

PRIVATE PLACEMENT MEMORANDUM DATED APRIL 10, 2012

NEW ISSUE

Standard & Poor's Rating: "AA+"

In the opinion of Roderick Linton Belfance, LLP, Bond Counsel, under existing law, interest on the Bonds is not excluded from gross income for federal income tax purposes, but interest on, any transfer of and any profit made on the sale, exchange, transfer, or other disposition of the Bonds are exempt from the Ohio personal income tax, the Ohio commercial activity tax, and income taxes imposed by municipalities, school districts and joint economic development districts in Ohio. Purpose: To provide moneys to be loaned by the Director of Development (the "Director") of the State of Ohio (the "State") to FWT, LLC, a Texas limited liability company (the "Borrower"), which the Borrower will use to finance a portion of the costs of: (i) the acquisition and renovation of a facility in Hicksville, Ohio (the "Project Site") which will be used for the manufacture of custom support equipment for the telecommunications and utilities industries ("Project"); and (ii) the issuance of the Bonds and related financing. The moneys will be loaned to the Borrower pursuant to the State's Ohio Enterprise Bond Fund Program which is described herein. Additionally, the State, through the Director, will make a Chapter 166 direct loan in the principal amount of \$3,000,000 to the Borrower to provide additional funds to finance a portion of the Project.

Security and Sources of Payment: The Bonds are being issued on a parity, and are to be secured equally and ratably, with any other Ohio Enterprise Bond Fund Bonds previously or hereafter issued by the State that are made payable from the Ohio Enterprise Bond Fund Accounts, as defined herein. The Bonds are payable primarily from and are secured by a pledge of the Ohio Enterprise Bond Fund Accounts (but not the Program Transfer Account) without priority by reason of series designation, form, number, date of authorization, issuance, sale, execution, authentication, delivery, dated date or maturity, all as described herein. The Bonds are the One Hundred Twenty-Second series of Ohio Enterprise Bond Fund Bonds, as defined herein. Some of the Ohio Enterprise Bond Fund Accounts are held by The Huntington National Bank (the "Trustee"), acting as trustee on behalf of the Treasurer of State (the "Treasurer"). The remainder of the Ohio Enterprise Bond Fund Accounts are held by the Treasurer as trust funds. The State has also covenanted to use, if there is a default in making payments when due on Ohio Enterprise Bond Fund Bonds, as defined herein, but only to the extent such funds are necessary and available therefor and have not been committed for other uses, and subject to the approval of the State Controlling Board, funds in the Program Transfer Account of the Facilities Establishment Fund in the Treasury of the State, as described herein. THE BONDS ARE NOT GENERAL OBLIGATIONS OF THE STATE OF OHIO OR OF ANY POLITICAL SUBDIVISION AND ARE NOT PAYABLE FROM ANY TAX SOURCE. THE RIGHTS OF HOLDERS OF THE BONDS TO PAYMENTS OF AMOUNTS DUE THEREUNDER ARE LIMITED SOLELY TO THE OHIO ENTERPRISE BOND FUND ACCOUNTS (WHICH ARE PLEDGED TO SUCH PAYMENT) AND, TO THE EXTENT DESCRIBED HEREIN, THE PROGRAM TRANSFER ACCOUNT.

Form and Denomination: The Bonds will be issued as fully registered bonds, one for each maturity, in the denominations of \$100,000 and any integral multiples of \$5,000 in excess of \$100,000. The Bonds will be issued initially in book-entry form, registered in the name of Cede & Co., as nominee of The Depository Trust Company ("DTC"), to whom all payments and notices with respect to the Bonds will be made. As long as the Bonds are in book-entry form, purchasers of Bonds will not receive Bond certificates. Instead, purchasers of Bonds will become the beneficial owners of such Bonds, with such ownership evidenced solely in the book-entry system recorded and maintained by DTC and certain Participants (and Indirect Participants) who participate with DTC in maintaining the book-entry system. See "BOOK-ENTRY ONLY SYSTEM."

Payment: All payments will be made to the registered owners of the Bonds. Principal of and any premium on the Bonds will be paid when due upon presentation and surrender thereof to the Trustee. Interest will be paid by check or wire on March 1, June 1, September 1 and December 1 of each year, beginning on September 1, 2012, to the registered owner as of the 15th day of the month preceding each interest payment date.

Prior Redemption: The Bonds are subject to redemption prior to maturity as described herein under "THE BONDS—Redemption Prior to Maturity."

The Bonds are offered by RBC Capital Markets (the "Placement Agent"), subject to the approval of validity and certain other matters by Roderick Linton Belfance, LLP, Bond Counsel, and certain other conditions. Ross, Sinclair & Associates, LLC (the "Financial Advisor") is serving as financial advisor in connection with the issuance and sale of the Bonds. Certain matters will be passed upon for the Placement Agent by Tucker Ellis LLP, Placement Agent's counsel. Certain matters will be passed upon for the Borrower by Haynes and Boone, LLP, Borrower's counsel. It is expected that delivery of the Bonds will be made on April 18, 2012.

SUMMARY STATEMENT

This summary is qualified in its entirety by reference to the detailed information appearing elsewhere in this Private Placement Memorandum and in the Appendices attached hereto. The offering of the Bonds to potential investors is made only by means of the entire Private Placement Memorandum. No person is authorized to detach this summary from this Private Placement Memorandum or to otherwise use it without the entire Private Placement Memorandum. Capitalized terms appearing in this Private Placement Memorandum are defined on the cover page, later in this Private Placement Memorandum or in Appendix A to this Private Placement Memorandum.

PURPOSE OF BOND FUND PROGRAM.....	The Ohio Enterprise Bond Fund Program has been created to promote economic development in order to create and retain quality private sector jobs. The State intends to accomplish this goal by enabling borrowers to access the national capital markets through bonds issued within the Bond Fund. The Ohio Enterprise Bond Fund provides long-term and fixed rate financing to the contracting parties.
THE OFFERING.....	The offering consists of \$4,040,000 of State of Ohio State Economic Development Revenue Bonds (Ohio Enterprise Bond Fund) Series 2012-3 (FWT, LLC Project) (Taxable Bonds) (the “Bonds”).
THE ISSUER	The Bonds are the One Hundred Twenty-Second series of Ohio Enterprise Bond Fund Bonds issued by the Treasurer of the State on behalf of the State. The Bonds are not general obligations of the State of Ohio or of any political subdivision thereof and are not payable from any tax source. The rights of holders of the Bonds to payments of amounts due thereunder are limited solely to the Ohio Enterprise Bond Fund Accounts (which are pledged to such payments).
THE BORROWER	FWT, LLC is a Texas limited liability company (the “Borrower”). The Director, pursuant to and subject to the Loan and Security Agreement dated as of April 1, 2012, will loan to the Borrower the Bond proceeds, as the “State Assistance,” for the purposes of financing the Allowable Costs of the Project (as defined below). Payments due from the Borrower under the Loan and Security Agreement will be secured by the Loan and Security Agreement which grants a first priority security interest in certain collateral to the Director.
THE PROJECT	The Project consists of the (i) the acquisition and renovation of a facility in Hicksville, Ohio (the “Project Site”) which will be used for the manufacture of custom support equipment for the telecommunications and utilities industries (“Project”); and (ii) the issuance of the Bonds and related financing. See “THE PROJECT” and “SOURCES AND USES OF FUNDS.”
RATING.....	The Bonds are rated “AA+” by Standard & Poor’s.

TAX EXEMPTION.....	In the opinion of Roderick Linton Belfance, LLP, Bond Counsel, under existing law, interest on the Bonds is not excluded from gross income for federal income tax purposes, but interest on, any transfer of and any profit made on the sale, exchange, transfer, or other disposition of the Bonds are exempt from the Ohio personal income tax, the Ohio commercial activity tax, and income taxes imposed by municipalities, school districts and joint economic development districts in Ohio. (For a more complete discussion of tax aspects, see TAX MATTERS).
SECURITY AND SOURCE OF PAYMENT	<p>Bond Fund Program. The Bonds will be secured primarily and on a parity basis by the Ohio Enterprise Bond Fund Net Revenues received by the Director from all Contracting Parties and deposited in the Debt Service Account and by the other pledged Ohio Enterprise Bond Fund Accounts as further described in this Private Placement Memorandum.</p> <p>The Bonds. The Ohio Enterprise Bond Fund Net Revenues that the Director will receive from the Borrower are included in the security for the Bonds, and are intended to pay principal of and interest on the Bonds.</p>
DENOMINATION.....	Denomination of \$100,000 or any integral multiples of \$5,000 in excess thereof.
PLACEMENT AGENT	RBC Capital Markets
INTEREST RATE.....	The Bonds will bear interest at a fixed rate of interest and will be computed on the basis of a 360-day year consisting of twelve 30-day months, from the date of issuance, at the rates and mature in the amounts and on the dates set forth on the inside cover page hereof.
INTEREST PAYABLE.....	Interest on the Bonds will be payable on March 1, June 1, September 1 and December 1 of each year, commencing September 1, 2012.

DESCRIPTION OF COMMON FUND BOND RESERVES

PRIMARY RESERVE ACCOUNT.....	Each Contracting Party is required to fund a Primary Reserve Account equal to 10 percent of the original principal amount of each series of Ohio Enterprise Bond Fund Bonds (the “Common Fund Bonds”). This reserve is not allowed to be reduced during the term of each series of Common Fund Bonds. This reserve can be funded with bond proceeds, cash or an acceptable letter of credit. This reserve is intended to provide the Ohio Department of Development with sufficient time in the event of default to restore delinquent payments or, in those cases where the Trustee holds a shared first security interest on the assets financed with bond proceeds, take control of the assets and either find alternate users or sell the assets. As of the date of this Private Placement Memorandum, the aggregate Primary Reserve Accounts of all Contracting Parties, including the Primary Reserve Account for the Bonds, is anticipated to be equal to \$36,645,170.
FIRST HALF ACCOUNT AND SECOND HALF ACCOUNT	The First Half Account and the Second Half Account consist of loan repayments from the Chapter 166 Direct Loan Program. The First Half Account and the Second Half Account, as of December 31, 2011, have balances equal to \$18,698,676 and \$19,975,330 respectively. All loan payments collected from January through June are deposited in the First Half Account and then transferred to the Facilities Establishment Fund on the last business day of December. All loan payments collected from July through December are deposited in the Second Half Account and then transferred to the Facilities Establishment Fund on the last business day of June.
PROGRAM RESERVE ACCOUNT ...	The Program Reserve Account, was originally financed by the State with proceeds of Bonds issued in 1988. As of the date of this Private Placement Memorandum, the Program Reserve Account has a market value of not less than \$10,000,000, which exceeds the current Program Reserve Requirement. The Program Reserve Account has never been drawn on to pay Debt Service on any series of Common Fund Bonds.
ADDITIONAL CREDIT ENHANCEMENTS	Depending upon the type of project being financed or the credit history of a Contracting Party, some form of additional credit enhancement may be required by the Ohio Department of Development, including personal and corporate guarantees, additional letters of credit and key-man life insurance policies. Any additional credit enhancements provided by a Contracting Party will be used, to the extent available, first to cure a default in that Contracting Party's Ohio Enterprise Bond Fund Net Revenues prior to using its Primary Reserve Fund and the other Bond Fund Program Accounts.

INTRODUCTORY STATEMENT

This Private Placement Memorandum is furnished in connection with the offering by the State of Ohio (the "State") of \$4,040,000 of State Economic Development Revenue Bonds (Ohio Enterprise Bond Fund) Series 2012-3 (FWT, LLC Project) (Taxable Bonds) (the "Bonds"). The Bonds are being issued pursuant to (i) Chapter 166 of the Revised Code (the "Act"); (ii) the General Bond Order adopted by the Treasurer of State (the "Treasurer") on April 11, 1988 (the "General Bond Order"); (iii) Series Bond Order R3-12, adopted by the Treasurer on April 10, 2012 (the "Series Bond Order"); (iv) the Trust Agreement between the Treasurer acting on behalf of the State and The Huntington National Bank, as successor trustee (the "Trustee"), dated as of April 1, 1988 (the "Original Trust Agreement") and agreed to by the Director of Development of the State (the "Director"); and (v) the One Hundred Twenty-Second Supplemental Trust Agreement between the Treasurer acting on behalf of the State and the Trustee, dated as of April 1, 2012 (the "Supplemental Trust Agreement" and collectively with the Original Trust Agreement, the "Trust Agreement").

The General Bond Order and Trust Agreement created a system of pooled debt service and reserve accounts which is described herein and which enabled the Director to create an economic development program (the "Ohio Enterprise Bond Fund Program") that supplements another economic development loan program (the "Chapter 166 Direct Loan Program") which the Director has administered under the Act since 1982. The Bonds are being issued to provide moneys to FWT, LLC, a Texas limited liability company (the "Borrower"), which the Borrower will use to finance a portion of the costs of (i) the acquisition and renovation of a facility in Hicksville, Ohio (the "Project Site") which will be used for the manufacture of custom support equipment for the telecommunications and utilities industries ("Project"); and (ii) the issuance of the Bonds and related financing. The Bonds, together with all other obligations issued under the General Bond Order and the Trust Agreement and payable from and secured by the system of pooled debt service and reserve accounts established thereby are referred to herein as the "Ohio Enterprise Bond Fund Bonds."

The Bonds are payable primarily from the Debt Service Account (the "Debt Service Account") in the Economic Development Bond Service Fund (the "Bond Service Fund"). The Bond Service Fund is a fund created by Section 166.08 of the Act and is held by the Treasurer as a trust fund. Pursuant to an agreement with the Treasurer, a trustee can hold some or all the Accounts in the Bond Service Fund.

Moneys in the Debt Service Account, which will be the source of payment of the Bonds, consist of (a) lease payments and loan repayments (the "Ohio Enterprise Bond Fund Net Revenues") derived from either leases or loan agreements ("Project Financing Agreements") entered into by the State with tenants or borrowers ("Contracting Parties") which, if paid as scheduled, would pay amounts due and payable with respect to the Ohio Enterprise Bond Fund Bonds; (b) earnings received from investments of moneys in the Program Reserve Account (although the Director can direct that such earnings be retained in the Program Reserve Account); (c) revenues ("Chapter 166 Program Net Revenues"), to the extent they are needed, derived from loan agreements entered into by the State and from the lease, sale or other disposition of facilities acquired by the State under economic development programs under the Act other than the Ohio Enterprise Bond Fund Program (see discussion of First Half Account and Second Half Account in the immediately following paragraph); and (d) the other sources described under "SOURCE OF PAYMENT OF AND SECURITY FOR THE BONDS - Funds and Accounts -- Debt Service Account." Economic development programs under the Act other than the Ohio Enterprise Bond Fund Program are sometimes referred to in this Private Placement Memorandum as "Chapter 166 Programs." For a description of the Chapter 166 Programs, including the Chapter 166 Direct Loan Program, see "SUMMARY OF CHAPTER 166 PROGRAMS" and "CHAPTER 166 DIRECT LOAN PROGRAM NET REVENUES."

The Bonds and other Ohio Enterprise Bond Fund Bonds will also be secured equally and ratably on a parity basis by a pledge of (i) Contracting Parties' Primary Reserve Accounts in the Bond Service Fund, each of which consists of an amount (which may be in the form of a letter of credit) which cannot be less than 10 percent of the initial principal amount of that series of Ohio Enterprise Bond Fund Bonds, to be deposited in

such Account by the Contracting Party in connection with each series of Ohio Enterprise Bond Fund Bonds issued to finance Project Facilities; (ii) the Program Reserve Account in the Bond Service Fund; (iii) for a period of six to 12 months after they are received, Chapter 166 Program Net Revenues and Ohio Enterprise Bond Fund Net Revenues not deposited into the Debt Service Account which are to be held in the First Half Account (the "First Half Account") or the Second Half Account (the "Second Half Account") in the Bond Service Fund, all as described in "SOURCE OF PAYMENT OF AND SECURITY FOR THE BONDS"; and (iv) Contracting Parties' Collateral Proceeds Accounts (the "Collateral Proceeds Accounts") in the Bond Service Fund, each of which consists of certain moneys received under Project Financing Agreements, which moneys are not received as the result of or in place of scheduled payments to be made under the Loan Agreement. Moneys in the First Half Account and the Second Half Account that are not used to pay Debt Service Charges due on Ohio Enterprise Bond Fund Bonds or to increase the balance of the Program Reserve Account during the six to 12 month period they are held in those Accounts will be deposited into the Program Transfer Account (the "Program Transfer Account") in the Facilities Establishment Fund or otherwise will be transferred in accordance with written directions of the Director given under Section 166.09 of the Act (as described in "SUMMARY OF CHAPTER 166 PROGRAMS - Transfers from the First Half Account or Second Half Account pursuant to Section 166.09 of the Act"). The State has covenanted and agreed that in the event Debt Service Charges are not paid when due on Ohio Enterprise Bond Fund Bonds from the Accounts described above, the moneys in the Program Transfer Account that are not committed by the Director for other purposes permitted under the Act, as it currently exists or as it may be amended, will be used, subject to the approval of the State Controlling Board, to make such payment, but the State has not pledged moneys in the Program Transfer Account to secure the Ohio Enterprise Bond Fund Bonds. The Facilities Establishment Fund is described in "SUMMARY OF CHAPTER 166 PROGRAMS."

All financial and other information presented in this Private Placement Memorandum has been provided by the State from its official records, except for information relating to the Borrower and information expressly attributed to other sources. The presentation of historical information, including information regarding Chapter 166 Direct Loan Program Net Revenues, is intended to show historical information and is not intended to indicate future or continuing trends in the financial or other positions of the State's economic development financing programs under the Act. No representation is made that past experience, as might be shown by that financial and other information, will necessarily continue in the future. Projections of Chapter 166 Direct Loan Program Net Revenues are based upon certain stated assumptions regarding uncertain and uncontrollable future events. Those stated assumptions may not reflect what actually happens in the future.

References in this Private Placement Memorandum to provisions of Ohio law, whether codified in the Ohio Revised Code (the "Revised Code") or uncodified, or of the Ohio Constitution are references to those provisions as they now exist. Provisions of Ohio law and the Ohio Constitution may from time to time be amended, repealed or supplemented. As used in this Private Placement Memorandum, Debt Service Charges means principal of and interest on the Bonds or on the Ohio Enterprise Bond Fund Bonds, as the case may be. The Debt Service Account, Collateral Proceeds Accounts, Primary Reserve Accounts, Program Reserve Account, First Half Account and Second Half Account are sometimes referred to in this Private Placement Memorandum as Ohio Enterprise Bond Fund Accounts.

This Private Placement Memorandum contains descriptions of the Bonds, the General Bond Order, the Trust Agreement, the Series Bond Order, the Supplemental Trust Agreement, the Ohio Enterprise Bond Fund Program and the Chapter 166 Direct Loan Program. Such descriptions and information do not purport to be comprehensive or definitive. All references herein to the General Bond Order, Series Bond Order, Trust Agreement and Supplemental Trust Agreement are qualified in their entirety by reference to such documents, and references herein to the Bonds are qualified in their entirety by reference to the form thereof included in the Series Bond Order. Copies of the documents referred to in this Private Placement Memorandum are available for inspection during the period of this offering at the office of RBC Capital Markets, 255 E. 5th Street, Suite 1000, Cincinnati, Ohio 45202, and thereafter at the office of the Director, whose address is 77 South High Street, 28th Floor, Columbus, Ohio 43215.

SPECIAL CONSIDERATIONS

Discretion of the Director

In entering into Project Financing Agreements and making loans under the Chapter 166 Programs, the Director must comply with the requirements of the Act as described in “THE OHIO ENTERPRISE BOND FUND PROGRAM” and “SUMMARY OF CHAPTER 166 PROGRAMS” herein. In addition, in connection with Ohio Enterprise Bond Fund Bonds issued to finance Project Facilities, the Director must enter into Project Financing Agreements or other agreements that, if complied with, will provide sufficient revenues to pay Debt Service Charges on that series of Ohio Enterprise Bond Fund Bonds. The Director is not required to satisfy any other conditions in granting assistance under either program. As a result, the Director has and will have a great degree of discretion in agreeing to give assistance under the Chapter 166 Programs. That discretion includes, but is not limited to (i) agreements relating to the quality of title acquired by or the lien or security interest granted to the Director in connection with the financial assistance being provided by the Director, (ii) assessments of the value and nature of the property to be owned by the Director or the property, assets or receipts in which the Director is to be granted a lien or security interest under both programs, and (iii) assessments made by the Director regarding the creditworthiness of Contracting Parties and of borrowers under the Chapter 166 Direct Loan Program and of guarantors of the obligations of such Contracting Parties and borrowers. The reserves securing the Bonds and the ability of the State to pay Debt Service Charges on the Bonds when due could be adversely affected as a result of the manner in which the Director has exercised or will exercise that discretion.

Project-Related Risks

The success of each individual project financed by proceeds of the Ohio Enterprise Bond Fund Bonds and the ability of the related Contracting Party to pay Debt Service Charges when due will be subject to a variety of risks applicable either specifically to the Project Facilities or to the Contracting Party or related to the business or industry in which the Project Facilities are used or the Contracting Party is engaged. Such risks include, but are not limited to, risks related to construction and acquisition (including delays or defaults in completion, casualty, improper construction or performance, and cost overruns), insufficient revenues, excess expenses, economic conditions, competition, conflicts of interest, governmental regulation, changes in governmental policy and uninsured casualty.

Economy of the State

In extending credit or entering into leases or loans under the Ohio Enterprise Bond Fund Program or the Chapter 166 Programs, the Director may review projections, assess the value of property given as security and analyze the creditworthiness of Contracting Parties, borrowers and guarantors under the assumption that the market and business of the Contracting Parties, borrowers or guarantors will not change in a materially adverse manner. Should the economy worsen for a Contracting Party’s, borrower’s or guarantor’s business segment or in general, a greater number of defaults may occur under Project Financing Agreements and agreements made under the Chapter 166 Programs that are not fully recovered as the result of eviction or foreclosure proceedings than historical trends might currently indicate will occur. If there are greater numbers of such defaults, the reserves securing the Bonds and the ability of the State to pay Debt Service Charges on the Bonds when due could be adversely affected.

Program Transfer Account

As discussed herein, after six and 12 month periods, payments constituting Chapter 166 Program Net Revenues, and Ohio Enterprise Bond Fund Net Revenues not deposited into the Debt Service Account, that are not during that time period used to pay Debt Service Charges on Ohio Enterprise Bond Fund Bonds or transferred to the Program Reserve Account to maintain certain reserve requirements will be transferred to the

Program Transfer Account (except to the extent that such moneys may be subject to other written directions given by the Director pursuant to Section 166.09 of the Act - see “SUMMARY OF CHAPTER 166 PROGRAMS - Transfers from First Half Account or Second Half Account Pursuant to Section 166.09 of the Act”). Moneys in the Program Transfer Account will be available to the Director to be used for any purpose permitted under the Act as it currently exists or is amended. Although the Director has agreed that after all Ohio Enterprise Bond Fund Accounts are exhausted the Director will direct, subject to the approval of the State Controlling Board, that moneys in the Program Transfer Account, if not otherwise committed by the Director under the Act, be used to pay Debt Service Charges, as discussed in “SUMMARY OF CHAPTER 166 PROGRAMS” herein, the transfer of moneys in the First Half Account or the Second Half Account in accordance with the Director’s written directions or the use of moneys in the Program Transfer Account could result in moneys that are transferred out of the First Half Account or Second Half Account not being available to pay Debt Service Charges on the Ohio Enterprise Bond Fund Bonds. It is also possible that the Ohio General Assembly (the “General Assembly”) could amend the Act so that moneys in the Program Transfer Account can or must be used for other purposes that will not produce moneys that are available to pay Debt Service Charges on Ohio Enterprise Bond Fund Bonds. Such developments could adversely affect the reserves securing the Bonds and the ability of the State to pay Debt Service Charges on the Bonds when due.

First Half Account; Second Half Account

While there is no assurance that any future Ohio Enterprise Bond Fund Bonds will be issued, the State expects that a substantial number of Project Facilities will be financed as part of the Ohio Enterprise Bond Fund Program. As the aggregate principal amount of the Ohio Enterprise Bond Fund Bonds outstanding increases, the relative balances of the First Half Account and Second Half Account, in comparison to aggregate principal amount of the Ohio Enterprise Bond Fund Bonds outstanding, could decrease, and as a result the ability of the State to pay Debt Service Charges on the Bonds when due could be adversely affected.

Limited Information Concerning the Borrower

Limited information is contained in this Private Placement Memorandum relating to the Borrower. Prospective investors, are therefore, not able to evaluate the likelihood of the occurrence of an Event of Default under the Loan Agreement and the corresponding possibility that the Bonds could be redeemed at par plus the Yield Maintenance Premium by the State as permitted under the Indenture. See “THE BONDS - Redemption Prior to Maturity -- Extraordinary Redemption.”

ELIGIBLE INVESTORS

Eligibility for Investment

The Bonds are being offered only to a limited number of sophisticated financial institutions or institutional investors (e.g., banks, insurance companies or registered investment companies). Each investor will be required to represent in an investment letter, among other things, that it has read and understands this Private Placement Memorandum and has obtained any other information if desired for the purpose of evaluating, and has evaluated, the risks of purchasing the Bonds.

Restriction on Transfer of Bonds

The Bonds offered hereby have not been registered under the Securities Act, nor pursuant to the provisions of any state securities act. The Bonds are being offered and will be sold without the benefit of registration under the Securities Act by reason of specific exemption from registration for private placement transactions provided by such Act.

The availability of such exemption under the Securities Act is dependent, in part, upon the “investment intent” of the investors, and the exemption would not be available if any one investor were purchasing the Bonds with a view to the resale or distribution thereof. Accordingly, each investor will be required to acknowledge in an agreement or investment letter, among other things, that its purchase is for investment purposes, solely for its own account, and without any view to the resale or distribution of the Bond(s).

Investors have not been granted the right to require the registration of any Bonds under the Securities Act or any state securities act; the State has no present intention of registering the Bonds; and, in view of the nature of the transaction, it is highly unlikely that there will be any such registration in the future. In addition, all transfers of the Bonds or beneficial interests therein are subject to the requirements of applicable federal and state securities laws. In that regard, no Bond or any beneficial interest therein may be subsequently sold, transferred, pledged or hypothecated unless and until the Treasurer has received (i) a satisfactory opinion of counsel to the effect that applicable securities laws and regulations will not be violated due to such sale or transfer, or (ii) a no-action letter of the staff of the Securities and Exchange Commission that the staff will recommend that no action be taken with respect to such sale or transfer, or (iii) a certificate from the transferor to the effect that the transferor (A) reasonably believes that the transferee is a “Qualified Institutional Buyer” within the meaning of Section (a) of Rule 144A promulgated by the Securities and Exchange Commission pursuant to the Securities Act (“Rule 144A”) and (B) has informed the transferee of the transfer restrictions applicable to the Bonds and that the transferor may be relying upon Rule 144A with respect to the transfer of the Bonds, or (iv) a certificate from the State that the Bonds have been registered under the Securities Act and that the registration is in effect. Any such opinion, certificates, or other documentation are to be furnished to the Treasurer, with a copy to the Trustee, at the expense of the Transferor of the Bonds.

CONSTITUTIONAL AND STATUTORY AUTHORIZATION

The Act was enacted under and pursuant to Section 13 of Article VIII of the Ohio Constitution, and with other Revised Code provisions provides for the authorization and specifics of the economic development programs described herein. The constitutional provision expressly provides that “moneys raised by taxation shall not be obligated or pledged for the payment of bonds or other obligations issued or guarantees made” pursuant to laws enacted under it. Section 166.08 of the Act sets forth the specific bond issuing authority, and designates the Treasurer (an elected officer of the State) as the “issuing authority” for purposes of the issuance and delivery of obligations issued under the Act, including the Bonds.

THE BONDS

Terms of the Bonds

The Bonds will be dated the date of their delivery, and will bear interest from that date payable quarterly on March 1, June 1, September 1 and December 1 of each year, commencing on June 1, 2012 (each, an “Interest Payment Date”). The Bonds are issuable in the form and denominations, and will mature and will bear interest, as set forth on the cover page of this Private Placement Memorandum.

Principal of and premium, if any, on the Bonds are payable when due upon presentation to The Huntington National Bank, as successor-in-interest to Provident Bank, at 7 Easton Oval, Columbus Ohio 43219 as Trustee and Paying Agent, or at the office of any successor Trustee or Paying Agent duly appointed

by the State, and interest on the Bonds will be paid by check or wire from the Trustee on the applicable Interest Payment Date to the holders of record who are registered as such as of the 15th day of the month immediately preceding the Interest Payment Date at the addresses of such holders set forth in the bond register (the “Bond Register”) maintained by the Trustee.

Redemption Prior to Maturity

Mandatory Sinking Fund Redemption. The Bonds maturing on June 1, 2022 are subject to mandatory redemption at a redemption price equal to 100% of the principal amount redeemed par plus accrued interest to the redemption date on the dates and in the principal amounts as follows:

December 1, 2017	110,000.00	June 1, 2022	130,000.00

Unless otherwise retired prior to maturity, the principal amount of the Bonds maturing on June 1, 2022 remaining after the mandatory sinking fund redemptions (\$130,000.00) shall be payable on the maturity date.

Extraordinary Optional Redemption. Upon the occurrence of one of the events listed below, the Bonds are subject to redemption in whole or in part at the option of the Borrower, at a redemption price of 100% of the principal amount thereof, plus Yield Maintenance Premium, plus accrued interest at the redemption date:

(a) in whole or in part at any time if the Project is damaged or destroyed (1) to such extent that it cannot reasonably be expected to be restored within a period of six months or (2) to such extent that the Borrower is thereby prevented from carrying on its normal operations for a period of six consecutive months, and the Borrower exercises its option to prepay the State under the Loan Agreement; or

(b) in whole or in part at any time if title to, or the temporary use of, all or substantially all of the Project shall have been taken under the exercise of the power of eminent domain by any governmental authority, or person, firm or limited liability company acting under governmental authority (including such a taking or takings as results in the Borrower being thereby prevented from carrying on its normal operations therein for a period of six consecutive months), and the Borrower exercises its option to prepay the State under the Loan Agreement.

Optional Default Redemption. The Bonds are also subject to redemption in whole or in part at any time at the option of the State, at a redemption price of 100% of the principal amount thereof, plus accrued interest at the redemption date upon the occurrence of an Event of Default under the Loan Agreement from amounts on deposit or transferred in the Series 2012-3 Collateral Proceeds Account, the Series 2012-3 Primary Reserve Account, or the Series 2012-3 Project Fund, from amounts transferred from the First Half Account, Second Half Account, or Program Reserve Account, and from amounts otherwise provided by the Director for such purpose.

Optional Redemption. The Bonds are subject to redemption at the option of the State, but only at the direction of the Borrower, prior to maturity in whole or in part on any date, at a redemption price equal to the sum of the principal amount of Bonds redeemed plus the Yield-Maintenance Premium plus accrued interest to the redemption date.

Mandatory Redemption by State under Loan Agreement. The Bonds are subject to mandatory redemption by the State prior to maturity in whole on any date, at a redemption price equal to 100% of the principal amount redeemed plus the Yield-Maintenance Premium plus accrued interest to the redemption date, if the Borrower is required to prepay the State Assistance under the Loan Agreement because (i) the Borrower terminates operation of its facilities in Ohio, and (ii) the Borrower does not relocate such facilities to another location in the State of Ohio within 30 days thereafter or such later date as may be permitted by the Director within his reasonable discretion.

Selection of Bonds for Redemption. While the Bonds are held in a book-entry only system at DTC, selection of beneficial interests in Bonds to be redeemed shall be determined in accordance with procedures established by DTC. If the Bonds are not in book-entry form and fewer than all of the Bonds are to be redeemed, the selection of those Bonds to be redeemed, or portions thereof in integral multiples of \$5,000, shall be made pro rata by the Trustee in accordance with the Trust Agreement, provided that if any such redemption would result in any Bond being outstanding in an amount less than \$100,000, the Trustee will select by lot the minimum number of outstanding Bonds to be redeemed in full which will allow the remaining Bonds to be redeemed pro rata.

Notice of Redemption. Notice of any redemption will be given to the registered owners of the Bonds, by mailing such notice to their addresses as they appear in the Bond Register, at least 30 but not more than 60 days before redemption. Such notice will be given to the persons in whose names the Bonds or portions of Bonds to be redeemed are registered in the Bond Register as of the 15th day preceding the mailing.

If notice of redemption has been duly given, the Bonds or portions thereof specified in said notice will become due and payable on the redemption date therein designated, and if moneys for the payment of the redemption price of all the Bonds to be redeemed are deposited with the Trustee or Paying Agent, then such Bonds shall cease to bear interest after the redemption date and shall no longer be considered to be outstanding.

Transfer of Bonds; Legend. So long as the Bonds are held in DTC's book-entry system (or any successor securities depository's book-entry system), the Bonds will not be transferable or exchangeable, except for transfer to DTC or another depository or to a nominee of DTC or another depository, without further action of the Treasurer. See "BOOK-ENTRY ONLY SYSTEM." If DTC or another depository determines not to continue to act as a depository for the Bonds in a book-entry system, or if the Treasurer determines to remove the Bonds from a depository book-entry system, all Bonds are transferable only upon the Bond Register at the Office of the Trustee acting as Bond Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or such duly authorized attorney. Upon the transfer of any Bond, the State shall execute and the Trustee shall authenticate as Authenticating Agent and deliver a new fully registered Bond or Bonds registered in the name of the transferee. However, neither the

State nor the Trustee is required to register or transfer Bonds during the 15 days next preceding the date of the mailing of a notice of redemption, or required to register or transfer any Bonds selected for prior redemption.

BOOK-ENTRY ONLY SYSTEM

The information contained in this section concerning The Depository Trust Company, New York, New York (“DTC”) and DTC’s book-entry only system has been obtained from materials furnished by DTC to the State. Neither the State, the Trustee nor the Placement Agent make any representation or warranty as to the accuracy or completeness of such information.

General

The Depository Trust Company (“DTC”), New York, New York, will act as securities depository for the Bonds. The Bonds will be initially issued as fully registered Bonds registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered Bond will be issued for each maturity of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC or the Trustee on behalf of DTC.

DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934, as amended. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations (“Direct Participants”). DTC is a wholly owned subsidiary of The Depository Trust & Clearing Limited Liability Company (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a Standard & Poor’s rating of AA+. The DTC rules applicable to its Direct and Indirect Participants are on file with the Securities and Exchange Commission. More information about DTC may be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC’s records. The ownership interest of each actual purchaser of each Bond (the “Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participant’s records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owners entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct or Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued (see “BOOK-ENTRY ONLY SYSTEM - Revision of Book-Entry System - Replacement Bonds” herein).

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners, will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in the Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds, unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Certificates are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions and dividend payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Trustee or the Paying Agent, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee or the State, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions and dividends Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the State or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the State or the Trustee. The State may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). See "BOOK- ENTRY ONLY SYSTEM - Revision of Book-Entry System - Replacement Bonds" herein.

According to DTC, the foregoing information with respect to DTC has been provided to the industry for informational purposes only and is not intended to serve as a representation, warranty or contract modification of any kind.

The information above in this section concerning DTC and DTC's book-entry system has been obtained from sources that the State believes to be reliable, but the State take no responsibility for the accuracy of it.

Direct and Indirect Participants may impose service charges on book-entry interest owners in certain cases. Purchasers of book-entry interests should discuss that possibility directly with their brokers.

The State and the Trustee have no role in the purchases, transfers or sales of book-entry interests. The rights of book-entry interest owners to transfer or pledge their interests, and the manner of transferring or pledging those interests, may be subject to applicable state law. Book-entry interest owners may want to discuss with their legal advisors the manner of transferring or pledging their book-entry interests.

The State and the Trustee have no responsibility or liability for any aspect of the records or notices relating to, or payments made on account of, book-entry interest ownership, or for maintaining, supervising or reviewing any records relating to that ownership.

The State cannot and does not give any assurances that DTC, Direct Participants, Indirect Participants or others will distribute to the book-entry interest owners payments of debt service on the Bonds made to DTC, as the registered owner, or any redemption or other notices, or that they will do so on a timely basis, or that DTC will serve and act in a manner described in this Private Placement Memorandum.

NEITHER THE STATE, THE PLACEMENT AGENT, NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO PARTICIPANTS, OR THE PERSONS FOR WHOM THEY ACT AS NOMINEES, WITH RESPECT TO THE PAYMENTS TO OR THE PROVIDING OF NOTICE FOR THE DIRECT PARTICIPANTS, THE INDIRECT PARTICIPANTS, OR THE BENEFICIAL OWNERS OF THE BONDS. NO ASSURANCES CAN BE PROVIDED THAT IN THE EVENT OF BANKRUPTCY OR INSOLVENCY OF DTC, A DIRECT PARTICIPANT OR AN INDIRECT PARTICIPANT THROUGH WHICH A BENEFICIAL OWNER HOLDS AN INTEREST IN THE BONDS, PAYMENT WILL BE MADE BY DTC, THE DIRECT PARTICIPANT OR THE INDIRECT PARTICIPANT ON A TIMELY BASIS.

Revision of Book-Entry System – Replacement Bonds

The General Bond Order authorizing issuance of the Bonds provides for issuance of fully registered Bonds (the “Replacement Bonds”) directly to owners other than DTC or its nominee only if DTC determines not to continue to act as security depository of the Bonds or if the State determines not to continue to use DTC as a securities depository of the Bonds. In such event, the State may in its discretion establish a securities depository/book entry relationship with another qualified securities depository. If the State does not or is unable to do so, and after appropriate notice to DTC, the Trustee, as Bond Registrar, will authenticate and deliver fully registered Replacement Bonds, in the denominations of \$100,000 or any multiple of \$5,000 in excess thereof, to or at the direction of and, if the event is not the result of State action or inaction, at the expense (including printing costs) of, any persons requesting such issuance. Replacement Bonds may be transferred, registered and assigned only in the registration books of the Bond Registrar.

SOURCE OF PAYMENT OF AND SECURITY FOR THE BONDS

General Description

The Ohio Enterprise Bond Fund Bonds (which include the Bonds) are secured by a system of pooled debt service and reserve accounts. **They do not constitute an indebtedness of the State within the meaning of any constitutional or statutory limitations and neither constitute nor give rise to a charge against the general credit or taxing powers of the State; and neither the full faith and credit nor the taxing powers of the State are pledged to the payment of the Ohio Enterprise Bond Fund Bonds or interest thereon.**

All Debt Service Charges on Ohio Enterprise Bond Fund Bonds are payable from and secured equally and ratably by a pledge of the Ohio Enterprise Bond Fund Accounts as follows:

1. First, from any amounts on deposit in the Debt Service Account;

2. Second, to the extent needed to cure defaults by a Contracting Party under its Project Financing Agreement, from any amounts on deposit in that Contracting Party's Collateral Proceeds Account;
3. Third, to the extent needed to cure defaults by a Contracting Party under its Project Financing Agreement, from any amounts on deposit in the Contracting Party's Primary Reserve Account;
4. Fourth, from any amounts in the First Half Account or the Second Half Account;
5. Fifth, from any amounts in the Program Reserve Account;
6. Sixth, from any amounts in the Primary Reserve Accounts of all Contracting Parties, on a pro rata basis (i.e., based on fractions, the numerator of which is the balance in each such Account and the denominator of which is the sum of the balances in all such Accounts); and
7. Seventh, from any amounts in the Collateral Proceeds Accounts of all Contracting Parties, on a pro rata basis.

- (1) Year-end balances are as of November 30.
- (2) Not pledged to the payment of Debt Service Charges.

Following a default in making payments when due on the Ohio Enterprise Bond Fund Bonds, the Ohio Enterprise Bond Fund Bonds are also payable from the Program Transfer Account to the extent funds are available therein and are not otherwise encumbered, and to the extent that the Director and State Controlling Board approve such transfer. However, the Program Transfer Account is not pledged and can be used for any purpose for which funds in the Facilities Establishment Fund can be used under the Act (as it presently exists or is amended).

Payments of Debt Service Charges on all Ohio Enterprise Bond Fund Bonds will be equally and ratably secured by a pledge of the Ohio Enterprise Bond Fund Accounts (but not the Program Transfer Account) without priority by reason of series designation, form, number, date of authorization, issuance, sale, execution, authentication, delivery, dated date or maturity; provided, however, that nothing prevents payment of Debt Service Charges on one or more series of Ohio Enterprise Bond Fund Bonds from being otherwise secured and payable from sources or by property and instruments not applicable to any other series of Ohio Enterprise Bond Fund Bonds or not being secured or protected from other sources or by other property, instruments or documents applicable to one or more series of Ohio Enterprise Bond Fund Bonds.

If the principal of all outstanding Ohio Enterprise Bond Fund Bonds has become due or has been declared due and payable, and at that time the balance in the Ohio Enterprise Bond Fund Accounts (together with any other amounts available to make such payment) is insufficient to pay all amounts due on those Bonds, all such funds shall be applied to the payment of the principal and interest due and unpaid upon the Ohio Enterprise Bond Fund Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installments of interest, or of any Ohio Enterprise Bond Fund Bond over any other Ohio Enterprise Bond Fund Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or privilege except as to any difference in the respective rates of interest specified in the Ohio Enterprise Bond Fund Bonds. If the balance in the Ohio Enterprise Bond Fund Accounts (together with any other amounts available to make such payment) is insufficient to pay all principal of, premium, if any, and interest due on Ohio Enterprise Bond Fund Bonds at any time and at that time the principal of all Ohio Enterprise Bond Fund Bonds has not become or been declared due, all such funds shall be applied first to pay, pro rata, the interest then due on all such Ohio Enterprise Bond Fund Bonds, with any remaining balance applied to the pro rata payment of principal of the then due Ohio Enterprise Bond Fund Bonds.

Funds and Accounts

Debt Service Account. The Debt Service Account is the primary account drawn on for payment of Debt Service Charges. The Debt Service Account contains (i) any accrued interest received by the State upon the original issuance of a series of Ohio Enterprise Bond Fund Bonds; (ii) Ohio Enterprise Bond Fund Net Revenues; (iii) amounts transferred from the Collateral Proceeds Accounts, the Primary Reserve Accounts, the First Half Account, the Second Half Account, the Program Reserve Account and the Program Transfer Account pursuant to the General Bond Order and series bond orders; and (iv) any other amounts required to be deposited in the Debt Service Account pursuant to any Series Bond Order. Moneys in the Debt Service Account are to be used solely for the payment of Debt Service Charges on Ohio Enterprise Bond Fund Bonds when due.

Ohio Enterprise Bond Fund Net Revenues with respect to particular Project Facilities generally will consist of payments required to be made under the applicable Project Financing Agreement (either a lease or loan agreement) by the Contracting Party owning or leasing such Project Facilities. Payments under Project Financing Agreements that are in excess of those that, if collected when due, would be sufficient to pay interest and principal due on the Ohio Enterprise Bond Fund Bonds financing such Project Facilities will be deposited into the First Half Account or the Second Half Account, unless pursuant to the Project Financing Agreements, such amounts are to be deposited in a Contracting Party's Collateral Proceeds Account (although

such use of those payments could be changed with respect to Ohio Enterprise Bond Fund Bonds issued in the future).

It is anticipated that if the State or an operator who is not a Contracting Party operates any Project Facilities (which is expected to occur only upon a default under the related Project Financing Agreement and if thereafter the State is unable to enter into a new Project Financing Agreement with respect to the Project Facilities or to sell the Project Facilities), Ohio Enterprise Bond Fund Net Revenues from these Project Facilities generally will consist of revenues received by the State or such operator from operating the Project Facilities in excess of operating costs for such Project Facilities.

Collateral Proceeds Account. Net proceeds of Ohio Enterprise Bond Fund Bonds that are intended to be used to finance Project Facilities but are not so used and are not transferred to the Debt Service Account, net proceeds received on a sale of any Project Facilities, net proceeds from insurance or condemnation awards relating to Project Facilities, certain moneys received pursuant to the exercise of any remedies available as the result of a default by a Contracting Party under a Project Financing Agreement and other amounts as provided in Series Bond Orders will be deposited under the Contracting Party's Project Financing Agreement into the Contracting Party's Collateral Proceeds Account. The Series Bond Order provides that prepayments under the Project Financing Agreement are to be deposited into the Series 2012-3 Collateral Proceeds Account, to be applied to payments due under the related Project Financing Agreement. It is anticipated that series bond orders relating to future issuances of Ohio Enterprise Bond Fund Bonds, the net proceeds of which are to be used to finance Projects, will also provide for such treatment of prepayments under Project Financing Agreements.

If after all other Ohio Enterprise Bond Fund Accounts have been exhausted, the balance in the Debt Service Account is not sufficient to pay Debt Service Charges due and payable on the Ohio Enterprise Bond Fund Bonds, funds in the Collateral Proceeds Accounts of all Contracting Parties are to be transferred to the Debt Service Account to pay such Debt Service Charges, as described under "THE GENERAL BOND ORDER AND TRUST AGREEMENT - Ohio Enterprise Bond Fund Accounts." In such case, under the Project Financing Agreement, a Contracting Party not in default under its Project Financing Agreement would receive credit against its payment obligations under the Project Financing Agreement, in inverse order of maturity of such payment obligations in an amount equal to the amount transferred from the Contracting Party's Collateral Proceeds Account to the Debt Service Account.

Primary Reserve Accounts. If a Contracting Party fails to make payments when due under its Project Financing Agreement and if the amount of the deficiency is not available in that Contracting Party's Collateral Proceeds Account, an amount sufficient to make such payment will be transferred from that Contracting Party's Primary Reserve Account, to the extent available, to the Debt Service Account. Primary Reserve Accounts are required to be created with respect to each series of Ohio Enterprise Bond Fund Bonds issued to finance Project Facilities and are to consist of a deposit (the "Original Deposit") required to be made under each Project Financing Agreement. The Original Deposit will be either cash deposited at the closing of the sale of the Ohio Enterprise Bond Fund Bonds or, in lieu of cash and as more fully described in "THE GENERAL BOND ORDER AND TRUST AGREEMENT - Ohio Enterprise Bond Fund Accounts," a letter of credit covering the amount of the Original Deposit. The amount of the Original Deposit may vary as between Project Facilities financed by Ohio Enterprise Bond Fund Bonds, but in no event will the aggregate of Original Deposits required by any series bond order be less than 10 percent of the aggregate principal amount of the series of Ohio Enterprise Bond Fund Bonds authorized by such series bond order.

Pursuant to the General Bond Order, each Project Financing Agreement must require that the Contracting Party restore the amount of the Original Deposit to its respective Primary Reserve Account if any amounts are transferred to the Debt Service Account from the Contracting Party's Primary Reserve Account as the result of the Contracting Party's failure to make a payment when due under the Project Financing Agreement (or, if less than the amount of the Original Deposit, to pay to the Trustee for deposit into the

Primary Reserve Account the total amount of all payments that are to be made to the Trustee for deposit into the Debt Service Account during the remaining term of the Project Financing Agreement).

If the First Half Account, the Second Half Account and the Program Reserve Account (each as described below) have been exhausted and the balance in the Debt Service Account is not sufficient to pay Debt Service Charges due and payable on the Ohio Enterprise Bond Fund Bonds, to the extent necessary, moneys in the Primary Reserve Accounts of all Contracting Parties are to be transferred to the Debt Service Account to make such payment, as described in "THE GENERAL BOND ORDER AND TRUST AGREEMENT - Ohio Enterprise Bond Fund Accounts." In such case, under the Project Financing Agreement, a Contracting Party not in default under its Project Financing Agreement would receive credit against its payment obligations under the Project Financing Agreement, in inverse order of maturity of such payment obligations, in an amount equal to the amount transferred from the Contracting Party's Primary Reserve Account to the Debt Service Account.

First Half Account and Second Half Account. The First Half Account and the Second Half Account consist of Chapter 166 Program Net Revenues and Ohio Enterprise Bond Fund Net Revenues not deposited into the Debt Service Account or a Collateral Proceeds Account. Any such revenues received during the months of January through June will be placed in the First Half Account and those revenues received during the months of July through December will be placed in the Second Half Account. To the extent necessary and available, amounts in the First Half Account and amounts in the Second Half Account are to be transferred to the Debt Service Account to be used to pay Debt Service Charges on Ohio Enterprise Bond Fund Bonds. To the extent funds are available in the First Half Account or Second Half Account, they also are to be transferred to the Program Reserve Account as needed so that the Program Reserve Account has a balance equal to at least the Program Reserve Requirement. The Program Reserve Requirement is an amount equal to the difference between (a) 15 percent of the aggregate principal amount of Ohio Enterprise Bond Fund Bonds from time to time outstanding and (b) the sum of the balances of the Primary Reserve Accounts, valuing investments therein at the lower of cost or market; provided, however, that the balance in any Primary Reserve Account that is in excess of the Original Deposit for that Account will not be taken into account in calculating the Program Reserve Requirement.

Program Reserve Account. If the amounts on deposit in the Debt Service Account (including amounts transferred to the Debt Service Account from the First Half Account and Second Half Account) are insufficient to pay the principal, premium, if any, and interest on Ohio Enterprise Bond Fund Bonds of any series and other amounts payable from the Debt Service Account when due, amounts sufficient to make such payments are then required to be transferred from the Program Reserve Account. The Program Reserve Account was funded initially with the net proceeds of the Series 1988 Bonds. Prior to April 1, 1993, moneys in the Program Reserve Account could only be transferred to the Debt Service Account. If the Series 1988 Bonds have not been repaid or defeased in their entirety, moneys in the Program Reserve Account can only be transferred to the Debt Service Account, or, if the balance therein exceeds the Program Reserve Requirement, such excess may be transferred to payment of principal of the Series 1988 Bonds. If all of the Series 1988 Bonds have been repaid or defeased, any amount in the Program Reserve Account in excess of the Program Reserve Requirement may, at the option of the Director, be transferred to the Program Transfer Account. In determining the balance in the Program Reserve Account, investments are to be valued at the lower of cost or market. The amount of the Program Reserve Account can be increased or replenished by deposit with the Trustee of one or more letters of credit meeting certain requirements set forth in the Trust Agreement. See "THE GENERAL BOND ORDER AND TRUST AGREEMENT - Ohio Enterprise Bond Fund Accounts." For more information concerning the Program Reserve Requirement, see "First Half Account and Second Half Account," above.

Program Transfer Account. Subject to any other written direction of the Director given pursuant to Section 166.09 of the Act, on the last Business Day of each calendar year, the Treasurer is required to transfer the balance on deposit in the First Half Account to the Program Transfer Account and, on the last Business

Day of June of each year, the Treasurer is required to transfer the balance on deposit in the Second Half Account to the Program Transfer Account. Moneys transferred to the Program Transfer Account are no longer pledged to secure Ohio Enterprise Bond Fund Bonds and are available to be used by the Director in accordance with the Act as now in effect or hereafter amended. The Director has agreed that, after all Ohio Enterprise Bond Fund Accounts are exhausted, the Director will direct, subject to State Controlling Board approval, that moneys in the Program Transfer Account, if not otherwise committed by the Director under the Act, be used to cure defaults in the payment of Debt Service Charges on Ohio Enterprise Bond Fund Bonds.

Issuance of Tax-Exempt Ohio Enterprise Bond Fund Bonds

Interest on some series of Ohio Enterprise Bond Fund Bonds (“Tax-Exempt Ohio Enterprise Bond Fund Bonds”) will not be included in gross income for federal tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended. The issuance of Tax-Exempt Ohio Enterprise Bond Fund Bonds may limit the yield at which moneys in certain Ohio Enterprise Bond Fund Accounts may be invested. In addition, a Rebate Fund has been established as a separate depository account with the Trustee to pay amounts payable in accordance with any Federal Income Tax Compliance Agreements. A Federal Income Tax Compliance Agreement is entered into among the Treasurer, the Trustee and the Contracting Party with respect to each series of Tax-Exempt Ohio Enterprise Bond Fund Bonds in order to comply with the federal income tax laws and other applicable laws.

THE PROJECT

Proceeds of the Bonds (exclusive of the payment of certain issuance costs) will be loaned (the “OEBF Loan”) by the Director to the Borrower under the Loan Agreement and used to finance a portion of the costs of (i) the acquisition and renovation of a facility in Hicksville, Ohio (the “Project Site”) which will be used for the manufacture of custom support equipment for the telecommunications and utilities industries (“Project”); and (ii) the issuance of the Bonds and related financing. A portion of the cost of the acquisition and installation of the Project will also be paid from the proceeds of a Chapter 166 direct loan in the principal amount of \$3,000,000 (the “State Loan”) from the Director to the Borrower made pursuant to the Loan Agreement. The Director will have a first security interest in the Project.

Payments for the OEBF Loan due under the Loan Agreement will be secured by the Loan Agreement, which grants a first security interest in the personal property portion of the Project in favor of the Director under the Loan Agreement.

The Borrower will deliver to the Trustee a Primary Reserve Letter of Credit or cash in the amount of \$704,000 to fund the Primary Reserve Account requirement.

THE BORROWER

The Borrower, FWT, LLC, is the owner of the Project. FWT, LLC, including its predecessor, has been designing and manufacturing custom steel products for a variety of applications for more than fifty years. The Borrower serves the electric utility (transmission and distribution segments) and telecommunications industries by manufacturing products such as steel power poles and communication towers. The Borrower is one of the largest vendors in its industry.

SOURCES AND USES OF FUNDS

The following are the estimated sources and uses of funds for the Project, including the use of Bond proceeds:

SOURCES OF FUNDS ⁽¹⁾:	
Bond Proceeds	\$4,040,000.00
State 166 Direct Loan	<u>3,000,000.00</u>
TOTAL SOURCES	\$7,040,000.00
 USES OF FUNDS:	
Building, Land, Renovation, New Construction and Improvements	\$6,888,710.00
Estimated 166 Issuance Costs	40,000.00
Estimated costs of issuance of Bonds	<u>111,290.00</u>
TOTAL USES	\$7,040,000.00

(1) The Borrower will provide a cash deposit or an acceptable letter of credit in the amount of \$704,000 to fund the reserve requirement.

THE OHIO ENTERPRISE BOND FUND PROGRAM

General Information

The General Assembly authorized the economic development program under which the Director administers the Chapter 166 Direct Loan Program by enacting the Act in 1980. The Act, including the financings it authorized, was held to be constitutional by the Ohio Supreme Court in 1981. The Act is and will be the basis upon which the State issues Ohio Enterprise Bond Fund Bonds and uses proceeds thereof in connection with the Ohio Enterprise Bond Fund Program.

It is intended that most Ohio Enterprise Bond Fund Bonds will be issued to finance loans to be used by Contracting Parties to acquire Project Facilities or to finance the acquisition by the Director of Project Facilities that will be leased to Contracting Parties. The Bonds are the one hundred twenty-second series of such Ohio Enterprise Bond Fund Bonds issued. Net proceeds of Ohio Enterprise Bond Fund Bonds (including the Bonds) that are to be used to finance Project Facilities will, to satisfy certain requirements set forth in the Act, be deemed to have been placed in the Facilities Establishment Fund (which is a fund in the treasury of the State that was established by the Act) and thereafter transferred to a Project Fund (a "Project Fund") held by the Trustee. Moneys in each Contracting Party's Project Fund will be applied in accordance with the Act and the Contracting Party's Project Financing Agreement to pay Allowable Costs of the Project Facilities being financed by the series of Ohio Enterprise Bond Fund Bonds issued in connection therewith. Any moneys remaining in a Project Fund after completion of the related Project Facilities will be transferred to that Contracting Party's Collateral Proceeds Account.

Under the Act, proceeds of Ohio Enterprise Bond Fund Bonds that are to be used to finance Project Facilities can be used only for the Allowable Costs of Project Facilities as provided in the Act. Proceeds may not be used for working capital.

Underwriting and Approval Process

The Director in the first instance determines whether Project Facilities will be financed under the Ohio Enterprise Bond Fund Program and upon what terms, subject to limitations and conditions prescribed in the Act. Under the Act, the Director is required to consider various criteria in making those determinations. Principal among those criteria are the needs of the local area, the number of jobs created or preserved, the competitive effect of the assistance on other enterprises, payroll and State and local taxes that will be generated, the cost of the project and the needs of the company requesting assistance, the time the company has been operating facilities in the State, whether the project will also be assisted by any tax incentives or other governmentally provided incentives and the effect of the assistance on the loss of or damage to prime farmland and the local impact of the project. The Director must also determine that the Project Facilities constitute Eligible Project Facilities under the Act, that the benefits to be derived by the State and local area from the project will exceed the cost of providing the assistance to be given and that the assistance otherwise conforms with the requirements of the Act.

If the Director makes such determinations and obtains the approvals required by the Act (which are described below), the Director can acquire and, as appropriate, construct, reconstruct, rehabilitate, renovate, enlarge, improve, equip and furnish Project Facilities and lease them to a private party under the Act.

In order to make a loan under the Act, including loans made under the Ohio Enterprise Bond Fund Program, the Director, in addition to determining that the project to be financed is eligible for assistance under the Act and in addition to obtaining the approvals required by the Act, must determine that the borrower is unable to finance the necessary Allowable Costs through ordinary financial channels upon comparable terms, that the amount to be loaned from the Facilities Establishment Fund will not exceed 75 percent of the total Allowable Costs of the project (except that if the entire amount to be lent from the Facilities Establishment

Fund is derived from the issuance and sale of project financing obligations, as defined in the Act, the amount to be lent will not exceed 90 percent of the total Allowable Costs of the project), that the project could not be achieved in the local area in which it is to be located if the portion of the project to be financed by such loan were instead to be financed by a third-party loan guaranteed under the Act by the Director, and that the amount of the loan will be adequately secured by a mortgage, lien, assignment or pledge, at such level of priority as the Director may require. The Act provides that if the Director makes the determinations required by the Act that are set forth in this paragraph and enters into a loan agreement in connection with such determinations, such determinations will be conclusive as to the validity of the loan.

Under the Act, the Director, after making the required determinations, must submit them to the Development Financing Advisory Council ("DFAC"), which is composed of one member from each of the House of Representatives and Senate of the State, and seven other members, who are to be selected for their knowledge and experience in economic development financing, appointed by the Governor with the advice and consent of the Senate. The Director and DFAC review the project for consistency with the objectives and guidelines of the Act. After such consultation, the Director and DFAC make recommendations to the State Controlling Board. State Controlling Board approval must be obtained before the assistance can be given. The State Controlling Board is composed of six members of the General Assembly and the Director of the State Office of Budget and Management or such Director's designee.

The Director requires that a party seeking financial assistance under the Ohio Enterprise Bond Fund Program first file an initial application which provides basic information on the proposed project, including historical financial statements and projected financial information, a summary of the existing business, a description of the proposed project and resumes and a description of the duties of the applicant's management team. If the staff of the Department of Development determines that the project is eligible for assistance under the Act, a full application will then be requested. Upon receipt of the full application, a loan officer from the Department of Development will determine that the proposed project qualifies for financing and then negotiate the terms of the Project Financing Agreement directly with the Contracting Party. The terms of the Project Financing Agreement are subject to approval by the Director (who in connection therewith will make the required determinations described above) and, after consultation with DFAC, by the State Controlling Board. The procedures described in this paragraph may be modified by the Director.

Ohio Enterprise Bond Fund Bonds, the net proceeds of which are to be used to finance Project Facilities, will not be issued unless the Director and the Contracting Party have entered into a Project Financing Agreement or the Director has entered into agreements or can acquire investments with such proceeds which provide a source of revenues sufficient to pay Debt Service Charges on such series of Ohio Enterprise Bond Fund Bonds. Because most Ohio Enterprise Bond Fund Bonds will be issued in connection with providing assistance to Contracting Parties, State Controlling Board approval of the assistance ordinarily will be obtained prior to the issuance of such a series of Ohio Enterprise Bond Fund Bonds. There are no other requirements or criteria regarding the nature of projects to be assisted under the Ohio Enterprise Bond Fund Program or the quality of the sources or security of payment of Contracting Parties' obligations under Project Financing Agreements. For a description of the form of the Project Financing Agreement the Director uses and is expected to continue to use, see "PROJECT FINANCING AGREEMENTS."

Staff Personnel -- Loan Origination

The State's programs under the Act, including the Ohio Enterprise Bond Fund Program, are currently administered by two full-time loan officers. Each loan officer is responsible for originating, underwriting and presenting the financing proposals and recommendations to required committees and coordinating the closing of each financing arrangement. The manager of this office has experience in structuring, evaluating and presenting complex finance arrangements and has been employed by the Department of Development for approximately 25 years.

Staff Personnel -- Loan Operations and Servicing

The Department of Development has a four person full-time staff that administers and services the Chapter 166 Direct Loan Program and who have the responsibility of monitoring the Director's portfolio, including monitoring and reviewing updated financial statements and monitoring loan covenant compliance.

Issuance of Future Ohio Enterprise Bond Fund Bonds

While there is no assurance that any future Ohio Enterprise Bond Fund Bonds will be issued, the State expects that a substantial number of Project Facilities will be financed as a part of the Ohio Enterprise Bond Fund Program. The general level of such financing in the State will be dependent on and could be affected by a number of factors, including local and national economic conditions and State and federal legislation relating to tax-exempt financing. The degree to which the Ohio Enterprise Bond Fund Program will be utilized will also depend on a number of other factors, including the availability of alternative financing, relative interest and financing costs and the security of the Ohio Enterprise Bond Fund Accounts.

Ohio Enterprise Bond Fund Program Obligations

Outstanding Prior Series Payment Defaults

On June 1, 2001, Series 1999-2, Harvest Holdings, LLC (dba Euclid & Wickliffe Services, Inc.) defaulted on its monthly payment. In December, 2002, the building was sold for \$4,000,000 of which the Director received net proceeds of approximately \$3,806,000. These funds which were placed in the Collateral Proceeds Account have been used to make scheduled payments by the Trustee and have been totally exhausted to date. As of December 31, 2011, the outstanding Series 1999-2 bond balance was \$3,180,000. The Director is accessing the First Half and Second Half accounts to make scheduled payments to the Trustee.

SUMMARY OF CHAPTER 166 PROGRAMS

General Information

Under the Act, moneys in the Facilities Establishment Fund can be used by the State to provide direct loans and to support guarantees of private loans to encourage and induce private sector capital projects for industry, commerce, distribution or research in the State, the operation of which will create or preserve jobs in the State. As with the Ohio Enterprise Bond Fund Program, the proceeds of such direct loans and guaranteed loans are to be used only for the Allowable Costs of Project Facilities. Such proceeds may not be used for working capital. In addition, moneys in the Facilities Establishment Fund can be used by the State to acquire public facilities that comprise Project Facilities and to operate or contract for the operation of such facilities. Moneys transferred to the Facilities Establishment Fund from the State's Scrap Tire Management Fund created under Section 3734.82 of the Revised Code are required to be used exclusively for Project Facilities that involved the recovery of or recycling of energy from scrap tires.

The Act also permits moneys in the Facilities Establishment Fund to be used for other economic development programs (the "Chapter 122 Programs") authorized by Chapter 122 of the Revised Code. To the extent moneys in the Facilities Establishment Fund are transferred to funds or used in connection with Chapter 122 Programs, any repayments or other moneys received in connection with such programs will not be pledged or available to repay Ohio Enterprise Bond Fund Bonds. The proceeds of Ohio Enterprise Bond Fund Bonds cannot be used for Chapter 122 Programs.

The General Assembly has authorized certain transfers of moneys involving the Facilities Establishment Fund for Chapter 122 Programs. The General Assembly, through Amended Substitute House Bill 283 of the 123rd General Assembly, authorized the transfer from the Facilities Establishment Fund of (i) an amount not to exceed \$3,800,000 to the Minority Business Enterprise Loan Fund; (ii) \$2,500,000 to the Family Farm Loan Program; (iii) \$5,000,000 to the Authority Reserve Fund; (iv) \$20,000,000 to the Urban Redevelopment Loan Fund; and (v) \$1,600,000 to the Economic Development Operating Fund. But for the amount transferred to the Minority Business Enterprise Loan Fund, the remaining amounts will be repaid in full to the Facilities Establishment Fund.

The Facilities Establishment Fund consists of proceeds of bonds issued under the Act, repayments of loans and recoveries on loan guarantees, including interest thereon, made from the Facilities Establishment Fund (or the Loan Guarantee Fund discussed below), and proceeds of the sale, lease or other disposition of property acquired or constructed with moneys in the Facilities Establishment Fund that are not used to pay debt service charges on obligations issued under the Act or placed in reserves that are pledged to secure any such obligations.

The State initially funded the Facilities Establishment Fund by the issuance of \$70,000,000 of Economic Development Bonds, Series 1982 (the "1982 Liquor Profits Bonds") which were advance refunded and defeased by part of the proceeds from the issuance of \$160,000,000 of State of Ohio State Economic Development Bonds, Series 1983 (Liquor Profits) (the "1983 Liquor Profits Bonds"). The net proceeds of the 1983 Liquor Profits Bonds that were not used for such advance refunding or to fund reserves established in

connection with the issuance of the 1983 Liquor Profits Bonds were placed into the Facilities Establishment Fund. In 1989, the State issued \$147,684,607.90 of Liquor Profits Refunding Bonds (the "1989 Liquor Profits Bonds") to advance refund the 1983 Liquor Profits Bonds. In October, 1996, the State issued \$168,740,000 of Taxable Development Assistance Bonds (the "Taxable Development Assistance Bonds") to defease the 1989 Liquor Profits Bonds and provide additional moneys for deposit in the Facilities Establishment Fund. Pursuant to the 2003A Supplemental Trust Agreement, the State issued the State of Ohio Taxable Development Assistance Bonds, Series 2003A (Innovation Ohio Program) (the "Series 2003A Bonds") in the original aggregate principal amount of \$50,000,000. Pursuant to the 2003B Supplemental Trust Agreement, the State issued the State of Ohio Taxable Development Assistance Bonds, Series 2003B (Research and Development Program) (the "Series 2003B Bonds") in the original aggregate principal amount of \$50,000,000. Pursuant to the 2004A Supplemental Trust Agreement, the State issued the State of Ohio Taxable Development Assistance Bonds, Series 2004A (Ohio 166) Loan Program (the "Series 2004A Bonds") in the original aggregate principal amount of \$50,000,000. The Taxable Development Assistance Bonds are to be repaid, subject to certain limitations, by profits realized by the State from the sale of spirituous liquor ("Liquor Profits"). The Taxable Development Assistance Bonds are not to be repaid from and they are not secured by a pledge of the Facilities Establishment Fund, the Ohio Enterprise Bond Fund Accounts, any loan repayments received under the Chapter 166 Direct Loan Program or any Ohio Enterprise Bond Fund Net Revenues. As of December 31, 2011, there was approximately \$93,164,000 in the Facilities Establishment Fund that had been approved for Chapter 166 Direct Loans by the State Controlling Board and/or DFAC and that the Director had either committed to make or was in the process of negotiating commitments.

The State's 2012-13 appropriations act authorizes the transfer of the State's spirituous liquor system to JobsOhio, a not-for-profit corporation created to promote economic development, job creation and retention, job training and recruitment of business to the State. Any transfer must include provisions for the payment of outstanding bonds issued by the State for economic development and revitalization purposes. To the extent that the transfer of the State's spirituous liquor system reduces the moneys available in the Facilities Establishment Fund for lending under the Chapter 166 Programs, moneys available in the event of a default of an Enterprise Bond Fund bond, including the Bonds, may be reduced. Litigation is currently pending in the Ohio court system challenging certain aspects of JobsOhio and the transfer of the State's spirituous liquor system has not yet occurred.

The Chapter 166 Direct Loan Program

Commencing in 1982, the Director began making loans from the moneys placed in the Facilities Establishment Fund that were derived from the sale of the 1982 Liquor Profits Bonds.

Direct loans can be made by the Director under the Chapter 166 Direct Loan Program only if the Director makes the determinations he must make to make other loans under the Act (which are the same as those he must make to make loans under the Ohio Enterprise Bond Fund Program), submits the determinations to DFAC (as the Director is required to do in connection with assistance given under the Ohio Enterprise Bond Fund Program) and the State Controlling Board approves the giving of the assistance, all as described in "THE OHIO ENTERPRISE BOND FUND PROGRAM - Underwriting and Approval Process" above.

In connection with loans made under the Chapter 166 Direct Loan Program, the Director ordinarily enters into a loan agreement with a borrower and receives a promissory note and a mortgage or security agreement (which may be subordinated to or on a parity with mortgages and security agreements securing other debt) from the borrower relating to the assets being financed by the loan. The loan agreement ordinarily sets forth procedures for disbursement of the loan and covenants, including financial covenants, regarding the borrower and its operations, defines events of default and provides that if an event of default has occurred and is continuing, the Director may accelerate all amounts due under the note and foreclose on the related mortgage or security agreement (which acceleration may be subject to the consent of senior or parity debt holders). The Director also may in his discretion waive events of default.

Most loans made under the Chapter 166 Direct Loan Program have not been for more than 50 percent of the total reported Allowable Costs of the project being financed. In many cases, a commercial lender has loaned a significant portion of the Allowable Costs of the project not financed by the State's loan. Approximately 90 percent of the loans outstanding under the Chapter 166 Direct Loan Program are secured by (i) first mortgages or security interests; or (ii) parity first mortgages or security interests in the property, the costs of which were financed by the loan. The remaining loans are generally secured by second priority mortgages or security interests in the property, the costs of which were financed by the loan.

In general, agreements relating to parity first mortgages or security interests provide that proceeds realized as the result of a foreclosure are to be divided among the lenders (typically the State and a commercial lender) on the basis of the principal balances outstanding under their respective loans. In some instances, however, proceeds realized as the result of a foreclosure are to be divided based on percentages established as the result of negotiation between the lenders and may not relate to relative amounts the borrower owes to the lenders. For more information regarding the net revenues ("Chapter 166 Direct Loan Program Net Revenues") of the Chapter 166 Direct Loan Program, see "CHAPTER 166 DIRECT LOAN PROGRAM NET REVENUES" herein.

Other Programs Offered Under Chapter 166

As discussed above, the Act gives the Director the power to issue loan guarantees. If the Director guarantees a loan under the Act, an amount equal to four percent of the principal amount guaranteed is transferred from the Facilities Establishment Fund to a fund created under the Act and held by the Treasurer called the Loan Guarantee Fund. The Director has issued loan guarantees under the Act and could do so in the future by transferring moneys in the Facilities Establishment Fund, including moneys in the Program Transfer Account, to the Loan Guarantee Fund. Under the General Bond Order, the proceeds of Ohio Enterprise Bond Fund Bonds cannot be used to make or support loan guarantees.

In order to guarantee a loan, the Director must determine that the project is eligible for assistance under the Act, and must make a number of other determinations. Guarantees issued under the Act are to be paid first from the Loan Guarantee Fund. If the moneys in the Loan Guarantee Fund at the time are insufficient, the Treasurer then transfers to the Loan Guarantee Fund and then to the guaranteed party moneys representing Liquor Profits. The Treasurer also may issue bonds (which are not subject to the \$300,000,000 outstanding principal amount limitation discussed below in "ISSUANCE OF ADDITIONAL OHIO ENTERPRISE BOND FUND BONDS AND OTHER BONDS UNDER THE ACT") to pay guarantees in case of insufficiency of moneys in the Loan Guarantee Fund for that purpose. The guarantees that have been issued under the Act in the past have included State covenants to issue bonds to provide moneys as needed to the Loan Guarantee Fund. Any bonds issued could be secured by a pledge of revenues received in connection with assistance given under the Act. The State in the Trust Agreement, however, has covenanted that it will not assign or pledge any of the Ohio Enterprise Bond Fund Accounts to pay or secure any obligations issued by the State under the Act other than Ohio Enterprise Bond Fund Bonds. Moneys in the Facilities Establishment Fund, including those in the Program Transfer Account, and any moneys otherwise transferred from the First Half Account or Second Half Account pursuant to the Director's written instructions given under Section 166.09 of the Act, could be pledged to secure obligations, other than Ohio Enterprise Bond Fund Bonds, issued by the State under the Act without violating the aforementioned covenant of the State.

As of December 31, 2011, there were no Chapter 166 loan guarantees outstanding.

In addition to making loans from the Facilities Establishment Fund and issuing guarantees after the transfer of moneys from the Facilities Establishment Fund to the Loan Guarantee Fund, the State has used funds in the Facilities Establishment Fund to pay administrative expenses associated with the Chapter 166 Direct Loan Program. The State has not otherwise used funds in the Facilities Establishment Fund although it continues to have the authority to use them for Chapter 122 Programs as described above.

As of December 31, 2011, no moneys in the Facilities Establishment Fund had been approved and committed for regional economic development entities (as defined in the Act), and any repayments or other moneys received by such entities are not presently pledged or available to repay Ohio Enterprise Bond Fund Bonds. In turn, these repayments have not been included in any Chapter 166 loan repayment forecasts. However, in the event the Director's agreement with any such entity is terminated or expires, all repayments or moneys received in connection with such an entity may be pledged or available to repay Ohio Enterprise Bond Fund Bonds. None of these funds or the repayments associated with these funds have been included in the 166 repayment information presented herein.

Pursuant to Section 166.09 of the Act and the General Bond Order, the Director, without obtaining an appropriation of the General Assembly, can direct that Chapter 166 Program Net Revenues and Ohio Enterprise Bond Fund Net Revenues, to the extent they are not needed to pay Debt Service Charges on Ohio Enterprise Bond Fund Bonds, after they are held in the First Half Account or the Second Half Account for six to 12 months, instead of being transferred to the Program Transfer Account, be transferred to separate accounts in the Bond Service Fund. In such case, those moneys would be pledged to secure obligations issued under the Act other than Ohio Enterprise Bond Fund Bonds or would be available to be applied to pay debt service charges on such other obligations. No such obligations are presently authorized or outstanding. In the event of such a transfer, those revenues would not be available to pay Debt Service Charges on Ohio Enterprise Bond Fund Bonds and might not be available to be loaned to borrowers under the Chapter 166 Programs (thereby not allowing future Chapter 166 Program Net Revenues to increase).

CHAPTER 166 DIRECT LOAN PROGRAM NET REVENUES

Set forth herein is a summary of the State's existing and historical Chapter 166 Direct Loan Program Net Revenues and other related facts, based on certain assumptions stated therein, and the Chapter 166 Direct Loan Program Net Revenues projected to be received by the State in the future from loans outstanding under the program.

The existing and future scheduled net loan repayments shown below are being generated by loans which were made from net proceeds of the 1982 Liquor Profits Bonds, the 1983 Liquor Profits Bonds and the Taxable Development Assistance Bonds, all as described in "SUMMARY OF CHAPTER 166 PROGRAMS." The loan repayments are not pledged to the payment of the 1983 Liquor Profits Bonds or the Taxable Development Assistance Bonds.

As described herein, the loan repayments shown below and any future loan repayments from new loans issued pursuant to the Chapter 166 Programs, including the Chapter 166 Direct Loan Program, are and will be initially deposited in the First Half Account and Second Half Account. If such amounts are not needed to pay Debt Service Charges on the Ohio Enterprise Bond Fund Bonds or to maintain the Program Reserve Requirement during the six to 12 month period they are held in such Accounts, subject to other directions given by the Director under Section 166.09 of the Act, such amounts will be transferred to the Program Transfer Account within the Facilities Establishment Fund where such amounts will be available as a source for originating additional loans (but may also be used for other purposes - see "SPECIAL CONSIDERATIONS - Program Transfer Account"). Any additional loan repayments from future loans made under the Chapter 166 Programs, if made, will also be initially deposited to the First Half Account and the Second Half Account and therefore will be available for payment of all Ohio Enterprise Bond Fund Bonds.

For more information relating to loans made under the Chapter 166 Direct Loan Program, see Appendix C hereto. As of December 31, 2011, the State had 179 current loans under the Chapter 166 Direct Loan Program (not including the Delinquent Loans described below) in an aggregate outstanding principal amount of \$260,953,284. In addition, as of that date, 29 loans that were to be in an aggregate principal amount of \$93,164,390 had been approved by DFAC and the State Controlling Board and were the subject of

commitment letters that had been agreed to by the Director and the borrowers or were being negotiated by the Director and the borrowers, but had not been disbursed to the borrowers.

The Chapter 166 Direct Loan Program originated its first loan in 1982. Of the loans made under the Program, 397 loans, in an aggregate original principal amount of \$538,754,148 had been paid in their entirety as of December 31, 2011. Since the inception of the Chapter 166 Direct Loan Program, there have been 640 total loans and the total principal amount of loans originated is \$969,167,185.

As of December 31, 2011, four loans under the Chapter 166 Direct Loan Program were delinquent, totaling approximately \$3,142,386. Since 1982, the Director has written-off 53 loans with an outstanding aggregate principal balance of \$32,825,251.

**ISSUANCE OF ADDITIONAL OHIO ENTERPRISE BOND FUND BONDS
AND OTHER BONDS UNDER THE ACT**

Pursuant to the General Bond Order, the Treasurer may, from time to time by issuance of a series bond order, issue other series of Ohio Enterprise Bond Fund Bonds on a parity with the Bonds, payable from and secured by the Ohio Enterprise Bond Fund Accounts as well as payable from the Program Transfer Account. The General Bond Order permits the State to issue Ohio Enterprise Bond Fund Bonds to provide moneys to the Facilities Establishment Fund that are needed for the purpose of paying, or making loans to pay, Allowable Costs of Project Facilities and for the purpose of paying administrative expenses of the Ohio Enterprise Bond Fund Program, for funding reserves or interest payable from the proceeds of a series of Ohio Enterprise Bond Fund Bonds and for refunding (including advance refunding) any outstanding series of Ohio Enterprise Bond Fund Bonds. Proceeds of Ohio Enterprise Bond Fund Bonds cannot be used for any other purpose.

Under the Act, the aggregate principal amount of Project Financing Obligations (including the Bonds and other Ohio Enterprise Bond Fund Bonds) issued under the Act cannot exceed three hundred million dollars (\$300,000,000), plus the sum of the principal amount of any Project Financing Obligations retired by payment. Except for the statutory limitation described above, there are no limitations in the Trust Agreement, or General Bond Order which is incorporated into the Trust Agreement, regarding the aggregate principal amount of Ohio Enterprise Bond Fund Bonds that may be issued.

Immediately after the issuance of the Bonds, the aggregate principal amount of Project Financing Obligations (including Ohio Enterprise Bond Fund Bonds) issuable under the Act will be \$56,345,000.

There is no assurance that the State will not pledge or agree to use moneys in the Facilities Establishment Fund, including moneys in the Program Transfer Account, to secure or repay any other obligations issued under the Act.

In accordance with the General Bond Order, the State may issue additional series of Ohio Enterprise Bond Fund Bonds only if all of the following conditions are satisfied:

1. The State is not in default of any covenants or obligations of the State contained in the Trust Agreement or in any outstanding Ohio Enterprise Bond Fund Bonds, and the authentication and delivery of such series of Ohio Enterprise Bond Fund Bonds will not result in any such default.
2. The principal amount of such series of Ohio Enterprise Bond Fund Bonds, and of other obligations then issued or outstanding under the Act, will not exceed in the aggregate the principal amount of obligations which may be issued or outstanding under then existing limitations imposed by of the General Assembly and the provisions of the Act.
3. If proceeds of the additional series of Ohio Enterprise Bond Fund Bonds are to be used to finance Project Facilities, at the time of initial authentication and delivery of the series of bonds, the Director must have entered into a Project Financing Agreement relating to those proceeds or must have otherwise entered into agreements which provide for a source of revenues sufficient to pay the Debt Service Charges on that series of Ohio Enterprise Bond Fund Bonds or portion thereof allocable to the related Project Facilities. Each Project Financing Agreement is required to provide for the manner in which proceeds of such series of Ohio Enterprise Bond Fund Bonds shall be applied to the acquisition and construction of such Project Facilities and for payments by the Contracting Party so benefited of amounts sufficient to pay all of the Debt Service Charges on such series of Ohio Enterprise Bond Fund Bonds or the portion thereof allocable to the financing for that Contracting Party.
4. The balance in the Program Reserve Account (including the aggregate amounts which may then be drawn under any letters of credit delivered to the Trustee to provide funds to the Program Reserve Account), valuing investments therein at the lower of cost or market, immediately after issuance of such series of Ohio Enterprise Bond Fund Bonds, must be not less than the Program Reserve Requirement.

The terms of obligations, including Ohio Enterprise Bond Fund Bonds, issued under the Act, may not exceed 25 years. Under the Trust Agreement, the State may not issue any series of Ohio Enterprise Bond Fund Bonds if the issuance of that series would cause interest on any outstanding series of Tax-Exempt Ohio Enterprise Bond Fund Bonds to be includable in gross income for purposes of federal income taxation.

THE GENERAL BOND ORDER AND TRUST AGREEMENT

The following is a summary of certain provisions of the General Bond Order and the Trust Agreement. The General Bond Order is incorporated in and constitutes a part of the Trust Agreement. Reference is made to the Trust Agreement for a complete recital of the terms of the General Bond Order and the Trust Agreement.

Funds Pledged and Assigned

All funds required to be deposited and retained in the Ohio Enterprise Bond Fund Accounts are pledged to secure the payment when due of the Debt Service Charges. All sums required to be deposited in or credited to the Ohio Enterprise Bond Fund Accounts pursuant to the General Bond Order or to a series bond order are required to be credited to the funds and accounts as provided in the General Bond Order or such series bond order.

Ohio Enterprise Bond Fund Accounts

The Ohio Enterprise Bond Fund Accounts established by the General Bond Order consist of the Debt Service Account, the Collateral Proceeds Accounts, the Primary Reserve Accounts, the Program Reserve Account, the First Half Account and the Second Half Account. All amounts in the Debt Service Account, the Collateral Proceeds Accounts, the Primary Reserve Accounts and the Program Reserve Account are to be held by the Trustee acting for the Treasurer. All amounts in the First Half Account and the Second Half Account are to be held by the Treasurer in the Bond Service Fund (and will thereby be trust funds and not a part of the State Treasury).

Debt Service Account. There is to be deposited in the Debt Service Account (i) any accrued interest received by the State upon the original issuance of a series of Ohio Enterprise Bond Fund Bonds; (ii) amounts transferred from the Collateral Proceeds Accounts, the Primary Reserve Accounts, the First Half Account, the Second Half Account, the Program Reserve Account and the Program Transfer Account pursuant to the General Bond Order and series bond orders; and (iii) any other amounts required to be deposited in the Debt Service Account pursuant to any series bond order. Moneys in the Debt Service Account are to be used solely for the payment of Debt Service Charges on Ohio Enterprise Bond Fund Bonds when due.

Notwithstanding the foregoing, on December 2 of each year (or the first Business Day thereafter if December 2 is not a Business Day), the Trustee is to transfer the Excess Balance (as defined below) from the Debt Service Account to the Program Reserve Account. "Excess Balance" means the difference as of December 1 of each year between (a) the sum of (1) the balance remaining in the Debt Service Account on such December 1 after payment or provision for payment of Debt Service Charges due and payable with respect to all then outstanding Ohio Enterprise Bond Fund Bonds, and (2) the aggregate amount required to be deposited in the Debt Service Account during the 12-month period commencing on December 2 of such year pursuant to all Project Financing Agreements in effect on such December 2; and (b) the aggregate amount of Debt Service Charges on Ohio Enterprise Bond Fund Bonds then outstanding becoming due and payable after such December 1 and through and including the next succeeding December 1.

Collateral Proceeds Account. In the case of each series of Ohio Enterprise Bond Fund Bonds issued to finance Project Facilities, the Project Financing Agreement is to provide for the deposit to the Collateral Proceeds Account of the Contracting Party of (i) moneys remaining in the Project Fund of such Contracting Party after completion of the Project Facilities financed from moneys in such Project Fund to the extent the moneys are not required to be deposited in the Debt Service Account pursuant to the provisions of the related Project Financing Agreement; (ii) recoveries from contractors and subcontractors which are received after completion of such Project Facilities; (iii) proceeds from the sale of all or any part of such Project Facilities; (iv) net proceeds from insurance or condemnation awards relating to such Project Facilities; and (v) moneys recovered pursuant to the exercise of any remedies under such Project Financing Agreement after the

occurrence of an event of default thereunder, after payment of operating expenses, if any, of the related Project Facilities. A Project Financing Agreement may also provide for additional deposits to the related Collateral Proceeds Account. Moneys in each Collateral Proceeds Account are to be applied in accordance with the General Bond Order and the Project Financing Agreement and series bond order related to the Collateral Proceeds Account. The Loan Agreement permits the use of net proceeds of insurance and condemnation awards to repair and restore Project Facilities, and it is anticipated that future series bond orders and Project Financing Agreements will also permit such use of such proceeds and awards.

Primary Reserve Account. Upon execution and delivery of a Project Financing Agreement, the Original Deposit is to be deposited in the Primary Reserve Account for the Contracting Party to such Project Financing Agreement, which Original Deposit is to be from such source or sources as shall be specified in the series bond order relating to such Project Financing Agreement. In addition, there is to be deposited in the Primary Reserve Account any amounts paid by such Contracting Party, pursuant to the Project Financing Agreement, to restore amounts transferred from the Primary Reserve Account to the Debt Service Account. The aggregate of the Original Deposits required by a series bond order relating to the issuance of Ohio Enterprise Bond Fund Bonds to finance Project Facilities cannot be less than 10 percent of the aggregate principal amount of the Ohio Enterprise Bond Fund Bonds authorized by such series bond order. Subject to the provisions of the applicable Project Financing Agreement, a Contracting Party may satisfy the Original Deposit requirement by delivering to the Trustee, for credit to such Contracting Party's Primary Reserve Account, a letter of credit drawn on a commercial bank, acceptable to the Director and, as to form, acceptable to the Trustee, in the amount of the Original Deposit.

On January 15 (or on the first Business Day thereafter if January 15 is not a Business Day) of each year, the Trustee is to determine the aggregate balance in the Primary Reserve Account of each Contracting Party, valuing the investments therein at the lower of cost or market. If the balance in a Primary Reserve Account exceeds the Original Deposit with respect to such Account, the Trustee is to transfer such excess to the Debt Service Account, and the Trustee is to promptly advise the Contracting Party of the amount so transferred, which amount is to be applied as a credit against the next succeeding payment due from such Contracting Party pursuant to the related Project Financing Agreement. There is no requirement that a Contracting Party deposit additional moneys into the Contracting Party's Primary Reserve Account solely because its value at market is less than the amount of the Original Deposit.

Transfers from Collateral Proceeds Account and Primary Reserve Account to Debt Service Account. Each Project Financing Agreement is to provide that upon default by the Contracting Party in the payment of any amount required to be paid by the Contracting Party to the Trustee for deposit in the Debt Service Account, the Trustee is to transfer such amount to the Debt Service Account first from moneys in such Contracting Party's Collateral Proceeds Account and then from such Contracting Party's Primary Reserve Account, such transfers to be made only to the extent of moneys available from such sources.

Each Project Financing Agreement is to provide that if any moneys are transferred from the related Primary Reserve Account to the Debt Service Account upon the default of the Contracting Party, the Contracting Party is to be required to restore the balance in the Primary Reserve Account to the lesser of (a) the Original Deposit with respect to such Primary Reserve Account or (b) the aggregate amount which such Contracting Party is required to pay to the Trustee for deposit into the Debt Service Account during the remaining term of such Project Financing Agreement.

Program Reserve Account. Upon the issuance of a series of Ohio Enterprise Bond Fund Bonds, there is to be deposited into the Program Reserve Account such part of the proceeds from the sale of such series of Bonds as shall be specified in the applicable series bond order. In the case of Ohio Enterprise Bond Fund Bonds issued to finance or acquire Project Facilities, it is anticipated that the series bond order will not provide for any such deposit. The Trustee is to determine the balance in the Program Reserve Account on the first Business Day of each month, valuing the investments therein at the lower of cost or market. If the balance

in the Program Reserve Account on any such valuation date is less than the Program Reserve Requirement, the Trustee is to promptly notify the Treasurer, by telephone and confirmed in writing, of the amount of such deficit. Within 20 days of receipt of such notice from the Trustee, the Treasurer is to pay, but only from the following sources and only to the extent that moneys are available from such sources, the amount of such deficit to the Trustee for deposit in the Program Reserve Account. If the Treasurer makes any such payment during the months of January through June, inclusive, the Treasurer is to apply to such payments moneys on deposit to the credit of the Second Half Account, and if such moneys are insufficient, then moneys on deposit to the credit of the First Half Account. If the Treasurer makes any such payment during the months of July through December, inclusive, the Treasurer is to apply to such payments moneys on deposit to the credit of the First Half Account, and if such moneys are insufficient, then moneys on deposit to the credit of the Second Half Account.

At any time, and from time to time, unless otherwise limited by the provisions of any series bond order, if the balance in the Program Reserve Account, valuing investments therein at the lower of cost or market, exceeds the Program Reserve Requirement, the Director may, by written notice to the Trustee, direct the Trustee to withdraw all or a part of such excess and transfer such amount to the Treasurer for deposit in and credit to the Program Transfer Account. The Trustee is to effect any such withdrawal and transfer within 20 days after receipt of notice from the Director. The series bond order issued in connection with the Series 1988 Bonds (the "First Series Bond Order") limits such withdrawal. The First Series Bond Order provides that notwithstanding the provisions of the General Bond Order, no moneys are to be transferred from the Program Reserve Account to the Program Transfer Account while any Series 1988 Bonds are outstanding. It further provides that if the balance in the Program Reserve Account exceeds the Program Reserve Requirement, the Director may, by written notice to the Trustee, direct the Trustee to transfer all or part of such excess to the Debt Service Account and apply the amount so transferred to the payment of principal, either at stated maturity or by the redemption, of the Series 1988 Bonds. See "SOURCE OF PAYMENT OF AND SECURITY FOR THE BONDS – Funds and Accounts – Program Reserve Account."

All or any portion of the Program Reserve Requirement may be satisfied by delivery to the Trustee of one or more irrevocable letters of credit ("Program Reserve Letters of Credit") issued by a commercial bank organized under the laws of the United States of America or any state thereof and having an aggregate of capital, paid in surplus and retained earnings of at least \$50,000,000 on the date of issuance of such Program Reserve Letter of Credit. Program Reserve Letters of Credit must be in form acceptable to the Trustee and must provide that they may be drawn upon by the Trustee to provide funds for the Program Reserve Account and must permit drawings thereunder for a period of not less than either one year or until 15 days after the final maturity of all Ohio Enterprise Bond Fund Bonds outstanding on the date of delivery of such Letter of Credit, whichever occurs first. The Trustee is to draw upon a Program Reserve Letter of Credit prior to its expiration for the full amount thereof and deposit the proceeds of such drawing in the Program Reserve Account unless, not later than 30 days prior to the expiration of such Program Reserve Letter of Credit, the Treasurer has delivered to the Trustee a replacement Program Reserve Letter of Credit in the same amount as the expiring Program Reserve Letter of Credit or evidence that the issuer of the Program Reserve Letter of Credit has extended the maturity thereof for a period of not less than one year (or, if earlier, to the 15th day following the final maturity date of the then outstanding Ohio Enterprise Bond Fund Bonds).

First Half Account; Second Half Account. While Ohio Enterprise Bond Fund Bonds are outstanding, the Treasurer is to deposit all moneys received from the sale, lease, other disposition or use of Project Facilities acquired by the Director under the Act and from the repayments, including interest, of loans made under the Act from proceeds received from the sale of obligations issued under the Act, except for any such amounts which are required to be deposited in the Debt Service Account or a Collateral Proceeds Account pursuant to the General Bond Order or a series bond order, as follows: amounts received during the months of January through June, inclusive, of each year, are to be deposited in the First Half Account and amounts received during the months of July through December, inclusive, of each year, are to be deposited in the Second Half Account.

If on the 10th day (or if such day is not a Business Day then on the next preceding Business Day) preceding the date on which any Debt Service Charges are due and payable the Trustee does not have sufficient moneys in the Debt Service Account to pay such Debt Service Charges, the Trustee is to notify the Director and the Treasurer by telephone and confirmed in writing, of the amount of such deficiency. On or before the second Business Day next preceding the date on which such Debt Service Charges are due and payable, the Treasurer is to pay to the Trustee, for deposit to the Debt Service Account, the amount of such deficiency, but if the Treasurer makes any such payment during the months of January through June, inclusive, it is to be made only from and only to the extent that moneys are available from moneys on deposit to the credit of the Second Half Account, and if such moneys are insufficient, the moneys on deposit to the credit of the First Half Account, or if the Treasurer makes any such payment during the months of July through December, inclusive, only from and only to the extent that moneys are available from moneys on deposit to the credit of the First Half Account, and if such moneys are insufficient, then moneys on deposit to the credit of the Second Half Account. Moneys in the First Half Account and the Second Half Account may be applied, in accordance with written directions by the Director to the Trustee, to the payment of the administrative expenses incurred by the Treasurer and the Director in connection with Ohio Enterprise Bond Fund Bonds.

On the last Business Day of each year, the Treasurer is to transfer the balance then on deposit in the First Half Account to the Program Transfer Account and on the last Business Day of June each year, the Treasurer is to transfer the balance then on deposit in the Second Half Account to the Program Transfer Account, except and to the extent that such moneys are to be transferred to accounts not in the Facilities Establishment Fund in accordance with written directions of the Director pursuant to Section 166.09 of the Act.

Other Sources of Payment of Debt Service Charges. If after transfer of the balances in the First Half Account and Second Half Account to the Debt Service Account, the balance in the Debt Service Account remains insufficient to pay Debt Service Charges then due and payable, the Trustee is to transfer moneys from the following Accounts, and in the following order, sufficient to eliminate such deficiency (such transfers to be made by the Trustee on the Business Day immediately preceding the day on which such Debt Service Charges are due and payable):

1. from the Program Reserve Account;
2. from the Primary Reserve Accounts of all Contracting Parties, with the amount to be transferred from each such Account being equal to the product of the amount to be transferred from all such Accounts multiplied by a fraction, the numerator of which is the balance in such Account and the denominator of which is the sum of the balances in all such Accounts; and
3. from the Collateral Proceeds Accounts of all Contracting Parties, with the amount to be transferred from each such Account being equal to the product of the amount to be transferred from all such Accounts multiplied by a fraction, the numerator of which is the balance in such Account and the denominator of which is the sum of the balances in all such Accounts.

Program Transfer Account

If at any time the aggregate of the balances in the Ohio Enterprise Bond Fund Accounts is insufficient to pay Debt Service Charges which have become due and payable, the Trustee is to notify the Director and the Treasurer promptly by telephone and confirmed in writing, of the amount of such deficiency, and the Director, upon receipt of such notice, is to promptly cause an amount equal to such deficiency to be transferred to the Trustee for deposit in the Debt Service Account from moneys then on deposit to the credit of the Program Transfer Account, but such transfer is to be made only to the extent of moneys then on deposit to the credit of the Program Transfer Account and not otherwise committed by the Director for any other purposes permitted under the Act as it presently exists or is amended and subject to the approval of the State Controlling Board.

Rebate Fund

The Trust Agreement also creates a Rebate Fund, which is to be maintained as a separate deposit account in the custody of the Trustee. All amounts determined to be subject to rebate to the United States of America pursuant to any Federal Income Tax Compliance Agreement from amounts held in any fund or account established pursuant to the General Bond Order or any series bond order are to be deposited in the Rebate Fund in such amounts and from such funds or accounts as provided in or pursuant to the Federal Income Tax Compliance Agreement. Amounts in the Rebate Fund are to be disbursed in accordance with the requirements of any Federal Income Tax Compliance Agreement; they are not pledged to secure repayment of Debt Service Charges on Ohio Enterprise Bond Fund Bonds. If pursuant to any Federal Income Tax Compliance Agreement, any amount in the Rebate Fund is determined to be in excess of that required to be rebated to the United States of America, the Trustee is to transfer such amount from the Rebate Fund to the Debt Service Account.

Investments

Under present law and the General Bond Order, moneys in the Ohio Enterprise Bond Fund Accounts may be invested in the following (collectively, "Eligible Investments"): (a) Governmental Obligations; (b) shares of an open-end diversified management investment company registered under the Investment Company Act of 1940, as amended, the investments of which are primarily in Governmental Obligations or securities described in (e) below; (c) time deposits at, or certificates of deposit issued by, banks, savings banks or trust companies, including the Trustee or its affiliates, organized under the laws of the United States of America or any state thereof, but only if such deposits and certificates are fully insured by the Federal Deposit Insurance Corporation; (d) commercial paper or finance company paper, including that of the Trustee or any of its affiliates, rated "P-1+" or "A-1+" or their equivalents by Moody's and S&P; (e) obligations of any state of the United States of America or any political subdivision or other instrumentality thereof which are rated "A" or its equivalent or better by both Moody's and S&P; and (f) investment contracts with commercial banks which have outstanding long term debt securities rated "A" or better by both Moody's and S&P, provided, however, that S&P is to have reviewed the terms and conditions of each investment contract in which moneys are invested and is to have advised the Treasurer in writing that investment of such moneys in such investment contract will not result in the reduction or termination of any S&P rating on any outstanding Ohio Enterprise Bond Fund Bonds.

Investments of moneys in the Debt Service Account are to mature or be redeemable at the option of the holder thereof at the times and in the amounts necessary to provide the Trustee with moneys to pay Debt Service Charges when due. The Treasurer or the Trustee (subject to any orders of the Treasurer), as the case may be, is permitted to sell any investments from time to time in Eligible Investments.

Pursuant to the Trust Agreement, any investment made from moneys in any fund or account shall constitute part of such fund or account. Except as otherwise provided in series bond orders or Federal Income Tax Compliance Agreements:

- (a) earnings from investment of moneys in any Ohio Enterprise Bond Fund Account shall be credited to such Ohio Enterprise Bond Fund Account; and
- (b) earnings from investment of moneys in a Project Fund or the Rebate Fund shall be credited to such Project Fund or the Rebate Fund, as the case may be.

Administrative Expenses

Unless other sources and provisions therefor are made, moneys deposited in the Program Transfer Account are to be used, upon order of the Director, for the payment of administrative expenses incurred by the Treasurer and the Director in connection with Ohio Enterprise Bond Fund Bonds.

Other Trust Agreement Provisions

The Trust Agreement contains provisions as to Ohio Enterprise Bond Fund Bond authentication, registration, transfer, exchange and replacement, redemption, remedies upon default, duties of the Trustee, Bond Registrar, Authenticating Agents and Paying Agents (and their successors), supplemental trust agreements, and defeasance, among others.

Events of Default

Each of the following is an “Event of Default” under the Trust Agreement:

- (a) Default in the payment of any interest on any Ohio Enterprise Bond Fund Bond when due and payable;
- (b) Default in the payment of the principal of or any redemption premium on any Ohio Enterprise Bond Fund Bond when due and payable at maturity or by mandatory redemption; and
- (c) Any other default by the Treasurer or the State in the performance or observance of any of the covenants, agreements or conditions contained in the Trust Agreement or Ohio Enterprise Bond Fund Bonds, and the continuance thereof for a period of 60 days after written notice thereof to the Treasurer given by the Trustee or by the holders of not less than 25 percent in aggregate amount of Ohio Enterprise Bond Fund Bonds affected by that default then outstanding.

The Trust Agreement does not require the furnishing of periodic evidence to the Trustee as to the absence of defaults or Events of Default under the Trust Agreement or as to compliance with the terms of the Trust Agreement.

Remedies

Upon the happening and continuance of any Event of Default described in (c) above, the Trustee may, and upon the written request of the holders of not less than 25 percent of the then aggregate outstanding principal amount of Ohio Enterprise Bond Fund Bonds affected by the Event of Default is required to, upon being properly indemnified, take appropriate actions, including mandamus, to enforce all the rights of the bondholders, bring suit on the Ohio Enterprise Bond Fund Bonds, and enjoin any unlawful activities or activities in violation of the bondholders’ rights.

In the event of the occurrence of any Event of Default in the payment of Debt Service Charges on Ohio Enterprise Bond Fund Bonds, the Trustee must take appropriate action and, in addition, may apply to a court for the appointment of a receiver to receive and administer the Ohio Enterprise Bond Fund Accounts (other than those in the custody of the Treasurer) and to pay Debt Service Charges, or may, by notice in writing delivered to the Treasurer, declare the principal of all then outstanding Ohio Enterprise Bond Fund Bonds and the interest accrued thereon immediately due and payable. Provision is made for the rescission at any time prior to entry of a judgment by a court for enforcement or appointment of a receiver upon the payment of all amounts due except principal on Ohio Enterprise Bond Fund Bonds that have not reached their maturity dates, and for waivers in connection with Events of Default.

The holders of a majority in aggregate principal amount of Ohio Enterprise Bond Fund Bonds have the right, by written instrument delivered to the Trustee, to direct the method and place of conducting any and all remedial proceedings under the Trust Agreement, provided that the direction is in accordance with the provisions of law and of the Trust Agreement and the Trustee is indemnified to its satisfaction; provided however, the Trustee may decline to follow bondholder direction which the Trustee believes is prejudicial to the Bondholders not parties to that direction.

The Trust Agreement provides that before taking remedial action the Trustee may require that a satisfactory indemnity bond be provided for the reimbursement of all expenses to which the Trustee may be put and to protect the Trustee against all liability, except liability which is adjudicated to have resulted from the Trustee's negligence or willful misconduct. The Trustee may act without this indemnity, in which case its expenses are to be reimbursed.

The holders of the Ohio Enterprise Bond Fund Bonds are not entitled to enforce the provisions of the Trust Agreement or to institute, appear in, or defend any suit, action or proceeding to enforce any rights, remedies or covenants granted or contained in the Trust Agreement or to take any action with respect to any Event of Default under the Trust Agreement, except as provided in the Trust Agreement.

Enforcement by Mandamus

Pursuant to the Act and to the General Bond Order the duties of the Treasurer and of each State agency and their members, officers and employees under the General Bond Order, the Trust Agreement, any series bond order, any supplemental trust agreements and any other agreements or documents relating to any Ohio Enterprise Bond Fund Bonds are enforceable by mandamus.

Defeasance

If there is paid or caused to be paid all Debt Service Charges due or to become due on all Ohio Enterprise Bond Fund Bonds, and provision is made for paying all other sums payable under the Trust Agreement by the State, then the Trust Agreement will cease, determine and become null and void, and the covenants, agreements and other obligations of the State and the Treasurer thereunder will be discharged, released and satisfied. Thereupon the Trustee will execute and deliver to the Treasurer any instruments to evidence that discharge, release and satisfaction as may be reasonably required by the Treasurer, and the Trustee and Paying Agents will deliver to the Treasurer any funds at the time subject to the lien of the Trust Agreement which may then be in their possession except for any funds held for the payment of Debt Service Charges (subject to the provisions for the unclaimed moneys described below).

Ohio Enterprise Bond Fund Bonds will be deemed to have been paid or caused to be paid for the purpose of defeasance if:

- (a) the Trustee holds, in trust for and irrevocably committed thereto, sufficient moneys, or
- (b) the Trustee holds, in trust for and irrevocably committed thereto, Governmental Obligations certified by an independent public accounting firm of national reputation to be of such maturities and interest payment dates and to bear such interest as will, without further investment or reinvestment of either the principal amount or the interest earnings (likewise to be held in trust and committed, except as described below), be sufficient together with moneys referred to in (a) above,

for the payment, at the maturity or redemption date, of all Debt Service Charges thereon to the date of maturity or redemption, as the case may be, or if default in that payment shall have occurred on such date then to the date of the tender of that payment; provided that if any Ohio Enterprise Bond Fund Bonds are to be

redeemed prior to their maturity, notice of that redemption has been given or provision satisfactory to the Trustee has been made for the giving of that notice. Any funds held in connection with such defeasance are required to be invested only in Governmental Obligations the maturities or redemption dates of which, at the option of the holder thereof, shall be not later than the time or times at which those moneys will be required for the purposes for which they are held. Any income or interest earned by, or increment to, those investments, to the extent not required for the applicable purposes, will be transferred to other funds of the State as the Treasurer directs.

Non-Presentation of Bonds

If an Ohio Enterprise Bond Fund Bond is not presented for payment when due or an interest payment check or draft is uncashed, and if moneys for the purpose of paying and sufficient to pay that amount have been made available to the Paying Agents therefore, all liability of the State to that holder for the payment will thereupon cease and be completely discharged. It is the duty of the Paying Agents to hold those moneys in trust, without liability for interest thereon, for the benefit of the holder of that Bond, who thereafter will be restricted exclusively to those moneys for any claim of whatever nature under the Trust Agreement or on or with respect to that Bond or that interest payment. Moneys so held by the Paying Agents, and which remain unclaimed for four years after the due date of that Bond or that interest payment, upon request in writing by the Treasurer, will be paid to the Treasurer and thereafter the holder may look only to the Treasurer for payment and then only to the amounts so received by the Treasurer without any interest thereon and the Paying Agents will have no further responsibility with respect to those moneys. Any moneys so paid to the Treasurer will be credited to a special subaccount in the Debt Service Account, and the Treasurer will keep a record of the amounts with respect to each series of Ohio Enterprise Bond Fund Bonds so deposited in that special subaccount.

Supplemental Trust Agreements; Modifications

A supplemental trust agreement is to be entered into in connection with the issuance of each series of Ohio Enterprise Bond Fund Bonds providing for, among other things, the forms of the bonds of that series (including, if authorized, coupon bonds, and book entries). The applicable series bond order will be included in and constitute part of that supplemental trust agreement.

Supplemental trust agreements, other than those described above and in the next paragraph, modifying, altering, amending, adding to or rescinding in any particular any of the terms or provisions of the Trust Agreement, require the consent and approval of the holders of not less than a majority in aggregate principal amount of the Ohio Enterprise Bond Fund Bonds (excluding Ohio Enterprise Bond Fund Bonds, if any, owned by the State) to be affected thereby, except that (i) an extension of the maturity of any Ohio Enterprise Bond Fund Bond's principal or interest, or a reduction in any Ohio Enterprise Bond Fund Bond's principal amount, rate of interest or redemption premium, or a reduction in the amount or extension of the time of any payment required by any mandatory sinking fund requirements, requires the consent of the holders of any and all affected Ohio Enterprise Bond Fund Bonds; and (ii) a change in the privilege or priority of any Ohio Enterprise Bond Fund Bond or Bonds or a reduction in the aggregate principal amount of the Ohio Enterprise Bond Fund Bonds required for consent to that supplemental trust agreement requires the consent of the holders of all Ohio Enterprise Bond Fund Bonds then outstanding.

The State and the Trustee, without consent of or notice to any Bondholders, may enter into supplemental trust agreements which, in the opinion of the Treasurer and the Trustee, will not be inconsistent with the terms and provisions of the Trust Agreement for any one or more of the following purposes: to cure any ambiguity, inconsistency or formal defect or omission in the Trust Agreement; to grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Bondholders or the Trustee; to subject additional revenues or receipts to the lien and pledge of the Trust Agreement; to add covenants and agreements of the State thereafter

to be observed for the protection of the Bondholders, or to surrender or limit any right, power or authority reserved to or conferred upon the State in the Trust Agreement; to provide for bond forms not inconsistent with the rights of registered owners of fully registered Bonds; to evidence any succession to the Treasurer; to permit the Trustee to comply with any obligations imposed upon the trustee by law; to specify further the duties and responsibilities of, and to define further the relationship among, the Trustee, the Bond Registrar, Authenticating Agents and Paying Agents; to achieve compliance of the Trust Agreement with any applicable federal securities or tax law; to permit any other amendment which, in the judgment of the Trustee, is not to the prejudice of the Trustee or the Bondholders; and to permit any amendments required by Moody's or S&P in order to obtain or retain a rating on any Ohio Enterprise Bond Fund Bonds.

Covenants of the State

In addition to other covenants, the State covenants in the General Bond Order to pay or cause to be paid promptly Debt Service Charges from the sources provided in the General Bond Order; not to make or create (except as authorized or permitted by the General Bond Order), any prior or parity pledge or assignment of or lien or encumbrance upon the Ohio Enterprise Bond Fund Accounts; to permit the Trustee, original purchasers, and representatives of holders of 25 percent or more of the principal amount of the outstanding Ohio Enterprise Bond Fund Bonds to inspect at all reasonable times the records, books, documents and special funds and accounts pertaining to the Ohio Enterprise Bond Fund Bonds; and to waive the benefit or advantage of any stay or extension law which may affect the covenants and agreements in the General Bond Order, the Trust Agreement, a series bond order or the Ohio Enterprise Bond Fund Bonds.

Trustee

The Trustee, The Huntington National Bank, as successor trustee, is a bank organized and existing under the laws of the United States of America. The Trustee's designated office is located at 7 Easton Oval, Columbus Ohio 43219.

THE SERIES BOND ORDER AND SUPPLEMENTAL TRUST AGREEMENT

The following is a summary of certain provisions of the Supplemental Trust Agreement and the Series Bond Order which is incorporated therein and constitutes a part of the Supplemental Trust Agreement. Reference is made to the Supplemental Trust Agreement and the Series Bond Order for a complete recital of their terms.

The Bonds are to be issued pursuant to a provision of the General Bond Order which permits the issuance of Ohio Enterprise Bond Fund Bonds pursuant to series bond orders. The Series Bond Order directs issuance of the Bonds and establishes the essential terms of the Bonds.

On the closing date, the Treasurer is to apply the proceeds of the Bonds as follows: (a) cause to be deposited into the Series 2012-3 Issuance Expense Account (the "Series 2012-3 Issuance Expense Account") created pursuant to the Series Bond Order the sum of \$116,790.00 for the purpose of paying a portion of the issuance expenses described below; (b) to the Debt Service Account, any accrued interest or capitalized interest received on the sale of the Series 2012-3 Bonds; and (c) cause to be deposited to the Project Fund for application to the acquisition of the Project the balance of said proceeds.

The Series Bond Order creates an Issuance Expense Account as a separate deposit account in the custody of the Trustee. Moneys in the Issuance Expense Accounts are to be disbursed by the Trustee, upon the written direction of the Director, for payment of issuance expenses incurred in connection with the issuance of the Bonds, including, but not limited to, the fees of the Financial Advisor, the acceptance fee of the Trustee, the fees and disbursements of bond counsel and special counsel for the Placement Agent and the Financial Advisor, printing fees and rating agency fees and the payment of direct loan fees in connection with the State

Loan. On June 15, 2012, the Trustee is to transfer any balance remaining in the Issuance Expense Account to the Collateral Proceeds Account of the Project Fund.

PROJECT FINANCING AGREEMENT

A form Loan Agreement, to be used as Project Financing Agreements (the “Form Project Financing Agreement”), has been developed by the State. The following is a description of some of the terms of the Form Project Financing Agreement.

The Form Project Financing Agreement provides for disbursement of net proceeds of Ohio Enterprise Bond Fund Bonds to pay Allowable Costs of Project Facilities in accordance with the Act and the Code. Pursuant to the Project Financing Agreement, the Contracting Party must provide various certifications and evidence of certain facts, all of which will be subject to approval by the Director, prior to any partial or total disbursement of moneys in the Contracting Party’s Project Fund. The certifications and evidence are designed to give some assurance to the Director that the use of disbursed funds is in compliance with the Act and the Code and that the Contracting Party has complied with the terms of the Project Financing Agreement (in particular, terms relating to the quality of the Director’s title or lien interest in the Project Facilities).

The Form Project Financing Agreement also provides for funding by the Contracting Party of the Contracting Party’s Primary Reserve Account which shall be in the form of cash or a reserve letter of credit (and for replenishment of that Account if it is used due to a default by the Contracting Party under the Project Financing Agreement), permits the Contracting Party to direct the Trustee to apply moneys in the Primary Reserve Account to pay the loan payments due at the end of the term of the Project Financing Agreement and provides that if moneys are transferred from the Contracting Party’s Primary Reserve Account or Collateral Proceeds Account to the Debt Service Account after all other Ohio Enterprise Bond Fund Accounts are exhausted and if the Contracting Party is not then in default under the Project Financing Agreement, the Contracting Party will receive a credit against payments due under the Project Financing Agreement in inverse order of their maturity in an amount equal to the amount so transferred.

Under the Form Project Financing Agreement, the Contracting Party agrees to pay taxes relating to the Project Facilities, to maintain at its own cost and expense the Project Facilities and to pay reasonable expenses of the Director relating to the Project Facilities. The Contracting Party is not required to renew, repair or replace inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary personal property comprising Project Facilities and the Contracting Party is permitted to substitute personal property for personal property comprising the Project Facilities provided the nature of the Contracting Party’s use of Project Facilities does not change as a result of the substitution.

The Form Project Financing Agreement also requires the Contracting Party to maintain replacement cost insurance on the Project Facilities in an amount equal to at least the amount of the series of Ohio Enterprise Bond Fund Bonds related thereto with such deductibles as are agreed to by the Director. Under the Project Financing Agreement, net proceeds of insurance in excess of an amount agreed to by the Contracting Party and the Director will be placed in the Contracting Party’s Collateral Proceeds Account to be disbursed for repair or replacement of the Project Facilities. Net proceeds of condemnation awards are placed in the Collateral Proceeds Account to be applied to pay the costs of restoring or repairing the Project Facilities or to redeem or defease the series of Ohio Enterprise Bond Fund Bonds related thereto and purchase the Project Facilities. Each of the Project Financing Agreements also contains form covenants (including financial covenants) regarding each of the Contracting Parties and their respective operations. The Director negotiates the actual terms of the covenants on a case by case basis.

The Form Project Financing Agreement delineates many events of default, including but not limited to a failure to pay any amount payable under the agreement on the date it is due and a failure to observe or perform any agreement, term or condition contained in the agreement that does not relate to the payment of

money for a period of 30 days after notice of such failure is given the Contracting Party by the Director or such longer period as may be required if corrective action is commenced during said 30 day period and diligently pursued thereafter.

If an event of default occurs and is subsisting, the Project Financing Agreement provides that the Director, in addition to any other rights he may have at law or in equity, may declare all amounts payable under the Project Financing Agreement due and may foreclose upon and take possession of the Project Facilities and attempt to lease or sell the Project Facilities, holding the Contracting Party liable for any deficiency.

The Form Project Financing Agreement also provides the Contracting Party with the right to prepay the Project Financing Agreement prior to the end of the term of the Project Financing Agreement upon the occurrence of a casualty to or a condemnation of the Project Facilities by providing sufficient moneys, in addition to moneys in the Contracting Party's Collateral Proceeds Account and Primary Reserve Account, to optionally redeem or defease the related series of Ohio Enterprise Bond Fund Bonds and to pay to the Director a nominal amount.

The Form Project Financing Agreement requires the Borrower to make payments on a monthly basis, sufficient in the aggregate to pay the Debt Service Charges on the Bonds. It is anticipated that future agreements will have the same length as the term of the series of Ohio Enterprise Bond Fund Bonds issued in connection therewith.

TAX MATTERS

In the opinion of Roderick Linton Belfance, LLP, Bond Counsel, under existing law, interest on the Bonds is **not** excluded from gross income for federal income tax purposes under Section 103(a) of the Code, but interest on the Bonds, the transfer thereof, and any profit on their sale, exchange, transfer, or other disposition are exempt from the Ohio personal income tax, the Ohio commercial activity tax, and income taxes imposed by municipalities, school districts and joint economic development districts in Ohio.

An opinion to those effects will be included in the approving legal opinion. Bond Counsel will express no opinion as to any other tax consequences regarding the Bonds. The opinion on tax matters will be based on and will assume the accuracy of certain representations and certifications made by the State and the Borrower, and the compliance with certain covenants by the State and the Borrower to be contained in the transcript of proceedings and which are intended to evidence and assure the foregoing. Bond Counsel has not and will not independently verify the accuracy of such certifications and representations made by the State and the Borrower on the continuing compliance with those covenants.

From time to time legislative proposals are pending in Congress or the Ohio legislature that would, if enacted, alter or amend one or more of the federal or state tax matters discussed herein in certain respects or that would adversely affect the market value of the Bonds. In addition, federal or state judicial decisions may be rendered, or administrative actions taken by taxing authorities, which could also impact the federal or state tax matters discussed herein or that would adversely affect the market value of the Bonds. Neither the form nor enactment of any of such proposals can be predicted, and there can be no assurance that any such proposals or any judicial decisions or administrative actions, will not apply, either retroactively or prospectively, to the Bonds.

The foregoing is not intended as a detailed or comprehensive description of all possible tax consequences of purchasing or holding the Bonds. Persons considering the purchase of the Bonds should consult with their tax advisors as to the consequences of buying or holding the Bonds in their particular circumstances.

ELIGIBILITY UNDER OHIO LAW FOR INVESTMENT AND AS SECURITY FOR THE DEPOSIT OF PUBLIC MONEYS

To the extent that the matter as to the particular investor is governed by Ohio law, under the Act the Bonds are lawful investments for banks, societies for savings, savings and loan associations, deposit guarantee associations, trust companies, trustees, fiduciaries, insurance companies, including domestic for life and domestic not for life, trustees or other officers having charge of sinking and bond retirement or other special funds of political subdivisions and taxing districts of the State, the Commissioners of the Sinking Fund of the State, the Administrator of Workers' Compensation, and the State's retirement systems (Teachers, Public Employees, School Employees, and Police and Firefighter's), notwithstanding any other provisions of the Revised Code or rules adopted pursuant thereto by any governmental agency of the State with respect to investment by them. The Act also provides that the Bonds are acceptable under Ohio law as security for the deposit of public moneys.

LITIGATION

There is no litigation pending contesting the validity of the Bonds or the proceedings for the authorization, issuance, sale, execution and delivery thereof. A no-litigation certificate by the State to that effect will be delivered to the Placement Agent at the time of original delivery of the Bonds.

The State is a party to various legal proceedings seeking damages or injunctive or other relief and generally incidental to its operations, but unrelated to the Bonds or the security for the Bonds. The ultimate disposition of these proceedings is not presently determinable, but will not, in the opinion of the Attorney General of Ohio, have a material adverse effect on the Bonds or the security for the Bonds.

THE OFFERING

Pursuant and subject to the terms and conditions set forth in a Private Placement Agreement, the Bonds are being placed by RBC Capital Markets (the "Placement Agent"). The Placement Agent will be paid a placement fee of \$28,280.00 by the State from the Bond Proceeds. The Placement Agent's obligations are subject to certain conditions precedent set out in the Private Placement Agreement. The Borrower has agreed to indemnify the Placement Agent and the State, as issuer of the Bonds, against certain civil liabilities, including certain liabilities with respect to federal securities law. Only prospective investors who qualify as institutional investors may subscribe for Bonds. See "ELIGIBLE INVESTORS" above.

LEGAL MATTERS

Certain legal matters incident to the validity of the Bonds are subject to the approving opinion of Roderick Linton Belfance, LLP, Bond Counsel, which has also passed on certain other matters relating to the Bonds and their issuance.

In its capacity as Bond Counsel, Roderick Linton Belfance, LLP has participated in the preparation, and has reviewed those portions of this Private Placement Memorandum pertaining solely to the Bonds, the General Bond Order, the Trust Agreement, the Series Bond Order, the Supplemental Trust Agreement and the Project Financing Agreement contained under the captions "SUMMARY STATEMENT," "INTRODUCTORY STATEMENT," "CONSTITUTIONAL AND STATUTORY AUTHORIZATION," "THE BONDS," "SOURCE OF PAYMENT OF AND SECURITY FOR THE BONDS," "ISSUANCE OF ADDITIONAL OHIO ENTERPRISE BOND FUND BONDS AND OTHER BONDS UNDER THE ACT," "THE GENERAL BOND ORDER AND TRUST AGREEMENT," "THE SERIES BOND ORDER AND SUPPLEMENTAL TRUST AGREEMENT," "PROJECT FINANCING AGREEMENT," and "TAX MATTERS" herein and in Appendix A to this Private Placement Memorandum. Said firm has not been retained to pass upon any other information in this Private Placement Memorandum including information in

Appendices B or C, or in any other reports, financial information, offering or disclosure documents or other information pertaining to the State that may be prepared or made available by the State or others to the prospective purchasers of the Bonds or to others.

Tucker Ellis LLP, special counsel for the Placement Agent in connection with the issuance and sale of the Bonds, has passed on certain matters for the Placement Agent. Haynes and Boone, LLP, Borrower's Counsel, has passed on certain matters for the Borrower.

CONTINUING DISCLOSURE COMMITMENT

The Treasurer has agreed in the Trust Agreement, for the benefit of the holders and beneficial owners of the Bonds, in accordance with SEC Rule 15c2-12 (the "Rule") to provide or cause to be provided to the Municipal Securities Rulemaking Board ("MSRB") such financial information and operating data ("Annual Information"), audited financial statements and notices, in such manner, as may be required for purposes of paragraph (b)(5)(i) of the Rule ("Continuing Disclosure Commitment"), including specifically the following:

(a) Annual Information for each State fiscal year (beginning with fiscal year 2012) not later than the 90th day following the end of the fiscal year (or, if that is not a State business day, the next State business day), consisting of annual financial information and operating data of the Chapter 166 Direct Loan Program and the Ohio Enterprise Bond Fund Program, including reserve balances, operating performance of the Chapter 166 Direct Loan Program and the information of the type included herein in Appendices B and C of this Private Placement Memorandum;

(b) When and if available, audited financial statements of the State for each fiscal year, prepared in accordance with generally accepted accounting principles applicable to governments;

(c) In a timely manner not in excess of 10 business days after the occurrence of the event, notice of any of the following events, within the meaning of the Rule, with respect to the Bonds: principal and interest payment delinquencies; non-payment related defaults, if material; unscheduled draws on any debt service reserves reflecting financial difficulties; unscheduled draws on any credit enhancements reflecting financial difficulties; substitution of credit or liquidity providers, or their failure to perform; adverse tax opinions, the issuance by the IRS of proposed or final determinations of taxability, or other material notices or determinations with respect to the tax status of the Bonds, or other events affecting the tax-exempt status of the Bonds; modifications to rights of holders or beneficial owners, if material; Bond calls, if material, and tender offers; defeasances; release, substitution, or sale of property securing repayment of the Bonds, if material; rating changes; bankruptcy, insolvency, receivership or similar proceeding of the State; and appointment of a successor Trustee or additional Trustee or the change of name of a Trustee, if material; and

(d) In a timely manner, notice of the failure to provide the Annual Information within the time specified above.

The Treasurer reserves the right to amend the Continuing Disclosure Commitment, and to obtain the waiver of noncompliance with any provision of the Continuing Disclosure Commitment, as may be necessary or appropriate to achieve its compliance with any applicable federal securities law or rules, to cure any ambiguity, inconsistency or formal defect or omission, and to address any change in circumstances arising from a change in legal requirements, change in law, or change in the identity, nature or status of the Treasurer. Any such amendment or waiver will not be effective unless the Continuing Disclosure Commitment (as amended or taking into account such waiver) would have complied with the requirements of the Rule at the time of the primary offering of the Bonds, after taking into account any applicable amendments to or official interpretations of the Rule, as well as any change in circumstances, and until the Treasurer shall have received either (i) a written opinion of bond or other qualified independent special counsel selected by the Treasurer that the amendment or waiver would not materially impair the interest of holders or beneficial owners of the

Bonds, or (ii) the written consent to the amendment, or waiver, by the holders of at least a majority of the aggregate outstanding principal amount of the Bonds.

The Continuing Disclosure Commitment, by provision in the Trust Agreement, will be solely for the benefit of the holders and beneficial owners of the Bonds, including owners of book-entry interest in the Bonds. The right to enforce the provisions of the Continuing Disclosure Commitment may be limited to a right of the holders or beneficial owners to enforce to the extent permitted by law (by mandamus, or other suit, action or proceedings at law or in equity) the obligations and duties under it.

Any non-compliance with the Continuing Disclosure Commitment will not constitute an event of default with respect to, or in any way impair the obligation of or security for, the Bonds. The obligations of the Treasurer under the Continuing Disclosure Commitment are determined and acknowledged to be an act specifically enjoined by the law as a duty resulting from an office, trust or station within the meaning of Section 2731.01 of the Revised Code.

The Continuing Disclosure Commitment will remain in effect only for such period that the Bonds are outstanding in accordance with their terms and the State remains an obligated person with respect to those Bonds within the meaning of the Rule.

There has not been, and will not be as of the closing date, any instance in which the Treasurer has failed to comply in all material respects with any previous Continuing Disclosure Commitment for purposes of the Rule.

RATING

Standard & Poor's Rating Service ("S&P"), a division of The McGraw Hill Companies, Inc., has assigned the Bonds the rating of "AA+". Such rating reflects only the views of such organization, and an explanation of the significance of such rating may be obtained directly from S&P at 65 Water Street, New York, New York 10001 or at (212) 438-2000. There is no assurance that this rating will continue for any given period of time or that it will not be changed, suspended or withdrawn if, in the judgment of such agency, as a result of changes in, or unavailability of, information, circumstances so warrant. Any such change, suspension or withdrawal of such rating may have an adverse effect on the market price of the Bonds, if any.

PLACEMENT AGENT

RBC Capital Markets, LLC ("RBC CM") is employed as Placement Agent to the Issuer and FWT, LLC in connection with the placement of the Bonds. The Placement Agent fee for services rendered with respect to the sale of the Bonds is contingent upon the issuance and delivery of the Bonds. The Placement Agent is not obligated to undertake, and has not undertaken to make, an independent verification of to assume responsibility for the accuracy, completeness, or fairness of the information in this Private Placement Memorandum and the Placement Agent has been indemnified by FWT, LLC for certain claims that may arise from the contents of this Private Placement Memorandum.

FINANCIAL ADVISOR

Ross, Sinclair & Associates, LLC, is serving as financial advisor to the Treasurer and DiPerna Economic Development Advisors is serving as Project Consultant to the State in connection with the issuance and sale of the Bonds. The Financial Advisor and Project Consultant, together, will receive a fee equal to \$44,440 for such services.

MISCELLANEOUS

The foregoing summaries or descriptions of provisions of the Bonds, the General Bond Order, Trust Agreement, Series Bond Order, Supplemental Trust Agreement, and the Project Financing Agreement, and all references to materials not purporting to be quoted in full are only brief outlines of certain provisions. For further information relating to such matters, reference is hereby made to the complete documents, copies of which are available for inspection during the period of this offering at the offices of the Placement Agent and at the offices of the Director.

To the extent that any statements in this Private Placement Memorandum involve matters of opinion or estimates, whether or not expressly stated to be such, those statements are made as such and not as representations of fact or certainty, and no representation is made that any of those statements will be realized. Information in this Private Placement Memorandum has been derived from official and other sources and is believed to be reliable, but information other than that obtained from official records of the State has not been independently confirmed or verified by the State and its accuracy is not guaranteed. This Private Placement Memorandum is not to be construed as a contract or agreement between the State of Ohio and the purchasers or owners of any of the Bonds or of any interest therein.

This Private Placement Memorandum has been prepared and delivered by the State of Ohio, and executed for and on its behalf and in his official capacity, by the Treasurer of State.

APPENDIX D

PURCHASER AGREEMENT

The undersigned (the “Purchaser”) hereby agrees with the State of Ohio (the “Issuer”) to purchase the following amounts of State of Ohio State Economic Development Revenue Bonds (Ohio Enterprise Bond Fund) Series 2012-3 (FWT, LLC Project) (Taxable Bonds) (the “Bonds”) for the following price:

Maturity	Amount	Interest Rate	Price
June 1, 2022	\$4,040,000	_____%	

1. In connection with the aforesaid purchase, the undersigned represents and warrants as follows:

- (a) That the Purchaser has received and carefully reviewed the Private Placement Memorandum dated April 2, 2012 and the Private Placement Memorandum dated [April __, 2012] (collectively, the “Private Placement Memorandum”) relating to the offering and sale of the Bonds and has, to the extent the Purchaser deems appropriate, reviewed the Trust Agreement and Supplemental Trust Agreement (both as defined in the Private Placement Memorandum) and has had the opportunity to ask such questions of the staff of the Department of Development of Ohio as the undersigned deemed appropriate.
- (b) The Purchaser is aware that the Bonds have not been registered under the federal or state securities laws and that there are certain restrictions on the transferability of the Bonds. It is acknowledged that the Issuer is under no obligation whatsoever to register the bonds under any state or federal laws.
- (c) The Purchaser acknowledges that it is a “Qualified Institutional Buyer”, as such term is defined in Rule 144A promulgated under the Securities Act of 1933, as amended, and has such knowledge and experience in financial and business matters that the Purchaser is capable of evaluating the merits and risks of an investment in the Bonds.
- (d) The Purchaser is acquiring the Bonds for its own account and not with a view to distribution or resale provided that the disposition of the Bonds shall at all times be and remain within Purchaser’s control.

2. The Purchaser certifies that its correct taxpayer identification number is:

3. _____ and that it is not subject to backup withholding.

4. The Purchaser understands that the Bonds will carry a credit rating of “AA+” from Standard & Poor’s Rating Service, a division of The McGraw Hill Companies.

5. The Purchaser is duly and legally authorized to purchase the obligations such as the Bonds. The undersigned is an authorized signatory of the Purchaser.
