Message From The Superintendent

A strategic plan is critical for all successful organizations, providing the foundation on which to grow and thrive and transform. Ours is no different, especially as we move deeper into the 21st century that is full of possibilities for our students. By actively engaging stakeholders and staying focused on ensuring full option graduates, we know that our students will be prepared for work, military service, and higher education.

The school district vision states that we “prepare students for life.” As we consider what that means for the children who start kindergarten this year (Class of 2034!), we must establish a plan that charts a course into a world where opportunities for these future graduates is still in the imagination phase. We must think boldly; we must be innovative; we must commit to showing students their true potential.

I enthusiastically accepted the position as superintendent of this remarkable school district because I knew it was a special place. That has not changed one bit as we work together to improve and strengthen upon those things that make a difference in the life of a child. I’m thankful and excited at what this strategic plan will mean as we Accelerate Hillsborough and build a bright future for Hillsborough County Public Schools.

Sincerely,
Addison G. Davis

Hillsborough County Public Schools

By The Numbers

Fun Facts

- ▶ Hillsborough County Public Schools boasts the 2020 #1 Elementary Magnet School of the Year – MacFarlane Park Elementary School, the Florida 2020 Teacher of the Year, Dr. Dakeyan Graham of King High School, and the 2019 Presidential Award of Excellence in Mathematics and Science Teaching Winner, Tiffany Oliver of Robinson High School.
- ▶ Athletic opportunities abound in Hillsborough County Public Schools where during the 2020-21 school year we had state championship teams including Plant's Girls Cross Country, Cheerleading teams from East Bay, Sickles, and Strawberry Crest, Plant's Girls Basketball, Robinson's and Newsome's Flag Football, and Bloomingdale's Baseball.
- ▶ With more than 50 unique programs with hands-on learning from aerospace, biotech, architecture, health, and even video game design, our Career and Technical Education (CTE) Programs include middle and high school students taking courses in one of 17 career clusters and 89 certification courses. From CompTIA A+ Certification to ICT Cyber Security Essentials, and Engineering Core Certification to Certified Veterinary Assistant, more than 2,400 middle school students earned industry-recognized certifications preparing them for success with 21st century knowledge and skills.
- ▶ Hillsborough County Public Schools is dedicated to serving nearly 8,000 military-connected students, of which 4,600 students have at least one active-duty parent. This dedication is evident in the district's strong partnership with MacDill Air Force Base (MAFB) when we were recognized as the 2018 Pete Taylor Partnership of Excellence Award from the Military Child Education Coalition. Also, in 2018 Eve Glenn of Robinson High School was honored as the Air Force Military Child of the Year. The district was awarded a 5-year, \$750,000 grant in 2016 from Department of Defense Education Activity (DODEA) to address the social and emotional needs of the students at Tinker K-8. We were the first school district awarded the National Defense Education Program STEM grant in 2020. The partnership between HCPS and MAFB is a featured case study in the Air Force War College's A+ Toolkit for Command Teams and Spouses and is included as part of the future commander training. We are proud to offer Junior Reserve Officer Training Corps (JROTC) Program at all 28 of our high schools.
