00 percent, respectively. The lease payments for the Series 2004C and the Series 2008A Certificates are payable by the District semi-annually on July 1 and January 1. The interest is paid monthly based on a daily rate set by the remarketing agent that is expected to approximate the Securities Industry and Financial Markets Association's (SIFMA) Municipal Swap index over the life of the Bonds. The lease payments for the Series 2000-QZAB, 2001-QZAB, 2004-QZAB, 2005-QZAB and 2010-QSCB Certificates are due April 10, 2012, November 1, 2015, June 3, 2020, December 20, 2020 and December 1, 2028 respectively. There is no interest to be paid on the QZABs or QSCB, as the certificate holders receive Federal Tax Credits in lieu of interest payments. The District is required to reserve a portion of the lease payments each year. The following is a schedule by years of future minimum lease payments under the lease agreements as of June 30 (amounts in thousands).

8. INTEREST RATE SWAPS

Item	Type	Objective	Notional Amount	Effective Date	Maturity Date	Fair Value	Cash Flow
A	Pay fixed interest rate swap	Hedge in changes in cash flows on Series 2004C COPS	\$29,750,000	12/7/04	12/7/14	\$2,697,944	\$(1,054,283)
The terms of this pay fixed interest rate swap provide for paying a fixed rate of 3.736% and receiving a variable rate of the bond market association municipal swap index (BMA index).							
B	Pay fixed interest rate swap	Hedge in changes in cash flows on Series 2008A COPS	\$109,830,000	7/1/08	7/1/23	\$25,001,047	\$(5,163,977)

As it relates to derivative B the District entered into a swaption contract on February 19, 2003 that provided the District an up front payment of \$5,006,500. This payment was reduced by \$1,800,000 at which time the swaption was amended on April 19, 2005 to reduce the original notional amount from \$177,195,000 to \$109,830,000. The swaption was exercised on July 1, 2008 commencing a pay-fixed, interest rate swap that provided for payment of a fixed rate of 4.97% and receiving a variable rate of municipal swap index (defined as the bond market association municipal swap index). Prior to the exercise date, the swaption was considered an investment derivative instrument. Accordingly, the negative fair value at the exercise date in the amount of \$13,102,591 is being amortized as an increase to the deferred outflow balance and a decrease to interest expense over the remaining life of the swap agreement. Such amortization amounted to \$873,506 for the year ended June 30, 2011.

The fair values of the interest rate swaps are estimated using the zero coupon method. This method calculates the future net settlement payments required by the swap, assuming the current forward rates implied by the yield curve correctly anticipate future spot interest rates. These payments are then discounted using the spot rates implied by the current yield curve for hypothetical zero coupon bonds due on the date of each future net settlement on the swaps. The fair values of the derivative instrument were recorded as derivative instrument – liability in the Statement of Net Assets at June 30, 2011.

During the year ended June 30, 2011 the change in the fair value of the derivative instruments, which were recorded as increases to deferred outflows in the Statement of Net Assets, were as follows:

Derivative instrument A	\$ 137,558
Derivative instrument B	\$1,446,480

Risks

Credit risk – Both of the District's derivative instruments are held with different counterparties. The credit rating for the counterparty of Derivative A is A- by Standard and Poors and for the counterparty of Derivative B is AA- by Standard and Poors.

NOTES TO THE FINANCIAL STATEMENTS

8. INTEREST RATE SWAPS (continued)

Interest rate risk – The District is exposed to interest rate risk on its pay fixed, receive variable interest rate swaps. As the municipal swap index decreases, the District's net payment on the swap increases.

Termination risk – The District or the counterparties may terminate a derivative instrument if the other party fails to perform under the terms of the contract.

10. STATE BOARD OF EDUCATION BONDS

On October 14, 2010, the State Board of Education issued Series 2010A in the amount of \$3,235,000 in Capital Outlay Bonds on behalf of the District in order to finance the cost of acquiring, building, construction, remodeling, improving, enlarging, furnishing, maintaining, renovating or repairing of projects. The net proceeds were placed in a Capital Outlay Fund.

11. DEFEASED DEBT

On October 14, 2010, the State Board of Education issued Series 2010A SBE Refunding Bonds in the amount of \$970,000 at a premium, with an interest rate of 4.0% to 5.0% on behalf of the District. The proceeds were used to advance refund \$1,063,000 principal amount of the District's portion of the then outstanding, \$1,140,000 Series 2002A SBE Bonds. The net proceeds (after payment of \$9,252 in underwriter's fees and other issuance costs) were placed in a trust account to refund the Series 2002A bonds that mature on or after January 1, 2013 and are scheduled to be called on January 1, 2012.

The trust account is not considered to be risk-free in accordance with GASB statement 7. As a result, \$1,065,000 of the Series 2002A SBE Bonds are considered to be an economic defeasance and not a legal defeasance and the liability for those SBE Bonds have not been removed from the entity-wide statement of net assets. When the Series 2002A bonds are called on January 1, 2012 they will be removed.

As a result of the refunding, the School District reduced its total debt service requirements by \$7,583,155 which resulted in an economic gain (difference between the present value of debt service payment on the old and new debt) of \$5,555,004.

In prior years, the Board defeased in substance certain outstanding revenue bonds and Certificates of Participation by placing the proceeds of each of the new bond issues in irrevocable trusts to provide for all future debt service payments on the old bonds. Accordingly, the trust account's assets and the liability for the in substance defeased bonds are not included in the Board's financial statements. At June 30, 2011, \$430,000 of SBE Bonds Series 2000A, \$29,140,000 of SBE Bonds Series 1998A, \$3,375,000 of SBE Series 1999A, \$64,075,000 of Series 1994 Certificates of Participation, \$37,430,000 of Series 1995 Certificates of Participation, \$17,450,000 of Series 1998A Certificates of Participation, \$94,015,000 of Series 1999 Certificates of Participation, \$28,000,000 of the Series 1996 Certificates of Participation, \$45,130,000 of Series 2000 Certificates of Participation, \$54,885,000 of Series 2001B Certificates of Participation, \$109,475,000 of Series 1998A Certificates of Participation, \$99,035,000 of Series 2001A Certificates of Participation and \$126,160,000 of Series 2002 Sales Tax Revenue Bonds outstanding are considered defeased.

The estimated liability for long term claims are generally liquidated with resources of the Worker's Compensation and the General and Automobile liability programs Internal Service Funds.

13. FUND BALANCE REPORTING

Effective for fiscal year 2011 the District adopted the provisions of Governmental Accounting Standards Board Statement No. 54 (GASB 54). The intention of GASB 54 is to provide more structured classification of fund balance reporting. The reporting standard establishes a hierarchy for fund balance classifications and the constraints imposed on the uses of those resources.

GASB 54 provides for two major types of fund balances, which are nonspendable and spendable. Nonspendable fund balances are balances that cannot be spent because they are not expected to be converted to cash or are legally or contractually required to remain intact. Examples of this classification are prepaid items, inventories, and principal of an endowment fund. The District has inventories that are considered nonspendable. The District does not have any other nonspendable fund balances.

13. FUND BALANCE REPORTING (continued)

GASB 54 provides a hierarchy of spendable fund balances, based on spending constraints.
Restricted – fund balances that are constrained by external parties, constitutional provisions, or enabling legislation.
Committed – fund balance that contain self imposed constraints of the government from its highest level of decision making authority.
Assigned – fund balances that contain self imposed constraints of the government from District management to be used for a particular purpose.
Unassigned – fund balance of the general fund that is not constrained for a particular purpose.

The District has classified its fund balances based on the GASB 54 hierarchy as follows (amounts in thousands):

Nonspendable - The District has inventories totaling \$5,409 that are classified as nonspendable.

Spendable - The District has classified the spendable fund balances as restricted, assigned and unassigned. The District currently has no funds classified as committed.

Restricted for Federal, State and Local Programs, Food Services, Debt Service and Capital Projects

Federal Laws, Florida Statutes and local constraints require that certain revenues be specifically used for certain expenditures. These funds have been included in the restricted category of fund balances. The restricted fund balances total is \$414,605 and represent \$19,398 for Federal programs, \$18,131 for State programs, \$6,629 for local programs, \$95,450 for Debt Service and \$274,997 for Capital Projects.

Assigned for School Operations:

The District has set aside certain spendable fund balance for school operations in the amount of \$236,055

Unassigned:

The District has a policy that requires it to maintain a contingency fund balance in its operating fund of no less than 5 percent of the annual revenues. The district has \$95,100 in unassigned fund balance. At the end of the fiscal year the unassigned fund balance in the general fund is 6.85% of total general fund revenues

The District applies resources for expenditures to restricted, then assigned and then unassigned, when expenditures are incurred which could use any of the fund balance classifications

18. STATE RETIREMENT PROGRAMS

All regular employees of the District are covered by the Florida Retirement System, a State-administered cost-sharing multiple-employer public employee defined benefit retirement plan (Plan). Participating employers include all State departments, counties, district school boards, and community colleges. Many municipalities and special districts have elected to be participating employers. Employees who earn benefit credits while employed by one participating employer may transfer the credits to any other participating employer.

NOTES TO THE FINANCIAL STATEMENTS

18. STATE RETIREMENT PROGRAMS (continued)

Essentially all regular employees of participating employers are eligible and must enroll as members of the Plan. Benefits vest at specified numbers of years of service depending upon the employee's classification. Generally, members are eligible for normal retirement benefits at age 62 with 6 years of service or at any age after 30 years of service. For normal retirement, benefit payments are based on the member's highest 5 year average annual salary (average final compensation) times the number of years of service, multiplied by a percentage ranging from 1.60 percent at other 62 or with 30 years of service to 1.68 percent at age 65 or with 33 years of service. Members are eligible for early retirement after 6 years of service but before age 62; however, normal benefits are reduced by 5 percent for each year a member retires before age 62. As described in note 19, the District administers a single-employer retirement program that under certain conditions covers the difference in benefits between normal and early retirement.

The Plan provides retirement, disability, and death benefits and annual cost-of-living adjustments, as well as supplements for certain employees to cover social security benefits lost by virtue of retirement system membership.

A Deferred Retirement Option Program (DROP) was established effective July 1, 1998. It permits employees eligible for normal retirement under the Plan to defer receipt of monthly benefit payments while continuing employment with a Florida Retirement System employer. An employee may participate in the DROP for a period not to exceed 60 months after electing to participate. During the period of DROP participation, deferred monthly benefits are held in the Florida Retirement System Trust Fund and accrue interest.

The benefit provisions and all other requirements of the Plan are established by Florida Statutes.

The contribution rates for the Plan are established, and may be amended, by the State of Florida. As of June 30, 2011, the contribution rates were as follows:

Class or Plan	Percent of Gross Salary	
	Employee	Employer (A)
Florida Retirement System, Regular (RA)	0.00	10.77
Florida Retirement System, County Elected Officers (HO)	0.00	18.64
Florida Retirement System, Senior Management Service Class (HM)	0.00	14.57
Florida Retirement System, Special Risk (RS)	0.00	23.25
Teachers Retirement System, Part I (IT)	6.25	11.35
State and County Officers and Employees' Retirement System, Plan B (AF)	4.00	9.10
Florida Retirement System, Reemployed Retiree (RA)	0.00	10.77

Notes: (A) Employer rates include the post-retirement health insurance supplement, which was increased on July 1, 2001 to 1.11 percent.

The District's liability for participation in the Plan is limited to the payment of the required contribution at the rates and frequencies established by law on future payrolls of the District. The District's contributions to the Plan (including employee contributions) for the fiscal years ending June 30, 2009, June 30, 2010, and June 30, 2011, totaled \$98,481,287, \$96,594,088 and \$107,840,163 respectively, representing a percentage of covered payroll of 9.94% for fiscal year 2009, 10.01% for fiscal year 2010 and 10.88% for fiscal year 2011. These amounts are equal to the required contributions for each fiscal year.

19. EARLY RETIREMENT PROGRAM

a. Plan Description and Provisions

As authorized by Section 1012.985, Florida Statutes, the Board implemented an Early Retirement Plan (Plan), effective August 1, 1984. The Plan is a single-employer defined benefit plan. The purpose of the Plan is to provide eligible District employees, who elect to retire under the early retirement provisions of the Florida Retirement System, described in Note 18, with a monthly benefit equal to the statutory reduction of the normal retirement benefits when early retirement precedes the normal retirement age of 62. The School Board entered into an agreement with Wells Fargo Bank, N.A., designating this Bank as the Investment Manager and Custodian (Trustee) for the Plan assets. The Agreement also provides that monthly benefits be paid by the Trustee.

Based on an actuarial report as of June 30, 2011 employee membership data related to the Plan was as follows:

Retirees and beneficiaries currently receiving benefits 580

Active Plan Participants There are no longer any active plan participants.

A summary of Eligibility and Benefits follows:

Eligibility

A member of the Plan was eligible upon attainment of age 55 to 59, completion of 25 but not more than 28 years of creditable service, at least 5 consecutive and uninterrupted years of service immediately preceding early retirement, and having applied for retirement under The Florida Retirement System. The Board approved to eliminate new participants to the Early Retirement Program on June 30, 2008. Certain employees were eligible to enter the plan before July 1, 2010. As of July 1, 2010 the plan was closed to any new participants.

Benefits

The amount of the monthly benefit will be equal to the reduction imposed on the retirement benefit by the Florida Retirement System due to early retirement. The benefit amount will be based on the initial benefit amount determined by the Florida Retirement System prior to any cost of living adjustments and once established will remain unchanged, unless a specific increase is authorized by the Board.

b. Summary of Significant Accounting Policies

The Plan is accounted for as a pension trust fund, therefore it is accounted for in substantially the same manner as a proprietary fund with a "capital maintenance" measurement focus and the accrual basis of accounting. Employer contributions are recognized in the period in which contributions are due. Benefits and refunds are recognized when due and payable in accordance with terms of the Plan. Plan assets are valued at fair value for financial statement purposes.

Separate Statements are not issued for the Plan.

c. Contributions and Reserves

The District's Early Retirement Program was established by the Board on August 1, 1984. Pursuant to the Plan Agreement, no contribution shall be required or permitted from any member. Board contributions shall be sufficient to meet the annual pension cost of the Plan and to amortize the unfunded actuarial accrued liability within 30 years based on an actuarial study. There are no long-term contracts to the plan. Periodic employer contributions to the Plan are determined on an actuarial basis using the "Entry Age Actuarial Cost Method". Annual pension cost is funded on a current basis. Pursuant to Section 112.64, Florida Statutes, the unfunded actuarial accrued liability is funded over a 40-year period. Periodic contributions for both normal cost and the amortization of the unfunded actuarial liability are based on the level percentage of payroll method.

Significant actuarial assumptions used to compute annual required contributions are the same as those used to determine the actuarial accrued liability.

Total contributions to the Plan in fiscal years 2009, 2010 and 2011, amounted to \$1,801,801, \$2,450,808 and \$1,953,117 respectively. The actuarially determined contribution for fiscal years 2009, 2010 and 2011 were \$2,063,437, \$2,251,844 and \$1,317,182 respectively which were determined through actuarial valuations performed at July 1, 2008, July 1, 2009 and July 1, 2010 respectively. The total annual pension costs for fiscal years 2009, 2010 and 2011 were \$2,059,509, \$2,258,572 and \$1,317,817 respectively. The percentage of pension cost contributed for fiscal years 2009, 2010 and 2011 were 87.49%, 108.84% and 148.28% respectively.

As of July 1, 2010 the actuarial accrued liability for benefits was \$29,577,005 of which \$13,841,202 was unfunded. There is no longer a covered payroll due to the fact that the Plan is closed to any new participants effective July 1, 2010.

The schedule of funding progress, presented as required supplementary information following the notes to the financial statements, presents multiyear trend information that shows whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liabilities for benefits.

19 EARLY RETIREMENT PROGRAM (continued)

The computation of the annual required contributions for fiscal 2011 was based on the same (a) benefit provisions, (b) actuarial funding method, and (c) other significant factors as used to determine annual required contributions in the previous year except the projected salary increase is 0.

All of the assets in the District's Pension Trust Fund are maintained in legally required reserves. None of the assets have been designated by the Board for any other specific purpose. Costs of administering the Plan are financed through the Plan's resources (employer contributions and investment earnings).

d. Concentrations

The Plan's investments at June 30, 2011, consisted of the following:

	Balance June 30, 2011	Percentage of Plan Net Assets

20 POST EMPLOYMENT HEALTH CARE BENEFITS

a. Plan Description

The Postemployment Health Care Benefits Plan is a single-employer defined benefit plan administered by the District. Pursuant to the provisions of Section 112.0801, Florida Statutes, former employees who retire from the District and eligible dependents may continue to participate in the District's health and hospitalization plan for medical and prescription drug coverage. For fiscal year 2011 the District had 1,499 retirees and eligible dependents in the plan. The District subsidizes the premium rates paid by retirees by allowing them to participate in the plan at reduced or blended group (implicitly subsidized) premium rates for both active and retired employees. These rates provide an implicit subsidy for retirees because, on an actuarial basis, their current and future claims are expected to result in higher costs to the plan on average than those of active employees. Retirees are required to enroll in the Federal Medicare program for their primary coverage as soon as they are eligible. Separate financial statements are not issued.

b. Funding Policy

The District via the Board can establish and amend the funding requirements. The District has assigned \$29,081,907 fund balance in the general fund for a portion of the net Other Post Employment Benefits obligation (OPEB), but has not advanced-funded the OPEB costs or the net OPEB obligation. For the 2011 fiscal year, retirees and eligible dependents received postemployment health care benefits, which are funded by the District on a pay as you go basis. The District provided contributions of \$6,583,222 toward annual OPEB costs, comprised of benefit payments made on behalf of the retirees for claims expenses (net of reinsurance), administrative expenses, and reinsurance premiums and net of retiree contributions totaling \$10,569,350 which is about 1 percent of covered payroll.

c. Annual OPEB Cost and Net OPEB Obligation

The District's annual OPEB cost is calculated based on the annual required contribution (ARC), an amount actuarially determined in accordance with the parameters of Governmental Accounting Standards Board Statement No. 45, Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions. The ARC represents a level of funding that is paid on an ongoing basis, is projected to cover normal cost each year and amortize any unfunded actuarial liabilities over a period not to exceed 30 years. The following table shows the District's annual OPEB cost for the year, the amount actually contributed to the plan, and changes in the net OPEB obligation:

Descriptions	Amount
Normal Cost (service cost for one year)	\$ 10,772,141
Amortization of Unfunded Actuarial Liability	5,876,560
Interest on Normal Cost and Amortization	749,192
Annual Required Contribution (ARC)	17,397,893
Interest on Net OPEB Obligation (NOC)	1,308,686
Amortization of Net OPEB Obligation	(1,186,186)
Total Expense or Annual OPEB Cost (AOC)	17,520,393
Annual Contribution Toward OPEB Cost	(6,583,222)
Increase in Net OPEB Obligation	10,937,171
Net OPEB Obligation Beginning of Year	29,081,907
Net OPEB Obligation End of Year	\$40,019,078

The District's annual OPEB cost, the Percentage of annual OPEB cost contributed to the plan and the net OPEB obligation as of June 30, 2011 was as follows:

Fiscal Year	Annual OPEB Cost	Annual Contribution	Percentage of Annual OPEB Cost Contributed	Net OPEB Obligation

d. Funded Status and Funding Progress

As of July 1, 2010 the actuarial accrued liability for benefits was \$144,887,062, all of which was unfunded. The covered payroll (annual payroll for active participating employees) was \$991,177,970 for the 2011 fiscal year, and the ratio of the unfunded actuarial accrued liability to the covered payroll was 14.6%. The schedule of funding progress, presented as required supplementary information following the notes to the financial statements, presents multiyear trend information that shows whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liabilities for benefits.

e. Actuarial Methods and Assumptions

Actuarial methods and assumptions used for the OPEB calculations are as follows:

1. Actuarial valuations involve estimates of the value of reported amounts and assumptions about the probability of events far into the future; actuarially determined amounts are subject to continual revisions as actual results are compared to past expectations and new estimates are made about the future.
2. Calculations are based on the benefits provided under the terms of the substantive plan in effect at the time of each valuation and on the pattern of sharing of costs between the employer and plan members to that point. The projection of benefits for financial reporting purposes does not explicitly incorporate the potential effects of legal or contractual funding limitations on the pattern of cost sharing between the employer and plan members in the future.
3. Actuarial calculations reflect a long-term perspective. Consistent with that perspective, actuarial methods and assumptions used include techniques that are designed to reduce short-term volatility in actuarial accrued liabilities and the actuarial value of assets.
4. The actuarial methods and significant assumptions used in the actuarial valuation as of July 1, 2010 are:
 - (a) Entry age actuarial cost method
 - (b) Actuarial value of assets are fair value
 - (c) Investment rate of return 4.5%
 - (d) Salary scale is 4.0%
 - (e) Healthcare cost trend rate is +0.5% for fiscal year ended June 30, 2011 grading to 5.5% for fiscal year ending June 30, 2018.
 - (f) Past service liability is amortized over a closed 30-year period as a level percentage of projected payroll assumed to grow 3.0% per year
 - (g) Inflation rate adjustment - none

21 RISK MANAGEMENT

The District is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. Workers' compensation, automobile liability, and general liability coverage are being provided on a self-insured basis up to specified limits. Prior to July 18, 2007, the District entered into agreements with various insurance companies to provide specific excess coverage of claim amounts above the stated amount on an individual claim basis. Effective July 18, 2007 the District chose not to purchase excess coverage, but chose to set aside \$500,000 per year to accumulate to a total of \$5,000,000 to cover any excess claims. As of June 30, 2011, \$2,000,000 has been set aside. The Board has contracted with an insurance administrator to administer these self insurance programs, including the processing, investigating, and payment of claims.

Settled claims resulting from the risks described above have not exceeded commercial insurance coverage for the past three fiscal years.

A liability in the amount of \$16,283,058 was actuarially determined using a discount rate of 3.5% to cover reported and unreported insurance claims payable at June 30, 2011. It is estimated that \$7,078,865 of the liability is current and due within one year. The remaining \$9,204,193 will be due in future years.

The following schedule represents the changes in claims liability for the past two fiscal years for the District's self insurance program:

	Beginning-of-Fiscal-Year Liability	Current-Year Claims and Changes in Estimates	Claim Payments	Balance at Fiscal Year-End
2009 - 2010	\$15,178,515	\$ 10,440,341	\$(9,622,128)	\$15,996,728
2010 - 2011	\$15,996,728	\$ 10,473,633	\$(10,187,303)	\$16,283,058

Claims and judgments are generally liquidated by the internal service funds that are funded by the general fund and special revenue funds.

Litigation

The District is involved in several pending and threatened legal actions. In the opinion of District management, the range of potential loss from all such claims and actions should not materially affect the financial condition of the District.

Grants and Contracts

The District participates in various federally assisted grant programs that are subject to review and audit by the grantor agencies. Entitlement to these resources is generally conditional upon compliance with the terms and conditions of grant agreements and applicable federal regulations, including the expenditure of resources for allowable purposes. Any disallowance resulting from a federal audit may become a liability of the District.

Isolated analysis of the dollar amounts of the actuarial value of assets, actuarial accrued liability, and unfunded actuarial accrued liability can be misleading.

Expressing the actuarial value of assets as a percentage of the actuarial accrued liability provides one indication of the Plan's funding status on a going-concern basis. Analysis of this percentage over time indicates whether the Plan is becoming financially stronger or weaker. Generally, the greater this percentage, the stronger the Plan.

SCHEDULE OF FUNDING PROGRESS
June 30, 2011
(UNAUDITED)

Schedule of Funding Progress

FISCAL YEAR ENDED JUNE 30	Actuarial Value of Plan Assets	Actuarial Accrued Liability Entry Age (1)	Unfunded Actuarial Accrued Liability (3)	Funded Ratio (2)	Covered Payroll	Unfunded Actuarial Liability as a Percentage of Covered Payroll
2008	-	142,851,161 (4)	142,851,161	0%	984,347,937 (4)	14.50%
2009	-	139,930,959 (5)	139,930,959	0%	990,757,415 (5)	14.10%
2010	-	122,763,693 (6)	122,763,693	0%	994,984,023 (6)	12.70%
2011	-	144,887,062 (7)	144,887,062	0%	991,177,970 (7)	14.60%

Notes: (1) The Entry Age Actuarial Cost Method is used to determine the Plan's funding requirements.
(2) The percentage funded is derived by dividing the actuarial value of plan assets by the actuarial accrued liability.
(3) The unfunded actuarial accrued liability is the actuarial accrued liability minus the actuarial value of plan assets.
(4) Based on data from an actuarial valuation report as of July 1, 2007, dated July 24, 2008.
(5) Based on data from an actuarial valuation report as of July 1, 2008, dated August 17, 2009.
(6) Based on data from an actuarial valuation report as of July 1, 2009, dated August 12, 2010.
(7) Based on data from an actuarial valuation report as of July 1, 2010, dated August 18, 2011.

Isolated analysis of the dollar amounts of the actuarial value of assets, actuarial accrued liability, and unfunded actuarial accrued liability can be misleading.

Expressing the actuarial value of assets as a percentage of the actuarial accrued liability provides one indication of the Plan's funding status on a going concern basis. Analysis of this percentage over time indicates whether the Plan is becoming financially stronger or weaker. Generally, the greater this percentage, the stronger the Plan.

The District adopted GASB Statement 45 effective July 1, 2007, therefore only four years of funding progress information is available.

Note: Property Taxes become due and payable on November 1st of each year. A four percent (4%) discount is allowed if taxes are paid in November, with the discounts declining by one percent (1%) each month thereafter. Accordingly, taxes collected will never be 100% of the tax levy. Taxes become delinquent on April 1st of each year and tax certificates for the full amount of any unpaid taxes and assessments must be sold not later than June 1st of each year. Accordingly, the majority of taxes are collected in the fiscal year levied.

SECTION 5.01. PREPAYMENT. The terms of this Article V shall apply to the prepayment of Certificates of a Series other than Capital Appreciation Certificates and Variable Rate Certificates. The terms and provisions relating to the prepayment of Capital Appreciation Certificates and Variable Rate Certificates shall be provided by the Supplemental Trust Agreement relating to the issuance thereof.

SECTION 5.02. SELECTION OF CERTIFICATES TO BE PREPAID. (a) When Certificates are prepaid by lot, selection of Certificates for prepayment shall be in such manner as the Trustee shall determine; provided, however, that the portion of any Certificate to be prepaid shall be in the principal amount of \$5,000 or any whole multiple thereof, and that in selecting portions of Certificates for prepayment, the Trustee shall treat each such Certificate as representing that number of Certificates which is obtained by dividing the principal amount with respect to such Certificate by \$5,000.

(b) Upon any prepayment pursuant to this Article V, the Trustee shall provide the Board with, or cause to be provided, a revised schedule of Basic Rent Payments which schedule shall take into account such prepayment and shall be and become for all purposes part of the Lease Agreement.

SECTION 5.03. NOTICE OF PREPAYMENT. (a) When prepayment of Certificates is authorized or required pursuant to the provisions hereof and of any Supplemental Trust Agreement relating to such Certificates, the Trustee shall give to the Owners of Certificates to be prepaid notice, at the expense of the Board, of the prepayment of the Certificates. Such notice shall state: (i) the CUSIP numbers of all Certificates being prepaid, (ii) the original issue date of such Certificates, (iii) the maturity date, Series and rate of interest borne by each Certificate being prepaid, (iv) the prepayment date, (v) the Prepayment Price, (vi) the date on which such notice is mailed, (vii) if less than all Outstanding Certificates are to be prepaid, the certificate number (and, in the case of a partial prepayment of any Certificate, the principal amount) of each Certificate to be prepaid, (viii) that on such prepayment date there shall become due and payable upon each Certificate to be prepaid the Prepayment Price thereof, or the Prepayment Price of the specified portions of the principal thereof in the case of Certificates to be prepaid in part only, together with interest accrued thereon to the prepayment date, and that from and after such date interest thereon shall cease to accrue and be payable, (ix) that the Certificates to be prepaid, whether as a whole or in part, are to be surrendered for payment of the

24

25

Prepayment Price at the designated corporate trust office of the Trustee at an address specified, and (x) the name and telephone number of a person designated by the Trustee to be responsible for such prepayment.

(b) Notice of such prepayment shall be given by mail, postage prepaid, not more than sixty (60) days or fewer than thirty (30) days prior to said date of prepayment, to the Owners of any Certificates to be prepaid. Such mailing shall not be a condition precedent to such prepayment, and failure to mail any such notice, or any defect in such notice as mailed, shall not affect the validity of the proceedings for the prepayment of the Certificates.

(c) In addition to the mailing of the notice described above, each notice of prepayment and payment of the Prepayment Price shall meet the following requirements; provided, however, that failure to provide such further notice of prepayment to comply with the terms of this paragraph shall not in any manner defeat the effectiveness of a call for prepayment if notice thereof is given as prescribed in Sections 5.03(a) and 5.03(b) hereof:

Each further notice of prepayment shall be sent at least two (2) days before the notice of such prepayment and redemption is given to the Owners of Certificates as provided above, by certified mail or overnight delivery service or telecopy to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Certificates (such depositories now being The Depository Trust Company, New York, New York, Midwest Securities Trust Company, Chicago, Illinois and Philadelphia Depository Trust Company, Philadelphia, Pennsylvania) and one or more national information services which disseminate notices of prepayment of obligations such as the Certificates.

SECTION 5.04. DEPOSIT OF PREPAYMENT AMOUNT; EFFECT OF CALLING FOR PREPAYMENT. (a) On or before the date on which a notice of prepayment is mailed pursuant to Section 5.03 hereof, the Board shall deposit with the Trustee moneys or Refunding Securities or a combination thereof in an amount sufficient to pay the principal of and the Prepayment Premium, if any, and interest accruing thereon to the prepayment date of the Certificates called for prepayment.

(b) On the date fixed for prepayment, notice having been given in the manner and under the conditions hereinabove provided, the Certificates or portions thereof called for prepayment shall be due and payable at the Prepayment Price provided therefor, plus accrued interest to such date. If money or Refunding Securities, or a combination of both, sufficient to pay the Prepayment Price of the Certificates to be prepaid, plus accrued interest thereon to the date fixed for prepayment, are held by the Trustee in trust for the Owners of Certificates to be prepaid, interest on the Certificates called for redemption shall cease to accrue as of the date set for prepayment; such Certificates shall cease to be

entitled to any benefits or security under this Trust Agreement or to be deemed Outstanding; and the Owners of such Certificates shall have no rights in respect thereof except to receive payment of the Prepayment Price thereof, plus accrued interest to the date fixed for prepayment from the moneys and/or Refunding Securities held therefor. Certificates and portions of Certificates for which irrevocable instructions to pay on one or more specified dates or to call for prepayment at the earliest prepayment date have been given to the Trustee in form satisfactory to it shall not thereafter be deemed to be Outstanding under this Trust Agreement and shall cease to be entitled to the security of or any rights under this Trust Agreement, other than rights to receive payment of the Prepayment Price thereof and accrued interest thereon to the date fixed for prepayment, to be given notice of prepayment in the manner provided in Section 5.03 hereof, and, to the extent hereinafter provided, to receive Certificates for any unpaid portions of Certificates if money or Refunding Securities, or a combination of both, sufficient to pay the Prepayment Price of such Certificates or portions thereof, together with accrued interest thereon to the date upon which such Certificates are to be prepaid, are held in separate accounts by the Trustee in trust for the Owners of such Certificates.

SECTION 5.05. PREPAYMENT OF A PORTION OF CERTIFICATES. If a portion of an Outstanding Certificate shall be selected for prepayment, the Owner thereof or his attorney or legal representative shall present and surrender such Certificate to the Trustee for payment of the principal amount thereof so called for prepayment and the Prepayment Premium, if any, on such principal amount, and the Trustee shall authenticate and deliver to or upon the order of such Owner or his legal representative, without charge therefor, for the unpaid portion of the principal amount of the Certificate so surrendered, a Certificate of the same maturity and Series and bearing interest at the same rate; provided, however, that if the Owner is a securities depository nominee, the securities depository, in its discretion, (a) may surrender such Certificate to the Trustee and request that the Trustee authenticate and deliver a new Certificate for the portion of the principal amount of the Certificate so surrendered which was not prepaid, or (b) shall make an appropriate notation on the Certificate indicating the dates and amounts of such reduction in principal.

SECTION 5.06. CANCELLATION. Certificates so prepaid, presented and surrendered shall be cancelled upon the surrender thereof.

Moneys in the aforementioned funds and accounts (other than the Rebate Fund), until applied in accordance with the provisions hereof, shall be subject to a lien and charge in favor of the Owners of the Certificates and for the further security of such Owners in accordance with the terms hereof. The Trustee shall keep and hold moneys in the funds, accounts and subaccounts established pursuant to this Section separate and apart from all other funds and moneys held by it.

(b) Except as may otherwise be provided by Supplemental Trust Agreement, the Trustee shall establish, upon the issuance of any Series of Certificates, other than Completion Certificates, (i) a separate subaccount in the Project Account, the Capitalized Interest Account (if the proceeds of such Series shall be used to capitalize interest therefor), the Costs of Issuance Account, the Principal Account, the Interest Account and the Reserve Account (if proceeds of such Series shall be required to be deposited therein), and (ii) a separate account in the Prepayment Fund. (c) The Trustee shall make payment for each item of Equipment or interest in Land constituting a portion of a Project in the amount of the purchase price therefor from the appropriate subaccount of the Project Account by transferring such amount in accordance with the procedures described in Section 6.03(b) hereof within two Business Days of the receipt of (i) a Requisition, and (ii) a detailed journal report listing Vendor, check number and invoice number, in the case of Equipment, or a fully executed purchase contract setting forth the purchase price and other pertinent information, in the case of interest in the Land. Any such invoice, bill of sale or purchase contract shall indicate that title to the Equipment, other than Designated Equipment, shall be in the name of the Corporation and that title to Designated Equipment referred to therein shall be in the name of the Board. Before the Trustee is authorized to make any disbursements for the acquisition of Land, or the Construction of a Building on Land which is leased to the Corporation pursuant to a Ground Lease, the Trustee shall have received an ALTA title insurance policy, or a commitment with respect thereto, with a reputable title insurance company, indicating the Trustee as an additional named insured or payee to the extent that its interest is insurable under Florida law, which shall insure the Corporation's title to its interest in such Land in the sum provided therefor in the Lease Schedule related to the Project or which such Land or Building is a part. Such Lease Schedule may with the consent of the Credit Enhancer with respect to such Lease Schedule also provide for a title opinion in lieu of title insurance. In the case of acquisition of Land, the Trustee shall, at the request of the Board, transfer, pursuant to a Requisition, moneys to an escrow account held by the attorney to the Board which moneys shall be used to purchase the Land within three Business Days of such transfer. The Trustee may rely upon all assertions made by the Board in the Requisition.

(d) (i) Before the Trustee is authorized to make any disbursements for the construction of a Building (except for the payment of Architect's or Engineer's progress payments as described below), the Trustee shall have received from the Board the following instruments and documents in form and substance acceptable to the Trustee:

Disbursements from each subaccount of the Project Account shall be made by the Trustee upon receipt of a completed Requisition requesting disbursement, duly executed by an Authorized Officer of the Board.

(b) The Trustee shall make payment for each item or portion of a Project to the Board or the designee of the Board (which may include the Vendor, Developer or Contractor of any portion of such Project) in the amount therefor by transferring such amount from the appropriate subaccount of the Project Account by wire transfer into an account (including an account of the Vendor, Developer or Contractor) designated in writing in advance by the Board, by check to the designee of the Board or by crediting such amount to an account of the Board maintained with the banking department of the Trustee for such purpose within two Business Days of the receipt of a Requisition from the Board (provided the Requisition is in compliance with the terms hereof) and any materials or instruments required by the terms hereof and of the Lease Agreement. The parties acknowledge that the Trustee, pursuant to a certificate of an Authorized Officer of the Board, may waive any noncompliance with the requirements for the disbursement of Project Account moneys. The Board agrees to indemnify and hold harmless the Trustee for any cost or expenses suffered by the Trustee as a result of such waiver. The Trustee is also authorized to rely upon the Board's written approval of the Requisition without independently confirming compliance with or satisfaction of such requirements or the requirements set forth in this Trust Agreement. The Trustee may also rely upon the certification of the Board in the Requisition or in any documents, certificates or instruments submitted in connection therewith as to the factual conditions precedent to any disbursements hereunder and shall have no responsibility or duty to review the attachments to such Requisition (but must determine that all required attachments are present) or investigate the basis for such certifications or

The survey plat must (i) include a legal description of such portion of the Land and certify the number of acres included in such portion of the Land; (ii) include the boundaries of such Land; (iii) indicate the size and location of all existing improvements, roads, paths, culverts, drainage ditches, easements, utility lines and encroachments on such portion of the Land; (iv) indicate the size and location of all easements affecting such portion of the Land; (v) indicate the location of the nearest public streets and access of such portion of the Land to those streets; and (vi) indicate the flood hazard designation (if any).

(F) A Phase I environmental audit relating to the portion of the Premises upon which the Project is to be constructed prepared by an independent engineer or other qualified consultant and concluding that such portion of the Land is "environmentally acceptable" and not recommending the performance of more intensive procedures.

Nothing hereinabove shall be interpreted to require that the items mentioned in clauses (A) to (F), inclusive, be filed with each Requisition so long as such items are on file with the Trustee.

(ii) Each Requisition submitted by the Board for payment of Project Costs constituting construction costs (except for the payment of Architect's or Engineer's progress payments as described below) must be approved in writing by an Authorized Officer of the Board and must include certificates and/or affidavits from the Architect, Engineer, Contractor or Developer (as is appropriate under the circumstances), certifying with respect to the portion of such Project to which such Requisition relates:

(e) Execution by the Board of a Requisition shall constitute approval and acceptance of the items or portions of the Project identified therein for purposes of disbursements hereunder and under the Lease Agreement.

(f) Upon the receipt by the Trustee of a completed Requisition therefor, the Trustee shall disburse moneys from the appropriate subaccount of the Project Account in the manner required in this Section to reimburse the Board for Project Costs paid by the Board prior to the Commencement Date relating to such Project in anticipation of the issuance of the Series of Certificates which shall finance such Project.

(g) Upon the earlier of (i) receipt of a certificate executed by an Authorized Officer of the Board stating that all the Costs of a Project have been paid and the acquisition, construction and installation of such Project has been completed in accordance with the Plans and Specifications relating thereto and such Project has been approved and accepted by the Board or (ii) on the Closure Date provided in the Lease Schedule relating to such Project for the closure of the related subaccount of the Project Account (the "Completion Date"), the subaccount of the Project Account established in relation to such Project shall be closed and if amounts remaining in such subaccount of the Project Account equal or exceed the Prepayment Amount provided in the Lease Schedule relating to such Project, such amount shall be deposited into the account of the Prepayment Fund established for the Series of Certificates which financed such Project and shall be applied by the Trustee to effect an extraordinary mandatory prepayment of the

Any surplus moneys shall be paid to the Board.

(iii) If the principal of such Series of Certificates shall have been declared due and payable and if such declaration shall thereafter have been rescinded and annulled under the provisions of Section 8.02 hereof, then, subject to the provisions of paragraph (a)(ii) of this Section in the event that the principal of such Series of Certificates shall later become due and payable or be declared due and payable, the money then remaining in and thereafter accruing to the special account established for such Series shall be applied in accordance with the provisions of paragraph (a)(i) of this Section.

(b) Whenever money is to be applied by the Trustee pursuant to the provisions of this Section and, subject to any direction given by a Credit Enhancer pursuant to Section 8.14 hereof, such money shall be applied by the Trustee at such times and from time to time, as the Trustee in its sole discretion shall determine, having due regard for the amount of such money available for such application and the likelihood of additional money becoming available for such application in the future; the setting aside of such money, in trust for the proper purpose, shall constitute proper application by the Trustee, and the Trustee shall incur no liability whatsoever to the Corporation, the Board, to any Owner or to any other Person for any delay in applying any such money so long as the Trustee acts with reasonable diligence, having due regard for the circumstances, and ultimately applies the same in accordance with such provisions of this Trust Agreement as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such money, it shall fix the date (which shall be a Payment Date unless the Trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue.

47

The Trustee shall give notice by first class mail, postage prepaid, to all Owners of the fixing of any such date, and shall not be required to make payment to the Owner of any Certificates until such Certificates shall be surrendered to the Trustee for cancellation if fully paid.

SECTION 8.05. EFFECT OF DISCONTINUANCE OF PROCEEDINGS. If any proceeding taken by the Trustee or Owners on account of any Event of Default hereunder shall have been discontinued or abandoned for any reason, then and in every such case, the Corporation, the Board, each Credit Enhancer, the Trustee and the Owners shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no proceeding had been taken.

SECTION 8.06. CONTROL OF PROCEEDINGS BY OWNERS. The Owners of a majority in aggregate principal amount of each Series of Certificates then Outstanding shall have the right, subject to the provisions of Sections 8.14 and 9.02 of this Trust Agreement, by an instrument or concurrent instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all remedial proceedings to be taken by the Trustee hereunder in regard to such Series, provided that such direction shall be in accordance with law and the provisions of this Trust Agreement and the Lease Agreement.

SECTION 8.07. RESTRICTIONS UPON ACTIONS BY INDIVIDUAL OWNERS. Except as provided in Section 8.13 of this Trust Agreement, no Owner shall have any right to institute any suit, action or proceeding in equity or at law on any Certificate or for the execution of any trust hereunder or for any other remedy hereunder unless such Owner previously shall have given to the Trustee written notice of the Event of Default on account of which such suit, action or proceeding is to be instituted, and unless also the Owners of not less than a majority in aggregate principal amount of Certificates then Outstanding of the Series of which such Owner belongs shall have made a written request of the Trustee after the right to exercise such powers or right of action as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers hereinabove granted or to institute such action, suit or proceedings in its or their name, and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused or neglected to comply with such request within a reasonable time. Such notification, request and offer of indemnity are hereby declared in every such case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trusts of this Trust Agreement or to any other remedy hereunder. It is understood and intended that, except as otherwise above provided, no one or more

Owners shall have any right in any manner whatsoever by his or their action to affect, disturb or prejudice the security of this Trust Agreement, or to enforce any right hereunder except in the manner provided, that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the benefit of all Owners and that any individual rights of action or other right given to one or more of such Owners by law are restricted by this Trust Agreement to the rights and remedies herein provided.

SECTION 8.08. APPOINTMENT OF A RECEIVER. Upon the occurrence of an Event of Default, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Trustee and of the Owners under this Trust Agreement, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers for the Projects with such powers as the court making such appointments shall confer.

SECTION 8.09. ENFORCEMENT OF RIGHTS OF ACTION. All rights of action (including the right to file proof of claim) under this Trust Agreement or under any Certificates may be enforced by the Trustee without the possession of any Certificates or the production thereof in any proceedings relating thereto, and any such suit or proceedings instituted by the Trustee shall be brought in its name as Trustee, without the necessity of joining as plaintiffs or defendants any Owners hereby secured, and any recovery of judgment shall be for the equal benefit of the Owners.

SECTION 8.10. NO REMEDY EXCLUSIVE. No remedy herein conferred upon or reserved to the Trustee, a Credit Enhancer or to the Owners is intended to be exclusive of any other remedy or remedies herein provided, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity.

SECTION 8.11. WAIVERS. No delay or omission by the Trustee or of any Owner in the exercise of any right or power occurring upon any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver of any such Event of Default hereunder or any acquiescence therein; and every power or remedy given by this Trust Agreement to the Trustee and to the Owners may be exercised from time to time and as often as may be deemed expedient. The Trustee may, and upon written request of the Owners of not less than a majority in principal amount of the Certificates then Outstanding, shall waive any Event of Default which shall have been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted by it under the provisions of this Trust Agreement or before the completion of the enforcement of any rights of the Trustee hereunder, but such waiver shall not waive any subsequent Event of Default hereunder or impair any rights or remedies consequent thereon. Anything in this Section 8.11 to the contrary notwithstanding, no waiver of any

48

49

Event of Default shall be granted without obtaining the prior written consent of each Credit Enhancer so affected thereby.

SECTION 8.12. NOTICE OF DEFAULT. (a) The Trustee shall mail to all Owners at their addresses as they appear on the Certificate Register written notice of the occurrence of any Event of Default set forth in Section 8.01 hereof within thirty (30) days after the Trustee shall have notice of the same; provided that, except upon the happening of an Event of Default specified in clauses (a) and (b) of Section 8.01 of this Trust Agreement, the Trustee may withhold such notice to the Owners if in its opinion such withholding is in the interest of the Owners; and provided, further, that the Trustee shall not be subject to any liability to any Owner by reason of its failure to mail any such notice.

(b) The Trustee shall mail to each Credit Enhancer written notice of the occurrence of any Event of Default set forth in Section 8.01 hereof within five (5) Business Days after the Trustee shall have notice of the same.

(c) Upon the occurrence and continuance of an Event of Default or Event of Non-Appropriation, the Trustee shall provide each Credit Enhancer with access to the Certificate Register for the Series of Certificates for which it provides credit enhancement for purposes of inspection and copying the same.

SECTION 8.13. RIGHT TO ENFORCE PAYMENT OF CERTIFICATES UNIMPAIRED. If the Trustee shall fail to take actions required of it pursuant to this Section, nothing in this Article shall affect or impair the right of any Owner to enforce the payment of the principal of and interest on his Certificate or the obligation to pay the principal of and interest on each Certificate to the Owner thereof at the time and place in said Certificate expressed.

SECTION 8.14. CONTROL BY INSURER OR CREDIT BANK. Any provision hereunder or under the Lease Agreement or Ground Lease to the contrary notwithstanding, upon the occurrence and continuance of an Event of Default, the Credit Enhancer for a Series of Certificates, if such Credit Enhancer, shall not be in payment default under its municipal bond insurance policy or Credit Facility, as the case may be, shall be deemed to be the sole owner of such Certificates for purposes of (a) directing and controlling the enforcement of all rights and remedies with respect to such Series of Certificates, including any waiver of an Event of Default and removal of the Trustee, and (b) exercising any voting right or privilege or giving any consent or direction or taking any other action that the Owners of such Certificates are entitled to take pursuant to Articles VIII or IX hereof. No provision expressly recognizing or granting rights in or to a Credit Enhancer shall be modified without the consent of such Credit Enhancer. A Credit Enhancer's rights under this Section 8.14 shall be suspended during any period in which such Credit Enhancer is in default in its

payment obligations under its municipal bond insurance policy or Credit Facility, as applicable (except to the extent of amounts previously paid by such Credit Enhancer and due and owing to such Credit Enhancer) and shall be of no force or effect if its municipal bond insurance policy or other Credit Facility is no longer in effect or if the Credit Enhancer asserts that its municipal bond insurance policy or Credit Facility is not in effect or if the Credit Enhancer waives such rights in writing. The rights granted to a Credit Enhancer under this Section 8.14 are granted in consideration of the Credit Enhancer issuing its municipal bond insurance policy or Credit Facility. Any exercise of such contractual rights by a Credit Enhancer shall be deemed to be taken for the benefit of any Certificate Owners and shall not evidence such Credit Enhancer's position as to whether any Certificate Owner's consent is required.

ARTICLE IX
CONCERNING THE TRUSTEE

SECTION 9.01. ACCEPTANCE OF DUTIES. (a) The Trustee by execution hereof accepts and agrees to fulfill the trusts imposed upon it by this Trust Agreement, but only upon the terms and conditions set forth in this Article and subject to the provisions of this Trust Agreement. Prior to the occurrence of any Event of Default hereunder and after the curing of all such Events of Default that may have occurred, the Trustee shall perform such duties and only such duties of the Trustee as are specifically set forth in this Trust Agreement. During the existence of any such Event of Default that has not been cured the Trustee shall exercise any of the rights and powers vested in it by this Trust Agreement. At all times the Trustee shall use the same degree of care and skill in their exercise as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs.

(b) No provision of this Trust Agreement, any Certificate, the Lease Agreement or the Assignment of Lease Agreement shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) Unless an Event of Default shall have occurred and be continuing:

(A) the duties and obligations of the Trustee shall be determined solely by the express provisions of this Trust Agreement, the Lease Agreement and the Assignment of Lease Agreement, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Trust Agreement, the Lease Agreement and the Assignment of Lease Agreement, and no implied covenants or obligations shall be read into this Trust Agreement, the Lease Agreement or the Assignment of Lease Agreement against the Trustee, and

(B) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the accuracy of the statements and the correctness of the opinions expressed therein, upon any certificate or opinion furnished to it by the Board and the Corporation conforming to the requirements of this Trust Agreement, the Lease Agreement or the Assignment of Lease Agreement, but in the case of any such certificate or opinion by which any provision hereof is specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the

52

outlays and reasonable counsel fees and other reasonable disbursements, and against all liability. The Trustee nevertheless may, in its sole discretion, but is not required to, begin suit, or appear in and defend suit, or do anything else in its judgment proper to be done by it as such Trustee, without indemnity, and in such case the Trustee shall be entitled to reimbursement from any money in its possession under the provisions of this Trust Agreement and shall be entitled to a preference therefor over any Certificates Outstanding hereunder.

SECTION 9.03. LIMITATIONS ON OBLIGATIONS AND RESPONSIBILITIES OF TRUSTEE. The Trustee shall be under no obligation to effect or maintain insurance or to renew any policies of insurance or to inquire as to the sufficiency of any policies of insurance carried by the Board or the Corporation, or to report, or make or file claims or proof of loss for, any loss or damage insured against or that may occur, or to keep itself informed or advised as to the payment of any taxes or assessments, or to require any such payment to be made. Except as to the acceptance of the trusts by its due execution of this Trust Agreement, the Trustee shall have no responsibility in respect of the validity, sufficiency, due execution or acknowledgment of this Trust Agreement by the other parties hereto, or in respect of the validity of Certificates (other than the due execution and delivery thereof in accordance with the terms hereof). The Trustee shall be under no obligation to see that any duties herein imposed upon the Corporation, the Board, any depository other than a Trustee as depository, or any party other than itself, or any covenants herein contained on the part of any party other than itself to be performed, shall be done or performed, and the Trustee shall be under no obligation for failure to see that any such duties or covenants are so done or performed.

SECTION 9.04. TRUSTEE NOT LIABLE FOR FAILURE OF CORPORATION OR BOARD TO ACT. The Trustee shall not be liable or responsible because of the failure of the Corporation or the Board or of any of its employees or agents to make any collections or deposits or to perform any act herein required of the Corporation or the Board or because of the loss of any money arising through the insolvency or the act or default or omission of any depository other than a Trustee depository in which such money shall have been deposited under the provisions of this Trust Agreement. The Trustee shall not be responsible for the application of any of the proceeds of Certificates or any other money deposited with it and paid out, withdrawn or transferred hereunder if such application, payment, withdrawal or transfer shall be made in accordance with the provisions of this Trust Agreement. The immunities and exemptions from liability of the Trustee hereunder shall extend to its directors, officers, employees and agents.

SECTION 9.05. COMPENSATION AND INDEMNIFICATION OF TRUSTEE. Subject to the provisions of any contract between the Corporation,

same to determine whether or not it conforms to the requirements of this Trust Agreement, the Lease Agreement or the Assignment of Lease Agreement, and

(ii) At all times, regardless of whether or not any such Event of Default shall exist:

(A) the Trustee shall not be liable for any error of judgment made in good faith by a responsible officer or officers of the Trustee unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(B) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Owners as provided in Article VIII hereof, relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any power conferred upon the Trustee under this Trust Agreement and the Lease Agreement; and

(C) the Trustee may consult with counsel and the written advice of such counsel or any opinion of counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder and in good faith and reliance thereon.

(c) None of the provisions contained in this Trust Agreement, the Lease Agreement or the Assignment of Lease Agreement shall require the Trustee to expend or risk its own funds or otherwise incur individual financial liability in the performance of any of its duties or in the exercise of any of its rights or powers.

(d) Notwithstanding any other provision of this Trust Agreement, in determining whether the rights of the Owners of the Certificates will be adversely affected by any action taken pursuant to the terms and provisions of this Trust Agreement, the Trustee shall consider the effect on the Owners of the Certificates as if there were no municipal bond insurance policy or Credit Facility.

SECTION 9.02. INDEMNIFICATION OF TRUSTEE AS CONDITION FOR REMEDIAL ACTION. The Trustee shall be under no obligation to institute any suit or to take any remedial proceeding in the Event of a Default under this Trust Agreement or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to take any steps in the execution of any of the trusts hereby created or in the enforcement of any rights and powers hereunder, including, without limitation, its acceptance or possession of a Project or any component thereof, until it shall be indemnified to its satisfaction against any and all reasonable costs, expenses,

53

the Board and the Trustee relating to the compensation of the Trustee, the Corporation shall pay or cause the Board to pay to the Trustee reasonable compensation for all services performed by it hereunder and also all its reasonable expenses, charges and other disbursements and those of its attorneys, agents and employees incurred in and about the administration and the performance of its powers and duties hereunder and shall, to the extent permitted by applicable law, indemnify and save the Trustee harmless against any liabilities that it may incur in the proper exercise and performance of its powers and duties hereunder and under the Lease Agreement.

SECTION 9.06. MONTHLY STATEMENTS FROM TRUSTEE. (a) It shall be the duty of the Trustee, by the 25th day of each month, to file with the Board a statement setting forth in respect of the preceding one-month period:

(i) the amount withdrawn or transferred by it and the amount deposited with it on account of each fund, account or subaccount held by it under the provisions of this Trust Agreement,

(ii) the amount on deposit with it at the end of such period in each such fund, account or subaccount,

(iii) a brief description of all obligations held by it as an investment of money in each such fund, account or subaccount,

(iv) the amount applied to the purchase or redemption of Certificates under the provisions of Article V of this Trust Agreement and a description of the Certificates or portions thereof so purchased or redeemed, and

(v) any other information that the Board may reasonably request.

(b) In addition, on each anniversary date of the issuance of the Certificates the Trustee shall file with the Board any information requested by the Board as necessary to determine the Rebatable Arbitrage as set forth in Letters of Instructions.

(c) All records and files pertaining to Certificates, the Corporation and the Board in the custody of the Trustee shall be open at all reasonable times to the inspection of the Board, the Corporation and their agents and representatives.

SECTION 9.07. TRUSTEE MAY RELY ON CERTIFICATES. If at any time it shall be necessary or desirable for the Trustee to make any investigation respecting any fact preparatory to taking or not taking any action or doing or not doing anything as such Trustee, and in any case in which this Trust Agreement provides for

55

54

permitting or taking any action, the Trustee may rely upon any certificate required or permitted to be filed with it under the provisions of this Trust Agreement, and any such certificate shall be evidence of such fact or protect the Trustee in any action that it may or may not take or in respect of anything it may or may not do, in good faith, by reason of the supposed existence of such fact. Except as otherwise provided in this Trust Agreement, any request, notice, certificate or other instrument from the Corporation or the Board to the Trustee shall be deemed to have been signed by the proper party or parties if signed by any Authorized Officer of the Corporation or the Board, as the case may be, and the Trustee may accept and rely upon a certificate signed by any such representative as to any action taken by the Corporation or the Board.

SECTION 9.08. TRUSTEE MAY PAY TAXES AND ASSESSMENTS. In case the Corporation or the Board shall fail to pay or cause to be paid any tax, assessment or governmental or other charge payable on the part of the Board or the Corporation relating to the Lease Agreement to the extent, if any, that the Board or the Corporation may be deemed by the Trustee liable for same, the Trustee, subject to Section 9.01(c) hereof, may pay such tax, assessment or governmental charge, without prejudice, however, to any rights of the Trustee or the Owners hereunder arising in consequence of such failure; and any amount at any time so paid under this Section shall be repaid upon demand by the Trustee by the Corporation from funds made available by the Board, but the Trustee shall be under no obligation to make any such payment from sources provided in the Trust Agreement unless it shall have available or be provided with adequate funds for the purpose of such payment.

SECTION 9.09. CERTAIN RIGHTS OF THE TRUSTEE. Subject to the provisions of Section 9.01 hereof, the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys.

SECTION 9.10. RESIGNATION AND REMOVAL OF TRUSTEE SUBJECT TO APPOINTMENT OF SUCCESSOR. No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee under Section 9.14.

SECTION 9.11. RESIGNATION OF TRUSTEE. Subject to the provisions of Section 9.10, the Trustee may resign and thereby become discharged from the trusts hereby created, by notice in writing given to the Board and the Corporation, and mailed, postage prepaid, at the Trustee's expense, to each Owner, not less than sixty (60) days before such resignation is to take effect, but such resignation shall take effect immediately upon the appointment of a new Trustee hereunder if such new Trustee shall be appointed before the time limited by such notice and shall then accept the trusts hereof. No resignation shall take effect until a successor

56

Trustee is required by operation of law, provided that such vendee, assignee or transferee is (i) a bank or trust company within the State which is duly authorized to exercise corporate trust powers and subject to examination by federal or State authority, (ii) of good standing, and (iii) having, or its parent having, a combined capital, surplus and undivided profits aggregating not less than Fifty Million Dollars (\$50,000,000) or if otherwise approved by the Board. The Board shall mail notice of any such appointment made by it, postage prepaid, to all Owners and each Credit Enhancer.

(b) At any time within one (1) year after any such vacancy shall have occurred, the Owners of not less than twenty-five percent (25%) in principal amount of Certificates then Outstanding, by an instrument or concurrent instruments in writing, executed by such Owners and filed with the Board, may nominate a successor Trustee, which the Board shall appoint and which shall supersede any Trustee theretofore appointed by the Board. Photostatic copies, duly certified by the Superintendent of the Board as having been received by the Board, of each such instrument shall be delivered promptly by the Board to the predecessor Trustee and to the Trustee so appointed by the Owners.

(c) If no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section, any Owner hereunder or any retiring Trustee may apply to any court of competent jurisdiction to appoint a successor Trustee. Such court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Trustee.

(d) Any successor Trustee hereafter appointed shall be (i) a bank or trust company within the State which is duly authorized to exercise corporate trust powers and subject to examination by federal or State authority, (ii) of good standing, and (iii) having, or its parent having, a combined capital, surplus and undivided profits aggregating not less than Fifty Million Dollars (\$50,000,000) or if otherwise approved by the Board.

SECTION 9.14. VESTING OF DUTIES IN SUCCESSOR TRUSTEE. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor, and also to the Board, an instrument in writing accepting such appointment hereunder, and thereupon such successor Trustee, without any further act, shall become fully vested with all the rights, immunities and powers, and subject to all the duties and obligations, of its predecessor; but such predecessor shall nevertheless, on the written request of its successor or of the Board and upon payment of the expenses, charges and other disbursements of such predecessor that are payable pursuant to the provisions of Section 9.05 hereof, execute and deliver an instrument transferring to such successor Trustee all the rights, immunities and powers of such predecessor hereunder; and every predecessor Trustee shall deliver all property and money held by it hereunder to its successor. Should any instrument in

58

Trustee has been appointed pursuant to the terms hereof. Each Credit Enhancer shall receive notice of such resignation.

SECTION 9.12. REMOVAL OF TRUSTEE. (a) The Trustee may be removed at any time by the Board for cause (provided an Event of Default described in Section 8.01(e) hereof has not occurred and has not been cured), or by an instrument or concurrent instruments in writing, executed by the Owners of not less than a majority in aggregate principal amount of Certificates then Outstanding and filed with the Board, not less than sixty (60) days before such removal is to take effect as stated in said instrument or instruments. A photostatic copy of any instrument or instruments filed with the Board under the provisions of this paragraph, duly certified by the Superintendent of the Board as having been received by the Board, shall be delivered promptly to the Trustee.

(b) The Trustee may also be removed at any time for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provisions of this Trust Agreement with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the Owners of not less than twenty-five percent (25%) in aggregate principal amount of Certificates then Outstanding.

(c) The removal of a Trustee shall not become effective until a successor Trustee has been appointed pursuant to the terms hereof.

(d) The Trustee may be removed at any time, at the request of a Credit Enhancer of a majority of the Outstanding Certificates hereunder, with the consent of the Board, provided, that the Credit Enhancer is not in default of its payment obligations under its municipal bond insurance policy or Credit Facility.

(e) Upon the occurrence of an Event of Default as described in Section 8.01 hereof, and such Event of Default is continuing and has not been waived, the Credit Enhancer may remove the Trustee at any time, provided the Credit Enhancer is not in default of its payment obligations under its municipal bond insurance policy or other Credit Facility.

SECTION 9.13. APPOINTMENT OF SUCCESSOR TRUSTEE. (a) If at any time hereafter the Trustee shall resign, be removed, be dissolved or otherwise become incapable of acting, or the bank or trust company acting as Trustee shall be taken over by any governmental official, agency, department or board, the position of Trustee shall thereupon become vacant. If the position of Trustee shall become vacant for any reason, the Board shall appoint a Trustee to fill such vacancy. A successor Trustee shall not be required if the Trustee shall sell or assign substantially all of its trust business and the vendee or assignee shall continue in the trust business, or if a transfer of the trust department of the

57

writing from the Board be required by any successor Trustee for more fully and certainly vesting in such Trustee the rights, immunities, powers and trusts hereby vested or intended to be vested in the predecessor Trustee, any such instrument in writing shall and will, on request, be executed, acknowledged and delivered by the Board.

59

ARTICLE X

EXECUTION OF INSTRUMENTS BY OWNERS, PROOF OF OWNERSHIP OF CERTIFICATES, AND DETERMINATION OF CONCURRENCE OF OWNERS

SECTION 10.01. EXECUTION OF INSTRUMENTS BY OWNERS. (a) Any request, direction, consent or other instrument in writing required or permitted by this Trust Agreement to be signed or executed by any Owner may be in any number of concurrent instruments of similar tenor and may be signed or executed by such Owners or their attorneys or legal representatives. Proof of the execution of any such instrument and of the ownership of Certificates shall be sufficient for any purpose of this Trust Agreement and shall be conclusive in favor of the Trustee, the Board and the Corporation with regard to any action taken by either under such instrument if made in the following manner:

(i) The fact and date of the execution by any Person of any such instrument may be proved by the verification of any officer in any jurisdiction who, by the laws thereof, has power to take affidavits within such jurisdiction, to the effect that such instrument was subscribed and sworn to before him, or by an affidavit of a witness to such execution. Where such execution is on behalf of a Person other than an individual, such verification or affidavit shall also constitute sufficient proof of the authority of the signer thereof.

(ii) The ownership of Certificates shall be proved by the registration books kept under the provisions of this Trust Agreement.

(b) Nothing contained in this Article shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters herein stated which it may deem sufficient. Any request or consent of any Owner shall bind every future Owner of the same Certificate in respect of anything done by the Trustee in pursuance of such request or consent.

(c) Notwithstanding any of the foregoing provisions of this Section, the Trustee shall not be required to recognize any Person as an Owner or to take any action at his request unless such Certificates shall be deposited with it.

60

(h) To provide for the issuance of Certificates, including Completion Certificates and Refunding Certificates, or

(i) To provide, in regard to a Series of Certificates, for the addition, modification or deletion of any of the provisions in Section 6.03 relating to conditions which shall be necessary in order to draw moneys from a subaccount of the Project Account, or

(j) To make any other modifications hereto which in the opinion of the Trustee, who may rely upon a written opinion of Special Counsel, shall not materially adversely affect the Owners.

(k) To determine how, when and what information concerning the Board, the Corporation, the Credit Enhancer and the Certificates should be disclosed by the Trustee to the Owners and the investment community in accordance with published guidelines.

SECTION 11.02. MODIFICATION OF TRUST AGREEMENT WITH CONSENT OF OWNERS AND CREDIT ENHANCERS. (a) Subject to the terms and provisions contained in this Section, and not otherwise, the Owners of not less than a majority of the aggregate principal amount of Certificates then Outstanding shall have the right, from time to time, anything contained in this Trust Agreement to the contrary notwithstanding, to consent to and approve the execution by the Corporation, the Board and the Trustee of such Supplemental Trust Agreement or Supplemental Trust Agreements as shall be deemed necessary or desirable by the Corporation and the Board for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Trust Agreement; provided, however, that nothing herein contained shall permit, or be construed as permitting (i) an extension of the maturity of the principal of or the interest on any Certificates issued hereunder, or (ii) a reduction in the principal amount of any Certificates or the prepayment premium or the rate of interest thereon, or (iii) a preference or priority of any Certificate over any other Certificate, except as provided herein, or (iv) a reduction in the aggregate principal amount of Certificates required for consent to such Supplemental Trust Agreement. For purposes of making amendments made pursuant to this Section 11.02, Owners of Certificates which will no longer be Outstanding at the time the Supplemental Trust Agreement takes effect or which are not adversely affected by such Supplemental Trust Agreement shall not have any rights of consent hereunder. Each Supplemental Trust Agreement entered into pursuant to this Section must be consented to by each Credit Enhancer which is affected thereby. Nothing contained in this Section 11.02, however, shall be construed as making necessary the approval by the Owners of the adoption and acceptance of any Supplemental Trust Agreement as authorized in Sections 11.01 and 11.03 hereof.

(b) If at any time the Corporation and the Board shall request the Trustee to enter into any Supplemental Trust Agreement

62

ARTICLE XI

SUPPLEMENTAL TRUST AGREEMENTS

SECTION 11.01. SUPPLEMENTAL TRUST AGREEMENTS WITHOUT CONSENT OF OWNERS AND CREDIT ENHANCERS. The Corporation, the Board and the Trustee, from time to time and at any time, may enter into Supplemental Trust Agreements, without the consent of the Owners of the Certificates or any Credit Enhancers, for the following purposes:

(a) To cure any ambiguity or formal defect or omission, to correct or supplement any provision herein that may be inconsistent with any other provision herein, to make any other provisions with respect to matters or questions arising under this Trust Agreement, or to modify, alter, amend, add to or rescind, in any particular, any of the terms or provisions contained in this Trust Agreement; provided, that any such modification, alteration, amendment, addition or replacement does not materially adversely affect the interests of the Owners, or

(b) To grant to or confer upon the Trustee for the benefit of the Owners any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the Owners or the Trustee, including provisions relating to a mortgage and security interest on a Project pursuant to Section 7.07 hereof, or

(c) To add to the provisions of this Trust Agreement other conditions, limitations and restrictions thereafter to be observed, or

(d) To add to the covenants and agreements of the Corporation or the Board in this Trust Agreement other covenants and agreements thereafter to be observed by the Corporation or the Board or to surrender any right or power herein reserved to or conferred upon the Corporation or the Board, or

(e) To permit the qualification of this Trust Agreement under any federal statute now or hereafter in effect or under any state Blue Sky law, and, in connection therewith, if the Corporation and the Board so determine, to add to this Trust Agreement or any supplemental trust agreement such other terms, conditions and provisions as may be permitted or required by such federal statute or Blue Sky law, or

(f) To provide for the issuance of Taxable Certificates in bearer form, or

(g) To provide for the issuance of Certificates under a book-entry system, or

61

for any of the purposes of this Section, the Trustee shall, at the expense of the Board, cause notice of the proposed execution of such Supplemental Trust Agreement to be mailed, postage prepaid, to all affected Owners, to each affected Credit Enhancer and to each rating agency which shall rate the Certificates. Such notice shall briefly set forth the nature of the proposed Supplemental Trust Agreement and shall state that copies thereof are on file at the Principal Office of the Trustee for inspection by all Owners. The Trustee shall not, however, be subject to any liability to any Owner by reason of its failure to mail the notice required by this Section, and any such failure shall not affect the validity of such Supplemental Trust Agreement when approved and consented to as provided in this Section.

NOW, THEREFORE, in consideration of the mutual agreements and covenants in the Trust Agreement and Lease Agreement contained and for other valuable consideration, the parties hereto agree as follows:

SECTION 1. AUTHORIZATION. This First Amendment to Master Trust Agreement is being entered into in accordance with (i) the provisions of the Act, (ii) a resolution of the Board adopted on February 18, 2003 and (iii) Section 11.03 of the Trust Agreement.

SECTION 2. DEFINITIONS. The words and terms which are defined in the Trust Agreement (as amended hereby), shall have the same meanings ascribed to them when used herein, unless the context or use indicates a different meaning or intent.

SECTION 3. AMENDMENTS TO EXHIBIT A (DEFINITIONS) TO THE TRUST AGREEMENT. (a) Exhibit A to the Trust Agreement is hereby amended by adding the following definitions of "Counterparty," "Hedge Agreement," "Hedge Obligations," "Hedge Receipts" and "Termination Fees":

"Counterparty" shall mean the Person entering into a Hedge Agreement with the Board.

"Hedge Agreement" shall mean an interest rate exchange agreement, an interest rate swap agreement, a forward purchase contract, a put option contract, a call option contract or any other financial product which is used by the Board as a hedging device with respect to its obligation to pay the interest portion of Basic Lease Payments represented by any of the Outstanding Certificates, entered into between the Board and a Counterparty and designated by the Board as a "Hedge Agreement" for the purposes of the Trust Agreement and Lease Agreement.

"Hedge Obligations" shall mean the periodic amounts required to be paid by the Board on the related notional amount under a Hedge Agreement determined in accordance with a formula set forth in the Hedge Agreement (similar to payment of interest on the related notional amount), but excluding Termination Fees which are not payable by a Credit Enhancer pursuant to the terms of any bond insurance policy or Credit Facility securing the obligation of the Board to make certain payments under a Hedge Agreement.

"Hedge Receipts" shall mean amounts received by the Board on the related notional amount from a Counterparty under a Hedge Agreement which may be net of any Hedge Obligations.

"Termination Fees" means any payments due by the Board under a Hedge Agreement, other than Hedge Obligations.

(b) Exhibit A to the Trust Agreement is hereby amended by amending and restating the definition of "Basic Rent" or "Basic Rent Payment" in its entirety with the following:

"Basic Rent" or "Basic Rent Payment" means (i) the Basic Rent Payments set forth in the Lease Schedules, as the same may be adjusted pursuant to the terms of the Lease Agreement and (ii) Hedge Obligations.

SECTION 4. AMENDMENTS TO SECTION 4.14 OF THE TRUST AGREEMENT. Section 4.14 of the Trust Agreement is hereby amended in its entirety to read as follows:

"SECTION 4.14. PAYMENTS FROM TRUST ESTATE ONLY; DISTRIBUTION OF TRUST ESTATE. (a) Unless otherwise set forth in the Supplemental Trust Agreement authorizing the issuance of more than one Series of Certificates, each Certificate within a Series of Certificates executed and delivered pursuant to this Trust Agreement and each Hedge Obligation related thereto shall rank pari passu and be equally and ratably secured under this Trust Agreement with each other Certificate of such Series and each Hedge Obligation related thereto, but not with any Certificate of any other Series issued pursuant to this Trust Agreement and Outstanding or any Hedge Obligation related thereto, without preference, priority or distinction of any such Certificate, Hedge Obligation over any other such Certificate, Hedge Obligation, except that to the extent that Basic Rent Payments available for payment to all Certificateholders, each Hedge Obligation related thereto, are less than all amounts owed with respect to all Series of Certificates, all Hedge Obligations on any Payment Date, such amounts available shall be applied on a pro-rata basis to Certificateholders of all Series and all related Counterparties in accordance with the ratio that the principal balance of each Series of Certificates Outstanding bears to the total amount of Certificates Outstanding under this Trust Agreement.

Termination Fees shall be secured by the Trust Estate subordinated to the security provided for each Series of Certificates and Hedge Obligations and payable only if and to the extent Supplemental Rent for such amounts has been received for distribution pursuant to Section 6.06(b) hereof.

(b) Except as otherwise expressly provided in Section 4.14(a) above, and elsewhere herein, all amounts payable by the Trustee with respect to a Series of Certificates, Hedge Obligations or to any Credit Enhancer who shall have issued a Credit Facility or municipal bond insurance policy securing such Series pursuant to this Trust Agreement shall be paid only from the portion of the Trust Estate derived from Basic Rent Payments made pursuant to the Lease Schedule corresponding to such Series and any related Hedge Agreement and only to the extent that the Trustee shall have actually received sufficient income or proceeds from such portion of the Trust Estate to make such payments. Each Certificateholder agrees, and each such Credit Enhancer, by its execution and delivery of a Credit Facility or municipal bond insurance policy shall be deemed to have agreed, and each Counterparty by its

execution and delivery of a Hedge Agreement shall be deemed to have agreed, except as otherwise expressly provided herein, to look solely to the income of and the proceeds from such portion of the Trust Estate to the extent available for distribution to such holder, each such Credit Enhancer and each Counterparty as herein provided and that the Trustee is not personally liable to any Certificateholder, Counterparty or any such Credit Enhancer for any amounts payable under this Trust Agreement or subject to any liability under this Trust Agreement except as a result of negligence or willful misconduct by the Trustee."

notice of prepayment, or (C) the payment to any Participant or any other Person, other than a Certificate Owner, as shown in the registration books kept by the Trustee, of any amount with respect to principal of, premium, if any, or interest on the Series 2012A Certificates. The Board, the Corporation and the Trustee may treat and consider the Person in whose name each Series 2012A Certificate is registered in the registration books kept by the Trustee as the Holder and absolute owner of such Series 2012A Certificate for the purpose of payment of principal of, premium, if any, and interest with respect to such Series 2012A Certificate, for providing notices with respect to such Series 2012A Certificate, for the purpose of registering transfers with respect to such Series 2012A Certificate, for the purpose of providing notices of prepayment, and for all other purposes whatsoever. The Trustee shall pay all principal of, premium, if any, and interest on the Series 2012A Certificates only to or upon the order of the respective holders, as shown in the registration books kept by the Trustee, or their respective attorneys duly authorized in writing, as provided herein and all such payments shall be valid and effective to fully satisfy and discharge the Board's obligations with respect to payment of principal of, premium, if any, and interest on the Series 2012A Certificates to the extent of the sum or sums so paid. No Person other than a holder, as shown in the registration books kept by the Trustee, shall receive a certificated Series 2012A Certificate evidencing the obligation of the Board to make payments of principal of, premium, if any, and interest pursuant to the provisions hereof. Upon delivery by DTC to the Board of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in the Trust Agreement with respect to transfers during certain time periods, the words "Cede & Co." herein shall refer to such new nominee of DTC; and upon receipt of such notice, the Board shall promptly deliver a copy of the same to the Trustee.

Upon (A) receipt by the Board of written notice from DTC (i) to the effect that a continuation of the requirement that all of the outstanding Series 2012A Certificates be registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, is not in the best interest of the beneficial owners of the Series 2012A Certificates or (ii) to the effect that DTC is unable or unwilling to discharge its responsibilities and no substitute depository willing to undertake the functions of DTC hereunder can be found which is willing and able to undertake such functions upon reasonable and customary terms, or (B) determination by the Board, in its sole discretion upon compliance with applicable DTC policies and procedures, that such book-entry only system is burdensome to the Board, the Series 2012A Certificates shall no longer be restricted to being registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, but may be registered in whatever name or names holders shall designate, in accordance with the provisions hereof. In such event, the Board shall issue and the Trustee shall authenticate, transfer and exchange Series 2012A Certificates of like principal amount and maturity, in denominations of \$5,000 or any integral multiple thereof to the holders thereof in accordance with the provisions of the Trust Agreement. The foregoing notwithstanding, until such time as participation in the

(d) All of the Series 2012A Certificates shall be Serial Certificates. The Series 2012A Certificates shall be substantially in the form set forth in Exhibit B to the Trust Agreement.

SECTION 204. LETTER OF INSTRUCTIONS. Attached hereto as Schedule 1 is the Letter of Instructions relating to the Series 2012A Certificates as required by Section 6.12 of the Trust Agreement. The Trustee, the Corporation and the Board agree to abide by the provisions of such Letter of Instructions in accordance with and to the extent of the terms of the Trust Agreement.

SECTION 205. FULL BOOK-ENTRY. Notwithstanding the provisions set forth in Section 201 hereof or Section 4.06 of the Trust Agreement, the Series 2012A Certificates shall be initially issued in the form of a separate single certificated fully registered Series 2012A Certificate for each of the maturities of the Series 2012A Certificates. Upon initial issuance, the ownership of each such Series 2012A Certificate shall be registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of The Depository Trust Company ("DTC"). Except as provided in this Section, all of the outstanding Series 2012A Certificates shall be registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC. As long as the Series 2012A Certificates shall be registered in the name of Cede & Co., all payments of interest on the Series 2012A Certificates shall be made by the Trustee by check or draft or by wire transfer to Cede & Co., as Holder of the Series 2012A Certificates.

With respect to Series 2012A Certificates registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, the Board, the Corporation and the Trustee shall have no responsibility or obligation to any participant in the DTC book-entry program or to any indirect participant (collectively, a "Participant"). Without limiting the immediately preceding sentence, the Board, the Corporation and the Trustee shall have no responsibility or obligation with respect to (A) the accuracy of the records of DTC, Cede & Co. or any Participant with respect to any ownership interest on the Series 2012A Certificates, (B) the delivery to any Participant or any other Person other than a Certificate Owner, as shown in the registration books kept by the Trustee, of any notice with respect to the Series 2012A Certificates, including any

In the event the conditions stated in the notice of prepayment are not satisfied on the proposed prepayment date, such prepayment shall not occur and such notice of prepayment shall be of no further force or effect. LETTER OF INSTRUCTIONS

The School Board of Hillsborough County, Florida
Tampa, Florida

The Bank of New York Mellon Trust Company, N.A.

Hillsborough School Board Leasing Corporation
Tampa, Florida

Re: \$124,565,000 Refunding Certificates of Participation (School Board of Hillsborough County, Florida Master Lease Program), Series 2012A Evidencing an Undivided Proportionate Interest of Owners thereof in Basic Rent Payments to be made under a Master Lease-Purchase Agreement by The School Board of Hillsborough County, Florida

Ladies and Gentlemen:

This letter of instructions is intended to set forth certain duties and requirements regarding the payment of rebatable arbitrage to the United States Treasury in compliance with Section 148(f) of the Internal Revenue Code of 1986, as amended (the "Code") to the extent necessary to preserve the tax-exempt treatment of interest on the above-referenced Refunding Certificates of Participation (the "Series 2012A Certificates"). The instructions contained in this letter are based upon said Section 148(f) of the Code and, by analogy, to the Regulations. However, it is not intended to be exhaustive.

The Series 2012A Certificates have been issued pursuant to a Master Trust Agreement, dated as of April 1, 1994, as amended and supplemented, including, in particular, by the Series 2012A Supplemental Trust Agreement, dated as of April 1, 2012 (collectively, the "Trust Agreement"), among The Bank of New York Mellon Trust Company, N.A., as trustee (the "Trustee"), the Hillsborough School Board Leasing Corporation, a Florida not-for-profit corporation, as lessor (the "Corporation"), and The School Board of Hillsborough County, Florida, a school board of the State of Florida, as lessee (the "Board"). The Series 2012A Certificates represent undivided proportionate interests of the Owners of the Series 2012A Certificates in a portion of the Basic Rent

16

Payments to be made under a Master Lease-Purchase Agreement, dated as of April 1, 1994, as amended and supplemented, in particular as amended and supplemented by Amended and Restated Lease Schedule No. 2002, dated as of April 1, 2012 and Amended and Restated Lease Schedule No. 2003B, dated as of April 1, 2012 (collectively, the "Lease Agreement"), between the Corporation and the Board. Pursuant to an Assignment of Lease Agreement, dated as of April 1, 1994, as amended, between the Corporation and the Trustee, the Corporation has assigned all of its rights, title and interest in and to the Amended and Restated Lease Schedule No. 2002 and Amended and Restated Lease Schedule No. 2003B (other than certain rights and obligations specifically excepted therein), including, without limitation, the right to receive the Basic Rent Payments, when due, to the Trustee for the benefit of the Owners of the Series 2012A Certificates, the Outstanding 2002 Certificates and the Outstanding Series 2003B Certificates.

Since the requirements of said Section 148(f) are subject to amplification and clarification, it may be necessary to supplement or modify the instructions contained in this letter from time to time to reflect any additional or different requirements of said Section and the Regulations or to specify that actions set forth in this letter are no longer required or that some further or different action is required to maintain or assure the exemption from federal income tax of the interest on the Series 2012A Certificates.

For purposes of this letter, any instructions relating to a fund, account or subaccount established under the Trust Agreement shall be deemed to apply only to that portion of such fund, account or subaccount allocable to the Series 2012A Certificates.

1. Tax Covenants. Pursuant to the Trust Agreement, the Corporation and the Board have made certain covenants designed to assure that the Interest Component of the Basic Rent Payments is and shall remain excludable from gross income for purposes of federal income taxation. In order to preserve this exemption neither the Corporation nor the Board should, directly or indirectly, use or permit the use of any proceeds of the Series 2012A Certificates or the Lease Payments or any other funds or take or omit to take any action that would cause the Series 2012A Certificates to be "arbitrage bonds" within the meaning of Section 148 of the Code or that would cause the Interest Component of the Basic Rent Payments to be subject to be included in gross income for federal income tax purposes under the provisions of the Code. The Board must comply with all other requirements as shall be determined by Special Counsel to be necessary or appropriate to assure that the Interest Component of the Basic Rent Payments will be excludable from gross income for purposes of federal income taxation. To that end, the Corporation and the Board shall comply with all requirements of Section 148 of the Code to the extent applicable to the Series 2012A Certificates.

2. Definitions. Capitalized terms used in this letter, but not otherwise defined herein, shall have the same meanings set forth in Exhibit A to the Trust Agreement and in

the Board's Certificate as to Arbitrage and Certain Other Tax Matters relating to the Series 2012A Certificates.

"Certificate Year" means any one-year period (or shorter period from the Issue Date) ending on the close of business on the day preceding the anniversary of the Issue Date; provided, however, that the Board may select any other day as the end of a Certificate Year if such selection is made prior to the earlier of the final maturity date of the Series 2012A Certificates or the fifth anniversary of the Issue Date.

"Computation Date" means (i) any date selected by the Board which is not more than 5 years later than the latter of (x) the date of issue or (y) the most recent Computation Date and (ii) the date all Series 2012A Certificates are finally paid or discharged; provided, however, that for purposes of paying any penalty due as a result of an election of the Board pursuant to Section 3(e) hereof, the Computation Date shall be the last day of each six-month period described in said Section 3(e).

"Code" means the Internal Revenue Code of 1986, as amended.

"Computation Date" means each date selected by the Board as a computation date pursuant to Section 1.148-3(e) of the Regulations and the Final Computation Date.

"Fair Market Value" means, when applied to a Nonpurpose Investment, the Fair Market Value of such Investment as determined in accordance with Section 4 hereof.

"Final Computation Date" means the date the Series 2012A Certificates are discharged.

"Gross Proceeds" means, with respect to the Series 2012A Certificates:

- (1) Amounts constituting Sale Proceeds of the Series 2012A Certificates.
- (2) Amounts constituting Investment Proceeds of the Series 2012A Certificates.
- (3) Amounts constituting Transferred Proceeds of the Series 2012A Certificates.
- (4) Other amounts constituting Replacement Proceeds of the Series 2012A Certificates.
- (5) Amounts that constitute Pledged Moneys (as defined below) and that are derived directly or indirectly from the Board (or a governmental unit of which the Board is a part) or any other person who substantially benefits from the issuance of the Series 2012A Certificates.

"Investment Proceeds" means any amounts actually or constructively received from investing proceeds of the Series 2012A Certificates.

"Investment Property" means any security, obligation or other property held principally as a passive vehicle for the production of income, within the meaning of Section 1.148-1(b) of the Regulations.

"Issue Date" means April 3, 2012.

"Net Proceeds" means Sale Proceeds, less the portion of such Proceeds invested in a reasonably required reserve or replacement fund under the Code.

"Nonpurpose Investment" shall have the meaning ascribed to such term in Section 148 of the Code and shall include any Investment Property in which Gross Proceeds are invested which is not acquired to carry out the governmental purpose of the Series 2012A Certificates, e.g., obligations acquired with Gross Proceeds that are invested temporarily until needed for the governmental purpose of the Series 2012A Certificates, that are used to discharge a prior issue, or that are invested in a reasonably required reserve or replacement fund.

"Nonpurpose Payments" shall include the payments with respect to Nonpurpose Investments specified in Section 1.148-3(d)(1)(i)-(v) of the Regulations.

"Nonpurpose Receipts" shall include the receipts with respect to Nonpurpose Investments specified in Section 1.148-3(d)(2)(i)-(iii) of the Regulations.

"Pledged Moneys" means moneys that are reasonably expected to be used directly or indirectly to pay debt service on the Series 2012A Certificates (or to reimburse a municipal bond insurer) or as to which there is a reasonable assurance that such moneys or the earnings thereon will be available directly or indirectly to pay debt service on the Series 2012A Certificates (or to reimburse a municipal bond insurer) if the Board encounters financial difficulties.

"Pre-Issuance Accrued Interest" means amounts representing interest that has accrued on an obligation for a period of not greater than one year before its issue date but only if those amounts are paid within one year after the Issue Date.

"Proceeds" means any Sale Proceeds, Investment Proceeds and Transferred Proceeds of the Certificates.

"Qualified Administrative Costs" means reasonable, direct administrative costs, other than carrying costs, such as separately stated brokerage and selling commissions that are comparable to those charged nongovernmental entities in transactions not involving tax-exempt bond proceeds, but not legal and accounting fees, recordkeeping, custody or similar costs. In addition, with respect to a guaranteed investment contract or

investments purchased for a yield restricted defeasance escrow, such costs will be considered reasonable if (1) the amount of the fee the Issuer treats as a Qualified Administrative Cost does not exceed the lesser of (a) \$37,000 (for calendar year 2012), or (b) the greater of (x) .2% of the "computational base", or (y) \$4,000; and (2) the Issuer does not treat as Qualified Administrative Costs more than \$103,000 (for calendar year 2012) in brokers' commissions or similar fees with respect to all guaranteed investment contracts and investments for yield restricted defeasance escrows purchased with Gross Proceeds of the issue. For purposes of this definition only, "computational base" shall mean, with respect to guaranteed investment contracts, the amount of Gross Proceeds the Issuer reasonably expects, as of the date the contract is acquired, to be deposited in the guaranteed investment contract over the term of the contract and for investments other than guaranteed investment contracts, "computational base" shall mean the amount of Gross Proceeds initially invested in such investments. The above-described safe harbor dollar amounts shall be increased each calendar year for cost-of-living adjustments pursuant to Section 1.148-5(e) of the Regulations.

"Rebatable Arbitrage" means, as of any Computation Date, the excess of the future value of all Nonpurpose Receipts over the future value of all Nonpurpose Payments.

"Rebate Fund" means the Rebate Fund established pursuant to the Trust Agreement and described in Section 3 hereof.

"Regulations" means Treasury Regulations Sections 1.148-0 through 1.148-11, 1.149(b)-1 and (d)-1, and 1.150-0 through 1.150-2, as amended, and any regulations amendatory, supplementary or additional thereto.

"Replacement Proceeds" means amounts that have a sufficiently direct nexus to the Series 2012A Certificates or to the governmental purpose of the Series 2012A Certificates to conclude that the amounts would have been used for that governmental purpose if the Proceeds of the Series 2012A Certificates were not used or to be used for that governmental purpose. For this purpose, governmental purposes include the expected use of amounts for the payment of debt service on a particular date. The mere availability or preliminary earmarking of amounts for a governmental purpose, however, does not in itself establish a sufficient nexus to cause those amounts to be Replacement Proceeds. Replacement Proceeds include, but are not limited to, amounts held in a sinking fund or a pledged fund. For these purposes, an amount is pledged to pay principal or interest on the Series 2012A Certificates if there is reasonable assurance that the amount will be available for such purposes in the event that the issuer encounters financial difficulties.

"Sale Proceeds" means any amounts actually or constructively received by the Board from the sale of the Series 2012A Certificates, including amounts used to pay underwriters' discount or compensation and interest other than Pre-Issuance Accrued

S-4

S-5

Interest. Sale Proceeds shall also include, but are not limited to, amounts derived from the sale of a right that is associated with a Series 2012A Certificate and that is described in Section 1.148-4(b)(4) of the Regulations.

"Special Counsel" means Nabors, Giblin & Nickerson, P.A., Tampa, Florida or such other firm of nationally recognized bond counsel as may be selected by the Board.

"Tax-Exempt Investment" means (i) an obligation the interest on which is excluded from gross income pursuant to Section 103 of the Code, (ii) United States Treasury-State and Local Government Series, Demand Deposit Securities, and (iii) stock in a tax-exempt mutual fund as described in Section 1.150-1(b) of the Regulations. Tax-Exempt Investment shall not include a specified private activity bond as defined in Section 57(a)(5)(C) of the Code. For purposes of these Rebate Instructions, a tax-exempt mutual fund includes any regulated investment company within the meaning of Section 851(a) of the Code meeting the requirements of Section 852(a) of the Code for the applicable taxable year; having only one class of stock authorized and outstanding; investing all of its assets in tax-exempt obligations to the extent practicable; and having at least 98 percent of (1) its gross income derived from interest on, or gain from the sale of or other disposition of, tax-exempt obligations or (2) the weighted average value of its assets represented by investments in tax-exempt obligations.

"Transferred Proceeds" shall have the meaning provided therefor in Section 1.148-9 of the Regulations.

"Universal Cap" means the value of all then outstanding Series 2012A Certificates.

"Value" (of a Series 2012A Certificate) means with respect to a Series 2012A Certificate issued with not more than two percent original issue discount or original issue premium, the outstanding principal amount, plus accrued unpaid interest; for any other Series 2012A Certificate, its present value.

"Value" (of an Investment) shall have the following meaning in the following circumstances:

(1) **General Rules.** Subject to the special rules in the following paragraph, an issuer may determine the value of an investment on a date using one of the following valuation methods consistently applied for all purposes relating to arbitrage and rebate with respect to that investment on that date:

(a) an investment with not more than two percent original issue discount or original issue premium may be valued at its outstanding stated principal amount, plus accrued unpaid interest on such date;

(b) a fixed rate investment may be valued at its present value on such date; and

(c) an investment may be valued at its Fair Market Value on such date.

(2) **Special Rules.** Yield restricted investments are to be valued at present value provided that (except for purposes of allocating Transferred Proceeds to an issue, for purposes of the Universal Cap and for investments in a commingled fund other than a bona fide debt service fund unless it is a certain commingled fund):

(a) an investment must be valued at its Fair Market Value when it is first allocated to an issue, when it is disposed of and when it is deemed acquired or deemed disposed of, and provided further that;

(b) in the case of Transferred Proceeds, the Value of a Nonpurpose Investment that is allocated to Transferred Proceeds of a refunding issue on a transfer date may not exceed the Value of that investment on the transfer date used for purposes of applying the arbitrage restrictions to the refunded issue.

"Yield on the Series 2012A Certificates" means, for all Computation Dates, the Yield expected as of the date hereof on the Series 2012A Certificates over the term of such Series 2012A Certificates computed by:

(1) using as the purchase price of the Series 2012A Certificates, the amount at which such Series 2012A Certificates were sold to the public within the meaning of Sections 1273 and 1274 of the Code; and

(2) assuming that all of the Series 2012A Certificates will be paid at their scheduled maturity dates or in accordance with any mandatory redemption requirements.

"Yield" means, generally, the discount rate which, when used in computing the present value of all the unconditionally payable payments of principal and interest on an obligation and all the payments for qualified guarantees paid and to be paid with respect to such obligation, produces an amount equal to the present value of the issue price of such obligation. Present value is computed as of the date of issue of the obligation. There are, however, many additional specific rules contained in the Regulations which apply to the calculation and recalculation of yield for particular obligations and such rules should be consulted prior to calculating the yield for the Series 2012A Certificates on any Computation Date. Yield shall be calculated on a 360-day year basis with interest compounded semi-annually. For this purpose the purchase price of a Nonpurpose Investment or Tax-Exempt Investment is its Fair Market Value, as determined pursuant to Section 4 of this letter, as of the date that it becomes allocated to Gross Proceeds of the Series 2012A Certificates.

3. Payment of Rebatable Arbitrage.

S-6

D-33

S-7

(a) In order to maintain the exemption from federal income tax of the Interest Component of the Basic Rent Payments, the Trustee, upon the written direction of the Board in accordance with Section 6.12 of the Trust Agreement, shall pay the Rebatable Arbitrage to the United States Government at the times and in the amounts determined herein from amounts on deposit in the Rebate Fund. For purposes of determining the Rebatable Arbitrage, the Board should cause the calculations to be made by competent tax counsel or other financial or accounting advisors or persons to ensure correct application of the rules contained in the Code and the Regulations relating to arbitrage rebate and, if the Board fails to retain such advisors for such purpose, the Trustee should retain such advisors for such purpose, but only at the expense of the Board.

(b) Within 30 days after any Computation Date, the Board must calculate or cause to be calculated the Rebatable Arbitrage or any penalty due pursuant to Section 3(d) below. The Board agrees to pay the Trustee the amount of the Rebatable Arbitrage for deposit to the Rebate Fund on or before the same must be remitted by the Trustee. Upon receipt of such Rebatable Arbitrage from the Board, but in no event later than 60 days following the Computation Date, the Trustee must remit (but only from amounts received from the Board) an amount which when added to the future value of previous rebate payments is not less than 90 percent (100 percent with respect to the Computation Date on the final repayment or retirement of the Series 2012A Certificates plus the income, if any, from the investment of the Rebatable Arbitrage due the United States Government after the final Computation Date) of the Rebatable Arbitrage.

Each payment must be accompanied by Internal Revenue Service Form 8038-T.

(c) The obligation to pay Rebatable Arbitrage to the United States, as described in this letter, shall be treated as satisfied with respect to the Series 2012A Certificates if (i) Gross Proceeds are expended for the governmental purpose of the Series 2012A Certificates by no later than the date which is six months after the Issue Date and if it is not anticipated that any other Gross Proceeds will arise during the remainder of the term of the Series 2012A Certificates and (ii) the requirement to pay Rebatable Arbitrage, if any, to the United States with respect to the portion of the Reserve Account allocable to the Series 2012A Certificates, if any, is met. For purposes described above, Gross Proceeds do not include (i) amounts deposited in a bona fide debt service fund, so long as the funds therein constitute bona fide debt service funds, or a reasonably required reserve or replacement fund (as defined in Section 1.148-1 of the Regulations and meeting the requirements of Section 1.148-2(f) of the Regulations), (ii) amounts that, as of the Issue Date, are not reasonably expected to be Gross Proceeds but that become Gross Proceeds after the date which is six months after the Issue Date, (iii) amounts representing Sale or Investment Proceeds derived from any Purpose Investment (as defined in Section 1.148-1 of the Regulations) and earnings on those payments, and (iv) amounts representing any repayments of grants (as defined in Section 1.148-6(d)(4) of the Regulations). If Gross Proceeds are in fact expended by such date, then, except as to amounts, if any, on deposit

in the Reserve Account, Rebatable Arbitrage with respect to such Gross Proceeds need not be calculated and no payment thereof to the United States Department of Treasury need be made. Use of Gross Proceeds to redeem Series 2012A Certificates shall not be treated as an expenditure of such Gross Proceeds.

Notwithstanding the foregoing, if Gross Proceeds which were reasonably expected to be Gross Proceeds on the Issue Date actually become available after the date which is six months after the Issue Date, as determined by the Board, then the requirements described herein relating to the calculation of Rebatable Arbitrage and the payment thereof to the United States must be satisfied, except that no such calculation or payment need be made with respect to the initial six-month period. Any other amounts not described in this Section which constitute Gross Proceeds, other than a bona fide debt service fund, will be subject to rebate.

(d) The Board and the Trustee should keep or cause to be kept proper books of records and accounts containing complete and correct entries of all transactions relating to the receipt, investment, disbursement, allocation and application of the moneys related to the Series 2012A Certificates, including moneys derived from, pledged to, or to be used to make payments on the Series 2012A Certificates. Such records shall, at a minimum, be sufficient to enable the Board to calculate the Rebatable Arbitrage and, if necessary, shall specify the account or fund to which each investment (or portion thereof) is to be allocated and shall set forth, in the case of each investment security, (i) its purchase price, (ii) identifying information, including par amount, coupon rate, and payment dates, (iii) the amount received at maturity or its sale price, as the case may be, including accrued interest, (iv) the amounts and dates of any payments made with respect thereto, and (v) the dates of acquisition and disposition or maturity.

4. Market Price Rules. Except as provided below, the Board agrees to comply with the requirements relating to the "Fair Market Value" of acquired Nonpurpose Investments, as defined in Section 1.148-5(d) of the Regulations ("Fair Market Value"). All investments required to be made pursuant to this letter shall be made to the extent permitted by law. In this regard, the Board agrees, among other things, that it will not acquire or cause to be acquired a Nonpurpose Investment (or any other investment acquired with Gross Proceeds or on deposit in the Rebate Fund), for a price in excess of its Fair Market Value or sell any such investment at a price (determined without any reduction for transaction costs) less than its Fair Market Value, except as provided below. For this purpose, the following rules shall apply:

(a) Established securities markets. Except as otherwise provided below, any market especially established to provide a security or obligation to an issuer of municipal obligations shall not be treated as an established market and shall be rebuttably presumed to be acquired or disposed of for a price that is not its Fair Market Value.

S-8

S-9

(b) Arm's-length price. Any transaction in which a Nonpurpose Investment is directly purchased with Gross Proceeds, or in which a Nonpurpose Investment allocable to Gross Proceeds is disposed of, shall be undertaken in a bona fide arm's-length manner, and no amount shall be paid to reduce the yield on the Nonpurpose Investment.

(c) Safe harbor for establishing Fair Market Value for guaranteed investment contracts and Nonpurpose Investments purchased for a yield restricted defeasance escrow. In the case of a guaranteed investment contract or Nonpurpose Investments purchased for a yield restricted defeasance escrow, the purchase price shall not be considered to be an arm's-length price unless all the following conditions are met:

(i) The Board makes a bona fide solicitation ("Bona Fide Solicitation") for the purchase of the investment that satisfies all of the following requirements:

(1) The bid specifications are in writing and are timely forwarded to potential providers;

(2) The bid specifications include all terms of the bid that may directly or indirectly affect the yield or the cost of the investment;

(3) The bid specifications include a statement notifying potential providers that submission of a bid is a representation that the potential provider did not consult with any other potential provider about its bid, that the bid was determined without regard to any other formal or informal agreement that the potential provider has with the Board or any other person (whether or not in connection with the bond issue), and that the bid is not being submitted solely as a courtesy to the Board or any other person for purposes of satisfying these requirements;

(4) The terms of the bid specifications are such that there is a legitimate business purpose for each term other than to increase the purchase price or reduce the yield of the investment (e.g., for solicitations of Nonpurpose Investments for a yield restricted defeasance escrow, the hold firm period must be no longer than the Board reasonably requires);

(5) For purchases of guaranteed investment contracts only, the terms of the solicitation take into account the Board's reasonably expected deposit and draw down schedule for the amounts to be invested;

(6) All potential providers have an equal opportunity to bid (e.g., no potential provider is given the opportunity to review other bids before providing a bid); and

(7) At least three providers are solicited for bids that have an established industry reputation as a competitive provider of the type of investments being purchased.

(ii) The bids received by the Board must meet all of the following requirements:

(1) The Board receives at least three bids from providers that the Board solicited under a Bona Fide Solicitation and that do not have a material financial interest in the issue. A lead underwriter in a negotiated underwriting transaction is deemed to have a material financial interest in the issue until 15 days after the issue date of the issue. In addition, any entity acting as a financial advisor with respect to the purchase of the investment at the time the bid specifications are forwarded to potential providers has a material financial interest in the issue. A provider that is a related party to a provider that has a material financial interest in the issue is deemed to have a material financial interest in the issue.

(2) At least one of the three bids described in paragraph (c) (ii)(1) above is from a provider that has an established industry reputation as a competitive provider of the type of investments being purchased; and

(3) If the Board uses an agent to conduct the bidding process, the agent did not bid to provide the investment.

(iii) The winning bid must meet the following requirements:

(1) Guaranteed investment contracts. If the investment is a guaranteed investment contract, the winning bid is the highest yielding bona fide bid (determined net of any broker's fees).

(2) Other Nonpurpose Investments. If the investment is not a guaranteed investment contract, the following requirements are met:

(A) The winning bid is the lowest cost bona fide bid (including any broker's fees). The lowest bid is either the lowest cost bid for the portfolio or, if the Board compares the bids on an investment-by-investment basis, the aggregate cost of a portfolio comprised of the lowest cost bid for each investment. Any payment received by the Board from a provider at the time a guaranteed investment contract is purchased (e.g., an escrow float contract) for a yield restricted defeasance escrow under a bidding procedure meeting these requirements is taken into account in determining the lowest cost bid.

(B) The lowest cost bona fide bid (including any broker's fees) is not greater than the cost of the most efficient portfolio comprised exclusively of State and Local Government Series Securities from the United States Department of the Treasury, Bureau of Public Debt. The cost of the most efficient portfolio of State and Local Government Series Securities is to be determined at the time that bids are required to be submitted pursuant to the terms of the bid specifications. If such State and Local Government Series Securities are not available for purchase on the day that bids are required to be submitted because sales of those securities have been suspended, the cost comparison described in this paragraph is not required.

(iv) The provider of the investments or the obligor on the guaranteed investment contract certifies the administrative costs that it pays (or expects to pay) to third parties in connection with supplying the investment.

(d) The Board shall retain certificates and records documenting compliance with the above requirements until three years after the last outstanding Series 2012A Certificate is redeemed including, but not limited to, the following:

(i) For purchases of guaranteed investment contracts, a copy of the contract, and for purchases of Nonpurpose Investments other than guaranteed investment contracts, the purchase agreement or confirmation;

(ii) The receipt or other record of the amount actually paid by the Board for the investments, including a record of any administrative costs paid by the Board and the certification required in paragraph (c)(iv) above;

(iii) For each bid that is submitted, the name of the person and entity submitting the bid, the time and date of the bid, and the bid results;

(iv) The bid solicitation form and, if the terms of the purchase agreement or the guaranteed investment contract deviated from the bid solicitation form or a submitted bid is modified, a brief statement explaining the deviation and stating the purpose for the deviation; and

(v) For purchase of Nonpurpose Investments other than guaranteed investment contracts, the cost of the most efficient portfolio of State and Local Government Series Securities, determined at the time that the bids were required to be submitted.

Certificates in substantially the forms of subparagraphs (v) and (vi) above must be obtained to evidence the foregoing.

S-12

9. Board Obligations. Except for any Rebtable Arbitrage which accrues prior to the date of termination of the Lease, the Board shall have no further obligations hereunder subsequent to the termination of the Lease Agreement.

5. Records. The Board and the Trustee should retain all records with respect to the calculations required by this letter for at least six years after the date on which the last of the principal of and interest on the Series 2012A Certificates has been paid, whether upon maturity, redemption, or acceleration thereof.

6. Modification Upon Receipt of Special Counsel Opinion. Notwithstanding any provision of this letter, if the Board and the Trustee shall receive an opinion of Special Counsel that any specified instructions set forth in this letter are no longer required or that some further or different action is required to maintain or assure the exclusion from federal gross income of the Interest Component of the Basic Rent Payments, the Board and the Trustee may conclusively rely on such opinion in complying with the requirements of this letter and the instructions contained in this letter shall be deemed to be modified to that extent. The provisions of this and the instructions contained in this letter may be amended or modified in any manner which is necessary to comply with such regulations as may be promulgated by the United States Treasury Department from time to time.

7. Accounting for Gross Proceeds. In order to perform the calculations required by the Code and the Regulations, it is necessary to track the investment and expenditure of all Gross Proceeds. To that end, the Board must adopt reasonable and consistently applied methods of accounting for all Gross Proceeds. Appendix I hereto sets forth a description of the required allocation and accounting rules with which the Board agrees to comply.

8. Administrative Costs of Investments. Except as otherwise provided in this Section 8, an allocation of Gross Proceeds to a payment or receipt on a Nonpurpose Investment is not adjusted to take into account any costs or expenses paid, directly or indirectly, to purchase, carry, sell or retire the Nonpurpose Investment (administrative costs). Thus, administrative costs generally do not increase the payments for, or reduce the receipts from, Nonpurpose Investments.

In determining payments and receipts on Nonpurpose Investments, Qualified Administrative Costs are taken into account by increasing payments for, or reducing the receipts from, the Nonpurpose Investments. Qualified Administrative Costs are reasonable, direct administrative costs, other than carrying costs, such as separately stated brokerage or selling commissions, but not legal and accounting fees, recordkeeping, custody and similar costs. General overhead costs and similar indirect costs of the Board such as employee salaries and office expenses and costs associated with computing Rebtable Arbitrage are not Qualified Administrative Costs.

Allocation and accounting rules are provided in Appendix I attached hereto.

S-13

10. Trustee Obligations. Except for matters set forth in Sections 3(a), (b) and (f) hereof and Section 6.12 of the Trust Agreement, the parties hereto agree that the Trustee shall have no further obligations hereunder or under the Trust Agreement relating to the matters set forth in this letter.

APPENDIX I

ALLOCATION AND ACCOUNTING RULES

(a) General Rule. Any issuer may use any reasonable, consistently applied accounting method to account for Gross Proceeds, investments and expenditures of an issue. An accounting method is "consistently applied" if it is applied uniformly within a Fiscal Period (as hereinafter defined) and between Fiscal Periods to account for Gross Proceeds of an issue and any amounts that are in a commingled fund.

(b) Allocation of Gross Proceeds to an Issue. Amounts are allocable to only one issue at a time as Gross Proceeds. Amounts cease to be allocated to an issue as Proceeds only when those amounts (i) are allocated to an expenditure for a governmental purpose; (ii) are allocated to Transferred Proceeds of another issue of obligations; or (iii) cease to be allocated to that issue at retirement of the issue or under the Universal Cap.

(c) Allocation of Gross Proceeds to Investments. Upon the purchase or sale of a Nonpurpose Investment, Gross Proceeds of an issue are not allocated to a payment for that Nonpurpose Investment in an amount greater than, or to a receipt from that Nonpurpose Investment in an amount less than, the Fair Market Value of the Nonpurpose Investment as of the purchase or sale date. The Fair Market Value of a Nonpurpose Investment is adjusted to take into account Qualified Administrative Costs allocable to the investment. Thus, Qualified Administrative Costs increase the payments for, or decrease the receipts from, a Nonpurpose Investment.

(d) Allocation of Gross Proceeds to Expenditures. Reasonable accounting methods for allocating funds from different sources to expenditures for the same governmental purpose include a "specific tracing" method, a "gross-proceeds-spent-first" method, a "first-in-first-out" method or a ratable allocation method, so long as the method used is consistently applied. An allocation of Gross Proceeds of an issue to an expenditure must involve a current outlay of cash for a governmental purpose of the issue. A current outlay of cash means an outlay reasonably expected to occur not later than five banking days after the date as of which the allocation of Gross Proceeds to the expenditure is made.

(e) Commingled Funds. Any fund or account that contains both Gross Proceeds of an issue and amounts in excess of \$25,000 that are not Gross Proceeds of that issue if the amounts in the fund or account are invested and accounted for collectively, without regard to the source of the funds deposited therein, constitutes a "commingled fund." All payments and receipts (including deemed payments and receipts) on investments held by a commingled fund must be allocated (but not necessarily distributed) among each different source of funds invested in the commingled fund in

accordance with a consistently applied, reasonable ratable allocation method. Reasonable ratable allocation methods include, without limitation, methods that allocate payments and receipts in proportion to either (i) the average daily balances of the amounts in the commingled fund from each different source of funds during any consistent time period within its fiscal year, but at least quarterly (the "Fiscal Period"); or (ii) the average of the beginning and ending balances of the amounts in the commingled fund from each different source of funds for a Fiscal Period that does not exceed one month.

Funds invested in the commingled fund may be allocated directly to expenditures for governmental purposes pursuant to a reasonable consistently applied accounting method. If a ratable allocation method is used to allocate expenditures from the commingled fund, the same ratable allocation method must be used to allocate payments and receipts on investments in the commingled fund.

Generally a commingled fund must treat all its investments as if sold at Fair Market Value either on the last day of the fiscal year or on the last day of each Fiscal Period. The net gains or losses from these deemed sales of investments must be allocated to each different source of funds invested in the commingled fund during the period since the last allocation. This mark-to-market requirement does not apply if (i) the remaining weighted average maturity of all investments held by a commingled fund during a particular fiscal year does not exceed 18 months, and the investments held by the commingled fund during that fiscal year consist exclusively of obligations; or (ii) the commingled fund operated exclusively as a reserve fund, sinking fund or replacement fund for two or more issues of the same issuer. Subject to the Universal Cap limitation, and the principle that amounts are allocable to only one issue at a time as Gross Proceeds, investments held by a commingled fund must be allocated ratably among the issues served by the commingled fund in proportion to either (i) the relative values of the bonds of those issues; (ii) the relative amounts of the remaining maximum annual debt service requirements on the outstanding principal amounts of those issues; or (iii) the relative original stated principal amounts of the outstanding issues.

(f) Universal Cap. Amounts that would otherwise be Gross Proceeds allocable to an issue are allocated (and remain allocated) to the issue only to the extent that the Value of the Nonpurpose Investments allocable to those Gross Proceeds does not exceed the Value of all outstanding bonds of the issue. Nonpurpose Investments allocated to Gross Proceeds in a bona fide debt service fund for an issue are not taken into account in determining the Value of the Nonpurpose Investments, and those Nonpurpose Investments remain allocated to the issue. To the extent that the Value of the Nonpurpose Investments allocable to the Gross Proceeds of an issue exceed the Value of all outstanding bonds of that issue, an issuer should seek the advice of Bond Counsel for the procedures necessary to comply with the Universal Cap.

(g) Expenditure for Working Capital Purposes. Subject to certain exceptions, the Proceeds of an issue may only be allocated to "working capital expenditures" as of

Appendix I-1

Appendix I-2

any date to the extent that those expenditures exceed "available amounts" as of that date (i.e., "proceeds-spent-last").

For purposes of this section, "working capital expenditures" include all expenditures other than "capital expenditures." "Capital expenditures" are costs of a type properly chargeable (or chargeable upon proper election) to a capital account under general federal income tax principles. Such costs include, for example, costs incurred to acquire, construct or improve land, buildings and equipment having a reasonably expected useful life in excess of one year. Thus, working capital expenditures include, among other things, expenditures for current operating expenses and debt service.

For purposes of this section, "available amount" means any amount that is available to an issuer for working capital expenditure purposes of the type financed by the issue. Available amount excludes Proceeds of the issue but includes cash, investments and other amounts held in accounts or otherwise by an issuer for working capital expenditures of the type being financed by the issue without legislative or judicial action and without a legislative, judicial or contractual requirement that those amounts be reimbursed. Notwithstanding the preceding sentence, a "reasonable working capital reserve" is treated as unavailable. A working capital reserve is reasonable if it does not exceed five percent of the actual working capital expenditures of an issuer in the fiscal year before the year in which the determination of available amounts is made. For purpose of the preceding sentence only, in determining the working capital expenditures of an issuer for a prior fiscal year, any expenditures (whether capital or working capital expenditures) that are paid out of current revenues may be treated as working capital expenditures.

The proceeds-spent-last requirement does not apply to expenditures to pay (i) any Qualified Administrative Costs; (ii) fees for qualified guarantees of the issue or payments for a qualified hedge for the issue; (iii) interest on the issue for a period commencing on the Issue Date and ending on the date that is the later of three years from the Issue Date or one year after the date on which the financed project is placed in service; (iv) the United States for yield reduction payments (including rebate payments) or penalties for the failure to meet the spend down requirements associated with certain spending exceptions to the rebate requirement; (v) costs, other than those described in (i) through (iv) above, that do not exceed five percent of the Sale Proceeds of an issue and that are directly related to capital expenditures financed by the issue (e.g., initial operating expenses for a new capital project); (vi) principal or interest on an issue paid from unexpected excess sale or Investment Proceeds; (vii) principal or interest on an issue paid from investment earnings on a reserve or replacement fund that are deposited in a bona fide debt service fund; and (viii) principal, interest or redemption premium on a prior issue and, for a crossover refunding issue, interest on that issue. Notwithstanding the preceding paragraph, the exceptions described above do not apply if the allocation merely substitutes Gross Proceeds for other amounts that would have been used to make those expenditures in a manner that gives rise to Replacement Proceeds.

(b) Whenever the Board, in its discretion, determines to lease a Project hereunder, it shall prepare and submit to the Corporation a Lease Schedule relating to such Project. Such Lease Schedule shall be in substantially the form set forth as Exhibit C hereto. The Corporation shall have no obligation to acquire, construct or install, or cause to be acquired, constructed or installed pursuant to Section 3.03 hereof, any portion of a Project until the Corporation has been furnished with a Lease Schedule describing such Project and complying with the provisions of the following paragraph.

(c) Each Lease Schedule submitted by the Board to the Corporation shall be accompanied by the following items:

SECTION 3.02. RIGHT OF ENTRY. In order to enable the Corporation to carry out the terms of this Lease Agreement, to provide for the acquisition, construction and installation of the Projects and to facilitate the exercise of remedies upon an Event of Default or Event of Non-Appropriation hereunder, the Board hereby grants a right of entry to the Corporation, its agents and assignees, including, without limitation, the Trustee, and, subject to the provisions of Section 7.03 hereof, at reasonable times and upon reasonable notice, to each of the Projects. The Board represents that it is empowered to grant such right of entry to the Trustee and the Corporation.

SECTION 3.03. ACQUISITION AND CONSTRUCTION OF THE PROJECTS.

(a) The Corporation shall provide for the acquisition, construction and installation of each Project by the Board, as agent of the Corporation, pursuant to applicable State law and Section 3.08 hereof. Title to each Project shall be in the name of the Corporation, except as otherwise provided in Section 4.07 hereof or in Section 7.07 of the Trust Agreement. The Trustee shall establish a separate subaccount in the Project Account for each Project leased hereunder in accordance with Section 6.02 of the Trust Agreement. Amounts on deposit in each subaccount of the Project Account held by the Trustee pursuant to the Trust Agreement shall be disbursed by the Trustee to the Board or the Person designated by the Board to pay Costs of the Project for which such subaccount was established. Such disbursements shall be made pursuant to Requisitions submitted by the Board to the Trustee in accordance with the procedures set forth in the Trust Agreement. Such Requisitions shall be in the form set forth as Exhibit B hereto and shall be accompanied by such further documentation as set forth herein and in Section 6.03 of the Trust Agreement. The Corporation hereby agrees that the Board may be reimbursed for expenditures of moneys made by the Board for Project Costs in anticipation of the issuance of Certificates to fund such Project Costs by filing Requisitions, with the documentation required by Section 6.03 of the Trust Agreement. The Board hereby agrees that, upon its receipt of such reimbursement, the title to any portion of a Project previously acquired will be transferred to the Corporation other than Designated Equipment.

(b) The Corporation and the Board agree that they will assure that each Project will be acquired, constructed and installed in

5

accordance with the Plans and Specifications. The Corporation and the Board further agree that each Project will be acquired, constructed and installed in accordance with the Project Budget and the Project Schedule relating thereto, which shall be provided in the Lease Schedule for such Project. The Board may, at any time prior to the Completion Date for a Project, make modifications to such Project and substitute items or components constituting a portion of such Project, subject to the provisions of this Section 3.03(b), if (i) the Board files with the Trustee, as assignee of the Corporation, a certificate of an Authorized Officer of the Board notifying the Trustee of such modification, addition or substitution, identifying the portion of such Project which is modified, added or substituted, and certifying that after such modification, addition or substitution, amounts on deposit in the subaccount of the Project Account relating to such Project, together with interest earnings thereon and any additional legally available sums of the Board deposited therein, will be sufficient to pay all remaining Costs of such Project, including Project Costs incurred in connection with such modification, addition or substitution and any Project Costs which shall have accrued but remain unpaid as of such date, (ii) if the modification, addition or substitution involves Equipment, either the items of substituted Equipment have a useful life equal to or greater than the useful life of the items of Equipment for which it has been substituted or the Credit Enhancer, if any, of the Certificates which shall finance the acquisition of such Equipment approves of a shorter useful life for such substituted Equipment, (iii) the Plans and Specifications, the Project Description, the Project Budget, the Project Schedule and, if necessary, the Estimated Completion Date for such amended or modified Project are each amended, as necessary, to take into account the portion of such Project which is modified, added or substituted, (iv) except as otherwise provided in Section 4.07 hereof, title to the substituted, added or modified portion of the Project shall be in the name of the Corporation, (v) if the modification or substitution involves Equipment, the substituted, added or modified Equipment shall be placed in the same Group as the Equipment for which there has been a substitution or the Credit Enhancer, if any, of the Certificates which shall finance the acquisition of such Equipment approves of the substituted or modified Equipment being placed in a different Group, and (vi) no change shall be made in the schedule of Basic Rent Payments. If the total Costs of such Project exceed the amount estimated therefor, the Board shall take the actions set forth in Section 3.05 hereof as a condition precedent to such modification, addition or substitution. The Board agrees not to lease-purchase any Equipment hereunder except to the extent consented to by the Department or otherwise permitted by applicable law.

(c) For purposes of this Lease Agreement, all materials and services in respect of which amounts are paid by the Trustee for the acquisition, construction and installation of a Project

6

The Board shall take possession of each Project, or portion thereof, upon delivery and acceptance and, where applicable, substantial completion of installation thereof. No delay in the completion of a Project, or any portion thereof, nor any extension of the Estimated Completion Date as permitted herein shall relieve the Board of its obligation to pay the Lease Payments to the extent provided herein.

(f) The Corporation and the Board shall at all times keep title to each Project and their respective interests hereunder and under the Ground Lease(s) free and clear of all liens and encumbrances of every kind whatsoever, except Permitted Encumbrances.

SECTION 3.04. PAYMENT OF COSTS OF ISSUANCE. Payment of Costs of Issuance for each Series of Certificates shall be made pursuant to Requisitions from moneys deposited with the Trustee in the subaccount of the Costs of Issuance Account established for such Series. Costs of Issuance shall be disbursed in accordance with and upon compliance with Section 6.04 of the Trust Agreement.

SECTION 3.05. LIMITATIONS ON ACQUISITION AND CONSTRUCTION. The amount of moneys available under the Trust Agreement to pay for Project Costs and Costs of Issuance for each Project is limited to an aggregate dollar amount of not more than the Maximum Cost provided in the Lease Schedule for such Project. If the Board agrees to an increase in the cost with respect to any portion of a Project or there is a cost overrun as a result of a substitution or modification in a Project as described in Section 3.03(b) hereof, and in either case, the amount in the subaccount of the Project Account relating thereto, together with interest earnings thereon, is not sufficient to pay such Project Costs and complete the acquisition, construction and installation of such Project, then the Board either (a) shall deposit to the credit of such subaccount of the Project Account the additional funds necessary to reduce such deficiency to zero (as certified to the Trustee in writing by an Authorized Officer of the Board), or (b) shall provide to the Corporation an amended Project Budget showing changes to such Project the result of which is no cost deficiency and certified to the Trustee as accurate in writing by an Authorized Officer of the Board.

SECTION 3.06. WARRANTIES; DISCLAIMERS. The Board, upon execution of a Requisition for any portion of a Project, thereby shall represent, without further act, that it has (a) thoroughly inspected such portion of such Project described therein, and (b) satisfied itself that such portion of such Project is suitable for its purposes. THE CORPORATION, NOT BEING THE VENDOR, THE DEVELOPER OR THE CONTRACTOR OF ANY PROJECT OR THE VENDOR'S AGENT, DEVELOPER'S AGENT OR CONTRACTOR'S AGENT, MAKES NO WARRANTY OR REPRESENTATIONS, EITHER EXPRESS OR IMPLIED, AS TO THE TITLE TO, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, DESIGN OR CONDITION OF, OR AS TO

(including moneys disbursed pursuant to Section 6.04 of the Trust Agreement for Costs of Issuance) shall be deemed accepted by the Board hereunder upon execution of the corresponding Lease Schedule and the Board shall thereby be deemed to have agreed that it has received valuable consideration for the portion of the Basic Rent representing Costs of Issuance and will, subject to the provisions of Section 7.01 hereof, pay the Lease Payments in respect of same. The provisions of this Section 3.03(c) shall not in any way limit or affect the Corporation's or the Board's rights to pursue warranty or other claims arising therefrom against any contractor, vendor or supplier of labor or materials of a Project, or any portion thereof. Each Requisition executed by the Board and submitted to the Trustee shall certify that the Board has inspected and accepted the portion of the Project which is the subject of such Requisition. Execution by the Board of a Requisition shall constitute full approval and acceptance of the items or portions of the Project identified therein for all purposes hereunder.

(d) The Corporation and the Board further agree to assure that, where applicable, the Contractors and Developers of a Project involving construction of a Building carry appropriate performance bonds, agree to liquidated damages on a daily basis for construction and delivery delays and comply with workers' compensation laws and affirmative action standards of the Board; provided, however, that (i) this provision shall not apply to any contract the total payments on which do not exceed \$100,000 and (ii) this provision shall not prohibit or limit the Board to provide for actual damages with respect to design or construction defects. Proceeds of liquidated damages received by the Corporation or the Board shall be deposited, before the Completion Date, into the subaccount of the Project Account relating to such Project and, after the Completion Date, into the subaccount of the Interest Account relating to such Project to be held for Basic Rent Payments; provided, however, that if liquidated damages are to be imposed through withholding payment from the Contractors, then the Board shall direct the Trustee to withdraw from the subaccount of the Project Account relating to such Project an amount equal to said liquidated damages and to deposit such amount in the subaccount of the Interest Account relating to such Project.

(e) The Estimated Completion Date of a Project may be extended if the Trustee shall receive an amended Lease Schedule but in no event shall such date extend beyond the third anniversary of the date of issuance of the Certificates financing said Project (unless the Estimated Completion Date has, pursuant to certification complying with the provisions of the Code, been initially established beyond the third anniversary, in which case such date shall not be extended past the date initially established) unless the Trustee shall receive an opinion of Special Counsel that such extension will not cause the Interest Component on the Basic Rent Payments to become includible in gross income of the recipients thereof for the purpose of federal income taxation.

7

THE QUALITY, CAPACITY OF THE MATERIAL OR WORKMANSHIP IN ANY PROJECT OR ANY WARRANTY THAT ANY PROJECT WILL SATISFY THE REQUIREMENTS OF ANY LAW, RULE, SPECIFICATIONS OR CONTRACT WHICH PROVIDES FOR SPECIFIC MACHINERY, OPERATORS OR SPECIAL METHODS. It is agreed that all such risks, as among the Corporation and the Board, are to be borne by the Board at its sole risk and expense, and the Board hereby agrees to look solely to the Vendors, Contractors or Developers of the Projects for all such matters. THE CORPORATION MAKES NO PATENT WARRANTIES OR REPRESENTATIONS WHATSOEVER. THE CORPORATION SHALL NOT BE LIABLE FOR ANY ACTUAL, CONSEQUENTIAL, INDIRECT OR SPECIAL DAMAGES.

SECTION 3.07. UNEXPENDED MONEYS. The Corporation and the Board agree that unexpended moneys remaining in a subaccount of the Costs of Issuance Account funded from a Series of Certificates, shall, upon payment in full of Costs of Issuance relating to such Series, be deposited in the subaccount of the Project Account relating to such Series and that excess moneys, if any, remaining in a subaccount of the Project Account funded from a Series of Certificates shall, on the Completion Date, be applied as a prepayment of Basic Rent Payments for such Series in accordance with Section 6.03(g) of the Trust Agreement.

SECTION 3.08. APPOINTMENT OF AGENCY. (a) The Corporation hereby appoints the Board as its agent to carry out all phases of the acquisition, construction and installation of the Projects, and the Board, as agent of the Corporation, assumes all rights, duties, responsibilities and liabilities of the Corporation regarding acquisition, construction and installation of the Projects, except as limited herein.

(b) The Board, as agent of the Corporation, may enter into any purchase order, agreement or contract required for acquisition, construction and installation of a Project, or any portion thereof, including a turn-key construction contract with a Developer, upon being assured that moneys sufficient for the payment thereof are then on deposit in the subaccount of the Project Account related thereto. Each such purchase order, agreement and contract shall be executed by the Board, as agent for the Corporation, in accordance with Section 6A-2, Florida Administrative Code. The benefits of all bids received by the Board for the components of a Project shall be deemed to be assigned by the Board to Corporation. The Board shall comply with all applicable laws in letting contracts or purchase orders in regard to the acquisition, construction and installation of a Project.

(c) Prior to the Completion Date for such Project, the Board, as agent of the Corporation, shall have the right to make any changes in the description of a Project or modify or substitute components thereof, or of any component or portion thereof, whenever the Board deems such changes to be necessary and

9

appropriate; provided, however, that the Board must comply with the provisions of Section 3.03(b) hereof.

(d) The Board, as agent of the Corporation, shall have sole responsibility for, and shall supervise, acquisition, construction and installation of each Project. The Board shall monitor the performance by each Vendor, Developer or Contractor to the extent the Board deems appropriate. The Board shall permit the Corporation, or its assignee, to inspect each Project at any and all reasonable times upon giving the Board prior notice of the inspection. The Corporation or its assignee shall comply with all rules and regulations established by the Board with respect to personal safety and security during such inspections.

(e) The Corporation hereby assigns to the Board all rights and powers to enforce and execute in its own name or the name of the Corporation such purchase orders, agreements or contracts as are required for each Project which enforcement may be at law or in equity; provided, however, that the assignment made by the Corporation herein shall not prevent the Corporation, or its assignee, from asserting said rights and powers in its own behalf following written notice to the Board.

(f) Except with respect to Completion Certificates, the Corporation shall not be responsible for payment of, nor shall it pay nor permit to be paid by Trustee pursuant to the Trust Agreement, any amount for a Project in excess of the amount available therefor in the subaccount of the Project Account related thereto held by Trustee pursuant to the Trust Agreement. The Board shall pay said excess amount as provided in Section 3.05 hereof.

(g) The Corporation, or its assignee, shall have the right to inspect periodically the books and records of the Board relating to each Project, and the Board shall permit the Corporation, or its assignee, to make such inspections thereof at all reasonable times and upon reasonable notice as the Board shall deem appropriate.

(h) The Board agrees that it will be the sole responsibility of the Board that each Project will be acquired, constructed and installed in accordance with the Plans and Specifications, as the same may be amended from time to time as permitted herein. The Board shall be obligated, subject to the conditions stated herein, to pay in full the Lease Payments regardless of whether such Project is acquired, constructed or installed in accordance with the Plans and Specifications.

(i) The Board shall use its best efforts to acquire, construct and install each Project by the dates set forth in the Project Schedule relating thereto. The Board hereby agrees to use its best efforts to obtain, in each Construction Contract, provisions such that if the acquisition, construction or installation of any portion of such Project has not been completed

ARTICLE IV

LEASE OF PROJECTS; LEASE PAYMENTS

SECTION 4.01. LEASE OF PROJECTS. In consideration of the payment of the Board to the Corporation, or its assignee, of the Lease Payments and for other valuable consideration, the Corporation hereby leases from time to time each Project to the Board upon the terms and conditions contained herein, as modified by the Lease Schedule relating to such Project. The Board may modify each Project or may substitute or dispose components or portions of a Project as provided in Sections 3.03(b), 5.13 and 5.14 hereof.

SECTION 4.02. TERM OF AGREEMENT. Effective as of the Commencement Date described in the Lease Schedule relating to each Project, the Corporation agrees to rent and lease to the Board and the Board agrees to rent and lease from the Corporation each such Project for the Initial Lease Term. The Initial Lease Term of each Project shall commence on the Commencement Date relating thereto and terminate on the Initial Lease Termination Date relating thereto. Unless this Lease Agreement is terminated pursuant to Sections 4.06, 7.01 or 7.03 hereof, this Lease Agreement will automatically be renewed on the Initial Lease Termination Date for each Project and each succeeding Renewal Term Termination Date relating thereto for the next succeeding Renewal Lease Term until all Lease Payments in regard to all the Projects shall be made and the Certificates are no longer Outstanding. Each Renewal Lease Term shall be for a period of one (1) year. The number of Renewal Lease Terms plus the Initial Lease Term for a Project shall not exceed the Maximum Lease Term described in the Lease Schedule for such Project.

SECTION 4.03. LEASE PAYMENTS. (a) For the right to use and possession of each of the Projects, the Board shall, subject to the provisions of Sections 4.06 and 7.01 hereof, pay to the Trustee, as assignee of the Corporation, the Basic Rent and the Supplemental Rent as hereinafter described.

(b) The Board agrees to pay as lease rental hereunder for each Project, the Basic Rent on or prior to the Basic Rent Payment Dates as set forth in the Lease Schedule relating thereto, as the same may be modified or amended from time to time following any prepayment of Basic Rent for the lease of such Project. Basic Rent Payments consist of a Principal Component and an Interest Component which shall be stated in each Lease Schedule. The portion of Basic Rent attributable to the Interest Component shall not exceed the maximum rate permitted by Section 215.84, Florida Statutes. Each Project may be divided into Groups of leased property as described in the Lease Schedule relating thereto. The Principal Component and Interest Component attributed to each Group of leased property

12

by the Contractor or Developer through the fault of such Contractor or Developer by such dates, the Board may assess liquidated damages against the Contractor or Developer for each day completion is delayed in an amount equal to the part of the Lease Payments associated with such portion of such Project not completed, prorated to obtain a daily rate.

(j) To the extent that a Project consists of the acquisition of Land (rather than improvements to real property), nothing in this Lease Agreement shall be construed to prohibit the acquisition of such Land by the exercise of the power of eminent domain so long as the title to such real property will ultimately vest in the Corporation and so long as such acquisition shall be permitted by applicable law. The Corporation hereby agrees to take all action reasonably requested by the Board to enable the Board to institute and prosecute successfully any eminent domain proceedings instituted by the Board.

shall be provided in the Lease Schedule relating thereto. The Board hereby agrees that it shall make all Basic Rent Payments coming due on each Basic Rent Payment Date on or prior to each such Basic Rent Payment Date in accordance with the applicable Lease Schedule, subject to the provisions of Sections 4.06 and 7.01 hereof. THE BOARD SHALL NOT BUDGET AND APPROPRIATE AVAILABLE REVENUES FOR A PORTION OF THE PROJECTS LEASED PURSUANT TO THIS LEASE AGREEMENT; IT MUST BUDGET AND APPROPRIATE LEASE PAYMENTS FOR ALL OF THE PROJECTS DESCRIBED ON ALL LEASE SCHEDULES ENTERED INTO PURSUANT TO THIS LEASE AGREEMENT OR NONE OF THEM. All Basic Rent Payments shall be paid in arrears. The Board shall pay the Basic Rent due hereunder to the Trustee at its Principal Office and the Trustee shall apply same as provided in the Trust Agreement. The Board shall specify which subaccount of the Interest Account and Principal Account the Basic Rent Payments shall be deposited in. To the extent that moneys have been deposited and are available with the Trustee from the proceeds of a Series of Certificates for the purpose of paying Basic Rent relating to a Project pursuant to Section 6.01 of the Trust Agreement, the amount to be appropriated shall not be reduced but the Board shall not be required to transfer funds to the Trustee for payments of such Basic Rent, and the Board shall receive a credit against its obligation to pay such Basic Rent for such amounts on deposit with the Trustee.

(c) Each annual aggregate payment of Basic Rent due hereunder shall be for the right to possess the Projects for each Fiscal Year in which moneys have been appropriated by the Board to pay the Basic Rent coming due in such Fiscal Year, provided that the Basic Rent for the period for which a portion of the proceeds of a Series of the Certificates have been deposited with the Trustee shall be paid from such proceeds, it being hereby acknowledged that said moneys constitute special funds held by the Trustee pursuant to this Lease Agreement and the Trust Agreement to be applied for such purpose.

(d) Commencing with the first Basic Rent Payment Date for the initial Project and on each Basic Rent Payment Date thereafter during which any Projects are leased hereunder, there shall be applied as a credit (provided there are no delinquent Basic Rent Payments) against the aggregate amount of Basic Rent payable on such date for the corresponding Lease Schedule an amount which shall be stated in a report of the Trustee given to the Board pursuant to Section 6.11 of the Trust Agreement, which amount shall be equal to the sum of (i) the amount of interest and other income deposited in each subaccount of the Interest Account pursuant to Sections 6.05 and 6.10 of the Trust Agreement since the date of the previous report made by the Trustee pursuant to Section 6.11 of the Trust Agreement, (ii) the amount of moneys, if any, transferred to subaccounts of the Interest Account and Prepayment Fund pursuant to Section 6.03(g) of the Trust Agreement since the date of the previous report made by the Trustee pursuant to Section 6.11 of the Trust Agreement, (iii) the amount of moneys, if any, transferred to

13

each subaccount of the Interest Account pursuant to Section 6.07(f) of the Trust Agreement since the date of the previous report made by the Trustee pursuant to Section 6.11 of the Trust Agreement, plus (iv) the amount, if any, on deposit in each subaccount of the Principal Account and Interest Account on the date of the report made by the Trustee pursuant to Section 6.11 of the Trust Agreement which is not derived from the sources described in clauses (i), (ii) and (iii) above. In the event that the total amount of credit exceeds the Basic Rent due on the Basic Rent Payment Date for the corresponding Lease Schedule, the amount of said excess shall be applied as a credit against subsequent Basic Rent Payments for such Lease Schedule. In addition, the Basic Rent may be reduced if the Board chooses to prepay any or all of the Basic Rent. Whenever moneys in the Lease Payment Fund, including all subaccounts of the Reserve Account, shall be sufficient to pay the principal of, Amortization Installments, and interest coming due on the Certificates, moneys in the Reserve Account shall be deposited in the corresponding subaccount of the Interest Account and the Principal Account as required to pay the Certificates of such Series, and no further Basic Rent Payments shall be required hereunder. Should any Basic Rent be paid later than the Basic Rent Payment Date to which such Basic Rent pertains, such Basic Rent shall bear interest at the Overdue Rate from such Basic Rent Payment Date to and inclusive of the date of actual payment.

(e) In addition to the Basic Rent, the Board hereby agrees to pay and discharge from time to time as provided herein, as Supplemental Rent, all other amounts, liabilities and obligations which the Board assumes or agrees to pay to the Corporation, the Trustee, any Credit Enhancers or the issuer of any Reserve Account Insurance Policy or Reserve Account Letter of Credit pursuant to the terms and provisions of any agreements between the Board and such parties, or to others with respect to this Lease Agreement, the Trust Agreement or the Projects, together with interest on any overdue amount, at the Overdue Rate to the date of actual payment. Supplemental Rent shall include, but not be limited to, any redemption premium attributable to the Certificates, the fees and expenses (including reasonable counsel fees and expenses) incurred by the Trustee pursuant to the Trust Agreement or hereunder, all fees and expenses of the Corporation relating to the lease of the Projects or to its corporate existence, and all ongoing expenses relating to the financing of the Projects. The Supplemental Rent shall be paid to Trustee for application in accordance with the terms hereof and of the Trust Agreement.

(f) The Board hereby authorizes the Trustee, as assignee of the Corporation, (i) to create a Reserve Account to be held by the Trustee under the Trust Agreement and to create a separate subaccount within the Reserve Account for each Series of Certificates unless otherwise provided by the Lease Schedule relating thereto, (ii) to deposit in each subaccount of the Reserve Account either a portion of the proceeds from the sale of the

14

reason or purpose in any amount whatsoever. No endorsement or statement on any check or letter of the Board shall be deemed as accord and satisfaction or otherwise recognized for any purpose whatsoever. The acceptance of any such payment shall be without prejudice to the Corporation's and Trustee's right to recover any and all amounts owed by the Board hereunder and the Corporation's and Trustee's right to pursue any other available remedy but in all events payable only from Available Revenues lawfully appropriated to the payment of amounts coming due under this Lease Agreement.

SECTION 4.04. PAYMENT IN LAWFUL MONEY; NO SET-OFF. Each Lease Payment shall be paid by the Board in lawful money of the United States of America, which at the time of payment is legal tender for the payment of public and private debts, to or upon the order of the Corporation or the Principal Office of Trustee or at such other place as the Corporation, or its assignee, shall designate. Notwithstanding any dispute between the Board and the Corporation, but in all events subject to Sections 4.06 and 7.01 hereof, the Board shall make or cause to be made each and all Lease Payments when due and shall not withhold or permit to be withheld any Lease Payments pending the final resolution of such dispute nor shall the Board assert or permit to be asserted any right of setoff, abatement or counter-claim against the obligation to make Lease Payments as set forth herein.

SECTION 4.05. SOURCE OF LEASE PAYMENTS. (a) The Board represents and warrants that for each Initial Lease Term and upon the renewal hereof for any Renewal Lease Term for the Projects the obligation of the Board to make Lease Payments hereunder, for such Fiscal Year of the Board, shall constitute a current expense of the Board and shall not in any way be construed to be a debt of the Board in contravention of any applicable constitutional, statutory or charter limitations or requirements concerning the creation of indebtedness by the Board. THE PAYMENTS DUE HEREUNDER ARE TO BE MADE ONLY FROM THE BOARD'S AVAILABLE REVENUES APPROPRIATED FOR SUCH PURPOSE AND NEITHER THE BOARD, THE DISTRICT, THE STATE OF FLORIDA, NOR ANY POLITICAL SUBDIVISION OR AGENCY THEREOF SHALL BE OBLIGATED TO PAY ANY SUMS DUE TO THE CORPORATION OR THE TRUSTEE HEREUNDER FROM SOURCES OTHER THAN APPROPRIATED AVAILABLE REVENUES AND THE FAITH AND CREDIT OF NEITHER THE BOARD, THE DISTRICT, NOR THE STATE OF FLORIDA NOR ANY POLITICAL SUBDIVISION OR AGENCY THEREOF IS PLEDGED FOR PAYMENT OF SUCH SUMS DUE HEREUNDER AND THE OBLIGATIONS ARISING HEREUNDER DO NOT CONSTITUTE AN INDEBTEDNESS OF THE BOARD, THE DISTRICT, OR THE STATE OF FLORIDA OR ANY POLITICAL SUBDIVISION OR AGENCY THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL, STATUTORY OR CHARTER PROVISION OR LIMITATION.

(b) All payments of Basic Rent required to be made by the Board under this Lease Agreement shall be made when due without notice or demand, and, subject to Section 7.01 hereof, shall be absolute and unconditional and without any set-off, counterclaim, abatement, deduction or defense (other than payment) whatsoever.

16

Series of Certificates relating thereto or a Reserve Account Letter of Credit/Insurance Policy equal to the Reserve Requirement relating to such Series or combination thereof, and (iii) to use such amounts or amounts drawn on the Reserve Account Letter of Credit/Insurance Policy deposited in each subaccount of the Reserve Account as set forth in Section 6.07 of the Trust Agreement. In the event the aggregate amount of any cash, the value of any Permitted Investments and the stated amount of any Reserve Account Letter of Credit/Insurance Policy in a subaccount of the Reserve Account shall be less than the Reserve Requirement provided therefor, the Board shall pay to the Trustee (x) in the event such deficiency is due to a transfer from the Reserve Account, from moneys budgeted and appropriated as Basic Rent during the current Fiscal Year and (y) in the event such deficiency is due to a reduction in value of amounts on deposit in the Reserve Account, the Board shall pay to the Trustee, in each case as Supplemental Rent, an amount equal to such deficiency within thirty (30) days of receipt of notice of the deficiency from the Trustee. In the event the Trustee makes a draw on a Reserve Account Letter of Credit/Insurance Policy to pay debt service on a Series of Certificates, the Board shall cause the amount which the Trustee can draw upon such Reserve Account Letter of Credit/Insurance Policy to be reinstated to equal the Reserve Requirement for such Series (or its original stated amount, if the Board shall have deposited into the related subaccount of the Reserve Account a combination of cash and a Reserve Account Letter of Credit/Insurance Policy pursuant to this Section). In the event a Reserve Account Letter of Credit/Insurance Policy on deposit in a subaccount of the Reserve Account expires or is terminated, the Board shall, simultaneously with such expiration or termination, either replace such Letter of Credit/Insurance Policy with a subsequent Reserve Account Letter of Credit/Insurance Policy with a stated amount equal to that of the expired or terminated Letter of Credit/Insurance Policy or transfer to the Trustee, for deposit in such subaccount of the Reserve Account in which such Policy had been deposited, an amount of cash equal to the stated amount of such expired or terminated Letter of Credit/Insurance Policy.

(g) The Board hereby agrees to deposit with the Trustee from Available Revenues as required from time to time, any amounts required to be deposited in the Rebate Fund pursuant to Section 6.12 of the Trust Agreement. Such amounts shall be deemed Supplemental Rent hereunder. The obligation of the Board to pay such rebate requirement shall survive a Default or Event of Non-Appropriation, Termination of this Lease Agreement and payment of all Outstanding Certificates; provided, however, the Board shall be liable only for such rebate requirement which would be owing to the United States Treasury if the same became due at the time of the termination of the Lease Agreement.

(h) The Corporation and the Trustee are entitled to accept, receive and cash or deposit any payment made by the Board for any

15

The Board shall not make partial payment of the Basic Rent coming due on any Basic Rent Payment Date.

(c) Subject to the Board's right of Non-Appropriation pursuant to Section 7.01 hereof, the Board hereby covenants to direct its Superintendent to provide for the Lease Payments in each annual tentative Budget which shall be submitted to the Board. Except as otherwise provided in Section 7.01 hereof, the Board agrees to take such action as may be necessary to include all Lease Payments (other than Lease Payments to the extent paid from Certificate proceeds then on deposit in the Lease Payment Fund) due hereunder as a separately stated line item in its Budget and to appropriate in each Fiscal Year from Available Revenues an amount necessary to make the Lease Payments due in such Fiscal Year. During the term of this Lease Agreement, the Board will furnish to the Trustee, as assignee of the Corporation, and each Credit Enhancer a copy of the portion of each official tentative and final Budget of the Board relating to such line item within twenty (20) days after it is printed. Anything in this Lease Agreement or the Trust Agreement notwithstanding, the Board and the Corporation agree that this Lease Agreement, the Trust Agreement and all of the Board's obligations to make the Lease Payments are subject to, and can be terminated by the Board upon the happening of, an Event of Non-Appropriation as described in Section 7.01 hereof; provided, however, that the Board shall not be released from or subject to relief with respect to any obligations on its part arising or accruing prior to such termination including, without limitation, any obligation to deposit rebatable arbitrage in the Rebate Fund which may accrue prior to such termination.

(d) The Board hereby agrees that within three Business Days after the adoption or approval of either the tentative or the final Budget which does not include the full amount of the Lease Payments, it will give notice of that fact to the Trustee and each Credit Enhancer.

(e) In the event the Interest Component of a Basic Rent Payment for the lease of a Project shall be calculated on a variable rate basis, the Board agrees that, subject to Section 7.01 hereof, it shall budget for the payment of such Interest Component for each Fiscal Year an amount equal to such Interest Component which would be payable if it were calculated at the lesser of (i) one hundred twenty percent (120%) of the average interest rate on the Variable Rate Certificates during the immediately preceding six month period (or such lesser period as such Variable Rate Certificates shall have been Outstanding), or (ii) the Maximum Interest Rate relating to such Variable Rate Certificates.

SECTION 4.06. OPTIONAL PREPAYMENT; DEFEASANCE. (a) The Board shall have the option, so long as no Event of Default hereunder has occurred and is continuing, from any moneys then available for such purpose, on any Optional Prepayment Date for the Series of

17

Certificates relating to a Project, to prepay all or a portion of the Basic Rent relating to such Project or Group within such Project upon not less than forty-five (45) days written notice given prior to such Optional Prepayment Date to the Trustee accompanied by the deposit of the amount of such prepaid Basic Rent with the Trustee not less than thirty-five (35) days prior to the applicable Optional Prepayment Date. Optional prepayments made pursuant to this Section 4.06 may be allocated to a particular Project, or any Group of leased property within a Project. Any prepayment notice delivered pursuant to this Section 4.06(a) shall state (i) that the Board is exercising its right of prepayment pursuant to Section 4.06(a) of the Lease Agreement, (ii) the amount of such prepayment and the Lease Schedule or Lease Schedules to which it pertains, (iii) the Optional Prepayment Date to which such prepayment applies, (iv) the amount of prepayment applicable to a Project or Group within a Project and, therefore, to the Series of Certificates and maturities of such Series relating thereto, and (v) that the deposit with the Trustee of such prepaid amount constitutes an irrevocable option of the Board to prepay Basic Rent in the amount of such prepayment. Each prepayment shall be in an amount equal to a principal amount of Certificates (in denominations of \$5,000 or any whole multiple thereof in the case of Current Interest Certificates and in denominations of \$5,000 maturity value and any whole multiples thereof in the case of Capital Appreciation Certificates) to be redeemed on such Optional Prepayment Date, plus the Prepayment Premium, if any, applicable to a redemption of Certificates on the Optional Prepayment Date designated by the Board in such notice of prepayment, all as provided in the Trust Agreement. Interest on Certificates to be redeemed pursuant to an optional prepayment under this Section accrued to the Optional Prepayment Date set forth in the notice of prepayment above shall be paid by the Trustee from moneys on deposit in the account of the Prepayment Fund and the subaccount of the Interest Account which are pledged to the payment of such Certificates.

(b) In the event of a prepayment, in part, of Basic Rent Payments for a Project or Group within a Project, such Basic Rent Payments provided in the Lease Schedule relating thereto shall be adjusted downward by the Trustee to reflect the reduction in the Principal Component and Interest Component of the remaining Basic Rent resulting from such prepayment. Such adjustment shall be done in such manner as to match remaining payments of Basic Rent provided in such Lease Schedule with principal and interest coming due on Certificates which remain Outstanding related thereto.

(c) So long as no Event of Default has occurred and is continuing, the Board may secure the payment of Basic Rent for a Project or Group within a Project by a deposit with the Trustee, as provided in Section 12.01 of the Trust Agreement, of either (i) an amount of moneys which is sufficient to pay such Basic Rent, including the Principal Component, Interest Component and

18

Prepayment Premium, if any, on the Basic Rent Payment Dates or Optional Prepayment Dates, if applicable, and any Supplemental Rent which may be due, or (ii) Refunding Securities, together with cash, if required, in such amount as will, together with interest to accrue thereon, be fully sufficient to pay such Basic Rent including the Principal Component, Interest Component and Prepayment Premium, if any, on their Basic Rent Payment Dates or Optional Prepayment Dates, if applicable, and any Supplemental Rent which may be due. Upon the Board meeting the requirement of this Section 4.06(c), the Corporation shall be entitled to payment of such Basic Rent Payments solely from such cash and/or Refunding Securities.

(d) In the event Refunding Certificates are issued which refund only a portion of an Outstanding Series of Certificates, the schedule of Basic Rent Payments for the corresponding Project and Group within such Project affected by such Refunding Certificates will remain the same but a credit will be given to the Board by the Trustee to take into account that payment of a portion of the Principal Component and the Interest Component which has been provided for by such refunding or defeasance of such portion of such Certificates from the issuance of said Refunding Certificates.

(e) In the event of a deposit with the Trustee of moneys and/or Refunding Securities for the purpose of paying or providing for payment of Certificates in accordance with Article XII of the Trust Agreement, all covenants, agreements and other obligations of the Board under this Lease Agreement, with respect to such Certificates shall be deemed performed except (i) those provisions hereof which by their express terms survive any such payment and defeasance and (ii) the obligation of the Board to make or cause to be made, Basic Rent Payments and Supplemental Rent payments on or for such Certificates from the moneys and/or Refunding Securities deposited pursuant to said Article XII of the Trust Agreement.

(f) In the event the Board prepays Basic Rent for a Group within a Project pursuant to Sections 4.06(a) or 4.06(c) hereof, such Prepayment shall be allocated, to the extent practicable, to maturities of Certificates relating to such Group.

SECTION 4.07. TITLE. (a) Until the date on which payment, or provision for payment as provided in Section 4.06(c) hereof, of the Lease Payments relating to a Project or Group within a Project, other than Designated Equipment, has been made, title to such Project or Group within a Project (including all substitutions thereto) upon acquisition, construction and installation thereof shall remain vested in the Corporation, subject to Permitted Encumbrances and subject to the terms of the Trust Agreement. At such time as payment, or provision for payment as provided in Section 4.06(c) hereof, of all Lease Payments relating to a Project or Group within a Project, other than Designated Equipment, has been made in full, the Board shall be considered to have exercised

an option to purchase such Project or Group within a Project, as the case may be, and fee simple title to such Project or Group within a Project free and clear of all encumbrances, except Permitted Encumbrances, shall vest automatically in the Board. Title to a portion of the Project which has been substituted for pursuant to Section 5.14 hereof and a portion of a Project disposed by the Board pursuant to Section 5.13 hereof shall vest automatically in the Board. The Corporation shall deliver any and all documents required to assure vesting of title. The Corporation hereby appoints the Board as its agent to prepare and file or record in appropriate offices such documents as may be necessary to cause record title to such Project or Group within a Project to be in the Board.

(b) Title to all Designated Equipment shall, upon acquisition thereof, vest free and clear in the Board. Even if this Lease Agreement is terminated pursuant to Sections 7.01 or 7.03 hereof prior to the time Basic Rent Payments for Designated Equipment have been made in full by the Board, the Certificate Owners shall have no rights to or remedies against the Designated Equipment.

SECTION 5.01. THE BOARD'S GENERAL COVENANTS. The Board agrees that this Lease Agreement shall continue in full force and effect, subject to the provisions relating to termination hereof, regardless of the inability or unwillingness of the Board to use any Project because of any reason whatsoever, including, but not limited to, war, act of God, war, strike, condemnation, loss or damage, defect, obsolescence or breach of warranty. The Board covenants and represents that this Lease Agreement and the performance of the Board's obligations hereunder have been duly approved, authorized, executed and delivered with all proper procedures fully complied with, and that this Lease Agreement is a valid, legal and binding obligation of the Board enforceable in accordance with its terms, except as limited by bankruptcy, insolvency, reorganization, moratorium or similar laws and equitable principles. The Board further covenants and represents as follows:

(a) The Board is a duly created school board existing under the laws of the State of Florida and is the governing body of the District.

(b) There are no pending or threatened lawsuits or administrative or other proceedings contesting the authority for, authorization or performance of, or expenditure of funds pursuant to, this Lease Agreement.

(c) The Board shall only lease Projects for which it has an immediate need and for which it expects to make immediate use, which need shall not be temporary or be expected to diminish during the Maximum Lease Term related thereto, except for the Designated Equipment.

(d) Prior to leasing any Project hereunder the Board shall certify to the Trustee if there are any circumstances presently known to the Board affecting the Board that could reasonably be expected to alter its foreseeable need for such Project or adversely affect its ability or willingness to budget Available Revenues for the payment of sums due hereunder.

(e) Prior to leasing any Project hereunder the Board shall review its projected revenues, expenses and anticipated Available Revenues for the Maximum Lease Term and shall not lease such Project unless it reasonably expects that it shall have on hand Available Revenues sufficient to timely make all payments as they become due under this Lease Agreement during the term this Lease Agreement is anticipated to be outstanding.

20

21

(f) Subject to the provisions of Section 7.01 of this Lease Agreement, the Board intends to make appropriations for payments for each Fiscal Year only from Available Revenues.

(g) All procedures required by applicable law regarding the award or negotiation of contracts relating to the acquisition, construction and installation of a Project will be complied with by the Board.

(h) At the Corporation's or the Trustee's request, the Board shall execute and deliver to the Corporation or the Trustee all instruments and do all other acts reasonably necessary to effectuate the intent of this Lease Agreement.

(i) The Board shall permit the Corporation and the Trustee, and their representatives and agents, at all reasonable times, to inspect the Projects; provided, however, that the Trustee and the Corporation are not obliged to make any inspections of the Projects.

(j) The Board shall promptly correct (or cause the Vendor, Contractor or Developer to correct) any defect in the acquisition, construction and installation of a Project or departure from the Plans and Specifications related thereto, except to the extent said Plans and Specifications are modified pursuant to the provisions hereof.

(k) The Board shall give the Trustee prompt written notice of any material litigation or proceedings concerning the Board or any Project and of any dispute concerning the Board or any Project if the dispute may substantially interfere with the timely acquisition, construction and installation of such Project or with the Board's ability to meet its obligations under this Lease Agreement.

(l) The Board shall commence (or cause the Contractor or Developer to commence) construction of a Project involving construction of a Building and diligently pursue construction to completion of such Project on or before the Estimated Completion Date without permitting any lien, claim, or assessment (actual or contingent) to be asserted or filed against such Project for any material, labor, or other item furnished in connection with the construction, which claim, lien, or assessment is not satisfied or transferred to bond within twenty (20) days after it is asserted or filed. At all times during the acquisition and construction of such Project, and to the extent required by applicable law, the Board shall, or shall cause the Contractor or Developer to, comply with the Florida Mechanics' Lien Law, Chapter 713, Florida Statutes, and with all requirements imposed by all governmental authorities having jurisdiction over the acquisition and construction and by all insurance underwriters providing insurance for such Project. Except for Construction Contracts which do not

22

amend the Lease Schedule relating thereto and the applicable Ground Lease to include a metes and bounds description of the Land so acquired.

(g) If an Event of Default or an Event of Non-Appropriation hereunder has occurred, at the Trustee's option with the consent of the applicable Credit Enhancer, the Trustee, as assignee of the Corporation, may make, but is not required to make, any or all subsequent disbursements from a subaccount of the Project Account directly to the Vendors, Contractors or Developers of the Project related to such subaccount. The Board's execution of this Lease Agreement and the related Lease Schedules constitutes an irrevocable authorization for the Trustee to make disbursements directly to such Vendors, Contractors or Developers. In the absence of negligence or misconduct on the part of the Trustee, the Board agrees that all disbursements made to the Vendors, Contractors or Developers shall constitute full performance of the Trustee's obligations to the Board under this Lease Agreement. The Trustee's decision to make a disbursement shall not constitute a waiver of any of the provisions of this Lease Agreement and the related Lease Schedules. If the Board is in default under this Lease Agreement and the Board is unable to cure its default, the Trustee's decision to make a disbursement shall not preclude the Trustee, as assignee of the Corporation, from declaring the Board in default under this Lease Agreement.

SECTION 5.02. ADDITIONAL COVENANTS, REPRESENTATIONS AND WARRANTIES. (a) The Board represents and warrants that execution of each Requisition by the Board shall constitute an affirmation of the completeness and accuracy of the following representations and warranties as of the date of such execution:

(i) The Board has delivered to the Trustee a complete, fully executed copy of the Construction Contracts, purchase orders and agreements for the acquisition, construction and installation of the Project described in such Requisition, and such contracts, purchase orders and agreements are presently in full force and effect according to their respective terms; the Board is not in default under such contracts, purchase orders and agreements; and the Board has no knowledge of any violation of such contracts, purchase orders and agreements.

(ii) There are no governmental actions or proceedings (except actions or proceedings that are fully covered by insurance) pending or, to the Board's knowledge, threatened affecting the Board or the Project described in such Requisition, which, if adversely determined, would materially adversely impair the Board's ability to perform its obligations under this Lease Agreement.

(iii) The Board knows of no violation and has no notice of a violation of any court order or of any law, regulation,

exceed \$500,000, the Board shall cause each Contractor or Developer to obtain and deliver to the Board performance and payment bonds covering one hundred percent (100%) of the value or costs under each Construction Contract for the construction of such Project.

(m) In the case of a Project involving construction of a Building, the Board shall provide the Corporation, Credit Enhancer for the Certificates the proceeds of which shall be used to finance the acquisition and construction of such Project and the Trustee the following additional assurances:

(i) If requested and applicable, but only as and when available, all certificates of occupancy, footing or Corporation surveys, "as built" surveys, certificates, appraisals, reports, endorsements, and agreements, the names of all Persons with whom the Board has contracted or intends to contract with in connection with the acquisition, construction and installation of such Project, schedules of all statements for labor and materials for the acquisition, construction and installation of such Project together with copies of all statements, copies of all budget revisions concerning the acquisition, construction and installation of such Project indicating the funds required at any given time to complete such acquisition, construction and installation, and any other documents reasonably required to be furnished.

(ii) If requested, during the acquisition, construction and installation of such Project and upon completion of such acquisition, construction and installation, furnish an Architect's or Engineer's written opinion to the effect that such Project, as constructed, complies with all restrictions recorded and with all applicable governmental laws, regulations, rules, ordinances, orders and codes relating to the construction thereof.

(iii) Furnish when available, a certificate of occupancy and all other similar certificates required to be issued by any governmental agency in connection with the acquisition, construction, installation or occupancy of such Project.

(n) In the case of a Project involving construction of a Building, the Board shall continuously employ or cause to be employed a licensed Architect to supervise the acquisition, construction and installation of such Project.

(o) In the case of a Project involving construction of a Building, the Board shall continuously employ or cause to be employed a licensed Engineer to supervise the acquisition, construction and installation of such Project.

(p) Simultaneously with the acquisition of any component of a Project constituting Land, the Corporation and the Board shall

23

ordinance, rule, order, code or requirement of any governmental authority having jurisdiction over all or any portion of the Project described in such Requisition that may materially detrimentally affect the development and operation of such Project as planned.

(iv) In the case of a Project involving construction of a Building, all governmental permits and approvals required for the construction and installation of such Project have been obtained, except for permits which may be obtained in the normal course without undue delay or unusual expense and which the Board hereby covenants to obtain.

(v) All utility services necessary for the construction of the Project and the operation of the Project have been extended to the Project, including, but not limited to, water, storm and sanitary sewer facilities, electricity and telephone service or sufficient amounts have been deposited in the corresponding account of the Project Fund for such purpose.

(vi) Except for drives located on the Project, the rights of way for all roads necessary for the proposed utilization of the Project have either been acquired by the appropriate governmental authority or dedicated to and accepted by the appropriate governmental authority or sufficient amounts have been deposited in the corresponding account of the Project Fund for such purpose. All such roads are improved or, if not improved, all necessary steps have been taken by the Board and the responsible governmental authority to assure their completion before the date when access to the Project via such roads will be necessary. All curb cuts and traffic signals required in connection with the operation of the Project are complete or are approved for construction by all necessary governmental authorities.

(vii) All representations, warranties, covenants and agreements made by the Board in connection with this Lease Agreement may be relied upon by the Corporation and the Trustee notwithstanding any independent investigation made on behalf of the Corporation or the Trustee.

(b) The inability of the Board to affirm the completeness and accuracy of the representations and warranties in Section 5.02(a) hereof in regard to a Requisition shall not cause the Trustee to not honor the request to pay the amounts described in such Requisition unless the Board is in default under this Lease Agreement.

SECTION 5.03. QUIET ENJOYMENT. The parties hereto mutually covenant that the Board, by keeping and performing the covenants and agreements herein contained, shall at all times during the term of this Lease Agreement peaceably and quietly have, hold and enjoy

24

25

each Project without suit, trouble or hindrance from the Corporation and free from any claims against the Corporation and the Trustee and all persons claiming thereunder, by or through the Trustee or the Corporation.

SECTION 5.04. PUBLIC LIABILITY AND PROPERTY DAMAGE INSURANCE. The Board shall maintain or cause to be maintained, throughout the Lease Term, subject to the requirements of State law and if reasonably available from a commercial carrier, a standard comprehensive general liability insurance policy or policies in protection of the Board and the Corporation (and the Corporation's assigns hereunder), their members, officers, agents and employees. Said policy or policies shall provide for indemnification of said parties against direct or contingent loss or liability for damages for bodily and personal injury, death or property damage occasioned by the acquisition, installment or operation of the Projects. Said policy or policies shall provide coverage equal to the liability limits set forth in Section 768.28, Florida Statutes, as the same may be amended from time to time, and in a minimum amount of \$100,000 for damage to property (subject, in each case, to a deductible clause of not to exceed \$25,000). Such liability insurance may be maintained as part of or in conjunction with any other liability insurance coverage carried or required to be carried by the Board, and may be maintained in whole or in part in the form of self-insurance by the Board, provided such self-insurance complies with the provisions of Section 5.07 hereof. The Net Proceeds of such liability insurance shall be applied toward extinguishment or satisfaction of the liability with respect to which the Net Proceeds of such insurance shall have been paid.

SECTION 5.05. FIRE AND EXTENDED COVERAGE INSURANCE AND FLOOD INSURANCE. (a) The Board shall procure and maintain, or cause to be procured and maintained, throughout the Lease Term, subject to the requirements of State law, insurance against loss or damage to any part of the Projects by fire or lightning, with extended coverage and vandalism and malicious mischief insurance. Said extended coverage insurance shall, as nearly as practicable, also cover loss or damage by explosion, windstorm, riot, aircraft, vehicle damage, smoke and such other hazards as are normally covered by such insurance. Such insurance shall be in an amount equal to one hundred percent (100%) of the replacement cost of the Projects, or the aggregate coverage of all such policies on the Projects, shall at least equal the Principal Component of the Basic Rent Payments then remaining unpaid, whichever is greater (except that such insurance may be subject to deductible clauses not to exceed \$100,000 in the aggregate for any one loss). Such insurance may be maintained as part of or in conjunction with any other fire and extended coverage insurance carried or required to be carried by the Board, and may be maintained in whole or in part in the form of self-insurance by the Board, provided such self-insurance complies with the provisions of Section 5.07 hereof. The Net

26

SECTION 5.07. SELF-INSURANCE. Any self-insurance maintained by the Board pursuant to the foregoing provisions, shall comply with the following terms:

(a) The self-insurance program shall be approved by the Insurance Consultant;

(b) The self-insurance program shall include a sound claims reserve fund out of which each self-insured claim shall be paid; the adequacy of such fund shall be evaluated on an annual basis by the Insurance Consultant; and any deficiencies in the fund shall be remedied in accordance with the recommendations of the Insurance Consultant;

(c) The self-insurance claims reserve fund shall be held in a bank account credited for the purpose of maintaining such self-insurance funds, which bank account may be under the control of the Board and may be commingled with other Board moneys; and

(d) In the event the self-insurance program shall be discontinued, the actuarial soundness of its claims reserve fund shall be maintained; and

(e) The Board may obtain the required insurance coverages through a self-insured governmental pool which meets the criteria described above.

(f) Amounts deposited into the self-insurance claims reserve fund shall not be subject to appropriation by the Board in order to apply such funds to pay claims.

SECTION 5.08. RISK OF LOSS; STIPULATED LOSS VALUES; USE OF PROCEEDS. (a) As between the Corporation and the Board, the Board hereby assumes the entire risk of loss, from any and every cause whatsoever to the Projects.

(b) Except as provided in Section 5.08(c) hereof, the Board shall cause the Net Proceeds relating to a Project of any insurance or condemnation award or of any appropriation made in connection with a self-insurance election received pursuant to Sections 5.05 and 5.07 hereof and of any title insurance award in excess of the Replacement Amount for such Project to be applied to the prompt repair, restoration or replacement of such destroyed, damaged, lost or condemned Project (which repair, restoration or replacement property shall become part of such Project). The title to all replacement portions to such Project, other than Designated Equipment, shall be in the name of the Corporation. Except as otherwise provided herein, any such Net Proceeds shall be deposited with the Trustee in the subaccount of the Project Account from which the acquisition and construction of such Project was financed and shall be disbursed by the Trustee in accordance with the Trust Agreement; provided, however, that any amounts remaining after

28

Proceeds of such insurance shall be applied as provided in Section 5.06 hereof.

(b) Flood insurance shall be separately maintained by the Board for any property included in a Project which is located in a federally designated flood plain, in such amounts per occurrence as are available at commercially reasonable costs and in minimum amounts necessary to qualify for federal disaster relief programs. In the event the Board considers flood insurance to be unavailable at commercially reasonable rates, it shall so notify the Trustee and the Credit Enhancer(s), if any, for the Project(s) to which such flood insurance relates. If such Credit Enhancer(s) identify insurance for such coverage at commercially reasonable rates, the Board shall be obligated to obtain such insurance. In the event that such Credit Enhancer(s) and the Board determine that flood insurance is unavailable at commercially reasonable rates, such flood insurance shall be maintained in whole in the form of self-insurance by the Board in compliance with the provisions of Section 5.07 hereof.

(c) The insurance required to be maintained by the Board pursuant to this Section 5.05 shall be provided by carriers rated at least "A" by Standard & Poor's Corporation (a "Qualified Insurer") unless the Credit Enhancer(s), if any, for the Project(s) to which such insurance relates shall approve an insurer with a lower rating. If an insurer's rating falls below "A" (or, with respect to an insurer approved as aforesaid with a rating lower than "A", falls below the rating such insurer had when approved), such insurer shall be replaced with a Qualified Insurer unless the Credit Enhancer(s), if any, for the Project(s) to which such insurance relates shall approve an insurer with a lower rating.

SECTION 5.06. NET PROCEEDS OF INSURANCE; FORM OF POLICIES. Each policy of insurance obtained pursuant to or required by Section 5.05 hereof which relates to the Projects shall provide that all proceeds thereunder shall be payable to the Trustee for the benefit of the Owners of the Certificates. Proceeds of self-insurance maintained pursuant to Sections 5.05 and 5.07 hereof shall be paid by the Board to the Trustee for the benefit of the Owners of the Certificates. Copies of all policies of insurance required by this Lease Agreement shall be delivered to the Trustee. The Board shall pay or cause to be paid when due the premiums for all insurance policies required by this Lease Agreement, and shall promptly furnish or cause to be furnished to the Trustee evidence of such payments. All such policies shall provide that the Trustee shall be given not less than thirty (30) days' notice of each expiration, any intended cancellation and any intended reduction of the coverage provided thereby. The Trustee shall not be responsible for the sufficiency of any insurance herein required and shall be fully protected in accepting payment on account of such insurance or any adjustment, compromise or settlement of any loss agreed to by the Trustee.

27

completion of such repair, restoration or replacement shall be paid to the Board. If such Net Proceeds are insufficient to pay for such repair, restoration or replacement, the Board shall (from the Board's Available Revenues) simultaneously deposit the amount of such deficiency with the Trustee, which deficiency shall constitute Supplemental Rent. Any Net Proceeds of insurance or condemnation award or of any appropriation made in connection with self-insurance election which is equal to or less than the Replacement Amount for such Project may, at the option of the Board, be deposited to the subaccount of the Interest Account relating to Certificates which financed or refinanced such Project.

(c) The Board may elect not to repair, restore or replace a Project which has been destroyed, damaged, lost or condemned, or any portion thereof, with the Net Proceeds of any insurance or condemnation award or of any appropriation made in connection with a self-insurance election, by filing a certificate with the Trustee stating that (i) it has made such election, (ii) it is not in the best interests of the Board to repair, restore or replace such Project, or portion thereof, and (iii) the Board intends to abandon and cease to operate such Project, or portion thereof, damaged, destroyed, lost or condemned; provided, further, there shall be a Mandatory Prepayment in the amount of the Stipulated Loss Value (as hereinafter described) of the Project, or portion thereof, which is not repaired, restored or replaced, and if the Net Proceeds are insufficient therefor, the deficiency shall constitute Supplemental Rent hereunder and shall be immediately due and payable from the Board's Available Revenues.

(d) The Stipulated Loss Value attributable to a loss of all of a Project shall be computed as the amount necessary to pay the Principal Component of and Interest Component on the Series of Certificates, the proceeds of which financed or refinanced the acquisition and construction of such Project, on the next succeeding Mandatory Prepayment Date. In the event that less than all of a Project then subject to this Lease Agreement suffers such a loss, damage or destruction, the Stipulated Loss Value shall be the product of (i) the result computed by the foregoing sentence multiplied by (ii) a fraction, the numerator of which is the original Cost of the portion of such Project suffering such loss, damage or destruction and the denominator of which is the aggregate Project Cost for the entire Project then subject to this Lease Agreement, including those items suffering such loss, damage or destruction. In each case, the Stipulated Loss Value shall also include any Supplemental Rent then due hereunder. Upon payment of such Stipulated Loss Value by Board such Stipulated Loss Value shall be deposited to the credit of the account established in the Prepayment Fund for the sole benefit of the Owners of the Series of Certificates, the proceeds of which were used to finance or refinance the acquisition and construction of such Project. In the event of payment of the Stipulated Loss Value of a portion of the Project, the schedule of Basic Rent Payments in the Lease Schedule

29

for such Project shall be adjusted downward by the Trustee to reflect the reduction in the Principal Component and Interest Component and the remaining Basic Rent resulting from such mandatory prepayment. Such adjustment shall be done in such manner as to match remaining aggregate payments of Basic Rent relating to the destroyed, damaged or condemned Project with principal of and interest coming due on the Series of Certificates which remain Outstanding, the proceeds of which were used to finance or refinance the acquisition and construction of such Project.

SECTION 5.09. PAYMENT OF TAXES. The Board will pay or cause to be paid all taxes, assessments and other governmental charges, if any, that may be levied, assessed or charged upon any Project, or any part thereof, promptly as and when the same shall become due and payable; provided, however, that the Board shall not be required to pay any such tax, assessment or charge, if the validity thereof shall concurrently be contested in good faith by appropriate proceedings, the interests of the Corporation and the Trustee shall not be in jeopardy and if the Board shall set aside, or cause to be set aside, reserves deemed by it to be adequate with respect thereto; and, provided, further, that the Board, upon the commencement of any proceedings to foreclose the lien of any such tax, assessment, or charge, will forthwith pay, or cause to be paid, any such tax, assessment or charge, unless contested in good faith as aforesaid. The Board will not suffer any Project or any part thereof, to be sold for any taxes, assessments or other charges whatsoever, or to be forfeited therefor. The Board will also pay or cause to be paid all taxes, assessments and other governmental charges which may be imposed on the Corporation or its operations as a result of the transactions, including the formation and organization of the Corporation, contemplated by this Lease Agreement.

SECTION 5.10. CARE AND USE OF PROJECTS. (a) The Board, at its expense, shall maintain each Project in good operating condition, repair and appearance, and protect same from deterioration other than normal wear and tear; shall cause each Project to be used in compliance with the requirements of applicable laws, ordinances and regulations and the requirements of any policy of insurance required under Sections 5.04 and 5.05 hereof; shall cause each Project to be operated by competent persons only and shall obtain, at the Board's expense, all permits and licenses, if any, required by law for the operation of each Project. The Board agrees that neither the Corporation nor the Trustee shall be responsible for latent defects, wear and tear or gradual deterioration or loss of service or use of any Project or any part thereof. The Board shall have the benefit of all warranties, contracts and rights against any Vendor, Contractor, Developer, materialmen or supplier. Neither the Corporation nor the Trustee shall be liable to the Board or anyone else for any liability, injury, claim, loss, damage or expense of any kind or nature caused directly or indirectly by the inadequacy of any

30

necessary to relieve and release the Project from such claim or in any other manner which, as a matter of law, will result within such period of thirty (30) days in releasing the Corporation and its assignee and Corporation's and its assignee's interest or interests from such claim.

SECTION 5.13. ENCUMBRANCES OR SALES. (a) Except as permitted in this Lease Agreement and except for Permitted Encumbrances, the Board will not create or suffer to be created any mortgage, pledge, lien, charge or encumbrance upon any Project or any portion thereof, or upon any real or personal property (which is not a portion of the Project) essential to the operation of such Project. The Board will not sell or otherwise dispose of any portion of a Project or any such property essential to the proper operation of a Project, except as provided below and in Section 5.14 hereof.

(b) In the manner and subject to the conditions for disposal of property of the Board by law, the Board may sell portions of a Project, other than Equipment, for fair market value upon the following conditions:

(i) The Board shall give notice to the Trustee and the applicable Credit Enhancer, if any, of each such sale not less than thirty (30) days prior to such sale;

(ii) The Board determines pursuant to a certificate of an Authorized Officer that such portion of a Project is no longer needed for the purposes of such Project or such portion should be replaced with property having greater usefulness or value;

(iii) Such disposition shall not, in the opinion of Special Counsel, cause the Interest Component of the Basic Rent Payments received by the Owners of the Certificates to become includible in gross income of such Owners for purposes of federal income taxation; and

(iv) The Board shall use the proceeds of such sales either (A) to provide property (which shall become a part of the Project) of equal usefulness and value to the Board or (B) apply the Stipulated Loss Value (calculated in accordance with Section 5.08(d) hereof) thereof (but only if such value exceeds the corresponding Prepayment Amount) as a prepayment of Basic Rent.

The Corporation and the Trustee (subject to the provisions of the Trust Agreement) agree to take all action within their powers required to enable the Board to sell or otherwise dispose of any such property.

SECTION 5.14. SUBSTITUTION OF EQUIPMENT. Subsequent to the Completion Date of a Project, the Board may substitute for an item of Equipment which constitutes a part of such Project other

Project or any item supplied by any Vendor, Contractor, Developer, materialmen or supplier or any other party, any interruption of use or loss of service or use or performance of any Project, any loss of business or other consequence or damage, whether or not resulting directly or indirectly from any of the foregoing.

(b) All obligations of the Board under this Section shall be at the Board's sole cost and expense. All costs of operation of each Project and all costs of repair and replacement of each Project resulting from ordinary wear and tear or want of care on the part of the Board shall be the sole responsibility of the Board.

SECTION 5.11. [RESERVED].

SECTION 5.12. OTHER LIENS. (a) The Board shall keep each Project and all parts thereof free from judgments and, except as to Permitted Encumbrances, free from all liens, claims, demands and encumbrances of whatsoever nature or character, to the end that each Project may at all times be maintained and preserved, and the Board shall keep each Project free from any claim or liability which might impair or impede the operation of such Project or the security granted in the Trust Estate to Certificate Owners by the Trust Agreement; provided, however, that the Board shall not be required to pay any such liens, claims or demand if the validity thereof shall concurrently be contested in good faith by appropriate proceedings, if interests of the Corporation and the Trustee shall not be in jeopardy and if the Board shall set aside or cause to be set aside reserves deemed by it to be adequate with respect thereto; and, provided, further, that the Board upon the commencement of any proceedings to foreclose the lien of any such charge or claim, will forthwith pay or cause to be paid any such charge or claim unless contested in good faith as aforesaid. The Board agrees not to lease-purchase any Equipment hereunder except to the extent consented to by the Department or otherwise permitted by applicable law.

(b) The Board shall never, under any circumstances, have the power to subject the interest of the Corporation or its assignee in the Project to any mechanic's or materialman's lien or liens of any kind.

imposition of any lien, charge or encumbrance whatsoever upon any of the property or assets of the Corporation, or upon the Projects, except Permitted Encumbrances.

Upon receipt of any notice from any Person with regard to the Release of Hazardous Materials on, from or beneath a Project, the Board shall give prompt written notice thereof to the Trustee and the Credit Enhancer, if any, for such Project, (and, in any event, prior to the expiration of any period in which to respond to such notice under any Environmental Regulation).

(h) Irrespective of whether any representation or warranty contained in this Section 5.32 is not true or correct, the Board shall, to the extent permitted by law and solely from Available Revenues, defend, indemnify and hold harmless the Trustee, the Certificateholders and the Credit Enhancers and each of its and their employees, agents, officers, directors, trustees, successors and assigns, from and against any claims, demands, penalties,

Without limiting the generality of the foregoing, neither the Board nor to the best of its knowledge, after due inquiry, any prior or present owner, tenant or subtenant of any Project has, other than as set forth in subsections (b) and (c) of this Section 5.32 or as may have been remediated in accordance with Laws and Regulations, (i) used, treated, stored, transported or disposed of any material amount of flammable explosives, polychlorinated biphenyl compounds, heavy metals, chlorinated solvents, cyanide, radon, petroleum products, asbestos or any Asbestos Containing Materials, methane, radioactive materials, pollutants, hazardous materials, hazardous wastes, hazardous, toxic or regulated substances or related materials, as defined in CERCLA, RCRA, CWA, CAA, TSCA and Title III, and the regulations promulgated pursuant thereto, and in all other Environmental Regulations applicable to the Board, of any Project or the business operations conducted by the Board thereon (collectively, "Hazardous Materials") on, from or beneath a Project, (ii) pumped, spilled, leaked, disposed of, emptied, discharged or released (hereinafter collectively referred to as "Release") any material amount of Hazardous Materials on, from or beneath a Project, or (iii) stored any material amount of petroleum products at a Project in underground storage tanks, except as may be set forth as an exhibit to the Lease Schedule relating to such Project.

Its obligations and liabilities under this subsection (h) shall survive any action by the Trustee or the Certificateholders or Credit Enhancers pursuant to the terms hereof or of the Trust Agreement or the Ground Lease(s) relating to the sale, rental or other disposal of a Project or the defeasance and the satisfaction of all Certificates.

(i) The Board shall conform to and carry out a reasonable program of maintenance and inspection of all underground storage tanks, and shall maintain, repair and replace such tanks in accordance with Laws and Regulations, including but not limited to Environmental Regulations. ARTICLE VI

ASSIGNMENT; SUBLEASING; NET LEASE; AMENDMENT

SECTION 6.01. ASSIGNMENT AND SUBLEASING BY THE BOARD. (a) Except as provided herein, this Lease Agreement may not be assigned by the Board without the written consent of the Corporation, or its assignee and each Credit Enhancer.

(b) Notwithstanding any other provision of this Lease Agreement any Project, or portion thereof, may be subleased by the Board, subject to Permitted Encumbrances and the rights and interests of the Trustee and each Credit Enhancer, in whole or in part, without the consent of the Corporation, subject, however, to each of the following conditions:

(i) no such sublease shall in any way adversely affect or release the Board from any of its duties, obligations and covenants under this Lease Agreement including, without limitation, the obligation of the Board to make Lease Payments hereunder; and

(ii) no such sublease shall, in the opinion of Special Counsel, cause the Interest Component of the Basic Rent Payments received by the Owners of the Certificates (other than Taxable Certificates) to become includible within gross income of the Owners for purposes of federal income taxation.

(c) Nothing herein shall prohibit the Board from permitting temporary use of any Project, or portion thereof, by third parties.

(d) If an Event of Default occurs under this Lease Agreement, all proceeds of any sublease entered into by the Board pursuant to this Section shall be remitted to the Trustee and shall be credited against Basic Rent Payments to be made by the Board. Any sublease agreement must be made terminable by the Trustee in the event this Lease Agreement is terminated for any reason.

SECTION 6.02. TRANSFER OF TAX BENEFITS. Nothing herein shall be deemed to prevent the Board from entering into any agreement or making any disposition for the sole purpose of transferring to one or more corporations, partnerships or individuals federal or state income tax benefits which would be available for any Project, or portion thereof, if owned by a private person, subject, however, to each of the following conditions:

(a) no such sublease shall in any way adversely affect or release the Board from any of its duties, obligations and covenants under this Lease Agreement including, without limitation, the obligation of the Board to make Lease Payments hereunder; and

42

on any of the foregoing, during the term of this Lease Agreement; and the Board will pay all reasonable expenses incurred by the Corporation or the Trustee in connection with all filings or recordings of any documents relating to this Lease Agreement or the Corporation's or the Trustee's rights hereunder. The Corporation and the Trustee shall have the right, after reasonable written notice to the Board, to make any of the payments required of the Board under this Section with respect to the Projects, but shall not be obligated to pay the same, and may charge such payment with interest at the Overdue Rate from the date of payment, as Supplemental Rent to be paid by the Board on the next Basic Rent Payment Date.

SECTION 6.05. AMENDMENT. (a) This Lease Agreement may be amended in writing by the parties hereto or by their assignees on their behalf or in their name, without the consent of the Owners of the Certificates (but with the consent of each Credit Enhancer which is not in payment default under its municipal bond insurance policy or credit facility) thereof, for the purpose of (i) curing any ambiguity or of curing, correcting or supplementing any defective provision contained herein, or (ii) resolving any questions arising under this Lease Agreement which the Board may deem necessary or desirable and not inconsistent with the provisions of this Lease Agreement, (iii) providing for additional security, (iv) providing for Lease Schedules, including adding to or deleting the covenants, representations and agreements contained herein as the same shall effect a particular Project, and (v) any other amendment, which in the judgment of the Board does not materially, adversely affect the interests of the Owners of the Certificates; provided, however, that no such amendment shall, in the opinion of Special Counsel, cause the Interest Component of Basic Rent Payments to become includible in gross income of the recipients thereof for purposes of federal income taxation; and provided, further, that the parties hereto or their assignees may rely in entering into any such amendment pursuant to this Section upon the opinion of Special Counsel stating that the requirements of this sentence have been met with respect to such amendment.

(b) In addition to the amendments authorized to be made pursuant to Section 6.05(a) hereof, this Lease Agreement may also be amended upon approval of a majority of aggregate principal amount of the Owners of Certificates then Outstanding or, if all Outstanding Certificates are secured by Credit Facilities and/or municipal bond insurance policies, upon the approval of the Credit Enhancers of all Certificates then Outstanding; provided that no such amendment shall impair the right of any Owners to receive his proportionate share of any Basic Rent Payment in accordance with his Certificate unless approved by the Owners of all Certificates then Outstanding.

44

(b) no such agreement or disposition shall, in the opinion of Special Counsel, cause the Interest Component of the Basic Rent Payments received by the Owners of the Certificates (other than Taxable Certificates) to become includible in gross income of such Owners for purposes of federal income taxation.

SECTION 6.03. TAX COVENANTS. (a) The Board and the Corporation hereby covenant that, notwithstanding any other provision of this Lease Agreement, neither of them will make any use nor permit or direct the Trustee to make any use of the proceeds of the Certificates which will cause any of the Certificates or the Lease Agreement to be "arbitrage bonds" within the meaning of Section 148 of the Code.

(b) The Board and the Corporation hereby agree that they will make no use nor permit any use to be made of the proceeds of the Certificates, Lease Payments or any Project, or portion thereof, which would cause any of the Certificates or the Lease Agreement to be "private activity bonds" within the meaning of Section 141(a) of the Code.

(c) Except for the exercise by the Board of its right to Non-Appropriate as set forth in Section 7.01 hereof, the Board and the Corporation hereby covenant that they will comply with all provisions of the Code necessary to maintain the exclusion of the Interest Component of the Basic Rent Payments from gross income for purposes of federal income taxation, including, in particular, the payment of any amount required to be rebated to the U.S. Treasury pursuant to the Code.

(d) Notwithstanding the foregoing provisions contained in this Section, the Board and the Corporation may agree to entering into a Lease Schedule pursuant to which the Interest Component on the Basic Rent Payments shall not be excluded from gross income for purposes of federal income taxation; provided, however, that fact must be clearly stated on the Certificates. Provisions herein relating to the requirement to maintaining the exclusion of such Interest Component from gross income for federal income taxation purposes shall not apply to such Basic Rent Payments.

SECTION 6.04. NET LEASE. The Board intends the Lease Payments hereunder to be net to the Corporation. The Board shall comply with all liabilities and pay from Available Revenues all required local, state and federal taxes, including without limitation, income, franchise, gross receipts, sales, use, documentary stamp, excise, and personal property taxes, Real Estate Taxes, assessments, licenses, registration fees, freight and transportation charges and any other charges imposed or liabilities incurred with respect to the ownership, possession or use of the Projects, payment of Lease Payments or any other payments by the Board hereunder, and any penalties, fines or interest imposed on the Board hereunder, and any penalties, fines or interest imposed

ARTICLE VII

EVENT OF NON-APPROPRIATION; EVENTS OF DEFAULT AND REMEDIES

SECTION 7.01. EVENT OF NON-APPROPRIATION. (a) As provided herein, this Lease Agreement shall initially terminate at the end of the Initial Lease Term relating to a Project, but shall automatically be renewed for all Renewal Lease Terms relating thereto; provided, that such automatic renewal shall not occur and this Lease Agreement shall terminate as of the end of the current Initial or Renewal Lease Term if the Board does not approve a tentative Budget and a final Budget in accordance with State law which appropriates sufficient funds from Available Revenues for such purpose to continue making Lease Payments in full for the next succeeding Renewal Lease Term for all Projects leased hereunder beyond the end of the Initial Lease Term or the last Renewal Lease Term for which Lease Payments had been budgeted and appropriated (an "Event of Non-Appropriation"); provided, further, that in the event the Board's tentative or final Budget for such ensuing Renewal Lease Term is not enacted prior to the expiration of the then current Initial Lease Term or Renewal Lease Term relating to a Project, the Lease Term relating thereto shall be deemed renewed pending the enactment of such tentative Budget and final Budget and the Board shall be liable for any Lease Payments coming due during such period but only if the tentative Budget and final Budget makes available to the Board moneys which may legally be used to make the Lease Payments coming due during such period. Upon the occurrence of an Event of Non-Appropriation, the Board will not be obligated to pay Lease Payments beyond the then current Fiscal Year but will not be relieved of any obligations arising or accruing prior to such Event of Non-Appropriation including, without limitation, any obligation to deposit rebatable arbitrage in the Rebate Fund which may accrue prior to such Event of Non-Appropriation. The Board must deliver notice of the Event of Non-Appropriation to the Corporation, each Credit Enhancer and the Trustee within at least three Business Days thereof.

(b) If an Event of Non-Appropriation shall occur, the Board shall peaceably return possession of each Project to the Corporation, or its assignee or designee, within thirty (30) Business Days after the date on which such Event of Non-Appropriation occurs. The obligation to return the Projects shall survive the termination of this Lease Agreement. Under no circumstances shall the failure of the Board to appropriate sufficient moneys to pay Lease Payments constitute a Default or Event of Default hereunder or require payment of a penalty, or in any way limit the right of the Board to purchase or utilize, buildings, facilities or equipment similar in function to the property leased hereunder.

45

SECTION 7.02. EVENTS OF DEFAULT. The following shall be "Events of Default" under this Lease Agreement and the terms "Events of Default" and "Default" shall mean, whenever they are used in this Lease Agreement any one or more of the following events:

(a) Failure by the Board to pay any Basic Rent Payment required to be paid hereunder on the Basic Rent Payment Date to which such Basic Rent Payment pertains, other than as a result of an Event of Non-Appropriation; or

(b) Failure by the Board to pay any Supplemental Rent required to be paid hereunder at the time specified herein and the continuation of said failure to the next occurring Basic Rent Payment Date, other than as a result of an Event of Non-Appropriation; or

No delay or omission of the Corporation, or its assignee, to exercise any right or power arising upon the happening of any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of

49

Default or any acquiescence therein, and every power and remedy given by this Article VII to the Corporation, and its assignee, may be exercised from time to time and as often as shall be deemed expedient by the Corporation, or its assignee.

SECTION 7.07. REMEDIES NOT EXCLUSIVE. SECTION 2. DEFINITIONS. The words and terms which are defined in the Lease Agreement (as amended hereby), shall have the same meanings ascribed to them when used herein, unless the context or use indicates a different meaning or intent.

SECTION 3. AMENDMENTS TO EXHIBIT A (DEFINITIONS) TO THE LEASE AGREEMENT. (a) Exhibit A to the Lease Agreement is hereby amended by adding the following definitions of "Counterparty," "Hedge Agreement," "Hedge Obligations," "Hedge Receipts" and "Termination Fees":

"Counterparty" shall mean the Person entering into a Hedge Agreement with the Board.

"Hedge Agreement" shall mean an interest rate exchange agreement, an interest rate swap agreement, a forward purchase contract, a put option contract, a call option contract or any other financial product which is used by the Board as a hedging device with respect to its obligation to pay the interest portion of Basic Lease Payments represented by any of the Outstanding Certificates, entered into between the Board and a Counterparty and designated by the Board as a "Hedge Agreement" for the purposes of the Trust Agreement and Lease Agreement.

"Hedge Obligations" shall mean the periodic amounts required to be paid by the Board on the related notional amount under a Hedge Agreement determined in accordance with a formula set forth in the Hedge Agreement (similar to payment of interest on the related notional amount), but excluding Termination Fees which are not payable by a Credit Enhancer pursuant to the terms of any bond insurance policy or Credit Facility securing the obligation of the Board to make certain payments under a Hedge Agreement.

"Hedge Receipts" shall mean amounts received by the Board on the related notional amount from a Counterparty under a Hedge Agreement which may be net of any Hedge Obligations.

"Termination Fees" means any payments due by the Board under a Hedge Agreement, other than Hedge Obligations.

(b) Exhibit A to the Lease Agreement is hereby amended by amending and restating the definition of "Basic Rent" or "Basic Rent Payment" in its entirety with the following:

SECTION 4. AMENDMENTS TO SECTION 4.03 OF THE LEASE AGREEMENT. Subsections (b) and (c) of Section 4.03 of the Lease Agreement are hereby amended in their entirety to read as follows:

"(b) The Board agrees to pay as lease rental hereunder for each Project, the Basic Rent on or prior to the Basic Rent Payment Dates as set forth in the Lease Schedule and/or Hedge Agreement relating thereto, as the same may be modified or amended from time to time following any prepayment of Basic Rent for the lease of such Project. Basic Rent Payments consist of a Principal Component and an Interest Component which shall be stated in each Lease Schedule; provided that Hedge Obligations shall always constitute an Interest Component. The portion of the Basic Rent attributable to the Interest Component shall not exceed the maximum rate permitted by Section 215.84, Florida Statutes. Each Project may be divided into Groups of leased property as described in the Lease Schedule relating thereto. The Principal Component and Interest Component attributed to each Group of leased property shall be provided in the Lease Schedule relating thereto. The Board hereby agrees that it shall make all Basic Rent Payments coming due on each Basic Rent Payment Date on or prior to each such Basic Rent Payment Date in accordance with the applicable Lease Schedule and/or Hedge Agreement, subject to the provisions of Sections 4.06 and 7.01 hereof. THE BOARD SHALL NOT BUDGET AND APPROPRIATE AVAILABLE REVENUES FOR A PORTION OF THE PROJECTS LEASED PURSUANT TO THIS LEASE AGREEMENT; IT MUST BUDGET AND APPROPRIATE LEASE PAYMENTS FOR ALL OF THE PROJECTS DESCRIBED ON ALL LEASE SCHEDULES ENTERED INTO PURSUANT TO THIS LEASE AGREEMENT OR NONE OF THEM. All Basic Rent Payments shall be paid in arrears. The Board shall pay the Basic Rent due hereunder to the Trustee at its Principal Office and the Trustee shall apply same as provided in the Trust Agreement. The Board shall specify which subaccount of the Interest Account and Principal Account the Basic Rent Payments shall be deposited in, provided that all Hedge Receipts shall be deposited in a subaccount of the Interest Account. To the extent that moneys have been deposited and are available with the Trustee from the proceeds of a Series of Certificates for the purpose of paying Basic Rent relating to a Project pursuant to Section 6.01 of the Trust Agreement, the amount to be appropriated shall not be reduced but the Board shall not be required to transfer funds to the Trustee for payments of such Basic Rent, and the Board shall receive a credit against its obligation to pay such Basic Rent for such amounts on deposit with the Trustee."

"(c) In addition to the Basic Rent, the Board hereby agrees to pay and discharge from time to time as provided herein, as Supplemental Rent, all other amounts, liabilities and obligations which the Board assumes or agrees to pay to the Corporation, the Trustee, any Credit Enhancers, Termination Fees due any Counterparties, and any amounts due to the issuer of any Reserve Account Insurance Policy or Reserve Account Letter of Credit pursuant to the terms and provisions of any agreements between the Board and such parties, or to others with respect to this Lease Agreement, the Trust Agreement, any Hedge Agreement or the Projects. Supplemental Rent shall include, but not be limited to, any redemption premium attributable to the Certificates, the fees and expenses (including reasonable counsel fees and expenses) incurred by the Trustee pursuant to the Trust Agreement or hereunder, all fees and expenses of the Corporation relating to the lease of the Projects or to its corporate existence, all ongoing expenses relating to the financing of the Projects. The Supplemental Rent shall be paid to Trustee for application in accordance with the terms hereof and of the Trust Agreement or, in the case of a Termination Fee, directly to the Counterparty."

SECTION 5. PROVISIONS OF LEASE AGREEMENT NOT OTHERWISE MODIFIED. Except as expressly modified or amended hereby, the Lease Agreement shall remain in full force and effect. To the extent of any conflict between the terms of the Lease Agreement and this First Amendment to Master Lease Purchase Agreement, the terms hereof shall control.

SECTION 6. THIRD PARTY BENEFICIARIES. SECOND AMENDMENT TO MASTER LEASE-PURCHASE AGREEMENT

THIS SECOND AMENDMENT TO MASTER LEASE-PURCHASE AGREEMENT, dated as of January 1, 2007 (the "Second Amendment to Master Lease-Purchase Agreement"), amending the Master Lease-Purchase Agreement, dated as of April 1, 1994, as heretofore amended and supplemented (the "Lease Agreement"), by and between the **HILLSBOROUGH SCHOOL BOARD LEASING CORPORATION**, a not-for-profit educational corporation duly organized and existing under the laws of the State of Florida (the "Corporation"), and the **SCHOOL BOARD OF HILLSBOROUGH COUNTY, FLORIDA**, acting as the governing body of the Hillsborough County School District (the "Board").

WITNESSETH:

WHEREAS, the Board has heretofore deemed it in its best interests to lease-purchase certain real and/or personal property from time to time and has heretofore entered into a Master Lease-Purchase Agreement, dated as of April 1, 1994, as amended and supplemented (the "Lease Agreement"), between the Corporation, as lessor, and the Board, as lessee; and

WHEREAS, as a result of the Board's inability to obtain windstorm damage insurance coverage in the amounts specified in Section 5.05 of the Lease Agreement, the Board desires to amend said Section 5.05 to reflect the changes in the insurance market since April 1, 1994;

NOW, THEREFORE, in consideration of the mutual agreements and covenants in the Trust Agreement (defined in the Lease Agreement) and Lease Agreement contained and for other valuable consideration, the parties hereto agree as follows:

SECTION 1. AUTHORIZATION. This Second Amendment to Master Lease-Purchase Agreement is being entered into in accordance with (i) the provisions of the Act, and (ii) Section 6.05(b) of the Lease Agreement.

SECTION 2. DEFINITIONS. The words and terms which are defined in the Lease Agreement (as amended hereby), shall have the same meanings ascribed to them when used herein, unless the context or use indicates a different meaning or intent.

SECTION 3. AMENDMENT OF SECTION 5.05 OF THE LEASE AGREEMENT. Section 5.05 of the Lease Agreement is hereby amended and restated in its entirety to read as follows:

"SECTION 5.05 FIRE AND EXTENDED COVERAGE INSURANCE AND FLOOD INSURANCE. (a) The Board shall procure and maintain, or cause

i

to be procured and maintained, throughout the Lease Term, subject to the requirements of State law, insurance against loss or damage to any part of the Projects by fire or lightning, with extended coverage and vandalism and malicious mischief insurance. Said extended coverage insurance shall, as nearly as practicable, also cover loss or damage by explosion, windstorm, riot, aircraft, vehicle damage, smoke and such other hazards as are normally covered by such insurance. Such insurance shall be in an amount equal to the lesser of (i) one hundred percent (100%) of the replacement cost of the Projects, (ii) the Principal Component of the Basic Rent Payments then remaining unpaid, (iii) \$75,000,000 per occurrence or (iv) such lesser amount as is available to the Board at commercially reasonable costs, as set forth in a Certificate of an Insurance Consultant filed with the Board, the Trustee and each Credit Enhancer. Such insurance may be subject to deductible clauses not to exceed \$250,000 in the aggregate for any one loss or, in the case of windstorm damage, two percent (2%) of the replacement cost. Such insurance may be maintained as part of or in conjunction with any other fire and extended coverage insurance carried or required to be carried by the Board, and may be maintained in whole or in part in the form of self-insurance by the Board, provided such self-insurance complies with the provisions of Section 5.07 hereof. The Net Proceeds of such insurance shall be applied as provided in Section 5.06 hereof. **The provisions of this Section 5.05, as amended, supersede in all respects the provisions contained in outstanding Lease Schedules (particularly, Section 10 thereof) related to property and casualty insurance in conflict hereto and dated prior to January 1, 2007.**

(b) Flood insurance shall be separately maintained by the Board for any property included in a Project which is located in a federally designated flood plain, in such amounts per occurrences as are available at commercially reasonable costs and in minimum amounts necessary to qualify for federal disaster relief programs. In the event the Board considers flood insurance to be unavailable at commercially reasonable rates, it shall so notify the Trustee and the Credit Enhancer(s), if any, for the Project(s) to which such flood insurance relates. If such Credit Enhancer(s) identify insurance for such coverage at commercially reasonable rates, the Board shall be obligated to obtain such insurance. In the event that such Credit Enhancer(s) and the Board determine that flood insurance is unavailable at commercially reasonable rates, such flood insurance shall be maintained in whole in the form of self-insurance by the Board in compliance with the provisions of Section 5.07 hereof.

(c) The insurance required to be maintained by the Board pursuant to this Section 5.05 shall be provided by carriers rated at least "A" by Standard & Poor's Corporation (a "Qualified Insurer" unless the Credit Enhancer(s), if any, for the Project(s) to which such insurance relates shall approve an insurer with a lower

rating. If an insurer's rating falls below "A" (or, with respect to an insurer approved as aforesaid with a rating lower than "A," falls below the rating such insurer had when approved), such insurer shall be replaced with a Qualified Insurer unless the Credit Enhancer(s), if any, for the Project(s) to which such insurance relates shall approve an insurer with a lower rating.

SECTION 4. PROVISIONS OF LEASE AGREEMENT NOT OTHERWISE MODIFIED. Except as expressly modified or amended hereby, the Lease Agreement shall remain in full force and effect. To the extent of any conflict between the terms of the Lease Agreement and this Second Amendment to Master Lease-Purchase Agreement, the terms hereof shall control.

SECTION 5. THIRD PARTY BENEFICIARIES. Nothing in this Second Amendment to Master Lease-Purchase Agreement, express or implied, is to or shall be construed to confer upon or to give to any person or party other than the Corporation, and its assignee, the Trustee, the Credit Enhancers, Counterparties and the Board any rights, remedies or claims under or by reason of this Second Amendment to Master Lease-Purchase Agreement or any covenants, condition or stipulation hereof; and all covenants, stipulations, promises and agreements in this Second Amendment to Master Lease-Purchase Agreement contained by or on behalf of the Corporation or the Board shall be for the sole and exclusive benefit of the Corporation, and its assignee, the Credit Enhancers, Counterparties and the Board.

SECTION 6. COUNTERPARTS. This Second Amendment to Master Lease-Purchase Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

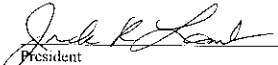

SECTION 7. HEADINGS. Any heading preceding the text of the several Articles hereof, and any table of contents or marginal notes appended to copies hereof, shall be solely for convenience of reference and shall not constitute a part of this Second Amendment to Master Lease-Purchase Agreement, nor shall they affect its meaning, construction or effect.

SECTION 8. LAWS. This Second Amendment to Master Lease-Purchase Agreement shall be construed and governed in accordance with the laws of the State.

IN WITNESS WHEREOF, the parties have executed this Second Amendment to Master Lease-Purchase Agreement by their officers thereunto duly authorized as of the date and year first written above.

AMENDED AND RESTATED LEASE SCHEDULE NO. 2002

**Amended and Restated Lease Schedule No. 2002
to the
Master Lease-Purchase Agreement,
dated as of April 1, 1994,
between
Hillsborough School Board Leasing Corporation (the "Corporation")
and
School Board of Hillsborough County, Florida (the "Board")**

THIS AMENDED AND RESTATED LEASE SCHEDULE NO. 2002 (the "Amended and Restated Lease Schedule") hereby amends and restates in its entirety Lease Schedule No. 2002, dated as of September 15, 2002, between the Board and the Corporation (the "Prior Lease Schedule") to that certain Master Lease-Purchase Agreement, dated as of April 1, 1994, between the Board and the Corporation, as amended (the "Master Lease Agreement"). The Master Lease Agreement, together with this Amended and Restated Lease Schedule are herein collectively referred to as the "Lease Agreement". This Amended and Restated Lease Schedule is hereby entered into under the Lease Agreement pursuant to which the Corporation has agreed to lease-purchase to the Board and the Board has agreed to lease-purchase from the Corporation, subject to the terms and conditions of the Lease Agreement, the Series 2002 Project as herein described. All defined terms not otherwise defined herein shall have the respective meanings therefor set forth in the (i) Lease Agreement or (ii) the Master Trust Agreement, dated as of April 1, 1994, among the Board, the Corporation and the Trustee, as amended and supplemented, particularly as amended and supplemented by the Series 2012A Supplemental Trust Agreement (the "Series 2012A Supplemental Trust Agreement"), dated as of April 1, 2012, among the Board, the Corporation and the Trustee (collectively, the "Trust Agreement"). Reference to "Lease Agreement" herein shall include the terms of this Amended and Restated Lease Schedule.

1. Findings. The Board and the Corporation hereby find and determine that:
 - (a) The Board has heretofore executed and delivered the Lease Agreement pursuant to which it has established a master lease-purchase program.
 - (b) The Board has heretofore leased the Series 2002 Project from the Corporation in accordance with the terms of the Lease Agreement.
 - (c) The Board has heretofore caused the Series 2002 Certificates (as defined in the Series 2012A Supplemental Trust Agreement) to be executed, authenticated and delivered by the Trustee in connection with the financing of the costs of acquisition and construction and the Board's leasing of the Series 2002 Project.

(d) The Board and the Corporation deem it in their best interests to restructure the Basic Rent Payments due under the Prior Lease Schedule by issuing Refunding Certificates for the purpose of refunding, on a current basis, the outstanding Series 2002 Certificates maturing on July 1 in the years 2021 through 2028, inclusive (the "Refunded Certificates").

(e) In order to accomplish such refunding, the Board and the Corporation hereby agree to cause the issuance of the Series 2012A Certificates (as defined herein) pursuant to the Master Trust Agreement and the Series 2012A Supplemental Trust Agreement.

(f) The Board and the Corporation further agree to use a portion of the proceeds of the Series 2012A Certificates to (i) prepay the Refunded Certificates pursuant to the terms of the Master Trust Agreement (including, particularly, Articles V and XII thereof) and an Escrow Deposit Agreement, dated as of April 3, 2012 (the "Escrow Deposit Agreement"), between the Board and U.S. Bank National Association, as Escrow Agent, in order to restructure and reduce certain Basic Rent Payments payable under the Lease Agreement as aforesaid and (ii) pay costs associated with the issuance of the Series 2012A Certificates. The portion of the proceeds of the Series 2012A Certificates to be applied to the refunding of the Refunded Certificates shall be deposited into an escrow deposit trust fund established pursuant to the Escrow Deposit Agreement and shall constitute the deposit of prepaid Basic Rent Payments by the Board. The refunding of the Refunded Certificates is in the best interests of the Board and the Corporation because it results in a decrease in Basic Rent Payments associated with the portion of the Series 2002 Project refinanced with the proceeds of the Refunded Certificates.

(g) The deposit of the prepaid Basic Rent Payments into the escrow deposit trust fund shall be in an amount sufficient to pay the principal of, redemption premium, if any, and interest on the Refunded Certificates, as the same become due or are redeemed prior to maturity. The Lease Agreement will secure the payment of Supplemental Rent and any deficiency in the prepaid Basic Rent Payments on deposit in the escrow deposit trust fund relating to the Refunded Certificates.

(h) In consideration for the deposit of such prepaid Basic Rent Payments with the Escrow Agent, the Board and the Corporation agree to enter into this Amended and Restated Lease Schedule, whereby the Board will lease the Series 2002 Project and agree to make Basic Rent Payments sufficient to pay the principal of and interest on that portion of the Series 2012A Certificates allocable to the Series 2002 Project and the Series 2002 Certificates maturing on July 1 in the years 2017 through 2020, inclusive, that are not being refunded in connection with the issuance of the Series 2012A Certificates (the "Outstanding Series 2002 Certificates").

2. Series 2002 Project. The leased property, which is described in Section 6 of this Amended and Restated Lease Schedule (the "Series 2002 Project"), and has a Maximum Cost of \$64,010,000, shall be acquired, constructed and installed, and lease-purchased, by the Board from the Corporation pursuant to the terms of the Lease Agreement.

2

(f) The Closure Date of the Series 2002 Subaccount of the Project Account established for the Series 2002 Certificates, for purposes of Section 6.03(g) of the Trust Agreement, was October 1, 2005.

5. Basic Rent and Basic Rent Payment Dates. The Basic Rent payable by the Board to the Corporation with respect to the Series 2002 Project under the Lease Agreement is described in Schedule A attached hereto. Basic Rent is due and payable from the Board no later than the 15th day prior to each Basic Rent Payment Date. The obligation to make Basic Rent Payments in regard to the Refunded Certificates shall remain in effect to the extent of any deficiency in prepaid Basic Rent Payments deposited in the escrow deposit trust fund established by the Escrow Deposit Agreement for the Refunded Certificates.

6. Use of Certificate Proceeds. (a) The proceeds of the Series 2002 Certificates (net of underwriters' discount) were disbursed as follows:

Deposit to Series 2002 Subaccount of Project Account established for the Series 2002 Certificates	\$61,885,173.17
Deposit to Series 2002 Subaccount of Costs of Issuance Account established for the Series 2002 Certificates	459,310.00*

AMENDED AND RESTATED LEASE SCHEDULE NO. 2003B

**Amended and Restated Lease Schedule No. 2003B
to the
Master Lease-Purchase Agreement,
dated as of April 1, 1994,
between
Hillsborough School Board Leasing Corporation (the "Corporation")
and
School Board of Hillsborough County, Florida (the "Board")**

THIS AMENDED AND RESTATED LEASE SCHEDULE NO. 2003B (the "Amended and Restated Lease Schedule") hereby amends and restates in its entirety Lease Schedule No. 2003B, dated as of September 1, 2003, between the Board and the Corporation (the "Prior Lease Schedule") to that certain Master Lease-Purchase Agreement, dated as of April 1, 1994, between the Board and the Corporation, as amended (the "Master Lease Agreement"). The Master Lease Agreement, together with this Amended and Restated Lease Schedule are herein collectively referred to as the "Lease Agreement". This Amended and Restated Lease Schedule is hereby entered into under the Lease Agreement pursuant to which the Corporation has agreed to lease-purchase to the Board and the Board has agreed to lease-purchase from the Corporation, subject to the terms and conditions of the Lease Agreement, the Series 2003B Project as herein described. All defined terms not otherwise defined herein shall have the respective meanings therefor set forth in the (i) Lease Agreement or (ii) the Master Trust Agreement, dated as of April 1, 1994, among the Board, the Corporation and the Trustee, as amended and supplemented, particularly as amended and supplemented by the Series 2012A Supplemental Trust Agreement (the "Series 2012A Supplemental Trust Agreement"), dated as of April 1, 2012, among the Board, the Corporation and the Trustee (collectively, the "Trust Agreement"). Reference to "Lease Agreement" herein shall include the terms of this Amended and Restated Lease Schedule.

1. Findings. The Board and the Corporation hereby find and determine that:
 - (a) The Board has heretofore executed and delivered the Lease Agreement pursuant to which it has established a master lease-purchase program.
 - (b) The Board has heretofore leased the Series 2003B Project from the Corporation in accordance with the terms of the Lease Agreement.
 - (c) The Board has heretofore caused the Series 2003B Certificates (as defined in the Series 2012A Supplemental Trust Agreement) to be executed, authenticated and delivered by the Trustee in connection with the financing of the costs of acquisition and construction and the Board's leasing of the Series 2003B Project.
 - (d) The Board and the Corporation deem it in their best interests to restructure the Basic Rent Payments due under the Prior Lease Schedule by issuing Refunding

Certificates for the purpose of refunding, on an advanced basis, all of the outstanding Series 2003B Certificates (the "Refunded Certificates").

(e) In order to accomplish such refunding, the Board and the Corporation hereby agree to cause the issuance of the Series 2012A Certificates (as defined herein) pursuant to the Master Trust Agreement and the Series 2012A Supplemental Trust Agreement.

(f) The Board and the Corporation further agree to use a portion of the proceeds of the Series 2012A Certificates to (i) prepay the Refunded Certificates pursuant to the terms of the Master Trust Agreement (including, particularly, Articles V and XII thereof) and an Escrow Deposit Agreement, dated as of April 3, 2012 (the "Escrow Deposit Agreement"), between the Board and U.S. Bank National Association, as Escrow Agent, in order to restructure and reduce certain Basic Rent Payments payable under the Lease Agreement as aforesaid and (ii) pay costs associated with the issuance of the Series 2012A Certificates. The portion of the proceeds of the Series 2012A Certificates to be applied to the refunding of the Refunded Certificates shall be deposited into an escrow deposit trust fund established pursuant to the Escrow Deposit Agreement and shall constitute the deposit of prepaid Basic Rent Payments by the Board. The refunding of the Refunded Certificates is in the best interests of the Board and the Corporation because it results in a decrease in Basic Rent Payments associated with the portion of the Series 2003B Project refinanced with the proceeds of the Refunded Certificates.

(g) The deposit of the prepaid Basic Rent Payments into the escrow deposit trust fund shall be in an amount sufficient to pay the principal of, redemption premium, if any, and interest on the Refunded Certificates, as the same become due or are redeemed prior to maturity. The Lease Agreement will secure the payment of Supplemental Rent and any deficiency in the prepaid Basic Rent Payments on deposit in the escrow deposit trust fund relating to the Refunded Certificates.

(h) In consideration for the deposit of such prepaid Basic Rent Payments with the Escrow Agent, the Board and the Corporation agree to enter into this Amended and Restated Lease Schedule, whereby the Board will lease the Series 2003B Project and agree to make Basic Rent Payments sufficient to pay the principal of and interest on that portion of the Series 2012A Certificates allocable to the Series 2003B Project.

2. Series 2003B Project. The leased property, which is described in Section 6 of this Amended and Restated Lease Schedule (the "Series 2003B Project"), and has a Maximum Cost of \$72,516,259, shall be acquired, constructed and installed, and lease-purchased, by the Board from the Corporation pursuant to the terms of the Lease Agreement.

11. Other Documents. The documents required by Section 3.01(c) of the Lease Agreement to be submitted with this Amended and Restated Lease Schedule are attached hereto as Schedule D.

As used herein, the expression "Term hereof," "Ground Lease Term" or any similar expression refers collectively to the Initial Ground Lease Term and to any renewals of the Initial Ground Lease Term exercised by the Corporation or its assignee as provided in Section 2.2 hereof.

SECTION 3. USE OF PREMISES. (a) It is the express intent of the parties hereto that, for as long as no Event of Default or Event of Non-Appropriation under the Lease Agreement has occurred:

(i) the Premises shall be used by the Corporation as the site for acquisition, construction and installation of the Buildings comprising a portion of the Series 2002 Project;

(ii) the Buildings and Equipment comprising a portion of the Series 2002 Project shall be acquired, constructed and installed by the Board as agent for the Corporation as provided in Section 3.08 of the Lease Agreement; and

(iii) title to the Premises shall be in the Board upon commencement of the Ground Lease Term and title to all components of the Series 2002 Project, other than Designated Equipment, shall be in name of Corporation pursuant to the Lease Agreement, and title to the Buildings comprising a portion of the Series 2002 Project constructed on the Premises shall remain severed from title to the Premises until the earlier of (A) the date on which the Series 2002 Certificates issued under the Trust Agreement shall no longer be Outstanding, and (B) the end of the Ground Lease Term.

(b) If the Lease Agreement has been terminated, the Corporation and each Permitted Transferee (as defined in Section 9(b) hereof) may use the Premises for any lawful purpose, in its sole discretion, and may alter, modify, add to or delete from the portions of the Series 2002 Project existing from time to time on the Premises.

(c) Neither the Corporation nor any Permitted Transferee shall use or permit the Premises to be used in violation of any valid present or future laws, ordinances, rules or regulations of any public or governmental authority at any time applicable thereto.

(d) The Board may at any time place portable educational facilities on the Premises. Such portables shall be owned by the Board.

SECTION 4. RENTAL. (a) So long as the Lease Agreement has not been terminated, the Corporation or its assignee shall pay to the Board as and for rental for the Premises the sum of ten dollars (\$10.00) per annum, which sum shall be due in advance on the

4

(b) Possession and use of the Premises, together with all improvements thereon, shall, upon the last day of the Ground Lease Term or earlier termination of this Ground Lease, automatically revert to the Board free and clear of liens and encumbrances other than Permitted Encumbrances without necessity of any act by the Corporation or any Permitted Transferee. Upon such termination of this Ground Lease, the Corporation or its assignee shall peaceably and quietly surrender to the Board the Premises together with any improvements located in or upon the Premises. Upon such surrender of the Premises, the Corporation or any Permitted Transferee, at the reasonable request of the Board, shall execute an instrument in recordable form evidencing such surrender and shall deliver to the Board all books, records, construction plans, surveys, permits and other documents relating to, and necessary or convenient for, the operation of the Premises and the improvements thereon in the possession of the Corporation or any Permitted Transferee.

(c) Any personal property of the Corporation, any Permitted Transferee or any Person which shall remain on the Premises after expiration or earlier termination of the Ground Lease Term and for sixty (60) days after request by the Board for removal, shall, at the option of the Board, be deemed to have been abandoned and may be retained by the Board and the same may be disposed of, without accountability, in such manner as the Board may see fit.

(d) If the Corporation or any Permitted Transferee holds over or refuses to surrender possession of the Premises after expiration or earlier termination of this Ground Lease, the Corporation or any Permitted Transferee shall be a tenant at sufferance and shall pay a rental rate equal to the fair market rental of the Premises determined in the manner provided in Section 4(b) hereof.

(e) The provisions of Sections 5(a), 5(b) and 5(c) hereof shall not apply to vending machines or other commercial equipment or trade fixtures located in or about the Premises to the extent that such equipment is readily removable from the Premises without causing material harm or damage thereto and that such equipment is not owned by the Corporation or any Permitted Transferee.

SECTION 6. BOARD'S INTEREST NOT SUBJECT TO CERTAIN LIENS. It is mutually intended, stipulated and agreed that neither the fee simple title to nor any interest of the Board in the Premises may be subject to liens of any nature arising by reason of any act or omission of the Corporation or any Person claiming under, by or through the Corporation, including, but not limited to, mechanics' and materialmen's liens.

SECTION 7. INSURANCE. The Corporation covenants and agrees with the Board that the Corporation will cooperate with the Board in providing any information necessary for the Board to obtain and maintain in full force and effect insurance coverages desired by the Board or required by the Lease Agreement.

SECTION 8. CONDITION OF PREMISES, UTILITIES, CONCEALED CONDITIONS. (a) Except with regard to any environmental conditions and subject to the

6

provisions of this Section 8, the Corporation agrees to accept the Premises in their presently existing condition, "as is."

(b) It is understood and agreed that the Board has determined that the Premises will safely or adequately support the Series 2002 Project, and hereby certifies same to the Corporation.

(c) The Board, at its sole expense, shall bring or cause to be brought to the Premises adequate connections for water, electrical power, storm sewerage and sewerage, and shall arrange with the appropriate utility companies for furnishing such services and shall provide to the Premises water service and capacity sufficient for operation, heating, ventilation and air conditioning equipment, and to the extent necessary to permit the Board to use the Series 2002 Project for the purposes intended or to permit such Series 2002 Project to comply with all requirements of law, the Corporation will provide and construct (but only to the extent of the proceeds of the Series 2002 Certificates available therefor) such roads, streets, sidewalks and other methods of ingress and egress necessary therefor. Nothing herein shall prohibit the Board from dedicating any such utilities or roads, streets and sidewalks to the appropriate governmental authority or duty constituted investor-owned utility as required or permitted by law, and the Corporation or the Trustee as assignee of the Corporation shall cooperate in such dedication by executing any deeds or other instruments required to effect such dedication.

SECTION 9. LIMITATION ON LEASEHOLD MORTGAGES, ASSIGNMENT AND SUBLETTING. (a) If the Lease Agreement has been terminated and subject to the terms and conditions herein provided, the Corporation may enter into a mortgage or mortgages of its leasehold interest created hereby in the Premises as security for the performance of its obligations under any financing obtained by the Corporation; provided, however, the fee title to the Premises shall not be subject to, or otherwise encumbered by, any such mortgage; provided, however, that each such leasehold mortgage shall be subject to the provisions of Section 9(d) hereof. Any such mortgage executed by the Corporation or its assignee pursuant to the provisions of the preceding sentence shall be hereinafter called a "Leasehold Mortgage" and the holder of any such mortgage shall be hereinafter called the "Leasehold Mortgagee."

(b) Except as expressly provided in this Section 9(b), the Corporation or its assignee shall not assign this Ground Lease, or any portion hereof, or sublease all or any portion of the Premises at any time. Except as expressly permitted in this Section 9(b), any purported assignment, partial assignment or sublease without the Board's prior written consent in violation of this Section 9(b) shall be null and void. So long as the Lease Agreement has not been terminated, (i) the Corporation may assign this Ground Lease to the Trustee for the benefit of the Owners of the Series 2002 Certificates, and (ii) the Corporation shall sublet all of the Premises to the Board (the "Initial Sublessee") under the Lease Agreement. If the Lease Agreement shall have been terminated, the Corporation or its assignee may sublet the Premises or assign its interest in this Ground Lease (a "Permitted Sublease") to any Person for any lawful purpose without the prior consent of the Board; provided, however, that no Permitted Sublease shall relieve the Corporation of any of its duties or obligations hereunder without the prior written consent of the Board; provided, however, that each

7

any possessory right which the Corporation or its assignee may have in or to the Premises thereon by reason of its use or occupancy thereof or otherwise.

(b) Notwithstanding the foregoing provision, either the Board or the Corporation shall, after notifying the other party hereto of its intention to do so, have the right in its own name or behalf, or in the name and behalf of the other party hereto, to contest in good faith by all appropriate proceedings the amount, applicability or validity of any such tax or assessment, and in connection with such contest, the Board may refrain from paying such tax or assessment. Each party shall, upon request by the other party hereto, assist and cooperate with the other party hereto in any such proceedings.

(c) In the event that the Board shall fail to pay any of the items required under this Section 12, the Corporation or its assignee may, at its sole option, pay the same and any amounts so advanced therefor by it shall become an additional obligation of the Board and Supplemental Rent under the Lease Agreement.

SECTION 13. DEFAULT BY THE CORPORATION. (a) Each of the following events shall be deemed a default by the Corporation hereunder and a breach of this Ground Lease:

(i) If the Corporation or its assignee shall fail to pay, when due, any rent or portion thereof, or any other sum, if any, which the Corporation or its assignee is obligated to pay under the terms and provisions of this Ground Lease, and such rent or other sums, if any, remain unpaid for a period of thirty (30) days after receipt of written notice to the Corporation from the Board;

(ii) If the Corporation or its assignee shall attempt to mortgage the leasehold estate hereby created in violation of Section 9(a) hereof or to assign this Ground Lease, or any portion thereof, or to sublease any portion of the Premises or the Series 2002 Project in violation of Section 9(b) hereof; or

(iii) If the Corporation or its assignee shall use the Premises for any purposes not permitted by this Ground Lease, and such use shall continue for a period of thirty (30) days after the Board shall have given written notice to the Corporation or its assignee to desist from such use.

(b) In the event that the item of default set forth in Section 13(a)(ii) above is of such a nature that it cannot be remedied within the time limits therein set forth, then the Corporation and proceeds to completely cure the same in a timely and diligent manner.

(c) In the event that any Permitted Transferee or Leasehold Mortgagee exists of record at the time that a default occurs hereunder, the Board shall give notice thereof to each such Permitted Transferee and Leasehold Mortgagee and each such party shall have thirty (30) additional days from receipt of such notice to cure such default; provided, however, that if the default is of such a nature

9

Permitted Sublease shall be subject to the provisions of Section 9(d) hereof. "Permitted Transferee" shall mean a sublessee or assignee permitted by this Section 9(b).

(c) If the Lease Agreement shall have been terminated and the Corporation or its assignee proposes to create a Permitted Sublease of any portion of its interest in this Ground Lease, the Corporation shall provide written notice thereof to the Board containing the names and addresses of the proposed assignee(s), sublessee(s) or transferee(s); provided, however, that failure to provide such notice shall not affect the validity or effectiveness of any Permitted Sublease to a Permitted Transferee.

(d) If the Lease Agreement shall have been terminated, nothing herein shall prevent the Corporation or its assignee from entering into a Leasehold Mortgage or a Permitted Sublease for individual parcels of land constituting the Premises. It shall not be necessary for a Leasehold Mortgage or a Permitted Sublease to cover all of the Premises.

SECTION 10. UTILITY EASEMENTS. So long as the Lease Agreement has not been terminated, the Board reserves the right to grant nonexclusive utility easements, licenses, rights-of-way and other rights or privileges in the nature of easements to others over, under, through, across or on the Premises but only to the extent reasonably necessary to provide services to the Premises or any other real property adjacent to the Premises; provided, however, that such grant and any use permitted thereby is not detrimental to the use or operation of the Premises or to any other uses permitted hereunder after the Ground Lease Term, will not impose any cost upon the Corporation or its assignee, will not weaken, diminish or impair lateral or adjacent support to the improvements to the Premises, including, without limitation the Series 2002 Project, will not impair or diminish the security of any Leasehold Mortgagee or Permitted Transferee hereunder and the Board agrees to indemnify and save harmless, but only from Available Revenues, the Corporation or its assignee and any Leasehold Mortgagee and Permitted Transferee (whether the interest of such party in the Premises arises prior or subsequent to such grants) against any loss, claim, liability or damages, including legal costs and defense arising or accruing from the use or exercise of such easement.

SECTION 11. DUTIES DEEMED PERFORMED. All obligations of the Corporation hereunder which are assumed by the Initial Sublessee shall be deemed, as between the Board and the Corporation hereunder, fully performed whether or not such Initial Sublessee actually performs same.

SECTION 12. TAXES AND FEES. (a) The Board represents and warrants that this Ground Lease is and will be exempt from ad valorem and intangible taxation. However, for as long as the Lease Agreement is in effect, should the Premises thereon or any interest therein ever become subject to any such taxes, the Board agrees to pay any and all such lawful taxes, assessments or charges which at any time may be levied by any federal, state, county, city, or any tax or assessment levying body upon the Premises or the Series 2002 Project, or any interest in this Ground Lease, or

8

that the same cannot be cured in such time, then such party shall have such additional time as is reasonably necessary to cure such default provided that such party diligently commences the curing of such default within such time and proceeds completely to cure same within a timely and diligent manner.

SECTION 14. REMEDIES OF BOARD. Upon the occurrence of any event of default as set forth in Section 13 hereof which has not been cured (and is not in the process of being cured) under Section 13(b) or 13(c) hereof, but not otherwise, the Board may take whatever action at law or in equity may appear necessary or desirable to enforce its rights hereunder; provided, the Board shall not have the right to terminate this Ground Lease until such time as the Series 2002 Certificates have been paid or provision for payment has been made pursuant to the terms and provisions of the Trust Agreement. The Board shall have recourse solely against the leasehold estate of the Corporation or its assignee in the Premises, and any proceeds thereof, for the payment of any liabilities of the Corporation or its assignee hereunder.

SECTION 15. NO WAIVERS. No waiver by either party hereto at any time of any of the terms, conditions, covenants or agreements of this Ground Lease, or noncompliance therewith, shall be deemed or taken as a waiver at any time thereafter of the same, nor of any other term, condition, covenant or agreement herein contained, nor of the strict and prompt performance thereof by the other party hereto. No delay, failure or omission of the Board to re-enter the Premises, nor by either party hereto to exercise any right, power, privilege or option arising from any default shall impair any right, power, privilege or option, or be construed to be a waiver of any such default, relinquishment thereof or acquiescence therein, and no notice by either party hereto shall be required to restore or revive time as being of the essence hereof after waiver by the Board of default in one or more instances. No option, right, power, remedy or privilege of the Board shall be construed as being exhausted or discharged by the exercise thereof in one or more instances. It is agreed that each and all of the rights, powers, options or remedies given to each party by this Ground Lease are cumulative, and no one of them shall be exclusive of the other or exclusive of any remedies provided by law.

SECTION 16. QUIET ENJOYMENT. The Board agrees that the Corporation and any Permitted Transferee, upon the payment of the rent and all other payments and charges, if any, to be paid by the Corporation or its assignee under the terms of this Ground Lease, and observing and keeping the agreements and covenants of this Ground Lease on its part to be observed and kept, shall lawfully and quietly hold, occupy and enjoy the Premises during the term of this Ground Lease, without hindrance or molestation from the Board or anyone claiming by, through or under the Board.

SECTION 17. TERMS BINDING UPON SUCCESSORS. All the terms, conditions and covenants of this Ground Lease shall inure to the benefit of and be binding upon the successors and assigns of the parties hereto.

10

SECTION 18. CONDEMNATION. In the event that any Person, public or private, shall by virtue of eminent domain or condemnation proceedings, or by purchase in lieu thereof, at any time during the term of this Ground Lease acquire title to the Premises:

(a) For as long as the Lease Agreement has not been terminated, the Net Proceeds resulting therefrom shall be applied pursuant to the Lease Agreement.

(b) If the Lease Agreement shall have been terminated, (i) if such Person acquires title to such substantial portion thereof that the Corporation determines that it cannot economically make use of the residue for the lawful purposes intended by this Ground Lease, such acquisition of title shall terminate this Ground Lease, effective as of the date on which the condemning party takes possession thereof, and the Net Proceeds resulting therefrom shall be applied first to payment of the amount secured by any Leasehold Mortgage then outstanding hereunder, second, to payment of any outstanding Series 2002 Certificates, and, third, the balance, if any shall be paid to the Board and the Corporation, as their respective interests may appear; and (ii) if such Person acquires title to a portion of the Premises only, and the Corporation determines that it can economically make beneficial use of the residue thereof for the lawful purposes intended by this Ground Lease, then this Ground Lease shall continue in full force and effect and the Net Proceeds resulting therefrom shall be paid to the Board and the Corporation, as their respective interests appear.

(c) It is understood that the foregoing provisions of this Section 18 shall not in any way restrict the right of the Board or the Corporation to appeal the award made by any court or other public agency in any condemnation proceeding.

SECTION 19. NON-MERGER OF LEASEHOLD. There shall be no merger of this Ground Lease or of the leasehold estate hereby created with the fee estate in the Premises or any part thereof by reason of the fact that the same Person may acquire or hold, directly or indirectly, this Ground Lease or leasehold estate hereby created or any interest in this Ground Lease or in such leasehold estate and the fee estate in the Premises or any interest in such fee estate. There shall be no merger of this Ground Lease with the Lease Agreement by reason of the fact that the Board is the owner of the fee title to the Premises and the leasehold estate in all or a portion of the Series 2002 Project created under the Lease Agreement or by reason of the fact that the Corporation is the owner of the leasehold estate in the Premises created hereby and is the owner of the fee title in the Series 2002 Project as provided in the Lease Agreement.

SECTION 20. MEMORANDUM OF GROUND LEASE. Unless mutually agreed to the contrary, simultaneously with the execution of this Ground Lease, the Board and the Corporation shall each execute, acknowledge and deliver a Memorandum of Ground Lease with respect to this Ground Lease. Said Memorandum of Ground Lease shall not in any circumstances be deemed to change or otherwise to affect any of the obligations or provisions of this Ground Lease.

SECTION 21. CHANGES TO PROPERTY DESCRIPTION. The Board reserves the right to substitute other land for, or add land to all or any portion of the premises

described in Exhibit A hereto, as same may be supplemented by supplements to this Ground Lease from time to time. The Board will do so only after notice and public hearing and subsequent adoption of a resolution in accordance with the Act. Upon such substitution the Memorandum of Ground Lease will be supplemented to reflect the change in legal description. Any such supplement shall be substantially in the form of Exhibit C attached hereto. Each substitution of a parcel of land subject to the provisions of this Ground Lease shall require the consent of the Credit Enhancer. Such consent by the Credit Enhancer shall only be required if the Credit Enhancer is not in default of its payment obligations under its Credit Facility or municipal Bond Insurance policy.

SECTION 22. OPTION TO RENEW. In the event that the Lease Agreement shall have been terminated, and the Corporation, or the Trustee as the assignee of the Corporation, excludes the Board from possession of the Series 2002 Project, the Board grants to the Corporation and the Trustee the right and option to renew this Ground Lease for a period not to exceed ten years at a fair market rental to be determined, adjusted and paid in the manner and under the conditions set forth in Section 4(b) of this Ground Lease.

SECTION 23. ESTOPPEL CERTIFICATES. The Board, at any time and from time to time, upon not fewer than thirty (30) days prior written notice from the Corporation or the Trustee as assignee of the Corporation, will execute, acknowledge and deliver to the Corporation, the Trustee as assignee of the Corporation or any Permitted Transferee, a certificate of the Board certifying that this Ground Lease is unmodified (or, if there have been any modifications, identifying the same), that this Ground Lease is in full force and effect, if it is; and that there is no default hereunder (or, if so, specifying the default). It is intended that any such certificate may be relied upon by the Corporation or the Trustee as assignee of the Corporation or any Permitted Transferee.

SECTION 24. NONRECOURSE OBLIGATION OF THE CORPORATION. Notwithstanding anything to the contrary herein or in any exhibit, instrument, document or paper relating to this Ground Lease or any of the transactions contemplated hereby, the parties hereto hereby acknowledge and agree that upon the assignment by the Corporation of its rights hereunder to the Trustee pursuant to the Assignment of Lease Agreement and Assignment of Ground Lease Agreement, the Corporation shall have no further obligation, liability or responsibility hereunder and no party hereto nor their successors or assigns shall look to the Corporation for any damages, expenses, fees, charges or claims with respect to the failure of any obligations hereunder to be performed.

SECTION 25. NO RECOURSE UNDER AGREEMENT. All covenants, stipulations, promises, agreements and obligations of the parties hereto contained in this Ground Lease shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the parties hereto, respectively, and not of any member, officer, employee or agent of the parties hereto in an individual capacity, and no recourse shall be had for the payment of rent pursuant to Section 4 hereof or for any claim based thereon under this Ground Lease Agreement against any member, officer, employee or agent of the parties hereto.

11

12

SECTION 26. RADON GAS. Section 404.056, Florida Statutes, requires that the following notification be given: "RADON GAS: Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county public health unit."

SECTION 27. MISCELLANEOUS. (a) This Ground Lease shall be governed by, and be construed in accordance with, the laws of the State of Florida.

(b) Any notice required or desired to be given hereunder, or any items required or desired to be delivered hereunder, may be served or delivered personally or by registered or certified mail, return receipt requested, postage prepaid, addressed as follows:

If to the Board:	School Board of Hillsborough County, Florida 901 East Kennedy Boulevard Tampa, Florida 33602 Attention: Superintendent and General Director of Finance
If to the Corporation:	Hillsborough School Board Leasing Corporation c/o School Board of Hillsborough County, Florida 901 East Kennedy Boulevard Tampa, Florida 33602 Attention: Superintendent and General Director of Finance
If to the Trustee:	The Bank of New York (successor to NationsBank of Florida, N.A.) 10161 Centurion Parkway, 2nd Floor Jacksonville, Florida 32256 Attention: Corporate Trust Department

or such other address or party as the party to be served may direct by written notice to the other party. If such notice is sent or delivery is made by registered or certified mail, such notice or delivery shall be deemed served, made and effective seventy-two (72) hours after posting.

(c) It is mutually acknowledged and agreed by the parties hereto that this Ground Lease contains the entire agreement between the Board and the Corporation with respect to the subject matter of this Ground Lease; that there are no verbal agreements, representations, warranties or other understandings affecting the same.

(d) Nothing herein contained shall be deemed to create a partnership or joint venture, nor shall the relationship between the parties be construed as principal and agent, or other than as landlord and tenant.

(e) The table of contents, headings and captions of this Ground Lease are inserted solely for convenience of reference, and under no circumstances shall they be treated or construed as part of, or as affecting, this Ground Lease.

(f) For purposes of computing any period of a number of days hereunder for notices or performance (but not for actual days of interest) of ten (10) days or fewer, Saturdays, Sundays and holidays shall be excluded.

(g) Any provision of this instrument in violation of the laws of the State of Florida shall be ineffective to the extent of such violation, without invalidating the remaining provisions of this instrument. In no event shall the Corporation or its assigns have any cause of actions against the officers or employees of the Board, or against any elected official of the Board based upon or materially related to any finding by any court that any or all provisions of this instrument violate Florida law.

(h) Nothing in this Ground Lease, expressed or implied, is to or shall be construed to confer upon or to give to any person or party other than the Corporation, and its assignee, the Trustee, the Credit Enhancer and the Board any rights, remedies or claims under or by reason of this Ground Lease or any covenants, condition or stipulation hereof; and all covenants, stipulations, promises and agreements in this Ground Lease contained by or on behalf of the Corporation or the Board shall be for the sole and exclusive benefit of the Corporation, and its assignee, the Credit Enhancer and the Board.

(i) This Ground Lease Agreement may be executed in multiple counterparts, each of which shall be regarded for all purposes as an original, and such counterparts shall constitute but one and the same instrument.

(j) This Ground Lease may not be amended or modified without the prior written consent of the Credit Enhancer. Any action taken hereunder which requires or permits the consent, notice, direction or request of the Lessor or the Trustee, shall also require or permit the consent, notice, direction or request of the Credit Enhancer, which consent, direction or request shall not be unreasonably withheld.

1. The foregoing recitations are true and correct and are incorporated herein by reference.
2. Section 2 of the Ground Lease is hereby amended and restated in its entirety to read as follows:

2

Ground Lease (a "Permitted Sublease") to any Person for any lawful purpose without the prior consent of the Board; provided, however, that no Permitted Sublease shall relieve the Corporation of any of its duties or obligations hereunder without the prior written consent of the Board; provided, however, that each Permitted Sublease shall be subject to the provisions of Section 9(d) hereof. "Permitted Transferee" shall mean a sublessee or assignee permitted by this Section 9(b)."

5. Section 14 of the Ground Lease is hereby amended and restated in its entirety to read as follows:

"Upon the occurrence of any event of default as set forth in Section 13 hereof which has not been cured (and is not in the process of being cured) under Section 13(b) or 13(c) hereof, but not otherwise, the Board may take whatever action at law or in equity may appear necessary or desirable to enforce its rights hereunder; provided, the Board shall not have the right to terminate this Ground Lease until such time as the Series 2002 Certificates, the Series 2012A Certificates related to the Series 2002 Project, any Completion Certificates related to the Series 2002 Project and any Certificates issued to refund the foregoing have been paid or provision for payment has been made pursuant to the terms and provisions of the Trust Agreement. The Board shall have recourse solely against the leasehold estate of the Corporation or its assignee in the Premises, and any proceeds thereof, for the payment of any liabilities of the Corporation or its assignee hereunder."

"(b) If the Lease Agreement shall have been terminated, (i) if such Person acquires title to such substantial portion thereof that the Corporation determines that it cannot economically make use of the residue for the lawful purposes intended by this Ground Lease, such acquisition of title shall terminate this Ground Lease, effective as of the date on which the condemning party takes possession thereof, and the Net Proceeds resulting therefrom shall be applied first to payment of the amount secured by any Leasehold Mortgage then outstanding hereunder, second, to payment of any outstanding Series 2002 Certificates, Series 2012A Certificates related to the Series 2002 Project and any outstanding Refunding Certificates related thereto on a pro rata basis, and, third, the balance, if any shall be paid to the Board and the Corporation, as their respective interests may appear, and (ii) if such Person acquires title to a portion of the Premises only, and the Corporation determines that it can economically make beneficial use of the residue thereof for the lawful purposes intended by this Ground Lease, then this Ground Lease shall continue in full force and effect and the Net Proceeds resulting therefrom shall be paid to the Board and the Corporation, as their respective interests appear.

4

"The initial term of this Ground Lease (the "Initial Ground Lease Term") shall be for the period commencing on the Commencement Date, and ending on the earlier of (a) the date on which the Series 2002 Certificates, the Series 2012A Certificates related to the Series 2002 Project and any Completion Certificates related to the Series 2002 Project and any Certificates issued to refund the foregoing, have been paid or provision for payment of the Series 2012A Certificates and any other Certificates evidencing an interest in the Series 2002 Lease has been made pursuant to Section 12.01 of the Trust Agreement and any Supplemental Rent arising under the Lease Agreement shall have been paid or provided for, or (b) July 1, 2033 (both dates inclusive). "(iii) title to the Premises shall be in the Board upon commencement of the Ground Lease Term and title to all components of the Series 2002 Project, other than Designated Equipment, shall be in name of Corporation pursuant to the Lease Agreement, and title to the Buildings comprising a portion of the Series 2002 Project constructed on the Premises shall remain severed from title to the Premises until the earlier of (A) the date on which the Series 2002 Certificates, the Series 2012A Certificates related to the Series 2002 Project, any Completion Certificates related to the Series 2002 Project and any Certificates issued to refund the foregoing issued under the Trust Agreement shall no longer be Outstanding, and (B) the end of the Ground Lease Term."

4. Section 9(b) of the Ground Lease is hereby amended and restated in its entirety to read as follows:

"(b) Except as expressly provided in this Section 9(b), the Corporation or its assignee shall not assign this Ground Lease, or any portion hereof, or sublease all or any portion of the Premises at any time. Except as expressly permitted in this Section 9(b), any purported assignment, partial assignment or sublease without the Board's prior written consent in violation of this Section 9(b) shall be null and void. So long as the Lease Agreement has not been terminated, (i) the Corporation may assign this Ground Lease to the Trustee for the benefit of the Owners of the Series 2002 Certificates, the Series 2012A Certificates related to the Series 2002 Project and any Refunding Certificates related thereto, and (ii) the Corporation shall sublet all of the Premises to the Board (the "Initial Sublessee") under the Lease Agreement. If the Lease Agreement shall have been terminated, the Corporation or its assignee may sublet the Premises or assign its interest in this

3

(d) If the Lease Agreement shall have been terminated, nothing herein shall prevent the Corporation or its assignee from entering into a Leasehold Mortgage or a Permitted Sublease for individual parcels of land constituting the Premises. SECTION 14. REMEDIES OF BOARD. Upon the occurrence of any event of default as set forth in Section 13 hereof which has not been cured (and is not in the process of being cured) under Section 13(b) or 13(c) hereof, but not otherwise, the Board may take whatever action at law or in equity may appear necessary or desirable to enforce its rights hereunder; provided, the Board shall not have the right to terminate this Ground Lease until such time as the Series 2003B Certificates have been paid or provision for payment has been made pursuant to the terms and provisions of the Trust Agreement. APPENDIX H

FORM OF OPINION OF NABORS, GIBLIN & NICKERSON, P.A., WITH RESPECT TO THE CERTIFICATES

Upon delivery of the Certificates in definitive form, Nabors, Giblin & Nickerson, P.A., Tampa, Florida, Special Counsel, proposes to render its opinion with respect to such Certificates in substantially the following form:

(Closing Date)

The School Board of Hillsborough County, Florida
Tampa, Florida

School Board Members:

We have acted as Special Counsel in connection with the execution and delivery of \$124,565,000 aggregate principal amount of Refunding Certificates of Participation (School Board of Hillsborough County, Florida Master Lease Program), Series 2012A Evidencing an Undivided Proportionate Interest of the Owners thereof in Basic Rent Payments to be made under a Master Lease-Purchase Agreement by The School Board of Hillsborough County, Florida (the "Certificates") in connection with the Lease Agreement described below.

In that capacity, we have examined various documents including (i) the Master Lease-Purchase Agreement, dated as of April 1, 1994, as amended and supplemented (the "Lease Agreement"), between the Hillsborough School Board Leasing Corporation, a single purpose Florida not-for-profit educational corporation, as lessor (the "Corporation") and The School Board of Hillsborough County, Florida, as lessee (the "Board"); (ii) Amended and Restated Lease Schedule No. 2002, dated as of April 1, 2012 ("Amended and Restated Lease Schedule No. 2002"), between the Corporation and the Board; (iii) Amended and Restated Lease Schedule No. 2003B, dated as of April 1, 2012 ("Amended and Restated Lease Schedule No. 2003B"), between the Corporation and the Board; (iv) the Master Trust Agreement, dated as of April 1, 1994, as amended and supplemented (the "Trust Agreement"), by and among The Bank of New York Mellon Trust Company, N.A. (successor to NationsBank of Florida, N.A.), as trustee (the "Trustee"), the Board and the Corporation; (v) the Series 2012A Supplemental Trust Agreement, dated as of April 1, 2012 (the "Series 2012A Supplemental Trust

Agreement"), by and among the Trustee, the Board and the Corporation; (vi) the Assignment of Lease Agreement, dated as of April 1, 1994, as amended and supplemented, in particular by the Twenty-Fifth Amendment to Assignment of Lease Agreement, dated as of April 1, 2012 (collectively the "Lease Assignment"), each between the Corporation and the Trustee, pursuant to which the Corporation has assigned by outright and absolute assignment its rights, title and interest in the Lease Agreement (other than to its rights of indemnification, its right to enter into lease schedules from time to time and certain obligations provided in Section 6.03 of the Lease Agreement) to the Trustee; (vii) the Ground Lease Agreement dated as of September 15, 2002, as amended and supplemented (the "Series 2002 Ground Lease"), between the Board, as lessor and the Corporation, as lessee, pursuant to which the Board granted to the Corporation a leasehold interest in certain real property owned by the Board; and (viii) the Ground Lease Agreement dated as of September 1, 2003, as amended and supplemented (the "Series 2003B Ground Lease"). We have also examined a record of proceedings of the Board relating to all of the foregoing.

The proceeds of the Certificates will be used for the principal purposes of (i) refunding, on a current basis, a portion of the Certificates of Participation (School Board of Hillsborough County Master Lease Program), Series 2002 Evidencing an Undivided Proportionate Interest of the Owners thereof in Basic Rent Payments to be made under a Master Lease-Purchase Agreement by The School Board of Hillsborough County, Florida as more particularly described in the Series 2012A Supplemental Trust Agreement (the "Refunded Series 2002 Certificates"), and (ii) refunding, on an advanced basis, all of the Certificates of Participation (School Board of Hillsborough County Master Lease Program), Series 2003B Evidencing an Undivided Proportionate Interest of the Owners thereof in Basic Rent Payments to be made under a Master Lease-Purchase Agreement by The School Board of Hillsborough County, Florida as more particularly described in the Series 2012A Supplemental Trust Agreement (the "Refunded Series 2003B Certificates," and together with the Refunded Series 2002 Certificates, the "Refunded Certificates").

Certain proceeds of the Certificates will be deposited into an escrow deposit trust fund (the "Escrow Fund") established pursuant to the Escrow Deposit Agreement, dated as of April 3, 2012 (the "Escrow Agreement") between The Bank of New York Mellon Trust Company, N.A., as Escrow Agent, and the Board, and invested in direct obligations of the United States of America (the "Escrow Securities"), such that the principal of and interest on such obligations shall be sufficient to pay the principal of, prepayment premium, if any, and interest on the Refunded Certificates, as the same became due or are prepaid prior to maturity.

Pursuant to the Lease Agreement, the Corporation is leasing certain educational and related facilities to the Board and the Board is making lease payments to the Trustee, as assignee of the Corporation pursuant to the Lease Assignment, which include Basic Rent Payments (as defined in the Trust Agreement). The Certificates evidence an

undivided proportionate interest in a portion of the Basic Rent Payments (as defined in the Trust Agreement). The Basic Rent Payments are payable solely from the Board's Available Revenues (as defined in the Trust Agreement) appropriated for such purpose. The Board is not legally required to budget and appropriate Available Revenues for this purpose. Basic Rent Payments are subject to annual appropriation by the Board. Neither the Board, the State of Florida, nor any political subdivision or agency thereof shall be obligated to pay any sums due under the Lease Agreement from any source other than Available Revenues, and the faith and credit of the Board are not pledged for payment of such sums due thereunder and such sums do not constitute debt of the Board within the meaning of any constitutional or statutory provision or limitation.

The Board has previously, and may, from time to time in the future, lease other Projects (as defined in the Trust Agreement) from the Corporation pursuant to the Lease Agreement. The acquisition, construction and installation of each such Project is financed by the issuance of a series of certificates of participation pursuant to the Trust Agreement. The Board has agreed in the Lease Agreement to budget and appropriate in each fiscal year from Available Revenues sufficient moneys to make the Lease Payments (as defined in the Trust Agreement) for all Projects leased under the Lease Agreement or for none of them. The Board may issue Refunding Certificates (as defined in the Trust Agreement), which shall be on parity with the Series 2012A Certificates, and with respect to Amended and Restated Lease Schedule No. 2002, on a pro rata basis with the Outstanding Series 2002 Certificates (as defined in the Trust Agreement), and with respect to Amended and Restated Lease Schedule No. 2003B, upon satisfying the conditions described thereto in the Trust Agreement.

The Certificates are dated and shall bear interest from their date of delivery, except as otherwise provided in the Trust Agreement. The Certificates will mature on the dates and in the principal amounts, and will bear interest at the respective rates per annum, as provided in the Trust Agreement. Interest shall be payable on each January 1 and July 1, commencing July 1, 2012. The Certificates are subject to prepayment prior to maturity in accordance with the terms of the Series 2012A Supplemental Trust Agreement.

As to questions of fact material to our opinion, we have relied upon the representations of the Board contained in the Lease Agreement and in the certified proceedings and other certifications of officials furnished to us without undertaking to verify the same by independent investigation. We have not undertaken an independent audit, examination, investigation or inspection of such matters and have relied solely on the facts, estimates and circumstances described in such proceedings and certifications. We have assumed the genuineness of signatures on all documents and instruments, the authenticity of documents submitted as originals and the conformity to originals of documents submitted as copies.

Based upon the foregoing, we are of the opinion that:

1. The Lease Agreement, the Amended and Restated Lease Schedule No. 2002, the Amended and Restated Lease Schedule No. 2003B, the Series 2002 Ground Lease Agreement, the Series 2003B Ground Lease Agreement, the Trust Agreement and the Series 2012A Supplemental Trust Agreement have each been duly authorized, executed and delivered by the Board and each constitutes a valid and legally binding obligation of the Board, enforceable in accordance with its respective terms.

2. The Certificates, upon proper execution and authentication, shall evidence an undivided proportionate interest in a portion of the Basic Rent Payments made by the Board under the Lease Agreement, and shall be entitled to the benefits and security of the Trust Agreement.

3. Under existing statutes, regulations, rulings and court decisions, prior to the termination of the Lease Agreement resulting from an Event of Non-Appropriation or Event of Default thereunder, the Interest Component (as defined in the Trust Agreement) of the Basic Rent Payments received by the owners of the Series 2012A Certificates is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, it should be noted that with respect to certain corporations, such Interest Component is taken into account in determining adjusted current earnings for the purpose of computing the alternative minimum tax imposed on such corporations. The opinions set forth above are subject to the condition that all requirements of the Internal Revenue Code of 1986, as amended, must be satisfied subsequent to the issuance of the Certificates in order that the Interest Component be (or continues to be) excluded from gross income for federal income tax purposes. Failure to comply with certain of such requirements could cause the Interest Component to be so included in gross income retroactive to the date of issuance of the Certificates. The Board and the Corporation have covenanted in the Lease Agreement to comply with all such requirements. Ownership of the Series 2012A Certificates may result in collateral federal tax consequences to certain taxpayers. We express no opinion regarding such federal tax consequences arising with respect to the Series 2012A Certificates.

We express no opinion regarding the federal income tax or Florida tax consequences resulting from the ownership of the Series 2012A Certificates or the receipt by the owners thereof of payments on the Series 2012A Certificates following the termination of the Lease Agreement resulting from an Event of Non-Appropriation or Event of Default thereunder.

In rendering the opinions set forth above, we are relying upon (a) the arithmetical accuracy of certain computations included in schedules provided by J.P. Morgan Securities, LLC relating to the computations of projected receipts of the Escrow Securities and any other amounts deposited in the Escrow Fund, of the adequacy of such

projected receipts and other sums to pay the principal of, prepayment premium, if any, and interest on the Refunded Certificates, and of the yield on the Series 2012A Certificates and on the Escrow Securities and (b) the verifications of the arithmetical accuracy of such computations by Causey Demgen & Moore Inc., a firm of independent certified public accountants.

The opinions expressed in paragraphs 1 and 2 hereof are qualified to the extent that (i) the enforceability of the Lease Agreement, the Amended and Restated Lease Schedule No. 2002, the Amended and Restated Lease Schedule No. 2003B, the Trust Agreement, the Series 2002 Ground Lease Agreement, the Series 2003B Ground Lease and the Series 2012A Supplemental Trust Agreement, and the rights of the owners of the Certificates may be limited by applicable bankruptcy, insolvency, moratorium, reorganization or other similar laws affecting creditors' rights generally, or by the exercise of judicial discretion in accordance with general principles of equity, and (ii) we have assumed the due authorization, execution and delivery of the Trust Agreement and the Series 2012A Supplemental Trust Agreement by the Corporation.

It should be noted that (a) except as may expressly be set forth in an opinion delivered by us to the underwriters of the Certificates on the date hereof (upon which only they may rely), we have not been engaged or undertaken to review the accuracy, sufficiency or completeness of the Offering Statement or other offering material relating to the Certificates and we express no opinion relating thereto, and (b) we have not been engaged or undertaken to review the compliance with any federal or state law with regard to the sale or distribution of the Certificates and we express no opinion relating thereto.

This opinion is given as of the date hereof and we assume no obligation to update, revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

We have examined the form of the Certificates and, in our opinion, the form of the Certificates is regular and proper.

Respectfully submitted,

SECTION 4. THE REPOSITORIES. The Repositories to which the School Board shall provide the information described in Sections 2 and 3 above, to the extent required, shall be each entity authorized and approved by the Securities and Exchange Commission from time to time to act as a repository for purposes of complying with the Rule. The Repositories approved by the Securities and Exchange Commission may be found by visiting the Securities and Exchange Commission's website at <http://www.sec.gov/info/municipal/nrmsir.htm>. As of the date hereof, the only Repository recognized by the Securities and Exchange Commission for such purpose is the Municipal Securities Rulemaking Board, which currently accepts continuing disclosure submissions through its Electronic Municipal Market Access ("EMMA") web portal at <http://emma.msrb.org>. For purposes of this Disclosure Certificate, "Certificateholder" shall mean any person who (A) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of any Certificates (including persons holding Certificates through nominees, depositories or other intermediaries), or (B) is treated as the owner of any Certificate for federal income tax purposes.

Notwithstanding any other provision of this Disclosure Certificate, the School Board may amend this Disclosure Certificate, and may waive any provision, if such amendment or waiver is supported by an opinion of counsel familiar in federal securities laws, to the effect that such amendment or waiver would not, in and of itself, cause the undertakings herein to violate the Rule if such amendment or waiver had been effective on the date hereof but taking into account any subsequent change in or Offering interpretation of the Rule.

SECTION 10. ADDITIONAL INFORMATION. Nothing in this Disclosure Certificate shall be deemed to prevent the School Board from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in its annual information described in Section 2 hereof or notice of occurrence of a significant event described in Section 3 hereof, in addition to that which is required by this Disclosure Certificate. If the School Board chooses to include any information in its annual information or notice of occurrence of a significant event in addition to that which is specifically required by this Disclosure Certificate, the School Board shall have no obligation under this Disclosure Certificate to update such information or include it in its future annual information or notice of occurrence of a significant event.

SECTION 11. OBLIGATED PERSONS. If any person, other than the School Board, becomes an Obligated Person (as defined in the Rule) relating to the Certificates, the School Board shall use its best efforts to require such Obligated Person to comply with all provisions of the Rule applicable to such Obligated Person.
