INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Harmony Public Schools Houston, Texas

Report on the Financial Statements

We have audited the accompanying financial statements of Harmony Public Schools (a nonprofit organization) ("HPS"), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of HPS as of June 30, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

To the Board of Directors of Harmony Public Schools

Other Matters

Report on Summarized Comparative Information

We have previously audited HPS' June 30, 2020 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated November 9, 2020. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2020 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 5, 2021, on our consideration of HPS's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering HPS's internal control over financial reporting and compliance.

HARMONY PUBLIC SCHOOLS NOTE TO FINANCIAL STATEMENTS

Note 1 - Organization

Harmony Public Schools ("HPS"), a nonprofit organization, provides curricula for students in grades kindergarten through 12. The school was incorporated in the State of Texas in September 1999, under the Texas Non-Profit Corporation Act. The Internal Revenue Service determined that HPS was exempt from federal income tax under section 50l(a) of the Internal Revenue Code as an organization described in Section 50l(c)(3).

Pursuant to its charter granted by the State Board of Education in accordance with Texas Education Code Section 12, Subchapter D, Open-Enrollment Charter School, HPS operates as part of the state public school system subject to all federal and state laws and rules governing public schools. HPS is also subject to all laws and rules pertaining to open-enrollment charter schools in section 12 of the Texas Education Code.

Note 2 - Summary of Significant Accounting Policies

A. Principles of Consolidation

The consolidated financial statements include all of HPS's accounts. All significant intercompany balances and transactions have been eliminated.

B. Support and Revenue

Per the Texas Education Agency, revenues, generally, that are reported on the statement of activities may be presented in three broad categories.

- Local and intermediate sources such as contributions received from charter holder constituents, funds received
 pursuant to grants from local governmental and nongovernmental entities, and other sources, such as income from
 investments.
- State sources such as Foundation School Program funding and other formula or state grants.
- Federal sources such as funding through formula or discretionary grants awarded to the charter holder by the federal or state government

Support and revenue are recorded based on the accrual method.

C. Cash Donations and Donated Services

Cash donations are considered to be available for use without donor restrictions unless specifically restricted by the donor. No amounts have been reflected in the financial statements for donated services since no objective basis is available to measure the value of such donations. Nevertheless, a substantial number of volunteers have donated their time in connection with the program service and administration of the organization.

D. Comparative Totals and Reclassifications

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Accordingly, such information should be read in conjunction with the organization's financial statements for the year ended June 30 of the prior year, from which the summarized information was derived. In addition, Certain reclassifications of amounts previously reported have been made to the accompanying consolidated financial statements to maintain consistency between periods presented. These changes were between the ROU asset, net of amortization and the related liability. The reclassifications had no impact on previously reported net assets.

NOTE TO FINANCIAL STATEMENTS (continued)

Note 2 - Summary of Significant Accounting Policies (continued)

E. Contributions

In accordance with Financial Accounting Standards Board Accounting Standards Codification 958 Not-For-Profit Entities-605 Revenue Recognition, contributions received are recorded as support with or without donor restrictions depending on the existence or nature of any donor restrictions.

F. Property and Equipment

Property and equipment purchased by HPS is recorded at cost. Donations of property and equipment are recorded at their fair value at the date of the gift. All assets acquired with a value in excess of \$5,000 are recorded as fixed assets. Depreciation is provided on the straight-line method based upon estimated useful lives of five to thirty-nine years for depreciable assets. Gains and losses on retired or sold property and equipment are reflected in income for the period. The proceeds from such sales which are not legally required or expected to be reinvested in property and equipment are transferred to unrestricted net assets.

G. Pledges and Accounts Receivable

Contributions are recognized when the donor makes a promise to give to HPS which is in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the year in which the contributions are recognized. All other donor- restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

No provision has been made for uncollectible promises to give and accounts receivable as of the statement of financial position date, given that none have been identified.

H. Functional Expenses

The costs of supporting the various programs and other activities have been summarized on a functional basis in the notes to the financial statements. The Texas Education Agency mandates a specific account coding that requires open enrollment charter schools to record expenses to a unique combination of function and object. Generally, HPS records its expenses based on direct allocation by assigning each expense to a functional category based on direct usage. See Note 20. for more information.

I. Income Taxes

HPS qualifies as a tax-exempt organization under section 50l (c) (3) of the Internal Revenue Code and, therefore, has no provision for income taxes.

J. Cash and Cash Equivalents

For purposes of the statement of cash flows, cash and cash equivalents are comprised of cash on hand and in banks. The cash accounts are insured by the Federal Deposit Insurance Corporation up to \$250,000. HPS has secured pledged collateral at 100% of its bank balances. HPS has not experienced any losses on such accounts.

NOTE TO FINANCIAL STATEMENTS (continued)

Note 2 - Summary of Significant Accounting Policies (continued)

K. Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values on the statement of financial position. Unrealized gains and losses are included in the change in net assets. The Academy classifies its marketable debt securities as "held to maturity" if it has the positive intent and ability to hold the securities to maturity. All other marketable securities are classified as "available for sale." Realized gains and losses and unrealized gains and losses, determined using the specific identification method, are included in the change in net assets.

L. Fair Value Measurements

FASB ASC 820 Fair Value Measurements and Disclosures establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are as follows:

- Level 1: Unadjusted quoted prices for identical assets or liabilities in active markets;
- Level 2: Significant direct or indirect, observable inputs other than quoted prices;
- Level 3: Unobservable inputs based on assumptions of the reporting entity.

The fair value measurement of assets and liabilities within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

M. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

N. Compensated Absences

Permanent employees of HPS accumulate and vest paid-time-off at varying rates depending on exempt status and hourly rate. It is HPS' policy to accrue accumulated paid-time-off at year-end.

O. Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor- or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified as either without donor restrictions or with donor restrictions.

- Net Assets Without Donor Restrictions Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.
- Net Assets With Donor Restrictions Net assets subject to donor- (or certain grantor-) imposed restrictions. Some
 donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other
 events specified by the donor. Donor-imposed restrictions are released when a restriction expires, that is, when the
 stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled,
 or both.

Note 2 - Summary of Significant Accounting Policies (continued)

O. Net Assets (continued)

In accordance with state law, a charter holder is entitled to receive state aid for the charter school based on student attendance; however, before the charter holder may reclassify state aid from net assets with donor restrictions to net assets without donor restrictions, it must meet a two part test.

- 1. First, the charter school must demonstrate that it expended state aid for the benefit of its students.
- 2. Second, the charter school must expend state aid consistent with TEC, §45.105(c).

As described in Note 14., the majority of HPS' revenue is comprised of state aid from the Texas Education Agency.

Note 3 - Defined Pension Plan

Plan Description

The charter school contributes to the Teacher Retirement System of Texas ("TRS"), a cost sharing, multiple-employer defined benefit pension plan with one exception; all risks and costs are not shared by the charter school, but are the liability of the State of Texas. It is a defined benefit pension plan established and administered in accordance with the Texas Constitution, Article XVI, Section 67 and Texas Government Code, Title 8, Subtitle C. The pension trust fund is a qualified pension trust under Section 401(a) of the Internal Revenue Code. The Texas Legislature establishes benefits and contribution rates within the guidelines of the Texas Constitution. The pension's Board of Trustees does not have the authority to establish or amend benefit terms.

The plan operates primarily under the provisions of the Texas Constitution, Article XVI, Sec. 67, and Texas Government code, Title 8, Chapters 803 and 805 respectively. The Texas State legislature has the authority to establish and amend benefit provisions of the pension plan and may, under certain circumstances, grant special authority to the TRS Board of Trustees. TRS issues a publicly available financial report that includes financial statements and required supplementary information for the defined benefit plan. That report may be obtained by writing to the TRS Communications Department, 1000 Red River Street, Austin, Texas 78701 or by calling the TRS Communications Department at 1-800- 223- 8778, or by downloading the report form the TRS Internet website, www.trs.state.tx.us, under the TRS Publications Heading.

Charter schools are legally separate entities from the State and each other. Assets contributed by one charter or independent school district ("ISD") may be used for the benefit of an employee of another ISD or charter. The risk of participating in multi-employer pension plans is different from single-employer plans. Assets contributed to a multi-employer plan by one employer may be used to provide benefits to employees of other participating employers. If a participating employer stops contributing to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers. There is no withdrawal penalty for leaving the TRS system. There is no collective-bargaining agreement. The TRS Annual Comprehensive Financial Report available dated August 31, 2019 and August 31, 2020 indicated the following:

| | TRS Pension | | | Т | RS Plan Fiduciary | | | | | Percent |

Note 3 - Defined Pension Plan (continued)

Funding Policy

Contribution requirements are established or amended pursuant to Article 16, section 67 of the Texas Constitution which requires the Texas legislature to establish a member contribution rate of not less than 6% of the member's annual compensation and a state contribution rate of not less than 6% and not more than 10% of the aggregate annual compensation paid to members of the system during the fiscal year.

Employee contribution rates are set in state statute, Texas Government Code 825.402. The TRS Pension Reform Bill (Senate Bill 12) of the 86th Texas Legislature amended Texas Government Code 825.402 for member contributions and increased employee and employer contribution rates for fiscal years 2020 thru 2025.

| | Contribution Rates | | | | |
|----------------------------------|--------------------|------|--|--|--|
| | 2021 | 2020 | | | |
| Member | 7.7% | 7.7% | | | |
| Non-employer contributing agency | 7.5% | 7.5% | | | |
| Employers | 7.5% | 7.5% | | | |

Contributors to the plan include members, employers and the State of Texas as the only non-employer contributing entity. The State is the employer for senior colleges, medical schools, and state agencies including TRS. In each respective role, the State contributes to the plan in accordance with state statutes and the General Appropriations Act (GAA).

As the non-employer contributing entity for public education and junior colleges, the State of Texas contributes to the retirement system an amount equal to the current employer contribution rate, times the aggregate annual compensation of all participating members of the pension trust fund during that fiscal year, reduced by the amounts described below which are paid by the employers. Employers (public school, junior college, other entities, or the State of Texas as the employer for senior universities and medical schools) are required to pay the employer contribution rate in the following instances:

- On the portion of the member's salary that exceeds the statutory minimum for members entitled to the statutory minimum under Section 21.402 of the Texas Education Code.
- During a new member's first 90 days of employment.
- When any part or all of an employee's salary is paid by federal funding sources, a privately sponsored source, from non-educational and general, or local funds.
- When the employing district is a public junior college or junior college district, the employer shall contribute to the retirement system an amount equal to 50% of the state contribution rate for certain instructional or administrative employees; and 100% of the state contribution rate for all other employees.

In addition to the employer contributions listed above, there are two additional surcharges an employer is subject to.

- All public schools, charter schools, and regional educational service centers must contribute 1.5 percent of the member's salary beginning in fiscal year 2020, gradually increasing to 2 percent in fiscal year 2025.
- When employing a retiree of the Teacher Retirement System, the employer shall pay both the member contribution and the state contribution as an employment after retirement surcharge.

HPS employee contributions to the system for the year ended June 30, 2021 and June 30, 2020 were \$17,605,574 and \$16,819,122, respectively and were equal to the required contributions for the year. Total covered payroll was \$228,577,121 and \$218,438,959. Amounts paid as pension surcharges and Non-OASDI for 2021 were \$95,616 and \$3,621,366, respectively. Amounts paid as pension surcharges and Non-OASDI required amounts in 2020 were \$102,320 and \$3,276,478, respectively.

NOTE TO FINANCIAL STATEMENTS (continued)

Note 3 - Defined Pension Plan (continued)

Funding Policy (continued)

Other contributions made from federal and private grants contributed at a rate of 7.50% and 7.50% for 2021 and 2020. Contributions totaled \$1,247,812 and \$1,254,915 for the years ended June 30, 2021 and 2020. The charter school's contributions into this plan do not represent more than 5% of the total contributions to the plan and the charter school was not assessed a surcharge. During fiscal years 2021 and 2020, the School also paid contributions related to amount above the statutory minimum totaling \$4,685,419 and \$3,727,448, respectively.

Note 4 - Defined Other Post-Employment Benefit Plan

Plan Description

The HPS participates in the Texas Public School Retired Employees Group Insurance Program (TRS-Care). It is a multiple-employer, cost-sharing defined Other Post-Employment Benefit (OPEB) plan that has a special funding situation. The plan is administered through a trust by the Teacher Retirement System of Texas (TRS) Board of Trustees. It is established and administered in accordance with the Texas Insurance Code, Chapter 1575.

Similar to the TRS Pension Plan discussed in Note C, charter schools are legally separate entities from the State and each other. Assets contributed by one charter or independent school district ("ISD") may be used for the benefit of an employee of another ISD or charter. The risk of participating in multi-employer pension plans is different from single-employer OPEB plans. Assets contributed to a multi-employer OPEB plan by one employer may be used to provide benefits to employees of other participating employers. If a participating employer stops contributing to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers. There is no withdrawal penalty for leaving the TRS system. There is no collective-bargaining agreement. The TRS Annual Comprehensive Financial Report available dated August 31, 2020

OPEB Plan Fiduciary Net Position

Detail information about the TRS-Care's fiduciary net position is available in the separately issued TRS Annual Comprehensive Financial Report that includes financial statements and required supplementary information. That report may be obtained by writing to TRS at 1000 Red River Street, Austin, TX, 78701-2698; on the Internet at at https://www.trs.texas.gov/TRS%20Documents/cafr 2020.pdf, or by writing to TRS at 1000 Red River Street, Austin, TX, 78701-2698, or by calling (512) 542-6592.

TRS-Care provides a basic health insurance coverage (TRS-Care 1), at no cost to all retirees from public schools, charter TRS-Care provides health insurance coverage to retirees from public schools, charter schools, regional education service centers and other educational districts who are members of the TRS pension plan. Optional dependent coverage is available for an additional fee.

Eligible non-Medicare retirees and their dependents may enroll in TRS-Care Standard, a high-deductible health plan. Eligible Medicare retirees and their dependents may enroll in the TRS-Care Medicare Advantage medical plan and the TRS-Care Medicare Rx prescription drug plan. To qualify for TRS-Care coverage, a retiree must have at least 10 years of service credit in the TRS pension system.

NOTE TO FINANCIAL STATEMENTS (continued)

Note 4 - Defined Other Post-Employment Benefit Plan (continued)

Contributions

Contribution rates for the TRS-Care plan are established in state statute by the Texas Legislature, and there is no continuing obligation to provide benefits beyond each fiscal year. The TRS-Care plan is currently funded on a pay-as-you-go basis and is subject to change based on available funding. Funding for TRS-Care is provided by retiree premium contributions and contributions from the state, active employees, and school districts based upon public school district payroll. The TRS Board of trustees does not have the authority to set or amend contribution rates. Texas Insurance Code, section 1575.202 establishes the state's contribution rate which is 1.25% of the employee's salary. Section 1575.203 establishes the active employee's rate which is 0.75% of pay. Section 1575.204 establishes an employer contribution rate of not less than 0.25 percent or not more than 0.75 percent of the salary of each active employee of the public. The actual employer contribution rate is prescribed by the Legislature in the General Appropriations Act. The following table shows contributions to the TRS-Care plan by type of contributor.

| | Contribution Rates | | |
|---|--------------------|-------|--|
| | 2021 | 2020 | |
| Active Employee | 0.65% | 0.65% | |
| Employers | 0.75% | 0.75% | |
| Federal/Private Funding remitted by Employers | 1.25% | 1.25% | |

In fiscal year 2021, HPS contributed a total of \$1,918,780 of which, \$209,900 was for federally funded employees. Employees contributed a total \$1,486,241. Covered payroll for TRS-Care for fiscal year 2021 was \$228,577,121. In fiscal year 2020, HPS contributed a total of \$1,901,903 of which, \$220,972 was for federally funded employees. Employees contributed a total \$1,419,806. Covered payroll for TRS-Care for fiscal year 2020 was \$218,438,959.

Note 5 - Budget

The official school budget is prepared for adoption for required for all funds in the aggregate. The annual budget is adopted on a basis consistent with generally accepted accounting principles and is formally adopted by the Board of Directors.

Realized losses totaled \$985,727 in 2021. In fiscal year 2020, HPS realized gains of \$418,008.

Certificate of Deposits

HSA- El Paso, HSA - Waco and HAS – Houston hold several certificates of deposits with six-month maturities that totaled \$30.4 million and \$30.9 million as of June 30, 2021 and June 30, 2020, respectively. The interest rates range from 0.03% to 3.18%. The certificates of deposit mature between July 2021 and November 2040.

Note 7 - Notes Payable

HPS's obligations under notes payable consist of the following:

On December 18, 2020, HPS entered into a loan under the Supplemental Master Trust Indenture No. 29. HPS can draw up to \$100,000,000 on the loan. Interest is due and payable semi-annually on June and December of each year. The maturity date is December 18, 2023. As of June 30, 2021, the balance as of the loan was \$64,200,157. The interest rate is 1.45% spread plus London Interbank Offered Rate (LIBOR) for one month.

On June 1, 2019, HPS entered into a loan under the Supplemental Master Trust Indenture No. 27. HPS can draw up to \$35,000,000 on the loan. Interest is due and payable semi-annually on June and December of each year. The maturity date is June 26, 2021. As of June 30, 2019, the balance as of the loan was \$6,843,752. The interest rate is 1.45% spread plus London Interbank Offered Rate (LIBOR) for one month. HPS increased its line of credit to \$60 million. The amount drawn on the loan during fiscal year 2020 was \$26,196,190. The line of credit matures in April 2023.

NOTE TO FINANCIAL STATEMENTS (continued)

Note 8 - Operating and Finance Leases

HPS accounts for leases in accordance with FASB ASC 842. HPS is the lessee for all of its leases.

At the inception of a contract, we assess whether the contract is or contains a lease. A contract is or contains a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, HPS assess whether:

- The contract involved the use of an identified asset this may be specified explicitly or implicitly and should be physically distinct or represent substantially all the capacity of a physically distinct asset. If the supplier has a substantive substitution right, then the asset is not identified.
- HPS has the right to obtain substantially all the economic benefits from use of the asset throughout the period of use; and
- HPS has the right to direct the use of the asset. HPS has the right when it has decision-making rights that are most
 relevant to changing how and for what purpose the asset is used. In rare cases where the decision about how and
 for what purpose the asset is used is predetermined, HPS has the right to direct the use of the asset if either HPS has
 the right to operate the assets or HPS designed the asset in a way that predetermined how and for what purpose it
 will be used.

A contract may contain multiple lease components; if so, HPS allocates the consideration in a contract to each lease component based on each component's relative stand-alone price. HPS is required to account for the right-to-use land and other assets separately unless the effect of doing so would be insignificant to the overall accounting for the transaction.

After separate lease components are identified, HPS applies the following steps to each separate lease component:

- Determine the lease term, generally calculated beginning at the lease commencement date
- Determine the lease payments, which may include fixed payments, variable lease payments, amount HPS will
 probably owe under residual value guarantees and payments related to renewal or termination options that HPS are
 reasonably certain to exercise.
- Determine the discount rate for the lease based on information available at lease commencement. For HPS, the discount rate implicit in the lease unless that rate cannot be readily determined, in which case we are required to use the incremental borrowing rate which ranges from 3% to 5%.

Finance Leases

HPS classifies leases as finance leases if they are not short-term leases (see below) and they meet any of the following criteria:

- The lease transfers ownership of the underlying asset to HPS by the end of the lease term.
- The lease grants HPS an option to purchase the underlying asset that HPS is reasonably certain to exercise.
- The lease term is for a major part of the remaining economic life of the underlying asset. If the commencement date is at or near the end of the underlying asset's economic life, this test does not apply.
- The present value of the sum of (1) the lease payments and (2) any lessee residual value guarantee not reflected in the lease payments equal or exceed substantially all of the underlying asset's fair value.
- The underlying asset is of such specialized nature that is expected to have no alternative use to the lessor at the end of the lease term.

For finance leases, HPS recognizes a right-of-use (ROU) asset and a lease liability at lease commencement.

The finance lease ROU asset is initially measured at cost, which comprises the sum of (1) the initial amount of the finance lease liability, (2) initial direct costs incurred (incremental costs that would not have been incurred if the lease had not been obtained) and (3) any lease payments made before or at lease commencement, (4) reduced for any lease incentives received.

NOTE TO FINANCIAL STATEMENTS (continued)

Note 8 - Operating and Finance Leases (continued)

Finance Leases (continued)

Subsequent to commencement, HPS measures the ROU asset at cost, less accumulated amortization and any accumulated impairment losses.

HPS amortizes the finance ROU asset on a straight-line basis over the period from the commencement date to the earlier (2) the end of the useful life of the ROU asset or (2) the end of the lease term. However, if the lease transfers ownership of the underlying asset to us, or if we are reasonably certain to exercise a purchase option to acquire the underlying, HPS amortizes the ROU asset to the end of the underlying asset's useful life. In addition, the ROU asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The finance lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the discount rate determined at commencement. Subsequent to commencement, we measure the finance lease liability on an amortized cost basis using the effective interest method. The lease liability is remeasured when (1) there is a change in future lease payment arising from a change in a rate or index, (2) there is a change in the estimate of the amount HPS expects to pay under a residual value guarantee or (3) if we change our assessment of whether we will exercise a purchase, extension or termination option.

Finance lease ROU assets are included in property and equipment, net in the consolidated financial statement of HPS and in each District in the Statement of Financial Position. Finance lease liabilities are included in the current portion of long-term debt and long-term debt, net. Amortization on the ROU assets is included in the properly functional expense based on the use of the buildings.

HPS leases several buildings under two finance lease agreements. The leases expire in 2046 and 2048. The following is a schedule of future minimum payment required under HPS's finance lease liabilities together with their present value as of June 30, 2021.

NOTE TO FINANCIAL STATEMENTS (continued)

Note 8 - Operating and Finance Leases (continued)

Operating Leases

HPS classifies leases as operating leases if they are not short-term leases (see below) or finance lease (see above).

For operating leases, HPS recognizes the ROU asset and a lease liability at lease commencement; the initial liability and ROU asset are calculated the same for operating leases as described above for finance leases. Subsequent to commencement, HPS measures operating ROU assets at (1) the carrying amount of the operating lease liability, (2) plus unamortized initial direct costs and any prepaid lease payments, (3) less any accrued lease payments and the unamortized balance of any lease incentives received. However, if an operating lease ROU asset is impaired, HPS measures the ROU asset on a straight-line basis from the date of the impairment to the earlier of the end of the ROU asset's useful life or the end of the lease term. Operating lease ROU assets are included in property equipment since the operating leases pertain to buildings.

HPS has 11 buildings under 11 separate operating leases. The following is a schedule of future minimum payments required under HPS' operating lease liabilities together with their present value as of June 30, 2021.

NOTE TO FINANCIAL STATEMENTS (continued)

Note 9 - Restricted Cash

Restricted cash at June 30, 2021 and June 30, 2020, consisted of project fund, debt service fund, debt service reserve fund, and sinking fund bond cash accounts. These funds are to be solely used in the construction and acquisition of new facilities and repayment of bond liabilities and cannot be used for normal operating expenditures.

Note 10 - Bonds Payable

HPS has secured bond financing pursuant to Chapter 53 of the Texas Education Code of "Qualified Tax Exempt" Education Revenue Series Bonds, 2012A, 2014A, 2015, 2016A and 2017A in the amounts of: \$31,350,000; \$101,555,000; \$106,745,000; \$55,405,000; and \$40,540,000, respectively. HPS has also received proceeds from Taxable Educational Revenue Bonds, Q Series (Qualified School Construction Bonds) 2010Q, 2011Q, and 2014Q in the amounts of \$39,910,000; \$5,085,000; and \$8,880,000, respectively. The bonds are limited obligations of the issuer, payable solely from revenues received by the issuer pursuant to a loan agreement between the issuer and the borrower. Bonds payable at June 30, 2021, consist of the following:

| 2010 Q Bonds, 8.13% interest; Principal is deposited annually to a sinking fund account; interest is due in semi-annual installments, commencing February 15, 2011; bond matures in 2027. | \$ 39,910,000 |

HPS must maintain debt service reserve funds for the outstanding Series 2012A bonds, which funds are required to maintain minimum balances equal to the lesser of Maximum Annual Debt Service on the Bonds, 1.25 time the average annual Debt Service on the Bonds, or ten percent of the initial principal amount of the Bonds. At June 30, 2021 and June 30, 2020, the debt service reserve fund for the Series 2012A bonds had a cash balance of \$2,669,947 and \$2,446,267, respectively. The amounts in both fiscal years exceeded minimum balance requirements.

Note 11 - Bond Sinking Fund Obligations

HPS is required to deposit amounts restricted to the repayment of principal into three sinking funds on an annual basis. The sinking funds are restricted to the retirement of debt issued with respect to the 2010Q series, 2011Q series, and 2014Q series of bonds. Future sinking fund obligations of notes payable are as follows:

| Year Ending | Danasita |
|-------------|---------------|
| June 30, | Deposits |

| 2026 | 2,565,537 |
| Thereafter | 7,263,113 |
| Total | \$ 20,028,465 |

Note 12 - Bond Debt Covenants

The bond agreements contain certain restrictions and covenants. HPS is required to maintain a ratio of available revenue (without excluding any discretionary expenses incurred during the fiscal year) that must be equal to 1.10 times the annual debt service requirements. HPS's minimum available excess revenue requirements totaled \$27,773,890 and \$27,808,749 for fiscal years 2021 and 2020. At 2020 and 2021, HPS met the covenant requirements holding available revenue of \$59.5 million and \$51.5 million. Additionally, HPS needs to maintain an operating reserve that covers 45 days of budgeted expenses at the end of each fiscal year. For the fiscal years 2020 and 2021, HPS was required to have \$43,051,411 and \$51,352,465, respectively, in operating accounts. For 2020 and 2021, HPS met the covenant with an available cash balance of \$121,587,524 and \$141,219,209.

NOTE TO FINANCIAL STATEMENTS (continued)

Note 13 - State Aid Revenue and Receivables

During fiscal year 2021 and 2020, HPS earned approximately \$348.2 million and \$349.7 million in State Aid, which made up 80 percent and 86 percent of total revenue in 2021 and 2020, respectively. As of June 30, 2021 and 2020, HPS had outstanding receivables of \$72.3 million and \$65.1 million, respectively. The various components of the outstanding receivables are shown below.

| | 2021 | 2020 |
|-------------------------------|------------------|------------------|
| Due from TEA - Federal Grants | \$ 8,892,074 | \$ 10,167,874 |

| Due from Other | 1,902,581 | 1,130,667 |
| | \$ 72,314,141 | \$ 65,099,280 |

Note 14 - Commitments and Contingencies

HPS receives funds through state and federal programs that are governed by various statutes and regulations. State program funding is based primarily on student attendance data submitted to the Texas Education Agency and is subject to audit and adjustment. Expenses charged to federal programs are subject to audit and adjustment by the grantor agency. The programs administered by the charter school have complex compliance requirements, and should state or federal auditors discover areas of noncompliance, charter school funds may be subject to refund if so determined by the Texas Education Agency or the grantor agency.

Note 15 - Health Care Coverage

During the years ended June 30, 2020 and 2021, employees of HPS were covered by a group insurance plan. The money will make health benefits contributions towards the employee's selected plan monthly as shown in the table below:

| Role/Salary Band | HPS Contribution |
|------------------|------------------|
| 1 | \$825 |
| 2, 3 | \$625 |
| 4 | \$425 |
| 5, 6 | \$325 |
| Teacher | \$325 |
| Non-exempt | \$325 |

Employees, at their option, authorized payroll withholdings to pay premiums for dependents. All premiums were paid to a licensed insurer.

Note 16 - Net Assets with Donor Restrictions

Net assets with donor restrictions as of June 30, 2021 and 2020 are as follows:

Note 20- Liquidity and Availability

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the date of the statement of financial position, comprise the following:

| | Ju | ne 30, 2020 | | | | | |
|---------------------------|---------|-------------|----|------------|--|--|--|
| Cash and cash equivalents | \$ | 8,768,777 | \$ | 20,555,087 | | | |

| | \$ | 10,671,358 | \$ | 21,685,754 | | | |

Per the Texas Education Agency, Foundation School Program revenues should be classified as revenue with donor restrictions. However, the funds do not have a time restriction, but must be used for education purposes in accordance with State law. As such, there are cash, investments and receivables that are due from the State and are available for use for educational purposes. As part of HPS' liquidity management practice, we monitor the cash on daily and monthly basis and invest cash in excess of requirements in short-term investments and CDs.

NOTE TO FINANCIAL STATEMENTS (continued)

Note 21 - Subsequent Events

As of September 2, 2021, the Texas Education Agency informed local education agencies (LEAs) that it has no plans to issue missed school day waivers due to COVID-19 during the 2021-2022 school year when the LEA or its campuses are closed. Each LEA will need to plan to make up time for school closures during the school year and may need to add additional instructional days and/or minutes to their calendar to meet the 75,600 operational minute requirement.

LEAs have reported to TEA that attendance rate declines continue to occur due to COVID-19. As a result, TEA is exploring options to ensure school systems will not experience significant financial difficulties. Additionally, LEAs had varying daily rates of attendance during the 2020-2021 school year due to the impact of virtual learning options. Once TEA receives this local information in a PEIMS upload this fall, it will be equipped to analyze, understand, and determine potential changes to the rules around waivers, particularly low attendance waivers. As of the date of this report, HPS has not determined the impact.

HPS has evaluated subsequent events through November 5, 2021, which is the date the financial statements were available to be issued.

On August 5, 2021, HPS issued bond series 2021 AB in the amount of \$170 million. The bond will be used to repay the outstanding balance on the loan and new money for the purchase of land and construction project.

Note 22 - Related Party Transactions.

HPS' success has received both national and international recognition for its curriculum, programs, training, operations and administration. The HPS Board finds that marketing of these products (i.e. intellectual property) would create revenue for HPS. As such, on February 22, 2020, the HPS Board approved the creation of the Harmony Education Solutions (HES), a limited liability company. The Board of HPS serves as the Board of HES. As of June 30, 2020, HES has received a license to sub-license Harmony's intellectual property and accompanying services. HPS applied to the Texas Education Agency for approval of the trademark licensing transaction between HES and HPS as required by Senate Bill 1454 passed by the Texas 86th Legislature. A percentage, ranging from 2 percent to 10 percent, of the licensing revenue generated by HES will be remitted to HPS. These payments will be considered related party transactions. As of June 30, 2020, HES did not generate any licensing revenue. In future years, the financial statements of HES will be consolidated with the financial statements of HPS and revenue paid by HES to HPS will be eliminated prior to consolidating the financial statements. For fiscal year 2021, HES generated \$595,001 in revenues and incurred \$560,940 in expenses. Cash for HES totaled \$133,077 as of June 30, 2021 and was offset by liabilities of \$99,016. HES did not remit any of its licensing revenue to HPS and as such elimination entries were not needed.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To The Board of Directors of Harmony Public Schools Houston, Texas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Harmony Public Schools ("HPS") (a nonprofit organization), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 5, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered HPS's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of HPS's internal control. Accordingly, we do not express an opinion on the effectiveness of HPS's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether HPS's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. These procedures performed included tests designed to verify Harmony Public School's compliance with the requirements of the Public Funds Investment Act (Chapter 2256, Texas Government Code) during fiscal year 2021. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

To the Board of Directors of Harmony Public Schools

Whitley FERN LLP

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To The Board of Directors of Harmony Public Schools Houston, Texas

Report on Compliance for Each Major Federal Program

We have audited Harmony Public Schools' ("HPS") (a nonprofit organization) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of HPS's major federal programs for the year ended June 30, 2021. HPS's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs,

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of HPS's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about HPS's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of HPS's compliance.

Opinion on Each Major Federal Program

In our opinion, HPS complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

Report on Internal Control over Compliance

Management of HPS is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered HPS's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of HPS's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

Note 1 - Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Note 2 - Basis of Presentation

The accompanying schedule of expenditures of federal awards (the Schedule) includes federal award activity of HPS under programs of the federal government for the year ended June 30, 2021. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the Schedule presents only a selected portion of the operation of HPS, it is not intended to and does not present the financial position, changes in net assets, or cash flows of HPS.

Note 3 - Indirect Cost Rate

Federal grant funds are considered to be earned to the extent of expenditures made under the provisions of the grant, and, accordingly, when such funds are received, they are recorded as unearned revenues until earned. Generally, unused balances are returned to the grantor at the close of specified project periods. HPS has elected not to use the 10 percent de minimis indirect cost rate allowed under the Uniform Guidance.

Note 4 - Title I, Part A Transferability

As described in the U.S. Department of Education Cross-Cutting Section (CFDA 84.000), Sections II.B.3 Activities *Allowed or Unallowed - Transferability (SEAs and LEAs)* and IV.3 *Other Information - Transferability* of the 2021 OMB Compliance Supplement, expenditures of funds should be included in the audit universe and total expenditures of the receiving program. For fiscal year 2021, HPS transferred 100% Title IV, Part A (CFDA 84.424) expenditures to its Title I, Part A (CFDA 84.010A) program as submitted to the Texas Education Agency in its consolidated application and as denoted on the Schedule of Expenditures of Federal Awards. As such, Title IV, Part A (CFDA 84.424) were included as part of Title I, Part A (CFDA 84.010).

SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS

For the Year Ended June 30, 2021

Federal regulations, Title 2 U.S. Code of Federal Regulations Section 200.511 states, "The auditee is responsible for follow-up and corrective action on all audit findings. As part of this responsibility, the auditee must prepare a summary schedule of prior audit findings." The summary schedule of prior audit findings must report the status of the following:

- All audit findings included in the prior audit's schedule of findings and questioned costs and
- All audit findings reported in the prior audit's summary schedule of prior audit findings except audit findings listed as corrected.
