

State of Ohio Proposed Bond Sale Schedule
As of September 27, 2021 (Subject to Change)

Pursuant to Section 126.11 of the Revised Code, OBM is required to coordinate the scheduling of initial sales of publicly offered securities of the state. State issuers of public obligations are required to submit projections of the sale dates, amounts, maturity schedules, and certain other information for each obligation proposed to be sold, and OBM is charged with developing and distributing a coordinated bond sale schedule. The following table provides the current coordinated bond sale schedule:
